Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Girl Jordan.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Taytum McKinley. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Girl Jordan and Lincoln went after Taytum McKinley who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, ocean blue energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds,

Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Taytum McKinley and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws, and he was really, really, really pissing off her off now and driving her even more ballistic.

Just then, Taytum McKinley got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Girl Jordan, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Taytum McKinley's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Taytum McKinley by the neck and he tossed her into the air, and then, Girl Jordan and Lincoln fired a powerful barrage of energy balls with water, elemental forces, and mythological animals, and as they hit Taytum McKinley, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Taytum McKinley's spirit appeared, and she was still incensed with anger and fury.

Taytum McKinley: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental

Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Taytum McKinley.

Lincoln summoned the spirits of Taytum McKinley's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Taytum McKinley: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Girl Jordan and Lincoln holstered their massive greatswords on their backs and powered down, and Girl Jordan's new body, clothes, weapons, jewelry, eleven massive and long light brown tails, and massive light brown wings are permanent. Then, we saw Girl Jordan get a Third Eye with an ocean blue iris on her forehead.

Then, the rainbow energy field Lincoln put up to keep Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Taytum McKinley. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Girl Jordan: We've taken one down so far, and now, we got twenty-nine more to go. Thanks for helping me destroy Taytum McKinley, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Girl Jordan.

Suddenly, Girl Jordan wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Girl Jordan's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Sea Dragon flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and ocean waves behind them and we cheered wildly. Then, Lincoln and Girl Jordan absorbed the water and ocean waves and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a fiery beginning to the war. Lincoln, Girl Jordan, you two did really awesome in teaching that monster bitch, Taytum McKinley, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion, and while we're still hunting down and destroying the members of The Legion of The Lincoln-Haters, we still got to hunt down and destroy Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha who are still on the loose, so we've got a huge challenge, but it's nothing we can't handle.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Selena MacKenzie, which means you and I are up next, Mollie.

Mollie: Yes, we'll be ready for her, and tomorrow on your rescue, there's no doubt the next one we're going after is Adrian Nyarlathotep.

Lincoln: Yep, but we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Elemental HERO Gene-Slammer are you meeting tomorrow, Lincoln?

Lincoln: I've already met Elemental HEROS of Fire, Water, and Darkness, now we're moving on to the Elemental HEROS of Earth.

Caitlin Ashleigh: Perfect, and you guys are going to like hearing about them, The Elemental HEROS of Earth are a group of powerful and physically strong girls who are also athletes and good sportswomen in the field of sports. Plus, they're also a group of very seductive and sexy hot mamas.

Monica Anniston: Just like with Elly Chromington, and they also love Lincoln equally as we all do.

Elly Chromington: Okay, that's good to hear.

May: Yeah. So, which Elemental HERO of Earth are you meeting tomorrow on your rescue, Lincoln?

Lincoln: The first Elemental HERO of Earth that we'll be meeting tomorrow is the Gene-Slammer for Elemental HERO Wildheart.

Monica Anniston: Awesome, and there's only one person who'd be Gene-Slammed into Elemental HERO Wildheart: Melanie Aranyani, she's a very powerful and physically strong athlete and good sportswoman in the field of sports, she's also a master of hunting in the wilderness and survival tactics. Plus, she's also a very seductive and sexy hot mama, take a look.

Monica Anniston took out the photo of Melanie Aranyani, and she's a tall tanned girl with long brown hair, amber eyes, red tank top, green shorts cut up to her thighs, bare feet, and has ample breasts. Only Nicole and the girls saw it, but not the boys.

Nicole: Whoa, she's one hot mama alright, and which one of your enemies or sisters did she and the other Elemental HEROS of Earth have a problem with, Lincoln?

Lincoln: It's Lynn, and they've more than once dealt with her sore loser attitude and always going on her rage-fueled rampages, along with acting like an animal and even letting out those loud belches, and trying to kill me more than once.

May: Oh boy, looks like we're in for one wild story when we meet her tomorrow.

Bobbie Fletcher: Whew, now that's what I call one awesome race you guys have raced! McWolf didn't stand a chance!

Nico: We've dealt with Dastardly's attempts to stop us from winning, and we brought that experience into dealing with McWolf.

Me: And in the end, we defeated him fair and square and we really had a laugh at foiling his attempts to stop us from winning this race.

Bobbie Fletcher: You guys sure did.

Suddenly, we saw Bobbie Fletcher walk up to Lincoln.

Bobbie Fletcher: Uh, Lincoln, can I have a talk with you?

Lincoln: What is it, Bobbie?

Bobbie Fletcher: I don't even know how to even say this, but, Lincoln, I want to tell you this. I've had feelings for you for a very long time.

We gasped in shock, including Lana.

Lana: Oh, man, I had no idea Bobbie had feelings for Lincoln.

Nico: Same here.

Me: Me too, but wow.

Lincoln had a red blush on his face, but he smiled warmly.

Lincoln: Wow, I didn't know about that, but I do need to tell the truth. I… also have the same feelings for you too, Bobbie.

We gasped even more, and Lana's jaw dropped to the floor.

CLANG! ELEPHANT TRUMPETS!

Lana: HOLY HUB CAPS!

Lola: Looks like Lana's going to get Bobbie Fletcher as a sister-in-law.

Me: She sure is!

Suddenly, Bobbie Fletcher wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Bobbie Fletcher's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and cars racing and fireworks going off behind them and we cheered wildly. Then, Lincoln leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Bobbie Fletcher: Lana did tell me that you also mark your future wives, and you're really really gentle when you mark your future wives.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Bobbie Fletcher's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Bobbie Fletcher: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Bobbie Fletcher.

Bobbie Fletcher had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them.

Melanie Emperyous: This is so awesome, now Bobbie Fletcher's a part of Linky's harem, and Lana's got her as a future sister-in-law.

Lana: Along with future mechanic in her pit crew.

Goliath: Now THAT'S how a race is finished!

Me: Yeah!

Atomic Skull: Damn straight!

Calamitous: Not bad after a while of not racing, eh?

Lisa Loud: Indeed.

Skinner: You guys should be proud.

Nico: We are.

Harpymon: Who's up for a group photo?

Tina Esther: That was so much fun!

Mariana: It sure was.

Rui: That was the most fun ever!

Wes (Pokemon): It sure was!

Flurry Heart: Glad you guys all had fun.

Nico: Yeah. Great job today everyone.

Lana: (To the viewers) Hope you all loved this awesome race.

Nico: I knew we did.

We went back home and Lana put the trophy she won in the trophy case and we went and enjoyed the rest of the day and went to sleep.

Me: I hope this planet is gonna be better than the last one.

Konan: I hope so too. I never want to see that beer planet again.

Qin: Me neither Konan.

Camie: Yeah that planet was crazy.

Nico: It was.

Kole: That was a crazy and bizarre world.

Varie: It sure was.

Nico: Kole, I want to thank you, Salami Swami, and your teams for coming.

Kole: No problem Nico. This is gonna be so fun and cool.

Lola: It sure will.

Leeli: I am looking forward to this one.

Girl Jordan: Me too! It will be awesome.

Camie: Yep.

Nico: Lola, remember when we first met?

Lola Ferrington: I sure do and it was in computer class and we found out that some terrorists were trying to hack into the Pentagon and launch the nukes to destroy everything. But we stopped them.

Me: The Black Eris Organization Cyberterrorism Ring was foiled by you guys?

Nico: Yep.

Qin: I remember that! That was epic.

Lola Ferrington: It sure was. We saved America from a nasty attack. I turned their hacking against them and I fired their own missiles at them and blew them apart with them.

Nico: Yep.

Me: Wow!

Konan: That is amazing Lola.

Goldar: Boy it sure is! You are a smart girl.

Lola Ferrington: Thanks guys.

Nico: And now, you're part of my harem.

Lola Ferrington: Along with so many more.

Zuria: That is so awesome.

Nico: It sure is.

Konan: I am really proud of you Nico.

Nico: Thanks Konan.

Xenia: That was an awesome race yesterday.

Nico: Yeah it was! One of the best ever!

Lana: OH YEAH! I'll say! And now my hero in the world of racing is now in Lincoln's harem.

Lincoln: Bobbie Fletcher is going to make an awesome sister in law for you Lana.

Nico: I actually didn't see that coming.

Me: Me neither. And Bobbie Fletcher has been a tremendously awesome help in giving us amazingly awesome races and having so much fun.

Qin: That is for sure!

Lana: And I think it's so awesome she did all that.

Camie: Boy those races you guys had were so cool.

Sakura Knudson: I remember seeing all those races you all did. That was so much fun watching them. Swartz loved seeing us win on TV.

Laney: Swartz had an awesome love for watching us race.

Sakura Knudson: He sure did.

Nico: I hope she likes it in Lincoln's harem.

Lincoln: Oh she does and it's so awesome.

Nico: I'm glad Lincoln.

Lincoln: Thanks.

Maria: And yesterday you guys met one of my awesome friends. I can't wait for you all to meet the others.

Carol: It was awesome seeing Tina again.

Maria: It sure was.

Carol: I hope we meet Jessica next.

Maria: Jessica Raijin is her name. She wanted to become an electrician.

Me: I have a feeling this one will be interesting.

Maria: Yep. You'll see her soon.

Leeli: I have a feeling she will be cool.

Maria: She sure will Leeli.

Nico: Yep.

Maria: We're here.

We arrived at the planet and we saw that it was a dark brown planet and it looked like a dead graveyard planet.

Nico: Wow from up here it looks like a mountainous graveyard planet.

Xenia: Wow.

Nico: What planet is this?

Me: Lets go down and see.

We flew down to the planet and we smelled the aroma of delicious chocolate. Then we landed and saw that it was a world made entirely of DEVILS FOOD CHOCOLATE CAKE!

Maria: OH WOW!

Eli ate one.

Eli: OH BOY! It's a planet made of Devil's Food cake!

I was shaking with excitement and drooling!

Varie: J.D. are you okay?

Me: It's DEVIL'S FOOD CAKE! OH BOY! (LAUGHS GIDDILY)

I went and ate numerous cakes!

Nico: Save some for us!

Me: Come have some!

They did and it was delicious!

Nico: (Eating some) Mmm! Reminds me of those awesome

SnackWells Devil's Food Cakes cookies.

Eli: Those were my favorites. (Eating some) Yummy!

Camie: (Eating some) This is delicious.

Maria was eating some

Maria: (Eating) Delicious.

Nico: Yeah they are.

I was eating all over.

BUZZSAW EATING!

Eli: Go bro go!

Nico: Hey, don't be greedy!

We were eating all over.

Then we stopped. I was stuffed.

Me: Oh wow. (LOUD MASSIVE BELCH!)

Qin: Whoa!

Nico: Nice one.

Me: That was awesome.

I got up and I was back to normal. I had an orange sweets aura glowing and I was stronger than ever.

Nico: Do you have Mary's Sweet Strength aura?

Me: Huh?

I saw that I did.

Me: Wow! I sure do!

Nico: I guess we know where Mary got her Sweet Aura from.

Me: Never realized I had that. That is cool.

Nico: Yep.

Nicole: That is cool that Mary got her sweet strength aura from you dad.

Me: It sure is.

May: I hope you're satisfied now.

Me: Oh I am.

May: Good.

Qin: That was awesome though. This totally makes up for yesterday's planet.

Nico: Yes it does.

Rattrap: That is true. It was still good though.

Laney: It sure was.

Eli: Now lets get to work.

Nico: I was just about to say that.

Lola: Good.

Nico: After this last bite.

Nico ate the last bite.

Nico: (Eating) MMM! Delicious.

Me: Sure is.

THUNDERCLAP THUNDERCLAP THUNDERCLAP!

We saw lightning strikes coming towards us and there wasn't a single storm cloud in the sky!

Me: Wow! Look at that!

Qin: Wow!

Maria: Lightning without clouds? How weird.

Rainbow Dash: But that is really awesome.

Nico: Let's check it out.

We went and followed the lightning.

Xenia: Boy that is so freaky seeing that.

Eli: I'll sense for Swartz's creations too.

Nico: I was just going to say that.

Eli concentrated.

Eli: Whoa! We got 3 of them. One is Another Goldar, the Second is Another Salami Swami and the 3rd of is a Hitotsuki!

We gasped!

Me: Is it a Super Sentai kind?

Eli: No it's a Kamen Rider Saber one!

We gasped!

Touma: A Kamen Rider Saber Hitotsuki!? That is unheard of.

Nico: Didn't see that coming.

Me: Me neither. We'll have to find out who it is when we get there.

Nico: Yep.

We continued on.

Nico: I see one of them!

We saw a girl with orange hair and had orange clothes and orange and red fire angel wings and she was painting a beautiful picture of a beautiful mountain cake landscape with a phoenix flying over it.

Qin: Ooh that is beautiful.

Girl: Thank you very much.

Camie: That is so beautiful. And the Phoenix flying over the cake landscape is absolutely breathtaking.

Girl: It sure is. The phoenix is my favorite creature.

Varie: It sure is amazing.

Me: Well I'll be. Carrietta Houou Gaia.

Carrietta: Oh my god. J.D.

She and I hugged.

Me: Awesome to see you again. I didn't expect to see you here.

Carrietta: Same here.

Me: Guys this is Carrietta Houou Gaia. She's my friend from Greece that I met on my travels and she is an amazing artist. She has been a very talented and amazing artist ever since she was 6.

Nico: That is beautiful. Pleasure to meet you.

Carrietta: You too Nico and it's an honor. But I feel like something is missing.

Me: Your art always is amazing. What is it that is missing from it?

Carrietta: I need to make a great angel flying through the sky with the phoenix.

Qin: That would make it perfect.

Nico: Good to know.

Me: Hmm. I think I know 2 awesome volunteers for it.

Lincoln: Me and Sunset Shimmer.

Sunset Shimmer: That is a great idea Linky.

Carrietta: That is perfect. But I need to make it perfect! IF ONLY MY PROJECT CAN BE COMPLETE WITH IT! I NEED IT!

And with that she was enveloped in a swirl of fire with the Kamen Rider Falchion Symbol swirling in it and then she formed into not just any Hitotsuki and it wasn't for Super Sentai but for Kamen Rider! It was the KAMEN RIDER FALCHION HITOTSUKI! It was called FALCHIONIKI!

We gasped!

It looked like a true phoenix with blue fire and it had a scary phoenix skeleton!

Olivia Houou: Falchion's Hitotsuki!?

Nico: WHOA!

Sunset Shimmer: This probably won't take long.

Me: Okay guys! Go get her!

Falchioniki: You will be perfect for my art!

Lincoln and Sunset spread their wings of fire and Nico protected her painting.

Olivia Houou: Let me help too!

She activated her book for Eternal Phoenix.

Olivia Houou: HENSHIN!

The legend of the phoenix passed down for ages has now become a reality.

She turned into KAMEN RIDER FALCHION!

She had flaming fire angel wings!

Nico: YEAH! Go get her!

They charged at her And Falchioniki flew into the air and they flew after her.

Falchioniki fired waves of pure fire and they dodged it and Lincoln and Sunset and Olivia fired blasts of fire and the blasts all hit her and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was intensely powerful!

Nico: WHOA!

Falchioniki: Feel the Flames of Immortality!

She fired a massive barrage of fireballs and they formed into a swarm of phoenixes and Lincoln, Sunset and Olivia flew around them and dodged them as massive fiery explosions blasted out all over the place!

Me: WHOA!

Qin: Boy this is epic!

Camie: WOW!

Touma: Boy Bahato has got nothing on this one!

Varie: He sure doesn't!

MASSIVE FIERY EXPLOSIONS BLASTED OFF EVERYWHERE!

Nico: Wow!

Lola: Boy the Hitotsuki's we faced before really couldn't lift a candle to this kind of firepower!

Nico: I know!

Qin: WOW! Look at them go!

Sakura Knudson: Amazing! I don't think Swartz made this one though but this is awesome!

Lola: Yeah!

Falchioniki: Taste this!

She flapped her wings and fired a massive blast of intense fire and they dodged the blast and it flew over the horizon and then…

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION!

The explosion was so powerful, so massive and devastating that it shook the planet with intense force! The mushroom cloud from the explosion could be seen for miles!

Me: Unbelievable!

Qin: That was massive!

Lola: What power!

Nico: WOW!

Me: That was incredible!

Nico: Swartz's department aren't Hitotsukis!

Me: I have a feeling that someone else made this. But who?

Lola: Sonoi and the Noto Generals might know.

Me: We'll have to give them a call when we get home.

Nico: Good idea.

Sunset fired waves of fire and blasted her all over. Lincoln fired blasts of lightning and Olivia blasted her with incredible fire.

Nico: WHOA! Look at them go!

Falchioniki: Take this!

She fired massive numbers of fireballs and they dodged them and the fireballs blasted the ground all over and fire explosions blasted off all over!

Qin: Whoa!

Touma: Boy Bahato never used this kind of firepower when we faced him the first time!

Haruto: Neither did Phoenix! This is intense!

Nico: WHOA! That is powerful!

Sunset Shimmer: Do you know who made you this way?

Falchioniki: I don't unfortunately.

Sunset Shimmer: We'll have to figure it out later.

Eli: Wait look!

We saw a bolt of lightning flying in fast at an incredible speed and then it curved up and flew at Falchioniki and it hit her and electrocuted her all over with amazing voltage!

Me: WHOA! That was intense!

Xenia: WHOA!

Olivia Houou: Lets bring her down!

Sunset Shimmer: You got it!

Lincoln: Yeah!

They formed swords of pure fire and they slashed Falchioniki and she exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She fell to the ground and Sunset and Olivia caught her.

I caught a new sword that she had! It was called 不滅の炎の永遠の鳳凰剣 (Fumetsu no honō no eien no hōōken) or the Eternal Phoenix Sword of The Immortal Flame.

Nico: WHOA!

The lightning bolt took form and it was a girl that was made entirely out of pure purple and yellow lightning!

TeslaJessica: TeslaJessica is here to help.

Maria: Jessica Raijin!

TeslaJessica: Maria!? Wow!

Carol: Jessica!? Wow! You look amazing made of pure lightning!

TeslaJessica: Carol? Wow! I haven't seen you since Kindergarten. You look amazing.

Carol: I sure do.

Me: Wow! You are made entirely out of pure lightning.

Lincoln: Electrifying.

TeslaJessica: Thanks.

She landed.

Maria: It's good too see you again!

TeslaJessica: Same here Maria. Wow you are cured? How?

Maria: I was blessed by the Water Stallion of Tefnut and it cured me. I retained my powers of water.

Carol: I helped Maria get back to her old self in a way.

Me: It's a crazy story.

Nico: Yeah.

TeslaJessica: I'll have to hear about it. But also I saw the intense fiery battle happening here and I flew fast to help you guys.

Me: You arrived just in time.

Nico: There's still the Another Goldar.

Konan: That one will be for me to face.

Qin: This will be awesome.

TeslaJessica: It sure will.

Me: What were you doing before you turned into TeslaJessica?

TeslaJessica: I was outside at home meditating with a plasma globe and then this mysterious purple mist flew in and then the next thing I knew I was turned into this.

Nico: Whoa!

Qin: That is crazy.

TeslaJessica: I know.

Nico: We'll cure you after this

TeslaJessica: I would like that.

Me: We already met Tina Esther and she was made of fire.

Nico: Yep.

Maria: Yeah.

May: This was still an awesome battle though.

Qin: It sure was.

Eli: The Another Goldar is here.

We saw a figure and it was a dark version of Goldar! It was ANOTHER GOLDAR!

Goldar: Boy an Another Version of me. This one looks amazing.

Nico: And you are?

Another Goldar: (In a girls voice) I believe that I'm someone that J.D. knows.

Me: (GASP) That voice.

She was enveloped in a vortex of fire.

(CODA PLAYS AT 4:07 TO 4:24)

It was a girl with orange hair and had glowing orange eyes and she had orange fire angel wings and had orange clothes made of pure fire and she had flaming phoenix tail feathers!

Me: (GASP) Hannah Grey, The Avatar of The Phoenix Force!

Qin: WHOA!

Nico: My god! Her power is unbelievably strong!

Hannah Grey: I get that all the time. But it's awesome to see you again J.D.

Me: Same to you. Hannah is actually the daughter of Jean Grey and Scott Summers.

We were in awe!

Lola: WHOA! That is amazing!

Nico: Your mother is one of the most powerful mutants ever known.

Hannah Grey: That's right. My mother had the Phoenix Force and I inherited it from her.

Qin: That is amazing! Your mother and father are gonna be excited to see you.

Nico: They sure are!

Me: Yeah.

Hannah Grey: I know. I got all of my mother and father's powers. But I have the power to control the laser vision of my father.

Me: That is incredible. We tried everything at our disposal to try and get your dad to control his laser vision. But nothing has helped.

Nico: Yeah his laser blasts are completely unpredictable.

Hannah Grey: It's because he needs to concentrate and reign it in with his will.

Me: I guess he didn't know about that.

Konan: Indeed. Your mother and father have been a massively tremendous help to the entire team.

Nico: And mutants are no longer hated in our universe and the Yost universe.

Me: Thanks to me. I gave everyone a huge reprimanding for persecuting mutants and told them that mutants are people too. They just have amazing gifts and powers that make them special. Now humans and mutants are living together in peace and harmony.

Hannah Grey: That's amazing. I'm glad my people are working together.

Nico: It wasn't easy to accomplish.

Me: No it wasn't.

Hannah Grey: That's great and I'm glad.

Konan: Sorry we have to fight like this. By the way did Swartz promise you anything at all?

Hannah Grey: I think you guys already did that for me and that is to bring Mutants and Humans together in peace.

Me: Like Nico said, it wasn't easy to accomplish. But yeah.

Konan: Yeah.

Hannah Grey: And also the Another Salami Swami is a friendly one.

Qin: We were just about to ask that.

Nico: Just like your mother you are indeed psychic.

Goldar: That is true.

Hannah Grey: It sure is.

Konan: Let's do this.

Hannah Grey: Gladly Angel of The Rain.

She turned into Another Goldar and flew into the air and Konan spread her wings and flew after her and fired waves of exploding paper and blasted her all over in fiery explosions!

MASSIVE FIERY EXPLOSIONS!

She was back to normal and I caught the Wonder Ride Book. It was called THE GOLDEN QUEEN AND THE KINGDOM OF THE MAD WITCH.

Me: Fitting and Goldar used to be the right-hand minion of Rita.

Goldar: That is true.

Hannah was wobbly and dizzy and Konan helped her and brought her down. Carrietta woke up and she was dizzy. But she was back to finishing her painting and Sunset Shimmer and Lincoln were put in it. They were shown flying with the phoenix and it was amazing.

Maria: That is so beautiful.

Carrietta: Thank you. I call it The Eternal Phoenix Angels Over The Cake World.

Nico: That is beautiful.

Hannah Grey: It sure is.

Olivia Houou: Wow!

Nico: Now Another Salami Swami is next.

Me: This one is going to be MEAT-Y! (LAUGHS)

RIMSHOT!

We laughed at that one!

Xenia: (LAUGHS) That was funny!

Eli: (LAUGHS) Yeah!

Nico: Who are you?

Another Salami Swami: (In a girls voice) (India Accent) I believe that J.D. knows who I am.

Me: (GASP) That voice.

She reverted back and was a girl with black hair and had red and orange India Clothes.

Me: Menjula Chadalavada.

Menjula Chadalavada: It is good to see you again J.D.

Me: Same to you. Menjula is a Kafizzle River Sausage Maker and she is a very potent sausage maker. She also makes some of the most amazing Curry Ramen and also makes some of the most amazing India Sausages.

Nico: That is awesome.

Bhavna: (India Accent) It's a pleasure to meet a fellow native of India.

Menjula Chadalavada: Same to you Bhavna.

Me: Awesome.

Kaito: (gets out Abaranger gear) Did Swartz promise you anything?

Zocks: (Gets out Dekaranger gear) Because we can grant it instead.

Kaito got the Dino Thunder White Ranger Quill and Zocks got an SPD Blaster.

Menjula Chadalavada: Just to make Kafizzle River Foods safe to eat. You know how Kafizzle River Cheese Wheels are toxic and deadly?

Me: I sure do. Raj said that if you eat one you disintegrate in 13 minutes exactly.

Menjula Chadalavada: That's right.

Me: That's easier said than done. Lisa said that the Kafizzle River Sulfates are unlike any kind of acidic water she had ever seen.

Lisa Loud: That is correct and it's a mystery even to me.

Qin: It's tough but worthy of a challenge.

Menjula Chadalavada: That is true. But I know you all can do it.

Me: Thanks. Sorry we have to fight like this.

Menjula Chadalavada: No problem.

She turned into ANOTHER SALAMI SWAMI!

Sougo: (gets out Dino Thunder Ridewatch) I'm starting to wonder if there's a traitor among us.

Geiz: (gets out SPD Ridewatch) Impossible. Eli would've sensed it.

Sougo got DinoThunderRedArmor while Geiz got SPDRedArmor
Lincoln: Actually I know who the traitor is. It's Sebastian Mendez.

We gasped!

Me: I feel it too. I have sensed darkness in his heart ever since he joined us in Thailand.

Lincoln: Me too.

Nico: Time to bring the meat! (ACTIVATES SALAMI SWAMI'S RIDEWATCH)

He fired waves of sausages and smashed her down!

Nico: Take this one! (ACTIVATES STACEY'S RIDEWATCH)

He summoned dark versions of the Jetman team and they smashed and pulverized her!

Qin: Nice one!

May: Time for some teeth to shine. Da ta ta ta ta. (ACTIVATES TTG TOOTH FAIRY'S RIDEWATCH)

She fired waves of energy and blasted her down.

May: Now for this one. (ACTIVATES BAD RAYMAN'S RIDEWATCH)

She fired waves of darkness and blasted her down!

Maria: YEAH! Now this. (ACTIVATES IZURU'S RIDEWATCH)

She fired waves of darkness and smashed her down.

Maria: And this! (ACTIVATES MIRROR MANIAC RIDEWATCH)

She fired waves of energy and blasted her down.

Me: Time for some food! (ACTIVATES MALEVOLENT DIABLO PEPPER, FRANKENFOOD, MEATLOAF MONSTER AND TURKEY JERK'S RIDEWATCHES)

I fired a massive shower of food and blasted her down!

Qin: YEAH!

Lola Ferrington: My turn!

She activated Stacey's Ridewatch and summoned dark versions of the Kiramagers and they blasted and smashed Another Salami Swami.

Then El Oso and his team consisting of, Don Octavio, Blood Sausage, Crazybolt & Slicedice, Muscle Krabs and Bearstomp came.

Nico: Nice team, El Oso!

El Oso: (Spanish Accent) Muchas gracias Nico.

Me: Whoa! Mr. Krabs have you been Working out?

Muscle Krabs: (Laughs) Yes I have lad. It's amazing.

Lola: It looks awesome.

Maria: Where's the next Gene Slammer?

?: Behind you.

She turned and saw a Gigalith!

Maria: Whoa a Gigalith!

Me: Wow! This one is a walking mountain.

Nico: Yep.

Gigalith: (In a girls voice) (French Accent) Oui and it's perfect for me too.

Nico: Adrienne Jacques!? Whoa!

She reverted back and was a girl with orange hair and had black clothes and had a French Beret on.

Adrienne Jacques: Glad to see you again monsieur Nico. I got zis.

She fired a wave of energy and smashed down Another Salami Swami and I caught the ridewatch and purified it and I brought Menjula over.

Qin: That was awesome.

Maria: Time to revert you back.

TeslaJessica: Okay. I was wearing my Yoga Clothes when I was changed.

Me: Oh. Here we go.

I fired a beam of light and it hit her and she reverted back and had purple hair and purple and yellow yoga clothes.

Jessica Raijin: Whoa! What a rush. But lets see.

She fired a blast of lightning and it hit a cake and blasted it.

Nico: You still have your lightning powers.

Jessica Raijin: I sure do.

Adrienne Jacques: Thank goodness.

Me: What's your favorite memory of Nico?

Adrienne Jacques: Ah my favorite is when me and Nico had an all you can eat crepe suzette eating contest and he won.

Me: Good food there.

Nico: Yep.

SMOOCH SMOOCH!

Adrienne kissed him on both cheeks.

Adrienne Jacques: I missed you mon ami.

Nico: Me too Adrienne.

Me: Awesome.

Nico: We need to inform everybody what we just learned. No telling how dangerous Sebastion will be when he finds out we know his secret.

Lincoln: I'll do that. But we can't let him know we're on to him.

Me: Got it.

Qin: Good.

Nico: Okay.

We went back home

But, we also got other news as well: Corbin Cthulhu and Cadogan Cthugha are also there as well, and we also got news from our real mysterious friend from the shadows: Sebastian Mendez is there with them, and he's not there to kill them, he's here to help them kill us. But, this was part of Lincoln's plan, and thanks to evidence gathered by all of us and Lincoln and his Guardian Angels, he's about to be exposed as a heartless, remorseless, evil, sadistic, deranged monster with an utter disregard for all life and with oceans of innocent blood on his hands and who desired to see the world burn and all heroes and villains honorable and dishonorable die along with all life on Earth and the universes beyond, so we've also got more than enough reason to kill him, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha.

Lincoln: Whoa, we're here in Metropolis, and I know what we're going to do here, not only am I going to rescue the six girls here and Ets is going to rescue the two girls here, but we're also going to destroy the next evil demonic Dark Goth that we're after, Adrian Nyarlathotep, the evil former younger brother of Adrienne Nyarlathotep.

Selene Arcangela: And we've also got some huge news: Corbin Cthulhu and Cadogan Cthugha are also there as well, and we also got news from our real mysterious friend from the shadows: Sebastian Mendez is there with them.

Ets: Is he going to help us kill them as well?

Lincoln: I'm afraid not, Ets, according to intel, he's not there to kill them, he's here to help them kill us.

Eli: WHAT THE?! KILL US?! BUT, ISN'T HE?!

Nico: He's not, Eli. But, this is all part of Lincoln's plan, and thanks to evidence gathered by Lincoln and his Guardian Angels, he's now about to be exposed as the heartless, remorseless, evil, sadistic, deranged monster to the infinite power with an utter disregard for all life and with oceans of innocent blood on his hands and who desired to see the world burn and for all heroes and villains honorable and dishonorable to die along with all life on Earth and the universes beyond.

We gasped in shock: THAT GUY'S AN ABSOLUTE MONSTER FROM HELL! HE'S GOING TO PAY!

Lincoln: Yep, so we've got more than enough reason to kill him, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha, and our real mysterious friend's going to expose him for the monster he truly is, and my plan's about to come to fruition.

Selene Arcangela: And the best part is he doesn't even realize that you had your plan set in motion, and Drakus kept him occupied with the destruction of the safehouses of The Legion of The Lincoln-Haters, securing the weapons, and also, murdering their hired thugs.

Lynn Jr.: He had no idea from the beginning that we were on to him, and now, his treachery's going to be exposed.

Suddenly, we saw Elemental HERO Wildheart appear before us, and with it are the six girls that Lincoln is to rescue, and the two girls that Ets is to rescue. Plus, we saw that two of the six girls Lincoln is to rescue have a son and daughter with them.

Nico: Whoa, that's Elemental HERO Wildheart, awesome.

Jaden: And it's also another one of my Elemental HEROS that I've used in my duels.

Suddenly, we saw Elemental HERO Wildheart revert back to normal, and she's a beautiful girl with long brown hair, brown eyes, she was tall at 7'0" in height, she has a really strong and powerful muscular physique and ample breasts, tanned skin, she has massive and beautiful brown angel wings, she's dressed in a red tank top, green shorts, no shoes, and long white long-sleeved trenchcoat with earth, plants, leaves, and earth angels on the coattails and on the back is Elemental HERO Wildheart, and holstered on her back is a massive Elemental HERO Wildheart-themed greatsword with embedded red gems and Elemental HERO Wildheart etched on the 7'0" massive, wide, double-edged brown blade, large brown phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel. The Elemental HERO Wildheart Gene-Slammer was Melanie Aranyani, another of Lincoln's Guardian Angels, and she's one seductive and sexy hot mama with a body to boot.

Lincoln: (Gasps) Melanie Aranyani, I knew it was you.

Melanie Aranyani: (Hugs Lincoln right between her breasts) I knew it was you, Linky, it's been such a long time.

We snickered, even May and Qin.

Monica Anniston: I did say she can be quite affectionate in the same way Kurumu does with Lincoln and Elly Chromington with Nico.

Then, as Melanie let go, the broadcast began to play around the world, and it showed Sebastian's true nature, and he's not seen as the new hero he says he is: the truth is he's really a heartless, remorseless, evil, sadistic, deranged monster to the infinite power with an utter disregard for all life and with oceans of innocent blood on his hands and who desired to see the world burn and for all heroes and villains honorable and dishonorable to die along with all life on Earth and the universes beyond, and Lincoln was the one who had his plan put into motion to expose him.

Man: Whoa, I can't believe it! Sebastian's no hero, he's really a monster!

Woman: That's the same monster who killed so many innocent people! But, Lincoln and the others had played along, and when the time was right, they swooped in and busted him!

Everyone: (CHEERING LOUDLY) YOU ROCK, LINCOLN LOUD AND TEAM LOUD PHOENIX STORM, AND BURN IN HELL

FOREVER, YOU PSYCHOPATHIC MONSTER FROM THE BLACKEST DEPTHS OF HELL!

Everyone cheered wildly for Lincoln and all of us, even huge masses of girls swooned at Lincoln.

Lincoln's patient plan worked, and suddenly, we heard four unholy roars of pure anger: three of them belonging to Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha, and the other belonging to our soon-to-be former member of the team and exposed monster, Sebastian Mendez. Then, the four monsters arrived, and Sebastian Mendez was absolutely pissed off beyond imagination.

Sebastian Mendez: You?! You tricked me, you had a plan all along to expose who I really am, wasn't it?!

Lincoln: That's right, and you didn't even expect that, did you, Sebastian. See, we were suspicious of you ever since the day you first showed up in Thailand when Dark Sebastian escaped, at first, what you did in killing the counterparts of The Z-Fighters' old enemies and Dark Sebastian himself, sure you did want to prove you're a hero. But, on the other hand, you hid your true nature from us, but you underestimated us badly, we knew of your true nature from the very beginning, but we needed to collect the evidence needed to put my plan into action.

Me: And once you finally slipped up, the video evidence would be played for everyone to see.

Sebastian growled in extreme anger: Lincoln's plan had him played for a fool, and now, everyone saw his true colors.

?: And now that your true nature's been exposed, it's high-time for you to pay.

Suddenly, we saw a man appear before us: a 21-year-old man who was tall at 7'5" in height, he had long brown hair going down to his neck, very muscular with abnormally massive and powerful upper and lower body muscles and eight pack abs, tanned skin, amethyst eyes, and massive white angel wings, and he had on a long white long-sleeved coat with golden crosses on the coattails and on the upper biceps, black tank top, gold choker on his neck, purple version of Miku Hinasaki's scarf, long black pants, and black knee-high boots, and in his right hand is a Archangel's Greatsword, a massive angel's greatsword with embedded colored gems arranged in the pattern of The Sephiroth Tree of Life with an angel etched on the 7'3" massive, wide, double-edged silver blade, large gold spiral scroll for the crossguard, large white angelic faces built into both sides of the golden hilt and large red gems embedded in the foreheads, longer midnight black handle, four large angel heads and a large angel head with a red gem in its mouth on the bottom of the four angel heads for the pommel.

Selene Arcangela: Nice to see you made it, Darren Arcangela.

Me: Whoa, he has the same name as you, Selene?

Lincoln: Selene told me about him. Darren had a normal life in his hometown of New York: loving parents and an older brother, but he had a secret, he had the power to see the spirits of the dead, and he was once known as Darren Deveraux. But, at the age of seven, he experienced a tragedy that'd set in motion a sequence of tragedies that left him the only one left. When he was seven, his mother had gotten stage four cancer and it was terminal, and less than a week later, she passed away. He was so saddened and depressed by his mother's death, but then, it got worse. Soon, his dad drank heavily and he was taking his sadness and anger out on his two sons, but then, right in front of Darren, his dad had committed suicide, but not before he apologized for hurting his own sons. By the time Darren was fifteen, in just seven years, he'd lost both his mom to cancer and his dad took his own life and right in front of him. Now, he had his only brother, Logan, but this wouldn't last long, Darren suddenly got a call from his brother's girlfriend, Ashley, and she told him the horrible news: Logan was brutally murdered by his cousin, Connor Devereaux, who was the leader of an MS-13 clique who'd been terrorizing New York. Darren broke down and cried heavily, now he was truly all alone in the world. But, one night, Darren had a dream and he met the spirit of his brother again, and he soon found out that Connor and his gang may have been responsible for his murder, but the person who orchestrated it was Sebastian Mendez, who'd permanently given into madness long ago. That set Darren off, and he wanted revenge on that demon, but he was no match for him since he knew that lunatic had the powers of darkness. However, fate would soon be kind to Darren when he was adopted by Selene Arcangela, Lincoln's Guardian Angel and they became brother and sister, and she also knew of Darren's pain and suffering caused by that evil monster, so she trained him in everything she knew, and he also acquired an Archangel's Greatsword and he'd also been exposed to cosmic radiation, and he was given really incredible powers, and he swore to protect those he loved, and he'd start by putting an end to the monster responsible for the pain and suffering he'd been inflicted with.

Nico: Damn, now that's really rough.

Darren Arcangela: And here's a little something I should tell you: it turns out I'm the real mysterious friend who's been supporting Team Loud Phoenix Storm from the shadows and who's been giving you all the treasure weapons and items in the treasure battles, I wanted to join you all on the day of The Ridonculous Race, but Sebastian sent the Anoni, the foot soldiers of The Hitotsuki and Noto Council to deal with me.

We gasped.

Darren Arcangela: It went on for those days you were in the race, but, I killed them all. But, by then, Sebastian had weaseled his way into the team, but you guys were made aware of his true nature and Lincoln had a plan to expose him. And now, that Sebastian's been exposed, it's time we send this evil monster to Hell for good.

Lincoln: Along with Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha.

Then, Drakus and the X-Squad appeared, and Drakus was absolutely pissed.

Drakus: Sebastian, you really really crossed it big time, we ought to clobber you to death and fling into a ditch, but I'd rather have Lincoln send your bloodstained butt to The Black Gates forever.

Sebastian Mendez: (GROWLS) LOUDS, LOUDS, LOUDS! EVERY

SINGLE FUCKING TIME I'VE HEARD OF YOUR ACHIEVEMENTS AND YOUR NAME, IT DRIVES ME ABSOLUTELY INSANE TO NO FUCKING END! YOU FOOLS HAVE RUINED ALL OF EVIL'S GLORIOUS PLANS AT EVERY SINGLE FUCKING TURN, IF YOU HADN'T STUCK YOUR STUPID NOSES INTO EVIL'S PLANS, THE WORLD AND EVERY LAST FOOL ON IT WOULD BE BOWING AT EVIL'S FEET, AND I WOULD'VE FINALLY DESTROYED ALL LIFE ON THIS PATHETIC PLANET AND IN THE UNIVERSES BEYOND! I HATE YOU, LINCOLN LOUD, I HATE YOU ALL, TEAM LOUD PHOENIX STORM, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HHHHHHHHAAAAAAAAAAAAAAAAAATTTTTTTTTTTTEEEEEEEEE!

Sebastian had an extreme villainous breakdown, and our energy auras flared up extremely as we all gained a massive power and energy boost from his now exposed hatred.

Me and Nico: YOU'RE FUCKING INSANE!

Sebastian Mendez: (LAUGHING DERANGEDLY) And now, it's time for you all to die!

Sebastian Mendez took out Joker's dart gun, and he fired three darts into Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha, but the darts were filled with the Venom Formula. Suddenly, we saw Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha's veins were glowing green, and they had suddenly begun changing as they grew much in height and muscle mass, and their eyes turn green, and they let out bellowing roars as Sebastian laughed like a deranged madman.

Sylvester: Okay, now I really can't stand a sore loser, much less one who's even more insane than The Joker.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Lincoln: He'd gotten his hands on the Venom formula and used it on those three Dark Goths. Fine, if that's the way you want to play it, you lunatic!

Then, Lincoln fired three powerful rainbow helix energy blasts at Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha from his massive greatsword and they exploded as they hit them and sent the three of them to The Black Gates, and Drakus and The X-Squad clobbered Sebastian badly and he's already bleeding, and finally, Darren Arcangela drove his massive angelic greatsword into Sebastian's black heart, killing him and leaving him to die in a pool of his own blood, and Lincoln banished him to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: So, we not only got rid of Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha, but we also got rid of the treacherous monster, Sebastian Mendez, and we also gained Darren Arcangela, our real mysterious friend from the shadows as our new member of the team.

Nico: Lincoln, you really are The Man With A Plan, Sebastian badly underestimated you big time, and you also got him to expose his true nature and made him have a villainous breakdown.

Me: And I thought Icky Vicky's villainous breakdown and hatred were that bad, sheesh.

Darren Arcangela: But, either way, we're rid of the last three demonic Dark Goths and that monster for good.

Lincoln: You said it, Darren. (To Melanie Aranyani) And it's so good to see you again, Melanie Aranyani.

Melanie Aranyani: You too, Linky, and sorry about the jump hug, but it's been so long since I last saw you.

Lincoln went up to Melanie Aranyani and he hugged her, and Melanie Aranyani is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Melanie Aranyani: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Melanie Aranyani, Gene-Slammer of Elemental HERO Wildheart, she's my Guardian Angel from Michigan, she's a very powerful and also a very physically strong athlete who was born with superhuman strength, and she's also a skilled wilderness survival expert. Plus, she's also a seductive and one sexy hot mama who's flirted and made out with me more than once, and she loves me with all her heart and she knows to share me among the other members of my harem and fellow Guardian Angels.

Luna: We almost busted out laughing seeing our bro's face being smooshed by her chest as she was hugging him.

Lori: And she was also kissing him all over the place and he had a love struck look on his face.

Earth: Like how we always make out with him.

Monica Anniston: Exactly, Earth. Melanie Aranyani's also a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages.

Melanie Aranyani: But, we always saw her coming when we see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet.

Selena Arcangela: But, Melanie and the other Elemental HEROS of Earth along with Lincoln had more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents.

Nico: Dang, and is she really that strong, Lincoln?!

Lincoln summons a 900,000,000,000,000,000-lb barbell, and Melanie Aranyani lifted it with one hand and we saw just how strong she really is, and my jaw and Nico's hit the floor.

Qin: (Whistles) Damn, and I thought many of our friends were that strong, but whoa!

Melanie Aranyani: And you're going to hear how Linky and I took that animal, Lynn, down when she was on another rampage again. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Melanie?

Melanie Aranyani: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Melanie Aranyani: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Melanie Aranyani, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Melanie Aranyani: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on Melanie Aranyani's neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Lenora Mountaineu: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Melanie Aranyani.

Melanie Aranyani had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls Lincoln's to rescue and the two girls Ets is to rescue, and when Lincoln saw who they were, he immediately recognized them. The six girls Lincoln's to rescue are Martine Meunier, Ingrid Bjorn, Carmen Martinez and her adopted son, Sanjay Korrapati, Chief Andrea Marquez, Judge Judith Powell and her daughter, Olive Powell, and Nadia Ben Yamin from Criminal Case and the two girls that Ets is to rescue are Olive and Pepper.

Lincoln: Oh wow, it's Martine Meunier, Ingrid Bjorn, Carmen Martinez and her adopted son, Sanjay Korrapati, Chief Andrea Marquez, Judge Judith Powell and her daughter, Olive Powell, and Nadia Ben Yamin from Criminal Case.

Ets: And Olive and Pepper, awesome.

Suddenly, Olive and Pepper jumped on Ets and kissed him all over as thanks for killing those four evil lunatics.

Nicole: And it looks like you're going to be the father of Sanjay Korrapati and Olive Powell, Lincoln.

Lincoln: So awesome. Are you girls okay?

Martine Meunier: Yes, we're okay, thanks to you.

Then, when Martine Meunier and the other eight girls saw who it was that saved them from Adrian Nyarlathotep, Corbin Cthulhu, Cadogan Cthugha, and Sebastian Mendez, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, search Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

We returned home to The World Tree Estate, where we were greeted with hugs from the rest of the team.

Maria: Lincoln, you really are the Man With A Plan! Thanks to your plan, Sebastian's true nature was exposed to the world.

William: And everyone saw him as the monster he really is, we heard everyone cheering you and the rest of the team on.

Zach: You said it, and now, we meet our real mysterious friend from the shadows: Darren Arcangela, and he's Selene's adopted brother.

Darren Arcangela: Yes, but over time, we became like brother and sister, and I finally got rid of that monster and avenged my brother's death.

Lincoln: We did, Darren, we all did.

Lincoln and Melanie Aranyani have a lot of catching up to do, now that she's back in town, and Darren Arcangela is now a new member of the team. We finally got rid of the demonic Dark Goths once and for all, and Sebastian who was exposed as the monster he really is was sent to The Black Gates for all eternity, and his desires for death and destruction are finally over.

---

After destroying Adrian Nyarlathotep, Corbin Cthulhu, Cadogan Cthugha, and Sebastian Mendez, the former member of the team now exposed as the deranged psychopathic monster who despised and hated mankind, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Melanie Aranyani saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven

massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Melanie Aranyani: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Melanie, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Melanie Aranyani: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Melanie Aranyani: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Melanie, what's the story on how you and Lincoln took down Lynn whenever she goes on her massive rage-fueled rampages?

Melanie Aranyani: That's something I'll never forget, and I got a video to show the story.

Melanie Aranyani pulled up the video as it played on the big screen. There we see Melanie Aranyani and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and Melanie was doing the same routine as Lincoln. Suddenly, they heard a loud thunderous belch in the air.

BBBBBBBBBUUUUUUUUUUUUURRRRRRPPPPPPPP!

Past Selene Emperyous: What the heck was that?!

Then, they caught the stench of sweaty armpits and smelly feet, and there was only one person who could make that loud thunderous belch and have the stench of sweaty armpits and smelly feet.

Past Laney Emperyous: Oh no.

Past Melanie Aranyani: It's Lynn, she's here, I can smell her sweaty armpits and smelly feet from a mile away. Ugh, she smells like a week old gym bag!

Past Lincoln: Everyone, get ready!

Lincoln and his Guardian Angels stood ready, and then, the doors burst open, and there stood Lynn with red eyes and her mouth was foaming. Then, Lynn roared and she charged at Lincoln and Melanie Aranyani, but Melanie punched Lynn hard in the face and sent her flying out of the gym, and they all followed. Lynn got up and she roared and beat her chest like a gorilla.

Past Lincoln: Come on, Melanie, let's get her!

Lincoln and Melanie Aranyani went after Lynn, and they proceed to beat her into the ground and they

showed her no mercy whatsoever. Then, Lincoln knocked Lynn out with a knockout punch, and then, he tied her up in red energy ropes so she couldn't escape, and Melanie Aranyani ran up to Lincoln and they kissed, as the video ends and we cheered.

Maria: Whoa, Lynn never stood a chance against you two.

Lincoln: Lynn never did, she may be strong, but Melanie and I were stronger, and we knew how to wrangle her in.

Melanie Aranyani: And I was shocked to find out it was Principal Huggins' Dark Side that did this and turned Lori, Lynn, Lola, Lisa, and Luan into outright monsters.

Lincoln: He's recovered greatly, but, we also found out the one person that's responsible for turning Principal Huggins into the very jerk who wanted me dead was Chase Young.

Melanie Aranyani: WHAT?!

Anna Anyanova: It's true, Melanie, Chase Young was the one responsible for turning Principal Huggins into the killjoy jerk we hated and who also gave him that Dark Side Creation Serum that turned Lori, Lynn, Lola, Lisa, and Luan into the outright monsters we pulverized, he was the true source of all of Lincoln's pain and suffering. We separated Chase Young from his dark side, and we made him pay for 1,500 years of evil and we sent him to The Black Gates.

Melanie Aranyani: Good, he was scum!

We got a shower, and then, Lincoln, Angie, Cocoa, Paris, Lauren, Holly, Plumeria, Toralei Stripe, Purrsephone, and Meowlody are heading to Sunayama Beach, Miyako-jima in Japan.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new

large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Angie, Cocoa, Paris, Lauren, Holly, Plumeria, Toralei Stripe, Purrsephone, and Meowlody were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Angie, Cocoa, Paris, Lauren, Holly, Plumeria, Toralei Stripe, Purrsephone, and Meowlody fell in love at first sight with Lincoln, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Selena MacKenzie has sent some thugs to kill them.

Angie: Whoa, so this is Sunayama Beach in Miyako-jima, Japan, it's awesome.

Lincoln: I've never been here to Sunayama Beach before, Angie, but now that I see it, it's really beautiful, and it's perfect for our first date. Shall we?

Lincoln, Angie, Cocoa, Paris, Lauren, Holly, Plumeria, Toralei Stripe, Purrsephone, and Meowlody dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Angie, Cocoa, Paris, Lauren, Holly, Plumeria, Toralei Stripe, Purrsephone, and Meowlody got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Selena MacKenzie's hired thugs coming after them and Lincoln fired blasts of blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Angie, Cocoa, Paris, Lauren, Holly, Plumeria, Toralei Stripe, Purrsephone, and Meowlody, and they hugged the girls in their abnormally massive and powerful muscular arms, and Angie, Cocoa, Paris, Lauren, Holly, Plumeria, Toralei Stripe, Purrsephone, and Meowlody placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Sunayama Beach, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Angie, Cocoa, Paris, Lauren, Holly, Plumeria, Toralei Stripe, Purrsephone, and Meowlody with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Angie, Cocoa, Paris, Lauren, Holly, Plumeria, Toralei Stripe, Purrsephone, and Meowlody are now in your harem.

Jenna: Flip has got some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Lincoln: And we also had a run-in with Selena MacKenzie's hired thugs, but I killed them all, and this is going to piss her off in 3… 2… 1!

Suddenly, we heard Selena MacKenzie scream with extreme hatred and rage.

Maria: Yeah, up yours, bitch!

Nico: Serves her right, but she'll get hers later on today.

---

Later it was time for Flurry Heart's first mission. I was still fuming from the betrayal of Sebastion.

Me: I can't believe Sebastian was a traitor! (PUNCHES THE FLOOR) I thought we could trust him but he played us all for a bunch of fucking fools!

Qin: No kidding!

Xenia: Why would he do this!?

Me: He hated us! (GROWLS) I can't believe he betrayed us!

Nico: He even managed to fool Eli!

Eli: YEAH!

Me: And we fell for it! (GROWLS) HE COMPLETELY PLAYED US ALL LIKE A BUNCH OF FUCKING PATSIES!

Nico: I know!

Qin: What a jerk!

Me: (Sighs) But I'm glad we gave him his just desserts.

Laney: Me too.

Me: Lets learn from this and make sure it never happens again.

Nico: Good.

William: Anyone else want to go with Flurry Heart? Besides Mikey Kudo and 4 Rabbids?

Poromon: Me and the mascots will go!

Twilight Sparkle: Me and my friends will go.

Rui: Awesome!

Wes: This will be fun.

Nico: Lets head out.

We were off to Phoenix, Arizona.

---

We arrived in Phoenix and saw the Pokemon HQ Lab.

Wes: Here we are.

Nico: This is the Pokemon HQ Lab.

Wes: That's right.

Rui: It's awesome seeing this place again.

Sunset Shimmer: This is amazing to see.

Nico: It sure is.

We went in.

Poliwag: Hi! I'm Poliwag!

Michael: Pokemon that can talk!?

Me: Many of our Pokemon know how to talk.

Horsea: It's true.

Manaphy: It's awesome and fun.

Me: It's a long story.

Poromon: Except for me. I'm actually a Digimon.

Me: Digital Monster.

Michael: Oh wow! Awesome to meet you.

Poliwag: Same here.

Me: These are our friends from Equestria.

Twilight Sparkle: It's an honor. I'm Twilight Sparkle the Princess of Friendship and the Magic Skylanders.

Sunset Shimmer: I'm Sunset Shimmer, Princess of Forgiveness and the Fire Skylanders.

Applejack: I'm Applejack, Princess of Honesty and the Earth Skylanders.

Rarity: I'm Rarity the Princess of Generosity and the Water Skylanders.

Pinkie Pie: I'm Pinkie Pie the Princess of Laughter and the Tech Skylanders.

Fluttershy: I'm Fluttershy the Princess of Kindness and the Life Skylanders.

Rainbow Dash: I'm Rainbow Dash the Princess of Loyalty and the Air Skylanders.

Starlight Glimmer: And I'm Starlight Glimmer, Princess of Empathy and the Undead Skylanders.

Michael: Wow it's an honor to meet you all.

Wes: We have a lot to tell you about Team Loud Phoenix Storm and how much they have done.

Jovi and Lily came.

Michael: This is my sister Jovi and my Mom, Lily.

Jovi: Jovi happy to meet Team Loud Phoenix Storm.

Me: Same to you.

Lily: It's an honor.

Flurry Heart: Same here. Uhh you may want to be gentle though. Earlier today we have had an incident happen to us.

Michael: What happened?

Me: We have a lot to tell you.

We went over Sebastian Mendez's betrayal and it hurt us greatly.

They gasped.

Lily: Oh man. I'm sorry guys.

Michael: Hey, you're not the only one. I thought Greevil was a kind old man named Mr. Verich.

Wes: And I thought Evice was Es Cade, the previous Phenac City Mayor.

Me: I heard about that from Rui. That was awful.

Twilight Sparkle: He took our trust and broke it.

Me: Yeah. But we're going to learn from it and make sure it never happens again.

Professor Krane came.

Nico: You must be Professor Krane.

Professor Krane: I certainly am and it's an honor to meet you Nico and all of you Team Loud Phoenix Storm.

Me: Same here.

Twilight Sparkle: It's a pleasure too.

Eli: We came here to help you deal with the remnants of Cipher. I helped you all destroy them years ago remember?

Professor Krane: I sure do and that was amazing Eli.

Michael: Is it true that you guys fought your own share of Shadow

Pokemon?

Me: We sure have and we have lots of them.

Eli: Blastoise, Charizard, Venusaur, many of them.

Me: Yep.

Flurry Heart: Some of them were fought on the day I transformed from a baby into this.

Nico: It's true.

Michael: Oh wow!

I breathed in and out and expelled the darkness of the scars of betrayal from me.

Me: Ahh much better.

Krane: If you put a Shadow Pokemon in the Purify Chamber, that Shadow Pokemon will be able to be purified after a specfific amount of time.

Nico: That is amazing.

Me: All it took for us was a simple snap of our fingers.

Eli: It's true.

Krane: That's amazing.

Eli: J.D. and everyone on the team are all gods among man and they have done lots of amazing things.

Twilight Sparkle: It's true.

Krane: I think there still might be some useful Data in the Shadow Pokemon Lab.

Me: If we could see it please?

Krane: Certainly.

Me: We'll follow you to where it is.

Krane: All right.

Me: This will be interesting.

Krane: After all, I WAS held captive there.

Michael: Follow me on my scooter.

Wes: And on my bike.

Me: I'll follow you guys on my ride. (WHISTLES)

My Rapidash came.

Wes: Cool Rapidash!

I got on.

Me: Rapidash is one of my amazing Pokemon friends.

Rui: J.D. has his own amazing Rapidash and it's a really fast one.

Me: Yep.

We followed Michael and Wes.

Me: HYAH!

We were off.

Michael: I actually DID snag a Shadow Rapidash before.

Me: That's awesome!

Nico: Wow!

Eli: Yeah!

Michael: Yep.

We continued on.

We arrived.

Michael: Here it is.

Me: Wow!

Pinkie Pie: This is amazing!

Rarity: It sure is amazing darlings.

Me: Yeah. By the way Michael, Professor do you guys know Ash Ketchum?

Krane: We know all about his accomplishments.

Me: Ash is on the team and he and Pikachu and their friends have done so much.

Twilight Sparkle: They sure have.

Me: And he and his Pikachu and their friends all have done so much amazing good for the entire team.

Nico: It's true.

Krane: Wow!

Michael: (looks around) For once, the Hexagon Brothers don't seem to be guarding the lab.

Flurry Heart: That's because they are now with our frenemies in the Masters of Evil.

Me: They are now the archenemies of Ruby Kirlian the Red-Eyes Darkness Dragon Gene-slammer.

Michael: Wow! That is amazing.

Me: Yep.

Mikey Kudo: But they might appear on the final mission.

Me: We'll have Ruby Kirlian come with on that one.

Flurry Heart: That will be fun.

We went in.

We saw that it was a really awesome lab.

Me: Wow.

Eli: What a lab.

Poliwag: Also, be on the lookout for an evil version of Eddy

Me: Oh right I was just about to point that out.

Eddy: Yeah there's an evil version of me that is going to come after you guys to kill you.

Me: He's like Dangerous Jiro from the Donbrothers except he is pure evil. He wants to kill all the heroes and villains and be the ONLY hero.

Krane: Oh my!

Eli: Yeah.

Nico: But I put a curse on Dark Eddy that will banish him to the Black Gates after 24 first missions of each Ambassador Mission set.

Eli: It's true.

Michael: Wow! What are the Black Gates?

Me: The deadliest technique we have in our arsenal.

Rui: You should see what it does.

Me: Yep.

I went over what it can do and it was amazing.

Krane: Oh my! That is amazing!

Twilight Sparkle: It sure is.

Rabbids gibbering.

Me: Oh sorry. These little guys are Rabbids and they are funny.

Rui: They sure are cute too.

A Rabbid licked Michael's Flareon

And ended up burning his tongue.

Me: Ouch. Careful.

Michael: Yeah he's not for licking.

Me: They are total idiots and are not the brightest lightbulbs in the closet.

Rui: But they are really funny guys.

Eli: Yeah they are good for a funny laugh. They fart and make bagpipe music.

They farted and tooted like bagpipes.

We laughed!

Eli: (LAUGHS) See what I mean?

Michael threw a snag ball.

And caught it and purified it!

Eli: Awesome!

Rui: YEAH!

Eli: About time you Cipher douchebags came back.

Cipher Peon: ELI!? You're back!

Eli: And ready to finish what I started!

Eli fired a blast of Force Lightning and electrocuted him.

Me: And we have this too.

I pulled out a Gashat for Demon Francesco!

J.D.'S VIOLENT INFERNO OF DANTE!

I got Dante's Scythe and I flared up a Lust Storm Aura! I fired waves of lightning and blasted him.

Nico: And top this one! (ACTIVATES GASHAT)

MYOTISMON'S SUICIDE WOODS OF DANTE!

Nico threw a Suicide Fruit and it hit the ground and exploded!

AAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHH!

A bloodcurdling scream was heard as it stunned him!

Me: (SHIVERING) Every time I hear that scream it sends shivers down my spine!

Eli: Scary!

Then I fired a blast of energy and it hit the Cipher Peon and knocked him out.

The Cipher Peon was unconscious. Unfortunately, this was seen by another Cipher Peon.

Shoutmon: Um, this isn't what it looks like!

Cipher Peon: I think it's exactly what it looks like!

The Cipher Peon sent out a Jellicent. And Michael's device scanned that one too.

Michael: The Jellicent's a Shadow Pokemon!

Me: Nice! Mind of I do this one?

Michael: Go for it.

Me: Watch this one. (ACTIVATES GASHAT)

SONG OF THE STORM OF JELLICA!

I fired a powerful blast of lightning and it hit the Jellicent and knocked it down and I fired a beam of light and purified it and I threw a Pokeball and caught it!

Nico: Nice one!

Eli: Now watch this! (ACTIVATES GASHAT)

SPECTRUM GAME OF THE HEXAGON BROTHERS!

Eli fired a blast of rainbow energy and it hit the 2nd peon and knocked him out.

We went further and then another Cipher Peon came down from the ceiling.

Cipher Peon: Hey! No running in the halls!

Me: Boy these guys are like cockroaches!

The Cipher Peon sent out a Leavanny.

Rui: (gasps) The Leavanny's a Shadow Pokemon!

Me: Oh man!

Flurry Heart: I got this one! (ACTIVATES GASHAT)

WERA VANN'S FASHION DISASTER FUN!

Flurry fired a wave of energy and blasted the Leavanny down and Michael threw a snag ball and purified it!

Me: Nice! (Senses Something) We got company!

I pulled out my blaster and fired and it hit the wall and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM

Out of the explosion came DARK EDDY! He crashed into the ground with a thud!

Dark Eddy: (Dazed) Granddad you ran another stop sign.

Rui: So he's Dark Eddy!?

Me: Yep.

Michael: We'll deal with him later after we get the Data!

We saw a computer with a Cipher Researcher nearby.

Cipher Researcher: If you want the data on here, you'll have to go through me!

Me: Gladly!

The Cipher Researcher sent out a Charizard.

Rui: (gasps) The Charizard's a Shadow Pokemon!

?: I got this one!

A Blacephalon came!

Me: A Blacephalon! Awesome!

Blacephalon: (In a girls voice) This is gonna be fun.

Nico: Vina Emiko!? Whoa!

She reverted back and was a girl with purple magenta hair and had blue and yellow clothes.

Vina Emiko: I got this guy.

She fired a blast of fireworks and blasted the Shadow Charizard down and I fired a blast of light and purified it and Nico threw a Pokeball and caught it!

POW!

Nico punched the Cipher Researcher, knocking him out.

Vina Emiko: Awesome shot Nico!

Nico: Thanks Vina. Now to see what's on this computer.

We pulled up the data.

Me: I brought a flash drive for this.

Krane: Thanks J.D.

Rui: What's your favorite memory of Nico, Vina?

Vina Emiko: When me and Nico were having a picnic during the Fourth of July and we saw a Lunar Eclipse too.

Nico: That was awesome.

Me: Wow!

Vina Emiko: 10 more of us are coming Nico.

Nico: Okay.

We got the data.

Me: Now to get out of here.

We headed to the elevator… only for Venus and Lovrina to emerge from it.

Michael: Lovrina!

Wes: And Venus!

Vina Emiko: Oh boy.

Eli: Long time no see you two.

Venus: Eli! So you have come back for more?

Eli: No. To finish what I started.

Vina Emiko: And Cipher is being brought down!

Lovrina: Oh, I remember you, little boy. Because of what you did, Cipher's plan in XD001 was destroyed and it's so all your fault!

Mikey Kudo: I just saw the Data. It says you guys are planning for an XD002.

Venus: You can say that it's our second try at the Ultimate Shadow Pokemon that can't be purified!

Lovrina: But you won't be able to see it. Wanna know why? Because we're so gonna beat you. Here we come!

Venus sent out Delcatty, Vileplume, Steelix, Banette, and Cofagrigus. Lovrina sent out Roserade, Gardevoir, Gorebyss, and Musharna.

Rui: (gasps) The Cofagrigus and Musharna are Shadow Pokemon!

But then a Guzzlord came!

Me: Whoa a Guzzlord!

Guzzlord: (In a girls voice) Time for this girl to eat!

Nico: Gabrielle Valentino!? Whoa!

She reverted back and was a girl with dark aqua blue hair and had black and yellow clothes and blue eyes.

Gabrielle Valentino: This will be fun.

She fired waves of energy and blasted down the Roserade, Gardevoir, Gorebyss, Delcatty, Vileplume, Steelix and Banette!

Nico: Nice!

Poliwag was about to slap Vileplume with his tail but then the Vileplume used Attract.

Nico: Poliwag, what are you waiting for? Attack it!

Poliwag didn't do anything.

Poromon: (sighs) I'll do it then!

Poromon flew at the Vileplume… only for Poliwag to slap him with his tail.

Poliwag: You will not harm my beloved!

Me: Oh no!

Nico: It used Attract.

Poromon: Not good!

Horsea fired a Hyper Beam Blast and it hit Vileplume and blasted it down!

Poliwag: Wha? What happened?

A Celesteela then came out and fired energy blasts at the Vileplume!

Eli: Celesteela! Whoa!

Celesteela: (In a girls voice) That Vileplume messed with the wrong Gene-slammer.

Nico: Noelle Florrence!? Whoa!

She reverted back and was a girl with green hair and had the kanji for steel in the middle of her forehead and had green clothes.

Noelle Florrence: Looks like the fun is starting!

Suddenly, Michael's Flareon dodged blaster from Dark Eddy, who had woken up.

Dark Eddy: Thought you got rid of me, did you?!

Wes: We were in a hurry. What did you expect?

Wes sent out his Forretress.

A Pheromosa then came!

Pheramosa: (In a girls voice) Boy this guy pisses people off!

Nico: Gabby Emilio!? Wow!

She reverted back and was a girl with yellow hair and had a gorgeous yellow dress on.

Gabby Emilio: This will be awesome.

Wes: Forretress, use Explosion!

Nico: (gets out Salami Swami and Gramma Stuffum's Ridewatches) Count me in as well!

Nico activated them and fired food blasts and blasted Dark Eddy down. Then Forrestress glowed and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down in a huge fiery explosion!

Me: Geez! He is going to feel that one!

Then…

SQUISH!

He got squished by the foot of a Stakataka!

Stakataka: (In a girls voice) Take that you parasitic bug!

Nico: Ayana Alamosa!? Wow!

She reverted back and was a girl with black hair and grey clothes and had blue eyes.

Ayana Alamosa: This guy is a parasite!

Nico: You're telling me!

Venus: Lovrina, I think it's time to call out our other Shadow

Pokemon.

Lovrina: Right!

Venus called out a Gigalith and Lovrina called out an Alomomola.

Me: An Alomomola and a Gigalith!

Michael: (his device scanned them) Those two are Shadow Pokemon as well!

Shoutmon: I got the Gigalith, Mikey. You can fight the Alomomola.

Mikey: (gets out Meramon's Gashat) With pleasure!

Mikey activated it.

MERAMON'S INFERNAL AIR FLIGHT!

He fired waves if fire and blasted down the Gigalith and Shoutmon blasted the Alomolola!

A Buzzwole came in!

Buzzwole: (In a girls voice) This will hurt you bad!

Nico: Wendy Munroe!? Wow!

She reverted back and was a girl with orange hair and had orange clothes and she punched the Alomolola and knocked it out!

A Naganadel then came!

Nico: A Naganadel!

Naganadel: (In a girls voice) This is going to hurt this one!

Nico: Camille Draconia! Wow!

She reverted back and was a girl with purple hair and had purple clothes and had purple dragonfly wings.

Camille Draconia: I got this!

She fired waves of energy and blasted down the Gigalith.

Wes threw a snag ball at the Gigalith and he caught it.

Eli: Oh yeah!

Me: That all the Pokemon you got?

Eli: Yeah! Is it?

Michael threw a snag ball at the Alomolola and he caught it.

Then a Xurkitree came and grabbed Venus and Lovrina and electrocuted them!

Me: Xurkitree!

Xurkitree: (In a girls voice) This will shock you!

Nico: Nina Thundarra!? Wow!

She threw them into a cliff and smashed them into it and reverted back. She was a girl with yellow hair and yellow eyes and had black and purple clothes!

Nina Thundarra: This will be really fun.

The two got up and then a Kartana swooped in and slashed them! Grazing their faces!

Kartana: (In a girls voice) Sorry about that!

Nico: Kimiko Lindsborg!? Wow!

She reverted back and was a girl with red hair and had a red kimono on and had a samurai sword.

Kimiko Lindsborg: That must've hurt you!

Nico: We still got the Cofagrigus and Musharna to catch!

Lovrina: Then come and get them!

Venus then clutched her head in pain!

Lovrina: Venus? What's wrong?

Venus: (SCREAMS)

Her eyes glowed an insidiously murderous red color and to our shock we saw her attack Lovrina!

She was beating her up!

Me: Whoa!

Eli: Wait look!

We saw a Nihilego latched onto Venus' head!

Me: A Nihilego!

Twilight Sparkle: Wow!

Nihilego: (In a girls voice) Take this you stupid bitch!

Nico: Mina Nefertiti!

Nihilego: That's right.

Then a Swoobat flew in.

Swoobat: (In a girls voice) This will be good!

Nico: Lucy Dublin! Wow!

She fired a wave of energy and blasted the Cofagrigus and Musharna down and I fired waves of light and purified them.

Me: WOW! 11 Gene-slammers in one adventure!

Rui: That is amazing! That has to be a record.

Nico: Yep. And now, we just have Roserade, Gardevoir, Gorebyss, Delcatty, Vileplume, Steelix, Banette, and Dark Eddy to deal with.

Kimiko Lindsborg: I already took care of the Pokemon.

I threw Pokeballs and caught them.

Sunset Shimmer: All right!

Ayana Alamosa: I got this.

She kicked Dark Eddy back into the Book of Vile Darkness dimension.

Flurry Heart: Oh yeah!

The Nihilego was still making Venus beat up Lovrina!

Nico: Brutal!

The Nihilego let go and we tied them up.

Venus: Oh, boo hoo! Now look what you've done! Oh, you're terrible! I mean really! Master Nascours will be oh so crossed with us.

Wes: Nascour's the new Leader of Cipher now?

Lovrina: It's not like I'm happy about it. I mean at least Greevil never lost his temper! Nascour treats us like pawns!

Me: Then Nascour will get the Black Gates on the Big Day.

Nico: Sound familiar?

Venus: What are you talking about?

Nico: What about those Pokemon you sealed the hearts to? You were using them like lab rats! Do you think they enjoyed being Shadow Pokemon any more then you two enjoy being bossed around by Nascour?! (sighs) People and Pokemon are more alike than you think. Take some time to consider that in Gotham Royal York. Cipher won't be able to punish you there. (about to snap my fingers)

Nico snapped his fingers and beamed them to Gotham Royal York. They were put into a cell in the Renegades hideout.

Me: Where did you send them?

Nico: The Renegades hideout in a prison cell.

Me: Clever.

Mina Nefertiti reverted back and she was a girl with blue hair and red eyes and had a blue dress. Lucy Dublin reverted back and was a girl with black hair and pink eyes and had a black dress and bat wings.

Lucy Dublin: That was really awesome.

Wes: What are your favorite memories of Nico?

Gabrielle Valentino: Me and Nico having a Burrito Eating Contest and I won.

Noelle Florrence: Working at my family's steel mill and we made record setting amounts of steel.

Gabby Emilio: Me and Nico trying out fashions in my family's fashion store

Camille Draconia: Finding rare butterflies in Indonesia

Kimiko Lindsborg: Me and Nico busting the Yakuza in Japan in a hidden temple near Mount Fuji

Mina Nefertiti: Torturing numerous criminally insane monsters and making them kill each other.

Lucy Dublin: Me and Nico building a futuristic house for many of our friends.

Me: Wow! You girls have done it all.

Nico: You sure have.

Nico had them hug him.

Nico: I missed you all.

Vina Emiko: We did too Nico.

Me: Aww.

Flurry Heart: So awesome.

We went back home.

* * *

We arrived.

May: How did it go guys?

Me: Really awesome.

We told everyone what happened and it was awesome.

May: Wow!

Qin: That is awesome and Vina, girls it's awesome that you're all with us now.

Vina Emiko: We sure are Qin.

May: Next time, Wera Vann and Cheese should go with you.

Nico: Good idea.

Flurry Heart: I like it.

* * *

On the sofa while we were watching TV, Vinyl came in and she was looking really sick.

Xenia: Are you okay, Vinyl?

Vinyl Scratch: I don't know. I have been complaining about stomach cramps for a while. Something is really bothering me.

STOMACH CHURNS.

Vinyl Scratch: UH OH!

ZOOM!

I ran and gave her a trash can and she threw up in it.

Me: Geez.

Camie: Boy something is really wrong.

Varie: Let me run some tests.

Varie did so and ran a scan on her and then to her delight as she scanned her belly she smiled.

Varie: There's nothing wrong with you. You are pregnant Vinyl.

Vinyl Scratch gasped.

Vinyl Scratch: I'm Pregnant.

Lincoln smiled and bursted with excitement!

Vinyl Scratch: (ECSTATIC) LINCOLN I'M PREGNANT!

Lincoln picked up Vinyl and spun her around and we cheered for them.

Halifa: Congratulations!

Jun: Way to go sis!

Nico: Wow! Now I know what my rescue will be tomorrow.

Me: Yep. Vinyl Scratch's baby shower.

Lola: Yep.

Vinyl Scratch: This is gonna be so awesome.

Me: Yep.

Mindwipe: Is it a boy or a girl?

Varie: We won't know until we go to the doctor.

Nico: Yeah. But we're so happy for you Vinyl.

Me: Especially after your big day mission to help Jun.

Vinyl Scratch: That was awesome.

Jun: It sure was.

Cosmos: You should be proud.

Vinyl Scratch: I sure am.

Flurry Heart: I agree there.

Me: After the Hitotsuki battle tomorrow we'll have to see if that will be the due date for you.

Vinyl Scratch: I have a feeling it will.

Qin: Yep.

The doorbell rang.

Me: (Imitating Mr. Krabs) (Singsong) Come in!

In came an Excadrill.

Me: Hey an Excadrill!

Qin: Wow!

Iris: This one is awesome.

Excadrill: (In a girls voice) Boy you guys are awesome up here.

Nico: Amanda Excarion? Whoa!

She reverted back and was a brown hair girl with a pink skirt and a pink shirt.

Amanda Excarion: Awesome to see you again Nico.

Vinyl: What's your favorite memory of Nico?

Amanda Excarion: I have a lot of them but my favorite is when me and Nico got into a Mudwrestling Match.

Lana: You like Mudwrestling too?

Amanda Excarion: I sure do. I am the great mudwrestling champion for 10 years in a row.

Lana: (KNEELS AND BOWS) I AM NOT WORTHY! I AM NOT WORTHY!

We laughed!

Me: (LAUGHS) Lana is in the presence of a legend.

Nico: (LAUGHS) She sure is. And Lana loves mudwrestling.

Eli: Yep.

Nico and Amanda hugged.

Nico: I've missed you.

Amanda has a mischievous smirk and then…

SPLAT!

She splattered mud into his face.

Amanda Excarion: Me too Mud Boy.

Tussle Sprout: Vinyl's gonna have to take it easy

Nico: I know.

Qin: But we're happy for her still.

Camie: We sure are.

The Previous Group came.

Grodd: Can me, Silver Samurai, Snake, Mole Man, LaGrange, Goliath, Atomic Skull, Calamitous, Skinner, and Harpymon go with you guys?

Nico: Yes you all can come with us.

Lola: We don't even know what our mission is going to be.

Nico: I'm sure we'll think of something

Illia: Nico, which Gene Slammers do you think you'll meet next?

Nico: I'm hoping for Conkeldurr and Audimo this time.

Qin: Awesome choices.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Selena MacKenzie of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Selena MacKenzie of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing

Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Mollie: While you and I deal with Selena MacKenzie and put an end to her for good, Linky.

Lincoln: But, we also got to watch it though, Selena MacKenzie will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, we got word that nasty bully, Gary Smith, is here and he's terrorizing Jimmy Hopkins.

Lincoln: No way are we letting that nasty bully get away with doing that to Jimmy, we'll make him pay and tear him apart, and once we get done with tearing that nasty bully to shreds, you're next, Selena MacKenzie.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Mollie: You will feel the true wrath of the storms, Selena MacKenzie, and you'll pay for everything you've done five years ago.

Nico: I know what our next mission can be.

Silver Samurai: Tell us more.

Nico: You guys are not going to like Gary one bit.

He went over his history.

---

Gary Smith is the main antagonist of the 2006 video game Bully, being the titular deuteragonist/central antagonist of Chapter I: Making New Friends and Enemies, the overarching antagonist of Chapter II: Rich Kid Blues and Chapter III: Love Makes the World Go Around, the unseen overarching antagonist of Chapter IV: A Healthy Mind In a Healthy Body, and Other Lies, the main antagonist/final boss of Chapter V: The Fall and Rise of Jimmy Hopkins, Aged 15, and an unseen antagonist in Chapter 6: Endless Summer.

He is a malicious but highly intelligent student, aiming to take over the student population of the private high school of Bullworth Academy. He feigns friendship with the hero Jimmy Hopkins to use him as muscle and a scapegoat but ends up foiled and expelled. He is also his archenemy.

He was voiced by Peter Vack.

Gary's background is mostly unknown. He cites his parents as one of his "problems" (along with pretty much everyone else in the world). The elderly townswoman Miss Abby speaks poorly of Gary's mother, and the very rich Mr. Smith is hinted to be Gary's grandfather/father, having the same surname and complaining about the state of the family.

According to the nerd Donald Anderson, Mr. Smith (probably Gary's father) was kicked out of Bullworth Academy and later went to prison. This explains that Gary has an unhealthy family life that could be the source of his behaviour. Towards the end of the game, several townsfolk make comments about Gary's unstable personality.

Gary is very open about his plan to take over Bullworth, going so far as to shout that he intends to run the school in front of the clique leaders and their bodyguards. Somehow, he was apparently able to convince them all to trust him, although his interactions with them took place off screen.

The fifteen-year-old Jimmy Hopkins meets Gary Smith at the start of the game, when his mother and new stepfather drop him off at the strict Bullworth Academy. Gary then befriends Jimmy, introducing his "friend" (and perpetual victim) Pete Kowalsky, and showing him around the school and its four cliques, who constantly fight and bully one another out of petty rivalries and popularity struggles.

Gary tells Jimmy of his plan to rule the school and the two work together, occasionally with Pete Kowalski. (Although Gary frequently bullies Pete, and Jimmy has no desire to run Bullworth, believing it to be nothing more than a bid for becoming the most popular students, something he cares nothing about.)

However, Gary stops taking his medication and becomes increasingly paranoid, persuading himself that Jimmy is plotting against him, while he just wants to graduate under the radars with his friends. Gary then leads Jimmy into a trap, forcing him to fight Russell Northrop, whom he led to believe that Jimmy insulted his mother, at the end of Chapter One. After Jimmy prevails, Gary disappears into the background, creating trouble for his "friends".

Gary first convinces the Preppies clique to turn against Jimmy, claiming that Jimmy called their comrade Tad Spencer inbred. He appears again in Chapter Three, helping Johnny Vincent and his Greasers clique in Wrong Part of Town, the local slums. Gary then again disappears into the background, but also turns the Nerds against Jimmy, feeding their leader Earnest Jones with his charade of taking over the school.

After Jimmy defeats and befriends every clique leader, Gary turns the Townies (a clique of dropouts) against him and convinces them to start an open war against the Bullworth population. Gary then sows discord by unleashing rats in the library (the Nerd's lair), setting fire to the Jocks' gym, having the Townies steal the Preppies' boxing trophies, and trapping the Greasers' leader in Happy Volts Asylum, framing Jimmy for it all. This causes all the cliques to turn against Jimmy, accusing him of having worsened a situation he promised to solve.

Jimmy solves every problem, but Gary's slander worked, and he soon finds himself despised by everyone in school, save for Pete. After returning from defeating the Townies in their lair of Blue Skies Industrial Park, he is expelled by Dr. Crabblesnitch, who learnt from Gary that Jimmy defaced the Town Hall. (In fact, this was yet another of Gary's crimes he was framed for.)

Utterly disgusted, Jimmy goes to town and befriends Zoe Taylor, a Townie girl who was expelled like him. When Pete tries to get him back to business, he first rejects him but finally gets convinced to clear his name, enlisting Zoe and Russell's help. Meanwhile, Gary uses the troubles he caused to get into Dr. Crabblesnitch's good graces, being named Head Boy. He wastes no time in manipulating the four cliques into openly attacking one another, causing such chaos with his lies that a riot soon rages on the school campus, forcing most teachers to flee.

Jimmy (with help from Zoe and Russell) defeats the Townies' leader Edgar Munsen, discovering that he too bought Gary's charade. Learning from Zoe about the sheer chaos at Bullworth Academy, Jimmy enlists the Townies to put an end to Gary's demented schemes once and for all. Together, they pacify the school, first by defeating the leaders once more, then by defeating the out of control Prefects.

Right after, Gary insults Jimmy on the public announcement system. Jimmy chases his former friend to the roof to get even. Fully aware that he is the weaker one, Gary opts to lure him onto the construction scaffoldings around the dilapidated belltower for field advantage.

Jimmy cuts Gary's gloating, stating that he just "won" the hatred of everyone, but Gary does not care. He gleefully boasts that his status as Head Boy would get Jimmy into further trouble. Jimmy's final plea falls on deaf ears, and Gary insults his mother's virtue, enraging him.

The first stage of the Final Battle consists in chasing Gary through the scaffoldings. This can prove tricky as Gary throws bricks at him as he crosses gaps on small planks, and empties wheelbarrows or rubbles as he climbs ladders, before fleeing further up. Jimmy must duck the former and get on the side for the latter. If he gets hit by a brick, he hangs over the void and must regain footing before the next hit or plummet into the abyss.

The second stage starts after Jimmy dodges the bells Gary makes fall one after the other and tackles him into the scaffoldings below. Despite Gary proving a better brawler than expected, having moves similar to Jimmy's own and being able to counter his blows and pin him on the railings if he gets an opening, a physical threat he is not and he shall fall quickly. Jimmy must pummel him and not hesitate to kick him when he is down. As soon as he loses a life-bar, the scaffolding breaks and they fall on the one below. Until the third one sends them into the principal's office.

Gary is absolutely no match for Jimmy, who knocks him out. They fall through the glass roof into Dr. Crabblesnitch's office, who overheard his gloating. Gary is expelled and dragged out of the office by a gleeful Jimmy. As a reward, Jimmy and Zoe's expulsions are overturned and Pete is appointed Head Boy at Jimmy's suggestion. The game ends with Jimmy receiving well-deserved applause and praise from the entire school, followed by a kiss from Zoe.

Despite Gary being expelled, Miss Danvers continues to make announcements over the public announcement system, calling him to Crabblesnitch's office. Also, small talk claims that he is hiding in the belltower of the Academy or living close to Blue Skies Industrial Park with the Townies. He has most likely become a pariah due to his actions being known - and despised - by pretty much everyone around.

---

When he was done we were shocked and horrified!

Qin: Why that jerk!

Nico: I'll tell you guys more later. Lets go.

We were off to Bullworth Academy.

---

We arrived at Bullworth.

Pain Yatta: So this is Bullworth Academy, huh?

Nico: Yep.

Qin: Nice place.

Nico: Yeah it sure is.

Eli: Yeah.

We went to find Jimmy.

We then saw Jimmy Hopkins and Zoe Taylor making out.

Mole Man: Hi! You must be Jimmy.

Jimmy saw us.

Jimmy Hopkins: Hey Nico!

Nico: Long time no see Jimmy.

They shook hands and fistbumped.

Nico: You and Zoe are so awesome as a couple.

Jimmy Hopkins: Yes we sure are. I take it you heard that Gary is back.

Me: We sure did.

Poromon: Hi, Jimmy!

Circe: You remember Poromon and Poliwag, right?

Jimmy Hopkins: How can I forget. Awesome to see the cuties again.

Poromon: You too.

Eli: Awesome.

Nico: I met Jimmy and Zoe just after I joined the team. I had a lot of personal issues with Gary back then.

May: Like what?

Atomic Skull: I'm guessing his attitude?

Nico: That and he nearly started a massive war here as well as did all kinds of horrible crimes.

Lola: What did this guy do?

Nico: A more accurate question is what hasn't he done. Terrorism, Attempted usurpation, Incitation of riots, Public endangerment, Harassment. Arson, Attempted mass murder, Psychological abuse, Assault and battery, Torture, Kidnapping, False imprisonment, Property damage, Hatemongering, Brainwashing, Unfair expulsion, Blackmail, Slander, Incrimination, Treason, Vandalism, Breaking and entering, Trespassing, Animal cruelty and Theft.

We gasped in shock!

Xenia: Oh man!

Qin: He's pure evil!

Nico: Yep.

Jimmy Hopkins: That's right. Nico and I beat the living shit out of that asshole.

Qin: Good!

Astro Man: Are there any art classes here?

Jimmy Hopkins: There sure are.

Me: Cool.

Nico: When I first met Jimmy he started out as a jerk. But as I got to know him more and more we became good friends. He may be a jerk but deep down he has a heart of gold.

Jimmy Hopkins: That's right. Nico is a really awesome guy too.

Skinner: You and Bart will probably get along great.

Jimmy Hopkins: (LAUGHS) I sure will.

Bart: We both are so much very similar.

Jimmy Hopkins: That's for sure Bart.

Me: How did you beat Gary the last time?

Nico: One thing that we can use to our advantage is that Gary likes to gloat and talk.

Hunch: That probably left him vulnerable to attack.

Nico: Oh it did. He is all bark and no bite. What he never realized was that I broadcasted the entirety of our conversation and fight to the entire town. I was wearing a microphone button that broadcasted the whole talk.

Qin: Geez!

Nico: Oh yeah. After he was expelled, Gary became the most hated creature in the entire state of New Hampshire.

Jimmy Hopkins: That's right. His father disowned him and disinherited him from his family's fortune and the entire town was completely disgusted by his behavior.

Harpymon: To think you two were friends with him before.

Lincoln: Like someone else we recently killed.

Jimmy Hopkins: Yeah, I heard about what happened with that Sebastian guy. Sorry he betrayed you guys like that.

Me: News sure spread like wildfire didn't it?

Goliath: We actually know the sting of betrayal and how it affects people. Like with what happened to us over 1,000 years ago.

Nico: I remember that Goliath. That was awful. But thanks for your concern Jimmy.

Jimmy Hopkins: You're welcome.

Skinner: Wait Sebastian was a traitor?

Me: Yep. Lincoln was on to him the very moment he joined up with us.

Tengu Man: How did he fool even Eli?

Eli: Actually he didn't. I was onto him too. I just didn't show it.

Tengu Man: Oh.

Eli: I didn't say anything because I didn't want to have him know I was onto him.

Xenia: Oh. Good thinking.

Camie: Yeah.

Calamitous: We won't make the same mistake again

Me: No we won't.

Jimmy Hopkins: Good.

Qin: Yeah.

Jimmy Hopkins: I hope you guys are here to kill Gary?

Me: Actually we can't. He's still a kid. Our code strictly forbids us from doing so.

Nico: We have to have honor when it comes to protecting people.

Shockwave: We can still pulverize him.

Me: (Cracks Knuckles) That is for sure.

Jimmy Hopkins: That's right. (Cracks Knuckles) It's payback time.

Qin: You got that right.

Goliath (Marvel): We just have to wait for him to come to us.

Nico: Yep.

Jim Lake: And then it's buttkicking time.

Me: Big time.

Qin: He will rue the day he messed with us.

Nico: I've got a bunch of things to say to that son of a motherfucking shitstain.

Tayuya: You tell that fucking ass!

Nicio: (LAUGHS) Thanks. Oh J.D. did Sonoi say who made the Falchion Hitotsuki?

Me: Yes he sure did! It was a backup plan made by Black Satan in case she was defeated.

Sakura Igurashi: So Yuriko did it!

Nico: Not good.

Me: Lets focus on the matter at hand first.

Apeface: Where is he right now?

Eli: Let me check.

Eli concentrated.

Eli: He's heading towards the Football Field.

LaGrange: Then that's where we're going.

Nico: Yep.

Me: You up for another round of wailing on Gary?

Nico: I sure am.

Brawlrus: Entrance time!

We were off to the Football Field.

We then saw a figure heading towards it and went at it.

It was sneaking up to the cheerleading squad and it was GARY SMITH!

Just as he was about to attack them the spirits of school appeared and swirled around him and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and we came out and Nico punched Gary in the face and sent him crashing into a trash can!

He got up and saw us!

Gary Smith: YOU!

Nico: That's right Smith! Me!

Jimmy Hopkins: You are not allowed back here you know.

Snake: Dude, Jimmy might not be perfect. But he's twice the man you'll ever be!

Nico: That's right you shitfucking asshole! You don't care about anyone but yourself!

Gary Smith: I was MORE OF A MAN! You ruined everything for me Chan!

Nico: And I show no remorse for it.

Gary Smith: I LOST EVERYTHING BECAUSE OF YOU!

Nico: Good! You deserve it.

Then Kaos, Dr. Viktor, Mr. Fizz, Technus, Carly Atlas, Titania, Titanium Titan, Zs'Skayr, Kitty, and Johnny 13 came.

Nico: Kaos, Dr. Viktor, Mr. Fizz, Technus, Carly Atlas, Titania, Titanium Titan, Zs'Skayr, Kitty, and Johnny 13.

Kaos: So Sebastion was a traitor the whole time, huh?

Dr. Viktor: Who would've thought it?

Mr. Fizz: Had we known, I would've snapped his neck.

Me: Just like Pigma betraying Star Fox.

Qin: Yep.

Technus: (to Nico) We heard you went to a Devil's Food Cake planet.

Nico: We sure did.

Carly Atlas: How much did you eat?

Me: You were with us Carly. I actually ate the most.

Carly Atlas: Oh right. You sure love Devil's food cake.

Me: Yep.

Pharaoh came.

Me: Pharaoh, up for another round?

Pharaoh: I sure am.

Me: Cool.

Pharaoh: Look, I know Sebastian's betrayal hurt. But at least you guys know not to trust people like him again.

Me: That's for sure.

Qin: Yep.

We got the battles underway.

Kaos was first.

Kaos: (to Twilight) Nico's rescue was on a Devil's Food Cake Planet. How much did he eat?

Twilight Sparkle: Not nearly as much as J.D. Next to banana cream pie, Devil's Food cake is one of J.D.'s non-lethal weaknesses.

Carol Ferris: (LAUGHS) That was awesome though.

Jan: It sure was awesome and amazing.

Zan: Devil's food cake is awesome.

Hawkman: It sure is.

Hot Head: Boy no kidding and it's awesome and tasty.

Bouncer: Extremely chocolatey.

Starshine Sparkle: You got that right.

Bulma: So did everyone else! He played us all for a bunch of fools!

Shannon Littlefield: He sure did! But Lincoln was totally onto him ever since he joined us in Thailand.

Nefertimon: He hated all our achievements. And he was responsible for sending all those Anoni and tricking the Noto Generals to do so!

Paildramon: The guy was nuts!

Shakkoumon: That was awful!

---

Technus was next.

Technus: (to Cyborg) I heard you guys met a gene-slammer for Elemental HERO Wildheart. What's her name?

Cyborg: Her name is Melanie Aranyani and she is a master of wilderness survival.

Ice: (Scandinavian Accent) She sure is amazing.

Katie Kirrington: Her skills in surviving in the wilderness are all most well built and amazing.

Dexter: I must concur with Katie.

Poppy: And her story is really cool too

---

Nico: Yep. So, Melanie, what's the story on how you and Lincoln took down Lynn whenever she goes on her massive rage-fueled rampages?

Melanie Aranyani: That's something I'll never forget, and I got a video to show the story.

Melanie Aranyani pulled up the video as it played on the big screen. There we see Melanie Aranyani and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and Melanie was doing the same routine as Lincoln. Suddenly, they heard a loud thunderous belch in the air.

BBBBBBBBBBUUUUUUUUUUUUUURRRRRRPPPPPPPP!

Past Selene Emperyous: What the heck was that?!

Then, they caught the stench of sweaty armpits and smelly feet, and there was only one person who could make that loud thunderous belch and have the stench of sweaty armpits and smelly feet.

Past Laney Emperyous: Oh no.

Past Melanie Aranyani: It's Lynn, she's here, I can smell her sweaty armpits and smelly feet from a mile away. Ugh, she smells like a week old gym bag!

Past Lincoln: Everyone, get ready!

Lincoln and his Guardian Angels stood ready, and then, the doors burst open, and there stood Lynn with red eyes and her mouth was foaming. Then, Lynn roared and she charged at Lincoln and Melanie Aranyani, but Melanie punched Lynn hard in the face and sent her flying out of the gym, and they all followed. Lynn got up and she roared and beat her chest like a gorilla.

Past Lincoln: Come on, Melanie, let's get her!

Lincoln and Melanie Aranyani went after Lynn, and they proceed to beat her into the ground and they showed her no mercy whatsoever. Then, Lincoln knocked Lynn out with a knockout punch, and then, he tied her up in red energy ropes so she couldn't escape, and Melanie Aranyani ran up to Lincoln and they kissed, as the video ends and we cheered.

Maria: Whoa, Lynn never stood a chance against you two.

Lincoln: Lynn never did, she may be strong, but Melanie and I were stronger, and we knew how to wrangle her in.

Melanie Aranyani: And I was shocked to find out it was Principal Huggins' Dark Side that did this and turned Lori, Lynn, Lola, Lisa, and Luan into outright monsters.

Lincoln: He's recovered greatly, but, we also found out the one person that's responsible for turning Principal Huggins into the very jerk who wanted me dead was Chase Young.

Melanie Aranyani: WHAT?!

Anna Anyanova: It's true, Melanie, Chase Young was the one responsible for turning Principal Huggins into the killjoy jerk we hated and who also gave him that Dark Side Creation Serum that turned Lori, Lynn, Lola, Lisa, and Luan into the outright monsters we pulverized, he was the true source of all of Lincoln's pain and suffering. We separated Chase Young from his dark side, and we made him pay for 1,500 years of evil and we sent him to The Black Gates.

Melanie Aranyani: Good, he was scum!

FLASHBACK ENDS

Technus: Oh man! That is amazing!

Lincoln fired a rainbow energy straitjacket at Gary Smith which tied that nasty bully up, and then, he punched Gary Smith in the face and gave him a black eye, and Jackie Wren threw him in a black van that took him to the Charon Reform School where he'll stay there forever.

Lincoln: Have fun in the Charon Reform School, you rotten bully.

Nico: He's in for one miserable time there. Awesome job, gang, we helped Jimmy take down Gary Smith and got him sent to reform school.

Lincoln: Now, there's only one last thing to do and one last loose end to take care of: Selena MacKenzie.

?: LINCOLN LOUD, I WILL FUCKING KILL YOU FOR GETTING US EXPELLED FIVE YEARS AGO, YOU WHITE-HAIRED FREAK!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Selena.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Selena MacKenzie of The Legion of The Lincoln-Haters, but we also saw Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, the bitch has also got Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila

Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Selena MacKenzie: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And none of us will forget what you did to our Dads, The Blood Dragons!

But, before Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river, bitch!

Maria: You tell her, Lincoln!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Mollie: But, that's going to end here and now.

Suddenly, Mollie's purple eyes turned neon purple and she was surrounded by a purple and pink energy aura with lightning bolts, sparks of lightning, stars, dragons, and phoenixes, she unholstered her Sword of Suzaku from her back, and as she approached Selena MacKenzie, she left purple and pink energy, lightning bolts, sparks of lightning, stars, dragons, and phoenixes with every step.

Mollie: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Selena MacKenzie, and the same went with the rest of the monsters inside the energy field. You think that now that you and the rest of the Legion of The Lincoln-Haters have broken free you can waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Mollie was surrounded by a massive vortex of purple and pink energy with lightning bolts, sparks of lightning, and stars surrounding the vortex, there are dragons and phoenixes flying around the vortex, and in the vortex is a pink phoenix with red eyes glaring at Selena MacKenzie: the red eyes of death. Then, as the vortex faded, Mollie emerged, but she was changed forever.

Mollie grew from 6'0" to 7'5" in height, she had the body of a goddess, she has purple highlights in the bangs of her long brown hair, she has neon purple eyes and a purple and pink energy aura with lightning bolts, sparks of lightning, stars, dragons, and phoenixes surrounding her, she has a phoenix and dragon with the Thunder Kanji emblazoned on her forehead with Third Eye with purple iris, she has on phoenix earrings with purple gems for eyes and the Thunder and Eternity Kanjis in its claws, she also has a phoenix with purple gems for eyes and holding the Thunder and Eternity Kanjis in the claws on the bottom of her purple phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Mollie has on a pink sweater with purple phoenix on it, purple skirt with lightning bolts, purple jacket, black pants with lightning bolts on them, purple knee-high leather combat boots, her purple weighted bands with silver phoenixes on her biceps and thighs were now covered with gold metal bands with purple gems and she now has ten large purple orbs orbiting around her legs, and long sleeveless white trenchcoat with lightning bolts, sparks of lightning, stars, dragons, and phoenixes on the coattails, and on the back is a dragon and phoenix surrounded by lightning. Suddenly, Mollie felt a sharp pain on her back, and then, massive brown angel wings with purple and pink tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long brown wolf tails with purple tips and pink markings, Mollie has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Mollie's massive Sword of Suzaku and the greatswords that she'd gotten in the treasure battles began to merge and was surrounded by a kaleidoscope of purple and purple energy with lightning bolts, sparks of lightning, stars, dragons, and phoenixes, and when it emerged, it was transformed into Mollie's Suzaku Lightning Phoenix Dragon Greatsword of Lightning Dragon Justice, it's a brand-new massive greatsword with embedded purple and pink gems and the Vermillion Bird, Suzaku, etched on the 7'2" massive, wide, double-edged purple blade, large purple dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with purple gems embedded in the foreheads, longer purple handle decorated with ocean blue dragon scales, four large purple phoenix heads with purple gems in its mouths and a large purple dragon head with a pink gem in its mouth below the large phoenix heads for the pommel. Mollie has on her new Bracers of The Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on the left bracer, her new Belt of Elemental Bravery with a gold phoenix head with purple gems for eyes and a large pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below the phoenix and dragon that said, "Mollie, Great Friend of Girl Jordan, Athletic Dodgeball Angel Queen of Gotham Royal York, Loving Future Wife of Lincoln Loud, Powerful Wielder of Lightning, Friend of Many, Destroyer of Selena MacKenzie of The Legion of The Lincoln-

Haters, Archenemy of Zzzax, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary and Champion of Suzaku, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Lightning, Dragons, and Phoenixes"

モリー、ガール ジョーダンの親友、ゴッサム ロイヤル ヨークのアスレチック ドッジボール エンジェル女王、リンカーン ラウドの愛する未来の妻、強力な稲妻の使い手、大勢の友人、リンカーン ヘイターズ軍団のセレナ マッケンジーの破壊者、ザザックスの宿敵、悪の破壊者にして殺戮者、狂乱、人殺し、冷酷、サディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な生徒、スザクの使者にしてチャンピオン、天界のゼルナガの怒りのマスター、黒い門のマスター、稲妻のマスター、龍、鳳凰

Mollie has transformed into SUPER ANGEL-PHOENIX-DRAGON-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA ATHLETIC ELECTRIC LIGHTNINGSTORM PHOENIX DRAGON ANGEL OF DIVINE ATHLETIC ELECTRIC LIGHTNINGSTORM PHOENIX DRAGON JUSTICE AND DIVINE ATHLETIC ELECTRIC LIGHTNINGSTORM PHOENIX DRAGON LOVE!

We were amazed by Mollie's Super Angel-Phoenix-Dragon-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Taytum McKinley saw it, she went fucking crazy and got out a machine gun to fire at Girl Jordan, but Girl Jordan fired a barrage of ocean blue energy blasts with ocean waves, sea dragons, sea animals, snow, and ice at Taytum McKinley, and it sent her flying into a tree back first, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Girl Jordan: Incredible.

Me: Oh man, Mollie has transformed into her Super Angel-Phoenix-Dragon-Harmony Universal Eternal Celestial Xelnaga form, that's so awesome! Now, things are really going to get electrifying!

Lincoln: Selena MacKenzie has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Mollie: (Divine Godly Cosmic Voice of The Athletic Lightningstorm Phoenix Dragon Angel and Divine Athletic Lightningstorm Phoenix Dragon Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Mollie.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Selena MacKenzie. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Mollie and Lincoln went after Selena MacKenzie who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, purple and pink energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Selena MacKenzie and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws, and he was really, really, really pissing off her off now and driving her even more ballistic.

Just then, Selena MacKenzie got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Mollie, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Selena MacKenzie's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Selena MacKenzie by the neck and he tossed her into the air, and then, Mollie and Lincoln fired a powerful barrage of energy balls with lightning, elemental forces, and mythological animals, and as they hit Selena MacKenzie, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Selena MacKenzie's spirit appeared, and she was still incensed with anger and fury.

Selena MacKenzie: You think you've won?! I'LL RETURN ONE DAY

AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Selena MacKenzie.

Lincoln summoned the spirits of Selena MacKenzie's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Selena MacKenzie: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Mollie and Lincoln holstered their massive greatswords on their backs and powered down, and Mollie's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown tails, and massive brown wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Taytum McKinley. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Mollie: We've taken one down so far, and now, we got twenty-eight more to go. Thanks for helping me destroy Selena MacKenzie, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Mollie.

Suddenly, Mollie wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Mollie's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Dragon flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and lightning crashing behind them and we cheered wildly. Then, Lincoln and Mollie absorbed the lightning bolts and they came back to us as the display vanished.

Nico: Whoa, now that's what I call electrifying. Lincoln, Mollie, you two did really awesome in teaching that monster bitch, Selena MacKenzie, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion, but now that we are rid of Abaddon Azathoth, Michael Hastur, Damian Shub-Niggurath, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha, that's one challenge overcome.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Raya Taylor, which means you and I are up next, Paige.

Paige: Yes, we'll be ready for her.

Lincoln: Yep, but we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Elemental HERO of Earth are you meeting tomorrow, Lincoln?

Lincoln: The next one is for Elemental HERO Clayman, another of Jaden's Elemental HEROS that he's frequently used in his duels.

Melanie Aranyani: Perfect, and there's only one person who'd be Gene-Slammed into Elemental HERO Clayman: Leona Carmine, she's one of the Elemental HEROS of Earth, and she's also a powerful and physically strong girl and awesome athlete and good sportswoman in the field of sports. Plus, she's also a very seductive and sexy hot mama with the same body as me.

Lincoln: And like you and the other Elemental HEROS of Earth, Melanie, she's also had to deal with Lynn, and she's more than once dealt with her sore loser attitude and always going on her rage-fueled rampages, along with acting like an animal and even letting out those loud belches, and trying to kill me more than once.

Nico: Jeez, how many times has Lynn pissed you girls off with her rampages?

Lincoln: Don't even ask that, Nico, Lynn has done that one too many times in the past, only for her to get beaten down like a ragdoll by their superhuman strength, but she always got back up, but when I join them in the fight, Lynn always gets knocked out.

Me: I've seen how much stronger Lincoln has gotten during those days, and I've seen what he can do especially with those massive muscles that he's been constantly developing, and it always ended with Lynn getting knocked out on her butt, tied up like an animal, and dragged away to face her doom at the hands of her angry siblings and parents.

Nico: Dang, and with how Lincoln kept on getting bigger, stronger, and smarter, Lynn kept on badly underestimating him.

Luna: She had an overinflated ego because of that animal inside her, dude, and she thought she could get away with it, but she was wrong.

Lori: It always came back to bite her on her smelly butt, she was beaten by her own little brother who was constantly getting bigger, stronger, faster, and smarter over the years thanks to help from his Guardian Angels, Luna, Leni, Laney, Lucy, Lana, Lily, Mom, and Dad, while Lynn, Luan, Lola, Lisa, and I were seething with rage and plotted to kill him, no doubt thanks to our Dark Sides.

Luan: We should've been proud of him, but no, those monsters wanted him dead. But, we'd since been freed and we repaired those bonds with Lincoln, and not only did Killjoy Huggins pay the price.

Eli: But, also Chase Young's evil, who was in fact the true source of his pain and suffering.

Anna Anyanova: You got that right.

---

Titania: And that's how it's done.

Titanium Titan: Gary is never gonna be welcome in ANY school.

Zs'Skayr: Of course he won't.

Me: Good riddance.

Nico: Yep.

Kitty: Today has been a good day.

Jimmy Hopkins: How about we celebrate in the cafeteria?

Johnny 13: We'd like that.

Me: (BELCH) I'm still full from eating all that Devil's food cake.

Qin: Oh boy.

Me: Yeah.

Nico: But great job guys. This was an awesome adventure.

Lola: Yep.

Jimmy Hopkins: (To the viewers) Don't be a bully or else there will be horrible punishments.

Xenia: That is for sure.

We went to the cafeteria and had an awesome meal and then went back home and enjoyed the rest of the day and went to sleep.

Gary Smith was sentenced to spend the rest of life in prison with no possibility of parole.

THE END

Another awesome chapter done.

Bully was a great game for Playstation back then. Never played it before but I heard it was good.

The next match-up in The War Against The Legion of The Lincoln-Haters is Paige and Lincoln VS. Raya Taylor.

For Lincoln's rescue tomorrow, Lincoln and his group are heading out into Gotham Royal York, and we're going to deal with a group of Yakuza gang members who are still out to kill Takara, Tomoko and Toshiko Neobāsuto and their dad for his betrayal, but Lincoln's not taking that direct threat lying down, those Yakuza thugs are going to get the beatdown of their lives and we're going to kill them. She's also a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages, but they always saw her coming when they see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet. But, Melanie and the other Elemental HEROS of Earth along with Lincoln have more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents.

We're heading to the park next for relaxation and the mascots are going to battle a rival Pokemon Gang of Squirtle who are trying to claim the park as their own. It's a non-combat chapter.

see you next time.

# Return of The Squirtle Gang

Vinyl Scratch was in a hover wheelchair and her belly was big. We went to the doctor after our mission against Gary Smith and she found out that she was expecting 5 girls. WOW! She is really excited. Pickle and Barley Barrel are watching over her. I was dressed in my special occasion clothes.

Me: Awesome party. But we're really happy for you Vinyl.

Vinyl Scratch: Same here guys. This is so awesome.

Lola: It sure is.

Me: At least it's not on a big day mission this time.

Qin: Thank goodness.

Lincoln: Yeah but we're so happy.

Sunset Shimmer: We sure are.

Dean Cadance: We're so happy for you Vinyl. You must be really proud.

Vinyl Scratch: I sure am Dean Cadance.

Sunny Starscout: All of us are.

Sunny gave us all smoothies.

Me: (Slurps) Ahh! Mmm. Kiwi Banana.

Sunny Starscout: I made tons of new flavors.

Me: You sure did.

Nico: Sunset, I want to thank you, El Oso, and your teams for coming

Sunset Shimmer: No problem Nico. It's so awesome that we're going to help you guys.

Kairi Yano: It sure is. This is amazing.

Sakura Knudson: J.D. you look awesome in that outfit.

Me: Oh thanks sis. I call these my special occasion clothes. I wear them at weddings, baby showers, big events like that.

Sakura Knudson: That's awesome.

Me: Yep.

Nico: Kairi, remember when we first met you and your team?

Kairi Yano: I sure do. That was so awesome.

Me: That was one of the first Major Battles we had of 2021 leading up to the battle with Team Dark Phoenix Storm. We helped you guys battle Herlock and Wilson.

Nico: Yep.

Qin: That was so much fun.

Camie: It sure was. I didn't know about that one.

Nico: That was a good adventure.

Me: And we first encountered the LupinRangers and PatRangers after we buried that spoiled brat Mindy alive.

Qin: Yep.

Me: And coincidentally we learned that Dark Spicer based his trademark line from you Kairi.

Kairi: Here's an Advanced Notice, We're taking your Treasure.

Me: Yep. And he turned it into Here's Your Warning, Your Ass is about to be kicked.

We laughed!

Nico: That is true.

Dark Spicer: Yeah that is for sure.

Me: Yep. And Maxxor based his trademark line from Keiichiro.

Keiichiro: By order of the GSPO we're Taking you down by Force.

Me: Yep and he turned it into By order of The Tribal Alliance we're Taking you Down by force.

Nico: He sure did.

Vinyl Scratch: That is so awesome.

Nico: Good times.

Me: Yep. And surprisingly during some of our adventures we lived through some of your adventures too Kairi.

Kairi Yano: You sure did. That was awesome.

Nico: Yep.

Me: That sure was fun.

Varie: It sure was.

Carol: I'll say.

Nico: It was good seeing Jimmy again

Me: It sure was.

Sly Cooper: That was awesome that you helped Jimmy before Nico.

Nico: It sure was.

Eli: Yeah it sure was. And we sent that bozo Gary packing.

Kitty: And I gave him a much deserved kick to his crotch.

We laughed!

Me: You sure did Kitty. That was great!

Nico: When I first met Jimmy, he was a juvenile delinquent. But he later had the idea to end all bullying in Bullworth Academy

Nicole: That is an amazingly admirable goal. I wish it could be the same with everyone all over the world.

Nico: I know.

Maria: That was cool though.

Nicole: And Gary Smith had an amazing bounty on his head too.

She pulled out a wanted poster of him.

Nicole: $666,232,355,346,566,923,999.00

Nico: Wow! That's a lot of money.

Nicole: Yep.

Me: Jimmy got that bounty right?

Nicole: He sure did. He and his family can live in a better place now.

Qin: That's great.

Sakura Knudson: It sure is.

Nico: I hope Gary loves rotting in jail.

Me: Nico I'll bet you that he won't 7 days in jail. He will be dead in 12 to 24 hours.

Nico: Me too.

Then my phone rang.

Me: Oh excuse me.

I answered my phone.

Me: Hello?

The Warden of the Neptune Prison called.

Warden: Hey boss it's Warden Vallience.

Me: Hello Vallience. What's going on?

Warden: The new inmate Gary Smith was found beaten to death earlier this morning by Mike Brickowski.

Me: What!? Oh man.

Warden: Yeah he was pulverized by a cinder block. Brickowski hated him because of what he did.

Me: Who can blame him? He was a grade A Asshole. Thank you for telling me Vallience.

Warden: You're welcome boss.

Me: Bye.

I hung up.

Nico: Who was that?

Me: The Warden of the Neptune Prison. Gary was found beaten to death in his cell by Mike Brickowski.

Nico: Whoa!

Eli: Good riddance.

Vinyl Scratch: No kidding.

Eli: Yeah.

I looked at my watch.

Me: We put him in jail a little over 10 hours ago.

Nico: Yeah we sure did.

We were having a great party.

Nico: I hope Vinyl gives birth later.

Me: Me too.

Nico: Later, let's let the mascots go to the park.

Me: Sure. As long as we watch them.

May: Yeah that's a good idea.

Qin: Yeah.

Leeli: Yeah this will be so fun for them.

Pipp Petals: Oh my glitter this will be fun for them.

Xenia: Yep.

Rarity: It sure will darlings.

Me: Yep. (Sees something) What's that?

I moved some dirt and saw a lone crystal sticking out of the ground.

Qin: Ooh what a crystal.

Me: It sure is pretty.

I touched it and it was laughing? What the?

Nico: Who's doing this?

Me: All I did was touch it.

Eli: I sense it's alive. We know you're there. You can come out now.

Then there was a rumble.

Me: Back up guys!

We saw it grow into a huge crystal cluster and it was as tall as us and then it formed into a girl made of pure crystal and rock!

Me: WHOA!

TerraZoe: TerraZoe is here.

Maria: (GASP) Zoe Alister!

TerraZoe: Maria! Carol! Wow!

Carol: I haven't seen you since kindergarten. Its been a long time.

TerraZoe: It sure has been a while.

Nico: You're just as hard as Diamondhead.

TerraZoe: I sure am.

Me: What were you doing when you got exposed to the Quantum Vapor?

TerraZoe: I was working on a fossil expedition and then this purple mist flew in and then I was turned into this.

Maria: Zoe wanted to become a geologist.

Nicole: That is cool.

Qin: I think this is an amazing and dazzling form.

Nico: We'll revert you back after we're done here.

Me: Yeah.

Eli: I sense that 3 of Swartz's creations are coming.

Carrietta: Are they like what I was?

Eli: No. Hitotsuki's are not Swartz's department. We're going to meet Another Don Octavio, Another Lunch Lady Ghost and Another El Oso.

We gasped!

Qin: Whoa! I have a feeling the Don Octavio one is going to be an amazing singer.

Me: That will be cool!

Nico: That's right I remember that Don Octavio is an opera singer.

Don Octavio: (Italian Accent) That's right. Back-a in my-a day I had a great voice for a grand-a audience.

Me: You always have an amazing voice Octavio.

Leeli: Me and Girl Jordan will face that one then.

Girl Jordan: This will be awesome.

Qin: Go for it.

Kairi Yano: Hold on. Don Octavio's my archenemy. I should face him with you two.

Nico: We know he is your archenemy.

Me: You have been practicing Karaoke like all of us and getting great.

Qin: Yep.

Nico: So it's a battle of the songs.

Me: Go for it too Kairi.

Kairi Yano: Okay!

He got ready.

Kairi Yano: Kaitou Change!

He transformed!

Kairi Yano: (SNAPS FINGERS) LupinRed!

Me: Yeah!

Nico: Be ready guys.

Qin: I have a feeling this will be awesome.

Pipp Petals: The stage is all set up for this.

Me: Perfect Pipp.

Kairi Yano: There she is!

We saw a figure come out and it was a dark version of Don Octavio! It was ANOTHER DON OCTAVIO!

Don Octavio: Mama mia! I sure-a look-a good in all-a black.

Qin: You sure do.

Another Don Octavio: (In a girls voice) Glad you all think so.

Me: (GASP) That voice!

She reverted back and was a girl with Black Hair and had a red shirt and green clothes and a beautiful green dress with lots of flowers of iit.

Me: (GASP) Gianna Pavarotti!

Gianna Pavarotti: That's right.

Nico: Oh wow! Are you…

Gianna Pavarotti: (Giggles) Everyone thinks I'm related to the great Luciano Pavarotti but I hold no blood relation to him at all. But I am a great opera singer.

Me: I remember going to some of your concerts years ago Gianna. You had an amazing voice and everyone saw you take the entire planet by storm with your great voice.

Gianna Pavarotti: I sure did. You have been an amazing supporter for me J.D.

Me: That is true and always will be.

Kairi Yano: Here's an advanced notice: We're taking your treasure.

Me: That is going to be the Wonder Ride Book that made you that way.

Gianna Pavarotti: You guys can have it.

Me: Not right away. We want to face you in a sing off first. Kairi will be your opponent first.

Gianna Pavarotti: Okay then.

Kairi Yano: Did Swartz promise you anything by the way?

Gianna Pavarotti: Just to be as good a singer as the Legendary Three Tenors.

Me: You already have that kind of quality Gianna. You have a voice that is so breathtaking it already took the world by storm.

Gianna Pavarotti: That is true.

Kairi Yano: Lets get this started.

We went to the stage.

We got to the stage.

Kairi Yano: (takes a deep breath) Let's do this.

Me: You can do it Kairi.

(TIME TO SAY GOODBYE BY SARAH BRIGHTMAN AND ANDREA BOCELLI PLAYS)

(THE SKY FORMED RAINBOWS AND AURORA ALL OVER IT)

Another Don Octavio and Kairi Yano: (SINGING DIVINELY AS ENERGY AND RAINBOWS SWIRLED AROUND THEM)

[Another Don Octavio]

Quando sono solo sogno all'orizzonte

E mancan le parole

Si lo so che non c' luce

In una stanza quando manca il sole

Se non ci sei tu con me, con me

Su le finestre

Mostra a tutti il mio cuore che hai accesso

Chiudi dentro me

La luce che hai incontrato per strada

Time to say goodbye paesi che non ho mai

Veduto e vissuto con te adesso si li vivro

Con te partiro su navi per mari che, io lo so

No, no, non esistono piu, it's time to say goodbye

[Kairi Yano]

Quando sei lontana sogno all'orizzonte

E mancane le parole

E io s lo so che sei con me, con me

Tu mia luna tu sei qui con me

Mio sole tu sei qui con me, con me, con me, con me

Time to say goodbye paesi che non ho mai

Veduto e vissuto con te adesso s li vivro

Con te partiro su navi per mari che, io lo so

No, no, non esistono piu con te io li rivivro

[Kairi and Another Don Octavio]

Con te partiro su navi per mari che, io lo so

No, no, non esistono pi con te io li rivivro

Con te partiro

Io con te

We were in awe and Umika and Tsukasa were bursting in tears at their singing! When it was done we gave them a STANDING OVATION!

Me: BRAVO BRAVO BRAVO!

Qin: That was great!

Varie: YEAH!

Keiichiro: Good job, Kairi!

Kairi Yano: Thanks guys!

TerraZoe: That was awesome talent!

Qin: It sure was!

Another Don Octavio: You weren't kidding when you guys said you practiced.

Kairi Yano: Was there ever any doubt.

Girl Jordan: Now it's our turn. Ready Leeli?

Leeli: I sure am.

Girl Jordan: We'll save you from this.

Girl Jordan and Leeli went onto the stage and held hands.

Girl Jordan: Lets do it.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

We were amazed and then the Another Don Octavio glowed and then Gianna was separated from the Another Don Octavio and she was freed! It was now a separate embodiment of her!

Me: WHOA!

Nico: Wow! Now we can fight her without having to make her tired and weak!

Gianna Pavarotti: Wow! Whoa is that what I turned into!?

Me: It sure is!

Nico: That was well done girls!

Sarah Tinsley: I'll say!

Leeli: Thanks guys.

Kairi Yano: Ok… now you die!

Sarah Tinsley: I'll help too.

Kairi Yano: Okay.

She went onto the stage.

Another Don Octavio: (Italian Accent) Listen-a to the song of your death!

Sly Cooper: Just like old times.

Kairi blasted Another Don Octavio all over.

Sarah Tinsley: Mother if you are here, watch me.

She stood ready.

(THE MYSTIC'S DREAM BY LORENNA MCKENNITT PLAYS)

A total Solar Eclipse formed and the sky had amazing aurora around it.

Sarah Tinsley: (SINGING DIVINELY AS SUNLIGHT AND MOONLIGHT FORMED AND SWIRLED AROUND HER)

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for the love of you

A painting hangs on an ivy wall
Nestled in the emerald moss
The eyes declare a truce of trust
And then it draws me far away
Where deep in the desert twilight
Sand melts in pools of the sky
When darkness lays her crimson cloak
Your lamps will call me home
And so it's there my homage's due
Clutched by the still of the night
And now I feel you move
Every breath is full
So it's there my homage's due
Clutched by the still of the night
Even the distance feels so near
All for the love of you
A clouded dream on an earthly night
Hangs upon the crescent moon
A voiceless song in an ageless light
Sings at the coming dawn
Birds in flight are calling there
Where the heart moves the stones

It's there that my heart is calling

All for the love of you

She sang with the divinity of an angel and she floated into the air and fired waves of sunlight and moonlight and then the blasts hit Another Don Octavio and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded!

Qin: WHOA!

Me: Another Don Octavio you have failed this city!

Sunny Starscout: I'll say!

Lincoln: Way to go Sarah!

Sarah Tinsley: Yeah!

Gianna gave me the Wonder Ride Book. It was called The Opera Princess and the Kingdom of The Lion Gangsters.

Me: Very fitting.

Pipp Petals: Oh my glitter that was so amazing!

Nico: It sure was!

Qin: Wow!

Vinyl Scratch: That was awesome!

Kairi Yano: Furthermore… adieu!

Even the Ganglers were applauding.

Zamigo Delma: Nice job, Lupin Red!

Kairi Yano: Thank you!

Me: That was really talented! Well done Kairi!

Ape: (LAUGHS) Good show everyone!

Qin: We're not done yet though.

Nico: Another Lunch Lady Ghost is next.

Shannon Simpson: I'll face her.

Me: Souls of the Forgotten VS Lunch Lady Ghost. Awesome.

Qin: Yep.

Nico: Go get her.

Shannon Simpson: With pleasure.

Then we smelled something.

Nico: Wait. Something smells good.

Me: (SNIFFS) MMM! Smells like all kinds of meats.

Eli: It sure does.

Qin: Wait look!

We saw a HUGE MEAT MONSTER! It was ANOTHER LUNCH LADY GHOST!

Qin: WHOA!

Nicole: (DROOLS) That is my kind of monster!

Nico walked up to her to get a bite.

Another Lunch Lady Ghost: Plenty of me to eat.

CHOMP!

Nico ate a steak from her.

Me: That voice.

We got out a huge barbecue grill and she had all the meats fly around and she put it all on the grill

She reverted back and was a girl with purple hair and had the same clothes as Shannon Simpson.

Shannon Simpson: (GASP) Callie!

Callie Simpson: Shannon!

They went and hugged.

Shannon Simpson: I thought I would never see you again.

Callie Simpson: Me too sis.

Lincoln: Little Callie. Man I haven't seen you since you were just a baby.

Me: She is Shannon's little sister?

Callie Simpson: I sure am. I am not one of Lincoln's Guardian Angels unfortunately. I went to J.D.'s school and he was 3 grades ahead of me. I went to school of him and he helped me become a great chef.

Me: I gave her a lot of great motivation.

Nico: You're a good teacher J.D.

Me: Yep. And Shannon went to Michigan and I taught Callie in Colorado.

Qin: Wow!

Nico: Is your Another Lunch Lady Ghost form still a different colored version of Lunch Lady Ghost?

Callie Simpson: It sure is. It's a dark version of her.

Nico: I see. We couldn't see it because it was covered by all that meat.

Lunch Lady Ghost: This will be interesting dearie.

Qin: It sure will.

Me: Have you known about your sister being chosen as one of Lincoln's guardian angels?

Callie Simpson: I was told about it from mom and dad a while back. And I will always be proud of her.

Lincoln: I am proud of her too.

Me: We all are.

Callie Simpson: Yeah and Vinyl congratulations on your future kids.

Vinyl Scratch: Thank you very much.

Me: We're really excited. By the way is the Another El Oso friendly or hostile?

Callie Simpson: Friendly. And you will like this one J.D. She is also a gene-slammer for Pandemonium Watchbear.

Me: Whoa!

Xenia: That will be interesting.

Camie: It sure will.

Nico: Sorry we have to fight you like this.

Callie Simpson: I know. But at least I got some meat for you guys.

Me: You sure did.

Shannon Simpson: We'll save you some good meat after this.

Callie Simpson: Thank you.

She was enveloped in a vortex of darkness and turned into

ANOTHER LUNCH LADY GHOST!

She was a dark version of her!

Lunch Lady Ghost: Oh my!

Nico: I know.

Another Lunch Lady Ghost flew into the air and Shannon got ready.

(NEMO BY NIGHTWISH PLAYS)

The area turned into the fiery skies of the Abominable Sands from the 7th Circle of Hell!

Shannon Simpson: (SINGING DIVINELY AS DARKNESS AND FIRE SWIRLED AROUND HER)

This is me, for forever

One of the lost ones

The one without a name

Without an honest heart as compass

This is me, for forever

One without a name

These lines the last endeavor

To find the missing lifeline

Oh, how I wish

For soothing rain

All I wish is to dream again

My loving heart

Lost in the dark

For hope I'd give my everything

My flower, withered between

The pages two and three

The once and forever bloom gone with my sins

Walk the dark path

Sleep with angels

Call the past for help

Touch me with your love

And reveal to me my true name

Oh, how I wish

For soothing rain

All I wish is to dream again

My loving heart

Lost in the dark

For hope I'd give my everything

Oh, how I wish

For soothing rain

Oh, how I wish to dream again

Once and for all

And all for once

Nemo my name forevermore

Nemo sailing home

Nemo letting go

Oh, how I wish

For soothing rain

All I wish is to dream again

My loving heart

Lost in the dark

For hope I'd give my everything

Oh, how I wish

For soothing rain

Oh, how I wish to dream again

Once and for all

And all for once

Nemo, my name forevermore

Name for evermore

Another Lunch Lady Ghost flew at her and Shannon fired a Darkness Soul Blast and she hit Another Lunch Lady Ghost and blasted her down in a massive fiery explosion as the song ended!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When it was done we were amazed and in awe and we cheered wildly!

I caught the Wonder Ride Book and it was called The Meat Chef and the Cafeteria Ghost Kingdom.

Me: Fitting.

Shannon flew up and caught her sister and she came back and put her on a chair.

Qin: That was awesome!

Xenia: YEAH!

Nico was still eating some steaks.

Nico: (Eating) Mmm!

Me: Now now Callie made enough for everyone.

We gave Callie some food and she had an ice bag on her head and she was eating it like no tomorrow.

Me: Boy sure is hungry.

Qin: She sure is.

Maria: I'll say.

Xenia: Yeah.

Shannon Simpson: Callie has always had a huge appetite.

Me: (Eating a burger) Good burger though.

Nico gave some to the mascots.

Poromon: Oh boy!

Manaphy: Thanks.

They were eating.

Me: Boy that was fun.

Nico: Yep. Not done yet. We have to be ready for Another El Oso.

Me: She'll be drawn to the smell of the fish. Bears usually love fish.

El Oso: (Spanish Accent) Si that we do.

Nico got out some fish.

He put them on the grill and cooked them.

The smell was great.

Then we heard a roar and saw a figure come and it was a dark version of El Oso! It was ANOTHER EL OSO!

Qin: Whoa! Another El Oso!

Nico: I knew that would draw you out!

Me: Works every time for bears. They love fish.

El Oso: Si.

Another El Oso: (In a girls voice) That fish really smells good.

Me: (GASP) Loretta Caballeron!

She reverted back and was a girl that had black hair and red clothes and had the kanji for bear in the middle of her forehead and she had the country of Venezuela on her skirt.

Loretta Caballeron: Good to see you again J.D.

Me: Awesome to see you too.

Nico: You know her?

Me: Yep. She is a girl that has the strength of a bear and is just as tough as one and she and I took down a massive drug cartel in Venezuela and Colombia and sent them to the gas chamber.

Qin: Whoa!

Nico: That is cool!

Loretta Caballeron: That was a fun adventure. It's how I got the title El cazador de osos de los condenados.

Me: The Bear Slayer of The Damned.

Nico: Neat!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Me: That will be easy! We just need to (CLAPS) (Singing)

(THE BARE NECESSITIES PLAYS)

Look for the bare necessities, the simple bare necessities

Forget about your worries and your strife

I mean the bare necessities, old mother nature's recipes

That bring the bare necessities of life

Wherever I wander, wherever I roam

I couldn't be fonder of my big home

The bees are buzzin' in the tree

To make some honey just for me

When you look under the rocks and plants

And take a glance at the fancy ants, then maybe try a few

The bare necessities of life will come to you

They'll come to you!

Look for the bare necessities, the simple bare necessities

Forget about your worries and your strife

I mean the bare necessities

That's why a bear can rest at ease

With just the bare necessities of life

Now when you pick a paw-paw or a prickly pear

And you prick a raw paw, well, next time beware

Don't pick the prickly pear by the paw

When you pick a pear try to use the claw

But you don't need to use the claw

When you pick a pear of the big paw-paw

Have I given you a clue?

The bare necessities of life will come to you

They'll come to you!

Oh man, that's really livin'

So just try and relax, yeah, cool it

Fall apart in my backyard

'Cause let me tell you something little britches

If you act like that bee acts, uh uh

You're working too hard

And don't spend your time lookin' around

For something you want that can't be found

When you find out you can live without it

And go along not thinkin' about it

I'll tell you something true

The bare necessities of life will come to you

Look for the bare necessities, the simple bare necessities

Forget about your worries and your strife (yeah man!)

I mean the bare necessities

That's why a bear can rest at ease

With just the bare necessities of life

Yeah, with just the bare necessities of life (yeah man!)

The Jungle formed and it showed Baloo and Mowgli having fun. When it was done we laughed and cheered!

Loretta Caballeron: (LAUGHS) Love that song!

Nico: I never get tired of that.

Me: (LAUGHS) Sorry I couldn't resist. But I'm sorry we have to fight like this.

Loretta Caballeron: No worries. Come at me and don't hold back.

Me: That you can count on.

She turned into ANOTHER EL OSO!

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju armor!

Me: Lets make this fun! (ACTIVATES MASHINKI'S RIDEWATCH)

Turn around

Look at what you see

In her face

The mirror of your dreams

Make believe I'm everywhere

Given in the light

Written on the pages

Is the answer to a never ending story

Ahahah ahahah ahahah…

Reach the stars

Fly a fantasy

Dream a dream

And what you see will be

Rhymes that keep their secrets

Will unfold behind the clouds

And there upon the rainbow

Is the answer to a never ending story

Ahahah ahahah ahahah…

Story

Ahahah ahahah ahahah…

Show no fear

For she may fade away

In your hand

The birth of a new day

Rhymes that keep their secrets

Will unfold behind the clouds

And there upon the rainbow

Is the answer to a never ending story

Ahahah ahahah ahahah…

Never ending story

Ahahah ahahah ahahah…

Never ending story

Ahahah ahahah ahahah…

Sunset Shimmer: (SINGING DIVINELY AS FIRE AND SUNS SWIRLED AROUND HER AND SHE SPREAD WINGS OF PURE FIRE

Fighting and running from, turning from

Who we really are

Cannot suppress so let's find the one

We have shaped so far

Flying too close to the sun

As if we're invincible

Cannot dictate, dominate the earth

That we're living on

We can't defy the laws

Cut the laws that we consummate

Around the world

We grow weaker as we exterminate

The only thing that gives thing

That brings air and life to us

Wake up one day and find

That what we got is serious

We are the children of the sun

We are the children of the sun

The human greed and our creed

Is all that we have to share
Knee deep in tragical
Fabrical issues everywhere
Cannot replace the one
Chase the one that we used to be (used to be)
It isn't how we were, why we're here
What we're meant to be
Fighting and burning from, turning from
Who we really are
Cannot suppress so let's find the one
We have shaped so far
Flying too close to sun
As if we're invincible
Cannot dictate our faith
On this earth that we're living on
We are the children of the sun
The love for everyone
Always on our own
The fire in our eyes
The passion never dies
We're the chosen ones
The children of the sun

We are the children of the sun

The love for everyone

Always on our own

The fire in our eyes

The passion never dies

We're the chosen ones

We are, we are

(QUESTION OF LUST BY DEPECHE MODE PLAYS)

Nico: (SINGING DIVINELY AS FIRE AND BEARS SWIRLED AROUND HIM)

Fragile, like a baby in your arms

Be gentle with me, I'd never willingly do you harm

Apologies are all you seem to get from me

But just like a child, you make me smile when you care for me

And you know

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

Independence is still important for us though

(We realise)

It's easy to make the stupid mistake of letting go

(Do you know what I mean?)

My weaknesses, you know each and every one

(It frightens me)

But I need to drink more than you seem to think before I'm anyone's

And you know

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

Kiss me goodbye when I'm on my own

But you know that I'd rather be home

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

Sunset Shimmer: (SINGING DIVINELY AS FIRE AND ANIMAL CRYSTALS SWIRLED AROUND HER)

Tell everybody I'm on my way

New friends and new places to see

With blue skies ahead, yes I'm on my way

And there's no where else that I'd rather be

Tell everybody I'm on my way

And I'm loving every step I take

With the sun beatin' down, yes I'm on my way

And I can't keep this smile off my face

'Cause there's nothing like seein' each other again

No matter what the distance between

And the stories that we tell will make you smile

Oh it really lifts my heart

So tell 'em all I'm on my way

New friends and new places to see

And to sleep under the stars, who could ask for more

With the moon keeping watch over me

Not the snow not the rain can change my mind

The sun will come out wait and see

And the feeling of the wind in your face can lift your heart

Oh, there's no where I would rather be

'Cause I'm on my way now

Well and truly, I'm on my way now

(I'm on my way now)

(I'm on my way now)

(I'm on my way now)

Tell everybody I'm on my way

And I just can't wait to be there

(I just can't wait to be there)

With blue skies ahead yes I'm on my way

And nothing but good times to share

So, tell everybody I'm on my way

And I just can't wait to be home

(I just can't wait to be home)

With the sun beatin' down yes I'm on my way

And nothing but good times to show

(I JUST DIED IN YOUR ARMS TONIGHT BY THE CUTTING CREW PLAYS)

Nico: (SINGING DIVINELY AS MUSIC NOTES AND ENERGY SWIRLED AROUND HIM)

Oh I, I just died in your arms tonight

It must have been something you said

I just died in your arms tonight

I keep lookin' for somethin' I can't get

Broken hearts lie all around me

And I don't see an easy way to get out of this

Her diary, it sits by the bedside table

The curtains are closed, the cats in the cradle

Who would've thought that a boy like me could come to this

Oh I, I just died in your arms tonight

It must've been something you said

I just died in your arms tonight

Oh I, I just died in your arms tonight

It must've been some kind of kiss

I should've walked away

I should've walked away

Is there any just cause for feelin' like this?

On the surface, I'm a name on a list

I try to be discreet, but then blow it again

I've lost and found, it's my final mistake

She's loving by proxy, no give and all take

'Cause I've been thrilled to fantasy one too many times

Oh I, I just died in your arms tonight

It must've been something you said

I just died in your arms tonight

Oh I, I just died in your arms tonight

It must've been some kind of kiss

I should've walked away

I should've walked away

It was a long hot night

She made it easy, she made it feel right

But now it's over, the moment has gone

I followed my hands not my head, I know I was wrong

Oh I, I just died in your arms tonight

It must've been something you said

I just died in your arms tonight

I, I just died in your arms tonight

It must've been some kind of kiss

I should've walked away

I should've walked away

Sunset Shimmer: (SINGING DIVINELY AS LIGHTNING AND FIRE SWIRLED AROUND HER)

Put your faith in what you most believe in

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

A paradise untouched by man

Within this world blessed with love

A simple life, they live in peace

Softly tread the sand below your feet now

Two worlds, one family

Trust your heart

Let fate decide
To guide these lives we see
Beneath the shelter of the trees
Only love can enter here
A simple life, they live in peace
Raise your head up
Lift high the load
Take strength from those that need you
Build high the walls
Build strong the beams
A new life is waiting
But danger's no stranger here
No words describe a mother's tears
No words can heal a broken heart
A dream is gone, but where there's hope
Somewhere something is calling for you
Two worlds, one family
Trust your heart
Let fate decide
To guide these lives we see
Every moment now the bond grows stronger
Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see.

Put your faith in what you most believe in

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives

To guide these lives we see

Put your faith in what you most believe in

Two worlds, one family

In den Abendhimmel steigen

Heute Nacht die Zauberweisen

Wildes Volk und Liliths Art

Lauernd Winde heimlich fahrt

Lasst uns zu den Feuern streifen

Raunend nach den Sternen greifen

Gutes und auch böses Wort

Tragen wir heut' fort und fort

In den Weiden werden unsere Träume klingen

Und die Winde werden unsre Lieder singen

Lasst uns mit den Funken übers Feuer springen

In der Walpurgisnacht!

Hört die Geigen, hört die Geigen
(Hey yo)
Die Feuer sind entfacht!
(Hey yo)
Folgt dem Reigen, folgt dem Reigen
In der Walpurgisnacht
Ungestüm im Spiel der Geigen
Dreht sich unser nächtlich' Reigen
Und wir treten wild und frei
Diesem alten Zauber bei
Einmal nur im großen Kreise
Tanzen wir auf jene Weise
Bis das erste Morgenlicht
Unser Traumgewebe bricht
In den Weiden werden unsere Träume klingen
Und die Winde werden unsre Lieder singen
Lasst uns mit den Funken übers Feuer springen
In der Walpurgisnacht!
Hört die Geigen, hört die Geigen
(Hey yo)
Die Feuer sind entfacht!

(THE HIGHWAYMAN BY LOREENA MCKENNITT PLAYS)

Sunset Shimmer: (SINGING DIVINELY AS FIRE AND PHOENIXES SWIRLED AROUND HER)

The wind was a torrent of darkness among the gusty trees

The moon was a ghostly galleon tossed upon the cloudy seas

The road was a ribbon of moonlight over the purple moon

A highwayman came riding

Riding, riding

A highwayman came riding, up to the old inn-door

He'd a french cocked hat on his forehead, a bunch of lace at his chin

A coat of glaring velvet, and breeches of brown doe skin

They fitted with never a wrinkle, his boots were up to the thigh

And he rode with a chill and a twinkle

His pistol butts a twinkle

His rapier hilt a twinkle, under the jeweled sky

And over the cobbles he clattered and clashed in the dark of night

And he tapped with his whip on the shutters, but all was locked and barred

He whistled a tune to the window, and who should be waiting there

But the landlord's black-eyed daughter

Bess, the landlord's daughter

Plaiting a long dark red love-knot into her long black hair

One kiss, my bonny sweetheart, I'm after a prize tonight

But I shall be back with the yellow gold before the morning light

Yet if they press me sharply, and harry me through the day

Then look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way

He rose upright in the stirrups, he scarce could reach her hand

She loosened her hair in the casement, her face burnt like a brand

As the black cascade of perfume came tumbling over his breast

And he kissed its waves in the moonlight

Oh, sweet waves in the moonlight!

Then he tugged at his rein in the moonlight, and galloped away to the west

He did not come at the dawning, he did not come at noon

And out of the tawny sunset, before the rise of the moon

When the road was a gypsy's ribbon, looping the purple moon

A red-coat troop came marching

Marching, marching

King George's men came marching, up to the old inn-door

They said no word to the landlord, they drank his ale instead

But they gagged his daughter and bound her to the foot of her narrow bed

Two of them knelt at the casement, with muskets at their side

There was death at every window

Hell at one dark window

For Bess could see, through the casement

The road that he would ride

They had tied her up to attention, with many a sniggering jest

And they bound a musket beside her, with the barrel beneath her breast

Now keep good watch and they kissed her

She heard the dead man say

"Look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way"

She twisted her hands behind her, but all the knots held good

She writhed her hands 'til her fingers were wet with sweat or blood!

They stretched and strained in the darkness and the hours crawled on by like years!

'Til, now, on the stroke of midnight

Cold, on the stroke of midnight

The tip of one finger touched it!

The trigger at least was hers

Tlot-tlot! Had they heard it? The horse-hoofs ringing clear

Tlot-tlot, in the distance, were they deaf that they did not hear?

Down the ribbon of moonlight, over the brow of the hill

The highwayman came riding

Riding, riding

The red-coats looked to their priming

She stood up straight and still

Tlot in the frosty silence, tlot, in the echoing night

Nearer he came and nearer, her face was like a light

Her eyes grew wide for a moment, she drew one last deep breath

Her finger moved in the moonlight

Her musket shot her in the moonlight

Shattered her breast in the moonlight and warned him with her death

He turned, he spurred to the west, he did not know she stood

Bowed, with her head o'er the musket, drenched with her own red blood

Not 'til the dawn he heard it, his face grew grey to hear

How Bess, the landlord's daughter

The landlord's black-eyed daughter

Watched for her love in the moonlight, and died in the darkness there

And back, he spurred like a madman, shrieking a curse to the sky

With a white rope smoking behind him and his rapier brandished high

Blood-red were the spurs inthe golden moon, wine-red was his velvet coat

When they shot him down on the highway

Down like a dog on the highway

And he lay in his blood on the highway, with a bunch of lace at his throat

Still of a winter's night, they say, when the wind is in the trees

When the moon is a ghostly galleon, tossed upon the cloudy seas

When the road is a ribbon of moonlight over the purple moon

The highwayman comes riding

Riding, riding

The highwayman comes riding, up to the old inn-door

She floated and spread wings of fire and fired waves of fire and blasted her all over the place!

I've never seen you look like this without a reason

Another promise fallen through

Another season passes by you

I never took the smile away from anybody's face

And that's a desperate way to look

For someone who is still a child

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive, here we go

I thought that pain and truth were things that really mattered

But you can't stay here with every single hope you had shattered

I'm not expecting to grow flowers in a desert

But I can live and breathe

And see the sun in wintertime

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

So take that look out of here it doesn't fit you

Because it's happened doesn't mean you've been discarded

Pull up your head off the floor, come up screaming

Cry out for everything you ever might have wanted

I thought that pain and truth were things that really mattered

But you can't stay here with every single hope you had shattered, see ya

I'm not expecting to grow flowers in a desert

But I can live and breathe

And see the sun in wintertime

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

Ha, ha

In a big country dreams stay with you

Sanctus Espiritus redeem us from our solemn hour

Sanctus Espiritus insanity is all around us

Sanctus Espiritus! Sanctus Espiritus! Sanctus Espiritus!

In my darkest hours I could not foresee

That the tide could turn so fast to this degree

Can't believe my eyes

How can you be so blind?

Is the heart of stone, no empathy inside?

Time keeps on slipping away and we haven't learned

So in the end now what have we gained?

Sanctus Espiritus, redeem us from our solemn hour

Sanctus Espiritus, insanity is all around us

Sanctus Espiritus, is this what we deserve

Can we break free from chains of never-ending agony?

Are they themselves to blame, the misery, the pain?

Didn't we let go, allowed it, let it grow?

If we can't restrain the beast which dwells inside

It will find it's way somehow, somewhere in time

Will we remember all of the suffering

'Cause if we fail it will be in vain

Sanctus Espiritus, redeem us from our solemn hour

Sanctus Espiritus, insanity is all around us

Sanctus Espiritus, is this what we deserve

Can we break free from chains of never-ending agony

Sanctus Espiritus, redeem us from our solemn hour

(SUMMER BREEZE BY SEALS AND CROFT PLAYS)

Sunset Shimmer: (SINGING DIVINELY AS FIRE AND SUNS SWIRLED AROUND HER)

See the curtains hangin' in the window

In the evening on a Friday night

A little light a-shinin' through the window

Lets me know everything's all right

Summer breeze makes me feel fine

Blowin' through the jasmine in my mind

Summer breeze makes me feel fine

Blowin' though the jasmine in my mind

See the paper layin' on the sidewalk

A little music from the house next door

So I walk on up to the doorstep

Through the screen and across the floor

Summer breeze makes me feel fine

Blowin' through the jasmine in my mind

Summer breeze makes me feel fine

Blowin' through the jasmine in my mind

Sweet days of summer, the jasmine's in bloom

July is dressed up and playing her tune

And I come home from a hard day's work

And you're waitin' there

Not a care in the world

See the smile awaitin' in the kitchen

Through cookin' and the plates for two

Feel the arms that reach out to hold me

In the evening when the day is through

Summer breeze makes me feel fine

Blowing through the jasmine in my mind

Summer breeze makes me feel fine

Blowing through the jasmine in my mind

She floated and fired waves of suns and fire and smashed her down!

Qin: YEAH!

Nico: Love that song!

Kairi Yano: (SINGING DIVINELY AS FIERY EXPLOSIONS BLASTED OFF ALL OVER)

You hear the screeching of an owl

You hear the wind begin to howl

You know there's zombies on the prowl

And

It's terror time again

They got you running through the night

It's terror time again

And you just might die of fright

It's a terrifying time

You hear the beating of your heart

You know the screaming's gonna start

Here comes the really scary part

'Cause

It's terror time again

They got you running through the night

It's terror time again

And you just might die of fright

It's a terrifying time

All the trees begin to moan

And the monsters grunt and groan

Rotting faces full of slime

Don't you know it's terror time?

And…

It's terror time again

They got you running through the night

It's terror time again

And you just might die of fright

It's a terrifying time

Kairi floated and fired waves of energy and blasted her down!

Qin: Oh yeah!

Me: YEAH!

Grizzly and his team came and he had Grizzaka, Boo Boo, Axe Bear, One Eyed Green Dragon, Helmut, Evil Sun, Crescent Grizzly and Sea Bears.

Nico: Nice team, Grizzly!

Grizzly: Thanks Nico.

Qin: Cool! Bear Power!

Iron Man: Oh yeah!

Helmut: (To Rarity) Well if it isn't…

I had my sword unsheathed and pointed at his face.

Me: Call her a dork and I will stab my sword all the way through your brain and not even Vypra will be able to save you from death!

Maria: Where's the next Gene Slammer?

Then we heard loud thumps and then we saw a Conkeldurr!

Me: Hey a Conkeldurr!

Nico: Cool!

Conkeldurr: (In a girls voice) I got this one.

Nico: Naren Lillywhite!? Whoa!

Qin: Wow!

She reverted back and was a girl with brown hair and brown overalls and had a blue shirt and blue boots.

Naren Lillywhite: I got this.

She fired a blast of energy and smashed her down and she was back to normal and I caught the ridewatch and purified it.

I brought Loretta over.

Maria: Let's revert you back.

TerraZoe: You got it.

I fired a wave of light and it hit her and she was back to normal and she was a girl that had brown hair and had brown eyes and had green and yellow clothes on.

Zoe Alister: Wow! That was amazing.

Nico: Yep but you're back to normal and you still have your earth powers.

Zoe Alister: Wow!

Nico: Yep.

Maria and Carol hugged her.

Maria: I've missed you Zoe.

Zoe Alister: Me too Maria and you as well Carol.

Kairi Yano: (To Naren) What's your favorite memory of Nico?

Naren Lillywhite: Where me and Nico built an amazing treehouse in my family's penthouse rooftop mansion on that tall building there.

She pointed to a mansion on top of a huge tall building.

Me: Wow! That is amazing.

Nico: Yep.

Nico and Naren hugged.

Nico: I've really missed you.

Naren Lillywhite: Me too Nico. Me too.

Maria: Horsea, we're gonna let you and the other mascots play in the park later

Horsea: YAY!

Qin: Awesome!

Lincoln: Wow, so my rescue's taking place here in the city, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we're also going to deal with a group of Yakuza gang members who are still out to kill Takara, Tomoko and Toshiko Neobāsuto and their dad for his betrayal.

Takara Neobāsuto: What?! Ugh, those Yakuza just don't even know when to quit!

Lincoln: I got word from Ichiban Kasuga about this, and these

Yakuza aren't from The Tojo Clan nor from The Omi Alliance, these guys are from The Yamaguchi-gumi, one of the largest yakuza families in Japan.

Tomoko Neobāsuto: (Gasps) Oh man, not those guys, they're dangerous with a capital "D"!

Nico: I know them all too well, and you're right, Lincoln, they're one of the largest Yakuza syndicates in Japan and the most dangerous.

Me: So, they decided to send some men to try and kill Takara and her sisters again along with their dad, they sure have one hell of a grudge.

Lincoln: It seems they haven't learned their lesson the first time, well, looks like I'll have no choice but to teach them another lesson, and I want to thank you and your team for joining us, Carol.

Carol: You're welcome, Lincoln.

Just then, Chase Young and Darren Arcangela arrived, and in Chase Young's hand is a journal.

Lincoln: Darren, Chase, what brings you guys here?

Darren Arcangela: We're not only joining you guys on the rescue, but Chase and I did some digging around, and we came across a journal.

Suddenly, Lincoln saw the name: Sebastian Mendez.

Chase Young: Now, before you all react badly, I think we need to look in this journal, maybe there's a clue as to how he became like this.

Chase Young opened the journal, and he opened to the page of the beginning of the nightmare for Sebastian Mendez.

Sebastian Mendez: (Speaking through his journal) May 28th, 2018, it was the anniversary of the day I lost my dad to cancer. I was heading out for a walk in Maryland, but then, I was suddenly attacked by a crazed murderous young man dressed in a red prison jumpsuit, he had murder in his eyes and a knife in hand. Suddenly, I was overcome with horror and anxiety, but then, a dark force took over my body, I wasn't even in full control, but I saw what I did: I brutally attacked the prison convict and that drove him off, and he was captured by the police, and I heard the name, "Dustin Keystone"

We gasped.

Lincoln: So, that part of the story's true. Now, to get down to the big one.

Lincoln turned the page.

Sebastian Mendez: (Speaking through his journal) March 2nd, 2022, it's been four years since that attack by Dustin Keystone, but I've tried to get control of this murderous evil in my heart, it kept on yelling in my ears to kill, but I tried hard to ignore it, yet it was too strong and powerful. I have no idea nor how much longer I can survive or even live with this thing inside me. Suddenly, a wave of rainbow energy hit me, and suddenly, I felt like I was purified. Then, I saw it: it looked like me, but he had red eyes of pure hatred and insanity, he was suddenly driven off, but I don't know how long it will be, but I didn't care, I was freed. But, what should've been my moment of freedom would soon be short lived, for the nightmare was just beginning.

Lincoln: Whoa, now that's just dark.

Me: Big time. Let's see what else the journal says.

Lincoln turned the page.

Sebastian Mendez: (Speaking through his journal) March 15th, 2022, I enjoyed my moment of peace and freedom in four long years, but my moment of freedom would end. I was suddenly approached by a man with scary-looking black hair and demonic-looking brown eyes with reptilian slit pupils, he had a black aura in his hand, and he blasted me with it, and then, he merged the very demonic beast that dwelled inside me for four long years back into me, and I cursed at the man with such venom in my voice, but he stood there laughing malevolently, and he disappeared, and my nightmare was now reborn.

We gasped in shock: SEBASTIAN BECAME ANOTHER OF CHASE YOUNG'S VICTIMS, JUST LIKE WITH PRINCIPAL HUGGINS ALL THOSE YEARS AGO!

Nico: HOLY CRAP! So… , Sebastian… , he became another of Evil Chase's victims just like what had happened to Principal Huggins all those years ago?!

Me: Lincoln, you did free Sebastian from the darkness inside him, but Chase found a way to fuck that over by merging his darkness back into him!

Lincoln: He had a moment of freedom, but that moment of freedom was taken away from him by that deliberate act by Chase Young's dark side.

Chase Young: Indeed. I ruined that young man's future, and I know how much he hates me.

Lincoln: He doesn't, Chase, but now, we all know the truth: what we'd dealt with yesterday was his demonic side that we'll call Evil Sebastian, and that the real Sebastian was a kind and tragic person who had his life ruined by Dustin Keystone and your evil self. Let's see if there's more to him.

Lincoln turned the page.

Sebastian Mendez: (Speaking through his journal) December 31st, 2022, how I despised that evil man for ruining my moment of freedom in four long years, but I was no match for him not in the slightest. I needed the help of Team Loud Phoenix Storm, but I couldn't do anything if that monster comes out again. Suddenly, I was enveloped in a tornado of Divine Darkness, and there, I was met by Nyx, The Greek Goddess and Personification of The Night. She'd done a sacred ritual to permanently sever me from the evil within my body: but there was a catch, his now cleansed soul was moved to a new body where I had to wait a year until I was finally reborn, but as for the evil inside me, he'd took on the form that'll one day meet Team Loud Phoenix Storm in Thailand and he escaped. By the time I would be reborn, the Evil Sebastian will have already done a ton of damage already by orchestrating the death of Darren Arcangela's brother, Logan, through Connor Deveraux and his MS-13 gang in New York and that evil monster would exposed by Lincoln and he'll be sent to The Black Gates forever for his crimes, and they'll be angered by what he did with his betrayal. How I hate him for his lies and deceit. If I re-emerge into the world, I can't show my face to the public, instead I'll take on a hero persona calling myself Nyx, The Dark Swordsman of The Divine Eternal Night: and it's a name that'll strike fear into the hearts of the irredeemable and brings hope to the people, but I pray that someone would see the truth of what really happened to me, and that the one to blame for all of this was the darkness inside me: a darkness born from Dustin Keystone's attempted attack and made worse by Chase Young.

When Lincoln was done reading Sebastian's journal, we were really horrified and shocked: Sebastian Mendez, the real Sebastian, was indeed a tragic soul: one who was struck by an attempted murder attack by Dustin Keystone, which led to the birth of the evil in him four years ago, and then, four years later, he was freed by Lincoln's Dark Side Eternal Purification technique, but that peace would be ended by Chase Young merging the evil he'd been freed from back with him condemning him to an eternity of pain and suffering, and then, he underwent a powerful divine blessing by Nyx, The Greek Goddess and Personification of The Night who did a sacred ritual to to permanently sever him from the evil within him: but there would a catch, his now cleansed soul was moved to a new body where he had to wait a whole year until he was finally reborn, but as for the evil inside him, he took on the form we'd met in Thailand and escaped into the world. By the time Sebastian was reborn a year later, Evil Sebastian had already done a ton of damage already by orchestrating the bloody death of Darren Arcangela's brother, Logan, through Connor Deveraux and his MS-13 gang in New York and his evil side was exposed by Lincoln and he was sent to The Black Gates. Sebastian took on a hero persona calling himself Nyx, The Dark Swordsman of The Divine Eternal Night: and it's a name that strikes fear into the hearts of the irredeemable and brings hope to the people, but Sebastian prayed that someone would see the truth of what really happened to him, and that the one to blame for all of this was the darkness inside him: a darkness born from Dustin Keystone's attempted attack and made worse by Chase Young.

Me: Oh man. This… this really is a total twist of everything. I thought Sebastian was a traitor, but he was a victim.

Lincoln: A victim of Dustin Keystone's attempted attack and it was made worse by Chase Young's evil merging that demon back in him. Plus, what he wrote in his journal: he had a vision of what'll happen a year later, whoa!

Nico: Sebastian's never going to forgive any of us for what Evil Sebastian did, we were so enraged by Evil Sebastian's betrayal and for playing us for fools, he probably hates us.

Suddenly, a hand was placed on Nico's shoulder: it was a gentle touch.

?: I never said I hated you, Nico, I never hated any of you.

We turned around and we saw a 21-year-old man, he was tall at 7'0" in height, he had long black hair going down to his neck, very muscular with abnormally massive and powerful upper and lower body muscles and eight pack abs, peach skin, dark brown eyes, and massive midnight black angel wings, and he was dressed in a long black long-sleeved coat with stars and darkness on the coattails, black shirt, white buttoned dress shirt, gold choker on his neck, large midnight blue brooch, long black pants, and black knee-high boots, and in his right hand is Nyx's Eternal Midnight Greatsword of Eternal Midnight Moon Justice, a massive greatsword with embedded midnight blue gems and the Goddess of The Night, Nyx, etched on the 7'3" massive, wide, double-edged midnight black blade, large midnight black dragon heads for the crossguard, large white angelic faces built into both sides of the hilt and large midnight blue gems embedded in the foreheads, longer midnight black handle, four large midnight black dragon heads and a large angel head with a midnight blue gem in its mouth on the bottom of the four midnight black dragon heads for the pommel: it was Sebastian Mendez, the real Sebastian and not the Evil Sebastian.

Lincoln: You… , you're… Sebastian Mendez, the real one, and not

Evil Sebastian.

Sebastian Mendez: Yes, Lincoln Loud, you're correct.

Me: So, it's true, everything you said in your journal, it was true.

Sebastian Mendez: Yes, it is, J.D., what I wrote in my journal was true. Evil Sebastian told you all the story when you first met him in Thailand, but he left out many details that I put into the journal, and he was trying to make himself out to be a hero when in reality, he's not.

Lincoln: We destroyed Evil Sebastian yesterday, and he was sent to The Black Gates, and you really had a plan to keep your identity a secret.

Sebastian Mendez: I know when it came to hero identities, you guys already know it's useless since you already know about who they are under the mask. But, you had every reason to hide your face from the world: Evil Sebastian pretty much ruined your life.

Eli: The Force should've told me much about this from the beginning.

Sebastian Mendez: It wasn't exactly easy: Evil Sebastian's Infernal Darkness messed with your Force Energy sensing, Eli, so you were easily confusing Evil Sebastian with me.

Lincoln: Still, we owe you an apology for this, I thought that…

Sebastian hugged Lincoln.

Sebastian Mendez: It's okay, Lincoln, you did what had to be done.

Lincoln smiled warmly and hugged Sebastian back and we also joined in, and unknown to Sebastian, we broadcasted his real story to the world, and everyone saw it for themselves including everyone at The World Tree Estate.

Man: Oh man. So… , all this time, the Sebastian we thought was a traitor… , was actually… the evil he kept inside him for four long years.

Woman: Lincoln did free him, but unfortunately, Chase Young's Dark Side decided to fuck things up for them both, and condemned him to the same way he infected Principal Huggins. He had to wait a whole year to be reborn, but then, that monstrous Evil Sebastian decided to… ruin things for him.

Man: Lincoln and everyone wanted to apologize for what Evil Sebastian did, and Sebastian already forgave them, and they hugged in forgiveness.

Everyone: WE ALL FORGIVE YOU, SEBASTIAN MENDEZ! IF TEAM LOUD PHOENIX STORM FORGIVES, THEN WE DO AS WELL!

Everyone cheered for all of us and forgave Sebastian Mendez, despite that he already forgave every last person in Gotham Royal York and the world for what Evil Sebastian did.

Lincoln: Okay, now that we've got that out of the way, let's hunt down the Yakuza members.

Suddenly, we saw Elemental HERO Clayman appear before us, and with it are the eleven girls.

Nico: Whoa, that's Elemental HERO Clayman, awesome!

Jaden: And it's also another one of my Elemental HEROS that I've used in my duels.

Suddenly, we saw Elemental HERO Clayman revert back to normal, and she's a beautiful girl with long red hair, blue eyes, she was tall at 7'0" in height, she has a really strong and powerful muscular physique and ample breasts, tanned skin, she has massive and beautiful brown angel wings, she's dressed in a sleeveless red crop top, red shorts, red knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with earth, plants, leaves, and earth angels on the coattails and on the back is Elemental HERO Clayman, and holstered on her back is a massive Elemental HERO Clayman-themed greatsword with embedded brown gems and Elemental HERO Clayman etched on the 7'0" massive, wide, double-edged red blade, large brown phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel. The Elemental HERO Clayman Gene-Slammer was Leona Carmine, another of Lincoln's Guardian Angels, and she's one seductive and sexy hot mama with a body to boot.

Lincoln: (Gasps) Leona Carmine, I knew it was you.

Leona Carmine: (Hugs Lincoln right between her breasts) I knew it was you, Linky, it's been such a long time.

We snickered, even May and Qin.

Monica Anniston: I did say she can be quite affectionate in the same way Kurumu does with Lincoln and Elly Chromington with Nico.

Sebastian Mendez: I'd save the make-out for later, we still got the Yakuza members we got to deal with.

Suddenly, we saw a bunch of Yakuza members, and man, were they pissed off upon seeing Takara, Tomoko and Toshiko Neobāsuto walking around again.

Sylvester: Okay, now I really can't stand a bunch of sore losers.

Then, Lincoln fired powerful rainbow helix energy blasts at the Yakuza members, and they exploded as they hit them and they were killed and sent to The Black Gates forever. We cheered as we holster our weapons and powered down.

Sebastian Mendez: You Yakuza members can burn in Hell for all we fucking care!

Lincoln: You got that right.

Nico: No matter how many of them they throw at us, we'll kill them one by one.

Me: This'll be the last time we ever have to deal with The Yakuza.

Lincoln: For a short while. (To Leona Carmine) And it's so good to see you again, Leona Carmine.

Leona Carmine: You too, Linky, and sorry about the jump hug, but it's been so long since I last saw you.

Lincoln went up to Leona Carmine and he hugged her, and Leona Carmine is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Leona Carmine: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Leona Carmine, Gene-Slammer of Elemental HERO Clayman, she's my Guardian Angel from Michigan, she's a very powerful and also a very physically strong athlete who was born with superhuman strength, and she's also a skilled wilderness survival expert. Plus, she's also a seductive and one sexy hot mama who's flirted and made out with me more than once, and she loves me with all her heart and she knows to share me among the other members of my harem and fellow Guardian Angels.

Luna: We almost busted out laughing seeing our bro's face being smooshed by her chest as she was hugging him.

Lori: And she was also kissing him all over the place and he had a love struck look on his face.

Earth: Like how we always make out with him.

Monica Anniston: Exactly, Earth. Leona Carmine's also a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages.

Leona Carmine: But, we always saw her coming when we see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet.

Sebastian Mendez: Disgusting.

Me: Yeah, the smell of her sweaty pits tends to make us sick.

Selena Arcangela: But, Leona and the other Elemental HEROS of Earth along with Lincoln had more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents.

Nico: Dang, and is she really that strong, Lincoln?!

Lincoln summons a 900,000,000,000,000,000-lb barbell, and Leona Carmine lifted it with one hand and we saw just how strong she really is, and my jaw and Nico's hit the floor.

Qin: (Whistles) Damn, and I thought many of our friends were that strong, but whoa!

Leona Carmine: And you're going to hear how Linky and I took that animal, Lynn, down when she was on another rampage again. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Leona?

Leona Carmine: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Leona Carmine: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Leona Carmine, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Leona Carmine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Leona Carmine's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Leona Carmine: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Leona Carmine.

Leona Carmine had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eleven girls, and when Lincoln saw who they were, he immediately recognized them. The eleven girls are Yuna Morikubo, Yukino Tsukahara, Ena Makinosawa, Aruha Itsumu, Haruki Satou, Wakaba Tatsumi, Natsuki Satou, Mitsuki Aso, Youko Izuno, Yuuka Houkou, and Aya Izutsu from Berry's.

Lincoln: Oh wow, it's Yuna Morikubo, Yukino Tsukahara, Ena Makinosawa, Aruha Itsumu, Haruki Satou, Wakaba Tatsumi, Natsuki Satou, Mitsuki Aso, Youko Izuno, Yuuka Houkou, and Aya Izutsu from Berry's.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Yuna Morikubo: Yes, we're okay, thanks to you.

Then, when Yuna Morikubo and the other ten girls saw who it was that saved them from The Yakuza members still out to kill Takara and her sisters along with their dad, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, search Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Yuna Morikubo: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made ten clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Yuna Morikubo: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yuna Morikubo, Yukino Tsukahara, Ena Makinosawa, Aruha Itsumu, Haruki Satou, Wakaba Tatsumi, Natsuki Satou, Mitsuki Aso, Youko Izuno, Yuuka Houkou, and Aya Izutsu with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, where we, along with Sebastian, were greeted with hugs from the rest of the team.

Maria: Guys, we heard the whole thing from here. I can't believe it, so was all of that…?

Sebastian Mendez: Yes, it was true, the Sebastian you all destroyed was the physical manifestation of all the evil and Infernal Darkness that I was poisoned with until Nyx gave me her divine blessing and separated me from it using her sacred ritual.

Brittney: And I know that ritual all too well along with the divine blessing's requirements: she can give the chosen person her powers only if he's been poisoned by a great evil, and case in point, Chase Young's evil side did that by merging the evil he'd since been freed from years ago, and I knew of that sacred ritual, and he was the first person to go through with this.

Me: Yeah.

We got rid of The Yakuza members, and we also found out the real story of Sebastian Mendez, and that he wasn't the villain we killed yesterday, but a hero who was dealt a cruel hand by evil, and he underwent the sacred ritual of Nyx after receiving her divine blessing, but had to wait a year to be fully reborn, and we welcomed the real Sebastian into the team, and he proved he was better than his evil self.

* * *

After destroying the Yakuza members and meeting the real Sebastian Mendez, the former member of the team now exposed as the deranged psychopathic monster who despised and hated mankind, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Leona Carmine saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Leona Carmine: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with

Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Leona, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Leona Carmine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Leona Carmine: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Leona, what's the story on how you and Lincoln took down Lynn whenever she goes on her massive rage-fueled rampages?

Leona Carmine: That's something I'll never forget, and I got a video to show the story.

Leona Carmine pulled up the video as it played on the big screen. There we see Leona Carmine and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and Leona was doing the same routine as Lincoln. Suddenly, they heard a loud thunderous belch in the air.

BBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUURRRRRRRRR

Past Selene Emperyous: What the heck was that?!

Then, they caught the stench of sweaty armpits and smelly feet, and there was only one person who could make that loud thunderous belch and have the stench of sweaty armpits and smelly feet.

Past Laney Emperyous: Oh no.

Past Leona Carmine: It's Lynn, she's here, I can smell her sweaty armpits and smelly feet from a mile away. Ugh, she smells like a week old gym bag!

Past Lincoln: Everyone, get ready!

Lincoln and his Guardian Angels stood ready, and then, the doors burst open, and there stood Lynn with red eyes and her mouth was foaming. Then, Lynn roared and she charged at Lincoln and Melanie Aranyani, but Melanie punched Lynn hard in the face and sent her flying out of the gym, and they all followed. Lynn got up and she roared and beat her chest like a gorilla.

Past Lincoln: Come on, Leona, let's get her!

Lincoln and Leona Carmine went after Lynn, and they proceed to beat her into the ground and they showed her no mercy whatsoever. Then, Lincoln knocked Lynn out with a knockout punch, and then, he tied her up in red energy ropes so she couldn't escape, and Leona Carmine ran up to Lincoln and they kissed, as the video ends and we cheered.

Maria: Whoa, Lynn never stood a chance against you two.

Lincoln: Lynn never did, she may be strong, but Leona and I were stronger, and we knew how to wrangle her in.

Leona Carmine: And I was shocked to find out it was Principal Huggins' Dark Side that did this and turned Lori, Lynn, Lola, Lisa, and Luan into outright monsters.

Lincoln: He's recovered greatly, but, we also found out the one person that's responsible for turning Principal Huggins into the very jerk who wanted me dead was Chase Young.

Leona Carmine: WHAT?!

Anna Anyanova: It's true, Leona, Chase Young was the one responsible for turning Principal Huggins into the killjoy jerk we hated and who also gave him that Dark Side Creation Serum that turned Lori, Lynn, Lola, Lisa, and Luan into the outright monsters we pulverized, he was the true source of all of Lincoln's pain and suffering, along with what he did to Sebastian. We separated Chase Young from his dark side, and we made him pay for 1,500 years of evil and we sent him to The Black Gates.

Leona Carmine: Good, he was scum!

Sebastian Mendez: Scum like him deserve to die.

We got a shower, and then, Lincoln, Tamako Shiraizuki, Rin Manabe, Romeda Andou, Stealth Elf, Hex, Roller Brawl, Chill, Sprocket, Star Strike, Smolderdash, Déjà Vu, Bat Spin, Suzy Snacktime, and Torch are heading to Lake Lamode.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tamako Shiraizuki, Rin Manabe, Romeda Andou, Stealth Elf, Hex, Roller Brawl, Chill, Sprocket, Star Strike, Smolderdash, Déjà Vu, Bat Spin, Suzy Snacktime, and Torch were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Tamako Shiraizuki, Rin Manabe, Romeda Andou, Stealth Elf, Hex, Roller Brawl, Chill, Sprocket, Star Strike, Smolderdash, Déjà Vu, Bat Spin, Suzy Snacktime, and Torch fell in with Lincoln, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that

Raya Taylor has sent some thugs to kill them.

Tamako Shiraizuki: Whoa, so this is Lake Lamode, it's awesome.

Lincoln: I've been here to Lake Lamode before, Tamako, and it's really beautiful, and it's perfect for our first date. Shall we?

Lincoln, Tamako Shiraizuki, Rin Manabe, Romeda Andou, Stealth Elf, Hex, Roller Brawl, Chill, Sprocket, Star Strike, Smolderdash, Déjà Vu, Bat Spin, Suzy Snacktime, and Torch dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Tamako Shiraizuki, Rin Manabe, Romeda Andou, Stealth Elf, Hex, Roller Brawl, Chill, Sprocket, Star Strike, Smolderdash, Déjà Vu, Bat Spin, Suzy Snacktime, and Torch got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Raya Taylor's hired thugs coming after them and Lincoln fired blasts of blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Tamako Shiraizuki, Rin Manabe, Romeda Andou, Stealth Elf, Hex, Roller Brawl, Chill, Sprocket, Star Strike, Smolderdash, Déjà Vu, Bat Spin, Suzy Snacktime, and Torch, and they hugged the girls in their abnormally massive and powerful muscular arms, and Tamako Shiraizuki, Rin Manabe, Romeda Andou, Stealth Elf, Hex, Roller Brawl, Chill, Sprocket, Star Strike, Smolderdash, Déjà Vu, Bat Spin, Suzy Snacktime, and Torch placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Lake Lamode, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tamako Shiraizuki, Rin Manabe, Romeda Andou, Stealth Elf, Hex, Roller Brawl, Chill, Sprocket, Star Strike, Smolderdash, Déjà Vu, Bat Spin, Suzy Snacktime, and Torch with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Tamako Shiraizuki, Rin Manabe, Romeda Andou, Stealth Elf, Hex, Roller Brawl, Chill, Sprocket, Star Strike, Smolderdash, Déjà Vu, Bat Spin, Suzy Snacktime, and Torch are now in your harem.

Jenna: Flip has got some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Lincoln: And we also had a run-in with Raya Taylor's hired thugs, but I killed them all, and this is going to piss her off in 3… 2… 1!

Suddenly, we heard Raya Taylor scream with extreme hatred and rage.

Maria: Yeah, up yours, bitch!

Nico: Serves her right, but she'll get hers later on today.

Sebastian Mendez: Do you guys always respond in kind to people like that?

Me: We always do, Sebastian, especially to your Evil self.

Darren Arcangela: And everyone now knows it wasn't your fault, it was your Evil self that did this, not you, so don't go blaming yourself anymore.

Sebastian Mendez: I'll try, but wounds like that are really deep.

Lincoln fired a beam of light, which purified Sebastian's deep psychological wounds for good.

Lincoln: You may not have known that, but we also know how to heal someone's deep psychological wounds, so you really needed that.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Raya Taylor of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Raya Taylor of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Paige: While you and I deal with Raya Taylor and put an end to her for good, Linky.

Lincoln: But, we also got to watch it though, Raya Taylor will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside.

Sebastian Mendez: Why can't you just kill them all and be done with them?

Me: And deny the rest of the girls the fun, no way.

Lincoln: He's right, that wouldn't be fair to rest of the girls.

Nico: You got that right, Lincoln. Alright, gang, let's go hunt down that monster bitch and rip her skin off.

Lincoln: No way are we going to let you get away with this, Raya Taylor, you will pay for everything you've done, and you better be ready to die.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Paige: You will feel the wrath of the flames of Amaterasu, Raya Taylor, and you'll pay for everything you've done five years ago.

Lincoln put up a rainbow energy field around The World Tree Estate and we flew off to the park to hunt down Raya Taylor.

We arrived at the park to hunt down our next target: Raya Taylor of The Legion of The Lincoln-Haters.

?: LINCOLN LOUD, I WILL FUCKING KILL YOU FOR GETTING US EXPELLED FIVE YEARS AGO, YOU WHITE-HAIRED FREAK!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Raya Taylor.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Raya Taylor of The Legion of The Lincoln-Haters, but we also saw Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, the bitch has also got Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Raya Taylor: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And none of us will forget what you did to our Dads, The Blood Dragons!

But, before Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river, bitch!

Maria: You tell her, Lincoln!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Paige: But, that's going to end here and now.

Suddenly, Paige's orange eyes turned neon orange, and she was surrounded by an orange energy aura with stars, lava, flames, dragons, and phoenixes, and the heat that was coming from her was unimaginably hot, she unholstered her massive Amaterasu's Phoenix Dragon Greatsword of Honouian Fire Justice from her back, and as she approached Raya Taylor, she left orange energy, lava, stars, flames, dragons, and phoenixes with every step.

Paige: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Raya Taylor, and the same went with the rest of the monsters inside the energy field.

You think that now that you and the rest of the Legion of The Lincoln-Haters have broken free you can waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Paige was surrounded by a massive vortex of orange energy, lava, and stars surrounding the vortex, there are dragons and phoenixes flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Raya Taylor: the red eyes of death. Then, as the vortex faded, Paige emerged, but she was changed forever.

Paige grew from 6'0" to 7'5" in height, she had the body of a goddess, she has orange highlights in the bangs of her long orange hair, she has neon orange eyes and an orange energy aura with lava, flames, stars, dragons, and phoenixes surrounding her, she has a phoenix and dragon with the Fire Kanji emblazoned on her forehead with Third Eye with orange iris, she has on phoenix earrings with purple gems for eyes and the Fire and Eternity Kanjis in its claws, she also has a phoenix with orange gems for eyes and holding the Fire and Eternity Kanjis in the claws on the bottom of her orange phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Paige has on sleeveless light yellow midriff top with orange phoenix on it turned neon light yellow, blue rolled-up jeans with flames on the legs, yellow sandals, her orange weighted bands with silver phoenixes on her biceps and thighs were now covered with gold metal bands with orange gems, and long sleeveless white trenchcoat with lava, flames, stars, dragons, and phoenixes on the coattails, and on the back is a dragon and phoenix surrounded by flames. Suddenly, Paige felt a sharp pain on her back, and then, massive orange angel wings with yellow tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long orange wolf tails with yellow tips and yellow markings, Paige has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone

of Gelel embedded in her left hand.

Suddenly, Paige's massive Amaterasu's Phoenix Dragon Greatsword of Honouian Fire Justice and the greatswords that she'd gotten in the treasure battles began to merge and were surrounded by a kaleidoscope of orange energy with lava, flames, stars, dragons, and phoenixes, and when it emerged, it was transformed into Paige's Amaterasu Firestorm Phoenix Dragon Greatsword of Fire Honouian Phoenix Dragon Justice, it's a brand-new massive greatsword with embedded orange gems and the Japanese Goddess, Amaterasu, etched on the 7'2" massive, wide, double-edged orange blade, large orange dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with orang gems embedded in the foreheads, longer midnight black handle, four large orange phoenix heads with purple gems in its mouths and a large orange dragon head with a yellow gem in its mouth below the large phoenix heads for the pommel. Paige has on her new Bracers of The Champions of The Universe with orange gems on her wrists and Dragon Ball Bracelet on the left bracer, her new Belt of Elemental Bravery with a gold phoenix head with orange gems for eyes and a large pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji below the phoenix and dragon that said, "Paige, Loving Little Sister of Becky, Skilled Arcade Games Player, Loving Future Wife of Lincoln Loud, Destroyer of Lord Shen and his Evil Delusional Ambitions, Last of The Honouian Race, Friend of Many, Destroyer of Raya Taylor of The Legion of The Lincoln-Haters, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary and Champion of Amaterasu, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Lava, Flames, Dragons, and Phoenixes"

Paige has transformed into SUPER ANGEL-PHOENIX-DRAGON-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA INFERNO COSMIC FIRESTORM DRAGON PHOENIX FIRESTORM HONOUIAN ANGEL OF DIVINE INFERNO COSMIC FIRESTORM DRAGON PHOENIX HONOUIAN JUSTICE AND DIVINE INFERNO COSMIC FIRESTORM DRAGON PHOENIX HONOUIAN LOVE!

We were amazed by Paige's Super Angel-Phoenix-Dragon-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Raya Taylor saw it, she went fucking crazy and got out a machine gun to fire at Paige, but Paige fired a barrage of orange energy blasts with flames, lava, stars, dragons, and phoenixes at Raya Taylor and it sent her flying into a tree back first, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Girl Jordan: Incredible.

Me: Oh man, Paige has transformed into her Super Angel-Phoenix-Dragon-Harmony Universal Eternal Celestial Xelnaga form, that's so awesome! Now, things are really going to get fiery!

Lincoln: Raya Taylor has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Paige: (Divine Godly Cosmic Voice of The Inferno Honouian Phoenix Dragon Angel and Divine Inferno Firestorm Honouian Phoenix Dragon Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Paige.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Raya Taylor. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Paige and Lincoln went after Selena MacKenzie who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, orange energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Raya Taylor and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws, and he was really, really, really pissing off her off now and driving her even more ballistic.

Just then, Raya Taylor got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Paige, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Raya Taylor's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Raya Taylor by the neck and he tossed her into the air, and then, Paige and Lincoln fired a powerful barrage of energy balls with fire, elemental forces, and mythological animals, and as they hit Raya Taylor, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Raya Taylor's spirit appeared, and she was still incensed with anger and fury.

Raya Taylor: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Raya Taylor.

Lincoln summoned the spirits of Raya Taylor's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Raya Taylor: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Paige and Lincoln holstered their massive greatswords on their backs and powered down, and Paige's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange tails, and massive orange wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Raya Taylor. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and

Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Paige: We've taken one down so far, and now, we got twenty-seven more to go. Thanks for helping me destroy Raya Taylor, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Paige.

Suddenly, Paige wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Paige's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Dragon flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and flames raging behind them and we cheered wildly. Then, Lincoln and Paige absorbed the flames and they came back to us as the display vanished.

Nico: Whoa, now that's what I call fiery. Lincoln, Paige, you two did really awesome in teaching that monster bitch, Raya Taylor, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, for Nerissa's special mission, the next member of The Legion of The Lincoln-Haters that's going to show her face is Olivia Paisley, which means you and I are up next, Taylor.

Taylor: Yes, we'll be ready for her, and if she so much as brings up my painful past, that bitch is so going to get a mouthful of pain.

Lincoln: And a butt-full of boot, but we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Elemental HERO of Earth are you meeting tomorrow, Lincoln?

Lincoln: The next one is for Elemental HERO Poison Rose.

Melanie Aranyani: Perfect, and there's only one person who'd be Gene-Slammed into Elemental HERO Poison Rose: Magnolia Monroe, she's one of the Elemental HEROS of Earth, and she's also a powerful and physically strong girl and awesome athlete and good sportswoman in the field of sports. Plus, she's also a very seductive and sexy hot mama with the same body as me.

Lincoln: And like you and the other Elemental HEROS of Earth, Melanie, she's also had to deal with Lynn, and she's more than once dealt with her sore loser attitude and always going on her rage-fueled rampages, along with acting like an animal and even letting out those loud belches, and trying to kill me more than once.

Nico: Jeez, how many times has Lynn pissed you girls off with her rampages?

Lincoln: Don't even ask that, Nico, Lynn has done that one too many times in the past, only for her to get beaten down like a ragdoll by their superhuman strength, but she always got back up, but when I join them in the fight, Lynn always gets knocked out.

Me: I've seen how much stronger Lincoln has gotten during those days, and I've seen what he can do especially with those massive muscles that he's been constantly developing, and it always ended with Lynn getting knocked out on her butt, tied up like an animal, and dragged away to face her doom at the hands of her angry siblings and parents.

Nico: Dang, and with how Lincoln kept on getting bigger, stronger, and smarter, Lynn kept on badly underestimating him.

Luna: She had an overinflated ego because of that animal inside her, dude, and she thought she could get away with it, but she was wrong.

Lori: It always came back to bite her on her smelly butt, she was beaten by her own little brother who was constantly getting bigger, stronger, faster, and smarter over the years thanks to help from his Guardian Angels, Luna, Leni, Laney, Lucy, Lana, Lily, Mom, and Dad, while Lynn, Luan, Lola, Lisa, and I were seething with rage and plotted to kill him, no doubt thanks to our Dark Sides.

Luan: We should've been proud of him, but no, those monsters wanted him dead. But, we'd since been freed and we repaired those bonds with Lincoln, and not only did Killjoy Huggins pay the price.

Eli: But, also Chase Young's evil, who was in fact the true source of his pain and suffering.

Anna Anyanova: You got that right.

---

Later we were watching TV. Vinyl was sitting on the couch with us.

Me: So far nothing out of the ordinary.

Nico: Vinyl, how do you feel?

Vinyl Scratch: Heavy but doing good.

Lucky: I'm gonna head out on patrol. Anyone want to come with?

Me: You know we can't say no to that.

Nico: Vinyl, you stay here.

Vinyl Scratch: You got it.

Me: Pickle and Barley Barrel you let us know if she goes into labor. Got it?

Barrel Barrel: Aye aye sir!

Pickle Barrel: You got it!

Me: That's the spirit.

We went down to the planet.

---

We got to the surface and walked around.

May: Wait. There's some guy approaching us

We saw a guy with a yellow headband and he had black and yellow clothes.

Me: (In my head) Hey that's Otaku Akahoshi, the astronomer. I remember him.

Otaku Akahoshi: Excuse me. Are you Thorn of the Hex Girls?

Thorn: Why yes I am.

Otaku Akahoshi: Oh it's an honor. Also I'm looking for a new star.

Me: A new star? What kind of star?

Otaku Akahoshi: A green star with a ring system.

Nicole: Wow! That is a really interesting kind of star.

Qin: Yeah never saw one like that before.

Me: Lisa is that even possible?

Lisa Loud: A star with rings is not completely unheard of. But a green star is very unlikely because of the spectrum classes.

Me: Hmm. Lets see.

I put yellow and blue fire in my hands and mixed it and crushed it together and formed a mini green sun!

Me: There!

Nico: WOW! You can make stars!?

Me: Never tried it before. First time doing it.

Xenia: That is cool!

Otaku Akahoshi: That is amazing!

Me: It sure is.

Thorn: Boy I'll say!

Otaku Akahoshi: (to Thorn) But stars like you are a secondary objective for me.

Lucky: Sorry. But she doesn't belong to anyone.

Me: I agree.

Otaku Akahoshi: (sighs) I was afraid you'd say that.

Me: Uh oh.

With that, he was surrounded by an energy circle with the Kyuranger logo and turned into Uchuki from episode 12 of Donbrothers!

* * *

At a messy apartment somewhere in the city, a hikikomori idol otaku is adoring an idol named "Ms. Cola" Shizuka singing on TV for a cola commercial. He declares that she will belong to him and no one else will ever take her, glowing in an aura of Uchuki.

Then, he turns into Uchuki and started to absorb famous idols into his body including Kirara. The four become the Donbrothers as Uchuki spawns Anoni, the group battle them as Tsubasa teleports in, with Haruka greeting "Bark-chan", Tsubasa mockingly barks at her and angrily reminds her for the last time he isn't a dog.

With the team all together and the number of Anoni growing, the Donbrothers assume their Robotaro forms. They make quick work of destroying the Anoni and then quickly execute the Unprecedented Peach: Robotaro Party attack to weaken Uchuki. However, a larger wave of Anoni appear and Taro decides that it is time to "combine". The others are confused with what he means as he inserts a new Gear into the DonBlaster. They are even more confused as they are changing into components of armor for Don Robotaro and a little freaked out by the ways their bodies are altered upon connecting to Don Robotaro to form Don Onitaijin. The quartet squabble and ask questions, like Haruka asking why she is a leg now. They don't have time though, as the Anoni charge towards Don Onitaijin, who gets up and obliterates them with a slash from its two swords.

Uchuki evolves into Uchuking, with Don Momotaro using the Don Onitaijin Robotaro Gear again to make the warrior robot grow. During the battle, each team member discovers something that can aid Taro in the fight. Haruka discovers she can rapidly kick the enemy, Tsuyoshi can give Don Onitaijin flight and two katana swords, Shinichi can enhance Don Onitaijin's punches and Tsubasa boosts the robot's overall speed. After a fight on an elevating arena, where Tsubasa confesses he is terrified of heights, the team finishes Uchuking with their ultimate attack: the Donbros Paradise.

The otaku lies on the ground, dazed after his defeat as all the idols are restored and celebrated being freed from wherever they were imprisoned.

Lucky: And no one mocks my catchphrase!

Me: You got that right! Mocking Lucky is as bad as someone insulting Soji's grandmother! (To Soji) No offense.

Soji: None taken.

Maria fired water at him and drenched him.

Nico: Take that!

Me: And this too! The Scales are not tipping in your favor! LIBRA STYLE NINJA ART: JUDGEMENT OF THE SCALES OF JUSTICE!

The stars of the constellation of Libra the Scale in the Northern Hemisphere appeared behind me and I fired waves of sunlight and moonlight and blasted him down!

Nico: OH YEAH!

Iron Boy shot his repulsers at him and blasted him all over the place.

Nico: OH YEAH!

Lincoln: Top this one! SERPENS STYLE NINJA ART: STRIKE OF THE COBRA!

The stars of the Constellation of Serpens the Serpent in the Northern Hemisphere appeared behind him and he fired an energy blast and it formed into a cobra and fired waves of energy and blasted him all over!

Me: YEAH!

Naga: (Monotonously) That was well done.

Me: It sure was.

May froze his feet.

May: Looks like you got cold feet!

Me: YEAH!

Nicole: And you are really going to face the wrath of the dragon! DRACO STYLE NINJA ART: FIRESTORM OF THE DRAGONHEART!

The stars of the Constellation of Draco the Dragon in the Northern Hemisphere appeared behind her and she fired a blast of fire and energy from a heart in her hand and it hit Uchuki and blasted him down!

Qin: Dragonheart power! Wow!

Nico: That's what I'm talking about!

Me: You got that right!

Then an Audino appeared!

Me: Hey an Audino.

Nico: Cool!

Audino: (In a girls voice) Time for this girl to unleash the fury of sound!

Nico: Draco Audrey!

Audino: Awesome to see you again Nico.

Nico: Her real name is Diana Audrey. But she likes being called Draco.

Me: That's awesome.

Audino fired waves of energy and blasted Uchuki all over.

Lucky: We'll revert you back when this is done.

Audino: You got it!

Qin: Awesome.

Edzilla: ED SMASH KYURANGER RIPOFF!

He smashed him into dust!

Qin: OH YEAH!

Nico: Now it's time to finish him!

Lucky and Leona Leo: LION OF THE NORTHERN HEMISPHERE!

Garou and Melanie Lupus: WOLF OF THE SOUTHERN HEMISPHERE!

Stinger and Sonia Scorpio: SCORPION OF THE NORTHERN HEMISPHERE!

Naga and Esmeralda Serpens: SNAKE OF THE NORTHERN HEMISPHERE!

Hammie and Camille Chameleous: CHAMELEON OF THE SOUTHERN HEMISPHERE!

Champ and Camie Keihanaikukauakahihuliheekahaunaele: BULL OF THE NORTHERN HEMISPHERE!

Balance and Lisa Libra: SCALES OF THE NORTHERN HEMISPHERE!

Raptor 284 and Anya Aquilla: EAGLE OF THE NORTHERN HEMISPHERE!

Spada and Catherine Laurence: DOLPHIN FISH OF THE SOUTHERN HEMISPHERE!

Shou Ronpo and Nefertiti Malfoy: DRAGON OF THE NORTHERN HEMISPHERE!

Kotaro and Natilee Ursus: BEAR OF THE NORTHERN HEMISPHERE!

Tsurugi and Serena Honoua: PHOENIX OF THE SOUTHERN HEMISPHERE!

They fired waves of energy and elements and the blasts all hit Uchuki and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

I caught the Kyuranger Avataro Gear!

Me: Uchuki you have failed this city!

Lyra: All's Well That End's Well!

Otaku Akahoshi was back to normal!

Kyurangers: WE WILL RECLAIM THE GALAXY!

He then vanished.

Me: He's gonna have one nasty headache from that.

Audino reverted back and she was a girl with pink hair and green eyes and had yellow clothes.

Draco Audrey: That was so awesome and epic!

Me: It sure was!

Nico: Yeah! First time we used our combos on a Hitotsuki.

Me: But it was all for a good theme I set up for this one.

Nico: Really?

Me: Yep. I wanted to make this exciting by using the Kyurangers with the girls that were turned into Another Zodiarts.

Nico: Very genius.

Maria: What's your favorite memory of Nico?

Draco Audrey: My favorite is when me and Nico went into a cave and found a hideout full of treasure and my ultrasonic hearing picked up a huge amount of talking and we saw a huge theft operation. We got them busted.

Nico: I remember that.

Me: What was the treasure?

Draco Audrey: The treasure of Wheezing Ed..

Arnold and his friends gasped!

Arnold: That is amazing.

Gerald: Yeah it sure is!

Me: I've heard legends about him. That is amazing.

Nico: Yep.

Nico and Draco hugged.

Nico: I've missed you.

Draco Audrey: Me too Nico. Me too.

But then I got a call on my phone.

Me: Hello?

Pickle Barrel: J.D. IT'S TIME! VINYL HAS GONE INTO LABOR!

Me: (GASP) We're on our way! GUYS! CODE MAMABIRD!

We gasped and went back to the estate!

We arrived.

Nico: Sorry we're late!

Vinyl Scratch: You made it in time! (In pain) It hurt!

Me: Lets get you to the hospital!

Lincoln: I'll be here Vinyl!

Varie: Start your breathing.

Ratchet got ready and we had her loaded into him and went to the hospital!

Jun: Sis, you're going to be okay!

Vinyl Scratch: I know! I know!

We arrived at the hospital and got her into the Delivery Room.

Jun and Lincoln went in with Vinyl.

We waited for her.

Nico: I hope she'll be okay.

Me: She will be.

We played go fish.

Me: Got any queens?

Nico: Nope. Go fish.

Me: Tartarsauce.

I drew a card.

Vinyl Scratch: LINCOLN THIS IS ALL YOUR FAULT! IF YOU GET ME PREGNANT AGAIN I WILL TEAR OFF YOUR MANHOOD AND MAKE YOU PEE INSIDE YOUR STOMACH AND THEN I WILL RIP OUT YOUR HEART AND EAT IT!

We gulped in fright!

Maria: That's harsh!

Nico: (GULPS) I think I peed my pants a little.

Me: Ew.

Leeli: She wouldn't dare do that would she?

Me: No that is just the labor pains talking.

Qin: Yeah.

Me: She's not really saying all that on purpose.

Nico: Good.

Vinyl screamed bloody murder!

WE TURNED WHITE AS SHEETS HEARING HER!

Qin: HOLY SHIT!

Nico: OH MAN!

Me: (GULP) I hope she didn't go through with her threat!

She continued screaming.

Me: OH MAN!

Qin: (GULPS)

But then it stopped.

Me: Oh it's done.

Nico: Whew!

Later Vinyl Scratch, Lincoln and Jun came out and they had 5 adorable baby girls in their arms. They each had Lincoln's eyes and Vinyl's neon blue hair.

Me: Oh Vinyl they are so adorable.

Qin: They sure are.

Vinyl Scratch: (Weak and tired) They sure are.

Nico: What will you name them?

Lincoln: These two with me are Rave Laser and Glow Storm.

Vinyl Scratch: These 2 are Blue Rave and Emerald Rock.

Jun: And this one is Ruby Rave.

Lola: Those names are adorable.

Xenia: They sure are.

We later brought Vinyl back home and she was put in a rocking chair and was resting.

Me: If you need anything, let us know.

Vinyl Scratch: Will do.

Maria: Nico, which Gene Slammers do you think you'll meet next?

Nico: Seismitoad, Sawk & Throh and Leavanny next. The Sawk & Throh will be together.

Qin: Cool!

Xenia: That will be awesome.

Nico: Yep.

Later the mascots were getting ready to head to the park.

Poromon: I can't wait to go to the park!

Manaphy: Me too!

Qin: You guys are going to have fun.

Lola: Yep.

We went to the park with them.

Poliwag: Here we are!

Manaphy: Yeah!

Nico: You guys have fun. We'll be sitting down.

Me: Yep.

Poromon: Thanks.

Poliwag: This will be good.

Horsea: What should we do first?

Manaphy: Lets play in the lake.

They went and did so and it was awesome.

Me: Aww that is awesome.

Qin: Yep.

But then a bunch of water blasts hit the mascots!

Manaphy: HEY! Maria don't hit us with that!

Maria: That wasn't me!

Poromon: It was them!

It was a bunch of Squirtle!

Me: Hey a gang of Squirtle.

Lola: Wow!

They were 5 Squirtle and they each had a pair of tough sunglasses on.

Ash: Wow! This reminds me of the time when we found the Squirtle Squad and I got my Squirtle.

Nico: Really?

Ash: Yeah that was awesome.

Poliwag: Can we help you guys?

Lead Squirtle: Squirtle Squirtle. Squirtle Squirtle Squirtle Squirtle.

Meowth: Oh man! He is saying that this is their park now. So scram or we'll pulverize you all.

Poliwag: Oh yeah!?

Manaphy: This park is for everyone!

Nico: Who do those Squirtle think they are?

Poromon: We'll fight you guys for this park!

Horsea: Bring it on chumps!

Poliwag: YEAH!

Lead Squirtle: SQUIRTLE!

They fired waves of water and they dodged it!

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a powerful blast of lightning and it hit the 5 Squirtles and electrocuted them!

Poliwag: We need to make a fort!

Manaphy: On it!

She went and made one.

Horsea: Perfect.

Me: Uh oh.

Lola: This is gonna get ugly.

Horsea and Poliwag fired Hyper Beam Blasts at the Squirtles and blasted them far.

Manaphy: Arm the cannons!

Me: Cannons?

They got cannons ready.

The Squirtles went at them and ducked into their shells!

Brock: They're using Skull Bash!

Poromon: FIRE!

They fired cannons and blasted them into a tree!

Poromon: How's the ammo holding up?

Horsea: Plenty of ammo.

The Squirtle were still going at them.

Me: Those Squirtle are persistent aren't they?

Nico: No kidding.

Me: Should we step in and stop this?

Maria: I want to see how this plays out.

Me: Okay.

The Squirtle went at them and the mascots fired rocks and bashed them and knocked out the Squirtles.

Me: They are out cold.

Xenia: Nice!

Poromon: Poliwag, go up to them and see if they're REALLY knocked out.

Poliwag went over and saw that they were down with swirls in their eyes and were really out cold.

Poliwag: They are really out cold.

Poliwag came back.

Poromon: We won guys!

Nico: You sure did.

May: Do I even want to know where you got the cannons?

Poromon: Nope.

Lola: That was awesome though. What do we do with these Squirtle?

Lynn: You guys are gonna have to pay for the damages

Me: No need Lynn. (SNAPS FINGERS)

I fixed the whole park instantly.

Poromon: Awesome.

Qin: Cool.

Lola: Still doesn't explain what we do with these Squirtle.

Nico: I wonder if there's a park for Pokémon in another world.

Me: That would be awesome.

Eli: Yeah it sure would be.

Qin: Yep.

Nico: I don't know where you got those cannons. But you can keep them. They're gonna be useful tomorrow

Poromon: Yay!

Qin: We'll need them too.

Lola: Yep.

Nico: Awesome. Now lets head home. We got a huge day tomorrow.

Eli: We sure do.

Me: Tomorrow is Nerissa's ultimate test of redemption.

Nico: You got that right.

Nerissa: I have nothing for Brainiac 5 to take control of. My powers are pure magic.

Me: Our powers make us all impervious to Brainiac's control.

Qin: That's right.

Me: Brainiac will rue the day he messed with us.

We went back home and got ready and then went to sleep.

---

Meanwhile in the 31st Century at the HQ of the Legion of Superheroes was Legion Superman and team and they were getting ready for our arrival.

Legion Superman: Brainy's ancestor will pay for his crimes.

Triplicate Girl: That is for sure.

Lightning Lad: I agree there!

Saturn Girl: No one takes our friends and lives.

Legion Superman: Team Loud Phoenix Storm will help make sure he pays. Lets get ready! LEGION ROLL OUT!

They went at the screen and it froze…

the next match-up in The War Against The Legion of The Lincoln-Haters is Nerissa, Taylor, and Lincoln VS. Olivia Paisley

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Grand Junction, Colorado, and we're going to take down an dangerous criminal who's hated me his whole life. His name is Lucas Greyson, he's a dangerous and violent monster from High School who terrorized all of the students and teachers and he's like Lynn whenever Packing Day is declared, and before I moved to Michigan, I had exposed his crimes to everyone in school and I got him expelled and sent to prison for good, but he roared at me like an animal and I knew it meant he would have revenge on me. Now, years later, we got word Lucas has broken out and that wild animal wants revenge on me, and like what I did to Lynn when I went man-to-man with her on Packing Day, Lincoln's going man-to-animal with that wild animal, and we're taking him down and throwing him back in prison, this time, in a steel metal box, where he won't be getting out of ever again. And we're going to meet the next Elemental

HERO of Earth, this time, it's Magnolia Monroe, Gene-Slammer of Elemental HERO Poison Rose, she's Lincoln's Guardian Angel from Michigan, she's a very powerful and also a very physically strong athlete who was born with superhuman strength, and she's also a skilled wilderness survival expert. Plus, she's also a seductive and one sexy hot mama who's flirted and made out with Lincoln more than once, and she loves him with all her heart which is also shared among the other members of his harem and Guardian Angels. She's also a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages, but they always saw her coming when they see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet. But, Melanie and the other Elemental HEROS of Earth along with Lincoln have more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents.

Get ready for a fun adventure in the 31st Century and we're going to help the Legion of Superheroes destroy Brainiac and we're going to make that monster pay for all his crimes especially to Brainiac 5!

See you next time.

Qin: STEERIKE!

Nico: Nice one Qin!

Lola: That was awesome!

Venus: Yeah it was!

Iron Man: Nothing like a fun game of bowling.

Me: You got that right Tony.

I took a ball and rolled it and then…

BOWLING CRASH!

Me: STEERIKE!

Camie: Nice one!

Lola: Yeah!

Nico: Iron Man, I want to thank you, Grizzly, and your teams for coming.

Iron Man: No problem Nico. This is always so fun.

Korra: It sure is!

Nico: Korra, you make Aang and all the other Avatars proud.

Korra: I sure do. And I had a massive responsibility.

Qin: You sure do.

Xenia: That is for sure.

Lola: Yeah!

Lola rolled the ball and then…

BOWLING CRASH!

Lola: YEAH!

Camie: Nice one Lola!

Korra: That was awesome!

Nico: And you're the first Avatar who's a girl

Korra: Second actually. The first was Avatar Kyoshi.

Me: That's right.

Nico: Oh right. Sorry.

Qin: That was so awesome that you defended the world from many dangerous foes and not just Fire Lord Ozai like Aang did.

Korra: That is true.

Korra rolled the ball and then…

BOWLING CRASH!

Korra: STEEEERIKE!

Grizzaka: OH YEAH!

Xenia: That was great!

Vinyl Scratch: Yeah it was! You guys made my baby shower the best ever.

Nico: The rest of yesterday was still awesome

Me: It sure was. Especially with the mascots taking on that gang of Squirtle.

May: Yeah that was amazing seeing that. Brought back memories for Ash with his Squirtle.

Xenia: It sure did. Those Squirtle were mischief makers back then.

Lola: Yeah no kidding.

Camie: Yeah they sure were.

Camie rolled a ball and then…

BOWLING CRASH!

Camie: STEEERIKE!

Qin: YEAH!

Xenia: Nice one Camie!

Nico: And the mascots leveled a whole park!

Me: They sure did! But thankfully we cleaned it all up thanks to a snap of my fingers.

Qin: We sure did.

Lizzie Strong: That was so awesome to see that.

Lily: It sure was. It reminded me of the time SpongeBob and Patrick were at war with each other and they were using sandcastles.

Nico: That was crazy!

Lizzie Strong: That was still awesome to see though.

She took a ball and rolled it and then…

BOWLING CRASH!

Lizzie Strong: STEERIKE!

Qin: YEAH!

Tsuyu: Nice one Lizzie!

Nico: That was great!

Nico: Eli, can you sense where the mascots even got the cannons?!

Me: Nico calm down dude. Calm down.

Eli: I'll do so.

He concentrated.

Eli then found something.

Eli: THERE!

He pointed to a figure in the shadows hiding behind a wall.

Me: I got him!

I ran fast and jumped him and tied him up!

I brought him over.

Me: Here is our Cannon Dealer for the mascots!

I took off his mask and we gasped and saw that it was ROMAN SIONIS A.K.A. BLACK MASK!

---

Roman Sionis, also known as Black Mask, is the secondary antagonist of the TV series Batwoman, serving as one of the two main antagonists (alongside Safiyah Sohail) of Season 2.

He is the pragmatic and charismatic CEO of Janus Cosmetics, and the sadistic leader of the False Face Society, who is notable for wearing a black mask, who puts a dangerous drug known as Snakebite on the streets of Gotham City. By day, Roman plays the "white knight" against Gotham's corrupt systems. As Black Mask, he is an evil mastermind with a deep hatred of Crows Security and masked vigilantes, like Batwoman, and he is willing to tear down Gotham to enact his revenge for the death of his daughter.

He was portrayed by Peter Outerbridge.

In the past, Roman became the CEO of Janus Cosmetics and had a daughter, named Circe Sionis who was captured by Crows Security for assaulting someone, sent to Arkham Asylum, and was killed during Alice's breakout. At some point, Roman founded and lead the False Face Society gang in Gotham City in a misguided attempt to hurt Gotham's legal system as revenge for his daughter's death.

At some point, Roman's gang succeeds in kidnapping Kate Kane, unaware that she is Batwoman, he tells her that her family declared her dead, but they would make them believe in life after death.

The gang drew the attention of Crows Security by selling the drug Snakebite in Gotham City; which led the crows to discover that Black mask leads the gang.

Black Mask later ordered the False Face Society to kill Commissioner Jack Forbes in order to keep distributing Snakebite and because the police department has worked with masked vigilantes, which Black Mask despises. The next morning, Black Mask as Roman Sionis gave an interview to Dana Dewitt regarding the situation saying how he wants to falsely help this city.

Later on, after hearing that Jordan Moore witnessed the assassination of Forbes, Black Mask ordered the gang to kill Jordan, but she was saved by Batwoman. He later ordered Angelique Martin to be captured, after learning that she wanted to leave the gang. In his hideout, he tortured and killed a member of the False Face Society and told Angelique that if she tried to leave the gang, she and her girlfriend, Ryan Wilder, would die too.

After Batwoman showed up to save Angelique, she was knocked out and tied up. On the other side, Black Mask told a member in a Guy Fawkes mask that he failed the kill the witness and that he was out, before killing him using a buzzsaw. Batwoman was horrified by what he did, and he said it was just an "H.R. matter" and sarcastically asked if she was a "OSHA" and she replied that she was after Angelique. Black Mask then says he understands what she thinks about him, but he was only trying to get rid of the Crows and masked vigilantes, after they arrested and killed his daughter. He said he didn't need her help and told his henchman to start the buzzsaw, but then Sophie Moore came in and he ran away while firing his gun at the agent.

Black Mask and Enigma then appear in Kate's cell. Enigma expressed sympathy for Kate's condition as Black Mask disregarded her. Before Black Mask left, he asked Enigma to alter Kate's memory and appearance, and make her forget who she was.

---

We gasped!

Nico: Ramon Sionis A.K.A. Black Mask!

Eli: Oh man!

Qin: I thought Jason Todd killed you!

Nico: You're a crime Lord without an empire. We destroyed your operation back in 2021!

Me: I remember that!

Black Mask: (ENRAGED SCREAMING) I HATE ALL OF YOU SO MUCH! YOU RUINED ME!

Our auras flared up with intensely powerful force.

Me: And we show no remorse for it.

Nico: We should make sure you never rise again by giving you the black gates.

Me: We should.

Nico: But we're in a good mood right now. So we're just letting you go.

Black Mask: That's it?

Nico: Like I said, we destroyed all your operations. But the next time you want to cause trouble, remember this small act of mercy. Along with the fact that we can kill you with a snap of a finger.

Me: That's right. So we'll send you to the Crematoria prison. Next time we won't be so nice.

I snapped my fingers and teleported him there..

Qin: Good riddance.

Me: Right now we have much bigger fish to fry.

Nico: Did the mascots steal those cannons from him or something?

Eli: Yes his thoughts show that they did.

Qin: He was really pissed off over that.

Me: Boy no shit.

Eli: Yeah.

Me: He always was a pissed off asswipe to begin with.

Camie: He sure was.

Varie: Yep.

Nico: Anyway, back to our game!

Nico picked up a ball and rolled it and then…

BOWLING CRASH!

He got a strike!

Nico: STEEERIKE!

Me: YEAH!

Qin: That was awesome!

Me: Nico you are on fire! One more and you will have bowled a perfect 300!

Nico: Oh. Like this?

Nico rolled the ball behind him and then..

BOWLING CRASH!

The pins got knocked down and 1 pin got back up. But then…

PLOP!

It fell to the ground.

NICO SCORED A PERFECT GAME!

Nico: ALL RIGHT! PERFECT GAME!

Qin: WAY TO GO NICO!

Laney: OH YEAH!

Nico: OH YEAH! WHO'S FUCKING BAD?!

Me: YOU ARE!

The clerks nodded and then pulled out two keys and put them in locks and then turned them at the same time and then pressed a button and then party cannons went off and 300 balloons came down and Nico was hoisted into the air by Maria and May! He was given an awesome bowling trophy too!

Nico: Hey, Eli. Be a lamb and sense for Swartz's creations, will you?

Eli: Sure.

He sensed for them.

Eli: Found them and they are Another Grizzaka and Another Grizzly!

Qin: Whoa! Bear power.

Nico: This will be awesome!

Xenia: Yeah!

Lola: Yeah!

Grizzly: Yeah, there's a very good reason why Grizzaka is my second in command.

Nico: Bear power?

Grizzly: Yep.

Grizzaka: And we love it baby!

Qin: Yeah!

Nico: That was so fun though.

Pinkie Pie: I'll make us an amazing chocolate cake for Nico's perfect game!

Qin: We would love that Pinkie!

Nico: Yeah!

Me: That will be awesome.

Nico: If you see any of Swartz's two creations, just call.

Me: I think they are already here!

We saw one and it was a dark version of Grizzaka! It was ANOTHER GRIZZAKA!

Qin: Whoa Another Grizzaka!

Me: This one is gonna be a good one.

Korra: I'll face this one since I am Grizzaka's archenemy.

Nico: Who are you?

Grizzaka: (In a girls voice) I don't know.

She reverted back and was a girl with a German black dress and had blond hair and blue eyes.

Me: (GASP) Adrienne Drake Michaelson.

Adrienne: (Confused) Who is that?

Nico: (GASP) She has Amnesia.

Qin: Oh my gosh.

Nico: How did she get that?!

Me: She got into a terrible accident and she lost her memory.

Qin: Oh man!

Me: Me and Adrienne went to school together in Art Class and she showed me a lot about German Peganism and Walpurgisnacht.

Nico: Wow!

Me: I even know the song for it. So this will bring her back. Adrienne see if you remember this.

(WALPURGISNACHT BY FAUN PLAYS)

Me: (SINGING DIVINELY IN GERMAN AS FIRE AND SYMBOLS OF GERMAN PEGANISM SWIRLED AROUND ME)

In den Abendhimmel steigen

Heute Nacht die Zauberweisen

Wildes Volk und Liliths Art

Lauernd Winde heimlich fahrt

Lasst uns zu den Feuern streifen

Raunend nach den Sternen greifen

Gutes und auch böses Wort

Tragen wir heut' fort und fort

In den Weiden werden unsere Träume klingen

Und die Winde werden unsre Lieder singen

Lasst uns mit den Funken übers Feuer springen

In der Walpurgisnacht!

Hört die Geigen, hört die Geigen

(Hey yo)

Die Feuer sind entfacht!

(Hey yo)

Folgt dem Reigen, folgt dem Reigen

In der Walpurgisnacht

Ungestüm im Spiel der Geigen

Dreht sich unser nächtlich' Reigen

Und wir treten wild und frei

Diesem alten Zauber bei

Einmal nur im großen Kreise

Tanzen wir auf jene Weise

Bis das erste Morgenlicht

Unser Traumgewebe bricht

In den Weiden werden unsere Träume klingen

Und die Winde werden unsre Lieder singen

Lasst uns mit den Funken übers Feuer springen

In der Walpurgisnacht!

Hört die Geigen, hört die Geigen

(Hey yo)

Die Feuer sind entfacht!

(Hey yo)

Folgt dem Reigen, folgt dem Reigen

In der Walpurgisnacht

Hört die Geigen, hört die Geigen

(Hey yo)

Die Feuer sind entfacht!

(Hey yo)

Folgt dem Reigen, folgt dem Reigen

In der Walpurgisnacht

As I was singing all the memories that she lost all came flooding back to her and she gasped.

Adrienne Drake Michaelson: (GASP) I… I remember! I remember everything! All of it! All my memories!

Me: You're back!

Me and Adrienne hugged!

Nico: Wow!

Adrienne Drake Michaelson: I missed out on so much! I had 10 years taken from me because of Amnesia!

Nico: How did you lose your memory?

Adrienne Drake Michaelson: I was looking for my brother Hunter and then I fell off a cliff and hit my head on a rock. I don't remember anything after that. I was a lost shadow.

Me: Believe me I know the feeling myself Adrienne.

Laney: Yeah me too.

Nico: It was never as severe as this!

Adrienne Drake Michaelson: I know. But thanks to J.D. with that song I remember everything now.

Qin: That's awesome.

Rarity: That German dress you have is absolutely amazing darling.

Adrienne Drake Michaelson: It sure is. It was part of my family's tradition.

Qin: It's beautiful.

Me: Hunter will be so happy to see you though Adrienne. He is now part of the team. He joined us when we went and destroyed the Necromorphs.

Adrienne gasped!

Adrienne Drake Michaelson: Oh man you mean those monsters from the Dead Space games?

Nico: The very same.

Adrienne Drake Michaelson: Oh wow!

Me: Yeah that was a horrifying adventure.

Nico: But they're all dead now.

Me: They sure are.

Qin: Yep. We fired massive superlaser energy blasts at them all over the universe.

Me: That was epic.

Nico: Yep.

Adrienne Drake Michaelson: Good riddance.

Korra: Did Swartz promise you anything in particular when you were turned into Another Grizzaka?

Adrienne Drake Michaelson: Actually yes. When I still had amnesia he promised to bring back my memories.

Me: Well we already did that just a few minutes ago.

Adrienne Drake Michaelson: You sure did.

Laney: Oh I forgot to mention that Cammy White knows how you feel too. She had Amnesia herself.

Adrienne Drake Michaelson: Oh wow. Also the Another Grizzly is friendly.

Nico: That makes it easier.

Leeli: Yeah it sure does. Lets separate the monster you were from what you are now.

Girl Jordan: Good idea.

Nico: Go for it.

Korra: And then, I'm fighting it

Me: You got it.

Adrienne Drake Michaelson: Okay. Go for it.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

Then Adrienne glowed and Another Grizzaka was separated from the her and she was freed! It was now a separate embodiment of her!

Nico: WHOA!

Adrienne Drake Michaelson: Whoa!

She saw Another Grizzaka!

Adrienne Drake Michaelson: Is that what I had in me!?

Grizzaka: It sure is!

Korra: Time to kick some bear butt!

She did some Firebending and blasted Another Grizzaka and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Me: OH YEAH!

Qin: Another Grizzaka you have failed this city!

I caught the Wonder Ride Book and it was called The Amnesiac Princess and The Kingdom of The Bear Spirit.

Adrienne Drake Michaelson: Wow! That is awesome!

Me: Yeah it was! Oh Adrienne is the Another Grizzly friendly or hostile?

Adrienne Drake Michaelson: Friendly. It actually has a couple of Ursaluna with her.

Me: Ursaluna? That's one of the Hisui Region Pokemon.

Qin: Wow!

Xenia: Yeah.

Nico: Neat.

Maria: Time for backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) FOOD MAYHEM 6!

She summoned Gramma Stuffum and her team along with Kung Food, Burger Monster and all the food members of the M.O.E.

Nico: Nice!

Qin: Yeah!

Nico: Now we wait.

Me: We don't have to wait long! Look!

We saw 3 figures come out and they were a dark version of Grizzly and 2 Ursaluna! It was ANOTHER GRIZZLY!

Qin: Whoa! Those Ursaluna are huge!

Xenia: Never saw those Pokemon before.

Grizzly: Those are perfect for my bear team.

Nico: They sure are.

Another Grizzly: (In a girls voice) It's good you like bears.

Me: (Gasp) That voice.

She reverted back and was a girl with black hair and had brown eyes and had Indian Tribe clothes on.

Me: (GASP) Cheyenne Hiawatha!

Nico: Wow!

Cheyenne Hiawatha: Good to see you J.D.

Me: You too Cheyenne.

Nico: You know her?

Me: Yep. Cheyenne is part of the Iroquois Indians and she has been known for her admiration of her tribes culture as well as the spirits of the power of the Bear. The Bear of the Iroquois represents authority, good medicine, courage, and strength.

Nico: Wow!

Eli: That is very spiritualistic.

Xenia: It sure is.

Lincoln: Me and my family have Iroquois in our blood and it was discovered when my sister Lori got her powers.

Qin: It's true. But it was during our battle with Team Dark Phoenix Storm that we discovered that the Louds are strongest in Scottish Ancestry.

Cheyenne Hiawatha: That is very interesting.

Kaito: (Gets out Go Onger gear) Did Swartz promise you anything?

Zocks: (gets out Gekiranger gear) Because we can grant it instead.

Kaito got an RPM Sword and Zocks got a Jungle Fury Sword!

Cheyenne Hiawatha: He actually didn't promise me anything because he had a really amazing and strong admiration to the

Native American Tribes.

Sakura Knudson: Swartz did have an amazing respect for them from what I remember.

Qin: That is amazing.

Me: It sure is. Sorry we have to fight like this though.

Cheyenne Hiawatha: No worries. Just come at me and don't hold back.

Me: That you can count on.

She turned into Another Grizzly!

Sougo: (Gets out RPM Ridewatch) Swartz respecting anyone other then himself?

Geiz: (Gets out Jungle Fury Ridewatch) Who would've thought it?

Sougo got RPMRedArmor while Geiz got JungleFuryRedArmor.

Me: Totally unheard of but awesome.

Nico: Feel the strength of the bear! (ACTIVATES GRIZZLY'S RIDEWATCH)

He fired waves of energy and blasted her down with intense strength.

Nico: And more Bear Strength! (ACTIVATES GRIZZAKA'S RIDEWATCH)

He fired energy waves and smashed her down!

May: Top this! (ACTIVATES BOO BOO'S RIDEWATCH)

She fired waves of energy and blasted her down!

May: And this too! (ACTIVATES AXE BEAR'S RIDEWATCH)

She fired waves of energy and blasted her all over.

Maria: And this too! (ACTIVATES ONE EYED GREEN DRAGON'S RIDEWATCH)

She fired a blast of energy and blasted her down.

Maria: I really hate Helmut for this! (ACTIVATES HELMUTS RIDEWATCH)

She saw a fly and then sent her tongue out and caught it and ate it.

Me: OH SICK!

Maria then spit it out and wring her tongue out!

Nico: That us a disgusting one!

Me: That was gross. Top this! (ACTIVATES EVIL SUN'S RIDEWATCH)

I fired waves of fire and smashed her down.

Me: And this too! (ACTIVATES CRESCENT GRIZZLY'S RIDEWATCH)

I fired waves of energy and smashed her down.

Me: And this! (ACTIVATES SEA BEARS RIDEWATCH)

I fired waves of energy and smashed her down!

Korra: Feel the Avatar's power!

She did some Earthbending and smashed boulders onto her!

Qin: Nice!

Korra then activated Grizzaka's ridewatch and fired waves of energy and smashed her all over.

Me: YEAH!

Nico: This will be awesome.

Me: Yep. And so will tomorrow's rescue. Right Skinner!?

Skinner and his team came out!

Skinner: You sure know when I'm going to come.

Me: Your cologne is a dead giveaway.

Nico: Nice team by the way.

Skinner: Thanks.

Me: Awesome.

Maria: Where's the next Gene Slammer?

Then a figure came in and it was a SEISMATOAD!

Me: Whoa a Seismatoad!

Qin: Awesome!

Seismatoad: (In a girls voice) This is gonna be fun.

Nico: Caitlin Owl Casper!? Whoa!

Seismatoad: Yep. I got this.

She fired a blast of energy and smashed her down and I caught the ridewatch and purified it and I picked up Cheyenne and brought her over. Caitlin reverted back and she was a girl with blue hair and blue clothes and blue eyes and had brown angel wings. And she had a strong physique.

Caitlin Owl Casper: That was awesome.

Korra: What's your favorite memory of Nico?

Caitlin Owl Casper: My favorite is when me and Nico were working in the gym and then a gang of brutes came in and me and Nico bashed their heads in and arrested them.

Nico: Yep.

Me: Awesome!

Qin: Yep.

Nico and Caitlin hugged.

Nico: I've really missed you.

Caitlin Owl Casper: Me too Nico. Me too.

Nico: Lets go home.

We went back home.

666 Lincoln, his good sisters, parents, harem, and Guardian Angels, Universe 666 Me, Universe 666 Varie, Akira, Milly Ashford, Yumi Korra, Dawnstar, Sun Lad, and Ferro Lad are heading to Grand Junction, Colorado, and not only is Lincoln going to rescue the fourteen girls here, but we're going to take down an dangerous criminal who's hated me his whole life.

This dangerous animal's name is Lucas Greyson, he's a dangerous and violent monster from High School who terrorized all of the students and teachers and he's like Lynn whenever Packing Day is declared, and before I moved to Michigan, I had exposed his crimes to everyone in school and I got him expelled and sent to prison for good, but he roared at me like an animal and I knew it meant he would have revenge on me. Now, years later, we got word Lucas has broken out and that wild animal wants revenge on me, and like what I did to Lynn when I went man-to-man with her on Packing Day, Lincoln's going man-to-animal with that wild animal, and we're taking him down and throwing him back in prison, this time, in a steel metal box, where he won't be getting out of ever again.

Me: Whoa, so your rescue today is taking place here in Grand Junction, Colorado, Lincoln. It's been a long time since we've been here to Grand Junction.

Lincoln: Plus, I also know what we're going to do here, not only am I going to rescue the thirteen girls here, but I got to ask, J.D., are you familiar with a person named Lucas Greyson.

My jaw fell to the floor, and so did Varie's and many of my old friends.

Me: Lucas Greyson?! Not that wild animal!

Varie: Not him again!

Nico: Uh oh, I can sense you guys know him if your jaws fell to the floor like that.

Me: We do, Nico, and it's not a pretty story. Lucas Greyson is a dangerous and violent animal from my old High School who terrorized all of the students and teachers and he's like Lynn who goes full-Beast Mode whenever Packing Day is declared.

Varie: But for him, he's on permanent Full-Beast Mode on Steroids, and take a look at his picture.

Varie took out his mugshot, and everyone saw him: he was really tall at 7'5" in height, he had these abnormally massive and powerful upper and lower body muscles and eight-pack abs, long wild brown hair going down to his mid-back, red eyes, black stubble on his jaw, no shirt, hair on his forearms and chest, blue torn pants, and no shoes.

Lincoln: Yikes, this guy sure looks like a wild animal!

Eli: Brutal!

Me: And he announces his arrival with those loud belches and catching the smell of his sweaty hairy armpits. Years before I moved to Michigan, I exposed his crimes to everyone in school and got him expelled and sent to prison for good, but he roared at me like an animal and I knew it meant he would have revenge on me.

Varie: Now, years later, we got word Lucas has broken out and that wild animal wants revenge on J.D., we talked to the warden and he told us that Lucas raided the prison cafeteria and stole all the food there.

Lincoln: He'll have enough fuel for hours.

Suddenly, we heard a loud monstrous belch in the air.

BBBBBBBBBUUUUUUUUUUUUUURRRRRRRPPPPPPPPPPPPPP!

Varie: He's out there!

Me: I know, I can smell the stench of his sweaty hairy armpits. (Sniffs) He still smells like B.O., yuck!

Lincoln: Well, just like what J.D. did to Lynn when he went man-to-man with her on Packing Day, I'm going man-to-animal with that wild animal, and we're taking him down and throwing him back in prison, this time, in a steel metal box, where he won't be getting out of ever again.

Sebastian Mendez: If he gets violent, I got some cattle prods just in case.

Darren Arcangela: With an animal like that?! We need something stronger to put him to sleep.

Lincoln: Yeah, my fist to his face, and I want to thank you and your team for joining us, Akira.

Akira: You're welcome, Lincoln.

Suddenly, we saw Elemental HERO Poison Rose appear before us, and with it are the fourteen girls.

Nico: Whoa, that's Elemental HERO Poison Rose, really awesome.

Jaden: And it's also another one of my Elemental HEROS that I've used in my duels.

Suddenly, we saw Elemental HERO Clayman revert back to normal, and she's a beautiful girl with long rose red hair, rose red eyes, she was tall at 7'0" in height, she has a really strong and powerful muscular physique and ample breasts, tanned skin, she has massive and beautiful rose red angel wings, she's dressed in a sleeveless rose red crop top, green shorts, rose red knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with earth, plants, leaves, and earth angels on the coattails and on the back is Elemental HERO Poison Rose, and holstered on her back is a massive Elemental HERO Poison Rose-themed greatsword with embedded rose red gems and Elemental HERO Poison Rose etched on the 7'0" massive, wide, double-edged rose red blade, large brown phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel. The Elemental HERO Poison Rose Gene-Slammer is Magnolia Monroe, another of

Lincoln's Guardian Angels, and she's one seductive and sexy hot mama with a body to boot.

Lincoln: (Gasps) Magnolia Monroe, I knew it was you.

Magnolia Monroe: (Hugs Lincoln right between her breasts) I knew it was you, Linky, it's been such a long time.

We snickered, even May and Qin.

Monica Anniston: I did say she can be quite affectionate in the same way Kurumu does with Lincoln and Elly Chromington with Nico.

Sebastian Mendez: I'd save the make-out for later, we still got that animal, Lucas Greyson, to deal with.

Nico: He's right, there's no telling where that animal is at.

Lincoln: Yeah. Let's keep our eyes peeled, if he's like Lynn when she goes Full Beast Mode on Packing Day, he'll announce himself soon.

Suddenly, someone peaked out through the bushes, and he was snarling and grunting heavily, but he saw us and he withdrew his hands away from the bushes. Then, we heard another monstrous loud belch in the air.

BBBBBBBBBBBBBBBUUUUUUUUUUUUUUURRRRRRRRRRRRRRRPPP

Varie: He's here… !

Then, we saw a wild male who was really tall at 7'5" in height, he had these abnormally massive and powerful upper and lower body muscles and eight-pack abs, long wild brown hair going down to his mid-back, red eyes, black stubble on his jaw, no shirt, hair on his forearms and chest, blue torn pants, and no shoes on and he was running towards us on all fours: it was Lucas Greyson.

Sebastian Mendez: There you are, you wild animal!

Sebastian fired energy needles made of Divine Darkness which hit Lucas Greyson and sent him flying back first into a tree, but that wild animal got back up, and he roared and beat his chest like a gorilla.

Sylvester: If that animal wants to fight dirty, then, he's left us no choice!

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Lucas Greyson charged at Lincoln, but he punched him hard in the jaw and knocked him right into the door of the metal container where Selene Arcangela slammed the door shut and bolted it, and we all cheered. Then, we heard Lucas Greyson roar and he was beating at the door trying to get free, but Nicholette Torrington gave him a two-hander middle finger, and he roared again and beat his chest like a gorilla, but Lincoln had Lucas Greyson beamed to The Uranus Prison's Dangerous Wild Animals Wing where he would remain there for life. We cheered as we holstered our weapons and powered down.

Selene Emperyous: It's been a long time since we used that metal container, last time we used it, it was when Lynn got grounded.

Lincoln: Yeah, but we made it much stronger by using Tantalum-reinforced metal, it's so strong that not even that animal can escape from.

Me: Awesome, now that animal will never escape from his prison again.

Lincoln: If he does, next time, I'm putting him down myself. (To Magnolia Monroe) And it's so good to see you again, Magnolia Monroe.

Magnolia Monroe: You too, Linky, and sorry about the jump hug, but it's been so long since I last saw you.

Lincoln went up to Magnolia Monroe and he hugged her, and Magnolia Monroe is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Magnolia Monroe: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Magnolia Monroe, Gene-Slammer of Elemental HERO Poison Rose, she's my Guardian Angel from Michigan, she's a very powerful and also a very physically strong athlete who was born with superhuman strength, and she's also a skilled wilderness survival expert. Plus, she's also a seductive and one sexy hot mama who's flirted and made out with me more than once, and she loves me with all her heart and she knows to share me among the other members of my harem and fellow Guardian Angels.

Luna: We almost busted out laughing seeing our bro's face being smooshed by her chest as she was hugging him.

Lori: And she was also kissing him all over the place and he had a love struck look on his face.

Earth: Like how we always make out with him.

Monica Anniston: Exactly, Earth. Magnolia Monroe's also a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages.

Magnolia Monroe: But, we always saw her coming when we see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet.

Sebastian Mendez: Disgusting.

Me: Yeah, the smell of her sweaty pits tends to make us sick.

Selena Arcangela: But, Magnolia and the other Elemental HEROS of Earth along with Lincoln had more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents.

Nico: Dang, and is she really that strong, Lincoln?!

Lincoln summons a 900,000,000,000,000,000-lb barbell, and Magnolia Monroe lifted it with one hand and we saw just how strong she really is, and my jaw and Nico's hit the floor.

CLANG! CLANG!

We had our jaws put back.

Qin: (Whistles) Damn, and I thought many of our friends were that strong, but whoa!

Magnolia Monroe: And you're going to hear how Linky and I took that animal, Lynn, down when she was on another rampage again. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Magnolia?

Magnolia Monroe: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Magnolia Monroe: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Magnolia Monroe, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Magnolia Monroe: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Magnolia Monroe's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Magnolia Monroe: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Magnolia Monroe.

Magnolia Monroe had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the fourteen girls, and when Lincoln saw who they were, he immediately recognized them. The fourteen girls are Seira Sodeshiro, Ariza Yukifune, Kaori Tomonaga, Aka Ohtori, Iroha Asobe, Iko Oikawa, Ao Ohtori, Marianne Okada, Akisa Higashiyama, Hanabi Tamaki, Kokoa Yuwase, and Riri Yarimizu from MAGICAMI, an alien disguised as a human college girl named Ji-Yoon, and Korone from Demon King Daimao.

Lincoln: Oh wow, it's Seira Sodeshiro, Ariza Yukifune, Kaori Tomonaga, Aka Ohtori, Iroha Asobe, Iko Oikawa, Ao Ohtori, Marianne Okada, Akisa Higashiyama, Hanabi Tamaki, Kokoa Yuwase, and Riri Yarimizu from MAGICAMI, an alien disguised as a human college girl named Ji-Yoon, and Korone from Demon King Daimao.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Seira Sodeshiro: Yes, we're okay, thanks to you.

Then, when Seira Sodeshiro and the other thirten girls saw who it was that saved them from Lucas Greyson, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The

Seira Sodeshiro: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made thirteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Seira Sodeshiro: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of YSeira Sodeshiro, Ariza Yukifune, Kaori Tomonaga, Aka Ohtori, Iroha Asobe, Iko Oikawa, Ao Ohtori, Marianne Okada, Akisa Higashiyama, Hanabi Tamaki, Kokoa

Yuwase, Riri Yarimizu, Ji-Yoon, and Korone with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was a dangerous criminal from my past named Lucas Greyson, a dangerously wild animal and violent criminal who's like Lynn when she goes Full-Beast Mode during Packing Day, but for him, he's gone permanent Full Beast Mode on Steroids, and before I moved to Michigan, I exposed his crimes to everyone in school and I got him expelled and sent to prison for good, but he roared at me like an animal and I knew that it meant he would have revenge on me. Now, Lucas broke out and that wild animal wanted revenge on me.

But, when Lincoln showed what we all did in beating that wild animal down and Lincoln tossing him into a new metal container made of Tantalum-reinforced steel and sending him to The Uranus Prison for good, everyone ran up to us and they hugged us and Lincoln's harem gave him kisses all over for what he accomplished. Lincoln and Magnolia Monroe have a lot of catching up to do, now that she's back in town.

Maria: Oh man, I never knew J.D. had dealt with a wild animal who was like Lynn on Packing Day, but infinite times worse!

Lincoln: He was just like Lynn on Packing Day, everything from stalking us to letting out those loud and monstrous belches, and of course, running on all fours, roaring like an animal and beating his chest like a gorilla.

Nico: We were so glad to finally be rid of that wild animal for good.

Me: But, you also heard what Lincoln said: if he catches that animal running loose again, he'll put him down, and this time, for good.

Eli: And with The Legion of The Lincoln-Haters still out there, there's no doubt one of its members will try to free him again.

Lincoln: If we find out that Olivia Paisley did this, she's going to have major problems during Nerissa's special mission today.

After taking down Lucas Greyson, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Magnolia Monroe saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Magnolia Monroe: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Magnolia, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter

as well.

Magnolia Monroe: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Magnolia Monroe: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Magnolia, what's the story on how you and Lincoln took down Lynn whenever she goes on her massive rage-fueled rampages?

Magnolia Monroe: That's something I'll never forget, and I got a video to show the story.

Magnolia Monroe pulled up the video as it played on the big screen. There we see Magnolia Monroe and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and Magnolia Monroe was doing the same routine as Lincoln. Suddenly, they heard a loud thunderous belch in the air.

BBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUURRRRRRRRR

Past Selene Emperyous: What the heck was that?!

Then, they caught the stench of sweaty armpits and smelly feet, and there was only one person who could make that loud thunderous belch and have the stench of sweaty armpits and smelly feet.

Past Laney Emperyous: Oh no.

Past Magnolia Monroe: It's Lynn, she's here, I can smell her sweaty armpits and smelly feet from a mile away. Ugh, she smells like a week old gym bag!

Past Lincoln: Everyone, get ready!

Lincoln and his Guardian Angels stood ready, and then, the doors burst open, and there stood Lynn with red eyes and her mouth was foaming. Then, Lynn roared and she charged at Lincoln and Magnolia Monroe, but Magnolia Monroe punched Lynn hard in the face and sent her flying out of the gym, and they all followed. Lynn got up and she roared and beat her chest like a gorilla.

Past Lincoln: Come on, Magnolia, let's get her!

Lincoln and Magnolia Monroe went after Lynn, and they proceed to beat her into the ground and they showed her no mercy whatsoever. Then, Lincoln knocked Lynn out with a knockout punch, and then, he tied her up in red energy ropes so she couldn't escape, and Magnolia Monroe ran up to Lincoln and they kissed, as the video ends and we cheered.

Maria: Whoa, Lynn never stood a chance against you two.

Lincoln: Lynn never did, she may be strong, but Leona and I were stronger, and we knew how to wrangle her in.

Magnolia Monroe: And I was shocked to find out it was Principal Huggins' Dark Side that did this and turned Lori, Lynn, Lola, Lisa, and Luan into outright monsters.

Lincoln: He's recovered greatly, but, we also found out the one person that's responsible for turning Principal Huggins into the very jerk who wanted me dead was Chase Young.

Magnolia Monroe: WHAT?!

Anna Anyanova: It's true, Magnolia, Chase Young was the one responsible for turning Principal Huggins into the killjoy jerk we hated and who also gave him that Dark Side Creation Serum that turned Lori, Lynn, Lola, Lisa, and Luan into the outright monsters we pulverized, he was the true source of all of Lincoln's pain and suffering, along with what he did to Sebastian. We separated Chase Young from his dark side, and we made him pay for 1,500 years of evil and we sent him to The Black Gates.

Magnolia Monroe: Good, he was scum!

Sebastian Mendez: Scum like him deserve to die.

We got a shower, and then, Lincoln, Valerie Grey, Paulina Sanchez, Jazz Fenton, and Garden Grove are heading to Bubblaine.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Valerie Grey, Paulina Sanchez, Jazz Fenton, and Garden Grove were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Valerie Grey, Paulina Sanchez, Jazz Fenton, and Garden Grove fell in with Lincoln, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Olivia Paisley has sent some thugs to kill them.

Valerie Grey: Whoa, so our first date's here in Bubblaine, nice.

Lincoln: I knew you, Paulina, Jazz, and Garden Grove would love it, Valerie, and it's perfect before Nerissa's big mission with the Legion of Superheroes today. Shall we?

Lincoln, Valerie Grey, Paulina Sanchez, Jazz Fenton, and Garden Grove dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Valerie Grey, Paulina Sanchez, Jazz Fenton, and Garden Grove got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Olivia Paisley's hired thugs coming after them and Lincoln fired blasts of blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Valerie Grey, Paulina Sanchez, Jazz Fenton, and Garden Grove, and they hugged the girls in their abnormally massive and powerful muscular arms, and Valerie Grey, Paulina Sanchez, Jazz Fenton, and Garden Grove placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Bubblaine, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Valerie Grey, Paulina Sanchez, Jazz Fenton, and Garden Grove with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Valerie Grey, Paulina Sanchez, Jazz Fenton, and Garden Grove are now in your harem.

Jenna: Flip has got some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Lincoln: And we also had a run-in with Olivia Paisley's hired thugs, but I killed them all, and this is going to piss her off in 3… 2… 1!

Suddenly, we heard Olivia Paisley scream with extreme hatred and rage.

Maria: Yeah, up yours, bitch!

Nico: Serves her right, but she'll get hers later on today.

Sebastian Mendez: Do you guys always respond in kind to people like that?

Me: We always do, Sebastian.

Nico: We can't forgive monster bitches like them, they're monsters.

Drakus: Brainiac, you better be ready, 'cause death's coming for you once again, you son of a bitch!

Sebastian Mendez: Hey, what's with Drakus, and why does he hate Brainiac so much?

Nico: Brainiac destroyed Drakus' home planet and killed everyone he knew.

Me: We destroyed the Prime Universe version of Brainiac a year ago and sent him to The Black Gates, but in the world of The Legion of Superheroes, we're going to destroy him for good and make him pay for his crimes especially to Brainiac 5, his descendant.

Nico: He hates Brainiac so much, he wants Brainiac ripped to shreds and fed to the cryptids.

Sebastian Mendez: Damn. Maybe, I should put a leash on him before he goes off on his own and he'll wind up jeopardizing the

mission.

Sebastian Mendez put a shock collar on his neck.

Drakus: And what's this?

Sebastian Mendez: A shock collar, if you try to go off on your own to kill Brainiac before we formulate a plan during Nerissa's special mission, you're going to get shocked, and I'll have the remote with me so don't even try to get out of it, got it?

Drakus: I'll get out of this and destroy Brainiac, you can't stop me!

Sebastian Mendez: Okay, that's it!

Sebastian Mendez pressed the button and the collar shocked Drakus.

ZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPP!

Lincoln: Nice one.

Nico: Smart move, but you know Drakus is going to get you for this, right?

Sebastian Mendez: He makes one wrong move on me, and I'll kick his ass so hard, he won't be sitting for a month.

Me: (Thinking) Vypra and the others are in for one wild surprise when they see the real Sebastian today.

* * *

Later it was time for Flurry Heart's 2nd mission.

Qin: You guys will have fun.

Me: Yep.

William: Anyone else want to go with Flurry Heart? Besides Wera Vann and Cheese?

Maria: Me and Carol will go. I have a feeling that we'll meet another one of my friends there.

Cadance: And I'll go too.

Nico: Okay. This will be awesome.

Qin: Yep.

Nico: Lets go.

We were off to Phoenix.

---

We arrived.

Rui: Hey guys!

Me: Hey Rui.

Flurry Heart: Michael, this is my archenemy.

Wera Vann: Awesome to meet you. I'm Wera Vann.

Michael: Wait aren't you that wedding dress fashion designer that was one of the enemies of W.O.O.H.P.?

Wera Vann: That's right.

Michael: I had a feeling.

Flurry Heart: Yep. She's in our frenemies. And this is my mother.

Cadance: Awesome to meet you. I'm Princess Cadance, the Princess of Love and ruler of the Crystal Empire.

Michael: Wow it's an honor to meet you your highness.

Cadance: No need for formalities. Just Cadance is fine.

Michael: Sorry.

Maria: My name is Maria Dunbar and I'm second in command of the

Redemption Squad.

Carol: And I'm Carol Pusateri. Me and Maria have been good friends since I was in Kindergarten.

Michael: Wow awesome to meet you two!

Cheese came in with lipstick.

Cheese: I'm a lady. (Kisses Michael) Now we're BROTHER ladies!

Me: (LAUGHS) Oh Cheese!

Rui laughed!

Nico: That is funny.

Michael: That is gross!

Me: Oh that is Cheese. He's an Imaginary Friend but he is a total idiot. He has a brain the size of an amoeba and he is dumber than he looks.

Eli: Yeah but he is a great annoyance tool and he drives all villains batty.

Twilight Sparkle: (LAUGHS) He sure does.

Rui: Yeah he is funny. Oh I heard that Vinyl Scratch had her babies yesterday.

Me: She sure did. They are so adorable.

Jovi: (giggles) Jovi think Big Brother looks pretty!

Michael: (laughs sarcastically) Very funny. I'm washing this off.

Me: (LAUGHS) Oh come on Michael. He does that not out of spite but just to give you a good laugh.

Nico: Yeah sure he is an idiot but he makes the good people laugh and drives bad guys crazy.

Me: Yep.

Professor Krane: (chuckles) Flurry Heart, I want to give you your own Snag Machine. The kind that Michael has.

Flurry Heart: Wow!

She put it on and it was cool.

Flurry Heart: Wow! This is cool!

Cadance: It sure is Flurry!

Nico: Really cool!

Me: Reminds me of that awesome power gauntlet arm that Extor made when we were the Brave 12.

Rui: That is amazing.

Fluttershy: It sure looks amazing there.

Wes: (to Wera Vann) We're going to Pyrite Town to recruit a few people for your group.

Wera Vann: Who would that be?

Wes: Mirror B. And Trudly and Folly.

Me: Awesome!

Wera Vann: I was hearing all about this from Vypra. We are getting so many awesome recruits from the Cipher Team.

Me: And my daughter Shanan said that she has friends that she knows that can be archenemies for them.

Nico: Really? Who?

Me: She said it's a surprise. But they are aliens that are for one of each letter of the Alphabet from A-Z minus the letter D.

Nico: Whoa! This will be interesting.

Eli: How come D is not in there?

Me: I don't know the story myself.

Wes: Chief Sherles and Officer Johnson actually caught them a few days before we met you guys.

Me: Weren't they part of Cipher before?

Michael: Until they quit to go freelance.

Me: Very interesting. And without a doubt they will challenge us.

Nico: Yep.

Eli: But this will be cool.

Me: Yep. I got some new tools too. I've been wanting to try out the Kyurangers Avatar Gear that I got recently.

Nico: You'll get your shot.

Wes: But I have a feeling that the 3 of them will join us without hesitation.

Michael: The real targets today will probably strike after that.

Me: Oh boy. This will be interesting.

Nico: Yep.

Rui: They will be in Phenac City.

Me: I have a feeling they will be there.

Nico: Lets get moving then shall we?

Wes: Lets shall.

I whistled and my Rapidash came and I got on and we were off and we later arrived at Pyrite City and it looked like a rough town.

Nico: This is Pyrite?

Poromon: Looks like a rough town.

Wes: When I first got here, it was WAY worse. But after I defeated Mirror B the first time, things have gotten peaceful here.

Me: That's good. But this reminds me of Dark City. Me and Eli went there and dealt with two rival gyms that were trying to kill each other.

Wes: Ah the Yaz and Kaz Gym Feud! I've heard all about that! That was crazy!

Me: It was.

Eli: Yeah that was horrible! They had an Electabuzz and a Scyther and they were really trying to kill each other.

Me: But we beat their faces in and we sent them flying and brought the town into our protection.

Nico: Yep.

Me: That was also the adventure where I met Xenia who is also a Xerneas.

Rui: Wow! I thought I sensed an amazing energy coming from her. I didn't know she was also the legendary Xerneas.

Me: It's a great story.

Eli: It sure is.

We got into the Police Department and almost immediately, Officer Johnson bumped into us.

Officer Johnson: Ow! Sorry, Chief! But there's big news. Team Loud Phoenix Storm arrived here in Orre. And they helped Michael and Wes take Venus and Lovrina into custody! But the Hexagon Brothers were strangely nowhere to be found!

Chief Sherles: (chuckles) I'm right here, Johnson. And that's not news to me. I already heard about it. (to us) It's an honor to meet all of you.

Me: You too chief and don't worry about the Hexagon brothers. They are in our frenemies in the Masters of Evil.

Chief Sherles: Oh that is a relief.

We saw Mirror B, Folly, and Trudly in the holding cells.

Mirror B: Well, if it isn't Team Loud Phoenix Storm.

Me: The one and only.

Folly: (to Wes and Rui) It's you two again!

Wes: Long time no see, fellas.

Eli: It has been a while.

Mirror B: Eli!? You back to bring more misery to Cipher?

Eli: That is what I am going to do in the future on the big day.

Me: But we're not here to gloat about you being held here.

Wera Vann: We're actually here to give you a proposition.

Mirror B: And what is that?

Wera Vann: To have you all join me in my group under the command of Vypra. She is a much better boss.

Nico: Yeah. So what do you say?

Mirror B: Oh, silly me. I seem to have forgotten that I ditched Cipher. They were cramping my style.

Nico: Also, has anyone told you that your afro hair looks like a Poke Ball?

Mirror B: (LAUGHS) I do have that comparison. It does look that way.

Nico: Yep.

Mirror B: But why not? Sounds like fun.

Folly: Well, we've got nothing else to do right now.

Me: All right then. Good.

Wera Vann: You won't be disappointed.

Eli: That is for sure.

Chief Sherles: Glad you got that settled. Because Cipher's made an attack on Phenac City!

Eli: He's right! I sense it!

Nico: Then lets get moving!

Me: Right!

Nico: Lets go!

We were off to Phenac City!

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

We were heading there fast!

We arrived there in less than 20 minutes.

We saw that it was a beautiful place.

Nico: So this is Phenac City? It's got a lot of water here.

Me: It sure does.

Poliwag: It's a lot peaceful than Pyrite.

Maria: Boy no kidding.

Carol: Lets keep our eyes peeled for anything.

Rarity: That you can be sure of darlings.

Cipher Peon: Going somewhere, Team Loud Phoenix Storm? You look lost. How about you go back the way you came?

Maria: We're going after whoever's leading this attack. We're giving you 10 seconds to get out of our way!

Me: Unless you want to lose your head while running home to your mommy for your bottle.

Cipher Peon: (laughs) Sorry. But Snattle and Ein aren't taking appointments.

Me: I insist.

I unsheathed my sword.

The Cipher Peon sent out Vespiquen, Accelgor, Volcarona, and Escavalier.

Me: Vespiquen, Accelgor, Volcarona and Escavalier!

Michael: (Aura Reader responds) They're all Shadow Pokemon! But I got my own Bug Pokemon. One that'll go circles around you guys! Go, Scyther!

Michael's Scyther was sent out.

Me: Time for some star power!

I activated the Kyurangers Gear and put it on my sword and then I saw my sword turn into a CELESTIAL STAR BLADE! It had all the powers of the infinite secrets of the universe and the powers of all the 88 Constellations of the Galaxy! It was called THE SWORD OF THE 88 STELLAR GALAXIES!

Me: WHOA!

Nico: That sword is powerful!

Eli: Incredible!

Me: No kidding! To quote Lucky: LUCKY! That sword is so

awesome!

Nico laughed!

Nico: That is something that Lucky would say.

Me: Yep.

Scyther and Shadow Accelgor ran circles around each other.

Scyther slashed him and kicked him.

Me: Lets see what this sword can do! ERIDANUS: RIVER OF THE STELLAR DELUGE!

The constellation of Eridanus in the Southern Hemisphere Glowed in a galaxy on the sword and I fired a massive blast of water and it hit the Shadow Volcarona and knocked him down and Flurry Heart threw a snag ball and purified it!

We absorbed its negative energy and our auras exploded out with incredible power and we got incredibly stronger!

Me: WHOA! That was powerful!

Eli: Wow! That was a lot of Negative Energy!

Rui: Whoa! So that's what a Negative Energy Power Boost feels like! That was intense!

Eli: Yep.

Nico: WOW! J.D. that sword is incredible!

Me: This might be one of the strongest ones yet!

Scyther eventually managed to throw Shadow Accelgor into a fountain.

Nico: Nice one!

Me: Lets see what else. PHOENIX: FLAME WINGS OF INFERNAL JUSTICE!

The constellation of Phoenix The Firebird in the Southern Hemisphere glowed in a galaxy on the sword and I fired a massive blast of fire and it hit the Shadow Accelgor and the Shadow Escavalier and blasted them and knocked them down and Flurry Heart threw 2 Snag balls and purified them and our auras exploded out even more with Negative Energy Absorption!

Eli: WHOA! That was intense!

Rui: Wow!

Scyther then charged at Shadow Vespiquen.

He slashed at it.

Me: Lets see here. LEPUS: STAMPEDE OF THE CUDDLIES!

The constellation of Lepus the Rabbit in Northern Hemisphere glowed in a galaxy on the sword and I fired a massive wave of grass and flowers and it formed into a huge stampede of giant bunnies and they smashed and pulverized Shadow Vespiquen and knocked it down and Flurry Heart used a Snag Ball on it and purified it and we got more Negative Energy and our auras exploded out more!

Nico: WHOA!

Maria: That was awesome!

Maria then knocked out the Cipher Peon. But this got the attention of another Cipher Peon.

Cipher Peon: That's far enough!

The Cipher Peon sent out Bisharp, Liepard, Hydreigon, and Mandibuzz.

Me: Whoa a Bisharp, Liepard, Hydreigon, and Mandibuzz.

Michael: (aura reader responds) They're all Shadow Pokemon too. Better bring out the big guns!

Michael sent out his Salamence.

Me: Awesome Salamence!

Michael: Thanks.

Eli: Wait look!

We saw a tornado appear and it sucked in the peon and the Shadow Pokemon and spun them around and smashed them into the ground!

Rainbow Dash: Whoa that tornado did that!?

Me: That's not a tornado!

It changed and we saw that it was a girl made of pure wind and tornadoes!

KazeAlice: KazeAlice is here!

Maria: (GASP) Alice Zephyrina!

KazeAlice: Maria! Carol! Wow!

Maria: Its been a long time!

Carol: I haven't seen you since Kindergarten.

KazeAlice: It has been a while.

Maria: It sure has.

KazeAlice: We can catch up later. Right now you guys have your hands full.

Salamence decide to use Hyper Beam on the Shadow Hydreigon.

Me: Lets unleash some Pegasus power! PEGASUS: FLIGHT OF THE WINGED HORSE RAINBOW!

The Constellation of Pegasus the Flying Horse in The Northern Hemisphere appeared in a galaxy on my sword and I fired a rainbow blast and it formed into a huge flock of Pegasi of the 7 colors of the rainbow and they flew and smashed into the Shadow Pokemon and knocked them all out and Flurry Heart fired Snag Balls and caught them and purified them and we had a massive explosion of power burst out as we got a massive power boost from the Negative Energy.

Wes: Wow! This is getting more and more awesome!

Me: Flurry Heart you are doing great and well!

Twilight Sparkle: You sure are!

Flurry Heart: This is so much fun! YEAH!

Nico: Yeah it is!

Michael: We need to head to the Stadium!

Nico: Right lets go!

Maria punched the peon and knocked him out and we tied him up.

We went to the Stadium!

We arrived at the entrance.

Cipher Peon: You're not getting in this way!

The Cipher Peon sent out Swanna and Empoleon.

Me: Swanna and Empoleon! Whoa!

Rui: (gasps) The Swanna and Empoleon are Shadow Pokemon!

Wes: Leave this to me!

Wes sent out his Raikou.

We gasped!

Me: Whoa! Wes you have a Raikou!? That's one of the 3 Legendary Wolves!

Eli: That is awesome!

Wes: It sure is.

Nico: Yeah.

Me: You are a legendary trainer to have a Legendary Pokemon.

Eli: Anyone that has a Legendary Pokemon with them is a Legendary Trainer.

Nico: Yep.

Wes: Hey, Michael snagged a Lugia, Moltres, Zapdos, and Articuno from Greevil. He's a Legendary Trainer too.

Me: WHOA!

Eli: Incredible!

Raikou charged at Empoleon.

And smashed it with incredible lightning!

Me: Time for Swan Power! CYGNUS: SONG OF THE SWAN!

The Constellation of Cygnus the Swan in the Northern Hemisphere appeared in a galaxy in my sword and I fired waves of music notes and they hit Swanna and blasted it down and Flurry Heart fired a snag ball and caught it and purified it and we got a power boost!

Eli: Oh yeah!

Raikou fired a blast of lightning and it hit the Empoleon and electrocuted it all over.

Me: Try this too! CORVUS: DARK FLIGHT OF THE RAVEN MURDER!

The constellation of Corvus the Crow in the Southern Hemisphere appeared in a galaxy in my sword and I fired a wave of darkness and it formed into a huge murder of crows and they hit the Empoleon and blasted it down! Then Flurry Heart threw a snag ball and purified it and we got a power boost! KazeAlice blasted the peon into a garbage can and knocked him out!

Maria: Way to go Alice!

KazeAlice: That was awesome!

We went into the Stadium and found Ein and Snattle.

Ein: Wes. We meet again. And I see you brought your successor, the Raikou you snagged from me, and the traitor Mirror B and his crew.

Mirror B: What can I say? You guys had a different groove then what I had in mind.

Wes: I didn't expect to see you out here in all places though.

Ein: (sighs) Snattle says I have to, in his words, "Get out more".

Snattle: You know I'm right. (to Michael) I still haven't forgotten you. You spoiled the brilliant plan I had devised for this city. Not to mention I suffered the humiliation of having my worst moment broadcasted all over Orre.

Eli: That humiliation you brought on yourself you dirtbag!

Ein: Eli! So you're with Team Loud Phoenix Storm!?

Eli: That's right! You brought that humiliation on yourself too.

Michael: Well, at least you don't have lipstick on you! Still haven't washed this off…

Snattle: Enough! To get into Master Nascour's good graces and for me to assume my rightful position as the Governor of Orre, we must defeat all of you. This time, we won't be shy about revealing to you the full extent of my power!

Me: We'll see about that!

Snattle sent out Lanturn, Metagross, Castform, Quagsire, and Stantler. Ein sent out Crobat, Huntail, his own Lanturn, Altaria, and

Carracosta

Me: 2 Lanturn's, Crobat, Huntail, Altaria, Carracosta, Metagross, Castform, Quagsire, and Stantler! Whoa!

Nico: This is amazing!

Rui: (gasps) The Carracosta and Stantler are Shadow Pokemon!

Nico: This will be good!

Me: Time to start off with the power of the dragon! DRACO: DRAGONHEART PURIFICATION HEART!

The constellation of Draco the Dragon in the Northern Hemisphere appeared in a galaxy on my sword and it fired beams of energy and they hit the Carracosta and Stantler and purified them! We absorbed the negative energy and got a massive power boost!

Me: WHOA!

Nico: I didn't know the power of the Dragon Heart can do that! That was awesome!

Ein: NO!

Me: Now we dance!

Miror B: We'll defeat you with our elegant steps. Let the music play!

Music played as Miror B sent out an ENTIRE team of Ludicolo!

Maria: All Ludicolo?!

Me: Awesome choice!

Trudly: Well, our boss DOES love to dance.

Me: He sure did!

Trudly sent out Dusknoir, Machamp, and Ariados. Folly sent out Exploud and his own Ludicolo.

Me: WHOA! That is cool! Lets make this as divine as the singing of angels! COLUMBA: DOVE FLOCK OF PARADISE!

The Constellation of Columba the Dove in the Southern Hemisphere appeared in a galaxy on my sword and I fired a wave of light and it formed into a flock of Doves and they hit the Altaria and knocked it out and Rainbow Dash used a Pokeball and caught it!

Nico: OH YEAH!

Rainbow Dash: Awesome!

Cheese jumped onto the Crobat.

Cheese: Horsee! Giddyup!

Me: That a boy Cheese!

Eli: Taste this!

Eli fired Force Lightning at the Crobat and knocked it down and Cheese was unharmed.

Cheese: Horsee! Giddyup!

Me: Top this too! MONOCEROS: UNICORN MAGIC BLASTBALL!

The constellation of Monoceros the Unicorn in the Northern Hemisphere appeared in a galaxy on my sword and I fired a ball of magic and it hit the 2 Lanturn and knocked them out!

Eli: OH YEAH!

KazeAlice: Take this!

She fired a wind blast and it hit the Huntail and knocked it out!

Me: YEAH!

But then 2 figures swooped in and they punched Ein and Snattle's faces and kicked their stomachs and then bashed Ein and Snattle's heads together and knocked them out!

Eli: Whoa whoever did that showed them who is boss!

Nico: Michael, how about you and Wes send out your respective Ursaring?

Michael: Okay?

They sent out said Ursaring.

Nico: (gets out Grizzly and El Oso's Ridewatches) This is why!

He activated them and fired waves of energy that formed into bears and they smashed Castform down!

Me: Oh yeah! But who did that to Ein and Snattle?

We saw that it was a Sawk and Throh!

Me: Hey a Sawk and Throh!

Maria: Whoa! These 2 are tough!

The Ursaring blasted the Castform down with Swift blasts too.

Eli: Yeah!

Me: Who are our two Fighting Pokemon friends?

Sawk: (In a girls voice) 2 Awesome students of Master Roshi.

Throh: (In a girls voice) And we're going to kick some butt.

Me: Wait Cynthia and Emile Mutaito!? Whoa!

Nico: That was Master Roshi's old teacher!

Sawk: That's right. We are Master Mutaito's granddaughters and we trained under Master Roshi.

One of Mirror B's Ludicolo used Giga Drain on the Quagsire and knocked it out.

Me: Boy Master Goku is going to love meeting you girls and so will

Krillin, Yamcha and Tien.

Throh: You know Goku?

Me: I sure do. He is one of my teachers.

Throh: Awesome!

They came to us.

Ein and Snattle got up!

Ein: You will pay for that you dummies!

Me: Who are you calling a dummy you dumbass!

Wes: (to Flurry Heart) You can snag the Carracosta and Stantler. I honestly have a Stantler already.

Wera Vann: After I knock them out!

Flurry Heart: Okay then. Lets do it!

Flurry Heart and Wera Vann: HEARTS OF LOVE MEGABLAST!

They fired waves of energy and blasted the two and knocked them out. Flurry Heart snagged them.

Me: Oh yeah!

Poliwag jumped up and slapped Ein and Snattle on the heads with his tail, knocking them out.

Snattle: Master Nascour. Forgive me… (falls unconscious)

FWOMP!

They were down.

Poliwag: We still have the Metagross to deal with.

Wera Vann: Leave that to me!

Sawk: And us.

Throh: Lets do it!

Sawk and Throh reverted back and Cynthia was a girl that had red hair and red eyes and she was in an Orange Battle Uniform like Goku's and Emile was a girl with blue hair and blue eyes and had an orange battle uniform like Goku's too!

Eli: Awesome!

Emile: Lets get him sister!

Cynthia: You got it!

Cynthia and Emile: KAAAAAAA MEEEEEE HAAAAAAA MEEEEEEE HAAAAAAAAAAAAA!

The Metagross fired a Hyper Beam blast and the 2 girls fired a Kamehameha Wave and the blasts collided and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion blasted the Metagross into a wall and then Wera fired waves of energy and knocked it out.

Me: Take that!

Nico: WHOA! Nice job girls!

Eli: YEAH!

Flurry Heart: That was awesome!

Maria: Yeah it was!

Mirror B: Stop the music now!

The music stopped.

Rainbow Dash: Aww! It was catchy!

Me: That was a good song.

Nico: Yeah but that was an amazing job everyone!

Eli: Yeah that was awesome!

Flurry Heart: It sure was!

Wes: You did great catching your first Shadow Pokemon there Flurry.

Flurry Heart: It was so awesome!

Me: It sure was!

KazeAlice: I'll say! That was so fun!

Wes: Any favorite memories of Nico?

Me: Wait Wes. Lets revert Alice back first.

Maria: Right.

Me: Alice what were you doing before you were exposed to the Quantum Vapor?

KazeAlice: I want to be a meteorologist. I was studying the wind currents and then the next thing I knew this purple cloud rolled in and I got turned into this.

Maria: Being made of wind is amazing though for you.

KazeAlice: It sure is. I'm ready to turn back to normal.

Me: Okay.

I fired a beam of light and it hit her and reverted her back. She was a girl with green hair and had green eyes and had a green spring shirt and green skirt.

Alice Zephyrina: That was rough.

Me: But you still have your wind powers.

Alice Zephyrina: Wow!

Maria and Carol hugged her.

Maria: It's awesome having you with us.

Carol: Boy it sure is.

Alice Zephyina: I'm excited to be with you guys too.

Me: Okay now we can ask that.

Cynthia: Our favorites is when we learned Elemental Kamehameha Waves under Nico. We know them all.

Nico: Yep I taught you girls them.

Emile: That was so awesome.

Nico: Kakarot will love teaching you girls too.

Emile: Kakarot?

Nico: That's Goku's Saiyan name. He likes being called Goku. But me and my kind call him Kakarot.

Cynthia: Oh I get it.

Nico hugged them both.

Nico: I've really missed you girls.

Emile: We did too Nico.

* * *

We later came back.

May: Hey guys. How did it go?

Me: It was REALLY Epic!

We told them everything and it was awesome.

May: WHOA! That is awesome!

Goku: Boy no kidding! And Cynthia and Ellie that's incredible that you trained under Master Roshi too.

Cynthia: It sure is Goku.

Nico: We're all excited for you to train them Kakarot.

May: Next time, Tai, Marcus Damon, and their Agumon partners can go with you guys.

Me: Good idea May.

Eli: I can't wait to see one of the Cipher use a villainous breakdown like Kurata.

Me: That would be something to see.

Nico: Yep.

* * *

Later William was trying to contact Tommy and team.

William: (tries contacting Tommy's team) Tommy, this is William. What's the positions of you and your team. Tommy, acknowledge, where are you?

Maria: Their morphers should be broadcasting their location. Something's very wrong here.

William: I agree. This isn't right. Tommy are you there? Please respond.

Maria: Hmm.

William: Babe, you and I are going to find them.

Maria: Okay.

They went and looked for them.

But then in the arcade they saw something really freaky.

William: What the!?

They saw THE MIGHTY MORPHIN RANGERS AS KIDS!? WHAT IN THE 9 FUCKING LEVELS OF HELL IS GOING ON HERE!

Maria: WHAT THE FUCK?!

William: Maria get the team here quick!

Maria: Right!

Maria went and got us!

We went into the arcade and we were beyond shocked!

Me: Whoa!

Yvonne Eltal: How did this happen?!

Maria: I have no fucking idea!

Tommy Oliver: (Younger voice) It feels amazing being this young again.

Me: It's like what happened on TV when you guys had the Alien Rangers help you out the first time.

Aurico: Boy that brings back a lot of memories from back then.

Delphine: It sure does.

Me: Wait a sec! I know who did this! Rita!

Nico: Rita did this before and she did it again!

May: This isn't a problem. We'll just use our powers to fix this without any problem.

Me: It's worth a try.

I snapped my fingers and then…

POOF!

Nico: Did it work?

But when the smoke cleared they were still kids!

Me: Nope.

Qin: Whoa!

Nico: Hmm.

Me: Boy this is strong dark magic.

Nico: Yeah no kidding.

Me: But this is definitely Rita's magic.

Yumi: If Dark Magic caused this, Dark Magic can fix it.

Brittney: Yumi, Dark Magic doesn't work like that. Dark Magic never gives anything like that away for free.

Qin: She's right. There is always a price involved.

But then I saw Lisa Loud grinning nervously.

Me: Lisa? Is there something you want to share with the rest of the class?

Lisa Loud: Oh I suppose there is no hiding it. It's actually not my doing. It was Leni. That did it.

Leni: I went into Lisa's lab and played with a youth ray and it hit the rangers.

Stewie: Please tell me said Youth Ray has a reverse switch!

She showed us that the ray was blown to bits.

Me: Oh that is just fucking great!

Qin: Not good.

Lisa Loud: Luckily I did memorize the formula for it. It will take till the end of the mission for the effects to be reversed.

Nico: Well that is good.

Stewie: Why wait that long? I'll help you with the formula so the effects will be reversed before we meet up with the Legion. Besides, we still need to wait for the remaining Gene Slammer today.

Lisa Loud: It's not that simple Stewie. The ray took me over 3 weeks to build. It uses components that take days to synthesize them.

Nico: And 3 weeks is time we don't have.

Qin: Yeah.

Maria: But at least, we only have to wait until after Brainiac 5's ancestors demise.

Nico: Yeah that's true.

Me: Let me try again.

Nico: Okay.

I channeled my power and fired a beam of magic and then it turned the Mighty Morphin Team Back to normal!

Me: Yeah! It worked!

Nico: That did it!

Me: Just needed a stronger blast.

Maria: Awesome!

Hotlink: Now, Leni. What have we learned today?

Leni: Not eat toejam with my fashion magazines.

Me: (FACEPALMS)

Ed: (LAUGHS) Leni is funny.

Eddy: Shut up Ed.

Double D: Don't touch anything without permission!

Dexter: I must agree!

Qin: Yeah.

Me: Yeah.

Leni: Oh right. Sorry.

Nico: Good.

Maria: Where's the next Gene Slammer?

But then…

HOING!

MARIA GOT A REALLY NASTY ATOMIC WEDGIE!

SNAP!

Maria: HEY!

Nico: WHOA!

Me: Ouch.

Maria: I never thought I would be the one to get a wedgie

Nico: Don't you dare laugh at her!

Maria: OKAY WHO IS THE WISEASS!?

Then we heard someone laughing and out came a Leavanny!

Me: Hey a Leavanny!

Qin: Cool.

Lola: Pretty and awesome.

Leavanny: (In a girls voice) Sorry guys! I love good mischief.

Nico: (LAUGHS) Fern Loki! I knew it was you next.

She reverted back and was a girl with yellow hair and had green and yellow clothes.

Fern Loki: (LAUGHS) That was funny.

Maria: (GROWLS IN RAGE) GIVE ME A WEDGIE WILL YOU!?

Maria put her in a headlock and gave her a noogie!

Fern Loki: OUCH OWOWOWOWOW! CAN'T YOU TAKE A JOKE!?

Maria: I love a joke but NOT WHEN IT'S ON ME!

Fern Loki: Okay okay okay! Sorry!

Maria: Okay.

Fern Loki: Good.

Outback: What's your favorite memory of Nico?

Fern Loki: (LAUGHS) When I tricked a bully by giving him soup when it was actually diarrhea. He was really throwing up for weeks.

Me: Whoa!

Qin: (LAUGHS) I remember that! They called that day Night of The Shit Stew!

We laughed!

Xenia: Funny!

Me: Yep.

Nico and Fern hugged.

Nico: I've really missed you.

Fern Loki: Me too Nico. Me too.

But then…

KICK!

Nico: OUCH! Okay who's the wiseass!?

Me: Sorry Nico but this was on you.

I pulled off a sign and it said Kick Me I Eat Boogers and Crap in Lasagna.

Nico: Kick Me I Eat Boogers and Crap in Lasagna!? Oh really funny Fern.

Horri Bull: When we meet up with the Legion, we should have our big brains come up with firewalls for our tech so Brainiac 6 won't hack it.

Me: Good idea and with our technologically superior minds that won't be a problem.

Nico: Yeah that is for sure.

Qin: Yeah.

The previous group came.

Titanium Titan: (Spanish Accent) Can me, Kaos, Dr. Viktor, Mr. Fizz, Technus, Carly Atlas, Titania, Zs'Skayr, Kitty, and Johnny 13 go with you guys?

Nico: Yes you all can come with us.

Me: This is gonna be so awesome and cool.

Lola: It sure will.

Me: I've been looking forward to this one.

Xenia: Yep.

Ground Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Scolipede and Whimsicott.

Qin: Ooh! That will be awesome.

Lola: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Olivia Paisley of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Olivia Paisley of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Taylor: While you, Nerissa, and I deal with Olivia Paisley and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Olivia Paisley will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, it's time to help The Legion of Superheroes destroy Brainiac once and for all.

Lincoln: Brainiac's time is finally done, no longer will that monster be free to cause havoc in the entire universe ever again, and once we get done with destroying Brainiac, you're next, Olivia Paisley.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Taylor (Loud House): Hope you're ready for the beatdown of your life, Olivia, you may be tough, but you're about to face someone who's had a tougher and horrific life, but I came out of it stronger and better than you thanks to the team.

Nerissa: Everyone, hold on, we're coming.

We were off to the 31st Century.

---

We arrived in the 31st Century.

Kaos: So this is the future, eh?

Me: Yep. Welcome to the 31st Century.

Bender: It sure is amazing.

Lola: It sure is something.

We saw the Legion of Superheroes HQ.

Me: There it is.

We went up to the door.

Lightning Lad: Can we help you?

Bender: You can bite my shiny metal ass!

Killer Frost: Bender!

Lightning Lad: Hey you guys made it!

Me: We sure did.

Nico: Looks like the fun hasn't started yet.

Qin: Nope.

Lightning Lad: But we're glad you came.

We went in.

Bounce Boy: Glad you all made it guys!

Phantom Girl: We're happy to see you all.

Qin: Same here.

Mr. Fizz: Want some soda?

Bounce Boy: Sure!

They got some sodas.

Triplicate Girl: This will be awesome having you all help us.

Master Frown: We want to thank you guys for helping out against Bular.

Me: Yeah we owe you guys big time for that.

Legion Superman: No problem. It was really awesome.

Qin: Yeah.

Legion Superman: Did the Ridonculous Race go off without a hitch?

Me: It sure did. We had some special help from the Renegades.

Legion Superman: The group that the Flash faced from the 25th Century?

Flash: No this is completely different.

Moon Knight: It's a group I made that was based on them.

Carly Atlas: They were formed to make sure nothing like Team Buktu every happened again.

Me: That's right and you should have seen what they have done for us while we were away.

Nico: NUMEROUS Thugs and bad guys were beaten up, killed and mangled up.

Camie: It sure is true.

Lola: Yeah those 12 days were really amazing.

Legion Superman: Wow! That is amazing.

Me: It sure was. We had no idea that our city had a massive number of criminals hiding underneath it and they were waiting for us to leave so they can strike.

Moon Knight: But we were really busy taking them down.

Gladion: Yeah we sure were.

Bounce Boy: What did you guys do in the Ridonculous Race?

Me: Nico's little sister took down M-Bison and Vega, we battled the Foot Mystics and we took down the Celebrity 5 and then took down the Disk Wars Loki.

Nico: We sure did.

Rainbow Dash: Joel Murphy of the Celebrity 5 had an awesome time with the concerts we did in Madagascar.

Saturn Girl: Boy that must've been really fun.

Qin: It was.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume with 1 bottle of beer.

Poromon: (to the Legion): Hello there! I'm the beer fairy! Come to give you guys 1 bottle of beer!

Cosmic Boy: I don't get it.

RD Sam: (laughs) It's simple. Poromon's the Beer fairy! He puts bottles of beer under the pillows of good people when they're sleeping!

Me: (LAUGHS) It's really cute.

Saturn Girl: Digimon and Pokemon that drink?

Me: Don't fucking ask.

Qin: Yeah

Kitty: (to the Legion) You guys can fight each other for the bottle of beer if you want.

Saturn Girl: Nah we don't drink.

Phantom Girl: Me neither.

They shook their heads.

Me: Good.

Ted: I'll have that one.

Poromon: Okay.

He drank it.

Superman X: What's life like in your time?

Leozack: It's not THAT technologically advanced as this one. But you guys will still enjoy it.

Me: But it's cool.

Sasuke Uchiha: And I noticed that you and I sound so much alike in our voices.

Superman X: We sure do don't we.

Ed the Protector: Also me and my friends are also from the 41st Century.

Superman X: Nice to see some fellow time citizens.

Ed the Protector: Same here.

Me: We are all no strangers to time travel. We went all over the space-time continuum as you know.

Saturn Girl: Yes you told us a lot about that.

Poromon: But there are some things you guys won't enjoy. LIKE THE BLOOD AND HONEY MOVIE! (shows trailer close to Legion Superman's's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Legion Superman: WHAT THE FUCK IS THAT!?

Mevya: (shows trailer close to Lightning Lad's face) YOU LOOK AT IT!

Lightning Lad: WHAT A MONSTROSITY!

Manaphy: (shows trailer close to Brainiac 5's face) YOU LOOK AT IT!

Brainiac 5: WHAT IS THAT HORROR!

Poliwag: (shows trailer close to Phantom Girl's face) LOOK AT IT!

Phantom Girl: THE HORROR!

Horsea: (shows trailer close to Saturn Girl's face) LOOK AT IT!

Saturn Girl: GET THAT DISGUSTING MOVIE AWAY FROM ME!

Jirachi: (shows trailer close to Bouncing Boy's face) LOOK AT IT!

Bouncing Boy: WHAT IN THE NAME OF VOMIT IS THAT!?

Tentacool: (shows trailer close to Timberwolf's face) LOOK AT IT!

Timberwolf: HORRIBLE!

Mascots: WE WANT ALL OF YOU… TO FUCKING LOOK AT IT!

Johnny 13: Wait. Mevya's getting in on this too?!

Me: OH for fucks sake! (Spins Magisword Bracelet)

UCH! Roundy Spinny Thing Magisword!

I calmed them down.

Me: Sorry about that. 1,000 years ago in our time we have this horrible movie that we blacklisted. It's about Winnie the Pooh and Piglet turning into feral psychotic slashers.

They gasped!

Me: It's called Winnie The Pooh: Blood and Honey.

Xenia: Yeah it's bad.

Saturn Girl: When did that movie come out?

Me: February 15th, 2023.

Laney: That movie is so awful.

Me: We banned that movie from our list and vowed that we would not watch it even if you held a gun to our heads and threatened to blow our brains out.

Legion Superman: I don't blame you guys.

Me: Yeah.

Brainiac 5: Considering that the Piglet you guys know is an innocent soul, it's understandable that the mascots would freak out about this.

RD Lola: I agree.

Lightning Lad: So why didn't you guys give the makers of this sick movie the Black Gates?!

Poromon: Exactly!

Me: They are innocent people and even though the movie is not real it goes against our code to do that to the innocent.

Nico: That's right! Our code is to PROTECT the innocent. What you are suggesting is the total opposite.

Lightning Lad: Okay okay. Bad suggestion.

Nico: Good.

Alice Zephyrina: Moving on from that, me, Zoe, and Jessica got our own mascot Pokemon.

Jessica had a Pachirisu, Zoe had an Alolan Dugtrio and Alice had an Altaria.

Me: Cool a Pachirisu, Alolan Dugtrio and an Altaria.

Nico: Awesome.

Poromon: We also have our own cannons to use against Brainiac 6. We used them against a group of Squirtles yesterday.

Nico: You know you stole them from Black Mask, right?

Poliwag:… we regret nothing!

We laughed!

Me: Not even evil crime lords like Black Mask are a match for the cunning of the mascots.

Qin: Yep.

Legion Superman: That is cool!

Saturn Girl: That is amazing.

Qin: It sure is.

Dream Girl: Yeah it sure is.

Zs'Skayr: (to Brainiac 5) For the record, you're NOT like the original Brainiac of ANY world. You're much better.

Brainiac 5: That means a lot to me.

Qin: We're glad.

Me: The one from the Prime Universe got what he deserved. Just like the one here will.

Qin: Yep.

Beelzemon: Don't forget Lego Brainiac.

Me: That one is a funny version.

Qin: Who doesn't like the Lego World Villains?

Xenia: Yeah they are funny.

Titania: (to Mevya) Are you joining in on spreading the word about Blood and Honey as well?

Mevya: Only if needed.

Titania: Okay then.

Qin: Good.

Technus: (to Brainiac 5) I, Technus, will help you with said firewalls too!

Brainiac 5: All right then.

We got ready and Maria called it in.

We went outside and then Jack O Lantern, Pied Piper, Vexen, Ryugu Tamatebacco, Pterodactyl Ghost, Ice Demon, Mortal Kombat Scorpion, Stratos, Manta Bayarsh, and Gator Ghoul came.

Nico: Jack O Lantern, Pied Piper, Vexen, Ryugu Tamatebacco, Pterodactyl Ghost, Ice Demon, Mortal Kombat Scorpion, Stratos, Manta Bayarsh, and Gator Ghoul.

Jack O Lantern: (to Maria) So, your friends got mascots as well, huh?

Maria: They sure did.

Pied Piper: Now they just have to learn to speak.

Vexen: That will come in due time.

Me: Yep.

Ryugu Tamatebacco: (to Nico) We heard you went bowling.

Nico: We sure did.

Pterodactyl Ghost: I hope you got at least one strike.

Me: More than that. Nico got a Perfect 300 Game.

Pterodactyl Ghost: Whoa! What a game!

Xenia: That was so fun!

Elephantitan came.

Me: Another round I see Elephantitan?

Elephantitan: Yep.

Me: Cool.

Elephantitan: (Trumpets) Got any peanuts?

William: I got some right here.

He gave him a bag of them.

Elephantitan: Thanks.

Qin: Awesome.

Nico: Lets get this party started.

We got the battles underway.

Lana, Rip, Green Heart, White Heart, Purple Heart, Compa, Rarity, Sweetie Belle, Water Skylanders, Poison Ivy and Killer Frost VS Vexen, Evil Ice Man, Gitai. Setsuna, TTG Trigon, and Shizuku - Lincoln's rescue and Finding out that Sebastian's Evil Side was REALLY to blame, Not the REAL One!

---

Vexen was next.

Vexen: (to Lana) Lincoln had a good rescue like always. And you guys found out that Sebastian's Evil Side was REALLY to blame, Not the REAL One!

Lana: Yeah we sure did! That was crazy! Chase Young was responsible for it! We found his journal that Chase gave us and we found out that Dark Chase was responsible for it all!

Vexen: What!? That's horrible!

Rip: Yeah it sure was!

Green Heart: Yeah.

---

Lincoln: It seems they haven't learned their lesson the first time, well, looks like I'll have no choice but to teach them another lesson, and I want to thank you and your team for joining us, Carol.

Carol: You're welcome, Lincoln.

Just then, Chase Young and Darren Arcangela arrived, and in Chase Young's hand is a journal.

Lincoln: Darren, Chase, what brings you guys here?

Darren Arcangela: We're not only joining you guys on the rescue, but Chase and I did some digging around, and we came across a journal.

Suddenly, Lincoln saw the name: Sebastian Mendez.

Chase Young: Now, before you all react badly, I think we need to look in this journal, maybe there's a clue as to how he became like this.

Chase Young opened the journal, and he opened to the page of the beginning of the nightmare for Sebastian Mendez.

Sebastian Mendez: (Speaking through his journal) May 28th, 2018, it was the anniversary of the day I lost my dad to cancer. I was heading out for a walk in Maryland, but then, I was suddenly attacked by a crazed murderous young man dressed in a red prison jumpsuit, he had murder in his eyes and a knife in hand. Suddenly, I was overcome with horror and anxiety, but then, a dark force took over my body, I wasn't even in full control, but I saw what I did: I brutally attacked the prison convict and that drove him off, and he was captured by the police, and I heard the name, "Dustin Keystone"

We gasped.

Lincoln: So, that part of the story's true. Now, to get down to the big one.

Lincoln turned the page.

Sebastian Mendez: (Speaking through his journal) March 2nd, 2022, it's been four years since that attack by Dustin Keystone, but I've tried to get control of this murderous evil in my heart, it kept on yelling in my ears to kill, but I tried hard to ignore it, yet it was too strong and powerful. I have no idea nor how much longer I can survive or even live with this thing inside me. Suddenly, a wave of rainbow energy hit me, and suddenly, I felt like I was purified. Then, I saw it: it looked like me, but he had red eyes of pure hatred and insanity, he was suddenly driven off, but I don't know how long it will be, but I didn't care, I was freed. But, what should've been my moment of freedom would soon be short lived, for the nightmare was just beginning.

Lincoln: Whoa, now that's just dark.

Me: Big time. Let's see what else the journal says.

Lincoln turned the page.

Sebastian Mendez: (Speaking through his journal) March 15th, 2022, I enjoyed my moment of peace and freedom in four long years, but my moment of freedom would end. I was suddenly approached by a man with scary-looking black hair and demonic-looking brown eyes with reptilian slit pupils, he had a black aura in his hand, and he blasted me with it, and then, he merged the very demonic beast that dwelled inside me for four long years back into me, and I cursed at the man with such venom in my voice, but he stood there laughing malevolently, and he disappeared, and my nightmare was now reborn.

We gasped in shock: SEBASTIAN BECAME ANOTHER OF CHASE YOUNG'S VICTIMS, JUST LIKE WITH PRINCIPAL HUGGINS ALL THOSE YEARS AGO!

Nico: HOLY CRAP! So… , Sebastian… , he became another of Evil Chase's victims just like what had happened to Principal Huggins all those years ago?!

Me: Lincoln, you did free Sebastian from the darkness inside him, but Chase found a way to fuck that over by merging his darkness back into him!

Lincoln: He had a moment of freedom, but that moment of freedom was taken away from him by that deliberate act by Chase Young's dark side.

Chase Young: Indeed. I ruined that young man's future, and I know how much he hates me.

Lincoln: He doesn't, Chase, but now, we all know the truth: what we'd dealt with yesterday was his demonic side that we'll call Evil Sebastian, and that the real Sebastian was a kind and tragic person who had his life ruined by Dustin Keystone and your evil self. Let's see if there's more to him.

Lincoln turned the page.

Sebastian Mendez: (Speaking through his journal) December 31st, 2022, how I despised that evil man for ruining my moment of freedom in four long years, but I was no match for him not in the slightest. I needed the help of Team Loud Phoenix Storm, but I couldn't do anything if that monster comes out again. Suddenly, I was enveloped in a tornado of Divine Darkness, and there, I was met by Nyx, The Greek Goddess and Personification of The Night. She'd done a sacred ritual to permanently sever me from the evil within my body: but there was a catch, his now cleansed soul was moved to a new body where I had to wait a year until I was finally reborn, but as for the evil inside me, he'd took on the form that'll one day meet Team Loud Phoenix Storm in Thailand and he escaped. By the time I would be reborn, the Evil Sebastian will have already done a ton of damage already by orchestrating the death of Darren Arcangela's brother, Logan, through Connor Deveraux and his MS-13 gang in New York and that evil monster would be exposed by Lincoln and he'll be sent to The Black Gates forever for his crimes, and they'll be angered by what he did with his betrayal. How I hate him for his lies and deceit. If I re-emerge into the world, I can't show my face to the public, instead I'll take on a hero persona calling myself Nyx, The Dark Swordsman of The Divine Eternal Night: and it's a name that'll strike fear into the hearts of the irredeemable and brings hope to the people, but I pray that someone would see the truth of what really happened to me, and that the one to blame for all of this was the darkness inside me: a darkness born from Dustin Keystone's attempted attack and made worse by Chase Young.

When Lincoln was done reading Sebastian's journal, we were really horrified and shocked: Sebastian Mendez, the real Sebastian, was indeed a tragic soul: one who was struck by an attempted murder attack by Dustin Keystone, which led to the birth of the evil in him four years ago, and then, four years later, he was freed by Lincoln's Dark Side Eternal Purification technique, but that peace would be ended by Chase Young merging the evil he'd been freed from back with him condemning him to an eternity of pain and suffering, and then, he underwent a powerful divine blessing by Nyx, The Greek Goddess and Personification of The Night who did a sacred ritual to to permanently sever him from the evil within him: but there would a catch, his now cleansed soul was moved to a new body where he had to wait a whole year until he was finally reborn, but as for the evil inside him, he took on the form we'd met in Thailand and escaped into the world. By the time Sebastian was reborn a year later, Evil Sebastian had already done a ton of damage already by orchestrating the bloody death of Darren Arcangela's brother, Logan, through Connor Deveraux and his MS-13 gang in New York and his evil side was exposed by Lincoln and he was sent to The Black Gates. Sebastian took on a hero persona calling himself Nyx, The Dark Swordsman of The Divine Eternal Night: and it's a name that strikes fear into the hearts of the irredeemable and brings hope to the people, but Sebastian prayed that someone would see the truth of what really happened to him, and that the one to blame for all of this was the darkness inside him: a darkness born from Dustin Keystone's attempted attack and made worse by Chase Young.

Me: Oh man. This… this really is a total twist of everything. I thought Sebastian was a traitor, but he was a victim.

Lincoln: A victim of Dustin Keystone's attempted attack and it was made worse by Chase Young's evil merging that demon back in him. Plus, what he wrote in his journal: he had a vision of what'll happen a year later, whoa!

Nico: Sebastian's never going to forgive any of us for what Evil Sebastian did, we were so enraged by Evil Sebastian's betrayal and for playing us for fools, he probably hates us.

Suddenly, a hand was placed on Nico's shoulder: it was a gentle touch.

?: I never said I hated you, Nico, I never hated any of you.

We turned around and we saw a 21-year-old man, he was tall at 7'0" in height, he had long black hair going down to his neck, very muscular with abnormally massive and powerful upper and lower body muscles and eight pack abs, peach skin, dark brown eyes, and massive midnight black angel wings, and he was dressed in a long black long-sleeved coat with stars and darkness on the coattails, black shirt, white buttoned dress shirt, gold choker on his neck, large midnight blue brooch, long black pants, and black knee-high boots, and in his right hand is Nyx's Eternal Midnight Greatsword of Eternal Midnight Moon Justice, a massive greatsword with embedded midnight blue gems and the Goddess of The Night, Nyx, etched on the 7'3" massive, wide, double-edged midnight black blade, large midnight black dragon heads for the crossguard, large white angelic faces built into both sides of the hilt and large midnight blue gems embedded in the foreheads, longer midnight black handle, four large midnight black dragon heads and a large angel head with a midnight blue gem in its mouth on the bottom of the four midnight black dragon heads for the pommel: it was Sebastian Mendez, the real Sebastian and not the Evil Sebastian.

Lincoln: You… , you're… Sebastian Mendez, the real one, and not Evil Sebastian.

Sebastian Mendez: Yes, Lincoln Loud, you're correct.

Me: So, it's true, everything you said in your journal, it was true.

Sebastian Mendez: Yes, it is, J.D., what I wrote in my journal was true. Evil Sebastian told you all the story when you first met him in Thailand, but he left out many details that I put into the journal, and he was trying to make himself out to be a hero when in reality, he's not.

Lincoln: We destroyed Evil Sebastian yesterday, and he was sent to The Black Gates, and you really had a plan to keep your identity a secret.

Sebastian Mendez: I know when it came to hero identities, you guys already know it's useless since you already know about who they are under the mask. But, you had every reason to hide your face from the world: Evil Sebastian pretty much ruined your life.

Eli: The Force should've told me much about this from the beginning.

Sebastian Mendez: It wasn't exactly easy: Evil Sebastian's Infernal Darkness messed with your Force Energy sensing, Eli, so you were easily confusing Evil Sebastian with me.

Lincoln: Still, we owe you an apology for this, I thought that…

Sebastian hugged Lincoln.

Sebastian Mendez: It's okay, Lincoln, you did what had to be done.

Lincoln smiled warmly and hugged Sebastian back and we also joined in, and unknown to Sebastian, we broadcasted his real story to the world, and everyone saw it for themselves including everyone at The World Tree Estate.

Man: Oh man. So… , all this time, the Sebastian we thought was a traitor… , was actually… the evil he kept inside him for four long

years.

Woman: Lincoln did free him, but unfortunately, Chase Young's Dark Side decided to fuck things up for them both, and condemned him to the same way he infected Principal Huggins. He had to wait a whole year to be reborn, but then, that monstrous Evil Sebastian decided to… ruin things for him.

Man: Lincoln and everyone wanted to apologize for what Evil Sebastian did, and Sebastian already forgave them, and they hugged in forgiveness.

Everyone: WE ALL FORGIVE YOU, SEBASTIAN MENDEZ! IF TEAM LOUD PHOENIX STORM FORGIVES, THEN WE DO AS WELL!

Everyone cheered for all of us and forgave Sebastian Mendez, despite that he already forgave every last person in Gotham Royal York and the world for what Evil Sebastian did.

FLASHBACKS

YESTERDAY

Nico: Yep. So, Leona, what's the story on how you and Lincoln took down Lynn whenever she goes on her massive rage-fueled rampages?

Leona Carmine: That's something I'll never forget, and I got a video to show the story.

Leona Carmine pulled up the video as it played on the big screen. There we see Leona Carmine and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and Leona was doing the same routine as Lincoln. Suddenly, they heard a loud thunderous belch in the air.

BBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUURRRRRRRRRR

Past Selene Emperyous: What the heck was that?!

Then, they caught the stench of sweaty armpits and smelly feet, and there was only one person who could make that loud thunderous belch and have the stench of sweaty armpits and smelly feet.

Past Laney Emperyous: Oh no.

Past Leona Carmine: It's Lynn, she's here, I can smell her sweaty armpits and smelly feet from a mile away. Ugh, she smells like a week old gym bag!

Past Lincoln: Everyone, get ready!

Lincoln and his Guardian Angels stood ready, and then, the doors burst open, and there stood Lynn with red eyes and her mouth was foaming. Then, Lynn roared and she charged at Lincoln and Melanie Aranyani, but Melanie punched Lynn hard in the face and sent her flying out of the gym, and they all followed. Lynn got up and she roared and beat her chest like a gorilla.

Past Lincoln: Come on, Leona, let's get her!

Lincoln and Leona Carmine went after Lynn, and they proceed to beat her into the ground and they showed her no mercy whatsoever. Then, Lincoln knocked Lynn out with a knockout punch, and then, he tied her up in red energy ropes so she couldn't escape, and Leona Carmine ran up to Lincoln and they kissed, as the video ends and we cheered.

Maria: Whoa, Lynn never stood a chance against you two.

Lincoln: Lynn never did, she may be strong, but Leona and I were stronger, and we knew how to wrangle her in.

Leona Carmine: And I was shocked to find out it was Principal Huggins' Dark Side that did this and turned Lori, Lynn, Lola, Lisa, and Luan into outright monsters.

Lincoln: He's recovered greatly, but, we also found out the one person that's responsible for turning Principal Huggins into the very jerk who wanted me dead was Chase Young.

Leona Carmine: WHAT?!

Anna Anyanova: It's true, Leona, Chase Young was the one responsible for turning Principal Huggins into the killjoy jerk we hated and who also gave him that Dark Side Creation Serum that turned Lori, Lynn, Lola, Lisa, and Luan into the outright monsters we pulverized, he was the true source of all of Lincoln's pain and suffering, along with what he did to Sebastian. We separated Chase Young from his dark side, and we made him pay for 1,500 years of evil and we sent him to The Black Gates.

Leona Carmine: Good, he was scum!

Sebastian Mendez: Scum like him deserve to die.

TODAY

Nico: Yep. So, Magnolia, what's the story on how you and Lincoln took down Lynn whenever she goes on her massive rage-fueled rampages?

Magnolia Monroe: That's something I'll never forget, and I got a video to show the story.

---

Pterodactyl Ghost was next.

Pterodactyl Ghost: (to Maximum Ride) The Mighty Morphin Rangers got turned into kids!? Please tell me you guys fixed it!

Maximum Ride: It was like what happened when Zordon called upon the Alien Rangers to help them out and it was really bizarre! We have no idea how this could have happened but it was crazy!

Suki: It sure was and it was amazing seeing them as younger kids.

Ikki: It was really cool too.

Rashin: It sure was.

Vesper Woman: We were really amazed seeing this.

Griselda Nottingshire: It sure was awesome.

Rainbow Dash: I'll say! They still have all their memories and skills as the rangers.

Scootaloo: But we still don't know how this could have happened to them.

Whirlwind: Yeah no kidding! Also we don't know who did this but it's some kind of dark magic.

Pterodactyl Ghost: So Rita did this like she did before! Then the only way to get them back to normal is to kill her.

Maximum Ride: She's in the Warp so there's no way that her magic got through.

Pterodactyl Ghost: Hmm. We'll have to look into that. Lets do it!

Varie: It sure is awesome.

Zarya: I'll say.

Elephantitan: Yep. Lets do it!

I teleported and opened his safe and in it was a bunch of weapons called the Destroyers of Brainiac, a massive collection of massive greatswords with embedded colored gems matching the Legion of Superheroes and the emblems of the Legion of Superheroes etched on the 7'0" massive, wide, double-edged colored blades, large colored phoenix heads for the crossguards, large white angelic faces built into both sides of the hilts and large colored gems embedded in the foreheads, longer midnight black handles, four large colored phoenix heads and large phoenix heads with colored gems in their beaks below the four colored phoenix heads for the pommel. Once in hand, we'll gain a massive power and energy increase.

I teleported back with them.

In Space Rangers: LETS ROCKET!

They transformed and were ready!

Megaforce Rangers: LEGENDARY RANGER MODE! IN SPACE!

They turned into the In Space Rangers too!

Me: Lets get him!

Andros: Spiral Saber Blaster!

T.J.: QUATTRO BLASTER!

We fired waves of energy and elements and the blasts all hit him and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Me: Oh yeah! Elephantitan you have failed this timeline.

Troy Burrows: Rangers that's a Super Mega Win!

---

The usual battles are done and we cheered.

Me: That was awesome!

Qin: Yeah it was!

Legion Superman: Yeah it was!

Qin:Yeah!

Borth and everyone came back.

Borth: We did it!

Majar: What did you do, Borth?

Borth: Not just me! Me, Brainiac 5, Stewie, Double D, and Technus have finished making firewalls for all our technology. They will no longer be able to be hacked by Brainiac 6.

Me: Awesome!

Xenia: We'll have to see if it works later on.

Then a beep was heard.

Dr. Viktor: Intriguing. Brainiac just sent his coordinates to us. He's on the Colu of this world.

Me: All the way over there? Whoa.

Maria: He's trying to lure us into a trap. But it looks like we have no choice but to spring it.

Nico: But lets get going guys. Get ready Brainiac, (EYES GLOW RED) YOU HAVE TERRORIZED THIS UNIVERSE FOR FAR TOO LONG!

Me: (EYES GLOW RED) AND YOU WILL PAY FOR EVERYTHING YOU DID!

We were off to Colu!

* * *

We arrived at the planet Colu.

We saw that it was a technologically advanced and amazing planet.

Me: WHOA! So this is the planet Colu!

Xenia: Incredible! This world is so advanced!

Tecna: (British Accent) Wow! It's just as amazingly advanced as Zenith back home.

Lola: It's amazing!

We arrived at Brainiac's fortress!

Me: Wow! Brainiac's fortress.

Camie: Scary place.

We then went up to the entrance and saw DRAX!

Nico: So this is Drax? Reminds me of General Zod in the old days.

Drax: I actually idolized Zod.

Drax (Marvel): You know what's very coincidental is that you and me both share the same name. I'm Drax the Destroyer from the Guardians of the Galaxy.

Drax (DC): That is coincidental that we both have the same name. (to Legion Superman) Maybe I should subject him to one of his previous fates by snapping your neck!

?: I got a better idea!

Missy Rodgers: I know that voice!

Then Z-Strap and the Zevo 3 came!

Z-Strap: We got this. You guys go in and stop Brainiac.

Me: Right!

Missy: Let me help you guys!

Z-Strap: You got it!

We went in.

Mandark came.

Nico: Thanks for coming, Mandark.

Mandark: It's my pleasure to help you all out Nico and this will be a most enjoyable experience to help you all out.

Me: You got that right.

We got into the main room and Mandark went in and faced BRAINIAC 6!

Brainiac 6: Mandark Astronomonov or do you prefer to be called

Susan?

Mandark: Don't ever call me that.

Brainiac 6: Your parents are not very bright naming you that.

Mandark: That is true and you're not really the Brainiac we know, are you? You're just the version from this world.

Brainiac 6: I prefer Brainiac 6. But you are correct. However, you must know that all Brainiacs in the Multiverse can be connected to each other through one Hive Mind, I was fortunate enough not to be connected to the Prime Brainiac before you all destroyed him.

Mandark: That's because we always think ahead.

Then the spirits of the Legion of Superheroes and the Justice League flew in and swirled around him and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and then we came out!

Me: Vril Dox A.K.A. Brainiac. Or do you prefer to be called Brainiac 6?

Brainiac 6: I prefer Brainiac 6.

Qin: Whatever you are called we will still destroy you.

Brainiac 6: (to Brainiac 5) You do not have to fight for these pitiful humans, Brainiac 5. You joined me before. You can do so again.

Brainiac 5 thought hard before making his decision.

Brainiac 5: You corrupted me and nearly made me kill my friends. I may have joined you before. But I won't make that same mistake again!

Brainiac 6: Disappointing. Then you can die with all the rest.

Brainiac 6 tried to hack the belts of the Legionnaires… only for nothing to happen.

Brainiac 6: Interesting…

Lincoln: Interesting?! You know, we came all this way to kill you and that's all you have to say to our tech being immune to your powers?! This is where you get angered by us!

Lightning Lad: This IS Brainiac we're talking about. He doesn't do emotions.

Stewie: That's a fair point. And to answer your question, me and the other geniuses spent an hour putting up firewalls on our tech to prevent your from controlling them.

Me: So in a way there is a new force that not even your 12th Level Intelligence can beat and that is US!

Qin: Yeah!

Brainiac 6: There are other ways to delete all of you. Krybots. Pordermen. Come.

An army of Krybots and Pordermen appeared.

Me: Krybots and Pordermen! Now we're talking!

Nico: Yeah!

Nico fired waves of energy and blasted many of them all over.

Then the footsoldiers jumped the Legion! The Legion lay defeated at the hands of the Krybots and Pordermen.

Brainiac 6: (to Legion Superman) Before I destroy the rest of your friends, I will first delete you. Fitting that I will finish what my counterpart could not.

Superman: (hits Porderman with laser vision) There has to be some way we can help them!

I teleported and kicked Brainiac 6 down!

Nerissa got an idea.

Nerissa: (to everyone watching) Everyone out there! Lend the Legion of Superheroes your strength! They get stronger with your support! When I go "1,2", shout "Up Up and Away"! Okay? 1,2…

All: UP UP AND AWAY!

Nerissa: One more time! 1,2…

All: UP UP AND AWAY!

Nerissa: Louder! 1,2…

All: UP UP AND AWAY!

Jamesdeadn5842: UP UP AND AWAY!

Mermaidman: UP UP AND AWAY!

At those words, Legion Superman found the strength to get up.

Brainiac 6: Impossible. Why do you continue to resist?

Legion Superman: Because that's how us humans are. We keep fighting as long as there's hope!

Me: And it's how we choose to!

Legion Superman then used laser vision to knock down a nearby Krybot and a nearby Porderman.

Legion Superman: Thanks for the help, everyone.

Lightning Lad: I knew I had fans out there!

Brainiac 5: I guess everyone DOES forgive me after all.

Phantom Girll: Told you.

Saturn Girl: We're not finished yet.

Timberwolf: We still gotta settle the score with your ancestor.

Nico: That's right!

Camie: Lets get him!

Sento: Now, shall we begin the experiment?

Nerissa: We shall. With me transforming with you guys!

Jack Landors: Damn right, Nerissa!

SPD Rangers: SPD Emergency!

Lupinrangers: Kaitou Change!

Patrangers: Keisatsu Change!

Sento pulled out a black and red device with silver gears and a crank handle, as well as a red and blue pair of bottles Banjo pulled out an identical device, but only one bottle, as what looks like a tiny dragon with a hole in it's back flies into his hand, folding it's head and tail up as it does. With that, both Sento and Banjo placed on their belts before shaking the bottles they carry. Sento twists the caps on his bottles, while Banjo does the same, before slamming his cap down into the back of his dragon as Sento inserts his bottles cap down into his belt, followed by Build slamming his dragon into the belt.

Cross-Z Dragon: Wake up!

Build Driver (Sento): Rabbit! Tank! Best Match!

Build Driver (Banjo): Cross-Z Dragon!

With these actions, both Sento and Banjo start cranking the handle on the side of their Build Drivers, causing them to generate some sort of constructs resembling model kit wire frames on a giant rack

Build Drivers: Are you Ready?!

Sento and Banjo: Henshin!

Build Driver (Sento) Hagane no Moonsault! RabbitTank! Yay!

Build Driver (Banjo): Wake up Burning! Get Cross-Z Dragon! Yeah!

With the famous pronouncement made, the wire frame constructs slam into Sento and Banjo, Sento's creating his red and blue striped armor across a black bodysuit, with a visor resembling a blue tank and red rabbit head, using armor pieces resembling a rabbit ear and tank barrel to create something akin to a scarf, while Banjo's is much simpler, dark blue armor with a flame design wrist plate on his left arm, but as the armor halves come together, a third section folds in, creating shoulder pads with that flame design and a dragon head visor. And each generates a weapon as well, Sento receives what looks like a steampunk drill sword, and Banjo a normal looking sword with a pull tab at the pommel.

Gentoku Grabs a blue belt and purple bottle and Places the belt on his waist.

Sclash Driver (Gentoku): Sclash Driver!

With his Sclash Driver secured, Gentoku twists the cap on his bottle, activating it

Crocodile Crack FullBottle: Danger!

As the FullBottle starts to play what sounds like a version of the theme from "Jaws", only with three beats before repeat rather than two, Gentoku places it into the Sclash Driver

Sclash Driver (Gentoku): Crocodile!

Gentoku: Henshin.

With that, Gentoku presses down on the wrench handle, forcing the press against the FullBottle, which forces the fluid into the activator vial, causing some sort of beaker setup to form around Gentoku, with giant crocodile jaws on the side breaking the beaker once it fills up with a strange purple fluid that forms most of Gentoku's violet and black armor, save the white cracks in it, including a replica of the jaws on the sides of his head, which create the green eyes by cracking the helmet

Sclash Driver (Gentoku): Wareru! Kuwareru! Kudakechiru! Crocodile in Rogue! (Utters some sort of guttural cry, followed by a scream from the FullBottle itself)

Kazumi placed the Sclash Driver on his waist.

Kazumi: Well then. Time to get into the game.

With his goal known, Kazumi twists the cap on the Robot SclashJelly before placing it cap down into the Sclash Driver

Sclash Driver (Kazumi): Robot Jelly!

Kazumi: Henshin.

With his battle cry made, Kazumi pushes down on the Sclash Driver's wrench handle, crushing the Robot SclashJelly and sending the contents into the activator vial. This action causes Kazumi to be surrounded by a giant beaker setup filled with black liquid that immediately fuses to Kazumi, forming a black and gold armored suit with a red eyed white head, out of which spouts some golden oily substance, which forms black chest and head armor as well as golden shoulder pads on Kazumi's armor)

Sclash Driver (Kazumi): Tsubureru! Nagareru! Afurederu! Robot In Grease! (Guttural screaming)

Utsumi: Henshin!

Jack Landors: 1! SPD RED!

Sky Tate: 2! SPD BLUE!

Bridge Carson: 3! SPD GREEN!

Z: 4! SPD YELLOW!

Sydney Drew: 5! SPD PINK!

Sam the Omega Ranger: "Force from the Future! SPD Omega Ranger!"

Commander Krueger: "Sworn Defender of the Galaxy! SPD Shadow Ranger!"

Kat Manx: "SPD Kat Ranger!"

Nova Ranger"Force from the Future! SPD Nova Ranger!"

All: "Defenders of Earth! Power Rangers SPD!"

She summoned Salami Swami and all of the Food Members of the M.O.E.!

Me: OH YEAH!

Nerissa: I've had it up to hear with you to last an eternity, Brainiac.

Suddenly, Nerissa's green eyes turned neon green and she was surrounded by a pink energy aura with quintessence, lightning, life energy, magic, phoenixes, and angels, she unholstered her broadsword from her back, and as she approached Brainiac, she left pink energy, quintessence, lightning, life energy, magic, phoenixes, and angels with every step.

Nerissa: Brainiac, I will never forgive you for what you've done: you've destroyed many planets and killed so many innocent people, and among those who'd suffered were Superman and Drakus when you destroyed their home planets on your homicidal rampage. You truly are the personification of evil in the universe, and as one of The Three Kandrakar Guardians of The Heart, I hereby sentence you to death for every last one of your crimes.

Suddenly, Nerissa was surrounded by a massive vortex of pink energy with quintessence, lightning, life energy, and magic surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Brainiac: the red eyes of death. Then, as the vortex faded, Nerissa emerged, but she was changed forever.

(WE ARE WITCH PLAYS)

Nerissa grew to 7'1" in height, she has the body of a goddess, she has pink highlights in the bangs of her long black hair, she has neon green eyes and a pink energy aura with quintessence, lightning, life energy, magic, phoenixes, and angels surrounding her, she has a phoenix with the Quintessence Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with pink gems for eyes and the Quintessence, Life, and Eternity Kanjis in its claws and her Crystal Necklace of the Buddha with pink gems on the gold lightning bolt links and pink crystal links and pink angel-shaped Element of Harmony and on the bottom of the Element of Harmony is a phoenix with pink gems for eyes and holding the Quintessence, Life, and Eternity Kanjis in its claws for the pendant, Nerissa has on a long-sleeved pink dress with purple phoenix on it, pink skirt with life energy and lightning on it, teal and green striped pants, purple knee-high high heels, and a long white long sleeveless trenchcoat with phoenixes, angels, lightning, and quintessence on the coattails and on the back is a phoenix with lightning surrounding it. Suddenly, Nerissa felt a sharp pain on her back, and then, massive black angel wings with pink and purple tips on the large black feathers grew and sprouted out of her back. Nerissa has on a Ring of The Phoenix with bright red gem and heart shaped gem embedded in it on her right ring finger and White Lantern ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Nerissa's broadsword and all the greatswords she'd acquired began to merge together and they're surrounded by a kaleidoscope of pink energy, quintessence, life energy, lightning, and angels, and when it emerged, it was transformed into Nerissa's Kandrakar Electric Quintessence Greatsword of Magical Justice, it's a brand-new large greatsword with the symbol of Quintessence and the symbol of Kandrakar etched on the 7'0" massive, wide, double-edged pink blade, large pink phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt and large purple gems embedded in the foreheads, longer midnight black handle, four large pink phoenix heads with purple gems for eyes and a large purple gem below the phoenix heads for the pommel, she has on her new Bracelets of the Champions of The Universe with large pink gems on her wrists, Belt of Elemental Bravery with a gold phoenix head with pink gems for eyes and large purple gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe, and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a pink kanji below the phoenix that said, "Nerissa, Guardian of Quintessence, Dear Friend of Cassidy, Halinor, Kadma, and Yan Lin, Member of Team Cassidy, Halinor, Kadma, Yan Lin, Nerissa, Mother of Caleb, Predecessor of Will Vandom and Phoebe Vandom, Dear Friend of Irma Lair, Taranee Cook, Cornelia Hale, Miranda, Raythor, and Lilian Hale, Loving Sister of The Legion of Superheroes, Archenemy of Mandark, Destroyer of Dark Nerissa and Phobos, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Friend to Many, Amazing and Powerful Student of Amazing and Powerful Teachers, Amazing Member of Team Loud Phoenix Storm, Guardian of the Heart of Kandrakar, and Master of

Nerissa has transformed into SUPER ANGEL-PHOENIX-HARMONY XELNAGA ETERNITY INFINITY KANDRAKAR ELECTRIC QUINTESSANCE HEAVENLY PHOENIX ANGEL OF DIVINE ELECTRIC QUINTESSENCE JUSTICE AND DIVINE ELECTRIC QUINTESSENCE KANDRAKAR LIFE!

We were amazed by Nerissa's Super Angel-Phoenix-Harmony Xelnaga Eternity Infinity transformation, but when Brainiac saw it, he fired an energy blast to kill her, but Nerissa fired a powerful pink energy blast with quintessence, life energy, lightning, phoenixes, and angels at Brainiac, and it exploded as it hit him, and it fried his circuits, and this angered the homicidal monster.

Legion Superman: Whoa, so that's your…?!

Nerissa: (Divine Echoing Cosmic Voice of The Quintessence Kandrakar Life Guardian Phoenix Angel and Divine Electric Kandrakar Quintessence Lightning Life) **This is my Phase 1 transformation, the Phase 2 transformation is coming very soon.**

Lincoln explained to The Legion of Superheroes about The Legion of The Lincoln-Haters and he was the only one who stood up to them and he got them expelled and sent to prison five years ago and he ended their reign of terror, and now, five years later, they broke out of prison and they want blood revenge on Lincoln for ruining them. When he was finished, they were horrified.

Brainiac 5: Damn, I never knew a bunch of villains like that existed.

Nico: Yeah, and even worse, they're the daughters of The Blood Dragons, a brutal gang of thugs who we put away a year ago. If I find out Brianna Greyson and the others plan to bust out their daddies from jail, we'll probably go after them, and heck, Lincoln will probably kill them right in front of their daughters pissing them off even more.

Melanie McPherson: (Scottish Accent) Not a bad idea.

Me: Yeah, I like that.

Lincoln: Me too. If they bust their dads out of prison, then, they'll be heading right for the grave.

STRETCH SMASH!

She fired waves of energy and blasted them into dust!

Timberwolf: (gets out Bull-E's Fullbottle) A wolf using the powers of a bull? Now THIS is weird.

BULL-E!

He rammed Brainiac 6 and bashed him all over.

Keiichiro summoned Siren Striker's armor.

Keiichiro: Super Patren 1gou!

Superman X: (to Legion Superman) I think it's time we used that merged form again.

Legion Superman: WHAT?! But that was only in Brainy's head!

Nerissa: I get the feeling that my successor probably did would've done the same thing in an alternate time. But enough about that. It's worth a try!

Keiichiro: So that's Superman Supreme, huh?

Superman Supreme: Let's take him down!

Kairi Yano: Not without me!

Kairi Yano inserted Good Striker on his VS. Changer to split himself into three.

Good Striker: Make a game!

Poromon: After this! Fire the cannons!

The mascots got out their cannons as Gator Ghoul bit Brainiac 6's hand off!

Gator Ghoul: Told you I'd bite off your hand!

Nico: You sure did!

Sento: (Pulling out giant FullBottle,while throwing the knuckle duster and normal size FullBottle to Banjo) Banjo, you know what to do.

Banjo: (Catching what was just thrown to him) Then let's do this!

With that, Banjo takes the dragon patterned FullBottle, opens the cap and sticks it cap down into a slot on the top of the knuckle duster before flipping it's handle up

Cross-Z Magma Knuckle: BOTTLE BURN!

With the Cross-Z Magma Knuckle's handle upturned, Banjo removes the Cross-Z Dragon from his Build Driver and replaces it with the Cross-Z Magma Knuckle, which causes the knuckle itself to split open at the front, revealing the FullBottle inside, now glowing orange as Banjo cranks the handle on his Build Driver, causing a giant forge construct to appear behind him)

Build Driver: (Banjo) Are you Ready?!

As soon as the question is asked, Cross-Z Magma stops cranking, as the forge construct pours molten lava over him. As the lava cools, eight dragon heads emerge from it only to cool into rock, which the forge construct breaks, revealing Banjos new orange and black suit, with eight dragon heads incorporated into the design

Cross-Z Magma Knuckle: Gokunetsu kinniku! Cross-Z Magma! Achachachachachacha Acha!

Sento: (As Banjo stands ready) Show off. Try not to overheat.

With his jab made, Sento presses the cap of his FullBottle before twisting it, activating the device.

Genius FullBottle: Great! All Yeah!

His final move ready, Sento removes his base FullBottles, and places the Genius FullBottle into the Build Driver in their place, immediately beginning to turn the crank as he does)

Build Driver: GENIUS! Are you Ready?!

As Sento stops cranking, we see a blue, white, and gold factory construct around him, moving what look like 60 FullBottles across guide rails and conveyor belts, which form onto a white suit with gold and black accents forming red and blue lines across it while taking on warm or cold colors in the same places as red and blue on Sento's basic form, creating the visor of the suit as well.

Genius FullBottle: Kanzen Muketsu no Bottle Yarō! Build Genius! Sugei! Monosugei!

SPD Rangers: SPD S.W.A.T. Mode!

The SPD Rangers donned their S.W.A.T. Gear!

Kairi Yano summoned Victory Striker's Armor.

Kairi Yano: Super Lupin Red!

The Patrangers used Good Striker to fuse themselves into Patren Ugou.

Patren Ugou: Patren Ugou!

Jack Landors: Battlizer Mode!

Jack donned his awesome Battlizer!

Superman Supreme: (to Patren Ugou) I guess the two of us aren't the only ones who can fuse!

Nico: AWESOME!

Sento turns the handle on his Build Driver three times, while Banjo turns his once, as Kazumi and Gentoku press the handles on their Sclash Drivers once each)

Build Driver (Sento): Genius Finish!

Build Driver (Banjo): Volcanic Attack! Acha!

Sclash Driver (Kazumi): Scrap Finish!

Sclash Driver (Gentoku): Crack Up Finish!

Gentoku conjures energy crocodile jaws around his legs, allowing them to clamp onto Brainiac 6 and throw him straight into the path of Kazumi, who's shoulder pads generate a stream of the same jelly that created his armor, allowing him to fly straight into Brainiac 6. This knocks Brainiac 6 straight into Banjo's path, who then hits Brainiac 6 with a flying kick powered by the same lava dragons from his transformation sequence. But before Brainiac 6 can do much flying, he's bound by a rainbow colored graph construct, as Sento rockets straight into him with a sliding kick!

Me: **KAAAAAA MEEEEEE HAAAAAA MEEEEEEE HAAAAAAAAAAAAAA!**

We fired massive and powerful energy blasts and the blasts from the techniques, combos, final smashes and energy waves all hit Brainiac 6 and exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION OF INCREDIBLE POWER!

We went up to him!

Me: **Time to die.**

Brainiac 6: If you assume I will be beaten easily, then you have once again underestimated me.

Brainiac 6 then got into his ship as it turned into a giant robot.

Me: **Uh oh! We need Megazord power now!**

Qin: WHOA!

Lisa Loud: That is absolute genius!

Xenia: It sure is!

Sento: Lets see what it can do!

SPD Rangers: JUDGEMENT MODE!

The Zord formed a flash of light and then a timer came on. 15 Seconds later a Red X lit up.

SPD Rangers: GUILTY!

Me: YOUR SENTENCE? DEATH!

They fired waves of energy and the blasts all hit Brainiac and he was blasted down!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

SPD Rangers: Shut down!

Lupinrangers: Furthermode… adieu!

Patrangers: Mission complete!

Brainiac got up.

Brainiac: I will not die here!

Me: **You will pay for everything you did!**

Brainiac: YOU DO NOT DESERVE TO EXIST!

Me: **TAKE YOUR BEST SHOT AND GO TO HELL!**

I went at him and punched him in the face and kicked him in the stomach!

Me: **WE *DO* DESERVE TO EXIST! YOU *DON'T!* BLACK GATES DRAGON FIRE!**

I punched at him and released a massive and incredibly fiery explosion and it formed into a stream of fire and it formed into a black dragon and it skewered him and obliterated him as it found him guilty and obliterated him in an instant and his evil existence was erased for all eternity!

Brainiac 5: Goodbye forever, "Ancestor".

Legion Superman: You got that right, Brainy, he caused enough trouble for the last time, and Drakus kept his cool.

Nico: Had to, Sebastian put a shock collar on him to keep him from striking out on his own. Alright, awesome job, gang, we're finally rid of Brainiac once and for all.

Lincoln: Now, there's only one last thing to do and one last loose end to tie up: Olivia Paisley.

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Olivia Paisley.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Olivia Paisley of The Legion of The Lincoln-Haters, but we also saw Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Olivia Paisley: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD

TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And none of us will forget what you did to our Dads, The Blood Dragons!

Me: They got what they deserved so good fucking riddance you bitches!

But, before Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river, bitch!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: YEAH!

Suddenly, Nerissa's green eyes turned neon green and she was surrounded by a pink energy aura with quintessence, lightning, life energy, magic, phoenixes, and angels, she unholstered her Nerissa's Kandrakar Electric Quintessence Greatsword of Magical Justice from her back, and as she approached Olivia Paisley, she left pink energy, quintessence, lightning, life energy, magic, phoenixes, and angels with every step.

Nerissa: You really are everything that Lincoln said you and the rest of The Legion are: remorseless, evil, black-hearted, bloodthirsty monsters who care about no one except for yourselves. Lincoln was right to end your reign of terror and send every last one of you to prison five years ago, but it seems prison was too kind to all of you, instead you decided to break out five years later to get revenge on him for something that was entirely your fault, and I cannot allow you to live a single second longer. Olivia Paisley, as one of The Three Kandrakar Guardians of The Heart, I hereby sentence you to death for every last one of your crimes.

Suddenly, Nerissa was surrounded by a massive vortex of pink energy with quintessence, lightning, life energy, and magic surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Olivia Paisley: the red eyes of death. Then, as the vortex faded, Nerissa emerged, but she was changed forever.

(WE ARE WITCH PLAYS)

Nerissa grew from 7'1" to 7'4" in height, she has the body of a goddess, she has pink highlights in the bangs of her long black hair, she has neon green eyes and a pink energy aura with quintessence, lightning, life energy, magic, phoenixes, and angels surrounding her, she has a phoenix with the Quintessence Kanji in its claws emblazoned on her forehead and Third Eye with pink iris, she has on phoenix earrings with pink gems for eyes and the Quintessence, Life, and Eternity Kanjis in its claws and her Crystal Necklace of the Buddha with pink gems on the gold lightning bolt links and pink crystal links and pink angel-shaped Element of Harmony and on the bottom of the Element of Harmony is a phoenix with pink gems for eyes and holding the Quintessence, Life, and Eternity Kanjis in its claws for the pendant, Nerissa has on a long-sleeved pink dress with purple phoenix on it, pink skirt with life energy and lightning on it, teal and green striped pants, purple knee-high high heels, and a long white long sleeveless trenchcoat with phoenixes, angels, lightning, and quintessence on the coattails and on the back is a phoenix with lightning surrounding it. Suddenly, Nerissa felt a sharp pain on her back, and then, her massive black angel wings with pink and purple tips on the large black feathers grew much bigger for her new body. Nerissa has on a Ring of The Phoenix with bright red gem and heart shaped gem embedded in it on her right ring finger and White Lantern ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Nerissa's massive Nerissa's Kandrakar Electric Quintessence Greatsword of Magical Justice and all the greatswords she'd acquired began to merge together and they're surrounded by a kaleidoscope of pink energy, quintessence, life energy, lightning, and angels, and when it emerged, it was transformed into Nerissa's Kandrakar Electric Eternal Quintessence Greatsword of Magical Justice, it's a brand-new large greatsword with the symbol of Quintessence and the symbol of Kandrakar etched on the 7'0" massive, wide, double-edged pink blade, large pink phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt and large purple gems embedded in the foreheads, longer midnight black handle, four large pink phoenix heads with purple gems for eyes and a large purple gem below the phoenix heads for the pommel, she has on her new Bracelets of the Champions of The Universe with large pink gems on her wrists, Belt of Elemental Bravery with a gold phoenix head with pink gems for eyes and large purple gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe, and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Nerissa has transformed into SUPER ANGEL-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA KANDRAKAR ELECTRIC QUINTESSANCE HEAVENLY PHOENIX ANGEL OF DIVINE ELECTRIC QUINTESSENCE JUSTICE AND DIVINE ELECTRIC QUINTESSENCE KANDRAKAR LIFE!

We were amazed by Nerissa's Super Angel-Phoenix-Harmony Celestial Eternal Xelnaga transformation, but when Olivia Paisley saw it, she went fucking crazy and got out a machine gun to fire at her, but Nerissa fired a powerful pink energy blast with quintessence, life energy, lightning, phoenixes, and angels at Olivia Paisley, and it exploded as it hit her and it sent her flying into a tree back first, she got back up, but now, she was mega pissed off!

Legion Superman: Whoa, so that's your Phase 2 transformation, right, Nerissa?

Nerissa: (Divine Echoing Cosmic Voice of The Quintessence Kandrakar Life Guardian Phoenix Angel and Divine Electric Kandrakar Quintessence Lightning Life) Yes, that's correct, Superman. Now, then, I believe it's time for Taylor to transform.

Taylor: (Loud House) You got that right, time to show that bitch what happens when she crosses someone who's much tougher and stronger than her.

Suddenly, Taylor's eyes turned neon orange, and she was surrounded by a red and orange energy aura with fire, blue fire, stars, blood, scorpions, and serpents, she unholstered Scorpionic's Clawed Sword from her back, and as she approached Olivia Paisley, she left red and orange energy, fire, blue fire, stars, blood, scorpions, and serpents with every step.

Taylor (Loud House): I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Olivia Paisley, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Taylor was surrounded by a massive vortex of red and orange energy with fire, blue fire, stars, and blood surrounding the vortex, there are scorpions and serpents flying around the vortex, and in the vortex is a brown phoenix with red eyes glaring at Olivia Paisley: the red eyes of death. Then, as the vortex faded, Taylor emerged, but she was changed forever.

Taylor has on her new Bracers of The Champions of The Universe with blood red gems on her wrists and Dragon Ball Bracelet on the left bracer, her new Belt of Elemental Bravery with a gold scorpion head with blood red gems for eyes and a large orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a blood red kanji below the serpent and scorpion that said, "Taylor, Loving Daughter of Naomi and Destroyer of Joel, Former Bully and Former Friend of Pablo and Anderson, Loving Future Wife of Lincoln Loud, Loving Mother of Many Children, Archenemy of Manta Bayarsh, Destroyer of Olivia Paisley of The Legion of The Lincoln-Haters, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Fire, Blood, Scorpions, and Serpents"

We were amazed by Taylor's Super Angel-Scorpion-Serpent-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Olivia Paisley saw it, she went fucking crazy and aimed her machine gun to fire at Taylor, but Taylor fired a barrage of red and orange energy blasts with fire, blue fire, blood, stars, scorpions, and serpents at Olivia Paisley and it sent her flying into a tree back first, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Sunset Shimmer: Oh man!

Me: Oh man! Taylor has transformed into her Super Angel-Scorpion-Serpent-Harmony Universal Eternal Celestial Xelnaga form, that's so awesome! Now, things are really going to get fiery and bloody!

Lincoln: Olivia Paisley has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Taylor (Loud House): (Divine Godly Cosmic Voice of The Inferno Firestorm Blood Scorpion Serpent Angel and Divine Inferno

Firestorm Scorpion Serpent Blood Firestorm Love) You got that right. Now, let's rip her apart, Lincoln.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Taylor and Nerissa.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Olivia Paisley. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Nerissa, Lincoln, and Taylor went after Olivia Paisley who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, red and orange energy, pink energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves,

Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Olivia Paisley and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws, and he was really, really, really pissing off her off now and driving her even more ballistic.

Just then, Olivia Paisley got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Taylor, Nerissa, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Olivia Paisley's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Olivia Paisley by the neck and he tossed her into the air, and then, Lincoln, Nerissa, and Taylor fired a powerful barrage of energy balls with fire, lightning, quintessence, elemental forces, and mythological animals, and as they hit Olivia Paisley, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Olivia Paisley's spirit appeared, and she was still incensed with anger and fury.

Olivia Paisley: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal

Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Olivia Paisley.

Lincoln summoned the spirits of Olivia Paisley's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Olivia Paisley: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Nerissa, Taylor, and Lincoln holstered their massive greatswords on their backs and powered down, and Nerissa's new body, clothes, weapons, jewelry, Third Eye, and massive black angel wings are permanent, and Taylor's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long brown tails, and massive brown wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Olivia Paisley. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Taylor (Loud House): We've taken one down so far, and now, we got twenty-six more to go. Thanks for helping me destroy Olivia Paisley, Lincoln, you too, Nerissa.

Lincoln: (Smiles Warmly) You're welcome, Taylor.

Nerissa: No problem, Taylor.

Nerissa came back to us, and suddenly, Taylor wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Taylor's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, Scorpion, and Serpent flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and flames raging behind them and we cheered wildly. Then, Lincoln and Taylor absorbed the flames and they came back to us as the display vanished.

Nico: Whoa, now that's what I call fiery. Lincoln, Taylor, Nerissa, you two did really awesome in teaching that monster bitch, Olivia Paisley, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War

Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Nyra Remmington, which means you and I are up next, Saorise.

Saorise Shadowstrike: Yes, we'll be ready for her.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Elemental HERO of Earth are you meeting tomorrow, Lincoln?

Lincoln: The next one is for Elemental HERO Knopse.

Melanie Aranyani: Perfect, and there's only one person who'd be Gene-Slammed into Elemental HERO Knopse: Stella Addison, she's one of the Elemental HEROS of Earth, and she's also a powerful and physically strong girl and awesome athlete and good sportswoman in the field of sports. Plus, she's also a very seductive and sexy hot mama with the same body as me.

Lincoln: And like you and the other Elemental HEROS of Earth, Melanie, she's also had to deal with Lynn, and she's more than once dealt with her sore loser attitude and always going on her rage-fueled rampages, along with acting like an animal and even letting out those loud belches, and trying to kill me more than once.

Nico: Jeez, how many times has Lynn pissed you girls off with her rampages?

Lincoln: Don't even ask that, Nico, Lynn has done that one too many times in the past, only for her to get beaten down like a ragdoll by their superhuman strength, but she always got back up, but when I join them in the fight, Lynn always gets knocked out.

Me: I've seen how much stronger Lincoln has gotten during those days, and I've seen what he can do especially with those massive muscles that he's been constantly developing, and it always ended with Lynn getting knocked out on her butt, tied up like an animal, and dragged away to face her doom at the hands of her angry siblings and parents.

Nico: Dang, and with how Lincoln kept on getting bigger, stronger, and smarter, Lynn kept on badly underestimating him.

Luna: She had an overinflated ego because of that animal inside her, dude, and she thought she could get away with it, but she was wrong.

Lori: It always came back to bite her on her smelly butt, she was beaten by her own little brother who was constantly getting bigger, stronger, faster, and smarter over the years thanks to help from his Guardian Angels, Luna, Leni, Laney, Lucy, Lana, Lily, Mom, and Dad, while Lynn, Luan, Lola, Lisa, and I were seething with rage and plotted to kill him, no doubt thanks to our Dark Sides.

Luan: We should've been proud of him, but no, those monsters wanted him dead. But, we'd since been freed and we repaired those bonds with Lincoln, and not only did Killjoy Huggins pay the price.

Eli: But, also Chase Young's evil, who was in fact the true source of his pain and suffering.

Anna Anyanova: You got that right.

Outside the fight with Drax ended with Missy holding Drax down with Psychic

Missy Rodgers: Take that!

Z-Strap: YEAH!

Missy: What do you guys wanna do now?

Z-Strap: Play cards?

Missy Rodgers: Sure.

They played cards.

We came back!

Gentoku: (to Nerissa) Hey, Nerissa. From one former villain to another…

Gentoku showed his shirt with the word "Congratulations!"

Me: You did it Nerissa! You completed your test of redemption!

Qin: YEAH!

Will Vandom: You sure did!

Camie: Way to go!

Cassidy: That is my best friend for you!

Me: That was awesome!

Missy Rodgers: Wow! That was awesome!

Ice Demon: We've FINALLY seen the end of Brainiac.

Mortal Kombat Scorpion: For good.

Me: Thank goodness!

Brainiac 5: Thank you guys! Thank you. You freed me.

Me: It was our pleasure.

Stratos: (to Zevo 3 team) You guys helped too.

Z-Strap: We sure did.

Me: We owe you guys big time.

Legion Superman: WE'll see you guys in 7 days.

Z Strap: Count on it.

Me: You guys have a great Easter.

Legion Superman held out his hand but Z Strap had a better idea.

Z Strap: How about instead, we take a group picture?

Manta Bayarsh: Good idea.

Me: Awesome idea.

Gator Ghoul: Who's taking the photo?

Me: I will.

I formed a clone and it took an awesome picture of all of us.

Nico: That looks awesome!

Xenia: It sure is!

Legion Superman: That was so awesome!

Varie: You bet it was!

Nico: Great job today everyone! This was epic!

Me: Yeah it was!

Legion Superman: (To the viewers) Hope you guys all loved our awesome adventure in the 31st Century.

Me: I know we all did. Now Brainiac is nothing but a forgotten memory.

Xenia: Yes he is!

We went back home and enjoyed the rest of the day and went back home and went to sleep after getting the Legion settled in. The world of the Legion of Superheroes merged with ours and it was amazing.

Nico: Wow! Never thought we would be going through the Abominable Sands in Hell.

Me: Well we had to for Jeri.

Zuria: Whoa so this is Hell. This place is really scary!

Sakura Knudson: Boy it sure is! This is horrifying.

Leeli: It sure is.

Me: I know. It's really scary here. But it was for a good reason.

Nico: I have a feeling it will be good.

Xenia: Yeah.

Zuria: What part of Hell is this one?

Me: This is the 7th Circle of Hell - Violence. This part is reserved for those that did blasphemy and violence against God. It's called the Abominable Sands.

Qin: Scary place.

Leeli: Fire is raining from the sky?

Qin: Yep.

Camie: Horrifying.

Nico: I know.

Dana: Still a scary place.

Nico: Dana, I want to thank you, Skinner, and your teams for coming.

Dana: No problem Nico. This will be so awesome and fun.

Abigail Davis: I'm really looking forward to this too.

Camie: We all are.

Nico: Abigail, can you tell us when you first met Lincoln?

Abigail Davis: I sure can. I was working with him in Gym Class and we played dodgeball together against the teachers. I taught Lincoln and his friends how to use those formations for countermeasures to avoid getting hit.

Lincoln: She is a really awesome Dodgeball Counterattack specialist.

Me: Boy that is so awesome.

Nico: It sure is.

Abigail Davis: Yep. I helped Lincoln and his class beat the teachers in a special student vs teacher dodgeball game. You should have seen what happened.

Laney: I remember seeing that and it was so awesome. Lincoln and Abigail, Girl Jordan, Zach, Rusty, Liam, Clyde and everyone did absolutely great in that.

Leni: That was so totes fun.

Nico: That is really amazing.

Abigail Davis: It sure is.

May: Who won that game?

Abigail Davis: We did. It was so awesome.

Nico: That is so awesome.

Qin: I'll say!

Nico: (to Girl Jordan) I bet you especially had fun during that moment.

Girl Jordan: We sure did. Thanks to Abigail's moves and strategies we won the Dodgeball Championships 5 times in a row.

Nico: Wow! That is really impressive.

Laney: Lincoln got REALLY amazingly good at dodgeball.

Me: Just like me and Jared. All of us did.

Nico: We sure did.

Lola: Yep.

Me: Boy Yesterday was so much fun and so epic!

Qin: Yeah it was!

Zuria: Yeah! That was so awesome!

Takumi: Boy it sure was! We never had so much fun on that one!

Lola: Legion Superman and his team are so awesome!

Nico: I really am proud of Nerissa.

Qin: Boy we all are and so is Will and Eiji.

Eiji: That is for sure.

Nico: J.D. you made the right call putting Nerissa into the Redemption Squad.

Me: It might have been crazy but it was well worth the risk and was good.

Nico: Yep.

Laney: But J.D.'s reasons for it paid off.

Cassidy: It sure did and I'm proud of Nerissa for coming so far in her path to redemption.

Camie: Me too.

Maria: Boy 4 years ago she was once one of our most dangerous enemies.

Laney: Now she is an amazing ally.

Camie: And a great teammate.

Nico: And she used that experience to help convince Brainy to rejoin the legion.

Me: That's right she sure did.

Nico: Yep. And now we have officially seen the last of Brainiac.

Qin: That is for sure.

Xenia: Now he is a forgotten memory.

Lola: That is for sure!

Camie: Brainy is infinitely much better than his so-called ancestor was.

Lola: You got that right!

Maria: We made sure nothing remained of Brainiac 6 to make a Brainiac 7.

Nico: That is for sure!

Qin: Yeah!

Nico: Thank goodness.

Lola: Yeah. But seeing Colu was absolutely amazing.

Nico: Boy it was really technologically advanced.

Xenia: It sure was.

Lana: I'll say!

Sougo: It's funny. Most scumbags we faced want us to go to Hell. I bet they didn't mean literally.

Me: I know. But there is a reason why we're here. And it involves Jeri and me. Jeri first. She was being plagued by terrible nightmares the last few days about the D-Reaper.

Qin: How come?

Me: I think it's because of long buried demons and memories.

Xenia: Oh man.

Nico: And what for you J.D.?

Me: It settle things once and for all with Demon Francesco Portinari.

Nico: Whoa!

Zuria: Why does he want you dead J.D.?

Me: He thinks I was involved in killing over 3,000 people back over 800 years ago.

Zuria: WHAT!? That's preposterous! You weren't even born back then!

Qin: That's what he keeps trying to tell him but he won't listen to reason!

Nico: I know.

Eli: No kidding.

Nico: This is going to be one fiery fight, not only is J.D. going to fight Demon Francesco, but we got bad news you're not going to like, Jeri: The D-Reaper has come back again for revenge on us.

We gasped.

Jeri: Even after we got rid of it long ago, it still comes back for more.

Lincoln: This may be linked to the demons that still haunted you.

Nico: Lincoln's right about that. See, even though we brought Jeri's mom back and got rid of The D-Reaper long ago, I'm afraid that her demons are still haunting her even after all these years.

Dana: So, we got to get rid of The D-Reaper once and for all, and that'll end her demons once and for all.

Me: That's right. It's the reason why we're here.

Jeri: I'll do it. Lincoln's right that The D-Reaper is linked to my demons that haunted me ever since Mom's death, so I need to get rid of it once and for all, only then can I truly be free.

Me: Okay, Jeri.

Nico: But, just remember: we're all here for you, Jeri, and you're not alone, you have friends and family with you.

Jeri smiled.

Jeri: You got that right.

Mr. Katou: Jeri I was too blinded to see that you were going through all this pain. I had no idea it was because of this.

Kameo: Why am I with you guys again?

Nico: Because the day we met you… just happened to be when we met Jeri's dad. And when Luna tried strangling him.

Gentoku revealed his shirt, which read "Not Cool".

Me: Good message from your shirt Gentoku.

Qin: Those shirts are always awesome and send the right messages.

Gentoku: They sure do.

Me: But Gentoku it was back 2 years ago so it's all water under the bridge.

Gentoku: Oh I see.

Mr. Katou: Yeah I let it go. This is all my fault guys?

Me: Mr. Katou you have no reason to blame yourself for what happened to Jeri back then. She was going through the pain of losing people that are family.

Qin: Yeah that's right.

Shizue Katou: That's right honey. You can't blame yourself for it. I died because of a terminal disease and Jeri was hiding her pain through a mask. There's no way you could have known.

Kameo: I remember hearing about that. That was awful. Poor Jeri.

Jeri Katou: I'm okay though. I just want these nightmares to stop.

Qin: We will help you all we can Jeri.

Takato: Yeah you need this.

Me: The only way we're going to be rid of the demons is to confront the source of them head on.

Qin: That's right. That source is the D-Reaper and the monster it took form from.

Nico: Yeah that's right.

Me: That's right.

Nico: Coincidentally, Brainiac 6's last words were similar to that of the D Reaper

Me: That is VERY coincidental. I think that might be the reason for Jeri's nightmares.

Qin: I agree.

Xenia: Yeah.

Jeri: But I'm ready for this guys.

Me: And we're with you all the way Jeri.

Varie: Yeah Jeri. Ever since I met you we have known what we went through. We're with you all the way.

Jeri: Thank you guys. Thank you.

Gentoku revealed his shirt, which said "You're Welcome".

Jeri smiled.

Camie: Can you remind me what the D-Reaper was originally for?

Me: I sure can. It was originally a computer program that was designed to control the growth of Artificial Intelligence.

I went over its history.

---

The D-Reaper is the main antagonist in Digimon Tamers. It is a very powerful digital life-form that absorbs data from anything it touches, including the Real World (slower than in the Digital World, where it's far quicker). It can also absorb negative energy produced from humans. It is the Tamers arch-nemesis and sworn enemy.

The D-Reaper was first fought in the Digital World by the Tamers, who actually managed to halt its actions for a short time. However, once the children returned to their world, the Reaper followed them and started to consume the whole area of Shinjuku, Tokyo, beginning by the Tokyo Metropolitan Government Building area (headquarters of Mitsuo Yamaki's Hypnos project). It can't be harmed directly, as only a few objects and people can enter its bubble shield (called D-Reaper Zone) and see what's inside. The other reason is because the Reaper also holds Jeri Kato (Takato Matsuda's friend) as its prisoner and energy source. The D-Reaper was voiced by Yoko Asada in the Japanese version and Bridget Hoffman in the English version in the same fashion as Jeri herself, only deeper and computer-altered.

The D-Reaper first appears after the final Deva Caturamon is defeated. It's first form is a huge mass of red bubbles that deletes everything it touches, including Digimon, which the Tamers are forced to avoid at first. The Sovereign Azulongmon explains that the "Chaos" was a terrible entity that attacked the Digital World before and destroyed many of it's Digi-gnomes (beings that can make wishes come true) and almost destroyed it if it wasn't for the Sovereigns' intervention. They explain that the being is actually surrounding the whole world, and is trying to gain access to other worlds so it can grow more. After Jeri loses Leomon and the Tamers assume their Bio-merged forms, they manage to fend off the Chaos and return home (but unbeknownst to them, Jeri was captured and replaced by a spy). While Takato fails to lift "Jeri"'s mood, the D-Reaper appears on Shinjuku, swallowing the Hypnos HQ and forcing Yamaki and his crew out of the building. As time goes by, the Tamers recover their full evolution and manage to battle the D-Reaper's forces, until the fake Jeri reveals herself as an agent and tries to kill Takato and Guilmon inside the D-Reaper's shield with no success. Some time later, the D-Reaper manages to create another agent, the ADR-09: Gatekeeper and completely engulf the Government Building. When the agent is defeated, it is fused together with Jeri's anguish and the Jeri Type agent to form the Mother D-Reaper, who hides itself underneath the shield. The Wild Bunch (the Digital World's creators) creates a Red Card that allows the Tamers to get inside and fight the D-Reaper and it's final creation, the Cable Reaper.

After Gallantmon acquires his Crimson Mode, he manages to defeat the Reaper and the ADR-01, but the only way to defeat the program is to pull it back to the Digital World and reverse it back to a "mere desktop tool". Yamaki utilizes the technology to enhance MegaGargomon with his Juggernaut program and, with the help of the Sovereigns, they manage to pull and defeat the D-Reaper, reverting it back to a harmless form, imprisoning the evil life-form for good, as well as ending its reign of terror in the Real World.

The program has a huge variety of minions and forms born from the data it collects. It's agents (called ADRs, short for Agent of the D-Reaper) are mostly shaped Digimon-like, only connected to the "bubble" through a red cord that, if cut, weakens them greatly. The most important agents are the ADR-01: Jeri Type and ADR-09: Gatekeeper, both acting as the D-Reaper's main defense and offense.

The most notable form is called the Mother D-Reaper, created from the data absorbed from Shinjuku's buildings and citizens, Digimons, and the ADRs 01 and 09. It evolved in a similar way to the Digimons (from the collected data) it consumed, however it didn't evolve into a creature, but to a superior form of it's own. The Mother form is a giant, tower-like structure made of many electrical and telephone wires and cords, with buildings emerging from it's interior (they disappear later in the series). It also wears a big mask with six eyes and a crown-like ornament on it's head, the most noticeable detail being an orb in the middle of it's face (where Jeri is kept).

---

When I was finished everyone that hadn't heard about it was shocked and horrified!

Camie: That's insane! So it not only went after all the Digimon it viewed the world of Humans as a threat and was going to destroy the entire planet!? That's horrible!

Xenia: Yeah it sure is.

Varie: The D-Reaper was like a cancer not just to the world of computers but to us as well.

Me: It viewed us and all Digimon as a threat because it thought our true nature was to destroy and kill each other and it was going to destroy the entire planet from the outside.

Nico: Just like SKYNET.

Qin: But worse!

Laney: Yeah!

Nico: It definitely has to go.

Me: Big time.

Eli: I'll sense for Swartz's creations just to be on the safe side.

Eli concentrated.

Eli: Found them! We have Another Sellon and Another Skinner here.

Nico: Wow.

Abigail Davis: This will be interesting to see.

Me: After we defeat the D-Reaper and Demon Francesco we'll face them on Earth. I'm not staying here for another second longer after that.

Nico: Good idea.

Kameo: I think I'll turn into Flex for this.

Me: Good idea.

Suddenly, we saw a demonic figure heading right for us: it was The D-Reaper, and it was still as ugly and demonic as ever.

Leomon: The D-Reaper!

Me: In the form of the Jeri Type! WHOA!

Camie: That horrible monstrosity is it!? OH MAN!

Nico: I knew you'd come back one day, you refuse to give up, do you?

D-Reaper: I will destroy all of you if it's the last thing I do! NONE OF YOU DESERVE TO EXIST!

Jeri: No, we do deserve to exist, the only one who doesn't is you!

Me: You make me sick just by looking at you!

Varie: Yeah! I hate you more than life itself!

Nico: Me too!

Jeri: And I've had enough of you to last a goddamn eternity!

Suddenly, something within Jeri's mind brutally snapped as memories of what The D-Reaper had done rushed through her head, along with what that monster had put her through, and her brown eyes turned neon brown and she was surrounded by a green and brown energy aura with flames, fire, lion paws, and lions, she unholstered her Sword of The Digidestined from her back, and as she approached The D-Reaper, she left green and brown energy, flames, fire, lion paws, and lions with every step.

Jeri: Even after all these years, you still haunted me to this day, you took advantage of the demons that haunted me and caused me so much pain and suffering and tried to destroy my friends in the past. Not only did you steal my voice but you messed around with my mind and my friends! My heart was broken long before you messed around with me! (SUDDENLY GETTING EXTREMELY PISSED OFF) But, I will never ever forget what you did in making me fall under depression and trying to make me think that Mom's death is my fault and using it to destroy us all… , YOU HAVE CROSSED ONE TOO MANY LINES FOR THE LAST TIME, AND FOR THAT, I SHALL MAKE SURE YOU NEVER EVER COME BACK TO HURT ME, MY FRIENDS, AND MY FAMILY EVER AGAIN! (LION ROAR)

We gasped at the sheer extent of Jeri's rage.

Nico: UH OH!

Eli: (GULP!) This is gonna get ugly!

Me: Oh man, this is going to end badly for The D-Reaper now!

Leomon: Jeri's rage has been released, and it's found its mark: the one responsible for her depression. Everyone, stand your ground!

Me: SHE'S GONNA BLOW!

We all stood her ground, as Jeri screamed like a madwoman and

then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and fire and she was surrounded by a massive vortex of green and brown energy with fire and flames surrounding the vortex, there are lions and her partner, Leomon, running around the vortex, and in the vortex is an orange phoenix with red eyes glaring at The D-Reaper: the red eyes of death. Then, as the vortex emerged, Jeri emerged, but she was changed forever.

(FORSAKEN BY WITHIN TEMPTATION PLAYS)

Jeri grew to 7'5" in height, she has the body of a goddess, she has orange highlights in the bangs of her long brown hair, she has neon brown eyes and a green and brown energy aura with flames, fire, lion paws, and lions surrounding her, she has a lion emblazoned on her forehead and Third Eye with brown iris and her mark of The Lion Guard on her left arm is glowing, she has on lion earrings with orange gems for eyes and holding the Fire and Eternity Kanjis in their paws, she has on her Crystal Necklace of the Buddha with orange gems on the gold flame links and orange crystal links and an orange lion-shaped Element of Harmony and on the bottom of the Element of Harmony is a lion with orange gems for eyes and holding the Fire and Eternity Kanjis in their paws for the pendant, Jeri has on a short-sleeved orange dress with lions and flames on the dress, sea foam green sneakers, and a long white sleeveless trenchcoat with flames and lions on the coattails and on the back is Leomon surrounded by flames and on top is the mark of The Lion Guard. Suddenly, Jeri felt a sharp pain on her back, and then, massive brown angel wings with green and orange tips, grew and sprouted out from her back, she has on a Ring of The Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Jeri's Sword of The Digi-Destined and all the greatswords she'd gotten began to merge together, and they're surrounded by a kaleidoscope of green and brown energy, flames, fire, lion paws, and lions, and when it emerged, it was transformed into Jeri Katou's

Fire Lion Guard Firestorm Greatsword of Leomon's Firestorm Justice, it's a brand-new massive greatsword with embedded orange gems and the mark of The Lion Guard and Leomon etched on the 7'3" massive, wide, double-edged orange blade, large Leomon heads for the crossguard, large white angel faces built into both sides of the hilt and large orange gems embedded in the foreheads, longer midnight black handle, four large Leomon heads and a large lion head with orange gem in its mouth on the bottom of the Leomon heads for the pommel, she has on her new Bracers of The Champions of The Universe with orange gems on her wrists and Dragon Ball Bracelet on the left bracer, her new Belt of Elemental Bravery with a gold Leomon head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji below Leomon that said, "Jeri Katou, Digi-Destined of Shibuya, Loving Daughter of Mr. and Mrs. Katou, Loving Stepdaughter of Shizue, Loving Stepsister of Masahiko, Loving Girlfriend of Takato Matsuki, Partner of Leomon, Member of The Lion Guard, Archenemy of Duskmon, Destroyer of The Digital Reaper and The Digital World's Many Enemies, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Fire and Lions"

Jeri Katou has transformed into SUPER ANGEL-LEOMON-LION-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA FIRESTORM LION GUARD DIGI-DESTINED LEOMON LION

ANGEL OF DIVINE FIRE INFERNO LION GUARD DIGI-DESTINED LEOMON LION JUSTICE AND DIVINE FIRE INFERNO LION GUARD DIGI-DESTINED LEOMON LION LOVE!

We were amazed by Jeri Katou's Super Angel-Leomon-Lion-Harmony Universal Eternal Celestial Xelnaga transformation, and Takato got an atomic blush on his face when he saw her become a beautiful young woman, but when The D-Reaper saw it, it roared with extreme rage and ran at her to kill her, but Jeri Katou fired a powerful green and brown energy blast with fire, flames, lion paws, and lions at The D-Reaper and it exploded with incredible power as it hit it, and The D-Reaper was also burned badly, and it really pissed it off now.

Jeri: (Divine Godly Cosmic Voice of The Firestorm Lion Guard Digi-Destined Leomon Lion Angel and Divine Fire Inferno Lion Guard Digi-Destined Leomon Lion Love) **Your days of tormenting me are finally over, and now, you will pay for everything you have done!**

Me: GO GET HER JERI!

Takato: YEAH! WE BELIEVE IN YOU!

Mr. Katou: TEAR THAT MONSTER APART!

Jeri: With pleasure!

Just then, Leomon came up to Jeri, and then, Simba, Mufasa, Nala, Rafiki, Kion, Bunga, Fuli, Ono, Beshte, Anga, Jasiri, Timon, Pumbaa, Kovu, Kiara, and Makini arrived.

Simba: I hope you're not planning on leaving us out of the fight, Jeri.

Timon: Yeah, we're ready for that D-Reaper mook!

Jeri: (Divine Godly Cosmic Voice of The Firestorm Lion Guard Digi-Destined Leomon Lion Angel and Divine Fire Inferno Lion Guard Digi-Destined Leomon Lion Love) **Of course not, gang, the more the merrier.**

Kion: Time to end this monster once and for all and bring an end to the demons once and for all.

Jeri, Leomon, Simba, Mufasa, Nala, Rafiki, Kion, Bunga, Fuli, Ono, Beshte, Anga, Jasiri, Timon, Pumbaa, Kovu, Kiara, and Makini: TO THE PRIDELANDS END, LION GUARD DEFEND!

Jeri, Leomon, Simba, Mufasa, Nala, Rafiki, Kion, Bunga, Fuli, Ono, Beshte, Anga, Jasiri, Timon, Pumbaa, Kovu, Kiara, and Makini went after The D-Reaper and they fired powerful blasts of energy, flames, winds, water, leaves, plants, and bugs at The D-Reaper and they exploded with incredible power as they hit it, and Jeri slashed at it with her massive greatsword leaving scars on it, and she made her nails grow into claws, and she slashed at it, leaving more scars on it.

D-Reaper: YOU DO NOT DESERVE TO LIVE, YOU ALL DESERVE TO DIE!

Timon: Sheesh, talk about a one-track mind.

Kion: That's starting to get old really fast.

Kameo: Should we help her?

Kameo turned into Flex.

Me: We shall! (GOES SUPER ANGEL 2!)

Varie: (GOES SUPER ANGEL) Just like old times!

Nico: (GOES SUPER SAIYAN 2) This is gonna be good!

Eli: (GOES SUPER HUMAN 2)

We went at the D-Reaper and I kicked her and punched at her!

D-Reaper: YOU DO NOT DESERVE TO EXIST!

Me: TAKE YOUR BEST SHOT!

I punched and kicked at her and punched her in her face and fired a wave of energy and blasted her in the face!

Nico: KAAAAAAA MEEEEEEEE HAAAAAAAAA MEEEEEEEE!

Me: FINAL FLASH!

Eli: FINAL SHINE ATTACK!

Varie: TRI-BEAM!

Nico: HAAAAAAAAAAAAAAAAAAAAA!

We fired a massive energy blast combo and it hit the D-Reaper and exploded with incredible power!

EXTREMELY MASSIVE AND INCREDIBLE EXPLOSION!

Kion used the Roar of The Elders and roared so loud, the sudden shockwaves sent The D-Reaper flying and crashing into another wall.

Jeri: (Divine Godly Cosmic Voice of The Firestorm Lion Guard Digi-Destined Leomon Lion Angel and Divine Fire Inferno Lion Guard Digi-Destined Leomon Lion Love) **You've tormented me for far too long, and now, it's time to end this.**

Nico: That's right!

Jeri: **WE DO DESERVE TO EXIST! YOU DON'T! (Echoing) BLACK GATE FIST OF THE BEAST KING!**

Jeri used Leomon's Fist of The Beast King but infused it with the energy of The Black Gates, and launched a black energy aura in the shape of a lion's head from her fist, and as it hit The D-Reaper, it choked the life out of it, and found it guilty for all its crimes and it was erased forever by The Black Gates. We cheered as Jeri holstered her massive greatsword on her back and powered down, and Jeri's new body, clothes, weapons, jewelry, Third Eye, and massive brown angel wings are permanent.

JERI DID IT! SHE FACED HER DEMONS AND ELIMINATED THE SOURCE OF ALL HER PAIN AND SUFFERING!

Nico: Whoa, Jeri, that was so awesome! You and The Lion Guard showed that D-Reaper no mercy.

Me: Yeah you did it! You showed that monster what for!

Jeri: No guys. We all did it!

Lincoln: And you used a Black Gates variation of Leomon's Fist of The Beast King. This is actually the first time anyone has used a Black Gates variation of one of the Digimon powers before.

Jeri: Looks like it.

Me: That was so awesome!

Takato then went up to Jeri, and he kneeled down on one knee and he had a black box behind him: WE KNEW WHAT IT WAS, HE WAS GOING TO PROPOSE TO JERI!

We gasped in happiness.

Takato: Jeri, ever since the day we first met, I did harbor a bit of a crush on you, and I know that you also harbored feelings for me. We'd been through a lot during our adventures, especially when we had to deal with The D-Reaper.

Jeri: Takato?

Takato: But, now, all of a sudden, the crush I had on you has blossomed into something more: true love, and now, I want to take this to the next step.

Then, Takato took out the black box from behind his back, and he opened it. Inside the box was a really beautiful ring with two gemstones: one pink and one blue that formed into a heart embedded in a lion paw, and on the heart was a gold sash that said, "Jeri Katou and Takato Matsuki: Digi-Destined Lovers of The Pride of Love". When Jeri saw it, her eyes went wide with tears streaming down her face and she knew what it meant.

Takato: Jeri Katou, will you marry me?

Jeri Katou: Oh, yes, yes, I will marry you, Takato!

CLANG!

Nico's jaw dropped, and Lincoln had to put his jaw back in.

WE CHEERED WILDLY FOR JERI!

Lincoln: Dude, you need to stop doing that, or you're going to catch flies.

Nico: Sorry, but this is so awesome! I always knew Takato had a crush on Jeri, and on the day he saved her from The D-Reaper, that proved it, and now, here they are: Takato has proposed to Jeri.

Takato put the ring on Jeri's finger, and then, they held each other close and shared a kiss as we all cheered.

We cheered more!

Nico: Way to go Jeri!

Mr. Katou and Shizue and Jeri's stepmother, Leomon and stepbrother and the Lion Guard and the Pridelands denizens all had tears in their eyes and it was awesome.

Me: We'd better make arrangements for three weddings, Nico. One for Star Butterfly and Marco Diaz, Steven Universe and Connie, and now, Jeri and Takato.

Nico: A triple wedding?! Oh man, we're going to have a packed church.

Me: We sure are.

Lincoln: We made renovations to include more people, especially when you, me, J.D., Clyde, and Naruto propose to the girls in our harems in the future.

Me: He's got a point, soon it'll be our turns to pop the questions to our harems.

May: Yeah, and we're going to have quite a packed church in those future weddings.

Me: We sure are.

Nico: I hope Rika doesn't get jealous.

Me: Me too. But this was awesome.

Qin: I'm so happy for the 6 of them.

Me: Me too. I know what would be perfect for the day before the big day with the Zevo 3.

Nico: What?

Me: Star and Marco, Steven and Connie, and Takato and Jeri's triple wedding.

Nico: Good idea.

May: Will it be a shotgun wedding?

Me: Nope. Just like every wedding we had we'll make it a fun and good one.

Nico: Yep.

Xenia: Yep.

Nico: Awesome.

Then we heard a rumble.

Me: Uh oh. Here comes number 2.

Takato and Jeri came back.

Zuria: What's going on?

Me: You'll see.

Then we saw a bunch of figures rise out of the sand and they were DAMNED CRUSADERS!

Zuria: What the!? Those are the crusaders from 900 years ago!

Me: That's right. For centuries we believed that the cause of the

Crusades was holy. For hundreds of years we have fought over the holy City of Jerusalem because of the Muslim population expanding for centuries.

Nico: Yep.

Me: But God never accepted the war to be holy because of the war being blasphemous. I don't know what happened back then but it was terrible.

Nico: Yep.

Me: The crusaders were punished and it was thought to have been a holy cause.

Then an explosion of sand came out and out came DEMON FRANCESCO!

Demon Francesco: The bishop lied! Did he not J.D.!?

Me: Francesco Portinari. Still steamed after all these centuries.

Nico: Hiya, Demon Francesco!

Demon Francesco: I'm not surprised to see you all!

Zuria: So he is the demon version of Francesco?

Me: That's right.

Nico: How've you been, buddy?

Demon Francesco: God never condones violence of any kind! There was no holy war! Don't you understand? The priests lied!

Me: That war happened over 800 years ago. People moved on from those times.

Zuria: But how in the world did this happen to you Francesco?

Demon Francesco: IT WAS J.D.! HE DID THIS TO ME!

Me: You are still pissed thinking that I killed all those people back then!?

Eli: How can you think that!?

Me: Yeah! I wasn't born back then all those centuries ago!

Demon Francesco: (To me) I don't care! You don't deserve the life given to you. You don't deserve ANYTHING! And now you will join us here forever! WHERE YOU BELONG!

He unsheathed his sword and went at me!

Me: We'll see about that!

I unsheathed my sword and went at him and we clashed!

CLASH CLASH CLASH!

SPARKS FLEW EVERYWHERE!

Nico: Geez, you try to be friendly.

Zuria: I can't believe he is that blinded by rage and hatred!

Me and Demon Francesco clashed explosively!

I kicked him in the face and Demon Francesco went at me and I blocked his strike and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive fiery explosion and I kicked him in the face and smashed him into a bunch of damned crusaders!

Me: What is with you brother!? Why can't you accept that I never had anything to do with what happened back then!

He went at me and roared and I clashed with him more and sparks flew everywhere!

Demon Francesco: I AM NOT YOUR BROTHER! YOU'RE A FUCKING ANIMAL J.D.! A MONSTER!

I clashed more with him!

Demon Francesco: (INSANE RAGE) I WILL NOT LET YOU LIVE ANYMORE!

MASSIVE FIERY EXPLOSIONS BLASTED OFF EVERYWHERE AS WE CLASHED!

KRABBBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOMMMMM!

I fired waves of energy and blasted him all over the place!

He just kept coming back for more!

Zuria: He is totally out of his mind!

Nico: We should help him!

Eli: No Nico wait. J.D. said that this is his fight. Let him have his fun.

I clashed more and massive numbers of explosions blasted all over.

Eli: WHOA! What a battle!

Demon Francesco: I WILL KILL YOU IF IT'S THE LAST THING I DO!

Me: Francesco listen to yourself! There is no way that I was there back all those years ago! It's impossible! How could I have been the one that helped Dante kill all those innocent people! They were innocent people that did nothing to deserve death! Wasn't it your task given to you by King Richard to keep them safe back then!?

Demon Francesco: That's right! BUT YOU KILLED THEM ALL!

He went at me more and I kicked him and slashed him across his chest!

Me: No! I didn't kill them! The Devil did it! He did it!

I then slashed him and cut his arm.

Me: Francesco listen! I had nothing to do with what happened back then and I certainly did not have anything to do with what happened back then now. There's no way I could have been able to do all that back then.

Demon Francesco: I WILL MAKE YOU SUFFER!

He went at me. But then Vypra and Dark grabbed him!

Vypra: STOP THIS FRANCESCO!

Me: Perfect timing guys.

Nico: He has completely lost all sense of reasoning.

Vypra: We'll make sure he listens. We decided to recruit him so he will.

Me: Good. He needs a serious attitude adjustment.

Dark turned into Burnswamp and sprayed methane to knock him out.

Me: Nice one.

He turned back.

Dark Spicer: Jeez he still has it out for you!?

Me: That is an absolute fucking understatement.

Qin: Yeah no kidding!

Vypra: Well he needs to realize that he is wrong. We'll take it from here.

Nico: Thanks guys.

They teleported back with him.

Me: That's that.

Zuria: What do we do with them?

She pointed to the Damned Crusaders.

Me: We free them.

Fiona Hernandez: We can do that.

The Hernandez Sisters chanted the Lords Prayer and then the Crusaders and wrongfully damned were absolved and went up to heaven!

Qin: WHOA!

Nico: That was amazing!

Me: It sure was.

Nico: We're not done yet.

Me: Nope. We still have Swartz's creations to deal with.

Qin: Yep.

Nico: There's Another Sellon!

We saw a figure and it was a dark version of Sellon! It was ANOTHER SELLON!

Me: Whoa! First lets get out of here.

I snapped my fingers and we were back on Earth in the park in the city.

Me: Thank goodness.

Another Sellon: That was an awesome battle though!

Lincoln: (GASP) Serena Logan! I knew I recognized that voice.

She reverted back and it was a girl with brown hair and had purple clothes.

Serena Logan: Its been a long time Lincoln. Boy wow! You grew into an amazing 17 year old man!

Lincoln: I've had a lot of training under lots of awesome teachers.

Me: He sure did.

Nico: So you are Serena Logan. Lincoln and Mariana told us so much about you.

Serena Logan: I'm glad she did and I heard that you have her with you on the team.

Me: We sure do.

Serena Logan: Yeah. I am also the gene-slammer for The God Phoenix of Apollo.

We gasped!

Me: WHOA! Apollo the Greek God of The Sun.

Serena Logan: That's right.

She showed me a card for it and it was a Phoenix from the Sun.

Nico: WHOA!

Me: That is amazing.

Lincoln: It sure is. The first ever Greek God Card Gene-slammer.

Qin: That is amazing.

Nico: Do you have Bakugan like the real Sellon?

Serena Logan: I sure do.

She had a Pyrus Alpha Hydranoid come out.

Pyrus Alpha Hydranoid: Long time no see Lincoln.

Lincoln: Pyrus Alpha Hydranoid! Wow!

Nico: Boy that is awesome.

Sellon: It sure is.

Abigail Davis: I'm facing you!

Serena Logan: Abigail Davis!

Abigail Davis: It has been a while Serena. Sorry that 2 fellow Guardian Angels have to fight like this but it's the only way to save you from this.

Serena Logan: I know.

Me: By the way did you have any terrible encounters with Lincoln's sisters or any of the jerks we know and loathe?

Serena Logan: Actually yes. But they are mostly for that Scooter riding old goat Scoots.

Me: What did she do that pissed you off?

Serena Logan: Well it's not good. She heckled Lynn so bad that she forced her to go berserk and destroy the entire baseball stadium. She tried to get her to kill Lincoln.

WE GASPED!

Qin: That is horrible!

Me: No shit! That old goat is now in the Black Gates forever.

Nico: Yeah thank goodness.

Serena Logan: Good riddance. I'm glad she is.

Me: So is all the state of Michigan. By the way is the Another Skinner friendly or hostile?

Serena Logan: I'm afraid to say it but it's a hostile one.

Me: UH OH!

Serena Logan: But this one has a hatred towards Bart Simpson.

Me: This will be interesting.

Girl Jordan: Lets separate you from this form to save you.

Serena Logan: Okay.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

Serena glowed and she had the Another Sellon separated from her and she was cured!

Abigail Davis: Now I can face her.

Nico: I thought we were done with hostile ones!

Serena Logan: So did I!

Me: Me too! But at least it's one that's not directed at me, Nico, Eli or any of us.

Skinner: Reminds me of when I hated Bart and got him in trouble.

Me: Hmm.

Nico: I hope we can reason with him or her.

Me: I wouldn't bet on it.

Another Sellon: Lets dance!

Abigail Davis: Gladly!

She flew at Another Sellon and blasted her all over with fireballs and smashed and blasted her into dust. I caught the Wonder Ride Book and it was called The Romanian Phoenix Princess and the Princess of Neathia.

Qin: Cool title.

Maria: Time for backup! (TURNS DIAL) BLOOD MUSCLE 6!

She summoned El Oso and his team along with Grizzly and the bear members of the M.O.E.

El Oso: (Spanish Accent) This will be good amigos!

Qin: YEAH!

Nico: Can you guys think of anyone else who might be enemies of Bart?

Me: Hmm. Well there's Sideshow Bob but his dark side was destroyed a long time ago. Outside of that the only one I can think of would be… (GASP) Oh no! It's so obvious!

May: Look!

We saw a dark version of Skinner come out! It was ANOTHER SKINNER!

Another Skinner: (In the same voice as Skinner) Where is Simpson!

We gasped!

We saw him revert back and he was SEYMOUR SKINNER BUT WITH BLACK CLOTHES AND PIERCING RED EYES!

Me: WHOA! DARK SKINNER!

Skinner: OH DEAR GOD! Who is that handsome devil!?

Me: Uh Skinner that guy is you! He's your dark side!

Agnes Skinner: Hey, guys. Done with your rescue already?

Me: Uh Mrs. Skinner you're going to want to see this!

We showed her Dark Skinner.

Dark Skinner: Hello mother!

Nico: (GULP)

Agnes Skinner: Another Seymour!?

Me: That's not Another Skinner, that's his dark side! Given life because of all the mischief Bart caused.

Kaito: (gets out Abaranger gear) Normally, we'd ask what Swartz promised you.

Zocks: (gets out Dekaranger gear) But I think said promise is obvious.

Kaito and Zocks got the Dino Thunder Sword and SPD Blaster.

Me: And it's revenge on Bart Simpson for being a terrible prankster. Right?

Dark Skinner: That's right! For 35 years I have had to put up with him and his shenanigans! NO MORE!

Me: Sheesh buddy you need do you need a hobby.

Sougo: (gets out Dino Thunder Ridewatch) Agnes, THIS version of Skinner you can punish!

Geiz: (gets out SPD Ridewatch) Better yet, you can help us kill him!

Sougo got DinoThunderRedArmor while Geiz got SPDRedArmor

Me: LETS UNLEASH PRANKING HELL!

Nico: You got it!

Me: Starting with this! (Pulls out Skinner's Wonder Ride Book)

(Read's Verse) "From out of nowhere as the idiot principal was getting ready for a swan dive into a swimming pool. But little did he know that it was a swimming pool filled with worms and they were smelly and horrible worms. He dove in and was covered head to toe in worms covered in sludge and slop that smelled HORRIBLE and he smelled like raw sewage and toxic waste."

Dark Skinner fell into said pool and man did it SMELL HORRIBLE!

Nico: OH SICK!

Qin: YUCK!

Skinner: Nice one.

Nico: (gets out Skinner's Ridewatch) The one way to fight Skinner is WITH Skinner!

Me: And also with this. (Imitating Chalmers) SKINNNNER!

Dark Skinner: UH SUPERINTENDENT CHALMERS!

Nico activated the ridewatch and fired waves of energy and blaster him all over!

Nico: Awesome imitation.

Me: Thanks.

Nico: And this too. (ACTIVATES SELLON'S RIDEWATCH)

He fired waves of light and blasted him all over!

But then a blast of light hit Dark Skinner and smashed him down and then a ball of rainbow light appeared and it formed into a girl made of pure rainbow light!

LightLara: LightLara will light the way!

Maria: Lara Whitney!?

Carol: Oh my gosh! I haven't seen you since kindergarten.

LightLara: Carol and Maria! Wow! It has been a while.

Me: Wow you look awesome being made of pure light.

May: (gets out Army Dillo's Ridewatch) We'll talk more later!

She activated it and got amazing fireball shoulder cannons and blasted Dark Skinner all over the place!

Qin: Nice Shooting!

Lola: YEAH!

Xenia: Yeah!

May: (gets out Irene Belserion'a Ridewatch) Ever consider there was a reason Bart did pranks?!

She fired waves of magic and blasted her all over!

Qin: OH YEAH!

Dark Skinner: HE IS A MENACE TO SOCIETY!

BONK!

Agnes hit him on the head with a mallet!

OUCH!

May: Now this too! (ACTIVATES NES GEZORA'S RIDEWATCH)

May grew huge tentacles and grabbed Dark Skinner and smashed him into the ground!

Me: Nice use of Gezora from 1970!

May: Thanks.

Maria: (gets out Filthy Phil's Ridewatch) You're filthy!

She activated it.

Maria: Feel the sting of my HORRIBLE BODY ODOR!

She groaned and the RELEASED A MASSIVELY HORRIBLE AND FOUL STENCH!

Dark Skinner smelled it and then threw up and fainted and landed back into the pool of foul worms!

Nico: (SNIFFS) OH SICK!

Me: (VOMITS ALL OVER MARIA) (GROANS) (DIZZY AND FAINTS)

FWOMP!

Maria: (gets out Beaky Buzzard's Ridewatch) Totally worth it!

Maria turned into water and washed my vomit off her and she activated it and fired waves of energy and smashed him into the ground!

Qin: OH YEAH!

Abigail Davis: My turn!

She activated Sellon's Ridewatch and fired waves of light and smashed him down!

Qin: YEAH!

Then Private HIVE, Knighty Knight, The Talons, Turkey Skarr, Sunroid Solar and Nowhere King came.

Nico: (Salutes) Nice team Private HIVE!

Private HIVE: (Salutes) Thank you Admiral Nico.

Nico: Admiral Nico. I like the sound of that.

May: Fitting for you.

Maria: Where's the next Gene Slammer?

Then a purple energy blast hit Dark Skinner and obliterated him! I caught the ridewatch and purified it.

Nico: WHOA!

Brittney: That wasn't from us.

Maria: Who fired that?

May: Yeah.

POP!

May: What the? (SEES THAT HER PANTS ARE DOWN) (SCREAMS) I'VE BEEN PANTSED!

Me: (Groans) What happened?

LightLara: Oh, and meet my mascot Pokemon.

She had a Cresselia!

Me: Whoa you have a Cresselia? Wow!

Xenia: Cool!

A Scolipede came!

Scolipede: (LAUGHS) (In a girls voice) (Russian Accent) You got pantsed by me!

Nico: Sophie Tirrishova! Whoa!

Sophie reverted back and she was a girl was magenta hair and had red and magenta clothes.

May: (ANGRY AS HELL) PANTS MY WILL YOU!? WHY YOU LITTLE RODENT!

May grabbed her and put her in a headlock and gave Sophie a noogie.

May: SAY IT!

Sophie Tirrishova: NO!

May: SAY IT!

Sophie Tirrishova: NO!

May: SAY IT OR ELSE!

Sophie Tirrishova: NEVER!

Maria: Lara, while this is going on, let's revert you back.

LightLara: Okay.

I fired a blast of light and Lara had yellow hair and a yellow spring shirt and yellow skirt as well as yellow pants and yellow clothes.

Lara Whitney: Whoa! That was awesome! But I'm glad to be back to normal.

Me: You still have your light powers.

Lara Whitney: Wow!

May was still giving Sophie a nuclear noogie!

Nico: What were you doing before you mutated?

Lara Whitney: I was working with my new rainbow prism ray. It turns the colors of light into a deadly laser. I wanted to be a light scientist. But then this purple cloud covered me from out of nowhere and then I turned into light. I became LightLara.

Nico: Wow.

Qin: Amazing.

Abigail Davis: Sophia, while May's still giving you a noogie, what's your favorite memory of Nico?

Sophie Tirrishova: OW OW! MAY LET ME GO!

May: NOT UNTIL YOU SAY IT!

Sophie Tirrishova: NO!

May: SAY IT NOW!

Sophie Tirrishova: NO!

May: SAY IT!

Sophie Tirrishova: NEVER!

Me: SOPHIE IN THE NAME OF HUMANITY SAY IT!

Sophie: UNCLE!

May: LOUDER!

Sophie: UNCLE!

May: LOUDER!

Sophie: UNCLE! UNCLE! UNCLE!

She let go!

FWOMP!

Sophie: OUCH!

Abigail Davis: Now, about that favorite memory?

Sophie Tirrishova: When me and Nico pantsed the entire cheerleading squad in front of the entire school.

Qin: I remember that one!

Me: Total Humiliation!

Qin: Yep.

Nico: Good times.

Nico and Sophie hugged.

Nico: I've missed you.

Sophie Tirrishova: Me too Nico. Me too.

Machine that was used to create living cartoon characters out of living souls through the use of black magic, and we're also going to free Ink Bendy and give him a life to live.

Lincoln: Whoa, we're here in the horror video game, Bendy and The Ink Machine, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're going to help Henry Stein, Allison Angel, and Thomas Connor put an end to The Cycle that Joey Drew created as revenge for what Henry did by leaving Joey Drew Studios, and we're going to do that by freeing all The Lost Ones A.K.A. all of the souls who fell victim to Joey Drew's Ink Machine that was used to create living cartoon characters out of living souls through the use of black magic, and we're also going to free Ink Bendy and give him a life to live.

Brittney: Joey may have bought that Ink Machine to create living entities for the animation company, but when using black magic to create living cartoon characters out of living souls, he was playing with a dark power that shouldn't be messed with.

Nico: Using black magic to create living cartoon characters out of living souls, now that's just dark.

Me: Yeah, and we got to be careful: The Ink Demon is here stalking the corners of the studio, along with the other entities and The Searchers and The Lost Ones.

Lincoln: According to reports, Thomas Connor was the one who built the Ink Machine, and its original purpose was to use the cartoons as a template to mold life-size figures of the cartoons, but then, Joey stole the Ink Machine after the creation of Ink Bendy or The Ink Demon, and he was enraged by the soulless creature and how people would react to the creature, to the point of belittling and firing Thomas for it, before subsequently firing Allison Pendle who eventually married Thomas Connor for siding against his selfish judgment, though not before condemning her for disrespecting his wishes.

?: And they got turned into Alice Angel and Boris.

Suddenly, we were met by former animator for Joey Drew Studios, Henry Stein, who created Bendy, Boris, and Alice Angel.

Lincoln: Henry Stein. We were hoping to run into you here.

Henry Stein: It's a good thing you all did. I wanted to know what Joey was doing here, but after I'd seen the Ink Machine and ran into The Ink Demon, along with finding Buddy's writings and the audio tapes, now I know what Joey was doing here. I've got to destroy The Ink Machine and end this whole nightmare, I'd already seen Boris die because of the twisted version of Alice.

Lincoln: You mean… , Daniel "Buddy" Lewek and Susie Campbell, the original voice actress of Alice Angel, they were among those who got turned into Boris and Alice Angel by The Ink Machine.

Henry Stein was stunned to hear that.

Henry Stein: So… , that's what happened. Oh no. Buddy, Susie, I can't believe Joey would do this, he really has gone too far.

Becky: We have to end this once and for all.

Suddenly, we saw The Searchers come up from ink puddles to attack us, but Lincoln unholstered his massive greatsword and fired rainbow helix energy blasts from it, which hit The Searchers and freed their souls.

?: That was a nice shot, and you freed two of the many souls trapped here.

Suddenly, we were met by Allison Angel, the cartoon form of Allison Pendle, and Tom, the cartoon form of Thomas Connor.

Lincoln: Allison Angel, Tom.

Allison Angel: You all came well-prepared, thank goodness.

Nico: We always come well prepared. We already know of what Joey had done when he bought that Ink Machine.

Tom growled in anger at the mention of Joey Drew, but kept his composure and nodded. Suddenly, Henry noticed that Tom had a wedding band on his mechanical left forearm, and then, he pieced together the true identity of the Alice and Tom who came to help and killed Twisted Alice, the cartoon form of Susie Campbell.

Henry Stein: That wedding band…? You can't be… , you're… Thomas Connor, manager of Gent, and that voice from Alice… , you're Allison Pendle. I remembered you both from the days I worked at the studio, oh God, Joey, you've gone too far. I'm never forgiving you for what you did, if I had known of what you'd done, I would've stopped you from going too far, but… !

Allison Angel: Henry?

Suddenly, that snapped Henry out of his rage.

Henry Stein: I'm so sorry, I shouldn't have…

Lincoln: It's not your fault, Henry. But, now we know that both Joey Drew and The Ink Machine that he stole from Tom were to blame for it, now we need to destroy that machine once and for all, but first, we need to save Ink Bendy. If The Elements of Harmony were able to free two lost souls, maybe we can give Ink Bendy life and bring him back to his original model.

Allison Angel: Normally, I'd call it madness, but if you think it'll work, Lincoln, we'll give it a try.

Suddenly, Henry's eyes glowed yellow and he began having horror visions, and he saw messages on the reel of film titled The End, but it said "This Isn't The End", and he also began seeing other words in gold ink, saying that Joey lied to them, there was never a choice for them, and reliving the past will not change anything, and then, heard the words, "It is Time, Set us Free" and "Break The Cycle".

Then, he threw the film reel and it shattered. Then, his forearms and hands stained with black ink, and gold ink markings began appearing on them.

Henry Stein: What the, what is this?

Allison Angel: You created Bendy, Alice, and Boris, Joey said you drew beautifully, Henry, but you did undervalue your work, maybe, you can bring life back into The Ink Demon, and he can be turned into Bendy.

Nico: Is that possible?

Lincoln: Only one way to find out: we need to head for The Ink Demon's lair.

We headed for The Ink Demon's lair, and we saw all of the Bendy cartoons playing on the projector.

Lincoln: Now, we need to draw The Ink Demon out.

Henry Stein: I'll handle that part. You guys need to hide.

We hid in the shadows, and Henry sat on The Ink Demon's throne. Then, he heard growls and then, he saw him: Ink Bendy, The Ink Demon in his Beast Bendy form.

Henry Stein: Heh… , hello there, Bendy, it's been a been a long while, hasn't it? You sure grew up in the last 30 years.

The Ink Demon looked at him confused.

Henry Stein: What is it, Bendy, you look confused. Oh, right, you're more used to toying with your prey, right? Must be hard to see me that calm now, sorry to mess with your fun. (Weak Laugh) (Tears start to fall from his eyes) You won, Bendy, I give up. No matter how many times I try, I can't get out of here. Go ahead, Bendy, kill me, and this time, don't let The Dark Puddles bring me back.

The Ink Demon was now even more confused, but we saw that Henry was lulling him into a false sense of letting his own guard down by enticing him to kill him, but then, Henry Stein clenches his hand hard causing Gold Ink to drop from his hand.

Henry Stein: (Eyes glowing yellow) Alright, Bendy, I know you're not going to like this, but I might have a way to fix you, I may not know much about this, but it's the only way for us to put an end to this nightmare.

Henry ran after Ink Bendy, and as he placed his hand on The Ink

Demon's chest, we then saw the Gold Ink patterns on his hands glow, and we heard Ink Bendy whining and whimpering, and the ink was suddenly dripping off.

Henry Stein: It's… it's working. (Hears Bendy's whines and whimpers of pain) You… , you sound like you are in so much pain. (Hangs his head down) I'm so sorry, Bendy, I'm so sorry.

Suddenly, The Ink Demon caught Henry who passed out in his arms, and he walked to the throne and placed Henry on it. Then, he reached his arm out.

Ink Bendy: (Distorted) Henry…

The Ink Demon dripped away, and there we saw Bendy cleansed and brought back to his original self, and he was sleeping on Henry's lap. Then, we came out of the shadows.

Eli: Holy moly, it worked.

Lincoln: It sure did, that Gold Ink must act as a counter to the Black Ink, and that gave Bendy a soul, and now, he's a truly animated toon.

Allison Angel: Well, I'll be. Maybe, we now have a chance to end this nightmare once and for all.

Then, Henry managed to wake up and as he placed his hand on Bendy's head, the cartoon imp smiled as a tear fell from his eye. Henry got up and was carrying Bendy in his arm. But, we were suddenly confronted by Sammy Lawrence, the songwriter of Joey Drew Studios who was turned into the insane Prophet of The Ink Demon.

Sammy Lawrence: You! What have you done to The Lord of The Dark Puddles?!

Tom growled and got out an axe.

Henry Stein: Calm down, Tom! Sammy and I need to have a little chat. Lincoln, I need you to restrain Sammy, don't let him try anything.

Lincoln fired a rainbow mist and it seemed to make Sammy Lawrence sleepy, and that allowed Henry Stein to do the same thing he did to Bendy: only this time, it gave Sammy back his sanity, and he'd regained his humanity as we suddenly saw the ink melt away, and he was human again and back in his human clothing.

Sammy Lawrence: W-what happened? (Sees Henry) Henry…? My God, it really is you, but what on Earth happened to you?

Henry Stein: Long story, but I'm so glad you're okay.

Sammy Lawrence: (Sees Bendy) You… you gave Bendy a soul with that gold ink. Heh, Joey did say you put your heart and soul into drawing.

Allison Angel: We're so glad you're back, Sammy.

Suddenly, Sammy heard that voice.

Sammy Lawrence: That voice, Allison Pendle? It really is you, I remember your voice all too well.

Henry Stein: I didn't expect him to remember that easily.

Sammy Lawrence: You remember everything. (Looks at Tom) Then, that means, you're Thomas Connor, the manager at Gent, you were working for Joey, and you were the one who built The Ink Machine.

Tom nodded.

Lincoln: We need to destroy The Ink Machine and end this nightmare for good.

Bendy: (Gulps) I remembered that machine all too well. The sound it makes, the sound of a beating heart, it makes my head hurt, and I'm scared.

Lincoln: It's okay, Bendy, I know you're scared, but we're right here with you. (To Thomas Connor) Tom, you know how the machine works, right? Is there a way to shut it down?

Suddenly, Tom for the first time spoke.

Thomas Connor: Yes, you need to access the core, and then, you have to destroy it.

Me: Which means we need to combine both The Elements of Harmony and the Gold Ink to do that.

Allison Angel: Tom and I may not be able to regain our human forms, but we'll finally be glad to see that this nightmare has been brought to an end once and for all.

Thomas Connor: And no matter what happens, angel, we'll always be together.

We smiled: Tom meant it all too well, they'd been through Hell, and now, they're going to see the end to this Hell for good.

Sammy Lawrence: Henry, you always made promises to everyone and you always made sure to fulfill them, now I want to make you a promise. You, Allison, and Tom, when this is all over, I want all of us to celebrate our victory together, so don't you dare die on us.

Henry Stein: No chance of that happening.

Bendy: We'll destroy that rotten Ink Machine once and for all!

Suddenly, we saw Elemental HERO Knopse appear before us, and with it are the seven girls.

Nico: Whoa, Elemental HERO Knopse, awesome.

Jaden: And another of my Elemental HEROS.

Elemental HERO Knopse: (Girl's voice) Looks like we got here just in time.

Lincoln: You sure did, Stella Addison. Now, then, it's time.

Henry Stein: Yeah, it's time to end this nightmare once and for all!

We marched out to destroy the Ink Machine by getting to the core, but, first, we had to take down The Guardian.

We headed for The Ink Machine, and there, we were confronted by The Guardian, and it roared with an incredible fury.

Henry Stein: You're not hurting another lost soul again! This nightmare that Joey put on the studio has to end here and now!

Henry threw blobs of Gold Ink and it really hurt The Guardian as it hit him, and then, Lincoln and I used The Elements of Harmony embedded in our massive greatswords, and we fired rainbow helix energy blasts, and as they mixed with The Gold Ink, it caused The Guardian to turn to ink, and it exploded.

Nico: Nice one. Now, all that's left is The Ink Machine.

We arrived at The Ink Machine itself, and it indeed had an air of darkness around it.

Thomas Connor: I never thought I'd have to confront it again: my greatest work. But, it needs to be done, this nightmare needs to end.

Sylvester: That's what we're going to do.

Then, Lincoln and I fired rainbow helix energy blasts from our massive greatswords, and Henry and Bendy fired a blob of Gold Ink and they combined together, and then, they hit The Ink Machine, and it exploded as it released a gold shockwave which hit The Lost Ones, and they were returned to normal as Sammy dropped his Bendy cut-out mask.

Sammy Lawrence: He did it, the lucky little bastard did it!

We cheered as we holstered our weapons and powered down, and we got everyone back home to The World Tree Estate and Gotham Royal York.

Thomas Connor: The world's changed a lot, we'd been trapped in that world Joey created for so many decades, we missed out on seeing the world.

Allison Pendle: I know, but we finally saw it, the end of the nightmare and the beginning of a new life.

Allison and Tom kissed to welcome a new life and close the chapter on the nightmare for good.

Henry Stein: I never thought I'd be glad to be here again. (Sighs) But, the world has changed a lot since then. I have a lot of catching up to do.

Lincoln: We'll help everyone adjust in time. By the way, do you know what happened to Joey Drew?

Me: I pulled up the info on him, and it says here Joey Drew died in 1971 due to illness.

Henry Stein: We took different routes: Joey and I, for me, I married Linda and had a beautiful family, but Joey, he took his route and he was left with a crooked empire and his road burned. He did have remorse and regret in one of his tapes, and he realized his actions were the wrong ones and that I made the right choice. Too bad I didn't push harder to make him realize it sooner, and he's died with regret and remorse in his heart.

Lincoln: He at least made peace for his wrongdoings. But, I have a feeling he used The Machine to create one last creation: he knew you had started a family, and he used it to create a family of his own.

Eli: I found out about her: her name is Audrey Drew, and she found out the truth about her dad and her life, and she found out about what we did, and that we brought an end to the pain and suffering everyone had to endure.

Allison Pendle: Audrey will no doubt want to meet you all.

Lincoln: We'll meet her sometime in the future, she'll no doubt have a lot of questions for us and for what Henry had to endure in her dad's world. But, for now, we should be happy to see an end to the nightmare for good. (To Stella Addison) And it's so good to see you again, Stella Addison.

Stella Addison revert back to normal, and she's a beautiful girl with long green hair, green eyes, she was tall at 7'0" in height, she has a really strong and powerful muscular physique and ample breasts, tanned skin, she has massive and beautiful rose red angel wings, she's dressed in a sleeveless green tank top, green shorts, green knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with earth, plants, leaves, and earth angels on the coattails and on the back is Elemental HERO Knopse, and holstered on her back is a massive Elemental HERO Knopse-themed greatsword with embedded green gems and Elemental HERO Knopse etched on the 7'0" massive, wide, double-edged green blade, large brown phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with green gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large green gem on the bottom of the large white angel heads for the pommel.

Stella Addison: You too, Lincoln, it's been a long time.

Lincoln went up to Stella Addison and he hugged her, and Stella Addison is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Stella Addison: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Stella Addison, Gene-Slammer of Elemental HERO Knopse, she's my Guardian Angel from Michigan, she's a very powerful and also a very physically strong athlete who was born with superhuman strength, and she's also a skilled wilderness survival expert. Plus, she's also a seductive and one sexy hot mama who's flirted and made out with me more than once, and she loves me with all her heart and she knows to share me among the other members of my harem and fellow Guardian Angels.

Luna: We almost busted out laughing seeing our bro's face being smooshed by her chest as she was hugging him.

Lori: And she was also kissing him all over the place and he had a love struck look on his face.

Earth: Like how we always make out with him.

Monica Anniston: Exactly, Earth. Stella Addison's also a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages.

Magnolia Monroe: But, we always saw her coming when we see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet.

Me: Yeah, the smell of her sweaty pits tends to make us sick.

Selena Arcangela: But, Stella and the other Elemental HEROS of Earth along with Lincoln had more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents.

Nico: Dang, and is she really that strong, Lincoln?!

Lincoln summons a 900,000,000,000,000,000-lb barbell, and Stella Addison lifted it with one hand and we saw just how strong she really is, and my jaw and Nico's hit the floor.

Qin: (Whistles) Damn, and I thought many of our friends were that strong, but whoa!

Stella Addison: And you're going to hear how Linky and I took that animal, Lynn, down when she was on another rampage again. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Stella?

Stella Addison: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Stella Addison: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Stella Addison, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Stella Addison: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Stella Addison's neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Stella Addison: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Stella Addison.

Stella Addison had a smile on her face and tears in her eyes as

Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw who they were, he immediately recognized them. The seven girls are Ange, Avie, Diana, Kanna, Kiwame, Puffin, and Tsubaki Kanzaki from Blade Smash.

Lincoln: Oh wow, it's Ange, Avie, Diana, Kanna, Kiwame, Puffin, and Tsubaki Kanzaki from Blade Smash.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ange: Yes, we're okay, thanks to you.

Then, when Ange and the other six girls saw who it was that saved them from The Guardian of The Ink Machine and ended the nightmare, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ange: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ange, Avie, Diana, Kanna, Kiwame, Puffin, and Tsubaki Kanzaki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

Maria: Man, you guys really had quite a wild adventure there.

Lincoln: We did, but we ended The Cycle, freed all of The Lost Ones, and even gave Bendy a new life thanks to Henry using the power of The Gold Ink.

Allison Pendle: And for that, we thank you all, Team Loud Phoenix Storm.

Henry Stein: Joey created the world of The Cycle mainly out of revenge towards me, but he dragged a lot of people down a path of darkness, but in the end, we freed everyone.

Nico: We sure did, Henry. Uh, Lincoln, can you?

Lincoln entombed himself and all of us except for Allison, Tom, and Bendy in a huge ball of water and the ink was washed off. We stepped out and the ball turned black, and it was flung at the jerks, who got hit and cursed at us again.

Simba: (Laughs) Next time, we should include doing that to the jerks.

Me: Yeah, that was way too hilarious.

Bendy: (Laughs) That was a really good prank.

Nico: If you liked that, Bendy, wait 'til you see the humiliations we'd dealt them, they are so hilarious.

After bringing an end to The Cycle by destroying The Ink Machine, freeing The Lost Ones and giving Bendy a new life as well as saving Henry Stein, Allison Pendle, and Thomas Connor, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Stella Addison saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Stella Addison: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Stella, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Stella Addison: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Stella Addison: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Stella, what's the story on how you and Lincoln took down Lynn whenever she goes on her massive rage-fueled rampages?

Stella Addison: That's something I'll never forget, and I got a video to show the story.

Stella Addison pulled up the video as it played on the big screen. There we see Stella Addison and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and Stella Addison was doing the same routine as Lincoln. Suddenly, they heard a loud thunderous belch in the air.

BBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUURRRRRRRRRR

Past Selene Emperyous: What the heck was that?!

Then, they caught the stench of sweaty armpits and smelly feet, and there was only one person who could make that loud thunderous belch and have the stench of sweaty armpits and smelly feet.

Past Laney Emperyous: Oh no.

Past Stella Addison: It's Lynn, she's here, I can smell her sweaty armpits and smelly feet from a mile away. Ugh, she smells like a week old gym bag!

Past Lincoln: Everyone, get ready!

Lincoln and his Guardian Angels stood ready, and then, the doors burst open, and there stood Lynn with red eyes and her mouth was foaming. Then, Lynn roared and she charged at Lincoln and Stella Addison, but Stella Addison punched Lynn hard in the face and sent her flying out of the gym, and they all followed. Lynn got up and she roared and beat her chest like a gorilla.

Past Lincoln: Come on, Stella, let's get her!

Lincoln and Stella Addison went after Lynn, and they proceed to beat her into the ground and they showed her no mercy whatsoever. Then, Lincoln knocked Lynn out with a knockout punch, and then, he tied her up in red energy ropes so she couldn't escape, and Stella Addison ran up to Lincoln and they kissed, as the video ends and we cheered.

Maria: Whoa, Lynn never stood a chance against you two.

Lincoln: Lynn never did, she may be strong, but Stella and I were stronger, and we knew how to wrangle her in.

Stella Addison: And I was shocked to find out it was Principal Huggins' Dark Side that did this and turned Lori, Lynn, Lola, Lisa, and Luan into outright monsters.

Lincoln: He's recovered greatly, but, we also found out the one person that's responsible for turning Principal Huggins into the very jerk who wanted me dead was Chase Young.

Stella Addison: WHAT?!

Anna Anyanova: It's true, Magnolia, Chase Young was the one responsible for turning Principal Huggins into the killjoy jerk we hated and who also gave him that Dark Side Creation Serum that turned Lori, Lynn, Lola, Lisa, and Luan into the outright monsters we pulverized, he was the true source of all of Lincoln's pain and suffering, along with what he did to Sebastian. We separated Chase Young from his dark side, and we made him pay for 1,500 years of evil and we sent him to The Black Gates.

Stella Addison: Good, he was scum!

Sebastian then drew a glyph on the floor.

Nico: Hey, what's with the glyph?

Sebastian Mendez: After what happened, I decided that two can play at that game. The glyph I drew will alert us if she tries to use her dark magic to cause trouble for us again, and I also put a lock on Lisa's lab to keep Leni from getting in and messing with Lisa's inventions.

Lisa Loud: Should've thought about that in the first place.

We got a shower, and then, Lincoln, Maren, and Carol (Pokémon) are heading to an Italian restaurant in the north of Gotham Royal York.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in a large fancy tuxedo and he also put on some Thunderbird Juniper cologne, he always has on his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Maren and Carol were dressed in fancy dresses that Rarity made for them. Plus, we found out Maren and Carol fell in with Lincoln, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Nyra Remmington has sent some thugs to kill them.

Maren: Wow, this restaurant is really amazing.

Lincoln: I've been here before, Maren, and wait until you and Carol taste the food, it's incredible. But, we got to keep our guards up, Nyra has probably sent some thugs to kill us.

Lincoln, Maren, and Carol sat at their table, and they ordered their food. Then, their food arrived, but Lincoln saw that one of the chefs had poisoned their dishes, and he confessed to who'd ordered their food to be poisoned: it was Nyra Remmington, and he had no choice. If he failed to do what she had asked, Nyra would murder his family. Lincoln snapped his fingers and got the chef's family to safety, and then, his eyes turned deep red and he murdered the thugs who were there. They got fresh food and they ate it and it was incredible. Lincoln comforted the chef and told him it wasn't his fault, and then, he told him to get him and his family to a safer place near the Estate, now that Nyra found out her scheme was ruined, she would be out for blood. Then, Lincoln paid for the food, and he, Maren, and Carol came back home.

Lily the Mermaid: Linky, how was your date?

Lincoln: Really awesome, but we also got bad news.

Lincoln told them that Nyra Remmington forced the chef to poison their food, and if he didn't do as she said, she would kill his family, but her plan was foiled, and the chef and his family were now under our protection. When Lincoln was finished, we were pissed.

Nico: That monster bitch! Now, she's really done it!

Maria: I hope you and Saorise kick her ass hard.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Maren and Carol with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird

Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Maren and Carol are part of your harem.

Suddenly, we heard Nyra Remmington scream with extreme hatred and rage.

Maria: Yeah, up yours, bitch!

Nico: Serves her right, but she'll get hers later on today.

---

Riki Honoo: Well, I'm off to go do a shogi tournament against someone.

Me: Cool! Shogi! Shikamaru is gonna love that one. He is good at Shogi.

Riki Honoo: Is he really?

Me: He sure is.

Zecora: May we come with you? We might see a Hitotsuki there too.

Nico: I agree with Zecora. One can never be too sure.

Riki Honoo: Sure. Lets go.

We were off.

Garden Grove: Who's Riki's opponent?

Me: Not really sure. But I know for a fact that it's someone that we saw on the Donbrothers series.

Qin: Yeah.

We arrived at the park and we saw lots of people there playing Shogi.

Nico: Wow look at all the people here.

Xenia: Sure is amazing.

Me: Brings back a lot of memories. When I was in the Leaf in 150,000 years I would play Shogi against Lord Hiruzen. He told me that it makes great strategical practice for tactical advantages.

Nico: That's very good practice for future combat scenarios.

Me: Yep. Shogi is like chess.

Xenia: That's right.

Fu: I remember that. That was cool.

Me: It sure is and I would play with Shikamaru too.

Camie: Awesome.

Nico: There's said opponent.

We saw that it was Kazuma Serazawa.

Me: (In my head) I know him. That's Kazuma Serazawa. He is a shogi champion.

Nico: (In his head) This will be interesting.

Eli: This is gonna be good.

We went over and saw Riki playing him.

He was really playing hard.

Poromon: Go, Riki!

Nico: Shh. He needs to concentrate.

Qin: Yeah.

Poromon: Sorry.

Me: The trick to Shogi is to formulate a good strategy to take your opponent by surprise and gain the advantage.

Nico: Wow. You really have played Shogi before.

Me: Yep.

Poliwag: The question is: Is the Hitotsuki gonna appear before or after there's a winner?

Me: My hunch is after.

Nico: Lets watch and see.

Qin: Yeah.

Camie: But it's really cool seeing this in action.

Xenia: It sure is.

Varie: I agree there too.

Olivia Houou: This will be awesome though.

Nico: Yep.

Maria: Is anyone winning right now?

Me: Hard to tell. But it looks like Riki is winning.

Eli: I sense that Kazuma is on edge.

Me: Patience, perseverance, tactical advantages and concentration are needed in Shogi.

Nico: Wow.

Qin: Very wise.

Nico: Yep.

Camie: Where did you learn that from?

Me: Shikaku Nara, Shikamaru's dad taught me. He is very analytical, strategic and patient not only as Jonin Commander but also in tactical situations in battle.

Nico: Amazing.

Laney: Tsumi?

Me: That's the Shogi version of Checkmate. Shogi is in every way like chess is.

Lola: Wow.

Laney: Oh I get it.

Qin: Wow.

Kazuma Serazawa: No! How could I have lost?!

Riki Honoo: Now, hold on. It's just a game. And you did a nice job regardless.

Me: Uh oh. I sense something.

Kazuma Serazawa: SHUT UP! Someone like you couldn't have beaten me so easily. And now, I'll prove it!

Me: UH OH!

With that, he was surrounded by an energy circle with the Turboranger logo and turned into Kousokuki from Episode 14 of Donbrothers!

---

This unnamed Shogi player turned into a racer-themed Hitotsuki called Kousokuki (高速鬼 Kōsokuki, lit. High Speed Demon), possessing a Turboranger Avataro Gear, out of his desire to become stronger with shogi. He later evolves into Kousokuking (高速鬼ング Kōsokukingu).

At a mansion, he was in the middle of a shogi tournament against an aged veteran player, the clock is winding down as he struggles to find a winning move as he is on the verge of losing the entire game. His desire to win and get better at shogi coupled with the stress of the moment causes the student to have a nervous breakdown and he transforms into Kosoukuki.

As he attacks, the four Donbrothers all arrive, but Tsuyoshi is unsure what to do without Taro's guidance. Shinichi tries to take command and reassures Tsuyoshi that they just fight like always and encourages everyone to have confidence. However, Kosoukuki is stronger than Shinichi and overpowers him and the other three rush in to help, only for Sononi to rush in and leap to attack Haruka in a surprise attempt to kill off another Donbrother. Suddenly, Sonoi rushes in to protect Haruka by blocking Sononi's blades with his sword. Everyone is confused by this turn of events as Jiro observes the battle from afar, he believes his opportunity has finally come, getting undressed and changing into a costume. With that, Kosoukuki escapes.

Later at Musashino Academy, Kosoukuki attacks, turning students into shogi game pieces. Haruka and Shinichi transform and try to shoot at Kosoukuki, but he uses the power of Turboranger to speed up and avoid the gunfire. Things get worse as the Noto Generals appear and coordinate an attack, with the two Donbrothers losing. As Haruka is continuously struck by Sonoi's blade, she pleads for Taro to return… only for her pleas to suddenly be answered by a familiar laugh and Don Momotaro making his grand entrance!

Shinichi realizes that Kaito had just used their combined Points to revive Taro. The Generals are in disbelief at witnessing the very person they killed suddenly come back from the dead. Jiro also observes this from behind a tree, surprised that the leader of the Donbrothers has returned.

Don Momotaro quickly changes into Robotaro form and swiftly defeats Kosoukuki with the Avatar Photon Slash. The generals are driven back and Kosoukuki evolves into Kosoukuking. Taro gives the order to combine and the entire team are elated to reunite with their leader to form Don Onitaijin. After Shinichi recites a haiku and everyone gets pumped for battle, the fight against Kosoukuking becomes a race as the two titans go full speed across the battlefield and clash swords, Don Onitaijin then takes to the air and uses a barrage of punches to cause Kosoukuking to spin out and crash. The fight ends as Kosoukuking is defeated by the Donbros Paradise, with the students returning to normal and a burnt out student deciding to quit Shogi club.

WE GASPED!

Me: Oh man! Kousokuki the Turborangers Hitotosuki! I knew it!

Nico: This is gonna be fast!

Me: I remember this guy too! He was pissed that he wanted to get stronger and be the best Shogi player ever!

Nico: What a sore loser!

Me: Eli get everyone away from here fast! This is gonna get ugly!

Eli: Right!

Eli got everyone away.

Me: Time for some speed!

I took off my weighted jacket and weights and put it on the ground with a thunderous crash!

KRASMASH!

There was a crater in the ground.

Me: Ahh! (CRACKS NECK) Time for speed to go!

Pipes turned into vehicle mode and drove at Kousokuki. But he ran at fast speeds at Pipes.

Pipes smashed Kousokuki down with his speed!

Pipes: Nice try bub!

Me: Now for some fun!

I used the Kyuranger gear and formed my sword into THE SWORD OF THE 88 GALAXIES!

Me: Lets dance turbo breath!

Kousokuki: I'm going to blaze on! So that no one can beat me! I'll blast down the road of shogi!

He turned some nearby civilians into Shogi Pieces.

Me: Nice try! (SNAPS FINGERS)

I reverted them back and Eli got them away.

Kousokuki: (GROWLS) DIE!

He ran at me and I ran fast at him!

ZOOM! ZOOM!

Me and Kousokuki collided and a massive fiery explosion blasted off with incredible force from our collision as I sent him crashing into a tree and it crashed onto him!

CRASH!

Nico: WHOA! That was powerful!

Riki Honoo: Red Turbo!

He turned into the RED TURBORANGER!

Me: YEAH! Lets give him the Super Speed Beatdown!

Flash: You got it!

Me, Flash, Rainbow Dash, Sonic, Speedy Gonzales, Roadrunner, Kid Flash and Lightning Dust ran with incredible speed and jumped him and bashed and blasted and pulverized him into pulp!

BASH BAM WHAM SMASH WHOMP POW BIFF THWACK CHONK BLAM!

I kicked him in his face and sent him flying and smashed him into a rock.

Kousokuki: I have to get better!

Kousokuki grew wheels on feet and ran at fast speeds at Riki, who charged at him.

Riki kicked him in his face and smashed him down!

Me: Come on! You can be faster than that!

Kousokuki: I HAVE TO BE BETTER!

Me: Talk about a one track mind.

He went at me and I dodged his strikes as he was punching at me and I was dodging them with incredible speed that it made it look like I wasn't moving at all!

Qin: WHOA!

Piccolo: Amazing! That's like what happened when we were fighting Frieza on Namek. It's like he is not moving at all.

Gohan: No kidding! That is amazing!

Kousokuki: Oh, I'll show you not moving!

Kousokuki used his 100-speed shift to rapidly crash into Piccolo. But Piccolo's speed outdid him and Kousokuki got smashed into the ground with a powerful punch from him.

Piccolo: This guy is nothing but a bunch of talk.

Me: I think it's time we put the brakes on him! (Spins magisword bracelet)

TAR PIT MAGISWORD!

I fired a beam of dark energy and it hit Kousokuki's feet and stuck him to the ground like glue! He was stuck hard!

Nico: Now we got him right where we want him.

Horsea: We just need to wait for the next Gene Slammer.

Me: In the mean time lets beat the living shit out of this sore loser!

Kousokuki was enraged when I said that!

Iron Man shot missiles at him.

He blasted him all over with them.

Me: You need more protein in your life! Chew on these!

We all had NUMEROUS EGG BLASTERS ready to fire!

Kousokuki: UH OH!

Nico: FIRE!

We fired and blasted him all over the place with numerous egg bombs at a rapid pace!

He was being pelted and blasted all over the place with exploding eggs!

Eddy: Like em fried or scrambled?!

Kousokuki: (GROWLS IN FURY) I WILL GET STRONGER AND KILL YOU ALL!

Me: Bite my big fat fucking ass!

Maria: (to her friends) Just like old times, girls!

Tina: You got that right!

Lara: Yeah this will be awesome!

They fired waves of water, fire, earth, wind, lightning and light and blasted him all over the place.

Luna Loud: Crag, Lincoln, lets get him dudes!

Crag: Coming on guys!

Luna, Lincoln and the Ripping Friends: IT'S RIPPING TIME!

They went at Kousokuki and smashed and pulverized him all over with extreme brutality!

Poromon pecked him!

Really hurting him!

Poromon: You like that!?

Me: Top this too!

I then slam my hands together and began to rub them against each other as if trying to start a fire with two sticks. Smoke and sparks rise from my hands, and a fireball bursts forth.

Me: Eat this!

I threw it and let it fly and it hit Kousokuki and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Uta: OH YEAH! Now for this one!

She rubbed her hands together fast and fired a Friction Laser Blast and blasted him all over with it!

Uta: I got an idea!

She fired a blast at the tar holding him and broke him out! But then she fired a blast of energy at his feet and made him FRICTIONLESS!

Poliwag: What just happened?

Uta: Wait for it.

He was about to run but then.

TRIP!

CRASH!

He tripped and fell and slid on the ground and then I pulled out a huge barrel of Nitroglycerin and C4 and Napalm and we got out of the way and then…

EXTREMELY MASSIVE AND HUGE FIERY EXPLOSION!

He was blasted and burned by the explosion!

Qin: OUCH!

Maria: The next Gene Slammer IS coming, right?

?: You mean me?

Then a Whimsicott came!

Qin: A Whimsicott!

Xenia: Whoa!

Whimsicott: (In a girls voice) This will be good and I'm ready to thrash.

Nico: Kathryn Vigilante! Wow!

Whimsicott: This will be good.

She fired waves of energy and blasted him all over.

Lyra: I think it's time to REALLY finish this!

Me: I agree! 88 GALAXY CONSTELLATION BURST!

I fired a huge blast of energy with the power of the 88 Constellations and it slammed into Kousokuki and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

I caught the TurboRanger Gear!

Me: YEAH! Kousokuki You have failed this city!

Lyra: Demon Elimination complete. All's well that ends well.

Nico: YEAH!

We saw Kazuma on the ground.

Me: Boy he is gonna be in a lot of pain from that.

But he then vanished.

Me: Back to Japan with him.

Nico: Yep.

Whimsicott: That's for sure.

She reverted back and Kathryn was a girl with green hair and green eyes and had orange butterfly wings and had green clothes.

Kathryn Vigilante: But that was fun.

Headstrong: What's your favorite memory of Nico?

Kathryn Vigilante: When me and Nico were planting some flowers and we saw the queen bee bitches making fun of the nerds and I used my plant powers and fired waves of acid from flowers that dissolved their clothes down to their birthday suits and the girls screamed and the nerds said that they loved naked girls.

We laughed!

Nico: That was funny!

Qin: Those girls were completely embarrassed that they never showed up for the rest of the term!

Nicole: (LAUGHS) That is funny! Well done Kathryn.

Kathryn Vigilante: Thanks.

Nico and Kathryn hugged.

Nico: I've missed you.

Kathryn Vigilante: Me too Nico. Me too.

Skullgrin: Are you an ACTUAL vigilante in real life?

Kathryn Vigilante: (LAUGHS) In a way yes. I beat up and humiliate Queen Bee girls.

Jackie Wren: I like how you think. I HATE Queen Bee girls. They think they are so much better than everyone else that they think they can get away with anything.

Lola: Yeah they are jerks!

Then the previous group came.

Jack O Lantern: Can me, Pied Piper, Vexen, Ryugu Tamatebacco, Pterodactyl Ghost, Ice Demon, Mortal Kombat Scorpion, Stratos, Manta Bayarsh, and Gator Ghoul go with you guys?

Nico: Yes you all can come with us.

Qin: I wonder what our next mission will be.

Nico: I have a feeling this will be good.

Tae Kwon Crow: Nico, which Gene Slammers do you think you'll meet next?

Nico: Lilligant, Basculin and Krookodile next.

Qin: Ooh! The Krookodile is probably going to be Carolina Richards. She's from Australia.

Xenia: Wow that will be interesting to see.

Lola: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was the old enemy of The SPD Rangers, Emperor Grumm, and he's come back wanting revenge on The SPD Rangers. When we saw it, we knew it meant big trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, where are Jack Landors and his team?

Jack Landors and the other SPD Rangers came in.

Jack Landors: You called, Lincoln, what's wrong?

Lincoln: You and the rest of the team are so not going to like it, Jack. I had a vision and I saw who we're going to confront today: it's your old enemy, Emperor Grumm, he's come back and he wants revenge on all of you for destroying him.

We gasped.

Me: Whoa, Emperor Grumm's back?! First, it was Galvanax, next it was Prince Vekar, and now, we got word that Emperor Grumm has come back?! This is going to be one huge fight, but we'll send that monster to The Black Gates and rid the universe of another of the Rangers' enemies.

Nico: You got that right.

Sebastian Mendez: This is impossible, how did Galvanax, Prince Vekar, and Emperor Grumm even come back from the dead?

Tommy Oliver: There's only one person who could be responsible for it: Lord Zedd.

Sebastian Mendez: The Emperor of Evil and the real leader of the Evil Space Aliens. I always knew that despicable sorceress, Rita Repulsa, wasn't the true leader of the Evil Space Aliens, but Lord Zedd, and he was the one who brought Galvanax, Prince Vekar, and Emperor Grumm back. Plus, I was really pissed that Evil Sebastian was the one who sent the Anoni and tricked the Noto Generals, Dark Chase was really playing with fire, he had no idea of just how insane Evil Sebastian really is.

Me: Oh, we had an idea of how insane he really is: and when Taro found out your Evil Side was the one responsible for it, he wanted to break his neck.

Nico: Well, we already did it. Now, let's get out there and kill Emperor Grumm.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Nyra Remmington of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Nyra Remmington of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Saorise Shadowstrike: While you and I deal with Nyra Remmington and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Nyra Remmington will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, it's time to destroy Emperor Grumm once and for all.

Lincoln: Emperor Grumm's time is finally done, no longer will that monster be free to cause havoc in the entire universe ever again, and once we get done with destroying Emperor Grumm, you're next, Nyra Remmington.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Saorise Shadowstrike: No way are we forgiving you for any of your actions, Nyra Remmington, you better be ready to pay the price for your foul misdeeds after we get rid of Emperor Grumm.

Me: We don't know where he'll show up yet.

Qin: Yeah where will he go to for us to face him?

Pied Piper: By the way, King Kai, you don't have to hide it anymore. We know who the Renegades are now.

King Kai: I had a feeling that you found out. Also to answer Qin's question, Grumm is heading to Roswell, New Mexico and he is going to be ready for you guys. Be extra careful.

Me: We will.

Commander Crueger: Let's go to the SPD Base in NewTech City. If Grumm wants to prepare for us, we'll prepare for him right back.

Lena Isis: Good idea.

Phosphos: It'll be interesting to see where you guys worked in.

Commander Crueger: You guys are going to be amazed by it.

We went to NewTech City and we went to SPD HQ.

We arrived and it was an amazing place.

Me: WOW!

Jack Landors: Home sweet home.

Vexen: This base truly is fascinating.

Jack Landors: It sure is. We'll show you guys around.

We were shown around the place and it was amazing and cool.

Camie: Wow! This is amazing!

Juru: Just like CAROT back home.

Boom: Commander. Good to have you back. Not to worry. I kept everything intact while you were gone.

Commander Crueger: (salutes) Thank you, Boom. Keep up the good work.

Dreadbane: He looks similar to Mick Kanic.

Me: I sure remember Mick Kanic though. Wait Mick Kanic. Mechanic! I get it.

Nico: Good anagram.

Ryugu Tamatebacco: (to the Patrangers) Reminds you guys of the GSPO HQ, doesn't it?

Keiichiro: It sure does.

Qin: Just like it.

Camie: Yep.

Me: This is amazing though.

Acid Man: When we first met you guys, we were discussing about setting up an Academy for future TLPS recruits.

Commander Crueger: Perhaps that can be formed for the next Generation in case any of us retire of our own accord.

Nico: I think Videl can be part of that said generation.

Me: Good idea. But we're not going to retire for a long time.

Qin: Yeah.

Laney: We still have countless more years of fighting in us.

Me: Yep.

Camie: Before we get down to business what can you guys tell us about Grumm?

Commander Crueger: He is not a very nice guy.

He went over his history.

---

Emperor Gruumm was the figurehead leader of the Troobian Empire and the central turned final antagonist of Power Rangers SPD. He was the archenemy of The SPD Shadow Ranger, Commander Anubis "Doggie" Cruger but was later revealed to be the servant of Omni the Magnificence.

He was played by Rene Naufahu who would later play Mentor Ji in Power Rangers Samurai six years later.

Nothing is known about Gruumm's past until he joined with a giant brain named Omni and formed the Troobian Empire with the ultimate goal of gathering planetary resources to build him a massive body. Gruumm's main strategy was always to overwhelm and devastate a planet with constant, large-scale assaults and then drain the planet of its resources, his ship can even destroy a planet from orbit. Gruumm led the Troobian Empire in many of its conquests, overwhelming each planet with large-scale assaults and then draining it of its resources. At some point, he met Morgana and turned her into a small girl in exchange for her loyalty.

However, his most notable conquest was the planet, Sirius, where Gruumm got the codes from the shields around the planet Sirius from Astronema so that he could deactivate them and attack the planet. The Emperor then launched and attack on Sirius, despite the planet forming the very first Space Patrol Delta, the Sirians fell to Gruumm's army of Krybots that was led by General Benaag. During the battle Gruumm went to the battlefield himself and faced off against the first incarnation of S.P.D. Gruumm personally battled the Sirian Shadow Ranger Anubis Cruger, who cut off one of his horns, causing him to develop a grudge against Cruger. Gruumm later left Doggie to die and captured his wife Isinia Cruger (leaving Doggie to believe that she died on the battle) while the other Sirians were destroyed. Gruumm over the years conquered and slaughtered a large number of planets, with the Rangers once exaggerating to say he'd conquered everywhere but Earth. Kat Manx later said that her own homeworld had also fallen to the Troobian Empire.

In 2025, Grumm begins his attempts to take over Earth and succeeds in turning the S.P.D. A-Squad Power Rangers to his side, promising that they will rule the Earth alongside him. Gruumm launches an assault on Earth where he realizes that Doggie Cruger is the Earth Commander of S.P.D. Initially, he has to steal His highly destructive tactics show life means little to him. It was initially unclear why he wasn't using such tactics to conquer Earth, except on rare occasions where he simply lost his temper and struck in force or attacked personally; in each case, he would have won if not for outside intervention (new weaponry for Cruger, the Omega Ranger, and Dino Thunder Rangers respectively). Gruumm first sends a Blue-Head Krybot to obtain a Proton Accelerator, but this fails due to interference by S.P.D.'s new B-Squad Rangers. He continues to launch assaults on the Earth, enlisting the help of the arms dealer Broodwing who gives him massive robots and Krybots for his plans. After multiple failures, Gruumm decides to go to Earth himself and challenges Anubis to battle in order to settle the rivalry they started on Sirius.

The B-Squad battled Gruumm only to be unable to match his combat skills and motorbike and later Supreme Commander Birdie Fowler faces him after he fires Cruger. The emperor easily beats him as well until Cruger arrives, morphs into the Shadow Ranger, and manages to drive him off. Later, Gruumm becomes tired of paying Broodwing for weapons and robots that keep failing anyways and forces him to provide his services for free. However, this makes Broodwing set out to conquer the Earth first as a form of payback. Sometime after this, Gruumm uses a wormhole to go to the past to take over the Earth before S.P.D. ever existed and recruits Zeltrax in helping him take over. However, even their combined forces are unable to match the combined forces of the S.P.D. Rangers and the Dino Thunder Rangers and, although Gruumm plans to stay in the past, he heads back to 2025 after being shot by the Z-Rex Blaster. As time goes by, it becomes clear that Gruumm has been working on a long-term plan since he has not been employing his usual strategy.

Later, when Omni launches his final assault on Earth, Cruger (who had been captured by the renegade A-Squad SPD Rangers) is sent to Gruumm's Terror Spacecraft. As Omni's body begins to take shape, the B-Squad and Cruger escape and Cruger escapes his cell on Gruumm's ship. After Cruger captured Mora, the Shadow Ranger confronts Gruumm and the two fight until Gruumm and Cruger hang over the firey core at the heart of Omni. He tries to throw in Cruger's wife Isinia but instead slips and falls to his apparent death in the molten metal. After Omni is destroyed by the S.W.A.T. Megazord however, Gruumm emerges from the wreckage in front of SPD Headquarters amidst the celebrations to face Cruger one last time. Gruumm challenges his nemesis in one final battle but is no match for Cruger with his staff being destroyed so he demands Cruger kill him. Instead of killing Gruumm, Cruger cuts off the top of his remaining horn and contains Gruumm in a Containment Card much to his fury.

Gruumm appears in the Nintendo DS version as the main antagonist who has set his sights upon the myth of the Hall of Legends, the resting place of the collected energies of Power Rangers across time. In his twisted mind, he envisions a world where his enemy's power is not only stolen but used to make him a living god over all creation. In the console version of the same game, he is merely mentioned.

When he was done all those that hadn't heard about it were shocked and horrified!

Camie: He is pure evil!

Qin: And absolutely ruthless.

Commander Crueger: And looking back I should have killed him.

Pterodactyl Ghost: Here's your chance now. Just like how cops sometimes have to kill certain crooks in situations. Just like what happened with Venomark.

Shoutmon: Don't forget who helped killed Venomark.

Me: That would be me. I had some help in that.

Qin: Yep.

Shoutmon: That's true you sure did.

Commander Crueger: But that being said, Gruumm is my responsiblity. He conquered my planet and kidnapped Isinia for many years. (to the SPD Rangers) You all have been a good part of SPD. But I will not force you to fight this battle. I will not fault you if you want to back out.

Family Guy Penelope: I think you know the answer to that.

Jack Landors: Hey, we've been helping to fight Gruumm since I first join up, Commander. We're fighting with you, not for you, okay?

Me: All of us will help out. Gruumm is one of our enemies too. Just like he is yours. And besides we're going to make sure all of the Power Rangers enemies suffer.

Nico: That's right. They all will pay.

Keiichiro: Me and my team are helping too. Look, I know we're not from America. But the Dekarangers, your Japanese counterparts, were part of the main inspiration for us to become Patrangers. Fighting alongside you guys will be essentially the same thing.

Ice Demon: And both teams ARE police after all.

Me: That's right. Lets not forget the Time Force Team is also for Law Enforcement too.

Jen Scotts: That's right and we come from the year 3000.

Nico: And the Drive Kamen Riders also are for Law Enforcement.

Qin: Yep.

Commander Crueger: That is true. Thank you all. Thank you.

Morton Koopa: It was nothing.

Commander Crueger: (to the SPD Rangers) You guys have become more than just cadets to me. You've become like family. More than the A Squad ever could.

Kat Manx: And before anyone says anything, we'll go after the A Squad in the future. Gruumm is more important today.

Bridge: (cries happily despite Kat Manx's statement) I promised myself I wouldn't cry.

Me: Aww Bridge you get so emotional.

Nico: He sure does.

Eli: Yeah.

Me: Gruumm is our top priority though.

Camie: Yep.

Mortal Kombat Scorpion: (to me) Just so you know, Hydrax will be so hot for you after Gruumm is destroyed.

Me: I know.

Nico: Nice.

Deadpool: I hope that 100 Krybot challenge appears again like in the

Benaag episode.

Eli: That would be awesome.

Stratos: If that's the case we'll probably have to deal with Orange Krybots.

Me: I love a good challenge.

Qin: Me too.

Lola: Same with me.

Nico: This will be a good one.

Mandy: How about we get ready now?

Commander Crueger: (to Jack) Jack, I think you've earned the right to say the words.

Jack Landors: (grins) My pleasure! SPD Emergency!

Jack and the SPD Rangers transformed!

Jack Landors: 1! SPD RED!

Sky Tate: 2! SPD BLUE!

Bridge Carson: 3! SPD GREEN!

Z: 4! SPD YELLOW!

Sydney Drew: 5! SPD PINK!

Sam the Omega Ranger: "Force from the Future! SPD Omega Ranger!"

Commander Crueger: "Sworn Defender of the Galaxy! SPD Shadow Ranger!"

Kat Manx: "SPD Kat Ranger!"

Nova Ranger: "Force from the Future! SPD Nova Ranger!"

All: "Defenders of Earth! (SIRENS WAIL) Power Rangers SPD!"

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Manta Bayarsh: Alright! Let's head out!

Nico: I was just about to say that!

We were off!

We arrived in Roswell, New Mexico!

We then saw our target and NUMEROUS KRYBOTS!

Me: There he is!

Nico: Holy mackerel! There's more than a hundred of them!

Lola: Geez!

Disk Wars Magneto: Time for our entrance. I'm dying to magnetize several of those Krybots.

Nico: This will be good.

We went at him.

Gruumm was infuriated.

But then the spirits of all his fallen monster comrades appeared and they swirled around him and converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out from above him and a phoenix cry was heard and fireballs rained down and blasted the Krybots and we landed.

Me: Gruumm your time is up!

Jack Landors: That's right!

Gruumm: For the humiliation you gave me when we last fought, Crueger, I will kill you first and make your precious SPD and wife watch. And then, I will kill them as well!

Commander Crueger: Don't count on it, Gruumm! This time, you're not getting out of this mess alive!

Jack Landors: To quote some friends of ours, we're taking you down by force!

Keiichiro: (laughs) Well said, Jack!

Me: For what you said Gruumm, you just signed your death warrant!

Gator Ghoul: I call dibs on eating your hand!

Sydney Drew: Okay, what's with you and eating hands?

Gator Ghoul: (pouts) It's how Tick Tock does it!

Me: We'll pour barbecue sauce and mustard on him.

Gator Ghoul: Nice!

Disk Wars Magneto blasted numerous Krybots and destroyed them.

Then Titanium Man, Trumbipular, Magneto, Kyd Wykkyd, Misty Tredwell, Deadwood, Killer Croc, Toad, Kerbero Gangan, and Samon Shakekisutanchin came.

Nico: Titanium Man, Trumbipular, Magneto, Kyd Wykkyd, Misty Tredwell, Deadwood, Killer Croc, Toad, Kerbero Gangan, and Samon Shakekisutanchin.

Magneto: It's always good to see another version of myself in combat.

Disk Wars Magneto: Glad you like that.

Kerbero Gangan: I'm just glad the Patrangers are helping out as well.

Samon Shakekisutanchin: Me too.

Keiichiro: This will be fun.

Titanium Man: (to Nico): We heard you went to Hell.

Trumbipular: And we mean literally.

Nico: We sure did and it was awesome.

Me: We have quite a story for that.

Nico: We sure do.

Lola: Yep.

Gasser came.

Gasser: I'm back for round 2! (LOUD FART) Oops.

Me: Geez! Now I see why they call you Gasser. Literally.

Gasser: Okay. So I'm a little gassy.

Me: And I thought Nojoke was the only one that liked to be a fart pants.

Qin: No kidding.

Lola: Yeah.

We got the battles underway!

---

Mack Hartford, Margareta Gottschalk, Rhonda LaBouche, Tephra, The Firestorm, Lord Moltus, Sunset Shimmer, Pipsqueak, Fire Skylanders, Skullgrin and Submarauder VS Boris Bullski, Kung Food, Taffy Gang, Crimson Jazz, Invisible, and Volcanic Lord- Nico's rescue in Hell and Jeri Transforming and battling her demons as well as Takato Proposing!?

---

Titanium Man was first.

Titanium Man: (to Mack) Nico's rescue was in Hell and Jeri Transformed and battled her demons. Did Takato really propose to her?!

Mack: He sure did and it was so awesome. There was never any doubt that Takato and Jeri have loved each other ever since and it's so awesome.

Margareta: (German Accent) Oh ja ja. Und they are the perfect match in heaven.

Rhonda LeBouche: They sure are and it's so amazing.

Tephra: I agree there myself. I'm proud of those two. Especially Jeri for facing her demons.

The Firestorm: Yeah what happened to her back then was horrible.

Lord Moltus: That is for sure. Poor girl went through a nightmare.

Sunset Shimmer: Now she is free of her bad nightmare for good.

Pipsqueak: (British Accent) She sure is and I'm glad she is.

Sunburn: All of us are and Takato and Jeri deserve to be married after everything they went through.

Titanium Man: They sure do comrades. I'm proud of them too. Lets do it!

Mack and group used fusions for Hermos and the Armed Dragon monsters and their rider cards and got awesome weapons and they fired waves of fire and smashed them all down.

---

She-Hulk, Anya Rodriguez, Lila Slate, Anna Antedeluvian, Bunnyx, Vina Lexington, Applejack, Apple Bloom, Earth Skylanders, Tae Kwon Crow and Chomp Chest VS Trumbipular, Sindbad, Zurg, Universe 666 Mizuki, Mole King, and Carnage Cosmic - Battling

---

Trumbipular was next.

Trumbipular: (to She Hulk) Nico, Dana's team, Skinner's team, and the others did good Battling Demon Francesco and Another Sellon. And Another Skinner as well.

She-Hulk: They sure did and we were really shocked to see that the Another Skinner was actually the dark side of Skinner! For over 35 years he had to put up with the pranks and shenanigans of Bart Simpson and his dark side separated from him and we destroyed him.

Anya Rodriguez: Aye lass. That was crazy that happened.

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Nyra Remmington.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Nyra Remmington of The Legion of The Lincoln-Haters, but we also saw Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, the bitch's also got Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Nyra Remmington: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And don't think you'll get us with that trick again! KILL THEM!

But, before Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE

THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Saorise Shadowstrike: But, this'll send a clear message that we're not letting them get away with any of their plans for revenge.

Suddenly, Saorise Shadowstrike's eyes turned neon purple and she was surrounded by a purple and midnight blue energy aura with stars, darkness, shadows, and panthers, and as she approached Nyra Remmington, she left purple and midnight blue energy, stars, darkness, shadows, and panthers with every step.

Saorise Shadowstrike: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Nyra Remmington, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Saorise Shadowstrike was surrounded by a massive vortex of purple and midnight blue energy with darkness, stars, and shadows surrounding the vortex, there are panthers running around the vortex, and in the vortex is a black phoenix with red eyes glaring at Nyra Remmington: the red eyes of death. Then, as the vortex faded, Saorise Shadowstrike emerged, but she was changed forever.

Saorise Shadowstrike grew to 7'5" in height, she has the body of a goddess, she has purple and midnight blue highlights in the bangs of her long black hair, she has neon purple eyes and a purple and midnight blue energy aura with darkness, shadows, stars, and panthers surrounding her, she has a panther with the Shadow Kanji emblazoned on her forehead with Third Eye with purple iris, she has on panther earrings with purple gems for eyes and the Shadow, Dark, and Eternity Kanjis in its paws, she also has a panther with purple gems for eyes and holding the Shadow, Dark, and Eternity Kanjis in the paws on the bottom of her purple panther-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Saorise Shadowstrike has on a short-sleeved black blouse, white pants, black stockings, black boots, she has on large gold metal bands with purple gems on her biceps and thighs, and long sleeveless white trenchcoat with darkness, shadows, stars, and panthers on the coattails, and on the back is a panther surrounded by shadows and darkness. Suddenly, Saorise Shadowstrike felt a sharp pain on her back, and then, massive black angel wings with purple and midnight blue tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long black wolf tails with midnight blue tips and purple markings, Saorise Shadowstrike has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Saorise Shadowstrike's newly forged greatsword and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of purple and midnight blue energy, darkness, shadows, stars, and panthers, and when it emerged, it transformed into Saorise Shadowstrike's Silent Shadow Karate Panther Greatsword of Silent Darkness Shadow Karate Panther Justice, it's a brand-new massive greatsword with embedded purple gems and midnight blue etchings and a panther etched on the 7'3" massive, wide, double-edged midnight black blade, large black panther heads for the crossguard, large white angelic faces built into both sides of the hilt with midnight blue gems embedded in the foreheads, longer midnight black handle, four large black panther heads with purple gems in their mouths and a large black panther head with a purple gem in its mouth below the large black panther heads for the pommel. Saorise Shadowstrike has on her new Bracers of The Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on the left bracer, her new Belt of Elemental Bravery with a gold panther head with purple gems for eyes and a large midnight blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below the panther that said, "Saorise Shadowstrike, Expert Karate Master and Champion of Royal Woods, Sparring Partner of Adelaide Chang, Loving Future Wife of Lincoln Loud, Destroyer of Nyra Remmington of The Legion of The Lincoln-Haters, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Shadows, Karate, Darkness, and Panthers"

サオライズ・シャドウストライク、エキスパート空手マスターでロイヤル・ウッズのチャンピオン、アデレード・チャンのスパーリング・パートナー、リンカーン・ラウドの愛する未来の妻、ナイラ・レミントンの破壊者、リンカーン・ヘイターズ軍団の破壊者、悪の破壊者であり、殺人者、無慈悲、とサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、天界のゼルナガの怒りのマスター、黒い門のマスター、影、空手、闇、パンサーのマスター

Saorise Shadowstrike has transformed into SUPER ANGEL-PANTHER-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DARK COSMIC SILENT DARK SHADOWSTRIKE KARATE PANTHER ANGEL OF DIVINE DARK COSMIC SILENT DARK SHADOWSTRIKE KARATE PANTHER JUSTICE AND DIVINE DARK COSMIC SILENT DARK SHADOWSTRIKE KARATE PANTHER LOVE!

We were amazed by Saorise Shadowstrike's Super Angel-Panther-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Nyra Remmington saw it, she went fucking crazy and she got out her machine gun to fire at Saorise Shadowstrike, but Saorise Shadowstrike fired a barrage of purple and midnight blue energy blasts with darkness, shadows, stars, and panthers at Nyra Remmington and it sent her flying into a tree back first, she got back up and she ran at Saorise again with a knife she got out, but she used her disarming techniques to disarm Nyra and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Me: Awesome, Saorise Shadowstrike's transformed into her Super Angel-Panther-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Nyra and she sent her flying into a tree with a roundhouse kick.

Lincoln: Saorise also learned how to disarm opponents in her karate classes, and Nyra Remmington has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Saorise Shadowstrike: (Divine Godly Cosmic Voice of The Silent Darkness Karate Shadow Panther Angel and Divine Darkness Cosmic Shadowstrike Karate Panther Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Saorise Shadowstrike.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Nyra Remmington. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Saorise Shadowstrike and Lincoln went after Nyra Remmington who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, purple and midnight blue energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Nyra Remmington and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Saorise Shadowstrike attacked her with karate moves, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Nyra Remmington got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Saorise Shadowstrike and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Nyra Remmington's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Nyra Remmington by the neck and he tossed her into the air, and then, Lincoln and Saorise Shadowstrike fired a powerful barrage of energy balls with darkness, quintessence, elemental forces, and mythological animals, and as they hit Nyra Remmington, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Nyra Remmington's spirit appeared, and she was still incensed with anger and fury.

Nyra Remmington: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Nyra Remmington.

Lincoln summoned the spirits of Nyra Remmington's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Nyra Remmington: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Saorise Shadowstrike and Lincoln holstered their massive greatswords on their backs and powered down, and Saorise Shadowstrike's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long black tails, and massive black wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Nyra Remmington. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Saorise Shadowstrike: We've taken one down so far, and now, we got twenty-five more to go. Thanks for helping me destroy Olivia Paisley, Linky.

Lincoln: (Smiles Warmly) You're welcome, Saorise.

Suddenly, Saorise Shadowstrike wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Saorise Shadowstrike's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Panther flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Saorise Shadowstrike absorbed the darkness and they came back to us as the display vanished.

Nico: Whoa, now that's what I call silent as the shadow but also deadly. Lincoln, Saorise, you two did really awesome in teaching that monster bitch, Nyra Remmington, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Mylah Palmer, which means you and I are up next, Renee.

Renee: Yes, we'll be ready for her.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Elemental HERO of Earth are you meeting tomorrow, Lincoln?

Lincoln: The next one is for Elemental HERO Bladedge.

Melanie Aranyani: Perfect, and there's only one person who'd be Gene-Slammed into Elemental HERO Bladedge: Brenda Ashford, she's one of the Elemental HEROS of Earth, and she's also a powerful and physically strong girl and awesome athlete and good sportswoman in the field of sports. Plus, she's also a very seductive and sexy hot mama with the same body as me.

Lincoln: And like you and the other Elemental HEROS of Earth, Melanie, she's also had to deal with Lynn, and she's more than once dealt with her sore loser attitude and always going on her rage-fueled rampages, along with acting like an animal and even letting out those loud belches, and trying to kill me more than once.

Nico: Jeez, how many times has Lynn pissed you girls off with her rampages?

Lincoln: Don't even ask that, Nico, Lynn has done that one too many times in the past, only for her to get beaten down like a ragdoll by their superhuman strength, but she always got back up, but when I join them in the fight, Lynn always gets knocked out.

Me: I've seen how much stronger Lincoln has gotten during those days, and I've seen what he can do especially with those massive muscles that he's been constantly developing, and it always ended with Lynn getting knocked out on her butt, tied up like an animal, and dragged away to face her doom at the hands of her angry siblings and parents.

Nico: Dang, and with how Lincoln kept on getting bigger, stronger, and smarter, Lynn kept on badly underestimating him.

Luna: She had an overinflated ego because of that animal inside her, dude, and she thought she could get away with it, but she was wrong.

Lori: It always came back to bite her on her smelly butt, she was beaten by her own little brother who was constantly getting bigger, stronger, faster, and smarter over the years thanks to help from his Guardian Angels, Luna, Leni, Laney, Lucy, Lana, Lily, Mom, and Dad, while Lynn, Luan, Lola, Lisa, and I were seething with rage and plotted to kill him, no doubt thanks to our Dark Sides.

Luan: We should've been proud of him, but no, those monsters wanted him dead. But, we'd since been freed and we repaired those bonds with Lincoln, and not only did Killjoy Huggins pay the price.

Eli: But, also Chase Young's evil, who was in fact the true source of his pain and suffering.

Anna Anyanova: You got that right.

SPD Rangers: Shut down!

Patrangers: Mission complete!

Nico: Emperor Gruumm you have failed this universe!

Kyd Wykkyd: Well said.

Commander Crueger: Thank you, everyone. My home planet has been avenged.

Deadwood: It was nothing, commander.

Me: It was our pleasure Commander.

Misty Tredwell: You would've done the same for us.

Me: I agree.

Killer Croc: I got to eat some Krybots after my battle was done.

Gator Ghoul: (BELCH) And their hands and heads were tasty. Same with Gruumm.

Toad: This calls for a celebration!

Nico: I agree. Great job today everyone. This was awesome!

Jack Landors: It sure was. (To the viewers) Now Gruumm is a forgotten memory. It was awesome though.

Me: It sure was.

Qin: Yep.

Me: Good riddance to fucking rubbish.

We went to Lynn's Table for an awesome meal and had an awesome good time and then we went home and enjoyed the rest of the day and went to sleep.

THE END

Well, we're not letting those Blood Dragon thugs get away with this, 'cause Lincoln's going to kill The Blood Dragons and this'll also send a very nasty message to those remaining monster bitches: they cross Lincoln again, he's going to do much worse to them. And we're going to meet the next Elemental HERO of Earth, this time, it's Brenda Ashford, Gene-Slammer of Elemental HERO Bladedge, she's Lincoln's Guardian Angel from Michigan, she's a very powerful and also a very physically strong athlete who was born with superhuman strength, and she's also a skilled wilderness survival expert. But, Melanie and the other Elemental HEROS of Earth along with Lincoln have more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents.

It's Easter and the team is going to have a lot of fun with an Easter Egg hunt and even an awesome Easter Dinner.

See you next time

Sparky Sparkeroni: [giggling]

Zipp Storm: Whoa. A lot of case files piling up here, Hitch.

[birds chirping]

2 birds came out from under the pile of papers.

Hitch Trailblazer: Ugh, I know. I want to get back to work, but I'm so exhausted. How am I meant to look after a baby dragon and be sheriff at the same time?

Sparky Sparkeroni: [blows fire, farts]

So adorable.

Zipp Storm: Just take baby steps. Or dragon baby steps. [chuckles] You know, start with something small.

Hitch Trailblazer: Like what?

Zipp Storm: [reading] "Chocolate emergency, Zephyr Heights. Help, please." Ah, that could work. Hitch! I need your help, buddy! And we better call in the team for this one too. [gasps] Oof!

We arrived and saw a huge and crazy sight.

Dazzle Feather: Ooh. Just hours before the start of the Royal Eggstravaganza, Eggmund Bunny has gone missing.

Skye Silver: Tradition dictates that his army of egg-hiding bunnies can't stop hiding eggs until Eggmund himself declares the hunt open.

We saw bunnies hiding Chocolate Easter Eggs everywhere by the truckload!

[bunnies squeaking]

Me: Geez! Look at all the bunnies hiding eggs!

Laney: (Eating one) Mmm! But these are delicious eggs!

Xenia: (Eating one) They sure are.

Nico: (Eating one) They are some of the best ones ever.

Dazzle Feather: As you can see, Zephyr Heights is literally bursting with eggs.

Dazzle Feather and Skye Silver: Aah!

EASTER EGGS FLEW OUT ALL OVER FROM A MAILBOX!

[splat!]

Chocolate splattered all over the camera.

Fluttershy: Oh look at the bunnies hiding Easter Eggs. They are so cute.

Me: They sure are.

Qin: Aww so awesome.

Nico: Flashwing, what do you like to do in your free time?

Flashwing: I help decorate the Crystal Empire with crystal to make it sparkle and shine. I am a crystal dragon after all.

Applejack: Well fancy that. That is perfect for y'all.

Nico: It sure is.

Sunset Shimmer: I agree there. That is so awesome.

Queen Haven: Zipp! Hitch! Everyone! Thank hoofness you're here! This is getting out of control!

Me: Happy Easter to you Queen Haven.

Queen Haven: Same to you J.D. But Eggmund has never missed a Royal Eggstravaganza! Never!

Me: From the looks of things I can tell he is running late for something.

Zipp Storm: Well, with Sheriff Hitch and all of us helping me with the case, I'm sure we'll find him in no time.

Nico: I agree there.

Queen Haven: Oh, I hope so. I've never seen Cloudpuff this nervous.

Cloudpuff: [whines, barks]

Fluttershy: Oh it's okay Cloudpuff.

She picked him and petted him and comforted him.

Me: Just tell us where to look and we'll find him.

Zoom Zephyrwing: Your Majesty! Eggmund Bunny's been spotted down at the supermarket buying carrots!

Me: Carrots huh? Okay then.

Zipp Storm: Hmmmm… [clears throat]

Hitch Trailblazer: [sighs] All right. Let's find us a bunny.

Me: Lets do it!

We went to the store surveillance system

Store Manager: This is from this morning. 9:00 A.M.

We saw an anthropomorphic white rabbit buying a massive truckload of carrots!

Zipp Storm: There he is!

Me: Geez! That's a lot of carrots!

Nico: He may be a bunny but I don't think all those carrots are for himself.

Eli: Wait look at his face. He looks really tired.

Me: He sure does.

Nico: I think it's very nice that you help out in the Crystal Empire

Flashwing: I agree there. I'm glad I can bring a sparkle to it for everyone there. I'm even going to bring some sparkle to Ponyville and parts of the city to spruce it all up as well.

Qin: That's awesome Flashwing.

We saw him leave the store but in doing so he was leaving a trail of carrots.

Zipp Storm: Pause! Zoom in!

It zoomed into the trail.

Hitch Trailblazer: Look. All we gotta do is follow that trail of carrots. Come on, Zipp!

Me: He'll lead us right to him.

Rarity: This will be interesting darlings.

Qin: It sure will.

Nico: Lets go!

We went and followed the trail

[Hitch Trailblazer]

Sometimes we get lost in the new (in the new)

And we forget what we love to do (what we love to do)

[Zipp Storm]

You gotta reignite the spark in you (Hitch: In you)

Yeah, come on, pony, let me walk you through

First step, you gotta find your rhythm

Make your way back to the life you're livin'

Second step, have fun with it

It'll come naturally

[Hitch and Zipp]

Don't lose your groove

Keep your attitude

Now we're all just livin' it up

We're here, we're just havin' fun

Don't lose your groove

It's what makes you you (Hitch: It's what makes you you)

You'll always find your way back

So, pony, have fun with that

Like, uh, uh-huh-huh-huh

[Zipp Storm]

Find your groove, get back to it, back to it

[Hitch and Zipp]

Uh, uh-huh-huh-huh

[Zipp Storm]

Find your groove, get back to it now

Nico: If she does, then you've earned it.

Me: Absolutely.

Camie: (LAUGHS) Yeah!

Misty Tredwell: That is for sure.

Me: We'll try to keep it at a low volume. Don't want the house to be overflowing with blood like with Lincoln and Kurumu.

Lincoln: (Blushes in embarrassment) How embarrassing on that.

Nicole: No worries Lincoln.

[Hitch Trailblazer]

Sometimes we get lost in the new (in the new)

And we forget what we love to do (what we love to do)

[Zipp Storm]

You gotta reignite the spark in you (Hitch: In you)

Yeah, come on, pony, let me walk you through

First step, you gotta find your rhythm

Make your way back to the life you're livin'

Second step, have fun with it

It'll come naturally

[Hitch and Zipp]

Don't lose your groove

Keep your attitude

Now we're all just livin' it up

We're here, we're just havin' fun

Don't lose your groove

It's what makes you you (Hitch: It's what makes you you)

You'll always find your way back

So, pony, have fun with that

Like, uh, uh-huh-huh-huh

[Zipp Storm]

Find your groove, get back to it, back to it

[Hitch and Zipp]

Uh, uh-huh-huh-huh

[Zipp Storm]

Find your groove, get back to it now

We followed the trail of carrots through the forest and down a river and to a canyon and Sparky turned a huge log into a bunch of apples. Then we got to a canyon and Zipp and me used Earth Pony magic and formed a vine bridge and we crossed it and then we got to a house.

Zipp Storm: Huh?

Me: That must be Eggmund Bunny's house.

Hitch Trailblazer: Ah!

Lincoln: Reminds me of Warren Loud and his sisters house.

Me: Though smaller.

Zipp Storm and Hitch Trailblazer: Hmm…

Me: Lets go see.

Private HIVE: Soldiers, today may be be a holiday. But I AM next for the usual battles. Just letting you know

Me: Looking forward to it soldier.

Nico: Yep.

Emerald Sustrai: This is gonna be fun.

We went to the door and knocked on it.

[knock on door]

[door opens]

Answering it was Eggmund Bunny.

Hitch Trailblazer: There you are- Whoa! Now, that is a lot of bunnies!

Me: WHOA!

Lincoln: And I thought Me and MY Family was chaotic!

Laney: No kidding there!

Eggmund Bunny: Can I help you?

Me: Sorry to disturb you Eggmund.

Zipp Storm: Um, hello? Aren't you forgetting something? You're supposed to be opening the Eggstravaganza.

Eggmund Bunny: Nope. I can't do it. No way.

Hitch Trailblazer: But Zephyr Heights is about to explode with chocolate! And you, sir, have a job to do.

Eggmund Bunny: Sorry, but… I'm too exhausted! Do you know how hard it is looking after sixteen baby bunnies all on your own?!

Lincoln: Believe it or not Eggmund yes we do.

Eggmund Bunny: You do Lincoln?

Lincoln: I sure do. My mom and dad and me have had to live with lots of kids.

Me: And for 7 years since I moved to Michigan in the time I have known Lincoln and his family it was all summed up in one word: CHAOS.

Laney: Yeah when you live in a huge family like ours it's really exhausting.

Hitch Trailblazer: Actually, I kinda do. Look, I know it's hard. Believe me. I've gone through ten fire extinguishers in the past week. But you don't have to do it alone.

Nico: We can help you.

Zipp Storm: Hitch and Nico are right. We could, um… [strained] look after the bunnies for you.

Pipp Petals: Oh they are all so adorable.

Misty Brightdawn: They sure are.

Eggmund Bunny: Really? You'd do that?

Me: Team Loud Phoenix Storm NEVER abandons ANYONE in need.

Hitch Trailblazer: Of course. Parents gotta stick together.

Misty Tredwell: That is for sure.

Carly Atlas: That is right.

Zipp Storm: So what do you say?

He was so touched by our offer

[bunny squeaks]

Eggmund Bunny: Oh, all right! You all grab the stroller! I'll get the ceremonial scissors!

Me: You got it!

Zipp Storm and Hitch Trailblazer: Yes!

They high hoof!

[bunnies squeaking]

We got the stroller and it was a big one.

Me: Easter Egg shape. Perfect for today.

Back in Zephyr Heighs everything was ready and Sparky was making funny faces at the bunnies to keep them happy and Fluttershy was helping too.

[discordant trumpet fanfare]

Eggmund Bunny: I hereby declare the Royal Eggstravaganza… open!

He cut the ribbon.

[bunnies squeaking]

The bunnies stopped.

[rumbling]

Me: Boy we'll have to get EVERYONE here for a massive easter egg hunt.

Eggmund Bunny: Thanks, ponies. I couldn't have done this without your help. And it felt good to be Eggmund Bunny again.

Me: You're welcome Eggmund.

Nico: This was awesome.

Emerald Sustrai: Still wouldn't hurt to grab a few early.

Nico: No it wouldn't.

Pinkie Pie: I even brought my basket for this!

Izzy Moonbow: Me too! This is gonna be fun!

Me: (Whispers to Nico) Look on the bright side though Nico at least it's not the TTG Version of the Easter Bunny.

Nico: (Whispers to me) Why is that?

Me: He actually literally lays chocolate eggs and people are grossed out by it.

Nico: Why? It's chocolate.

Me: Well uhh.

I whispered in his ear and told him that it makes everyone think his eggs are from taking a dump.

Nico: Oh I see what you mean. Ew. But at least these eggs are better than that.

Eli: Yeah that's true.

We went and gathered some eggs and man there was a LOT OF THEM! The stores had the most of them.

Nico: Boy the bunnies were really busy!

Maria: The mascots can get eggs later.

Me: They are having a huge easter egg hunt in the park later today.

Qin: Everyone will love that.

Carly Atlas: They sure will.

Fluttershy: They will love that.

Nico: Coco is helping with that.

Lola: Yep.

Nico: Coco's speech is fine the way it is.

Me: Yes it is.

Qin: I agree.

Emerald Sustrai: But at least we saved Zephyr Heights from a huge Chocolate Easter Egg catastrophe.

Nico: We sure did.

Me: And it's perfect for Easter.

Camie: It sure is.

Fluttershy: I think it's so adorable and amazing.

Rainbow Dash: I do love chocolate too.

Nico: Eli, please sense for Swartz's creations.

Eli: I'm way ahead of you mister.

He sensed for them.

Eli: Found them. Another Knighty Knight and Another Private HIVE.

Me: Whoa!

Flashwing: This will be interesting to see.

Qin: Yes it will.

Lola: Yep.

Nico: Another Knighty Knight is first.

Flashwing: You know I will face that one.

Qin: Yep.

Nico: Yeah.

Nico: There she is!

We saw a dark version of Knighty Knight! It was ANOTHER KNIGHTY KNIGHT!

Qin: Whoa! Another Knighty Knight!

Xenia: This one has a medieval style flair to it.

Camie: It sure does.

Flashwing: Why do I sense some of my kind in her?

Another Knighty Knight: (In a girls voice) (British Accent) That's because I was gene-slammed with you Flashwing.

Me: (GASP) That voice. Charlotte Victoria Windsor!

She reverted back and was a girl with purple hair and purple and blue clothes and had the symbol for the Earth Skylanders on her skirt and in the middle of her forehead and she had the most amazing crystal angel wings ever.

Charlotte Victoria Windsor: Good to see you again J.D. and happy easter to you.

Me: Same to you.

Nico: Awesome to meet one of our friends from England.

Qin: That is true.

Flashwing: You know her?

Me: I sure do. Charlotte is a friend that came to my school on a Foreign Exchange program and she is an amazing jewelry maker. She made some of the most amazing jewelry in the world.

I pulled out a pamphlet and it showed her family's jewelry shop.

Me: She makes the most amazing jewelry ever.

Nico: (WHISTLES) Those are magnificent.

Rarity: They most certainly are darlings.

Me: Yep. They sure are.

Charlotte Victoria Windsor: Yes they are and I mine for my own gems and jewels for them too.

Me: She and her family have an amazing mine that is located just outside of London on the border with Suffolk.

Nico: Wow! That is really amazing.

Camie: Boy no kidding. That is cool.

Flashwing: I think those jewels outshine the rest.

Qin: They sure do.

Nico: Yep.

Charlotte Victoria Windsor: And this is fitting too because I am also a gene-slammer for Flashwing.

Xenia: Wow!

Nico: You would get along great with Minami Qintinilla. She is a Flashwing Gene-slammer too.

Charlotte Victoria Windsor: That is coincidental.

Flashwing: I'm facing you.

Charlotte Victoria Windsor: Flashwing to Flashwing.

Nico: Very fitting.

Girl Jordan: But first lets get you separated from the Another Knighty Knight.

Leeli: This will be a really cool one.

Charlotte Victoria Windsor: Cool.

Me: Also is the Another Private HIVE friendly or hostile?

Charlotte Victoria Windsor: Friendly and she is a massively amazing soldier for the military.

Qin: Whoa! This will be interesting.

Nico: Yep.

Girl Jordan: Yep. Lets go Leeli.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

Charlotte glowed and then Another Knighty Knight was separated from her and she was freed from him!

Qin: WHOA!

Charlotte Victoria Windsor: (GASP) That was the monster I turned into!?

Xenia: Yep.

Flashwing: This guy is mine. Blinded By The Light!

Nico: Go get em!

Another Knighty Knight: I shall smite thee into gristle!

Flashwing: Bring it on!

She fired waves of crystal shards and formed a powerful Crystal Lighthouse and it blasted Another Knighty Knight and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead! I caught the Wonder Ride Book and it was called The Crystal Dragon Princess and The Knights of The Dark Carnival.

Me: Whoa! Perfect title.

Qin: It sure is.

Nico: That was awesome.

Flashwing: Outshining the Rest.

Twilight Sparkle: That was awesome!

Qin: It sure was!

Applejack: YEEHAW! That was well done!

Nico: We're not done yet.

Me: Nope. We still have Another Private HIVE to do.

Camie: Yep.

Qin: This one will be interesting.

Zocks: But we're ready.

Chloe: Oh guys Marinette said that she has an awesome secret to reveal about Lila when she has the chance.

Me: I have a feeling it will be awesome and humiliating for that bitch.

Qin: It sure will.

Nico: That bitch is gone from our lives. What she'll tell us won't matter.

Me: I know Nico but it's always funny to hear more degrading and humiliating secrets about her.

Nico: (LAUGHS) That is too true.

Charlotte Victoria Windsor: I heard so much about what she did. She was pure evil incarnate!

Qin: That is a total understatement.

Chloe: Yeah no kidding. But all of France and all of the world is now forever free of her.

Rarity: My sister killed her physically.

Me: We know Rarity. But it was awesome.

Charlotte Victoria Windsor: That is for sure and I heard all about that. I'm glad Lila got what she deserved.

Qin: Same here.

Nico: I have hated that bitch ever since minute one when I first met Marinette and friends.

Me: Me too! Especially after how she shot Sabine Cheng and Chloe's dad! (GROWLS)

I clenched my fist tight and blood poured out through my knuckles and dripped onto the ground.

Me: If we weren't poisoned by all those Dark Orbs we wouldn't have let all those negative emotions get the better of us!

Nico: At least we weren't Akumatized.

Me: True. But I still blame myself for what happened back then. I should have killed her back then.

Qin: Yeah!

Me: But our code wouldn't allow it.

Camie: Yeah!

Lola: I never even got to see what my Princess Pink form looked like.

Me: That would be an awesome addition to the M.O.E. Lets see.

I pulled out a sketchpad and drew Lola as a girl that was a princess dressed in all shades of pink and she had a sword with a malevolent looking blade covered in pink fire and had pink hair and had scary angel wings made of pure pink fire.

Me: There. What do you think?

I showed her the picture.

Lola: That is awesome J.D.!

Nico: Cool!

Aylene C.: That's very well drawn.

Me: Thanks.

Nico: What would her powers be?

Me: Fire powers but they would be enhanced 1,000-fold.

Qin: WHOA! That would be intense.

Nico: Thank God we never fought that one!

Me: No shit there.

We heard a motorcycle.

Nico: Wait. You guys hear that?

Me: Sounds like a motorcycle.

Qin: Look!

We saw a dark figure coming and it was a dark version of Private HIVE! It was ANOTHER PRIVATE HIVE!

Me: Whoa! Another Private HIVE!

She pulled up to us and got off the bike.

Me: Identify yourself soldier!

Another Private HIVE: (In a girls voice) Patton! Sergeant Georgina! United States Space Force!

She reverted back and was a girl with blond hair and was dressed in a Space Force Uniform!

She saluted.

Me: At ease soldier. Awesome to see you again Georgina.

SGT. Georgina: You too J.D.

Nico: Wait are you related to…

SGT. Georgina: That's right. General George Patton was my great grandfather.

Me: He was a great general during World War II.

Nico: Wow!

Sougo: (gets out Grand Zi O Ridewatch) Soldier, did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

SGT. Georgina: Just to be as good a general as my great grandfather.

Me: You already are that good and your Great Grandfather would be very proud of you.

Qin: That's right. He sure would have.

Me: Your great grandfather was easily one of the greatest generals of the United States Army and he would be very proud with how far you came.

SGT. Georgina: That is true and I knew Swartz lied to me! I will have him court-martialed for this!

Me: Well you're too late for that. We killed him and gave him the Black Gates.

Qin: Yeah we destroyed him and Nico and May mutilated him and made him eat his heart.

Nico: It's true.

SGT. Georgina: Good. I'm glad. Well done Nico.

Nico: Thank you soldier.

SGT. Georgina: Permission to start the battle with me?

Me: Granted soldier.

She turned into Another Private HIVE!

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju armor!

Qin: Awesome!

Nico: (gets out Private HIVE's Ridewatch) Hope you put that shield to Good use.

Me: If Turtlelini can block a Kamehameha blast at 1% of my power then that can too.

Nico activated it and fired a wave of energy and Another Private

HIVE blocked the blast with her shield and the blast exploded and knocked her down!

Me: WHOA! That was a powerful defense there!

Eli: Yeah

Nico: (gets out Knighty Knight's Ridewatch) Have at thee!

Me: Have at thee!

Nico activated it and got a sword and he and Another Private HIVE clashed and he jumped back and blasted her down.

Me: WOOHOO! YEAH!

Flashwing: My turn!

Flashwing activated her ridewatch for Knighty Knight and fired waves of swords and blasted her down with them.

May: (gets out Talons' Ridewatch) Not to be confused with Teresa's Bang Baby name.

May activated it and fired waves of blades of energy and blasted her down!

Nico: YEAH!

Qin: So awesome!

May: (gets out Turkey Skarr's Ridewatch) Turkey, anyone?

She activated it and fired waves of turkeys and blasted her all over.

Qin: That should be used on Thanksgiving.

Nico: I agree there.

Maria: (gets out Sunroid Solar's Ridewatch) The power of the sun in the palm of my hands!

She activated it and formed a miniature sun in her hands.

Qin: WHOA!

Me: That is amazing!

Maria: Yep.

She fired it and smashed Another Private HIVE down.

Maria: (gets out Nowhere King's Ridewatch) No, this one isn't from Nowhere.

Maria activated it and fired waves of darkness and smashed her down!

Nico: Oh yeah!

Xenia: That was awesome!

Deker, Black Night of Merlin, Razoul, Airazor & Divebomb, Batarax and the Wolfblade Conglomerate then came.

Nico: Nice team, Deker!

Deker: Thanks Nico.

Wolfblades: Been a while since we fought. How has Elizabeth O'Carroll been doing?

Me: Really awesome. She is really training super hard.

Nico: Yep.

Qin: Awesome.

Then something hopped onto Qin's back.

Qin: Huh? What the?

Nico: Looks like you have a friend with you.

Qin saw that a Lilligant was on her back.

Qin: Hey a Lilligant!

Nico: Awesome.

Maria: Can we help you?

Lilligant: (In a girls voice) Just happy to see Qin again.

Qin: Honey Hydrangea! Wow!

Nico: Cool!

Me: Wow! Also I love Hydrangea flowers. They are so beautiful.

Nico: Yep.

Honey reverted back and she was a girl with periwinkle blue hair and had blue clothes and yellow angel wings.

Honey Hydrangea: I got this guys.

She fired a wave of flowers and blasted Another Private HIVE down and I caught the ridewatch and purified it.

I brought SGT. Georgina over.

Nico: That was awesome.

Nicole: It sure was.

Nico: Another Ridewatch down.

Qin: That is for sure.

Honey Hydrangea: But that was awesome. Oh Happy Easter guys.

Nico: Same to you Honey.

Flashwing: What's your favorite memory of Nico?

Honey Hydrangea: When me and Nico made the most beautiful flower ever. We call it the Vegeta Pride Beauty. It's a rainbow and black Hydrangea flower.

Me: Ooh that is awesome!

Nico: It was an amazing way to pay homage to my home planet.

Xenia: That is so amazing!

Camie: I'll say!

Nicole: You'll have to show us what it looks like in our greenhouse.

Honey Hydrangea: I would like that.

Nico and Honey hugged.

Nico: I've missed you.

Honey Hydrangea: Me too Nico. Me too.

We went back home.

Lincoln: You got that right, Serena, and I want to thank you and your team for joining us, Taylor.

Taylor: No problem, Lincoln. Besides, we get another chance to pummel those Blood Dragon assholes.

Me: Yeah, we can't have Timon, Pumbaa, Simba, and the rest of The Lion Guard have all the fun.

Timon: That's for sure, those Blood Dragon mooks are so dead.

Suddenly, we saw Elemental HERO Bladedge appear before us, and with it are the six girls Lincoln is to rescue and the one girl that Ets is to rescue.

Nico: Whoa, that's Elemental HERO Bladedge, cool!

Jaden: And another of my Elemental HEROS.

Elemental HERO Bladedge: (Girl's voice) Looks like we got here just in time, and I got the girls away from Bryan Greyson and his thugs.

Lincoln: (Gasps) That voice, Brenda Ashford, I knew that was you.

?: TEAM LOUD PHOENIX STORM!

We then saw our targets, Bryan Greyson, Alan Cameron, Colin Mason, Justin Nolan, Eric Archer, Corey Hudson, Kyle Carter, Marc Landon, Nelson Everett, Riley Cooper, Morgan Wesley, and Gary Reeve, The Blood Dragons, still dressed in prison jumpsuits, but they were beyond pissed off big time.

Then, Lincoln fired black and blood red energy blasts which hit The Blood Dragons, and he sucked out and absorbed their blood and life-force and when Lincoln was done, The Blood Dragons were left as desiccated corpses and Lincoln sent their souls to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: That's the last time we ever have to deal with The Blood Dragons again. (To Brenda Ashford) And it's so good to see you again, Brenda Ashford.

Brenda Ashford reverted back to normal, and she's a beautiful girl with long brown hair, green eyes, she was tall at 7'0" in height, she has a really strong and powerful muscular physique and ample breasts, tanned skin, she has massive and beautiful green angel wings, she's dressed in a sleeveless green tank top, green shorts, green knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with earth, plants, leaves, and earth angels on the coattails and on the back is Elemental HERO Bladedge, and holstered on her back is a massive Elemental HERO Bladedge-themed greatsword with embedded green gems and Elemental HERO Bladedge etched on the 7'0" massive, wide, double-edged green blade, large brown phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with green gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large green gem on the bottom of the large white angel heads for the pommel.

Brenda Ashford: You too, Lincoln, it's been a long time.

Lincoln went up to Brenda Ashford and he hugged her, and Brenda Ashford is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Brenda Ashford: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Brenda Ashford, Gene-Slammer of Elemental HERO Bladedge, she's my Guardian Angel from Michigan, she's a very powerful and also a very physically strong athlete who was born with superhuman strength, and she's also a skilled wilderness survival expert. Plus, she's also a seductive and one sexy hot mama who's flirted and made out with me more than once, and she loves me with all her heart and she knows to share me among the other members of my harem and fellow Guardian Angels.

Luna: We almost busted out laughing seeing our bro's face being smooshed by her chest as she was hugging him.

Lori: And she was also kissing him all over the place and he had a love struck look on his face.

Earth: Like how we always make out with him.

Monica Anniston: Exactly, Earth. Brenda Ashford's also a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages.

Brenda Ashford: But, we always saw her coming when we see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet.

Me: Yeah, the smell of her sweaty pits tends to make us sick.

Selena Arcangela: But, Brenda and the other Elemental HEROS of Earth along with Lincoln had more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents.

Nico: Dang, and is she really that strong, Lincoln?!

Lincoln summons a 900,000,000,000,000,000-lb barbell, and Brenda Ashford lifted it with one hand and we saw just how strong she really is, and my jaw and Nico's hit the floor.

Qin: (Whistles) Damn, and I thought many of our friends were that strong, but whoa!

Brenda Ashford: And you're going to hear how Linky and I took that animal, Lynn, down when she was on another rampage again. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Brenda?

Brenda Ashford: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Brenda Ashford: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Brenda Ashford, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Brenda Ashford: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on Brenda Ashford's neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Brenda Ashford: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Brenda Ashford.

Brenda Ashford had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls Lincoln was to rescue and the one girl Ets was to rescue, and when Lincoln saw who they were, he immediately recognized them. The six girls Lincoln was to rescue are Yurine Haruyama, Kaeno Asagiri, Mei Amamiya, Tsubaki Nagumo, Chizuru Yukishiro, and Karen Ranjou from Beat Refle, and the girl Ets was to rescue is Any Malu from The Any Malu Show.

Lincoln: Oh wow, it's Yurine Haruyama, Kaeno Asagiri, Mei Amamiya, Tsubaki Nagumo, Chizuru Yukishiro, and Karen Ranjou from Beat Refle.

Ets: And Any Malu from The Any Malu Show.

Then, Any Malu ran up to Ets and hugged and kissed him all over.

Nicole: I hate to find out if those Blood Dragons tried to cut their heads off and spill their blood.

Lincoln: Brenda got to them before they could do that. And are you girls okay?

Yurine Haruyama: Yes, we're okay, thanks to you.

Then, when Yurine Haruyama and the other five girls saw who it was that saved them from The Blood Dragons, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of

Yurine Haruyama: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Yurine Haruyama: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yurine Haruyama, Kaeno Asagiri, Mei Amamiya, Tsubaki Nagumo, Chizuru Yukishiro, and Karen Ranjou with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villains we went after were The Blood Dragons, who busted out of prison, thanks to help from The Legion of The Lincoln Haters, and they still wanted revenge on us.

But, when Lincoln showed what happened such as our beatdown of those thugs, and Lincoln finishing them off by firing those black and blood red energy blasts that sucked out their blood and life-force and he banished them to The Black Gates forever, everyone cheered and ran up to us and hugged us and Lincoln's harem kissed Lincoln all over. Lincoln and Brenda Ashford have a lot of catching up to do now that she's back in town.

Maria: Oh man, I can't believe those monster bitches were the ones who broke their dads out of jail! Now, they are worse than dead.

Lincoln: They sure are.

Suddenly, we heard the super enraged screams of The Legion of The Lincoln Haters echoing in the air.

Nico: And those screams definitely proved it big time.

Me: They just made things much worse for themselves after that little stunt.

---

After destroying The Blood Dragons and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Brenda Ashford saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Brenda Ashford: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Brenda, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Brenda Ashford: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Brenda Ashford: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Brenda, what's the story on how you and Lincoln took down Lynn whenever she goes on her massive rage-fueled rampages?

Brenda Ashford: That's something I'll never forget, and I got a video to show the story.

Brenda Ashford pulled up the video as it played on the big screen. There we see Brenda Ashford and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and Brenda Ashford was doing the same routine as Lincoln. Suddenly, they heard a loud thunderous belch in the air.

BBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUURRRRRRRRRR

Past Selene Emperyous: What the heck was that?!

Then, they caught the stench of sweaty armpits and smelly feet, and there was only one person who could make that loud thunderous belch and have the stench of sweaty armpits and smelly feet.

Past Laney Emperyous: Oh no.

Past Brenda Ashford: It's Lynn, she's here, I can smell her sweaty armpits and smelly feet from a mile away. Ugh, she smells like a week old gym bag!

Past Lincoln: Everyone, get ready!

Lincoln and his Guardian Angels stood ready, and then, the doors burst open, and there stood Lynn with red eyes and her mouth was foaming. Then, Lynn roared and she charged at Lincoln and Brenda Ashford, but Brenda Ashford punched Lynn hard in the face and sent her flying out of the gym, and they all followed. Lynn got up and she roared and beat her chest like a gorilla.

Past Lincoln: Come on, Brenda, let's get her!

Lincoln and Brenda Ashford went after Lynn, and they proceed to beat her into the ground and they showed her no mercy whatsoever. Then, Lincoln knocked Lynn out with a knockout punch, and then, he tied her up in red energy ropes so she couldn't escape, and Stella Addison ran up to Lincoln and they kissed, as the video ends and we cheered.

Maria: Damn, Lynn, you always wanted to start trouble with your bro, but you should've known you were in for a brutal beatdown.

Lincoln: Lynn's Dark Side made her completely hard-headed, she may be strong, but Brenda and I were stronger, and we knew how to wrangle her in.

Brenda Ashford: And I was shocked to find out it was Principal Huggins' Dark Side that did this and turned Lori, Lynn, Lola, Lisa, and Luan into outright monsters.

Lincoln: He's recovered greatly, but, we also found out the one person that's responsible for turning Principal Huggins into the very jerk who wanted me dead was Chase Young.

Stella Addison: WHAT?!

Anna Anyanova: It's true, Brenda, Chase Young was the one responsible for turning Principal Huggins into the killjoy jerk we hated and who also gave him that Dark Side Creation Serum that turned Lori, Lynn, Lola, Lisa, and Luan into the outright monsters we pulverized, he was the true source of all of Lincoln's pain and suffering, along with what he did to Sebastian. We separated Chase Young from his dark side, and we made him pay for 1,500 years of evil and we sent him to The Black Gates.

Stella Addison: Good, he was scum!

Suddenly, Sebastian's glyph on the floor started glowing.

Nico: Hey, the glyph's glowing, did it pick up who turned Tommy and his team into kids?

Sebastian Mendez: It did, and it wasn't Rita Repulsa since her dark magic couldn't reach out from her prison in The Warp, no, this dark magic was from Gabriel Hargreaves of The Church of Necrom.

The Dark World Goth Girls gasped.

Lincoln: But, we destroyed all of the members of The Church of Necrom last year.

Nicholette Torrington: Not all of them died at our hands, Lincoln. We'd wanted Griselda Huffington to destroy Gabriel Hargreaves when they showed up, but we heard from the spirits of The Netherworld that because Gabriel failed to get revenge for what you did to Necrom, Damian Alaister killed him in a fit of demonic insanity.

Jackie Wren: Has he now come back from the dead to get revenge?

Sebastian Mendez: If he has, then, we know who we're going after on Lincoln's rescue tomorrow.

We got a shower, and then, Lincoln, Dokuga Millions, Amy Gelande, Ran Igarashi, and Rafflesian are heading to Emerald Coast.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Dokuga Millions, Amy Gelande, Ran Igarashi, and Rafflesian were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Dokuga Millions, Amy Gelande, Ran Igarashi, and Rafflesian fell in with Lincoln, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Mylah Palmer has sent some thugs to kill them.

Dokuga Millions: Whoa, so our first date's here in Emerald Coast, nice.

Lincoln: I knew that you, Amy Gelande, Ran Igarashi, and Rafflesian would love it, Dokuga, and it's perfect for our first date. Shall we?

Lincoln, Dokuga Millions, Amy Gelande, Ran Igarashi, and Rafflesian dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Dokuga Millions, Amy Gelande, Ran Igarashi, and Rafflesian got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Mylah Palmer's hired thugs coming after them and Lincoln fired blasts of blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Dokuga Millions, Amy Gelande, Ran Igarashi, and Rafflesian, and they hugged the girls in their abnormally massive and powerful muscular arms, and Dokuga Millions, Amy Gelande, Ran Igarashi, and Rafflesian placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Emerald Coast, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Dokuga Millions, Amy Gelande, Ran Igarashi, and Rafflesian with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Dokuga Millions, Amy Gelande, Ran Igarashi, and Rafflesian are now in your harem.

Jenna: Flip has got some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Lincoln: And we also had a run-in with Mylah Palmer's hired thugs, but I killed them all, and this is going to piss her off in 3… 2… 1!

Suddenly, we heard Mylah Palmer scream with extreme hatred and rage.

Maria: Yeah, up yours, bitch!

Nico: Serves her right, but she'll get hers later on today.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Mylah Palmer of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Mylah Palmer of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine

Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Renee: While you and I deal with Mylah Palmer and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Mylah Palmer will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, even though today's Easter, let's go hunt down that monster bitch and destroy her, and send all the other monster bitches running for their lives.

Lincoln: You said it, Nico. But, now that we killed their dads, their attempts for revenge are going to quadruple, but we're ready for them.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Renee: No way are we forgiving you for any of your actions, Mylah Palmer, you better be ready to pay the price for your foul misdeeds.

Lincoln put up a rainbow energy field around The World Tree Estate and we flew off to the park to hunt down Mylah Palmer.

We arrived at the park to hunt down our next target: Mylah Palmer of The Legion of the Lincoln Haters.

Simba: Okay, we've made it to the park. Now, it's not long before Mylah Palmer shows up.

Timon: Yeah, the only thing that can alert us is that shrill voice of hers and screaming bloody revenge at Lincoln.

Nico: Along with that big fat mouth of hers.

?: LINCOLN LOUD, I WILL FUCKING KILL YOU FOR GETTING US EXPELLED FIVE YEARS AGO, YOU WHITE-HAIRED FREAK!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Mylah Palmer.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Mylah Palmer of The Legion of The Lincoln-Haters, but we also saw Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, the bitch's also got Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Mylah Palmer: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads today… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Renee: But, this'll send a clear message that we're not letting them get away with any of their plans for revenge.

Suddenly, Renee's eyes turned crimson red and she was surrounded by a crimson red energy aura with red flames, spades, hearts, diamonds, clubs, and phoenixes, and as she approached Mylah Palmer, she left crimson red energy, red flames, spades, hearts, diamonds, clubs, and phoenixes with every step.

Renee: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Mylah Palmer, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Renee was surrounded by a massive vortex of crimson red energy with red flames, spades, hearts, diamonds, and clubs surrounding the vortex, there are phoenixes flying around the vortex and in the vortex is a brown phoenix with red eyes glaring at Mylah Palmer: the red eyes of death. Then, as the vortex faded, Renee emerged, but she was changed forever.

Renee grew to 7'5" in height, she has the body of a goddess, she has red highlights in the bangs of her long dark brown hair, she has neon crimson red eyes and a crimson red energy aura with red fire, stars, spades, aces, hearts, diamonds, clubs, and phoenixes surrounding her, she has a phoenix with the spade of Ace Savvy emblazoned on her forehead with Third Eye with red iris, she has on phoenix earrings with red gems for eyes and the Fire and Eternity Kanjis in its claws, she also has a phoenix with red gems for eyes and holding the Fire and Eternity Kanjis in the claws on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with crimson red crystal links from her merged Crystal

Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Renee has on a sleeveless red tank top with the spade of Ace Savvy on it, red skirt, black stockings, red boots, she has on large gold metal bands with red gems on her biceps and thighs, and long sleeveless white trenchcoat with red flames, hearts, spades, aces, hearts, diamonds, clubs, stars, and phoenixes on the coattails, and on the back is a phoenix surrounded by red fire, spades, aces, hearts, diamonds, clubs, and stars. Suddenly, Renee felt a sharp pain on her back, and then, massive dark brown angel wings with red tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long dark brown wolf tails with red tips and red markings, Renee has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Renee's newly forged greatsword and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of crimson red energy, red fire, spades, aces, hearts, diamonds, clubs, stars, and phoenixes, and when it emerged, it transformed into Renee's Crimson Red Firestorm Ace Savvy Greatsword of Crimson Red Firestorm Ace Savvy Phoenix Justice, it's a brand-new massive greatsword with embedded crimson red gems and blue etchings and Ace Savvy's spade etched on the 7'3" massive, wide, double-edged crimson red blade, large crimson red phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt with crimson red gems embedded in the foreheads, longer midnight black handle, four large crimson red phoenix heads with blue gems in their mouths and a large crimson red phoenix head with a blue gem in its mouth below the large crimson red phoenix heads for the pommel. Renee has on her new Bracers of The Champions of The Universe with crimson red gems on her wrists and Dragon Ball Bracelet on the left bracer, her new Belt of Elemental Bravery with a gold phoenix head with red gems for eyes and a large blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The

Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below the phoenix that said, "Renee, True Fan of Ace Savvy, Comic Book Reader, Loving Future Wife of Lincoln Loud, Destroyer of Mylah Palmer of The Legion of The Lincoln-Haters, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Crimson Red Fire, Hearts, Diamonds, Spades, Clubs, and Phoenixes"

レニー、エースサビー の真のファン、漫画の読者、リンカーン・ラウド の愛する未来の妻、リンカーン嫌いの軍団 の マイラ・パーマー の破壊者、悪の破壊者と殺戮者、混乱した、殺人的で、冷酷で、サディスティックなろくでなし、驚くべき、驚くべき強力な教師の強力な学生、天界のゼルナガの怒りのマスター、ブラック ゲートのマスター、クリムゾン レッド ファイア、ハート、ダイアモンド、スペード、クラブ、フェニックスのマスター

Renee has transformed into SUPER ANGEL-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA FIRE COSMIC CRIMSON RED FIRESTORM ACE SAVVY PHOENIX ANGEL OF DIVINE FIRE COSMIC CRIMSON RED FIRESTORM ACE SAVVY JUSTICE AND DIVINE FIRE COSMIC CRIMSON RED FIRESTORM ACE SAVVY LOVE!

We were amazed by Renee's Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Mylah Palmer saw it, she went fucking crazy and she got out her machine gun to fire at Renee, but Renee fired a barrage of crimson red energy blasts with red fire, aces, spades, hearts, diamonds, clubs, stars, and phoenixes at Mylah Palmer and it sent her flying into a tree back first, she got back up and she ran at Renee again with a knife she got out, but she disarmed Mylah Palmer and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Me: Awesome, Renee's transformed into her Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Mylah and she sent her flying into a tree with a roundhouse kick.

Lincoln: Mylah Palmer has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Renee: (Divine Godly Cosmic Voice of The Crimson Red Cosmic Firestorm Ace Savvy Phoenix Angel and Divine Darkness Cosmic Red Firestorm Ace Savvy Love) You got that right. Now, let's deal out some justice and rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Renee.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Mylah Palmer. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Renee and Lincoln went after Mylah Palmer who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, crimson red energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Mylah Palmer and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Renee attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Mylah Palmer got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Renee, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Mylah Palmer's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Mylah Palmer by the neck and he tossed her into the air, and then, Lincoln and Renee fired a powerful barrage of energy balls with crimson red fire, hearts, spades, aces, clubs, diamonds, quintessence, elemental forces, and mythological animals, and as they hit Mylah Palmer, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Mylah Palmer's spirit appeared, and she was still incensed with anger and fury.

Mylah Palmer: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Mylah Palmer.

Lincoln summoned the spirits of Mylah Palmer's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Mylah Palmer: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Renee and Lincoln holstered their massive greatswords on their backs and powered down, and Renee's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long dark brown tails, and massive dark brown wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Mylah Palmer. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Renee: We've taken one down so far, and now, we got twenty-four more to go. Thanks for helping me destroy Mylah Palmer, Linky.

Lincoln: (Smiles Warmly) You're welcome, Renee.

Suddenly, Renee wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Renee's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and red flames raging behind them and we cheered wildly. Then, Lincoln and Renee absorbed the red flames and they came back to us as the display vanished.

Nico: Whoa, now that's what I call dealing out justice. Lincoln, Renee, you two did really awesome in teaching that monster bitch, Mylah Palmer, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Michaela Maddison, which means you and I are up next, Christina.

Christina: Yes, we'll be ready for her.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Elemental HERO of Earth are you meeting tomorrow, Lincoln?

Lincoln: The next one is for Elemental HERO Woodsman.

Melanie Aranyani: Perfect, and there's only one person who'd be Gene-Slammed into Elemental HERO Woodsman: Isabella Oakley, she's one of the Elemental HEROS of Earth, and she's also a powerful and physically strong girl and awesome athlete and good sportswoman in the field of sports. Plus, she's also a very seductive and sexy hot mama with the same body as me.

Lincoln: And like you and the other Elemental HEROS of Earth, Melanie, she's also had to deal with Lynn, and she's more than once dealt with her sore loser attitude and always going on her rage-fueled rampages, along with acting like an animal and even letting out those loud belches, and trying to kill me more than once.

Nico: Jeez, how many times has Lynn pissed you girls off with her rampages?

Lincoln: Don't even ask that, Nico, Lynn has done that one too many times in the past, only for her to get beaten down like a ragdoll by their superhuman strength, but she always got back up, but when I join them in the fight, Lynn always gets knocked out.

Me: I've seen how much stronger Lincoln has gotten during those days, and I've seen what he can do especially with those massive muscles that he's been constantly developing, and it always ended with Lynn getting knocked out on her butt, tied up like an animal, and dragged away to face her doom at the hands of her angry siblings and parents.

Nico: Dang, and with how Lincoln kept on getting bigger, stronger, and smarter, Lynn kept on badly underestimating him.

Luna: She had an overinflated ego because of that animal inside her, dude, and she thought she could get away with it, but she was wrong.

Lori: It always came back to bite her on her smelly butt, she was beaten by her own little brother who was constantly getting bigger, stronger, faster, and smarter over the years thanks to help from his Guardian Angels, Luna, Leni, Laney, Lucy, Lana, Lily, Mom, and Dad, while Lynn, Luan, Lola, Lisa, and I were seething with rage and plotted to kill him, no doubt thanks to our Dark Sides.

Luan: We should've been proud of him, but no, those monsters wanted him dead. But, we'd since been freed and we repaired those bonds with Lincoln, and not only did Killjoy Huggins pay the price.

Eli: But, also Chase Young's evil, who was in fact the true source of his pain and suffering.

Anna Anyanova: You got that right.

---

Later it was time for Flurry Heart's 3rd mission.

William: Anyone else want to go with Flurry Heart? Besides Tai, Marcus, and their Digimon Partners?

Nico: Well, when we get there, we need to meet with Wes, Rui, and Michael at Agate Village.

Flurry Heart: Why?

Nico: Rui called me earlier before my rescue. They said the 3 of them are meeting with her grandparents Eagun and Beluh along with Duking of Pyrite Town.

Me: Okay then.

Takato: Me and Jeri will come with along with Guilmon and Leomon if that's alright.

Nico: Sure Takato.

Me: Okay then.

Nico: Lets go.

We were off to Agate Village in Sedona, Arizona.

---

We arrived at Agate Village.

Me: So this is Agate Village.

Jeri: Agate Village looks so close to the forest.

Flurry Heart: Yeah it sure does.

Me: It's beautiful though.

Takato: Boy it sure is.

Applejack: It sure is amazing and great.

We arrived and Michael and the others saw us.

Michael: Hey guys!

Flurry Heart: Michael, meet Tai Kamiya, Marcus Damon, and their

Digimon partners.

Tai: Awesome to meet you. Tai Kamiya.

Marcus Damon: Marcus Damon.

Tai's Agumon: Tai and Marcus both have Agumon. That's us.

Michael: Awesome to meet you all.

Takato: I'm Takato Matsuki.

Jeri: And I'm Jeri Katou, soon to be Jeri Matsuki.

Rui: You mean?

Jeri showed her ring.

Rui: Congratulations to you and Takato! I knew you two were a couple in the making.

Me: Long story on that too.

Rui: Guys, meet my grandparents.

We saw Rui's grandparents Eagun and Beluh.

Eagun: Ah Team Loud Phoenix Storm it's a pleasure to meet you all.

Beluh: Same here.

Me: Pleasure to meet you both.

Twilight Sparkle: It's a pleasure too.

Nico: Were you really one of the greatest Pokemon trainers in Orre?

Eagun: In my youth, I was. With my trusty partner Pikachu!

Eagun's Pikachu walked up next to him.

Me: Wow so Ash is not the only one with a Pikachu.

Nico: Besides Victor and Richie.

Eli: Yep. This will be awesome.

Me: It sure will.

Nico: The Relic Stone is in this village, right?

Wes: Cipher was after the Relic Stone to destroy it before. It's said to be the place where Celebi once landed, and so has the power to let Shadow Pokémon remember their happy and carefree lives before the doors to their hearts had been closed. Whenever possible, I would visit back here to purify Shadow Pokemon.

Me: Very interesting.

Jeri: It sure is.

Twilight Sparkle: Just like Jen Scotts XXXVIII said.

Eli: Yep.

We then saw Duking and he was a muscular guy.

Nico: And you must be Duking.

Me: Whoa you are a big guy.

Duking: Indeed and it's an honor to meet you all Team Loud Phoenix Storm.

Flurry Heart: Same here.

Cadance: We're glad to help you guys.

Wes: Never thought you'd get into the Wild Pokemon business.

Duking: Well, I had to take a step forward in my life somehow.

Me: That's true.

Eli: Yeah.

Fluttershy: I wonder who we're going to face with Shadow Pokemon this time?

Wes: On that subject, I just realized we still need to recruit a lot of help against Cipher. So, we're going to recruit an old team of mine.

Michael: You mean…

Wes: Yep. We're going to the Team Snagum hideout.

Me: This will be interesting. I hope they aren't like Team Rocket.

Rarity: Indeed darlings.

We arrived and it was a hole under a rock.

Wes: (sees the hole he made in the hideout years ago) Ah, good memories.

Me: Flynn would love this. He and his friends had a hideout like that.

Nico: Yep.

Eli: Yep.

We went into the hideout.

Gonzap: Well, if it isn't Wes. You're a sight for sore eyes!

Wes: (smirks) Nice to see you too, Gonzap.

Gonzap: Yes. (GASP) Team Loud Phoenix Storm!?

Me: That's right.

Eli: We came to face Cipher and we could use your help.

Sunset Shimmer: That's right.

Wakin: Wait. What did you say?

Nico: Cipher's back.

Eli: I believe I said that.

Wakin: Impossible. Greevil turned over a new leaf thanks to Eldes!

Marcus Damon: You guys don't go online a lot, do you?

Gonzap and Wakin: Who has time for THAT these days?!

Me: EVERYONE.

Michael sighed and took out his P*DA. He opened up a specific article.

Michael: See for yourselves.

They saw for themselves that Cipher is still at large and is indeed back.

Gonzap: Oh man!

Me: I know.

Nico: Also, we'd like you and your crew to join the Masters of Evil.

Gonzap: Say no more. We'll gladly sign up!

Me: That was easy.

Data Squad Agumon: You guys don't seem hesitant in taking down your former buddies.

Wakin: "Buddies"? First of all, that is SO not fair. Why can't ALL Pokemon talk like you can? Second, us and Cipher were only business partners. And that ended after Cipher was taken down the first time. And third, I hear Nascour's been more evil then usual these days.

Me: That's why we're giving him the Black Gates.

Data Squad Agumon: That's for sure. And also both us Agumon are not Pokemon. We're Digimon.

Me: Digital Monsters.

Pinkie Pie: And we're going to make sure he pays big time. Bunch of party poopers.

Two more Snagum grunts came into the room.

Gonzap: Agrev! Biden! Report!

Agrev: Boss! Big news!

Biden: Cipher really is back. And they've invaded Mt. Battle again! But Vander was able to get outside of there before it happened!

Me: This will be interesting.

Eli: Yep. We'll make them into mincemeat.

Gonzap: How are me, Biden, and some of my boys gonna catch up to you guys? Our vehicles are in the shop!

Me: We'll teleport there.

Twilight Sparkle: That is right.

Nico: Yep.

We arrived at Mount Battle.

Nico: So this is Mt. Battle, huh?

Wes: Yep.

Me: This is gonna be good.

Eli: I sense lots of peons here too.

Nico: Stay alert everyone.

Vander: Michael, Wes! Thank goodness you're both here. Dakim's back. Along with someone named Gorigan.

Michael: Oh, Gorigan, I remember.

Me: We're ready for him.

Vander: That's good.

Eli: It sure will be good.

Nico: Yep.

Me: But we're ready.

Nico: Whoa! The platforms are all that's keeping us from falling off into a long drop below!

Me: Yep.

Twilight Sparkle: It sure is.

Then we saw EXOL!

Michael: Exol. Didn't expect you to be here.

Tai Kamiya: So, I guess Cipher's using big grunts this time.

Exol: Damn straight! (to Michael) Guess us erasing that info from ONBS' servers didn't do shit back then, did it? Well, that doesn't matter now!

Exol sent out Armaldo and Klinklang.

Me: An Armaldo and Klinklang.

Michael: (heart monitor responds) The Armaldo and Klinklang are Shadow Pokemon!

Nico: This will be good.

Flurry Heart: Bring it on.

Cadance: This will be a good one.

Michael: Come on out, Rhydon!

Michael's Rhydon appeared.

Nico: I'm surprised it's not a Rhyperior yet.

Michael: I know.

Me: This will be good. Lets dance!

I fired waves of light and blasted them down.

Rhydon charged at the Armaldo

Rhydon smashed Armaldo down.

Twilight Sparkle and Sunset Shimmer fired magic and fire blasts.

Flurry Heart: Take this.

She fired a Snag ball and caught it and purified it.

We got a massive Negative Energy increase!

Me: Whoa!

The Klinklang charged at Agumon.

Agumon: Time for firepower. (Echoing) PEPPER BREATH!

He fired a fireball and blasted him down and Flurry Heart caught the Klinklang with a Snag ball and purified it and we got a boost.

Nico: Nice!

Twilight Sparkle: Take this!

She fired a blast of magic and blasted down Exol!

With Exol out of the way, we continued on our way until we saw 3 big grunts.

Grunt 1: Halt!

Grunt 2: You won't get near Gorigan and Dakim.

Grunt 3: You'll have to get past us first!

Me: Take your best shot!

They sent out a Meganium, Sceptile, Typhlosion, Blaziken, Blastoise, and Swampert.

Nico: Meganium, Sceptile, Typhlosion, Blaziken, Blastoise, and Swampert

Rui: (gasps) They're all Shadow Pokemon!

Wes: I'll handle this!

Wes sent out his own Meganium and Typhlosion along with his Feraligatr.

Jeri: (Echoing) FIST OF THE BEAST KING!

She fired a lion flame blast and it hit the Meganium and Typhlosion and knocked them down and Flurry Heart used her Snag Ball and purified them. Giving us a power boost.

Nico: Nice one!

The Sceptile charged at Typhlosion while the Blaziken ran at Feraligatr. But Feraligatr chomped on the Blaziken's arm.

Me: That must've hurt.

I fired a blast of lightning and the Typhlosion was knocked down.

Eli fired Force Lightning and blasted the Blaziken down.

Flurry Heart fired Snag balls and purified them. Giving us a boost.

Fluttershy fired waves of leaves and blasted the Meganium down and Flurry caught the Meganium.

The Swampert and Blastoise charged at Wes' Meganium.

His Meganium blasted them with Solar Beam and knocked them down and Flurry caught them and purified them.

Nico: Nice job!

Me: Now this.

I fired a beam of ice and froze the grunts in blocks of ice.

Me: Not used to getting the cold shoulder huh.

We finally made it to Dakim and Gorigan.

Nico: Damn, you two are as strong and big as Gonzap.

Gonzap: Hey, watch it!

Dakim: (laughs) If it isn't Wes and Eli, the only two people ever to become worthy opponents to the great Dakim!

Wes: Dakim.

Michael: And Gorigan!

Gorigan: Heheh! It's me again, kid! You know, it makes me kind of happy to see you since I've seen you so often. And your new pals.

Dakim: And you brought Team Snagem too. Not to join us, I take it.

Gonzap: Hell no. Never liked Nascour anyway. Especially how he seems a little not right in the head.

Dakim: I HAVE noticed he's… unhinged then before.

Me: That is an understatement.

Gorigan: Huh… sounds about right. Compared to Greevil, Nascour is pretty ruthless. He blamed what happened to the factory back thenon me. So, Master Nascour gave me one last chance to redeem myself. But this is it! If we lose this one, there's no tomorrow!

Dakim sent out Archeops, Metagross, Golem, Swampert, and Camerupt while Gorigan sent out Hippowdown, Ursaring, Aggron, Walrein, and Slowking.

Nico: Archeops, Metagross, Golem, Swampert, Camerupt Hippowdown, Ursaring, Aggron, Walrein, and Slowking.

Rui: (gasps) The Archeops and Hippowdown are Shadow Pokemon!

Me: Oh boy.

Tai: Time to Digivolve, Agumon!

Marcus Damon: DNA Charge!

They Digivolved!

Agumon: Agumon Digivolve to…

He turned into GREYMON!

Greymon: GREYMON!

Marcus's Agumon: Agumon Digivolve to…

He turned into GaoGreymon!

GaoGreymon: GAOGREYMON!

Nico: Oh yeah!

Gonzap: Skarmory, come on out!

Gonzap's Skarmory came out.

Dakim: (smirks): You're in for a big surprise.

Dakim's Pokemon used Protect while Gorigan's Pokemon used Earthquake. Dakim's Pokemon were unaffected. But Typhlosion and Rhydon were knocked back. Feraligatr, Meganium, and Gloom only were slightly affected. And Skarmory just avoided the attacks.

Nico: The Earthquake Protect combo.

Gorigan: Hey, we both like using this trick. That's why we work well together!

Me: Your teamwork is really amazing.

Gorigan: Why thank you. So is yours from what we heard.

Me: That's right. Allow us to show you.

Me and Nico: EARTH VEGETA LIGHTNING STRIKE!

We fired a massive wave of lightning and it hit both the Archeops and Hippowdon and blasted them down and Flurry Heart caught them with a snag ball and purified them! We got a power boost.

Flurry Heart: Oh yeah!

Marcus: (gets out Daemon's Gashat) I just witnessed the combo and already, it's giving me a headache

Gorigan: (laughs) Who do you think we are? That chump Kurata?

Me: You know I am expecting to see Nascour have a Kurata Style Villainous Breakdown when we see him on Flurry Heart's big day.

Nico: That will be epic.

Me: Besides that fucker Kurata got what was coming to him.

Nico: Care to make a wager on that?

Me: You're on. We'll have a root beer drink night if he doesn't.

Nico: We'll an all you can eat pizza dinner if he does.

Me: Great.

Marcus: Lets see what this does.

INFERNO OF DAEMON!

Marcus fired waves of energy and fire and blasted down Gorigan!

Eli: OH YEAH!

Dakim: The mighty Dakim is way too strong for a puny weakling like Kurata.

Poromon: If you saw the big monster he became, you'd probably have second thoughts.

Gonzap's Skarmory flew at Swampert.

Skarmory blasted Swampert down!

Nico: OH YEAH!

Tai: (gets out James Nixon McGarfield's Gashat) Let's go after one of their toughest Pokemon first!

Greymon: You got it!

Tai Activated his Gashat.

OUSTING OF THE FOURTH GRADE PRESIDENT FOR LIFE!

Tai fired waves of fire.

Greymon: (Echoing) NOVA BLAST!

He fired a ball of fire and it hit Ursaring and Walrein and knocked them out!

Twilight Sparkle: Take that!

Wes: Hey, Dakim. Remember your Entei?

Dakim: Why do you ask?

Wes: You get to see it again!

Wes sent out his Entei.

Me: WHOA! That is awesome!

Eli: It sure is!

Flurry Heart: That is so awesome that you have Entei too.

Wes: Yep.

Me: You would love our teammate Molly Hale. She loves the legendary Pokemon, Entei.

Nico: She sure does.

Entei set its' sights on the Metagross.

He fired a blast of fire and smashed the Metagross down!

Me: Oh yeah!

Dakim: I hate to do this to one of my former Pokemon. But it IS weak to ground types.

Dakim's Golem and Camerupt used Earthquake while Aggron and Slowking used Protect.

Wes: Entei, jump over it!

Entei jumped over the attack.

Gorigan: Okay, I have to admit. THAT was awesome!

Me: EVERYTHING they do is awesome.

I fired waves of energy and blasted the Golem, Camerupt, Aggron and Slowking and knocked them out.

Nico: Take that!

The Golem and Slowking were still standing though.

Nico: (gets out Private HIVE and Skinner's Ridewatches) Ten Hut!

Nico activated them and fired energy blasts and they were down!

Nico: OH YEAH!

?: I'll finish them.

A Krookodile came!

Me: Hey a Krookodile!

Eli: Neat!

Krookodile: (In a girls voice) I am ready to kick some butt!

Nico: Yolanda Zhou!? Wow!

Krookodile: Awesome to see you Nico. I got this.

She fired a blast of energy and smashed down Dakim and Gorigon!

She reverted back and was a girl with red hair and had a red bikini and brown swim skirt and she was a really hot mama!

Yolanda Zhou: Now that is one that was sexy!

Gorigan: That was the very last chance Master Nascour gave me!

Wes: Dakim. Gorigan. You both are great trainers.

Dakim: What are you trying to pull?

Nico: You're both overqualified for Cipher. I know why you two joined at first. You both wanted to be recognized and respected. But Cipher isn't how you two do it.

Wes: Nico's right. You need to become the best trainer you can be. Not the best Cipher can make you. When I left Team Snagem, I thought I would just live my life as an ordinary man… but now people call me a hero.

Gorigan: So, you're saying if we quit Cipher, we can be better?

Michael: That's right. And you can start by joining the Masters of Evil.

Dakim: The Mighty Dakim accepts.

Gorigan: Then so will Gorigan.

Me: Wise choice.

Eli: I agree.

Michael: What's your favorite memory of Nico?

Yolanda Zhou: I have a lot of them. But he did so much for me.

Me: Wait you're that famous sexy swimsuit model! You're on the cover of every swimsuit fashion magazine that Leni loves!

Yolanda Zhou: That's right! And Nico helped me make all sorts of amazing swimsuit ideas.

Nico: I've been sort of a fashionista in a way.

Rarity: Oh Nico that is truly amazing darling.

Nico: Thanks.

Nico and Yolanda hugged.

Nico: I've missed you.

Yolanda Zhou: Me too Nico. Me too.

---

We later came back.

May: Hey guys. How did it go?

Me: Really awesome.

Leni: (GASP) O.M. GOSH! YOLANDA ZHOU!? (FANGIRL SQUEAL) I am one of your biggest fans!

Yolanda Zhou: I'm glad you love my fashions Leni.

We laughed!

Me: That's awesome.

We told everyone everything.

May: Oh wow! That is so awesome.

Me: Yep.

May: Next time, the Ex Aid Riders and Andros should come with you.

Kuroto Dan: ALL of us? I figured just Emu.

May: If we're going to face who I think it is, we'll need as many people as possible.

Nico: Oh boy.

Ruby Kirlian: And I'll go with myself too since they are my archenemies.

Qin: Good idea Ruby.

---

Later we were at the park for an awesome Easter Egg Hunt.

Mascots: HAPPY EASTER EVERYONE!

Me: Same to you guys.

Marinette: This is so awesome.

Me: What beautiful eggs.

Nico: Marinette, whatever you need to tell us about Lila won't even matter. She's gone for good.

Marinette: I want to get this off my chest. It was before we joined you guys. I found out that not only does Lila wear Diapers but before what happened with her when you guys met us that her lies were exposed and that she was slated to be expelled and shipped off to Siberia.

CLANG!

Mine and Nico's jaws dropped!

Eli put them back.

But then we BURSTED OUT INTO HYSTERICAL LAUGHTER!

Eddy: (LAUGHS HYSTERICALLY!)

Maria: Diapers?!

Marinette: I found out that she has a bladder leakage problem and it's uncontrollable.

WE LAUGHED HYSTERICALLY!

Squidward: (LAUGHING HYSTERICALLY)

Eddy: (LAUGHING HYSTERICALLY)

Camie: (LAUGHS HYSTERICALLY)

Me: (LAUGHING HYSTERICALLY)

Patrick: I don't get it.

Nico: Don't ask Patrick.

Me: But that was funny Marinette.

Qin: It sure was.

Me: So she was on her last days at school and was about to be expelled and deported.

Marinette: Yep.

Nico: Boy we should have waited till after that.

Maria: But on the bright side, the 6th Rangers and the first members of the Redemption Squad all got a chance to shine then.

Nico: They sure did.

Qin: That was so awesome.

Lola: It sure was!

Nico: Yep.

Charlotte Victoria Windsor: And if we ever meet Princess Pink in the future I would gladly have her as my archenemy.

Nico: That is a definite surefire thing.

Gabriel: Honestly, the powers I picked out for Princess Pink were her to make people, including me, do whatever she tells them to do.

Lola: Well I did have a habit of being bossy so that would be perfect for me.

Lincoln: She's right on that.

Gabriel: Indeed. But Fire Powers are a good idea for Princess Pink too.

Qin: Glad you think so.

Adrien: I agree there.

Gabriel: Me too son. And also I'm amazed you came up with this too J.D. Princess Pink looks awesome.

Me: It was the best I could come up with.

Gabriel: Honestly, Lucy's name was going to be Queen of Darkness, Luan was going to be Bonkers, Lana was going to be Mudslinger, Lynn was going to be Fowl Ball, Leni was going to be Mimica, Luna was going to be Power Chord, Lisa was going to be Math Magician, Lori was going to be Digital Diva, and Lily was going to be Fear Fox.

Me: Those are awesome ideas!

Laney: What about me?

Gabriel: I couldn't think of a good one for you since you're the most level headed of the Louds. Not to mention I didn't think too much of it at the time since the chances of you guys being Akumatized were always going to be small.

Me: Hmm. I know. How about Book Butterfly.

Gabriel: Ooh! I like it! Any reason for that?

Me: Laney is a bookworm and is trying to break up fights with her voice of reason.

Gabriel: That works.

Me: It was the best I can come up with. But those all match the Loud's personalities perfectly.

We then heard someone approaching.

We saw a Basculin.

Me: Hey a Basculin.

Qin: Cool!

Basculin: (In a girls voice) Awesome to see you all here.

Nico: Bertha Schroder!?

Me: The famous angler!? Whoa!

She reverted back and was a girl with green hair and had green eyes and was dressed in blue fisherman clothes.

Bertha Schroder: It's awesome to see you again Nico.

Nico: Same here.

Maria: What's your favorite memory of Nico?

Bertha Schroder: When me and Nico were over in Jamaica and we caught a giant shark and it was a lot of good meat.

Me: Whoa! That is amazing!

Lola: You're quite a fisherman.

Bertha Schroder: Yep.

Nico and Bertha hugged.

Nico: I've missed you.

Bertha Schroder: Me too Nico. And Happy Easter.

Nico: Same to you.

May: Nico, which Gene Slammers do you think you'll meet next?

Nico: Darmanitan and Maractus next.

Me: Ooh! The Maractus would be perfect for Cinco De Mayo next month.

Nico: Festive huh?

Me: Yep. But those are awesome.

Qin: Yep.

Poromon: I bet I can get more eggs then you guys!

Nico: You're on!

Poliwag: Yeah!

We got to hunting for eggs all over.

We got tons and tons and tons of eggs.

Poromon was looking for eggs.

He found pink ones, orange ones and red ones.

Poliwag found blue ones and yellow ones.

Manaphy found green and blue and purple ones.

LOTS OF AWESOME COLORS

Horsea was looking for eggs

Horsea found aqua blue and blue eggs.

I found lots of eggs of every color.

Tentacool found purple and red eggs.

Jirachi found lots of eggs of every color.

Me: BOY! That was awesome!

Lola: Look at all these eggs.

Misty Tredwell: Just like in our rescue earlier.

Poromon: (to the rest of the mascots) Let's count the eggs we got.

Jirachi: Okay.

They counted them.

Poromon - 126 eggs.

Poliwag - 128 eggs

Manaphy - 231 eggs

Horsea - 214 eggs

Tentacool - 423 eggs

Jirachi - 323 eggs

Ninetales - 474 eggs

Poromon: WHAT?! Ninetales got the most!

Tentacool: At least I came second.

Me: You sure did. But you all did great.

Ninetales: All of us did good.

Camie: Yep.

Me: Coco laid lots of eggs though.

Coco: Coco.

Nico: Yep.

Coco: Cocococococoo Cocococococo!

Wilt: Coco said that she had a lot of fun doing this whole easter egg hunt.

Coco: Coco.

Cheese said nothing as he hugged Coco.

Coco: Coco.

Me: Cheese you may be an idiot but you are a cool cat.

J.D. JUST SAID THAT!

Me: (To the viewers) Take it home with you!

Stewie laughed at that one.

Herriman: Miss Coco, I truly am proud of you today.

Coco: Cocococo.

Herriman: I'm glad you did great on this Easter Egg Hunt Extravaganza.

Me: Lets head home and crack these eggs.

We went and did so and we cracked them open and in them was LOTS OF Chocolate Candy, Cookies, gold bricks and coins and jewels and more.

Qin: WHOA! Look at all this.

Camie: Awesome!

Poromon: I call first dibs!

Me: Now now plenty for everyone.

Lynn Sr.: Easter dinner guys!

We got to eating spiral ham and delicious food of all kinds.

Vypra and everyone came.

Vypra: Happy Easter everyone.

Me: You too Vypra.

Dark Spicer: Whoa you guys got lots of eggs.

Me: Coco laid them for us.

Qin: Yep.

Me: But you should have seen all the eggs in Zephyr Heights earlier this morning.

Xenia: Yeah we got tons and tons of chocolate eggs.

Dark Spicer: Wow!

Seadramon: (to Poromon) Sorry you didn't get the most, Poromon.

Poromon: It's all right. Besides I had a lot of fun.

Seadramon: I'm glad you did.

We had a great meal.

Then we were watching Easter Theme Itchy and Scratchy Cartoons. We saw one called Egg-Cellent Pain. This one was where Itchy and Scratchy was having an easter egg hunt and Scratchy got his eyes bashed out as Scratchy was hunting for eggs. Then Scratchy screamed as he was looking for his eyes and then he picked up 2 Cherry Bombs and put them in. Then he screamed and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

His head exploded! His body fell to the ground and his blood poured out and wrote Happy Easter.

Itchy: Happy Easter everyone.

We laughed hysterically!

Nico: Oh, it IS happy, Itchy.

Me: Yeah it sure is!

Vypra: Nothing like a little Itchy And Scratchy on a fun day like today.

Qin: Yeah.

Me: I'm happy that Krusty is making all kinds of awesome cartoons for them too.

Qin: Same here.

Krusty: Hey, Itchy and Scratchy is ALWAYS fun!

Me: Me too Krusty. Awesome job as always.

Krusty: Thanks. It's always a fun time! (Goofy Laughter)

Qin: That is for sure.

We had an awesome time for Easter. Later at bed I was reading a book in my bed.

?: Oh J.D.

Me: Hmm.

Out came Hydrax dressed as a green hair woman with green eyes and she was wearing a really smoking hot green bra and panties.

Me: Hydrax!?

Hydrax: Shh. (Seductive Voice) Think of this as my reward for killing Gruumm.

Me: Whoa mama.

She got in bed with me and I pulled down a screen that said THE END on it.

THE END

We don't know what this city has in it but we're going to be in for an amazing adventure with this one.

Me: Boy this is gonna be interesting.

Nico: Yeah too bad the Turtle Brothers aren't with us because of their friendship with the Avians. This will be right up their alley.

Qin: It sure will be awesome.

Xenia: Yeah!

Camie: I have a feeling that this will be an awesome adventure.

Venus: It sure will.

Lola: I agree there.

Ruby Rose: I wonder where this village came from.

Me: We'll find out soon.

Nico: Ruby, I want to thank you, Deker, and your teams for coming today.

Ruby Rose: Anytime Nico. This will be so awesome and fun!

Xenia: It sure will!

Varie: I'm so excited for this.

Sir George: I am most excited with this.

Nico: Sir George, without your sacrifice, Ben would have never defeated Dagon

Me: Yeah you are a true hero. You gave your eternal life to help Ben save us all.

Sir George: That is true there.

Zuria: Wow! I read the story about Saint George and The Dragon back when I was a little girl. It's so awesome.

Me: And he lived for over 1,700 years which is absolutely incredible. Sir George has experiences that no one ever will know about.

Eli: Yeah he saw many of history's most amazing events unfold.

Sir George: That is true. Many of them were amazing in my own eyes.

Xenia: That is amazing.

Me: And not only that but he is the founding father of the Forever Knights.

Nico: And I truly am sorry about Squire Winston.

Me: Yeah he did nothing to deserve that.

Sir George: Thank you all for that. His sacrifice will be forever remembered.

Me: He will be a hero that helped you all.

Qin: Yeah it sure will.

Zuria: What was Dagon anyway?

Me: He was a malevolent monster.

I went over his history.

---

Dagon is a major antagonist in Ben 10: Ultimate Alien, serving as the overarching antagonist of Season 3.

He is an extra-dimensional demonic entity who is the worshipped deity of two modern day religious cults known as the Flame Keepers' Circle and the Esoterica who believed that he took the form a dragon and visited Earth many years ago, giving humans advanced technology.

He is believed to have sworn to come back to Earth and bring the "Golden Age". He said he will bring alien tech so Earth would have no war, no disease, just peace. Vilgax was mistaken for and later pretended to be Dagon in "The Flame Keepers' Circle".

In fact, Dagon is at least 1,700 years old and have tried to invade this dimension with help from many Lucubras during Earth's medieval era. He was banished back to his dimension when Sir George defeated him by cutting out his heart with Ascalon, a powerful weapon given to him by Azmuth centuries ago.

He was voiced by John DiMaggio, who also played Bender in the Futurama franchise, Dr. Drakken in Kim Possible, the Joker in Batman: Under the Hood and Don Vito in the show Celebrity DeathMatch.

In The Flame Keepers' Circle, Dagon was first introduced as a legendary alien god who was believed to have visited Earth many years ago and brought advanced technology to humans in the past. He was also believed to have sworn to come back to Earth to bring the "Golden Age". He claimed he would bring alien technology so that Earth would not have war or disease, just peace. His appearance was revealed in a carving.

In A Knight to Remember, Dagon took control of Gwen and explained to them that if Vilgax got his heart, he would be able to take control of the entire universe. After Vilgax defeated the Forever Knights and the Esoterica, Dagon took control of Sir Winston and told him that in order to be powerful enough to rule the universe, he must break the seal. However, this was a trick.

In Solitary Alignment, his shadow was seen in a flashback. Azmuth also noted that Dagon had enslaved 100 dimensions at the time.

Dagon's voice was heard in Enemy of My Frenemy, being called by the name Old One, a being who could bring dead people back to life. Charmcaster gave him 600,000 souls (from every living thing in Legerdomain except herself) and in return, asked to bring her father back to life. Spellbinder disapproved of this, saying that his daughter became a worse tyrant than Addwaitya ever was by doing so. Spellbinder said that even though he loved her, he couldn't stay in Legerdomain with her, knowing that his life was bought by the cost of so many others, and decided to return to the dead. Dagon restored all the dead souls, saying that "such is the way of magic".

In The Beginning of the End, Dagon's voice was heard again when Sir George demanded to face him, but Dagon instead summoned his herald, Vilgax.

In The Ultimate Enemy: Part 1, Dagon was able to turn every human into an Esoterica except for Ben's team, Julie, and Sir George. Later, he took control of Gwen again and tried to use her to break the seal. Eventually, he broke the seal himself, thus allowing him to enter the main dimension.

In The Ultimate Enemy: Part 2, after Dagon freed himself, Sir George immediately attacked him. Dagon then ordered Vilgax to destroy Sir George, but he was nowhere to be found, and thus Dagon sent his Esoterica to defeat George. While Gwen, Kevin, and George fought a couple of Esoterica, Ben transformed into Way Big and then Ultimate Way Big. Dagon fought Ultimate Way Big and easily defeated him with acid rain, with none of Ultimate Way Big's attacks having an effect on him. He proceeded to fight Sir George and Chromastone. After he defeated Chromastone and killed Sir George, Vilgax and Psyphon returned with their machine. Thinking it was a weapon, Dagon used his laser beams on it; however the machine absorbed powers from other living beings and due to Dagon's essence being only power, he was fully absorbed within the machine. Psyphon fired the machine at Vilgax and he received all of Dagon's power.

At the end of the battle, Ben used Ascalon to defeat Vilgax by absorbing Dagon into it.

When I was done everyone that hadn't heard about it was shocked and horrified!

Venus: He is a monster!

Zuria: Dagon is that dangerous!

Me: Yep and there was a cult called the Flame Keeper's Circle that thought he was a benevolent spirit that will bring everyone into the golden age. But in truth they were completely oblivious to his REAL modus operandi and that was he is really the opposite. He was going to destroy the entire planet.

Qin: Yep.

Zuria: That is horrible!

Sir George: That is correct.

Lola: Yeah that was horrible!

Camie: Yep.

Brittney: I knew about the dark forces of Dagon and the monsters of the Cthulhu Mythos for years and they are pure evil.

Qin: Yeah no kidding.

Lola: Yep.

Qin: But still that was scary.

Lana: If we ever run into those Flame Keeper's Circle dirtbags they will pay and we will make them realize that Dagon is Not Who they think.

Me: Darn tootin!

Nico: Who here had a happy Easter?

Me: I did and it was awesome!

Eli: All of us did!

Qin: We sure did especially with the dinner and the Easter Egg hunt.

Zipp Storm. And the rescue in Zephyr Heights was so awesome.

Nico: It sure was.

Camie: All those eggs were awesome.

Lola: They sure were.

Nico: None of the main mascots got the most eggs.

Me: Well they came in second place so that is not a bad run for them.

Nico: That is true.

Lola: Yeah all those eggs were awesome.

Nico: And Coco laid a lot of awesome eggs.

Xenia: She sure did.

Nico: And J.D. (Slyly) Did you have a WILD TIME with Hydrax?

Me: (GASP) (BLUSHES)

I was blushing in an atomic red color.

Nico: I heard you two while I was getting a midnight snack.

May: Yeah!

Me: (Embarrassed) Sorry about that guys. I should put up silencing barriers around my room door.

Everyone laughed!

Nico: But she is glad Gruumm is dead.

Me: Yeah she sure is.

Lincoln: I am too.

Maria: I think we're here.

We saw a magnificent city on an island floating over 200,000 feet above the planets surface!

Qin: WHOA!

Me: Wow!

We saw Angel People flying around it too.

Me: It's a floating island of angels! And we're 200,000 feet above the planet!

Nico: Halfway at the height of the estate. This is amazing!

We landed.

Maria: Look at this place.

Me: Wow! It's like an awesome angel kingdom.

Zuria: I've read stories about these kinds of places. This is amazing.

Nico: It sure is.

Qin: Wow. First time ever seeing a place like this on Earth.

Camie: Too bad the Turtle Brothers aren't here for this. They would love seeing this place.

Nico: We can bring them here now.

Me: Yep. (SNAPS FINGERS)

The turtle brothers came!

2003 Donny: Wow! Look at this place.

2003 Raph: Wow! Reminds me of the Avian Kingdom.

Nico: It sure does. We found this place floating 200,000 feet above the planet and it's not far from the estate.

2003 Leo: It's amazing.

Me: It sure is guys. Yet something about this place seems very familiar.

Nico: Still have fragments of your amnesia left?

Me: Yeah.

We then saw a bunch of people gathered and they all had amazing wings.

We went to see what was going on.

Nico: Or it's probably nothing.

Me: We'll find out.

We went over and saw the people gathered and there was a massive reward to bring back their princess Anita. When I saw that name I gasped!

Me: (GASP) Oh man!

Nico: What's going on?

Me: I remember now! This place is the Kingdom of Avius and the princess, Anita is a dear friend of mine.

Eli: Whoa!

Qin: That is amazing!

Me: Yep.

Nico: What happened?

Me: Years ago when I still lived in Colorado, I found this place and it was amazing. Everyone here treated me like I was a part of their family and they loved me. But no one loved me more than Princess Anita. She was the most beautiful part of this entire kingdom. She had the most gorgeous blond hair and most beautiful rainbow color wings I have ever seen and she had eyes for me the first time we met. It was practically love at first sight. But there was another that had eyes for her and wanted to take over her kingdom by force. His name was Duncan. He was an Avian that had dark blue wings and was banished from here for practicing the use of dark magic. When Duncan kidnapped her the first time I promised to save her. I braved a massive challenge and saved Anita. Anita was eternally grateful to me for saving her and she made me her future husband. I promised to her that I would make that oath a reality when I formed my future team and make her part of my family.

Nico: WOW!

Qin: That is incredible!

Xenia: Wow what a promise!

Me: And it looks like Duncan is back to his old tricks again. Now I'm going to finish him for good.

Nico: If we bring her back, we can get the reward!

Me: Yes we will.

I went over.

Me: Everyone. It's great to see you again. You may not recognize me before but it is me J.D.

Woman: Wow! J.D. you have grown into a great man.

Me: I get that a lot. I have also evolved in many ways and grown far more powerful. But I promise you all just like before that I will bring Anita back and fulfill the oath that I made to her.

Everyone cheered wildly!

Nico: Is there another reward for bringing back Duncan dead or alive?

Me: Do you all want Duncan brought back dead or alive so he can stay in prison forever?

Man: We want him dead

Man 2: Yeah he has terrorized the kingdom too long.

Me: It will be done. I promise you!

Everyone cheered!

Nico: Okay!

Eli: This is gonna be awesome.

Nico: Is there another reward for that?

Man 3: TRIPLE IF DEAD!

They cheered.

Me: Okay then! I know where his castle is. It's in Badlands National Park in South Dakota in a mountain cave.

Nico: You lead the way J.D. Since you have experiences with this you have my permission to lead.

Me: Thanks Nico. Okay here we go!

We were off and we flew down and everyone cheered for us!

Me: (EYES GLOW RED) I'm coming for you Duncan! You and I have an old score to settle!

ZOOM! ZOOM ZOOM!

We went down to the surface and flew over mountainous terrain and saw Duncan's castle.

Me: Target sighted at 12:00.

Nico: Eli, can you sense for Swartz's creations?

Eli: I sure can. But they are over 1,000 klicks away.

Nico: So it'll be a while before they get here. Okay then.

Me: We're going to need proof to show them that Duncan is dead. So his wings will be perfect for a trophy.

Nico: Got it.

We flew in and landed and inside a cave was DUNCAN! And he had Anita in a cage! He laughed malevolently! Inside he laughed.

Duncan: This time, I will never let you run away.

Princess Anita: Why do you never let me go?

Duncan: (Laughs) Of course it's because I love you, my little princess.

Princess Anita: You only love those wings!

Duncan: Whatever. Basically from now on, you will be only mine. I will go prepare gifts to marry you.

Me: (Offscreen) The only place you're going is to the black gates!

Duncan saw me!

Princess Anita: (GASP) J.D.!

Duncan: You!

Me: Yes me!

Nico: And he is not alone!

He saw all of us.

Duncan: Who are you all?

Me: We are Team Loud Phoenix Storm!

Duncan: Well the princess is mine!

Deker: For how many years you've had her captive, I'll stab you in the throat the exact number.

Me: Actually from the looks of things he just kidnapped her a few hours ago.

Deker: Oh.

Duncan: What happened to you J.D.? You look completely different.

Me: Lets just say that I have evolved in more ways than one.

Duncan: Well we'll…

POW!

I flew fast and punched him square in the face with devastating force and smashed him right into the wall!

I broke Anita out of her cage and she hugged me.

Princess Anita: I knew you would come back for me!

Me: I did keep my promise like I said 10 years ago.

Princess Anita: You sure did.

Me: Now it's time to deal with this traitor.

Duncan: (SCREAMING IN PAIN!) MY FACE! MY BEAUTIFUL FACE!

Deker: I'm still stabbing you!

Duncan got up and growled ferociously!

He fired waves of dark magic and they hit me and exploded! He laughed malevolently. But when the smoke cleared he saw that nothing happened!

Duncan: What!?

Me: Nice try Duncan. But my powers have evolved so fast and so powerfully that all magic is useless against us. We are now impervious to all magic.

Nico: That's right.

Duncan: NO!

I flew at him and grabbed him and we busted out of the castle and fought hard in the air and I kicked him in the face and punched him in the stomach numerous times and then I kicked him in the face! Then I kicked him in the back and sent him flying and Deker got out his sword and then…

SHEEEN!

Deker stabbed him all the way through his black heart!

He was dead in an instant!

His corpse fell to the ground.

I then slashed his wings off.

Me: Got to have proof.

I then banished his body and spirit to the Black Gates.

Princess Anita: Wow!

Me: Sorry you had to see that Anita.

Princess Anita: It's okay. (HUGS ME) But thank you J.D. Thank you.

Me: You're welcome.

Then she grabbed me and pulled me in and kissed me full on the lips and I returned the kiss.

Everyone was in awe and it was awesome.

Me: That was awesome.

Nico: Your people miss you.

Princess Anita: Lets get back.

We teleported back and everyone cheered wildly for Princess Anita's safe return.

We got to the castle.

Me: The deed is done everyone!

I pulled out Duncan's severed Wings and tossed them onto the ground.

Me: Duncan is dead and a forgotten memory.

Eli: Yep.

Everyone cheered wildly!

Qin: That was so awesome!

Princess Anita: And everyone in Team Loud Phoenix Storm saved me from a horrible forced marriage.

Me: As if I would ever let a monster like Duncan marry Anita.

Nico: Now, about the reward.

Me: Nico don't be greedy.

Qin: Yeah.

Nico: Sorry.

Everyone gave us $300,000,000 dollars in gold coins and jewels.

Princess Anita: And I have something for J.D. and you all.

We stood before Princess Anita and she gave us medals for our heroic deeds in saving her and it was great. And also Anita and me became engaged just like we said. And because I'm always available on the market, plenty of me to go around. The medals were in the shapes of stars with rainbow wings.

Qin: This was awesome.

Nico: Yep but we're not done yet.

Nico: Who's up first?

Lincoln: Too bad my guardian angel Gina Angelius can't be here for this.

Gina Angelius then appeared.

Gina Angelius: Someone call?

Lincoln: Awesome!

Gina Angelius: Wow! This is amazing.

Me: Long story on that Gina.

Princess Anita: But it's amazing that you guys have done so much and met so many people.

Me: Yeah we get that a lot.

Nico: Yep.

Me: Look there!

We saw a figure and it was a dark version of Mephos! It was ANOTHER MEPHOS!

Qin: Another Mephos!

Xenia: Whoa!

Rainbow Dash: This is gonna be awesome!

We saw her land.

Nico: And you are?

Another Mephos: (In a girls voice) I believe that J.D. knows me.

Me: (GASP) That voice.

She reverted back and was an Avian girl with blue hair and had a rainbow unicorn horn on her head and she had blue eyes and sky blue clothes and had the symbol of the Air Skylanders on her skirt and in the middle of her forehead and she had blue angel wings.

Me: (GASP) Talia Allisaros!

Talia Allisaros: Good to see you again J.D.

Me: Same here.

Nico: You know her?

Me: I sure do. Talia is a friend from the Avian colony and she is also a very strong and powerful master of the rainbow.

Nico: That is cool!

Qin: It sure is!

Princess Anita: That is amazing.

Me: It sure is.

Talia Allisaros: Yes and I heard about Mephos now being part of the Masters of Evil and I'm glad he is seeing the error of his ways.

Me: A while back we stopped his attack and got him to change.

Qin: Yeah we sure did.

Talia Allisaros: That was very well done. Also just so you know I am the gene-slammer of Whirlwind, the Unicorn Dragon from Skylands.

Rainbow Dash: That is so awesome! Whirlwind is one of my teammates and I am the Princess of the Air Skylanders.

Talia Allisaros: That is amazing! I'm truly honored.

Nico: Who's fighting you?

Gina Angelius: I did say I would. Sorry Talia. I'm Gina Angelius, Gene-slammer of Earthbound Immortal Itzpzpalo. I am also Mephos' archenemy.

Talia Allisaros: Pleasure to meet you. This will be awesome. Also there are two more after me. Another Black Knight of Merlin and Another Deker. Both are friendly. But the Another Black Knight of Merlin is someone that both J.D. and Sir George know.

Me: This will be interesting to see.

Girl Jordan: Lets separate you from the Another Mephos form first.

Talia Allisaros: How are you going to do that?

Girl Jordan: We know a powerful song.

Me: You'll be amazed to see it.

Girl Jordan: Yep. Lets go Leeli.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

Talia glowed and then Another Mephos was separated from her and she was freed!

Talia Allisaros: WHOA! That was awesome!

Me: It sure was!

Gina Angelius: Let's do this!

Another Mephos: COME AND GET ME!

She flew at Another Mephos and blasted him with Aqua Green fire and blasted his wings and then she grabbed him and ignited him in a massive inferno of green fire! Then I caught the Wonder Ride Book. It was called The Angel and The Unicorn Dragon and the Traitorous Avian Usurper.

Me: Fitting title.

Lincoln: Awesome job Gina!

Qin: That was great!

Talia Allisaros: That was awesome!

Nico: Two more to go.

Talia Allisaros: That was still amazing though.

Princess Anita: Wow! You guys have so much amazing power.

Me: We have come a long way since I moved to Michigan.

Nico: In just 7 years we have ascended far beyond everyone.

Laney: Yeah we sure have.

We then saw another figure and it was a dark version of Black Knight of Merlin. But instead of black armor it was White. ANOTHER BLACK KNIGHT OF MERLIN!

Nico: There she is!

Me: I have a feeling this one will be interesting.

She came up to us.

Another Black Knight of Merlin: (In a girls voice) (British Accent) Its been a long time and My darling George.

Me and Sir George gasped!

Me: That voice!

Sir George: It can't be!

She reverted back and was a girl with blonde hair and she had a beautiful red dress on.

Me: (GASP) Lady Sabra!

Sir George: Sabra!

They went and hugged and kissed.

Me: Aww.

Nico: Wait Lady Sabra?

Zuria: Oh wow! I've read so much about you. Wait that's impossible! How can she still be alive after over 1,700 years?

Lady Sabra: Like Sir George I too am immortal. I lived for the same length he did.

All of us: WOW!

Me: That's incredible!

Eli: Wow it sure is!

Nico: Your husband has really come a long way in over the course of 1,700 years.

Lady Sabra: He sure has and I'm so proud of him.

Maria: George you need to get away from her.

Me: Maria let them catch up. They haven't seen each other in over 1,700 years.

Maria: Oh okay.

Lady Sabra: And you must be Ben Tennyson.

Albedo: No, I'm not. Good try though

Me: This is his Galvan Doppelgänger and evil clone in a way. His name is Albedo of the Galvan.

Nico: He looks like Ben but he has White Hair, Red Eyes and Red Clothes.

Me: Like an inverted copy of him.

Lady Sabra: I see.

Me: The real Ben Tennyson is back at home.

Sir George: Lots of things have changed over the last 17 centuries my love.

Lady Sabra: I have seen so much over that timeframe as I was looking for you. I never gave up to find you.

Princess Anita: That is amazing.

Me: It sure is.

Sir George: I am truly sorry we must do this.

Lady Sabra: I know my love. It's the only way.

Me: I know this is for the Core M.O.E. Members but what did Swartz promise you if I might ask?

Lady Sabra: Just to be reunited with George.

Me: Looks like you already fulfilled that one on your own. And Swartz is dead. We gave him the Black Gates.

Sakura Knudson: Yeah they sure did.

May: It was awesome.

Lady Sabra: I am glad you all did.

She turned into Another Black Knight of Merlin.

Me: But I can do this. (SNAPS FINGERS)

She glad and Lady Sabra was separated from Another Black Knight of Merlin!

Lady Sabra: (GASP) I'm free!

She came over to us.

Me: Now we can fight him without having to worry.

Sir George: Let us dance.

Me: Lets.

Sir George: Have at thee!

Me: Have at thee!

We unsheathed our swords and clashed with Another Black Knight of Merlin and slashed him right in half and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded! I caught the Wonder Ride Book. It was called The Immortal Princess and the Kingdom of The Mighty Black Knight.

Me: Very fitting.

Nico: One more to go.

Princess Anita: That was awesome!

Qin: It sure was!

Maria: Time for backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) BUTTKICKING TEACHERS!

She summoned Skinner dressed up as Outlaw Skinner, Sellon, Irene Belserion, NES Gezora, Filthy Phil, Beaky Buzzard, Cantwell, Springfield Bullies, Krusty, and Leopold!

(OUTLAW SKINNER SONG PLAYS)

Women Choral: Skinner!

Men: Skinner! He patrols the school halls.

(BLASTS EVIL DOLPHS HEAD OFF)

Women Choral: Skinner!

Men: When you spit, he's got the balls

(BLASTS EVIL JIMBO AND KEARNEY'S HEADS OFF)

As you mosey through the school

All the kids say you're so cool

And you even made Bart Simpson

Spill his milk.

(BLASTS A HOLE THROUGH BARTS HAT)

Women Choral: Skinner!

Men: Skinner! You're the master of your faith!

Me: Nice song.

Leopold got into my face.

Leopold: YOU LISTEN AND YOU LISTEN GOOD! I WILL KILL YOU FOR DESTROYING SPRINGFIELD!

Me: NO YOU LISTEN TO ME YOU FUCKPOT SACK OF SHIT! SPRINGFIELD WAS A TOWN FULL OF MEGALOMANIACAL DOUCHEBAGS AND THEY GOT WHAT THEY DESERVED!

Leopold growled and I growled at him and then realistic fire exploded out in the background!

BONK!

Nico then knocked Leopold out.

Me: Thanks Nico.

Nico: No problem.

Camie: Geez what the fuck is his problem?

Me: Ever since we blew Springfield, Oregon to kingdom come he wants nothing more than to kill me.

Qin: Geez!

Lola: Some people just can't let go of a grudge.

Princess Anita: No kidding.

Camie: He obviously doesn't understand that Springfield was a doomed town from the start.

Skinner: That is for sure.

Me: Nice shooting there Skinner.

Skinner: Thanks.

Me: Also that was awesome shooting a hole through Bart's hat like that.

Skinner: (Laughs) That was fun.

Me: But Leopold needs a serious attitude adjustment.

Nico: I hope Vypra can get that hatred towards you out of him.

Nico teleported him back to MOE HQ just as we heard footsteps.

We saw a Dark version of Deker! It was ANOTHER DEKER!

Ruby Rose: Another Deker!

Qin: This is gonna be a tough one.

Another Deker: (In a girls voice) But J.D. has to help me!

Me: (GASP) That voice!

She reverted back and was a girl with black hair and had red clothes and she had a scary looking Samurai Sword with a black blade and it had red energy on it.

Me: (GASP!) Melanie Saki!

Melanie Saki: You guys have to help me. I can't get rid of this curse.

Nico: Curse? What curse? Wait Saki. Are you…

Melanie Saki: Yes I am. I am one of the biological daughters of Oroku Saki the Shredder!

All of us and the Turtle Brothers gasped!

2003 Raph: I just hope you're like Karai!

Nico: Raph stand down. Lets hear her story.

Melanie Saki: Yes the Shredder was my father. But this curse is my burden! (Crying) I found this sword and it was poisoned with his evil.

She showed us the sword.

Nicole: The Soul Shredding Sword of The Akuma! That is an evil sword that needs to be destroyed! Legends say that is the very sword that housed the evil Tengu, the very monster that made the Shredder into what he was!

Nico: Oh man!

Melanie Saki: Yes it is! I am the polar opposite of my father! But this sword is forcing me to kill people! I killed over 42,300 people with it! All of them criminals that did minor things! I can't stop!

We gasped in shock!

Me: Oh man! That sword is dangerous!

Nico: Have you tried to get rid of it?

Melanie Saki: It won't leave my side! I tried so hard to get rid of it but I can't!

Kaito: (gets out Zyuranger gear) Did Swartz promise to separate that sword?

Zocks: (gets out Jetman gear) Because we can do that instead.

Kaito got a Zyuranger sword and Zocks got a Jetman sword.

Melanie Saki: Yes he did.

Me: Melanie just hang on.

?: I THINK NOT!

Me: (GASP) I know that voice anywhere!

Melanie's eyes glowed a malevolent red!

Shredder: (Through Melanie) I WILL ENJOY KILLING YOU ALL!

Me: SHREDDER! I should have known that you would be the one behind this! Let my friend go you motherfucking sack of shit!

Shredder: Never! I will kill you J.D.

Me: I don't think so!

I fired a beam of light and it hit Melanie and SEPARATED THE SHREDDER! But this was not Utrom Shredder or Demon Shredder! This was The 2003 Shredder!

Melanie Saki: (Weakly) Thank you.

Me: YOU SICK MOTHERFUCKING BASTARD! YOU'RE JUST A BAD DREAM THAT NEVER GOES AWAY!

I went SUPER ANGEL UNIVERSAL ETERNAL CELESTIAL

XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Me: (DIVINE GODLY VOICE) **NOW I'M GOING TO DESTROY YOU ONCE AND FOR ALL!**

2003 Shredder: COME AND GET ME!

I flew at 2003 Shredder and we clashed and I kicked him in the face and slashed him on his armor and kicked him in the stomach and kicked him in the back and smashed him into the ground.

Varie got Melanie to us.

Varie: She'll be okay.

Qin: Man J.D. is REALLY going at him!

I kneed him in the stomach and punched him in his face and kicked his helmet off and revealed his face! He was Oroku Saki!

Nico: Oroku Saki!

Sougo: (gets out Mighty Morphin Ridewatch) Leo, you and your brothers help fight Shredhead.

Geiz: (gets out Jetman Ridewatch) That's your fight too.

Sougo got MightyMorphinTyrannoArmor while Geiz got RedHawkArmor.

2003 Leo: You got it!

2003 Oroku Saki: You make me sick J.D.! YOU AND THOSE FUCKING TURTLES! I HATE YOU MORE THAN LIFE ITSELF!

My aura flared up with explosive force!

Me: **Well fuck you too! Like Splinter Sensei says, You only dishonor yourself. You were always jealous. Always scheming. Always filled with hate. And you poisoned so many people with lies and even turned them into monsters! Just like you! You even tried to turn your own daughter into a monster!**

2003 Oroku Saki: I have no intention of mutating her. She is merely bait for the Turtles. When the Turtles arrive to save her, I will drop them into the Mutagen! This will mutate them into mindless serpents. I want Splinter to watch his own pupils turn into one of the rat's deadliest enemies, then, when his spirit is broken, I will shatter his body!

Me: **Are you done shooting your fucking mouth off yet?**

2003 Oroku Saki: Not yet!

He went at me and I punched him and slashed him in his face!

Leo and Raph slashed him on his back and cut him good.

Nico: (gets out Deker's Ridewatch) Now, where were we?

Nico activated it and got Deker's sword and slashed him.

Deker slashed him all over.

Donny and Mikey bashed him on his head.

Nico: Time for some immortal knight power! (ACTIVATES BLACK KNIGHT OF MERLIN'S RIDEWATCH)

Sir George: Time for this dragon to pay. (ACTIVATES BLACK KNIGHT OF MERLIN'S RIDEWATCH)

Nico and Sir George: HAVE AT THEE!

They slashed him all over.

Princess Anita: J.D. has a really explosive hatred towards the Shredder doesn't he?

Laney: Explosive doesn't even come close to that. During one of Emerald Goldenbraid's ambassador missions J.D. vowed terrible revenge on all the versions of the Shredder minus the one from 1987.

Lana: Yeah! Ever since he found out that 2012's version of Splinter was killed by the Shredder, J.D. vowed to get revenge on all the versions of the Shredder!

Me: **I will never forgive you for everything you did Oroku! So many people have died because of you! In another universe you killed Splinter Sensei! I Will make sure that EVERYONE YOU KILLED is Avenged!**

Nico: Same here!

2003 Leo: We Shredded you before and we can do it again!

I slashed him in his chest and kicked Oroku and smashed his teeth out!

May: Time for you to pay street rat! (ACTIVATES RAZOUL'S RIDEWATCH)

She slashed him in the back with her sword!

May: Time for some diving pain! (ACTIVATES AIRAZOR & DIVEBOMB'S RIDEWATCH)

She fired waves of energy and blasted him all over!

Maria: Time for you to feel sonic pain! (ACTIVATES BATARAX'S RIDEWATCH)

She fired waves of sonic energy and blasted him down.

Maria: And this! (ACTIVATES WOLFBLADE CONGLOMERATE RIDEWATCH)

She fired waves of fire and blasted him all over!

Silver Samurai and his team came.

Nico: Nice team, Silver Samurai!

Silver Samurai: Thanks Nico.

But then a Darmanitan came!

Maria: A Darmanitan! Cool!

Silver Samurai: Let me get some shots in, J.D. It's just a feeling I have.

Me: **Go for it Kenuichio.**

He jumped and slashed 2003 Oroku all over

Darmanitan: (In a girls voice) Let me join in!

Nico: (GASP) Cleo Hatshepsut XL!? Whoa!

Eli: Wait Hatshepsut was the Queen of Egypt back over 3,500 years ago!

Darmanitan: That's right. She was my ancestor and also I am the direct descendant of D'Artagnan.

Maria: D'Artagnan of the legendary Three Musketeers!? Whoa that is amazing!

Darmanitan: It sure is.

She jumped and reverted and Cleo was a girl with red hair and had an awesome 15th Century Musketeer style dress on.

Cleo Hatshepsut XL: ALL FOR ONE AND ONE FOR ALL!

She then stabbed 2003 Oroku through his black heart with her sword and I slashed off his head!

I then banished his spirit to the Black Gates!

Qin: YEAH!

Nico: TAKE THAT!

Me: **Awesome!**

Nico: Now all that's left is the Demon Shredder.

I powered down.

Me: But we'll face him later in the future.

Nico: Sora would be proud.

Me: He sure would. That is so awesome that you are descended from Queen Hatshepsut. According to Egyptian history she was the Woman that rose to become king.

Cleo Hatshepsut XL: That's right. She reigned back in 1460 BC.

Me: Almost 3,500 years ago. That is amazing. And it's also awesome that you are descended from D'Artagnan of the legendary Three Musketeers. They are the group that inspired me to form The Knights of The New Fire in 150,000 years hence.

Cleo Hatshepsut XL: That is really cool.

Me: It sure is.

Sir George: Recount your favorite tale of Nico.

Cleo Hatshepsut XL: I have a lot of memories with him. But my favorite is when me and Nico helped Marinette defeat Chloe when she turned into the Queen Banana.

Chloe: That's right! I remember seeing you with Nico when we first met.

Nico: I remember that! That was awesome. It was on the second week after I joined the team.

Me: That is amazing.

Princess Anita: That is really cool.

Qin: I'll say!

Nico and Cleo hugged.

Nico: I've missed you.

Cleo Hatshepsut XL: Me too Nico. Lets do the oath like old times.

Nico: You got it.

Me: Me and Eli can partake too of you would like?

Cleo Hatshepsut XL: Sure.

Me and Eli and Nico had our swords in with Cleo's.

Me, Nico, Eli and Cleo: ALL FOR ONE AND ONE FOR ALL!

We cheered.

Princess Anita went with us and also the kingdom of Avius is put into our protection.

Lincoln: Whoa, we're here in The Pridelands, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're going to take down Timon and Pumbaa's old enemy, career criminal Quint who's busted out of jail and that mook's at it again, and we got word Gabriel Hargreaves, the warlock and member of The Church of Necrom who was killed by Damian Alaister in a fit of demonic insanity for his failure to get revenge on Lincoln for what he did to Necrom, has came back from the dead a year later and he wants bloody revenge on us for what we did to Damian Alaister and the rest of The Church of Necrom.

Griselda Huffington: (British Accent) Damian did cheat us of the chance to destroy Gabriel Hargreaves a year ago, but like what we did to his fellow Church of Necrom, we'll destroy him once and for all.

Simba: That'll be for after we deal with Quint, Griselda.

Timon: Yeah, we'll kick that mook down again and send him to Vypra.

Suddenly, we heard a loud monstrous belch in the air.

BBBBBBBBBUUUUUUUUUUUUUURRRRRRRPPPPPPPPPPPPP!

Varie: Uh oh, that sounds familiar!

Me: It's Lucas Greyson, but how?

Lincoln pulled up footage from The Uranus Prison, and he saw that Lucas Greyson grabbed one of the sides of the metal box and he ripped it out with his immense superhuman strength, and then, he'd grabbed the bars of his cell and he pulled them apart, and he ran out.

Lincoln: Jeez, he ripped apart one of the sides of the metal box and grabbed the bars of his cell and pulled them apart with his immense superhuman strength. Well, like I said, if that animal escapes from his cage again, he's going to get put down, and I want to thank you and your team for joining us, Jaune.

Jaune: You're welcome, Lincoln.

Suddenly, someone peaked out through the bushes, and he was snarling and grunting heavily, but he saw us and he withdrew his hands away from the bushes. Then, we heard another monstrous loud belch in the air.

BBBBBBBBBBBBBBBUUUUUUUUUUUUUUURRRRRRRRRRRRRRRPP

Varie: He's here… !

Then, we saw a wild male who was really tall at 7'5" in height, he had these abnormally massive and powerful upper and lower body muscles and eight-pack abs, long wild brown hair going down to his mid-back, red eyes, black stubble on his jaw, no shirt, hair on his forearms and chest, blue torn pants, and no shoes on and he was running towards us on all fours: it was Lucas Greyson.

Timon: Yeesh, we put this guy in prison two days ago, and now, he breaks out and is still miffed at us?! What a sore loser!

Lincoln: He's just an animal, and he needs to be put down.

Lucas Greyson charged at Lincoln, and he was punching Lincoln with all his strength and might, but Lincoln's body was infinite-times tougher and durable as he endured the punching.

Eli: What the? Lincoln's body is literally enduring all the punching that animal's giving him!

Selene Arcangela: You can thank all of us and all the teachers the team's met over the seven years for that one, Eli.

Me: Lincoln's wearing that animal down by letting him punch his body like that.

Nico: You'd think his hands would be bleeding from punching that solid steel wall of massive muscle by now?

Suddenly, Lucas Greyson punched Lincoln one last time in the chest, only to get his hand caught as it made contact with his skin and it phased through him: but we knew what Lincoln's strategy really is: Lincoln let that wild animal wear himself down just enough, so that his last attack would be fatal, and he was going to be absorbed into Lincoln.

Lincoln: (Smirks) You really are nothing more than a small-minded wild animal, Lucas, you thought only with your fists and animal instinct, it's true that I let you attack me, but that was part of my plan to wear you down, and that punch you threw at me, that would prove to be fatal, and now, I'm going to absorb you.

Then, Lincoln clenched his hands real hard, and veins formed on his massive muscular body as his abnormally massive and powerful upper and lower body muscles grew much bigger and bulged even more and he proceeded with absorbing Lucas Greyson as he was literally sucking him into his body. Lucas Greyson tried to use his left arm to punch Lincoln, but Lincoln grabbed it preventing him from attacking as he continued with absorbing him into his body, and at the same time, Lincoln was also assimilating Lucas Greyson's immense brute animalistic superhuman strength and speed. Finally, Lucas Greyson was absorbed into Lincoln's body, and he let out a loud roar of dominance. Then, an energy card with Lucas Greyson's soul inside formed in Lincoln's large left hand, and the Judgement Kanji appeared on his forehead, and he was sent to The Black Gates.

Selene Arcangela: That was really incredible, Lincoln. You let that wild animal wear himself down by letting him punch you, and when he threw one last punch into your chest, you sprang your trap and proceeded to absorb him and assimilated his immense brute animalistic superhuman strength and speed. Plus, you also gained a massive increase to your already massive muscle mass.

Lincoln: That was thanks to a combo of both the constant and intense training I went through with you and the other Guardian Angels and J.D. and everyone we'd met over seven years, along with my family genes and hyperpuberty which really hardened my body and muscular system at such a really accelerated rate, along with using the absorption methods of The Pillar Men and Majin Buu. Now, let's go find Quint before he starts anymore trouble.

?: I should've known not to rely on such an animal like him.

Me: I think we don't need to go that far, Lincoln.

We then saw our target, master criminal and old enemy of Timon and Pumbaa, Quint.

Me: Quint, I knew you'd show up.

Nico: Did you really think letting that wild animal, Lucas Greyson, loose was going to make a difference with us?

Quint: I was almost that close to getting payback on the warthog and meerkat. My boss is not going to be pleased with this, he finds out I failed, he'll kill me.

Lincoln: Your boss?! You mean… , (Gasps) When you busted out of jail, you made a deal with Gabriel Hargreaves, the warlock and member of The Church of Necrom who was killed by Damian Alaister in a fit of demonic insanity for his failure to get revenge on me for what I did to Necrom and came back from the dead a year later and he now wants bloody revenge on us for what we did in killing Damian Alaister and the rest of The Church of Necrom?!

We gasped and we were pissed off. But, not as pissed off as Timon, and he was now BEYOND PISSED OFF!

Timon: YOU WHAT?!

Quint: He promised me riches and power beyond my imagination if I got rid of you all.

Timon fired vines which tied Quint up and he began slamming him hard onto the ground and kicked him into a tree.

Timon: You musclebound, power-hungry, greedy mook! You made a mondo mistake making a deal with an insane Satanic mook who planned to kill you even after you made good on your deal, well, guess what, DEAL'S OFF!

We were really stunned at Timon's rage.

Nico: UH OH! I think I know what means!

Lincoln: Yep, our favorite bug-eating meerkat's going to explode!

Suddenly, something within Timon's mind brutally snapped as memories of Quint's dumb stunts and the recent stunt of him making a deal with Gabriel Hargreaves of The Church of Necrom after he had escaped from jail rushed through and his brown eyes suddenly turned neon emerald green, and he was surrounded by an emerald green energy aura with plants, leaves, bugs, lions, and meerkats, he unholstered his Defender of The Circle of Life Keyblade from his back, and as he approached Quint, he left emerald green energy, plants, leaves, bugs, lions, and meerkats with every step.

Timon: Every single time Pumbaa and I intend to enjoy our time catching bugs and seeing the world, you have to show up at every turn with some hairbrained scheme to try and get rich through many of your crimes or start trouble with us, and it always ends badly for you. (SUDDENLY GETTING REALLY AND EXTREMELY MONDO PISSED OFF) But, to now find out that not only you broke out of jail again to start trouble, that was bad enough, but to also find out you made a deal with Gabriel Hargreaves, a member of The Church of Necrom who got killed by that insane Satanic mook, Damian Alaister, for his failures and who'd eventually come back a year later for revenge for what we did to all those other Satanic mooks… , YOU HAVE ABSOLUTELY CROSSED THE LINE FOR THE LAST TIME, YOU BIG, STUPID, MUSCLEBOUND, GREEDY, POWERHUNGRY MOOK, THIS TIME, I'M KICKING YOUR BUTT

HARD AND I'M GOING TO VIOLENTLY BEAT YOU DOWN LIKE THE SNIVELING WORM THAT YOU ARE!

We gasped at Timon's rage: HE'S EXPLODED WITH TRULY DANGEROUS AND FIERY VOLCANIC RAGE, AND THAT VOLCANIC RAGE IS ABOUT TO BE UNLEASHED ON QUINT AND GABRIEL HARGREAVES OF THE DESTROYED CHURCH OF NECROM!

Pumbaa: UH OH!

Simba: (Gulps) This isn't going to end well for Quint.

Lincoln: It isn't, but he brought this on himself for giving into greed and power: lies that Gabriel had promised him, but was also going to double-cross and kill him after he got rid of us. STAND YOUR GROUND, GANG!

Me: HE'S GOING TO BLOW!

We stood our ground, and then, Timon screamed like a madman to the infinite power, and he was surrounded by a massive vortex of emerald green energy with plants, leaves, and bugs surrounding the vortex, there are lions and meerkats running around the vortex, and in the vortex is a coral red phoenix with blood red eyes glaring at Quint and Gabriel Hargreaves: but for Gabriel Hargreaves, they were the eyes of death. Then, as the vortex faded, Timon emerged, but he was changed forever.

Timon grew from 7'0" to 7'9" in height, he now has abnormally massive and powerful upper and lower body muscles and he still retained his eight-pack abs, he has emerald green highlights in the bangs of his long red coral hair that reached the bottom of his neck, he has neon emerald green eyes and an emerald green energy aura with plants, leaves, bugs, lions, and meerkats surrounding him, he has a meerkat and lion with the Nature Kanji held up by their paws emblazoned on his forehead and Third Eye with brown iris, he has on silver meerkat earrings with emerald green gems for eyes and holding the Nature, Xelnaga, and Eternity Kanjis in their paws, he has on his Crystal Necklace of The Buddha with emerald green gems embedded in the gold leaf links and emerald green crystals and emerald green meerkat-shaped Element of Harmony and on the bottom of The Element of Harmony is a lion with emerald green gems for eyes and holding the Nature, Xelnaga, and Eternity Kanjis in its paws for the pendant on his bare chest, and he has a Lion Guard Mark on his left shoulder. Timon has on a coral red version of He Man 2002's loincloth, he has on long white trenchcoat flaps with green leaves and meerkats on the coattails with intense coral red flames coming off them, his large emerald green weighted bands on his large biceps and thighs were now covered in large gold bracers, large green shorts with green leaves on the legs, large gold metal knee high boots with colored gems on them, he now has ten large coral red orbs orbiting around his legs and ten smaller coral red orbs levitating around his waist, and a meerkat, lion, and phoenix surrounded by bugs and leaves on his wider and more muscular back. Suddenly, Timon felt a sharp pain on his now wider and more muscular back, and then, his massive tan angel wings with green tips on the large tan feathers and his tail grew longer for his new body, he has on a Ring of The Phoenix with emerald green gem and heart-shaped gem embedded in it on his right ring finger and Green Lantern Ring finger on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Timon's massive Defender of The Circle of Life Keyblade and all the greatswords and swords he'd gotten began merging together and they're surrounded by a kaleidoscope of emerald green energy, plants, leaves, bugs, lions, and meerkats, and when it emerged, it was transformed into Timon's Circle of Life Hakuna Matata Pridelands Nature Greatsword of Nature Pridelands Justice, it's a brand-new massive greatsword with embedded emerald green gems and the mark of The Lion Guard etched on the 7'3" massive, wide, double-edged tan-colored blade, large lion heads for the crossguard, large angelic faces built into both sides of the hilt and emerald green gems embedded in the foreheads, longer midnight black handle, four large meerkat heads with emerald green gems for eyes and a large lion head with emerald green gem in its mouth on the bottom of the meerkat heads for the pommel, he has on his large gold cuff Bracers of The Champions of The Universe with emerald green gems on his wrists and Dragon Ball Bracelet on the left bracer, his new large gold Belt of Elemental Bravery with a gold meerkat head with emerald green gems for eyes and a large coral red gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's an emerald green kanji right below the three animals that said, "Timon Berkowitz, Adoptive Father of Simba and Adoptive Uncle of Bunga, Friend to Many, Defender of The Pridelands, Bestest Best Friend of Pumbaa, Loving Son of Ma, Loving Nephew of Uncle Max, Member of The Lion Guard, Archenemy of Quint, Destroyer of Scar and All Enemies of The Pridelands, Destroyer of Xehanort, Destroyer of Heidegger of The Shinra Company, Destroyer and Slayer of Evil, Eater of Bugs, Protector of The Circle of Life, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Leaves, Plants, Bugs, Green Fire, and Meerkats"

Timon has transformed into SUPER ANGEL-MEERKAT-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA PRIDELANDS HAKUNA MATATA NATURE BUGSTORM MEERKAT ANGEL OF DIVINE JUNGLE PRIDELANDS NATURE CIRCLE OF LIFE JUSTICE AND DIVINE JUNGLE PRIDELANDS NATURE CIRCLE OF LIFE HOPE!

We were amazed by Timon's Super Angel-Meerkat-Harmony Universal Eternal Celestial Xelnaga transformation, but when Quint saw it, he went pale with fear.

Quint: (Nervously) Uh… , is it too late… to switch sides?

Timon: (Divine Godly Cosmic Voice of The Pridelands Hakuna Matata Meerkat Angel and Divine Jungle Pridelands Nature Circle of

Life Hope) Don't even think you're getting out of it easily, Quint, you still need a good butt-kicking for what you just blabbed out.

Timon went after Quint, and he fired extremely powerful blasts of emerald green energy, leaves, plants, bugs, green fire, lions, and meerkats at the master criminal, and they exploded with incredible power as they hit him, and he slashed at him with his new massive greatsword leaving tears on his outfit. Then, Timon used Prism Rain and he fired colorful blasts of energy which found their target and hit Quint hard, and he fired more colorful blasts of energy which hit Quint again, and he went into a portal that led to The Masters of Evil's HQ.

Timon: (Divine Godly Cosmic Voice of The Pridelands Hakuna Matata Meerkat Angel and Divine Jungle Pridelands Nature Circle of Life Hope) We now have Quint in The Masters of Evil, now let's go take care of that Satanic mook.

Lincoln: Gabriel Hargreaves, you may have cheated your date with death the day Damian Alaister killed you, but now, we're going to fix that and send you to join the rest of your fucked-up friends in The Black Gates forever.

Nicholette Torrington: We'll make sure not a single trace of you remains!

Suddenly, we saw Elemental HERO Woodsman appear before us, and with it are the eight girls.

Nico: Whoa, that's Elemental HERO Woodsman cool!

Jaden: And another of my Elemental HEROS.

Elemental HERO Woodsman: (Girl's voice) Looks like we got here just in time, and I got the girls away from Gabriel Hargreaves before he could kill them as a sacrifice to Necrom.

Lincoln: (Gasps) That voice, Isabella Oakley, I knew that was you.

?: TEAM LOUD PHOENIX STORM!

We then saw our target, Gabriel Hargreaves, the warlock and member of The Church of Necrom who was killed by Damian Alaister in a fit of demonic insanity for his failure to get revenge on Lincoln for what he did to Necrom and came back from the dead a year later and he wants bloody revenge on us for what we did to Damian Alaister and the rest of The Church of Necrom, and he was beyond pissed off big time.

Sylvester: Sore loser.

We cheered as we holstered our weapons and powered down, and Timon's new body, clothes, weapons, jewelry, Third Eye, longer tail, and massive angel wings are permanent.

Lincoln: Say hi to Damian Alaister and the rest of your fucked-up friends when you see them. (To Isabella Oakley) And it's so good to see you again, Isabella Oakley.

Isabella Oakley reverted back to normal, and she's a beautiful girl with long brown hair, red eyes, she was tall at 7'0" in height, she has a really strong and powerful muscular physique and ample breasts, tanned skin, she has massive and beautiful green angel wings, she's dressed in a sleeveless green tank top, green shorts, green knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with earth, plants, leaves, and earth angels on the coattails and on the back is Elemental HERO Woodsman, and holstered on her back is a massive Elemental HERO Woodsman-themed greatsword with embedded green gems and Elemental HERO Woodsman etched on the 7'0" massive, wide, double-edged green blade, large brown phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with green gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large green gem on the bottom of the large white angel heads for the pommel.

Isabella Oakley: You too, Lincoln, it's been a long time.

Lincoln went up to Isabella Oakley and he hugged her, and Isabella Oakley is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Isabella Oakley: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Isabella Oakley, Gene-Slammer of Elemental HERO Woodsman, she's my Guardian Angel from Michigan, she's a very powerful and also a very physically strong athlete who was born with superhuman strength, and she's also a skilled wilderness survival expert. Plus, she's also a seductive and one sexy hot mama who's flirted and made out with me more than once, and she loves me with all her heart and she knows to share me among the other members of my harem and fellow Guardian Angels.

Luna: We almost busted out laughing seeing our bro's face being smooshed by her chest as she was hugging him.

Lori: And she was also kissing him all over the place and he had a love struck look on his face.

Earth: Like how we always make out with him.

Monica Anniston: Exactly, Earth. Isabella Oakley's also a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and

Lincoln many times over when she goes on her massive rage-fueled rampages.

Isabella Oakley: But, we always saw her coming when we see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet.

Me: Yeah, the smell of her sweaty pits tends to make us sick.

Selena Arcangela: But, Isabella and the other Elemental HEROS of Earth along with Lincoln had more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents.

Nico: Dang, and is she really that strong, Lincoln?!

Lincoln summons a 900,000,000,000,000,000-lb barbell, and Isabella Oakley lifted it with one hand and we saw just how strong she really is, and my jaw and Nico's hit the floor.

Qin: (Whistles) Damn, and I thought many of our friends were that strong, but whoa!

Isabella Oakley: And you're going to hear how Linky and I took that animal, Lynn, down when she was on another rampage again. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Isabella?

Isabella Oakley: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Isabella Oakley: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Isabella Oakley, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Isabella Oakley: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Isabella Oakley's neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Isabella Oakley: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Isabella Oakley.

Isabella Oakley had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw who they were, he immediately recognized them. The eight girls are Marianna Priscilla, Rinze Himeragi, Nagisa Misaki, Mahiro Naruse, Miu Sagara, and Riko Sorimachi from Reco Love, Perrine Paindavoine from The Story of Perrine, and Becky from Princess Sara.

Lincoln: Oh wow, it's Marianna Priscilla, Rinze Himeragi, Nagisa Misaki, Mahiro Naruse, Miu Sagara, and Riko Sorimachi from Reco

Love, Perrine Paindavoine from The Story of Perrine, and Becky from Princess Sara.

Nicole Whoa, awesome.

Sara Crewe: (Gasps) Becky's here, oh dear, I'm so glad she's okay.

Lincoln: Isabella got to them before Gabriel tried to kill them as a sacrifice to the since dead and since forgotten Necrom. And are you girls okay?

Marianna Priscilla: Yes, we're okay, thanks to you.

Then, when Marianna Priscilla and the other seven girls saw who it was that saved them from Gabriel Hargreaves, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many

Marianna Priscilla: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Marianna Priscilla: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Marianna Priscilla, Rinze Himeragi, Nagisa Misaki, Mahiro Naruse, Miu Sagara, Riko Sorimachi Reco Love, Perrine Paindavoine, and Becky with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villains we went after were Timon and Pumbaa's old enemy, career criminal Quint who busted out of jail, that wild animal Lucas Greyson who got free from his prison again, and finally Gabriel Hargreaves, the warlock and member of The Church of Necrom who was killed by Damian Alaister in a fit of demonic insanity for his failure to get revenge on Lincoln for what he did to Necrom and came back from the dead a year later and he wants bloody revenge on us for what we did to Damian Alaister and the rest of The Church of Necrom.

But, when Lincoln showed what happened such as Lincoln letting Lucas Greyson punch his body with all his might and strength only to wear himself down and when he threw one last punch to Lincoln's chest, that caused Lincoln to start absorbing him into his body and after he absorbed him, he sent his spirit to The Black Gates forever and Timon transforming into his Super Angel-Meerkat-Harmony Universal Eternal Celestial Xelnaga form and beating the daylights out of Quint after finding out he made a deal with Gabriel Hargreaves to kill us in exchange for money and power, but that was a lie since Gabriel was going to kill him, and finally, all of us giving Gabriel Hargreaves the massive beatdown of his life and Lincoln destroying him with a Negative Karma Ball and sending him to The Black Gates forever, everyone cheered and ran up to us and hugged us and Lincoln's harem kissed Lincoln all over. Lincoln and Isabella Oakley have a lot of catching up to do now that she's back in town.

Maria: Oh man, so you guys had a case of Triple Trouble on this rescue.

Lincoln: Yep, not only did we have to take down Quint and destroy Gabriel Hargreaves, but that wild animal, Lucas Greyson, busted out of his cage again, and came back for more. But, we took them all down one at a time.

Nico: With Lincoln letting that animal beat his body like crazy but it wore him down, and then, he threw one last punch into Lincoln's chest, but it would be fatal as it not only phased through him, but Lincoln began absorbing him into his body and after he absorbed him, he sent him to The Black Gates for good, and Timon transformed and beat the stuffing out of Quint and sent him to Vypra, and finally, we destroyed Gabriel Hargreaves and sent him to join Damian Alaister and the rest of his fucked-up friends in The Black Gates forever.

Me: Not a bad three-for-one rescue.

William: You got that right.

Quint was made a member of The Masters of Evil, and not only did we get rid of that wild animal, Lucas Greyson, but we finally destroyed Gabriel Hargreaves, the warlock and member of The Church of Necrom who got killed by Damian Alaister in a fit of demonic insanity for his failure to get revenge on Lincoln for what he did to Necrom last year and came back from the dead a year later and wanted bloody revenge on us for what we did to Damian Alaister and the rest of The Church of Necrom. Now, we were finally rid of The Church of Necrom for good, and they're never going to hurt anyone ever again.

---

After taking down Quint and sending him to Vypra and destroying that wild animal, Lucas Greyson, and Gabriel Hargreaves, the resurrected warlock and member of The Church of Necrom who cheated death when he was killed by Damian Alaister a year ago and came back a year later for revenge on us, and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Isabella Oakley saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Isabella Oakley: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Isabella, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Isabella Oakley: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Isabella Oakley: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Isabella, what's the story on how you and Lincoln took down Lynn whenever she goes on her massive rage-fueled rampages?

Isabella Oakley: That's something I'll never forget, and I got a video to show the story.

Isabella Oakley pulled up the video as it played on the big screen. There we see Isabella Oakley and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and Isabella Oakley was doing the same routine as Lincoln. Suddenly, they heard a loud thunderous belch in the air.

BBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUURRRRRRRRRR

Past Selene Emperyous: What the heck was that?!

Then, they caught the stench of sweaty armpits and smelly feet, and there was only one person who could make that loud thunderous belch and have the stench of sweaty armpits and smelly feet.

Past Laney Emperyous: Oh no.

Past Isabella Oakley: It's Lynn, she's here, I can smell her sweaty armpits and smelly feet from a mile away. Ugh, she smells like a week old gym bag!

Past Lincoln: Everyone, get ready!

Lincoln and his Guardian Angels stood ready, and then, the doors burst open, and there stood Lynn with red eyes and her mouth was foaming. Then, Lynn roared and she charged at Lincoln and Isabella Oakley, but Isabella Oakley punched Lynn hard in the face and sent her flying out of the gym, and they all followed. Lynn got up and she roared and beat her chest like a gorilla.

Past Lincoln: Come on, Isabella, let's get her!

Lincoln and Isabella Oakley went after Lynn, and they proceed to beat her into the ground and they showed her no mercy whatsoever. Then, Lincoln knocked Lynn out with a knockout punch, and then, he tied her up in red energy ropes so she couldn't escape, and Isabella Oakley ran up to Lincoln and they kissed, as the video ends and we cheered.

Maria: Damn, Lynn, you always wanted to start trouble with your bro, but you should've known you were in for a brutal beatdown.

Lincoln: Lynn's Dark Side made her completely hard-headed, she may be strong, but Isabella and I were stronger, and we knew how to wrangle her in.

Isabella Oakley: And I was shocked to find out it was Principal Huggins' Dark Side that did this and turned Lori, Lynn, Lola, Lisa, and Luan into outright monsters.

Lincoln: He's recovered greatly, but, we also found out the one person that's responsible for turning Principal Huggins into the very jerk who wanted me dead was Chase Young.

Isabella Oakley: WHAT?!

Anna Anyanova: It's true, Isabella, Chase Young was the one responsible for turning Principal Huggins into the killjoy jerk we hated and who also gave him that Dark Side Creation Serum that turned Lori, Lynn, Lola, Lisa, and Luan into the outright monsters we pulverized, he was the true source of all of Lincoln's pain and suffering, along with what he did to Sebastian. We separated Chase Young from his dark side, and we made him pay for 1,500 years of evil and we sent him to The Black Gates.

Isabella Oakley: Good, he was scum!

We got a shower, and then, Lincoln, Alisa Barela, Phoebe Powers, Blanca Guzman A.K.A. La Tormenta, and Bobbie Fletcher are heading to Seaside Hill.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Alisa Barela, Phoebe Powers, Blanca Guzman A.K.A. La Tormenta, and Bobbie Fletcher were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Alisa Barela, Phoebe Powers, and La Tormenta fell in with Lincoln after Carlota and Ronnie Anne introduced them to Lincoln, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Michaela Maddison has sent some thugs to kill them.

Alisa Barela: Whoa, so our first date's here in Seaside Hill, nice.

Lincoln: I knew that you, Bobbie Fletcher, La Tormenta, and Phoebe Powers would love it, Alisa, and it's perfect for our first date. Shall we?

Lincoln, Alisa Barela, Phoebe Powers, Blanca Guzman A.K.A. La Tormenta, and Bobbie Fletcher dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Alisa Barela, Phoebe Powers, Blanca Guzman A.K.A. La Tormenta, and Bobbie Fletcher got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Michaela Maddison's hired thugs coming after them and Lincoln fired blasts of blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Alisa Barela, Phoebe Powers, Blanca Guzman A.K.A. La Tormenta, and Bobbie Fletcher, and they hugged the girls in their abnormally massive and powerful muscular arms, and Alisa Barela, Phoebe Powers, Blanca Guzman A.K.A. La Tormenta, and Bobbie Fletcher placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Seaside Hill, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alisa Barela, Phoebe Powers, and Blanca Guzman A.K.A. La Tormenta with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Alisa Barela, Phoebe Powers, and La Tormenta are now in your harem.

Nico: We already saw Bobbie Fletcher get her Elemental

Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love after the race around the world, and now, Alisa Barela, Phoebe Powers, and La Tormenta are now part of his harem.

Ronnie Anne: Thank Carlota and I for arranging the meetings. Plus, they're also glad Sergio got his just desserts thanks to our trial.

Jenna: Flip has got some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Lincoln: And we also had a run-in with Michaela Maddison's hired thugs, but I killed them all, and this is going to piss her off in 3… 2… 1!

Suddenly, we heard Michaela Maddison scream with extreme hatred and rage.

Maria: Yeah, up yours, bitch!

Nico: Serves her right, but she'll get hers later on today.

---

Later Jason and Nicole were getting ready for something.

Seras Victoria: Where are you going, Jason?

Jason: Me and Nicole are gonna participate in a video game competition.

Me: Awesome!

Nicole: Yep. It's an awesome video game tournament at the Arcade. And as Goddess of Video Gaming, I can't resist a good challenge at one.

Qin: Awesome!

Nico: Lets go then.

We went down to the planet and went to the Arcade.

We arrived at the Arcade.

Nico: Here it is.

Me: Yep.

We went in and saw many contestants.

Me: Wow lots of people here.

Qin: Yeah.

Nicole: Okay here goes. (CRACKS KNUCKLES) The Goddess has come.

Jason: Lets do it.

They got to playing.

Nicole was playing three awesome games at the same time. She was playing Time Crisis, Street Fighter and Primal Rage all at the same time.

Qin: Whoa look at Nicole go!

Rainbow Dash: Boy she is awesome!

Camie: Yeah!

Trini: I'm proud of Jason for trying new things.

Me: We all are.

Jason was playing Top Gun!

Nico: Oh yeah!

Nicole did so well on those games that they melted into slop!

Nicole: Goddess of Video Gaming 10. Video Games 0.

Qin: Nice!

Victoria (MLP): Hey, look at that kid over there.

We saw a kid playing one of the toughest ever games: The X-Men Arcade Game.

Me: Boy I haven't played the X-Men Arcade game in like forever.

Qin: Yeah.

Me: Wait a second.

I looked at the kid playing it.

Me: (In my head) I remember him. That's Kisuke Takahashi. He wants to be a great arcade master.

Nicole: Lets see if he can face me.

Jason: This will be good.

Poromon: This is getting exciting!

Nicole was outclassing Kisuke.

Nico: She sure is.

Princess Anita: How is Nicole so good at these games?

Me: Nicole is called the Goddess of Video Gaming. When she was a little girl I took her to the arcade and she dominated every video game there is. And with intense training and hard work she beat all three of the toughest video games ever at the same time: Sugar Rush, Wreck It Ralph and Hero's Duty. She got the title Goddess of Video Gaming as a result and no one has ever even come close to beating her.

Lily: Yeah it's true. Nicole took a few of us under her wing to learn how to be like her.

Princess Anita: That is so awesome.

Camie: It sure is.

Poromon: Hey, Jason's beating him as well.

Nico: He sure is.

Kimberly: Go Jason!

Qin: Yeah!

Nicole and Jason beat him and the games were turned to scrap metal!

Nicole: How is that?

Jason: Not bad!

Nico: Boy when it comes to playing games Nicole is unstoppable!

Me: You got that right.

Qin: People better think twice before challenging Nicole.

Kisuke Takahashi: No! Nicole Knudson I can understand! (to Jason) But how can you of all people beat me? You're a martial artist!

Jason: Hey, calm down. You win some, you lose some.

Shaggy: (LAUGHS) Like Kisuke reminds me of Chrissy.

Me: Boy she was really sore at Scooby for losing to him.

Nico: Scooby was that good at video games too?

Me: Yep. Always made Chrissy look like a chump.

Kisuke Takahashi: BE QUIET! You should not have been able to beat me. But now, I'm going to make you regret it!

Me: Uh oh! Hitotsuki incoming!

With that, he was surrounded by an energy circle with the Zyuranger logo and turned into Kyoryuki from episode 16 of Donbrothers!

---

A gamer on a Twitch-like livestream struggles to play an action RPG game, desiring to beat the area he is in and win the game. He fails as his character loses all their HP and the viewers bully him in the chat about how bad a player he is. Humiliated and angry, this triggers his transformation into Kyoryuki. As people flee from his rampage, Kyoryuki fires a beam that dissolves several of them as Tsubasa arrives on the scene and changes into Inu Brother. He throws his shuriken and manipulated its movements with the DonBlaster, landing several direct hits.

Kyoryuki flees and Jiro gets in the way when Tsubasa tries to pursue. Then, Don Momotaro appears and tries to engage Kyoryuki, but Sonoi appears to challenge him to a fight. He prepares to rush at Taro, but the latter disengages his transformation and Sonoi stops just as his blade reaches Taro's neck. Taro says that he wants to talk first.

The next morning, Kyoryuki is attacking the city again and Don Momotaro faces him alone only for the battle to be interrupted by Jiro. Jiro and Taro had a big fight, until Haruka snapped him out of it. Afterwards, Kyoryuki attacks again, Jiro thinks the Hitotsuki did something to him to blank his memories. He becomes Don Doragoku, uses his Dragon Alter form and finishes off Kyoryuki with the Lightning Dragon Flash attack.

Kyoryuki becomes Kyoryuking and the core Donbrothers become Don Onitaijin. A motivated Tsuyoshi shows confidence in battle and landed several strikes with the Pheasant Swords as the others work in sync. Taro says he is impressed with how everyone is improving, with Shinichi shocked the team was given more praise while Haruka begs to be praised again. Taro refuses as praise should be only given once, Don Onitaijin knocks down Kyoryuking with a kick and is defeated by the Donbros Paradise attack. The purified Zyuranger Avataro Gear falls out and lands in Don Doragoku's hand, transforming into the Dragon Ranger Avataro Gear upon him touching it. Jiro is excited to have obtained an Avataro Gear of his own.

* * *

We gasped!

Me: Kyoryuki I knew it!

Qin: Uh oh! The Zyuranger Hitotsuki!

Me: And I remember this guy too! Kisuke was pissed off that he was losing a video game he liked and wanted to win it at any cost!

Qin: Oh man!

Nicole: Not good! But wait lets go outside and face you. Too cramped in here.

Kyoryuki: You're right.

We went outside.

Me: Much better.

Nicole: Time for some buttkicking!

Kyoryuki: I have… to clear it… Clear it!

He unleashed a Howling Beam at Jason but he dodged. A few civilians weren't so lucky as it made them disappear.

I snapped my fingers and brought them back.

Me: Come on guys!

Qin: Lets get him!

Nico: TAKE THAT!

Qin: Nice one!

Lincoln: That was clever!

Me: Now lets see here. I know! (ACTIVATES GASHAT)

INTERSTELLAR CRISIS OF METROIDS!

I fired waves of Wave, Ice, Plasma, Dark, Light, Annihilator, Phazon and Energy and blasted Kyoryuki all over!

Nico: YEAH!

Samus: That was awesome J.D.

Me: Thanks.

Demolishor: That's far enough!

Kyoryuki emitted a sonic shockwave to blow away Demolishor.

But it didn't effect him.

Demolishor: Nice try bub.

He fired waves of energy lasers and blasted him all over.

Qin: Take that!

Nicole: Top this one!

She summoned Sphere Doomer EX's and they fired waves of fire, lightning, ice and darkness and blasted him all over!

Nico activated it.

BOSS RUSH OF KIRBY!

He summoned all the Bosses of Kirby from over the last 32 years and they blasted and smashed Kyoryuki all over.

But then Kyoryuki yelped in pain as we saw a Maractus slap him on his butt!

Me: Whoa a Maractus!

Qin: Cool!

Maractus: (In a girls voice) You like that!?

She slapped him all over and he was screaming in pain from all the needles in him!

OUCH!

Nico: Game over for you buddy!

Lyra: WHIRLWIND SPIN!

The 6-Star Dragonball on Lyra's bracelet glowed.

Kisuke: They sure are.

Nico: Yep.

Carmen reverted back and she was a girl with green hair and had green eyes and had pink clothes and a tattoo on her arm for the kanji for Desert Flower. 砂漠の花

Carmen Starbeam: That was awesome to see that!

Swerve: What's your favorite memory of Nico?

Carmen Starbeam: My favorite is when me and Nico were on the football field practicing soccer and we saw the cheerleading squad and I put cactus's in their underwear and they were screaming and crying in pain from it.

Qin: Oh yeah! Those jerks had it coming. They were in a lot of pain.

Lola: OUCH!

Me: Yikes! That must've hurt.

Kisuke: No kidding!

Nico: Yeah.

Nico and Carmen hugged.

Nico: I've really missed you.

Carmen Starbeam: Me too Nico. Me too.

Nico: Okay.

I did so.

Blaster Tron: Kyoryuki eliminated.

Nico: Awesome!

We went back to the estate and got ready for our next mission.

The previous group came.

Deadwood: Can me, Titanium Man, Trumbipular, Magneto, Kyd Wykkyd, Misty Tredwell, Killer Croc, Toad, Kerbero Gangan, and Samon Shakekisutanchin go with you guys?

Nico: Yes you all can come with.

Lola: This will be awesome.

Paragus: Nico, which Gene Slammers do you think you'll meet next?

Nico: Crustle, Scrafty and Sigilyph.

Me: Ooh! Those will be cool.

Qin: Yep.

Suddenly, Lincoln had gotten a message on his wrist computer on his left large gold Bracer of The Champions of The Universe, and so did we: it was a call for help. Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was General Hemmer, the main antagonist of the 2007 computer-animated sci-fi film Battle for Terra.

Nico: Lincoln, what's wrong?

Lincoln: I think I know who sent that message for help, it was The Terrarians.

Nicole: From the 2007 film Battle for Terra.

Lincoln: Then, that means, the person we're going to face is none other than General Hemmer, he's going to destroy The Terrarians and use The Terraformer on their planet. We got to stop him before he wipes out the entire Terrarian species.

Me: And we will, Lincoln. I'm not letting that genocidal commander of The Ark get away with this.

Nico: Me neither, J.D. He's beyond the laws of man, and I don't think even a Court Martial will be able to stop him dead in his tracks. He'll just keep on trying to destroy The Terrarians, no, we need to put a permanent stop to him here and now.

Lincoln: Let's load up on weapons and get to The Valorous Phoenix, we got a genocidal commander to put down.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Michaela Maddison of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Michaela Maddison of The

Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Christina: While you and I deal with Michaela Maddison and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Michaela Maddison will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, we got to head for the planet, Terra, and protect The Terrarians.

Lincoln: We won't let any of them die, we'll put a stop to General Hemmer and stop his plans dead in their tracks, and once we get done taking down General Hemmer, you're next, Michaela Maddison.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Christina: No way are we forgiving you for any of your actions, Michaela Maddison, you better be ready to pay the price for your foul misdeeds.

Nico: Yep. First we'll watch the movie and then we'll get ready.

Qin: I love the movie Battle For Terra.

Lola: This will be fun.

Trumbipular: I'm eating peanuts instead of popcorn.

Me: Okay.

We got to watching the movie.

---

Mala and her friend Senn are young creatures of an alien race that inhabits Terra, a peaceful, near Earth-like planet that is part of a star system in the Milky Way galaxy and has a rich and advanced culture.

One day, a large, mysterious object partially blocks the Terrian sun, piquing the Terrians' interest. Mala, who is inventive and headstrong, goes against the Terrian rules that ban the development of new technologies without the approval of the ruling council and creates a telescope. She takes it outside the city and uses it to view the object. A lot of recon ships emerge from the large object, come down to the city and start abducting Terrians. Some willingly offer themselves to the spaceships mistaking them as their new "gods".

After Mala's father, Roven, is abducted, she lures a ship into a trap, causing it to crash. She saves the pilot, a human named Lieutenant James "Jim" Stanton. After his personal robot assistant, Giddy, warns Mala that Jim will die without oxygen absent on the planet, she scavenges suitable plants and creates a tent in which Jim can breathe. In exchange, Giddy teaches her human language. Jim awakes and finds out his ship is damaged beyond repair. Giddy tells Mala why the humans have come: centuries beforehand, both Mars and Venus were terraformed and colonized by humans for their natural resources. 200 years later, the planets demanded independence from Earth, to no avail. This dispute escalated into a violent interplanetary war that rendered all three planets uninhabitable. The mysterious object in the sky is The Ark, a generation ship containing the remnants of the human race, traveling for several generations in search for a new home. They arrived at Terra, and gave it its name. Mala agrees to fix Jim's ship, so she can go with him to save Roven. When Mala, Jim, and Giddy return to the crash site, they discover the ship has been moved.

The trio tracks the ship to a secret underground military facility where the elders and Doron, the leader of the council, secretly retain the military technology from prior conflicts. After infiltrating the facility and fixing the ship, they fly to the Ark. In it, the commander of the human army, General Hemmer, takes over the Ark in a coup, and declares war on Terra. Mala finds Roven, but gets detected. A fight with the guards starts, in which she gets captured and Roven, while trying to keep the humans away from him with a laser, unintentionally causes a decompression that kills him and the men. Hemmer tells Jim his goal is to turn Terra into a new Earth. He will drop the Terraformer, a huge machine capable of creating an Earth-like atmosphere onto the planet's surface, annihilating the Terrians in the process. To test his loyalty, Hemmer creates a scenario in which Jim has to choose between killing Mala or his younger brother Stewart. Jim saves Stewart, while discreetly ordering Giddy to rescue Mala by breaking the glass. Hemmer orders Jim to join the space-fighters in charge of defending the Terraformer, while he personally supervises the mission within the machine.

Doron and the Terrian elders allow Terrians to defend their planet with their stockpile of military tech, but are hopelessly outnumbered with an unexpectedly large amount of opposing fighters. The humans drop the Terraformer onto the surface and it begins to poison the planet with oxygen. As the machine is close to completing its objective, Jim finds Mala fighting Stewart, and realized the immoral decision in killing the Terrians. He destroys the Terraformer with missiles while enduring flak fire. The ensuing explosion kills Jim as it consumes his damaged fighter. Mala, Giddy and Stewart steer away from the fireball and barely survive the fight. The Terraformer's scorched skeleton collapses, leaving only one leg standing in its wake.

After the Terraformer's destruction and Hemmer's death, humans and Terrians agree to live in peace. Having abandoned the Ark, they establish a colony on the planet, where a statue of Jim is erected in honor of his heroic actions.

---

We were in awe and amazed.

When it was done we cheered wildly!

Qin: SO AWESOME!

Xenia: That was amazing!

Camie: Yeah it is!

Nico: It sure was awesome!

Qin: Does it say what year the movie takes place in?

Me: It doesn't really say what year the movie takes place in specifically. But one thing is for certain, we're not going to let the people of Terra be wiped out like that.

Nico: That is for sure.

Kyd Wykkyd: Let's get going.

Nico: Lisa deploy the U.S.S. Valorous Phoenix!

We got ready and Lincoln put up a rainbow energy field around The World Tree Estate and we loaded up The Valorous Phoenix and we took off for the planet Terra to stop General Hemmer and kill Michaela Maddison of The Legion of The Lincoln Haters.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7812.3: The U.S.S. is en route to the planet Terra located 865 light years from Earth. Our mission is to help Mala and Senn make sure that General Hammer doesn't take over Terra and help the humans and Terranians live together in peace.

Burst Man: How far are we?

Nico: We should be just about there.

Qin: So our primary target is General Hemmer. What can you tell us about him?

Me: Well he is not a nice guy.

I went over his history.

---

General Hemmer is the main antagonist of the 2007 computer-animated sci-fi film Battle for Terra. He is the commanding officer of the Ark.

He was voiced by Brian Cox, who also portrayed Hannibal Lecktor in Manhunter, Ward Abbott in the Jason Bourne franchise, Dark Yabu in Vexx, Agamemnon in Troy, Killearn in Rob Roy, Conrad in Bob the Builder, Logan Roy in Succession, Scolar Visari in Killzone, Pariah Dark in Danny Phantom, Kostas Becker in The Simpsons, Lionel Starkweather in Manhunt, Mr. Kreeg in Trick'rTreat, Hermann Goering in Nuremberg, and William Stryker in X2: X-Men United.

Hemmer, along with all the other humans living on a massive spaceship called the Ark, is looking for a new planet to colonize after a war between the colonies on the planets of Earth, Venus, and Mars lead to the destruction of all three planets. With the ship only having two months left of oxygen, Hemmer is tired of spending his whole life on the Ark and proposes a plan to forcefully colonize a new planet, regardless of what life already exists on the planet. The Ark would eventually find Terra, a near Earth-like planet that the humans plan to terraform.

Hemmer was first seen on the Ark arguing with President Chen and the council about the rising conflicts between the humans and the Terrians of Terra and proposes war on the aliens. When the council places his commotions under vote, Hemmer feels angered and tells Jim and Stewart Stanton he plans to take his own hands into matter should the tension rise any further. Jim tries to reason with his official by saying that the Terrians are not as evil as Hemmer believes them to be and that the Terrians have somehow managed to move on from beyond their brutal war-like pasts. Hemmer simply demands if the Terrians can still fight and when Jim reluctantly states affirmative, he bluntly responds that at least they can die honorably.

Meanwhile, Mala, a Terrian that Jim befriended after she saved his life from the planet's poisonous atmosphere, sneaks on-board the Ark in search for her father Roven, who was one of the many Terrians captured for scientific research. When she is spotted, Roven sacrifices his life to save his daughter and blasts an airlock open, killing him and two human scientists in the process.

Hemmer uses the camera recording of Roven's act to persuade to the council that the Terrians are murderous and plan to destroy their invaders. To make sure the council won't stand in his way, he takes power over the civilian leaders in a coup, and declares war on Terra, citing the deteriorating condition of the Ark.

After becoming the commander of the Ark, Hemmer describes to Jim his plan to place a massive Terraformer onto the surface of Terra and use it to convert the planet's atmosphere into an Earth-like habitat by releasing a massive amount of oxygen. This will result in wiping out the Terrians as oxygen is toxic to them. He then throws Mala and Stewart into a test chamber, showing the differences between the Terrain air and Earth air, despite Jim's pleads to spare their lives. Hemmer offers Jim to push a button that will revert the air to save Mala, at the cost of Stewart asphyxiating. Before Mala suffocates to death, Jim orders his robot partner Giddy to break the glass and rescue Mala.

While Jim and Stewart are recovering from their injuries, Hemmer enters the room and recruits Jim to be in the first group of space-fighters designated to defend the Terraformer from the Terrians, while Hemmer will supervise the terraforming process from inside the Terraformer itself.

A massive battle between the Terrians and the invading humans takes place over the terraforming of Terra from the Terraformer.

When it appears the Terrians are about to lose the battle, Jim sees the suffocating Terrians and realizes that annihilating all of the inhabitants is morally wrong (and by seeing Mala and Stewart fighting each other, after the latter take down Mala's friend Senn, who was part of Terrian resistance). He decides to turn his ship towards the Terraformer machine and, with his laser cannons blazing, fires every missile from his ship towards the command module.

Everyone in the Terraformer evacuates, but Hemmer watches in horror as he realizes the soldier he trained as a son has betrayed him. The missiles destroy the Terraformer, killing Hemmer. Unfortunately, Jim is killed in the resulting explosion and is honored as a hero by both the humans and Terrians.

---

When I was done everyone was shocked!

Eli: He is a monster!

Xenia: He sure is!

Lola: Someone like Hemmer deserves the black gates!

Nico: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that it was an Earth Planet with rings like those of Saturn.

Qin: Wow!

Nico: It's beautiful.

We landed and we were right outside a colony in an oxygen dome for humans.

Me: Landed.

Toad: Everyone out!

We went outside.

Me: Wow!

We smelled the air and the Atmospheric Composition was completely different from ours.

Me: The air feels really different.

Nico: It sure does.

Eli: But how in the worlds were humans able to live here like this?

Me: Special equipment and plants that provide us with oxygen.

Mala and Senn came.

Mala: Team Loud Phoenix Storm. It's an honor.

Me: Same to you Mala. Sorry to come in like this. We actually come in peace to help you all out.

Samon Shakekisutanchin: You guys being peaceful is good. But how's that gonna work out for you if someone like Wertz tries gunning for you guys?

Mala: Who is Wertz?

Me: Don't ask.

Qin: Yeah.

Nico: He's not our primary target though. Hemmer is. Lets focus on him.

Samon: Sorry.

Mala: I take it you know what happened to Jim here.

Me: We sure do. He is a true hero.

Giganta: He didn't deserve to go out like that.

Nico: No he didn't. But he did it to save you all.

Senn: He sure did.

Qin: Yeah. Sorry you guys had to go through such a horrible battle like that.

Neytiri: It's like what happened on my home planet.

Me: It sure is.

Nico: It's like history is about to repeat itself.

Qin: We can't let that happen.

Xenia: Yeah that is awful.

Senn: So, where is your base located?

Kerbero Gangan: In North America.

Me: It's complicated for you.

Mala: Really?

I showed her a hologram of Earth.

Me: This is Earth. We are 865 light-years from here. See that huge tree there?

I pointed to our tree.

Mala: Wow! That is where you live?

Me: Yep.

Camie: It's awesome.

Long John Silver: May we see Jim's grave?

Senn: It's actually that statue in the dome.

We saw it.

Me: He's right on that.

Nico: That statue will always be a big memorial for here.

Qin: It sure will.

Missy Rodgers: That it will be.

Camie: Yeah.

Killer Croc: A moment of silence for him then.

We took off our hats and put our hands on our chests and had a moment of silence for him.

Later it was done.

Me: He will never be forgotten though.

Nico: Yeah.

Energon Scorponok: All we can do is honor his sacrifice.

Qin: Yeah.

Me: And stop Hemmer.

Mala: That is for sure.

Qin: We're ready for him though.

Misty Tredwell: How far is he?

Eli: (concentrates) Lets see.

Lola: Hmm.

Eli: Found him! On that formation there. Heading towards the dome.

He was pointing to the northwest.

Grenade Man: I got plenty of grenades.

Me: We'll need them too.

Qin: Yep.

Nico: Lets head out and face him.

Mala: We will gladly help you out.

Nico: Thank you Mala.

Lola: After this is done we'll put you guys into our protection so that what happened with Hemmer never happens again.

Notacon: If that's okay with you guys.

Mala: Absolutely.

Senn: We would like that.

Me: And we'll look after all of you to keep you all safe.

Mala: Thank you. All of you.

Magneto: Think nothing of it.

Nico: Lets get to work then.

Qin: Yeah.

Nico: Lets get to work.

We were off.

We flew and saw him.

Me: Target sighted.

Sunny Tennyson: Entrance time!

Nico: Lets go.

We went at him and Hemmer was almost to the Dome.

But then the spirits of the people of Terra came and they swirled around him and converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and we came out.

Me: Not so fast Hemmer!

Nico: Just where do you think you're going?

Hemmer: Who are all of you?

Me: You're worst nightmare!

Titanium Man: How would you like to be killed by missiles again?

Me: Or by us blasting your face into oblivion?

Hemmer: I just want revenge!

Me: Wrong answer bub.

Lola: Yeah! This was never your planet!

Then Vreedle Brothers, Cargill, Krusty, Pete, Kalin, Private HIVE, Control Freak, Abis Mal, Wiggum, and Chalmers came.

Krusty: Hey hey kiddies! (GOOFY LAUGHTER)

Nico: Vreedle Brothers, Cargill, Krusty, Pete, Kalin, Private HIVE, Control Freak, Abis Mal, Wiggum, and Chalmers.

Krusty: Did you guys like yesterday's Itchy and Scratchy?

Maria: Of course we did.

Octagon: Glad to hear it.

Me: It was awesome!

Cargill: We liked it too.

Pete: (to Nico) We heard you went to a sky world.

Nico: We sure did.

Kalin: What was it called?

Me: It was a kingdom called Avius. It's an awesome story from my past.

Qin: Yeah.

?: That will be interesting to hear about.

Then a figure came out and it was ABOMINUS from the Power Rangers Lightspeed Rescue Video Game!

Me: Abominus! I remember you!

Carter: You're the bad guy that appeared in our video game.

Abominus: That was an awesome game though.

William: Too bad you only appeared in the video game.

Abominus: I know, right? I could've made it very cold for the Rangers.

Me: Yeah you sure would.

We got the battles underway.

Applejack, Woody Woodpecker, Nikki, Madison, Yue, Keroberos, Apple Bloom, Earth Skylanders, Blaster Tron and Sasha VS The Vreedle Brothers, Buzz Buzzard, Great Boma Emperor Lagorn, Twist Boma, Centipedenoid, and Centipede Orphnoch - Nico's rescue in saving Princess Anita

The Vreedle Brothers were first.

Rhomboid: (to Applejack) Nico's rescue involved saving Princess Anita. I hope that Duncan jerk got blown up real good.

Applejack: He got skewered through his heart by Deker and we cut off his wings as proof.

Woody Woodpecker: Then we banished him to the Black Gates.

Nikki: It was so amazing to see!

Madison: It sure was and we were amazed to learn that this was a princess that J.D. saved years ago before. It was so awesome.

Yue: Indeed it was. We all thought it was good.

Keroberos: It sure was awesome and cool.

Apple Bloom: Boy it sure was! And Princess Anita's wings are absolutely beautiful.

Flashwing: They sure are and they are as prismatic as a beautiful rainbow.

Octagon: Boy they sure are!

Rhomboid: J.D. knows a really awesome friend there. Lets do it!

Applejack and group used fusions for Timaeus and the Dark Magicians and their rider cards and they formed new dragons and weapons and they fired waves of earth, rock, mud, boulders, lava and crystal and apples and smashed them down.

---

Cargill was next.

Cargill: (to Girl Jordan) You, Nico, Ruby's team, Deker's team, and the others did good Battling Another Mephos and Another Black Knight of Merlin. And Another Deker as well

Girl Jordan: We sure did and it was really amazing! We found out that the Another Mephos was a gene-slammer for Whirlwind's kind from Skylands, the Another Black Knight was really Sir George's beloved Lady Sabra who lived for over 1,700 years to find him.

Cargill: WOW! That is amazing!

Girl Jordan: It was! But the biggest shocker was the Another Deker! We found out that she was Melanie Saki, the daughter of Oroku Saki the Shredder!

They gasped!

Steelbeak: Are you serious!?

Girl Jordan: I'm not joking! She found a cursed sword that belonged to him and it possessed her mind with his evil! She killed over 42,000 lowly criminals because of it!

Cargill: That's awful!

Max Gibson: Yeah that was awful! We found out that she was the polar opposite of her so-called father.

Misty: It turned her into him against her will.

Lana (Pokemon) Yeah that was horrible!

Dawn: But J.D. destroyed him and banished him to the black gates for good!

Serena: Yeah but I have this feeling we're going to destroy Tengu Shredder sometime in the future.

Rarity: I do too darlings. What the Shredder did was horrible!

Sweetie Belle: No kidding! The Turtle Brothers worked really hard to bring him down and now we're going to do so again.

Gill Grunt: Yeah no kidding!

Cargill: Is Melanie okay?

Girl Jordan: She is but that curse took a lot out of her. The Sword was destroyed and she is in our infirmary resting up.

Cargill: I'm glad she is okay. We're going to have one helluva battle on our hands. But at least Oroku Saki is gone forever. Lets do it!

Girl Jordan and her group used fusions for Critias and the Crystal Rods MTG Cards and their rider cards and got new dragons and weapons and they fired waves of water, ice and jewels and smashed them down.

Donald Duck: Yeah he sure is!

Xion: That was so awesome and Timon took down that Mook.

Mickey: That was really awesome to see.

Ventus: It sure was.

Terra: Thank goodness Lana didn't eat any bugs this time.

Sunset Shimmer: No that would not be a good thing.

Pipsqueak: (British Accent) Yeah no kidding.

Sunburn: And you know how much Lana loves to eat bugs like Timon and Pumbaa.

They laughed.

Krusty: (LAUGHS) That is true! Shall we get this on? (LAUGHS GOOFILY)

Jackie and team used fusions for Hermos and the Volcanic monosters and their rider cards and got new weapons and they fired waves of fire and smashed them down.

Penny: Her name is Isabella Oakley and she is an awesome master of nature and plants.

Viper: She sure is and her story is as amazing as the other Earth Elemental HERO Gene-slammers.

Joe Kido: It sure is and we're amazed that she brought down Lynn back then.

We fired black energy blasts which hit General Hemmer, and he was sent to The Black Gates for his crimes, and The Terraformer was confiscated and put into our ship.

Lincoln: Your campaign to destroy The Terrarians and terraform their planet through artificial means are over, General Hemmer.

Nico: We've shown that humans and Terrarians can live in peace, but you, you don't deserve to live in that world because of what you did. Awesome job, gang.

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Michaela Maddison.

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Mylah Palmer.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Michaela Maddison of The Legion of The Lincoln-Haters, but we also saw Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, that bitch's also got Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Michaela Maddison: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Christina: But, this'll send a clear message that we're not letting them get away with any of their plans for revenge.

Suddenly, Christina's eyes turned red and she was surrounded by a red energy aura with red flames, fire, light, and phoenixes, and as she approached Michaela Maddison, she left red energy, red flames, fire, light, and phoenixes with every step.

Christina: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Michaela

Maddison, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Christina was surrounded by a massive vortex of red energy with red flames, fire, and light surrounding the vortex, there are phoenixes flying around the vortex and in the vortex is a crimson red phoenix with red eyes glaring at Michaela Maddison: the red eyes of death. Then, as the vortex faded, Christina emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Christina grew to 7'5" in height, she has the body of a goddess, she has red highlights in the bangs of her long crimson red hair, she has neon red eyes and a red energy aura with red fire, flames, light, stars, and phoenixes surrounding her, she has a phoenix emblazoned on her forehead with Third Eye with red iris, she has on phoenix earrings with red gems for eyes and the Fire and Eternity Kanjis in its claws, she also has a phoenix with red gems for eyes and holding the Fire and Eternity Kanjis in the claws on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with crimson red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Christina has on a sleeveless dark blue dress, black stockings, dark blue boots, she has on large gold metal bands with red gems on her biceps and thighs, and long sleeveless white trenchcoat with red flames, fire, light, and phoenixes on the coattails, and on the back is a phoenix surrounded by red fire, fire, light, and stars. Suddenly, Renee felt a sharp pain on her back, and then, massive dark brown angel wings with red tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long crimson red wolf tails with red tips and red markings, Christina has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Christina's newly forged greatsword and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of crimson red energy, red fire, fire, light, stars, and phoenixes, and when it emerged, it transformed into Christina's Crimson Red Firestorm Ace Savvy Greatsword of Crimson Red Firestorm Light Phoenix Justice, it's a brand-new massive greatsword with embedded crimson red gems and red etchings and a phoenix etched on the 7'3" massive, wide, double-edged dark crimson red blade, large crimson red phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt with crimson red gems embedded in the foreheads, longer midnight black handle, four large crimson red phoenix heads with blue gems in their mouths and a large crimson red phoenix head with a blue gem in its mouth below the large crimson red phoenix heads for the pommel. Christina has on her new Bracers of The Champions of The Universe with crimson red gems on her wrists and Dragon Ball Bracelet on the left bracer, her new Belt of Elemental Bravery with a gold phoenix head with red gems for eyes and a large blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below the phoenix that said, "Christina, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Michaela Maddison of The Legion of The Lincoln-Haters, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Crimson Red Fire, Fire, Light, and Phoenixes"

We were amazed by Christina's Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Michaela Maddison saw it, she went fucking crazy and she got out her machine gun to fire at Christina, but Christina fired a barrage of crimson red energy blasts with red fire, fire, light stars, and phoenixes at Michaela Maddison and it sent her flying into a tree back first, she got back up and she ran at Christina again with a knife she got out, but she disarmed Michaela Maddison and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Me: Awesome, Christina's transformed into her Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Michaela and she sent her flying into a tree with a roundhouse kick.

Lincoln: Michaela Maddison has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Christina: (Divine Godly Cosmic Voice of The Crimson Red Cosmic Firestorm Solar Phoenix Angel and Divine Darkness Cosmic Red Firestorm Solar Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Christina.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Michaela Maddison. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Christina and Lincoln went after Michaela Maddison who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, red energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins,

Centaurs, Sauropods, Theropods, and Mermaids at Michaela Maddison and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Renee attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Michaela Maddison got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Christina, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Michaela Maddison's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Michaela Maddison by the neck and he tossed her into the air.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time for a little cataclysmic mayhem. PLAGG, CLAWS OUT!

Universe 666 Plagg came out of The Miracle Box strapped on Lincoln's back, and then, we saw his long wild white hair, large white wolf ears, eleven massive and long white wolf tails, and massive white angel wings, along with the large royal blue pants turn black except for the rainbow markings and tips on his tails and large white wolf ears, the aurora and orange tips on the feathers of his angel wings, and rainbow lightning bolts and rainbow flames on the pants.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat this. CATACLYSM!

Lincoln fired a Cataclysm blast which hit Michaela Maddison, and it exploded with incredible power and she was badly mangled. Then, Lincoln changed back as we saw his long wild black hair, large black wolf ears, eleven massive and long black wolf tails, and massive black angel wings change back to white, along with the large black pants turn back to royal blue except for the rainbow markings and tips on his tails and large white wolf ears, the aurora and orange tips on the feathers of his angel wings, and rainbow lightning bolts and rainbow flames on the pants.

Then, Lincoln and Christina fired a powerful barrage of energy balls with crimson red fire, fire, light, quintessence, elemental forces, and mythological animals, and as they hit Michaela Maddison, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Michaela Maddison's spirit appeared, and she was still incensed with anger and fury.

Michaela Maddison: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Michaela Maddison.

Lincoln summoned the spirits of Michaela Maddison's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Michaela Maddison: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Christina and Lincoln holstered their massive greatswords on their backs and powered down, and Christina's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long red tails, and massive red wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Mylah Palmer. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Christina: We've taken one down so far, and now, we got twenty-three more to go. Thanks for helping me destroy Michaela Maddison, Linky.

Lincoln: (Smiles Warmly) You're welcome, Christina.

Suddenly, Christina wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Christina's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and red flames raging behind them and we cheered wildly. Then, Lincoln and Christina absorbed the red flames and they came back to us as the display vanished.

Nico: Whoa, now that's what I call fiery justice. Lincoln, Christina, you two did really awesome in teaching that monster bitch, Michaela Maddison, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it. Plus, this was also the first time that you can also transform into the Universe 666 Miraculous Heroes and used their powers.

Alya: We saw him use the Miraculous Fusion when we went after Adonis Yog-Sothoth when he fused Eini and Universe 666 Tikki, and we saw him transform when he summoned Universe 666 Plagg.

Universe 666 Plagg: And Lincoln's really proven to be a better wielder of The Miraculous than our universe's former friends.

Universe 666 Plagg went back into The Miracle Box.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Melania Narcissa, which means you and I are up next, Iris.

Iris Alizeti: Yes, we'll be ready for her.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Elemental HERO of Earth are you meeting tomorrow, Lincoln?

Lincoln: The next one we're meeting tomorrow is a Gene-Slammer for Elemental HERO Rampart Blaster.

Melanie Aranyani: Perfect, and there's only one person who'd be Gene-Slammed into Elemental HERO Rampart Blaster: Allison Braxley, she's one of the Elemental HEROS of Earth, and she's also a powerful and physically strong girl and awesome athlete and good sportswoman in the field of sports. Plus, she's also a very seductive and sexy hot mama with the same body as me.

Lincoln: And like you and the other Elemental HEROS of Earth, Melanie, she's also had to deal with Lynn, and she's more than once dealt with her sore loser attitude and always going on her rage-fueled rampages, along with acting like an animal and even letting out those loud belches, and trying to kill me more than once.

Nico: Jeez, how many times has Lynn pissed you girls off with her rampages?

Lincoln: Don't even ask that, Nico, Lynn has done that one too many times in the past, only for her to get beaten down like a ragdoll by their superhuman strength, but she always got back up, but when I join them in the fight, Lynn always gets knocked out.

Me: I've seen how much stronger Lincoln has gotten during those days, and I've seen what he can do especially with those massive muscles that he's been constantly developing, and it always ended with Lynn getting knocked out on her butt, tied up like an animal, and dragged away to face her doom at the hands of her angry siblings and parents.

Nico: Dang, and with how Lincoln kept on getting bigger, stronger, and smarter, Lynn kept on badly underestimating him.

Luna: She had an overinflated ego because of that animal inside her, dude, and she thought she could get away with it, but she was wrong.

Lori: It always came back to bite her on her smelly butt, she was beaten by her own little brother who was constantly getting bigger, stronger, faster, and smarter over the years thanks to help from his Guardian Angels, Luna, Leni, Laney, Lucy, Lana, Lily, Mom, and Dad, while Lynn, Luan, Lola, Lisa, and I were seething with rage and plotted to kill him, no doubt thanks to our Dark Sides.

Luan: We should've been proud of him, but no, those monsters wanted him dead. But, we'd since been freed and we repaired those bonds with Lincoln, and not only did Killjoy Huggins pay the price, but also, Dark Chase Young, who was in fact the true source of his pain and suffering.

Anna Anyanova: You got that right.

Private HIVE: It was good of my team to help out with the finishing blow.

Control Freak: You said it.

Me: That is for sure.

Abis Mal: Now, the Terranians won't have anyone going after them again.

Wiggum: No, they won't.

Chalmers: They'll be under our protection

Mala: That's right. Thank you all so much for helping us.

Me: It was our pleasure Mala.

Nico: Great job today everyone.

Qin: Yeah this was awesome!

Eli: (To the viewers) Hope you all loved this awesome adventure.

Me: I know we did.

We went back home and enjoyed the rest of the day and went to sleep.

But, she and the other Elemental HEROS of Earth along with Lincoln have more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents.

This was going to be a good one too.

Me: Boy Valmorg is always a hot planet like always.

Princess Anita: Boy it sure is! How hot is this planet?

Me: 1,931˚Fahrenheit. It is really hot here.

Nico: Almost 2 and a half times the temperature of what Venus used to be.

Xenia: Yeah no kidding there.

Qin: But it's still an amazing planet to see.

Universe 666 Riot: It's amazing that you guys all battled 2007's version of Venom here.

Nico: I know. That son of a fucking bitch got what he deserved big time.

Laney: Yeah no kidding!

Camie: That guy was a pain in the fucking butt!

Me: Well said!

Xenia: Yeah!

Nico: Jayden, I want to thank you, Silver Samurai, and your teams for coming.

Jayden: Anytime Nico. This is gonna be so fun and awesome.

Abby Martin: I'm really excited for this too.

Nico: Abby, you had Mummy problems before, right?

Abby Martin: I sure did. That was crazy.

Me: You're not the only one that had mummy problems. We met Gabe down in Egypt and found out that the mummy he faced was really the evil princess and daughter of Pharaoh Khufu.

Eli: Whoa! I've heard about her! She was a dangerous woman that lived back over 4,600 years ago.

Me: Yep. Pharaoh Khufu buried her and put a curse on her.

Nico: Too bad you and Gabe never met each other personally until we met you.

Abby Martin: I know. But that was still an amazing adventure from what I heard.

Nicole: You would have loved it Abby.

Nico: Yeah that was fun.

Me: It sure was and back then that was also the day Hunter joined us. It was awesome.

Nico: Yeah I remember that!

Me: That was so awesome.

I went over what happened in chapter 783.

---

At the Jupiter Prison we were getting ready for another rant session with the most hated babysitter ever: ICKY VICKY.

Me: This is always fun.

Nico: I love a good rant.

Homer: Me too.

Matt Daniels: I'll start us off.

Matt Daniels walked up to Icky Vicky.

Matt Daniels: Are you saying that I don't know my directions, that I'm some sort of wrong way Corrigan, I'm a misguided directionless goonibird!? IS THAT WHAT YOUR SAYING!?

Icky Vicky: Umm.. Yes?

Matt Daniels: THAT'S IT!

Matt Daniels jumped Icky Vicky and pulverized the living shit out of her and we were laughing our heads off.

Prisoner 1: (LAUGHING) OH MAN I NEVER GET TIRED OF THOSE PESTO RANTS!

Me: (LAUGHING HYSTERICALLY!) ME NEITHER!

Nico: (LAUGHS HYSTERICALLY!) THIS IS SO FUNNY!

Boone Dixon: My turn.

Boone Dixon walked up to her cell.

Boone Dixon: You're saying, I'm an overdone piece of meat? Is that what you're saying!? What am I? A plate of big dry stinkbutt meat here to amuse you!?

Icky Vicky: Umm… Yes?

Boone Dixon: THAT'S IT!

Boone Dixon jumped Icky Vicky and pulverized the living shit out of her.

We were laughing hysterically!

Prisoner 2: (LAUGHING HYSTERICALLY) OH YOU ALWAYS CRACK US UP!

Homer: (Laughing) This is so funny!

Carly Beth: It's my turn.

She went up to her cell.

Carly Beth: Instead of ranting at you, I'm gonna do a song. And I'd like Maria and Sabrina to join in.

Matt and Boone played the piano and the tambourine.

Carly Beth, Maria and Sabrina came and joined her.

Carly Beth, Maria and Sabrina: (Singing)

Everybody in the USA hates their evil sitter

She's Vicky and she's really really lame

Vicky tried to wreck our lives

Her views on babysitting are wrong

We hate her guts and Vicky is her name

V-I-C-K-Y, she's the girl that we hate most

We'd like to see her house go up in flames

V-I-C, his name is Vicky

K-Y, such a stupid name

She's worse than Frankenstein or Doctor No.

She's a ticking time bomb

She a bad girl and kills people.

Then goes home and counts her money.

her babysitting is an emporium of death

V-I-C, go tell Vicky

K-Y, her life is dead

everybody hates that stupid jerk

Planet Earth rocks with our joyous loathing

filling clubs with angry valentinos

you don't have to move your feet

just hate Vicky to the disco beat

She's your perky, peppy, nightmare babysitter

if you despise evil dumb babysitters

then you'll love hating Icky Vicky more

or her creepy little evil friends

No Way!

(Raspberries)

V-I-C, his name is Vicky

K-Y, she is so rotten bread

the evil smiling mustache geek that walks with Satan.

ICKY VICKY THEN WENT BALLISTIC!

But we were laughing hysterically at this and we were rolling on the floor and laughing our heads off and it was so funny that we were dripping tears and it was funny!

Homer: (LAUGHING HYSTERICALLY) OH THAT IS SO FUNNY! I DID A SONG LIKE THAT ABOUT FLANDERS! THAT WAS SO FUNNY!

Nico: I wrote it for them.

Me: (LAUGHING HYSTERICALLY) SO FUNNY!

Back at the estate we were relaxing by the pool and everyone else was having fun.

Me: Ah. What a beautiful day.

Nico: You said it.

Vince: It's so beautiful.

With us was our newest recruit Hunter Drake Michaelson, our new recruit from Germany who is a very skilled and powerful warrior and he has elemental manipulation, omnipotent elemental powers, immortality, invincibility and many more powers. He's also an awesome German cook. He has brunette hair, blue eyes, age 20, his hobbies: Playing video games, drawing, artwork, flag making, outside, and anime & manga.

Likes: Video games, foraging, ecosystem, animals, prehistoric animals, nations, monarchies, Germany, Hungary, Japan, Epic music, Sabaton music, Dragonforce music, Audiomachine music, world building, garry's mod.

Me: I'm glad you're part of the team now Hunter.

Hunter: (German Accent) Ja. It's such an honor to be here. Und I will do everything I can to help.

Laney: I love learning about Germany and all of Europe.

Hunter: Ja it's such a magnificent country und I love learning about all the culture of the world.

Nico: That's so awesome.

Straxus: It's so awesome having you here Hunter.

Hunter: Thanks Straxus.

Straxus (to Sheila and Nanette): Have you two ever met your monster forms inside your minds?

Nanette: As a matter of fact we did.

Sheila: When we went to sleep, we met them.

---

Nanette: (Narrating) I was in the dark recesses of my mind and it was there that I was talking to my monster form: Thunderbug.

Thunderbug: So my new shared body has come.

Nanette: Since I can now turn into you and this is my body, I need to go over some ground rules. This is my body and you are in my home.

Thunderbug: I understand. But it's gonna be hard for us to work together because we of…

Nanette: I know. But we'll find a way to work together.

Nanette: (Narrating) Then whenever I would change I would lose my voice and my eyes would turn blank and yellow.

FLASHBACK ENDS

Nanette: Essentially we've gotten along already.

Sheila: Me and Shredlegs had difficulty getting along.

FLASHBACK 2

Sheila: (Narrating) I encountered Shredlegs in my mind and he was a difficult monster to get along. At first we argued but then he got a change of heart.

Shredlegs: Since you can now turn into me, we need to find some way to work together.

Sheila: There has to be something we can do.

Sheila: (Narrating) Then whenever I would change into Shredlegs, my voice would vanish and then my eyes would turn blank and dark green.

FLASHBACK 2 ENDS

Me: And then we managed to give you all the ability to change at will.

Hunter: That's amazing.

Sheila: It was. I'm just glad we can transform at will now.

Nanette: Same here. You know what? Since Sheila came clean about her family history, it's only fair that I tell you guys mine.

Me: Okay Nanette.

Nanette: Here goes.

FLASHBACK 3

Nanette: (Narrating) My story is much different. Long ago before I moved to Gotham Royal York, I lived in the city of Gotham. It was a good time for me. I was a normal kid and loved by my friends and I loved helping people. Even though Gotham was a crime-filled city I still loved it. But then when I came home from school one day, a terrible thing happened. I saw 3 mobsters come in uninvited and they shot and killed my mom and dad right in front of my eyes! (CRYING) IT WAS HORRIBLE!

FLASHBACK 3 ENDS

Varie came over and comforted her.

Varie: I'm so sorry Nanette.

Sheila: Nanette, that's horrible!

Laney: The Gotham Mob is a ruthless crime organization!

Lana: That's terrible!

Batman: I know just how you feel Nanette.

Varie: Same here.

Me: Who were the mobsters that we responsible?

Nanette: (Sniffles) They were sent by Rupert Thorn. My father double-crossed him and stole millions of dollars from him and he had major inside information on his criminal empire. They killed him to silence him! (Crying)

Varie: That's horrible!

Hunter: Rubert Thorn is a monster!

Me: And we threw him in prison for all eternity and brought his criminal empire to a crashing defeat. We had him sent to the Moon Prison. But then we decided to transfer him to an much better prison. The very same prison Roland Daggett is at: Crematoria.

Nico: The Triple-Max Prison located 3,500 light-years away from here?

Me: That's the very one. And it's a very inhospitable world.

Hunter: Good riddance to that Kartoffelgesicht.

Me: You said it Hunter.

Later in the living room I was looking through Nico's Goosebumps books. I had the monsters we destroyed stacked up in a pile on the left and the others were laid out flat on the table.

Me: Hmm. Which one shall be our next target.

I looked them over very carefully and I spotted one.

Me: Ah!

I picked up the book The Curse of The Mummy's Tomb.

Me: The Curse of The Mummy's Tomb is our next target.

Nico: The Mummy of Princess Khana. That's a great choice.

I read the book and it was terrifying and blood-boiling.

---

Gabe is spending his Christmas vacation in Egypt because his parents have business to attend to there. While staying in their hotel in Al-Jizah, Gabe's parents receive an emergency phone call and have to rush to Alexandria. Rather than going with his parents, Gabe is given the option to stay with his uncle Ben, who is a scientist investigating pyramids in Cairo. Gabe's parents call Uncle Ben and leave. While Gabe waits for his uncle to arrive, he clutches his good luck charm: a mummy's hand that he bought a few years ago at a garage sale. Uncle Ben and his daughter, Sari, arrive. Ben informs Gabe that his archaeologists team has discovered underground tunnels beneath the pyramid, but he also says that the tunnels would be too dangerous for Gabe to explore alone.

The next day, Ben and the children go to the pyramid. While preparing to enter the pyramid, Ben warns the kids that his team may have unleashed an ancient curse by exploring the pyramid. Armed with flashlights, the three relatives enter the pyramid and walk for a while. The trio makes there way through a tight corridor to a large room. Ahmed and various other members of Ben's team are already there. While Ben is distracted, Sari suggests to Gabe that they go exploring on their own. Gabe is reluctant, but Sari insists, confidently saying that they won't get lost. Gabe follows Sari into the tunnels, but Sari quickly vanishes from his view. Convinced that he's being pranked, Gabe continues walking. When Gabe enters a small room, Sari scares him and starts to laugh, causing Uncle Ben to appear. Ben joins Sari in laughter.

The next morning, during breakfast, Ben receives a phone call. Apparently, almost all of Ben's workers have become ill, so he goes and visits them. Though the kids were warned to stay in the hotel, Gabe proposes that they go to a nearby museum by themselves. The kids go to the museum and wander through it. A a few minutes, Ahmed appears. They try to avoid him, but he's too fast. He says that Ben told him to take the kids back to their room in the hotel. Ahmed takes the kids to his car, but he starts driving in the opposite direction of the hotel. Gabe realizes that Ahmed is kidnapping them. Gabe warns Sari, and the two sprint out of the car. After asking a cab driver for help, the duo makes it back to the hotel and stay in their room until Ben arrives. When he does, the kids tell him what happened. Ben says that he has to return to the pyramid to continue his exploration. For safety, Ben takes Gabe and Sari with him to the chamber.

A few minutes after they enter the pyramid, Gabe stops to tie his shoe. When he looks up, he sees that Uncle Ben and Sari have disappeared. After searching for a while, the floor cracks beneath Gabe, and he falls through, landing in a big room filled with mummy-preparation tools. Sari appears in the room, and she says she also got lost. The two kids call Uncle Ben via a pager that Ben provided them with. A few seconds after Sari calls her father, the kids see a light coming through a tunnel. The kids hope that Ben has arrived, but the light turns out to be coming from of Ahmed, who is carrying a torch.

Ahmed says that he warned Ben about a curse, but Ben didn't believe him. He then says that the kids violated the sacred chamber of an ancient Egyptian princess named Khala, and, because of that, they should die. He grabs a knife and starts approaching the kids, but Ben suddenly appears and tries to stop him. Ahmed swings his torch at Ben and hits him in the head. Ahmed heaves the torch across the room, and it falls into the room's tar pit. The tar starts burning. The kids watch helplessly as Ahmed closes Ben's body in a sarcophagus, and he puts the kids in a separate sarcophagus. Luckily, Egyptians built hidden escape hatches into their coffins to allow the souls of the deceased to escape, so the three relatives are able to escape while Ahmed is distracted. The trio tries to exit, but they are stopped by Ahmed, who threatens them with his dagger. He forces them to walk toward the tar pit. Ahmed tells Ben and the kids that they'll have to jump into the pit. Terrified, Gabe pulls out the mummy's hand from his pocket. When Ahmed sees it, he recognizes it as the Hand of the Priestess. All of the mummies in the room to come alive and begin surrounding him. Some of the mummies grab Ahmed and try to throw him into the pit. Gabe looks away. However, when he looks back, he sees that the mummies have returned to their original spots, and Ahmed is running away.

Relieved, Ben and the children go back to their hotel room. Gabe pulls out the mummy's hand and pretends he's summoning ancient spirits. He is startled to hear a knock on the door, which he suspects to be a mummy. When he opens the door, Gabe sees his parents, who are back from Alexandria.

---

Me: Looks like we have an evil archaeologist to throw in jail and kill the mummy while we're at it.

Lizzy: You guys killed a mummy before right?

Cody: We sure did. It was the high priest of Pharaoh Seti I: Imhotep.

Me: Yep. And this mummy is the Egyptian Princess Khala.

Cody: I've read about her. She was the princess of Pharaoh Khufu back 4500 years ago.

Laney: That's a long time ago.

Me: Lets go check it out. Lets fly!

We were off to Egypt.

We arrived in Cairo, Egypt.

Me: Wow! Cairo, Egypt.

G1 Sludge: Me Sludge want to play in sand!

Me: We'll have plenty of time to play in the sand later. We need to find a boy named Gabe. He's said to be here in Cairo.

Nico: Lets go.

We went to an Egypt hotel and we were at a room door.

Me: This is it.

I knocked on the door.

Gabe: (In the room) Who is it?

Me: We're Team Loud Phoenix Storm.

The door opened and we saw Gabe.

Gabe: Awesome! Team Loud Phoenix Storm! You guys are my heroes.

Me: It's a pleasure to meet you Gabe. We came to talk to you about a mummy you encountered.

Gabe: Sure.

We went to the lobby and Gabe told us about his ordeal with the mummy and how it and Ahmed nearly killed him.

Me: That mummy and Ahmed are nothing but trouble.

Hunter: Ach du lieber Gott! No kidding.

Nico: We have to stop that mummy and Ahmed.

Abby: You're not the only one that has dealt with a mummy Gabe.

Gabe (to Abby Martin): So you dealt with a mummy problem too?

Abby: Yep. But I managed to get powers recently. (creates a small breeze)

Gabe: What did Horrorland do to you?

Abby: It changed a lot of us. And we joined Team Loud Phoenix Storm as the Goosebumps Monster Busters.

Gabe: That is so awesome!

Me: And we all dealt with a mummy before we went after the Goosebumps monsters. We dealt with the mummy of my High Priest Imhotep.

Gabe: The evil keeper of the dead that killed Pharaoh Seti I in 1290 B.C.?

Cody: That's right. And J.D. here is the reincarnation of Pharaoh Seti I.

Me: Yep.

Gabe: That is so cool!

Me: I know. Shall we go to the pyramids of Egypt?

Gabe: Lets do it.

Batgirl: I have a feeling these mummies are going to pop out and attack us.

Me: If they do we'll be ready for them.

We went to the Great Pyramids of Giza.

We arrived at the Great Pyramids of Giza.

The Great Pyramid of Giza (also known as the Pyramid of Khufu or the Pyramid of Cheops) is the oldest and largest of the three pyramids in the Giza pyramid complex bordering present-day El Giza, Egypt. It is the oldest of the Seven Wonders of the Ancient World, and the only one to remain largely intact.

Based on a mark in an interior chamber naming the work gang and a reference to the fourth dynasty Egyptian Pharaoh Khufu, some Egyptologists believe that the pyramid was thus built as a tomb over a 10- to 20-year period concluding around 2560 BC. Initially at 146.5 metres (481 feet), the Great Pyramid was the tallest man-made structure in the world for more than 3,800 years until Lincoln Cathedral was finished in 1311 AD. Originally, the Great Pyramid was covered by limestone casing stones that formed a smooth outer surface; what is seen today is the underlying core structure. Some of the casing stones that once covered the structure can still be seen around the base. There have been varying scientific and alternative theories about the Great Pyramid's construction techniques. Most accepted construction hypotheses are based on the idea that it was built by moving huge stones from a quarry and dragging and lifting them into place.

There are three known chambers inside the Great Pyramid. The lowest chamber is cut into the bedrock upon which the pyramid was built and was unfinished. The so-called Queen's Chamber and

King's Chamber are higher up within the pyramid structure. The main part of the Giza complex is a set of buildings that included two mortuary temples in honour of Khufu (one close to the pyramid and one near the Nile), three smaller pyramids for Khufu's wives, an even smaller "satellite" pyramid, a raised causeway connecting the two temples, and small mastaba tombs surrounding the pyramid for nobles.

Me: The Great Pyramids of Giza, one of the 7 wonders of the ancient world.

Nico: It's magnificent.

Cody: And it took over 1,000 years to build this.

Lincoln: It's amazing. We were here on our worldwide adventure to kill Sam's evil parents again.

Cody: That's right. Lord Anubis allowed us to go into the Egyptian Underworld and we watched Sam, Lola and Lana kill her evil parents Michael and Michelle Malloy.

Gabe: I heard all about them! They were the most ruthless serial killer couple ever!

Sam S.L.: They sure were. But they were pure evil.

Gabe: I'm sorry that happened to you Sam.

Sam S.L.: No worries Gabe. But thank you.

Drill Man: Wonder if I can drill under this sand?

Me: Go for it Drill Man.

Drill Man got to work and then the sand collapsed and we fell through and then we wound up falling through the roof of an ancient tomb and we landed on the floor. We saw that it was still in pristine condition even after 4,500 years had passed. It was lit up by torches.

Me: Wow!

Laney: Oh wow! This is an amazing tomb!

Lola: It's amazing.

Gabe: This tomb is amazing.

Maria: Is this the tomb you were in Gabe?

Gabe: It sure is.

Me: This tomb is 4,500 years old and it's still in tremendously great shape.

Vince: It sure is.

Cody: This is amazing. I've loved learning all about ancient Egypt and this has to be the most amazing tomb ever.

Me: It sure is Cody.

We went over to a wall and saw ancient hieroglyphics.

Lincoln: Look at these hieroglyphics.

Me: This looks like some kind of story. Let me see if I can decipher it.

Lana: Okay.

Me: It says: "Long ago, the evil princess of Egypt, Khana was plotting to overthrow her own father, Pharaoh Khufu by unleashing a terrible and mighty army onto the land. But her father overheard this murderous plot, and ordered for her to be mummified alive and he had her imprisoned here in this tomb, where she will stay forever. She then had a terrible curse placed on her saying that if her tomb was ever disturbed by intruders, she would come back to life and kill all who enter."

Laney: That's terrible!

Naruto: Whoa! That's awful. So Princess Khana hated her father.

Gabe: But why?

Me: It could be a number of reasons. But this one was done out of sheer hatred.

Lincoln: Does it say anything else?

Me: Lets see. (Reads more) "Should Khana ever come back, your only salvation to destroy her would be to summon the powers of the water of Tefnut."

Gabe (to Maria): You got powers from an Egyptian Diety named Tefnut.

Maria: Yep. If it wasn't for Tefnut, I wouldn't have made great friends. (blushes) And a great boyfriend.

William: Thanks babe.

Me: Tefnut is the Egyptian Goddess of Water.

Maria: Yep.

?: (Arabic Accent) So you are here brat!

We turned and we saw AHMED!

When Gabe arrives in Egypt for his Christmas vacation, he opts to stay with his Uncle Ben and cousin, Sari Hassad, rather than his parents. Gabe's uncle is an archaeologist and expert on all things Ancient Egypt. His work has brought him to the pyramids of Cairo, where he hopes to be on the verge of a great discovery. Overseeing Ben's investigation is Ahmed, a quiet Egyptian man from Ben's university. Ahmed warns Ben he could be in great danger exploring the pyramids, as they hold many curses. Ben, however, is not superstitious and blows off the idea.

Ahmed quickly turns from simply unfriendly to dangerous as Ben uncovers a hidden tomb in the pyramids. He attempts to kidnap Gabe and Sari, but the two are able to escape. Ahmed continues his chase after the two children, eventually leading them all back to the pyramid. There, he reveals the tomb Ben discovered as the preparation chamber of the priestess, Khala, whom he is descended from. Ahmed tells the children that they and Ben must die for violating her chamber. Ahmed attempts to lead the children to a boiling pit of tar, so he can mummify them. Before he can get away with his plan, Gabe pulls out his summoner - a mummy's hand - to wake up Ahmed's many other mummified victims. The terrified Ahmed runs away from the pyramid, allowing the children to escape with their lives.

Gabe: Ahmed!

Ahmed: (to Gabe) You should have never returned, boy!

Me: Ahmed, so we meet at last!

Ahmed: So that brat has Team Loud Phoenix Storm to assist him.

Me: (Speaking Arabic) أنت مهووس بالأعلى من الطبيعة أحمد. لقد حاولت قتل جابي وجعل حياته كابوسًا حيًا! (You are a fucked up freak of nature Ahmed. You tried to kill Gabe and make his life a living nightmare!)

Ahmed: (Speaking Arabic) تدخل هذا شقي في خططي للحصول على الكنز وكان عليه أن يدفع مع حياته! (That brat interfered in my plans to get the treasure and he had to pay with his life!)

Me: أنت حقًا شخص شرير بلا ضمير مطلقًا! لو كانت هذه إيران لأني سأقتلك بكل سرور حيث تقف! (You are truly an evil person with absolutely no conscience! If this were Iran I would gladly kill you where you stand!)

Ahmed: We shall see.

Me: And now you will die with the mummy. You tried to kill Gabe here and that is something we never will tolerate.

Fu: That's right.

Gaara: You are as honorless and despicable as I was before I met Naruto.

Ahmed: I'm impressed you're here Lord Kazekage. But your reign is gonna be short-lived.

Gaara (forms a sand fist from the wall): Flint's right. Egypt does have a lot of sand to be controlled.

Gaara punched him and sent him crashing into the mummy's coffin. Then the mummy's coffin opened up and out came THE MUMMY OF PRINCESS KHANA!

ALL: THE MUMMY!

The Mummy groaned as it woke up and it had glowing evil red eyes and it grabbed Ahmed and ate him and splattered his blood and guts all over the place.

Everyone: EWWWW!

Me: Oh that is disgusting!

Lincoln: Guess she prefers red meat.

Me: Well we aren't very appetizing either. Lets kill this ancient bitch!

We transformed and powered up!

Gabe: Whoa! So this is your Super Angel forms.

Me: Yep. Now it's time for us to bury this ancient bitch once and for all!

We went at the mummy and I punched it in the face and kicked it in the chest.

Laney tied it up with her plant powers and slammed it into the ground. Lincoln, Linka and the Morris siblings fired powerful blasts of lightning and electrocuted the mummy. Lori fired a massive blast of wind at it and blew sand around it in a massive tornado of sand.

Nico: Princess Khana, you have failed this world for 4,500 years!

Lola and Michael Munroe fired a massive blast of fire and burned the mummy.

Hunter demonstrated his powers by firing a powerful blast of lightning and fire combined together. It hit the mummy and exploded.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Gaara formed a powerful spear using Shukaku's chakra and he threw it. The spear hit the mummy and exploded.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Me: Wow! What power! Lets weaken it with our combos!

Straxus: You got it boss! CYBER KEY POWER!

The Earth Cyber Planet Key went into Straxus's back and it enhanced his grenade launcher 100-fold.

Straxus: My weapon of choice is usually my pickaxe but I have to diversify my weapons.

Drill Man: Lets get her! EARTH CYBER KEY POWER!

The Earth Cyber Planet Key went into Drill Man's left arm and it enhanced his Drill Missile 100-fold.

Straxus and Drill Man: SUPER MISSILE BARRAGE!

They both fired grenades and Drill Missiles and they hit the Mummy and exploded.

It was a massive fiery cloud.

Sludge: Me, Sludge get her! CYBER KEY POWER!

The Animatron Cyber Planet Key went into his energon sword and it enhanced it 100-fold.

Batgirl: Time to try this out. EARTH CYBER KEY POWER!

The Earth Cyber Planet Key went into her right arm device and it gave her the ability to turn into a powerful colony of bats.

Sludge and Batgirl: BATSTORM ENERGON SLASH!

The Bat Colony went into the energon sword and it enhanced its power and turned it into a sword of darkness. He slashed the mummy and it exploded.

Me: Lets final smash this freak!

Gaara: You got it J.D. I've always wanted to try this out. SHUKAKU SANDSTORM BURIAL!

Gaara fired a massive blast of sand and it turned into Shukaku's head and it went at the mummy and it hit her and exploded.

Gabe: Time for me. I've always wanted to try this! NEPHTHYS PHOENIX FIRESTORM!

Gabe chanted an ancient Egyptian Chant and a fire tornado appeared and a powerful phoenix of pure fire appeared and it hit the Mummy and exploded.

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Maria: You will never terrorize this place ever again!

Maria fired a massive blast of water at the mummy and the water destroyed it instantly! Melting it into absolutely nothing!

Me: Go back to hell you bitch!

The mummy of Khana went back to Hell and she was gonna stay there. Forever.

During the battle Nico caught an Excadrill and a Swoobat.

Gabe: (To the viewers) What can I say? Team Loud Phoenix Storm is just that awesome!

Me: We sure are. You were awesome Gabe.

Hunter: Ja. You were amazing!

Me: Yep.

We inducted Gabe into the Goosebumps Monster Hunters and it was awesome for him. He had the power to control the wind and the sand.

FLASHBACK ENDS

Eli: WOW!

Qin: That is amazing!

Xenia: It sure was.

Eli: Boy it sure is! It's amazing that you guys destroyed her too.

Lola: Yep.

Me: Yeah that was awesome.

Xenia: Yep.

Nico: Yesterday was awesome!

Me: Boy it sure was! Going to the planet Terra was really cool!

Nicole: Boy it sure was! Seeing it was just amazing too.

Laney: And it was really beautiful as well.

Princess Anita: It was so cool going to another world with all of you.

Me: We're glad you had fun on that one Anita.

Lola: Yeah it was great. Mala and Senn are amazing heroes.

Camie: And it was so awesome seeing Humans and the Terranians living together like that.

Me: Like Stella said it would be amazing if all humans and creatures all over the universe can live together in friendship and harmony.

Nico: Terranians aren't that different from humans.

Me: No they sure aren't. Even though our planets are 865 light-years apart it was still amazing to see it.

Qin: Yes it sure was cool.

Lola: Yep.

Lana: But Jim made the ultimate sacrifice for some of us there to have a new home and live together with the Terranians in peace.

Camie: He is a true hero there.

Aylene C.: One that will never be forgotten.

Nico: To bring him back would dishonor that sacrifice

Me: Yeah.

Eli: It sure would.

Nico: By the way J.D. how is Melanie doing?

Me: Shaken up by the whole ordeal she went through.

Maria: That sword really did a number on her!

Me: To be honest though I was not prepared for Oroku Saki to make a return on a rescue.

Nico: I agree.

Lola: Yeah.

Me: She is in the infirmary and is trying to make a recovery.

Nico: Good. Ino is going to be having her work cut out for her to help her.

Xenia: I know.

Camie: But at least we have seen the last of him.

Me: Almost. We still have the Tengu Shredder. But we'll worry about him later.

Xenia: Yep.

Nico: Lets just focus on the matter at hand for now.

Maria: Fuck, it's hot!

Me: WHEW! I know.

Nico: There's the cave where Red Guy was fought. Lets go in there.

We flew into the cave and it was cooler.

Me: Ahh. Much better.

Maria: I got plenty of water for us.

She gave us some.

Me: (GULPING) Ahh.

Nico was gulping down water.

Nico: (GULPING) Ahh. Thanks, sis.

Maria: Anytime.

Qin: WHEW! Valmorg is easily one of the hottest planets we have ever been to.

Princess Anita: Boy it sure is. How in the world can you guys live on planets like this?

Me: We have been to countless planets that are either too hot, too cold or incredibly inhospitable to sustain life. Many planets we went to have atmospheres that are poisonous to human life. But thanks to our powers we can live on any planet no matter how inhospitable it is.

Nico: It's true.

Xenia: And they are amazing to see too.

Qin: We also have the power to breathe in the endless vacuum of space.

Nico: But you'll get used to it.

Me: Yeah it takes a while.

Sakura Knudson: But seeing all these planets is really amazing.

Universe 666 Swartz: It sure is. I just can't believe that you guys have been to so many of them.

Me: And we've only begun to scratch the surface of how many planets there are all over the universe.

Xenia: Yep.

Sakura Knudson: Wow it sure is awesome.

Camie: I can't believe that there are so many planets out there too.

Lola: Yeah no kidding.

Nico: We haven't been to all the planets Mario's visited.

Me: No we haven't. But the planets that Mario's visited are all just a small sliver of what's out there all over the universe.

Xenia: That is too true.

Camie: Yep.

Nico: Yep.

May: I still hope we visit all of them.

Me: Me too. We got plenty of time.

Qin: Yep.

Me: And I know just the place for Flurry Heart's final mission.

Nico: Really? Where?

Me: Freezeflame Galaxy.

Nico: COOL!

May: Good choice!

Me: Thanks.

Nicole: That's a great idea.

Me: And I have a feeling we'll face the Hexagon Brothers in that one.

Lincoln: Ruby Kirlian is really looking forward to that one.

Nico: Awesome! She'll have her first ever usual battle there.

Me: Red-Eyes Darkness Dragon VS Hexagon Siblings.

Lincoln: I like the sound of that.

Qin: That is cool.

Nico: Eli, sense for Swartz's creations.

Eli: Already on it.

Eli concentrated.

Eli: Whoa! Found three of them. Another Ember, Another Evil Wind Man and Another Silver Samurai.

Me: Whoa this will be interesting.

Eli: Yep and this is the Ember that Will and all of W.I.T.C.H. faced before just to clear things up.

Me: Whoa! This will be infernal!

Nico: Yep. Eden Severnaya will love that one.

Qin: She sure would.

Eli: There's more. I sense that she is also the gene-slammer for Sunburn's kind too.

Sunset Shimmer: Whoa! This will be interesting.

Me: A Phoenix Dragon Gene-slammer. Boy this is turning out to be awesome.

Nico: Let's get Eden here.

I snapped my fingers and teleported her here.

Eden Severnaya: Oh. Hey guys.

Me: Sorry to call you here to the planet Valmorg but we need your help to face Another Ember.

Eden Severnaya: The Fire Warrior of the Knights of Destruction. I'll gladly do it.

Qin: Awesome.

Me: And since we're on a Volcanic Hot fire planet this is perfect for it.

Eden Severnaya: It sure is.

We then saw a figure fly in and it was a dark version of Ember! IT WAS ANOTHER EMBER OF FIRE!

Me: WHOA!

She landed and she was a really hot one! Literally!

Me: WHOA! This is gonna be infernal!

Jayden: Who are you?

Another Ember: I believe that J.D. is one that knows me.

Me: (GASP) That voice.

She reverted back and was a girl with orange hair and orange eyes and red sclera and she had orange and red clothes with the symbol for the fire skylanders emblazoned in the middle of her forehead and on her skirt and she had amazing fire angel wings that had intense flames flickering on and around them and she had phoenix tail feathers.

Me: (GASP) Eleanor Suzaku Haruno!

Eleanor Suzaku: Awesome to see you again J.D.

Sunset Shimmer: Wow! Your wings and tail feathers are so amazing.

Eleanor Suzaku: Thanks Sunset. Being a Phoenix Dragon Gene-slammer is really cool.

Me: Hot you mean.

Eleanor Suzaku: Yeah that.

Eden Severnaya: You know her J.D.?

Me: I sure do. Eleanor is a girl that is the cousin of Sakura Haruno. However she was born with intense fire powers and incredible phoenix powers that she is said to be one with the power of fire itself in its entirety. Her power over fire is so intense and so powerful that she can form it into any kind of weapon and do anything with it.

Nico: That is incredible!

Qin: Yeah it sure is!

Eleanor Suzaku: I know. How is Sakura by the way?

Me: She's doing really well and she and Naruto are going to be getting married in a few weeks. Naruto and Sakura along with so many girls. It's a long story.

Fu: That's right and I am actually one of the future wives.

Rin Nohara: Same with me. It's awesome to meet you too.

Fu: My name is Fu and I'm the Seven Tails Jinchuriki.

Rin Nohara: I'm Rin Nohara, veteran of the 3rd Great War.

Eleanor Suzaku: It's a pleasure to meet you both.

Nico: Things in the village have changed since you were last there.

Eleanor Suzaku: Well to be honest I've never been to the Leaf village before. I was mostly raised in Japan. Even though I have close blood ties to the Leaf Village.

Nico: That does make sense.

Me: You will love it though.

Eleanor Suzaku: I do get postcards from Sakura from time to time.

Sakura Knudson: That's cool though and your cousin is my body double. Everyone calls me Sakura Haruno II.

Eleanor Suzaku: (LAUGHS) You sure do look like a carbon copy of her.

Sakura Knudson: Yeah.

Eden Severnaya: I'm the archenemy of the member you're based on. My name is Eden Severnaya.

Eleanor Suzaku: That is amazing! Awesome to meet you Eden.

Eden Severnaya: Same here.

Eleanor Suzaku: This will be fun. Also just so you know, the Another Evil Wind Man and Another Silver Samurai are friendly and J.D. you are going to be in for an amazing surprise as to who they are.

Me: I have a feeling they will be awesome.

Girl Jordan: We have an easier way to face you without hurting you and making you weak from it.

Leeli: Let us help first.

Eleanor Suzaku: Okay.

(YURGEN'S TUNE PLAYS)

Girl Jordan and Leeli held hands.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Eleanor Suzaku glowed and then Another Ember Separated from her!

Eleanor Suzaku: (GASP) So this is the monster I turned into!

Qin: Yep.

Another Ember: I will feed on your fear!

Me: You are the one that should fear us!

Eleanor Suzaku: That is for sure!

Eden Severnaya: Negative Emotions won't mean anything to it without a host.

Eleanor Suzaku formed a sword made of pure fire and the intense heat coming from her was like it was from a billion suns!

Nico: WHOA!

Me: Eleanor's powers are so strong that it's like she is Fire Incarnate.

Qin: Wow!

Varie: Incredible!

Eden Severnaya: Time to dance!

Another Ember went at them and Eden and Eleanor Suzaku went at her and then…

SLASH SLASH!

They slashed her in an X strike and then…

EXTREMELY MASSIVE FIERY EXPLOSION!

She exploded in a massive fireball!

Qin: WHOA!

Xenia: HOLY COW!

I caught the Wonder Ride Book and it was called The Phoenix Princess, The Phoenix Dragon and the Fearmongering Demon of Fire.

Me: Fitting title for it.

Eleanor Suzaku: That was so awesome!

Nico: Well done girls!

Me: Yeah!

Nico: One down!

Me: Two to go.

Qin: Yep.

Abby Martin: You guys know that I will face the Evil Wind Man.

Xenia: Yep.

We then felt a blast of wind.

Nico: There she is!

Me: WHOA! Strong wind!

A figure came out and it was a dark version of Evil Wind Man. It was ANOTHER EVIL WIND MAN!

Me: Whoa! This one will blow us away.

Xenia: Yeah.

Another Evil Wind Man: (In a girls voice) I sure do have that kind of power.

Me: (GASP) That voice!

She reverted back and it was a girl that had blond hair and had orange clothes and a black vest and had elemental aura angel wings.

Me: (GASP) Stella Riley!

Stella Riley: Awesome to see you again J.D.

Nico: Wait a second. I've heard about you. You were in a terrible accident and then this doctor came and did an amazing procedure on you.

Stella Riley: That's right. I'm now a Cyborg. The doctors said that every single bone in my body was broken and I would have died if it weren't for this life saving procedure.

Me: Wow!

My data eyes turned on and I saw that she was given a whole new cybernetic skeleton but was also imbued with the powers of all the members of the L-Ementals including members we never met yet!

Me: Oh wow! You have an awesome Cybernetic skeleton and have all the powers of the L-Ementals!

Stella Riley: That's right J.D. How did you know that?

Me: My data eyes saw what happened. And this is amazing technology that helped you out!

Nico: How did your accident happen if you don't mind me asking?

Stella Riley: I was out playing ball in the street and then I got hit by a huge semi truck and it smashed every single bone in my body.

Me: OOOH! Ouch.

Qin: YIKES!

Stella Riley: Yeah.

Nicole: Who was this doctor that saved you with this?

Stella Riley: Her name is Dr. Leona Correll.

Nicole: (GASP) I know her! She's a colleague of mine and a good friend and she specializes in medicinal nanomechanically enhanced biocybernetics. She is a genius in that field. And has done so many amazing accomplishments in saving peoples lives.

Stella Riley: Wow! That is cool! Also the accident caused my arm to be severed. So she put a new one on and it has all the powers of all the robot masters that Mega Man faced.

Me: Whoa! That is amazing!

Qin: It sure is!

Abby Martin: Are you using wind right now?

Stella Riley: I sure am.

Me: Awesome!

Qin: That is amazing that you have all those abilities.

Me: Yeah. Dr. Wily and his robot masters that Mega Man knows gave us one helluva challenge back then before they joined the Redemption Squad and we killed Dr. Wily.

Maria: It's true.

Stella Riley: That is amazing.

Abby Martin: I'm actually fighting you.

Me: First lets separate the Evil Wind Man from you.

I fired a beam of light and it hit her and separated Another Evil Wind Man from her!

Stella Riley: Whoa! So that's the monster that was in me!?

Me: Yeah.

Abby Martin: This is gonna be awesome.

Nico: Blow this guy away!

Abby Martin: With pleasure!

Nicole: Use Centaur Flash on him Stella!

Stella Riley: Right!

Abby fired a wave of energy and Stella fired a blast of energy from her arm and Evil Wind Man exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was destroyed!

I caught the Wonder Ride Book and it was called The Cyborg Elemental Angel and The Tornadic Fortress of Wind Robots.

Me: Cool title.

Jayden: Go Go Samurai!

He transformed into his Red Samurai Ranger form!

Qin: OH YEAH!

Xenia: This is gonna be fun.

We then heard footsteps.

We turned and saw a dark version of Silver Samurai. It was ANOTHER SILVER SAMURAI!

Me: Another Silver Samurai!

Silver Samurai: This is gonna be a most interesting one.

Another Silver Samurai: (In a girls voice) It sure will and it's going to be fun.

Me: (GASP) That voice!

She reverted back and was a girl with black hair and had a green kimono and she also had Mandarin's 10 Rings on her fingers and she had a red bladed katana made of ruby and she had the kanji for crystal in the middle of her forehead.

Me: (GASP) Kumiko Shoto!

Kumiko Shoto: Good to see you again J.D. and Kenuichio-sensei it's good to see you again too.

Silver Samurai: Kumiko you have grown into an amazing young woman.

Me: Wow Kenuichio I didn't know you were her teacher.

Silver Samurai: There are many things you don't know about me. I taught Kumiko everything she knows in the art of the Samurai.

Kaito: (gets out Ex Aid gear) Did Swartz promise you anything?

Zocks: (gets out Build Gear) Because we can grant it instead.

Kumiko Shoto: I didn't actually get promised anything. I was turned into Another Silver Samurai and I was on my way.

Me: I guess Swartz was a little scared of your fighting prowess in a sense.

Universe 666 Swartz: I think you might be right there J.D. My prime universe self might have been scared of her in a sense.

Me: I guess so.

Kumiko Shoto: In a way yes.

Me: Sorry we have to fight like this though.

Kumiko Shoto: No worries.

She turned into Another Silver Samurai!

Kaito got an Ex-Aid Sword and Zocks got a Build Sword.

Sougo: (gets out Ex Aid Ridewatch) Your teacher has been a great friend to J.D. And you could say that Vypra is HIS teacher.

Armor Time! (retro-styled game music) Level Up! Ex-Aid!

Geiz: (gets out Cross Z Ridewatch) And we do have a Disk Wars version of him in the Redemption Squad.

Armor Time! Wake up Burning! Cross-Z!

Sougo got ExAidArmor while Geiz got CrossZArmor

Me: It's true Kumiko. Kenuichio taught Vypra and many of us everything about the arts of the Samurai too and he is very skilled and wise too.

Silver Samurai: It's true and I'm truly honored.

Another Silver Samurai: I'm glad he is teaching all of you.

Me: Yeah.

Nico: This will be fun.

Eli: It sure will.

Nico: (gets out Silver Samurai's Ridewatch) Let me show you exactly what he taught us.

He activated it and used a deadly technique called the Hiten Mitsurugi-ryū or Flying Heavenly Sword Style and lightning struck her with intense force and smashed her into the ground from the sword he drew.

Qin: WHOA!

Eli: That was powerful!

Xenia: Yep.

Nico: Now lets blow you away! (ACTIVATES EVIL WIND MAN'S RIDEWATCH)

He fired a wind blast and blew her down.

Me: Nice! Kumiko I take it you heard about what happened to Makoto Shishio and how my son Jared faced him right?

Another Silver Samurai: Yeah that was amazing that Jared faced him and won.

Me: Shishio put up an amazing fight and Jared gave him a fight worth remembering. My son is a true man of honor and he always gives his opponents what they want when it comes to a good fight.

Allenby: Yeah my husband is a great man.

Another Silver Samurai: Wow! Jared is a truly honorable man and a great warrior of honor and love.

Me: Yep. Too bad it ended with Makoto Shishio bursting into intense flames like that. You know how that happened right?

Another Silver Samurai: Yeah because of the burns he got.

Me: Yeah. All his sweat glands were destroyed and he had a temperature inside him that was intense! He did say that The Fires of Hell rage inside him.

Another Silver Samurai: Wow. Yeah that was awful.

Me: Yeah. But Jared gave him a true fight to remember.

May: (gets out Cupid's Ridewatch) Feel the power of love!

May activated it and fired an arrow of love and she ducked under it.

POINK!

But the arrow hit something. Then we saw a Crustle!

Me: Hey a Crustle!

Maria: Cool!

Then it jumped Nico and kissed him all over!

Me: (SNICKERS) That is funny.

May: (gets out Universe 666 Swartz's Ridewatch) Swartz might not have offered you anything. But if you want to know his power, here it is!

She activated it and fired a blast of darkness and it hit Another Silver Samurai and separated Kumiko from it.

Me: WHOA!

Kumiko Shoto: So this is what I was turned into! Well then…

She unsheathed her sword and me and Kumiko slashed him!

Crustle: (In a girls voice) Wait! Why am I kissing you Nico?

Nico: Tara Haven III!? Whoa.

Qin: Tara the queen of Crystal! Awesome!

Crustle: That is definitely not how I was hoping to show up.

Maria: No worries.

Me: Now we don't have to hold back.

I slashed Another Silver Samurai and kicked him down.

Maria: (gets out Universe 666 Riot's Ridewatch) Let's start a Riot!

She activated it and got a Symbiote Scythe blade for her arm!

Maria: You know coincidentally, Swartz got mutilated by Nico and May wearing Symbiotes and they ripped out Swartz's heart and made him eat it.

She slashed Another Silver Samurai all over with it.

Me: By the way May, nice job separating Another Silver Samurai.

May: Thanks.

Maria: (gets out Klepto the Crab's Ridewatch) Let's not get crabby!

Maria activated it and fired waves of energy and smashed down Another Silver Samurai.

Abby Martin: Time for this too!

She activated Evil Wind Man's ridewatch and fired wind blasts and smashed Another Silver Samurai all over.

Qin: OH YEAH!

Then Nergal and his team consisting of Ayatoriko, Zor, Raphael the Raven, TTG Mother Mae-Eye and Ovulator came.

Nico: Nice team, Nergal!

Nergal: Hey thanks guys! Who wants pizza after this?

Me: You know I do!

Nico: Yeah!

Crustle: Now I can finish this.

She fired a blast of energy and blasted down the Another Silver Samurai and I caught the Ridewatch and purified it.

Me: Yeah!

May: I'll have to remember to use Universe 666 Swartz's ridewatch to separate the Another Villain from them.

Me: Good idea. Saves time.

Kumiko Shoto: It sure does.

Tara reverted back and she was a girl with blond hair and brown eyes and had brown clothes on and she had a Nautilus Sea Shell necklace.

Tara Haven III: That was awesome!

Nico: Also, I can't help but notice that you have Mandarin's rings.

Kumiko Shoto: Oh after I heard that Kenuichio-sensei joined the Masters of Evil, I was taught under Mandarin too and he gave me his own version of his rings.

Me: That is cool Kumiko.

Nico: It sure is.

Tara Haven III: It sure is.

Laney: Cool seashell necklace Tara.

Tara Haven III: Oh thanks Laney.

Me: That's my favorite seashell. The Nautilus. It was on Earth for over 230 million years.

Tara Haven III: That's right.

Abby Martin: Any favorite memories of Nico?

Tara Haven III: I do have a few but my favorite is when me and Nico discovered an amazing neon blue mineral. We called it Havenite.

Nicole: Wow! That is amazing! Havenite is one of the rarest minerals on the planet.

Qin: That was amazing to see.

Tara Haven III: Yep. It's only found in one place and that is Nunavut Bay, Canada.

Me: All the way up there? Whoa that is very rare.

Qin: It sure is.

Tara Haven III: Yep.

Nico and Tara hugged.

Nico: I've really missed you.

Tara Haven III: Me too Nico.

Me: Lets get back home before we bake here.

I teleported us all back.

We were back home on Earth.

But, we're not letting that sniveling little insane worm do so: this time, we're going to destroy him and he's getting The Black Gates once and for all, and he's never ever coming back.

Lincoln: Whoa, we're here in the west of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we also got bad news: that insane ex-teacher, Mr. Wertz, has broken out of The Saturn Insane Asylum again, and he still wants revenge on us and still wants to take over the world.

TLPS Mr. Wolf: Why, that insane little monster! I thought you and Claire Monroe took care of him after she transformed.

Selene Arcangela: Lincoln did tell me Claire Monroe transformed. (Realizes what she may have done) Oh God, Claire, please tell me you used The Dark Curse of Azathoth on him?!

Claire Monroe: I did, Selene. After we beat him hard into the dirt last year, I used The Dark Curse of Azathoth on him and it drove him even more insane.

Nicholette Torrington: But, even that wasn't enough. So, you know what that means, right?

Lincoln: Yeah, we're not letting that sniveling little insane worm live any longer: we're finally going to destroy him for good and he's getting The Black Gates once and for all, and he's never ever coming back.

Me: I've been waiting for this moment to come!

Nico: Same here, we'll be rid of that insane little monster for good!

Lincoln: But, unlike with many of the other villains we faced on my rescue, we're going to let every last person in Gotham Royal York see us tear that deranged monster Wertz apart for everything he did, and many of us will also curse at him and spit in his face!

Me: Ooh, making it as detailed as possible, that's perfect!

Lincoln: I knew you'd like hearing that, J.D., and I also want to thank you three, Ayla, and Hanna for joining us, Brody, Leeli, Takeru, and Aethia.

Brody: You're welcome, Lincoln. Finally, that insane monster's getting what he deserves in full. Oh, and Alya, you're going to like this. TRIXX, LET'S POUNCE!

Universe 666 Trixx came out of The Miracle Box strapped on Lincoln's back, and then, we saw his long wild white hair, large white wolf ears, eleven massive and long white wolf tails, and massive white angel wings, along with the large royal blue pants turn orange except for the rainbow markings and tips on his tails and large white wolf ears, the aurora and orange tips on the feathers of his angel wings, and rainbow lightning bolts and rainbow flames on the pants.

Alya had an atomic red blush on her face when she saw Lincoln.

Alya: WHOA! That's really awesome!

Lincoln: Thanks, Alya, in this form, I'm known as Renard Rouge.

Eini: Ooh, now that's a really good name.

Nora: Nice one, and an awesome companion for Alya when she turns into Rena Rouge.

Alya: Speaking of which.

Alya turned into Rena Rouge.

Fei Wu: Now, let's hunt down that deranged monster.

Suddenly, we saw Elemental HERO Rampart Blaster appear before us, and with it are the eight girls.

Nico: Whoa, that's Elemental HERO Rampart Blaster, cool!

Jaden: And another of my Elemental HEROS.

Elemental HERO Rampart Blaster: (Girl's voice) Looks like we got here just in time, and I got the girls away from Wertz before he could kill them.

Lincoln: (Gasps) That voice, Allison Braxley, I knew it was you!

?: YOU FOOLS WILL ALL DIE FOR RUINING MY PLANS TO TAKE OVER THE WORLD! (LAUGHING DERANGEDLY)

Lincoln: Great, there's no mistaking that deranged laugh from anywhere.

We then saw our target, the deranged monster Wertz, and he was still as insane as ever, but he's now become even more insane due to the after-effects of Claire Monroe's Dark Curse of Azathoth.

Selene Arcangela: Damn, I knew Claire's curse was deadly, but this… , I never thought I'd ever see it again!

Lincoln: Well, we've already had it up to hear with you, Wertz.

Then, everyone in Gotham Royal York arrived.

Man: And so have we! Team Loud Phoenix Storm was right to have thrown your insane butt in jail all those years ago, you're no teacher, you're nothing but an insane nutjob who should've been locked up in the nuthouse and euthanized!

Woman: I don't even know how you managed to slip in to the school, but you should've been fired and out on your butt the second you tried to go after the Supernoobs and take over the world for your own selfish purposes!

Wertz: SILENCE, BITCH! YOU DARE TO TALK TO YOUR NEW RULER?! I'LL KILL YOU ALL, YOU PIGS! (LAUGHING DERANGEDLY)

Me: As if we'll EVER bow down to a deranged fucked up lunatic like

you!

Lincoln: Okay, now you've gone and crossed it, you now threatened an innocent life, and now, you're going to pay the ultimate price in the most gruesome manner imaginable. Let's rip this jerk apart and broadcast his death to the entire world!

Everyone got out their phones to start filming: this was going to be one good fight and everyone is going to see it.

Eli: Everyone's got their front row seats to the ultimate beatdown and execution of Wertz!

Me: Now, we have to deliver their promise, bro.

Nico: Time to say your goodbyes, Wertz, this shall be the last time you ever break out to cause us any grief again!

Lincoln: You've already proven to us time and time again, you will always be nothing more than an insignificant deranged little worm with disregard for all life on Earth and the universes beyond, and there's no place for you in it. We should've killed you last year, but now, we're going to correct that and send you to your death once and for all!

Sylvester: We're already done talking to you, now it's time for you to die, you mook!

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Me: LET'S RIP HIM TO FUCKING SHREDS AND SPIT ON HIS REMAINS!

We proceeded to then tear him apart by slashing at him with our massive greatswords and daggers, even Lincoln and I slashed at him with our claws and we drew more blood. Then, we blasted him all over the place!

Alya: Let's use some foxfire on this monster, Lincoln.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, you're talking, Alya!

Lincoln and Alya played a beautiful melody on their flutes, and then, Wertz got burned badly by wisps of foxfire that appeared from nowhere and attacked him. Then, Lincoln made eleven flames of fox fire appear on the tips of his eleven tails and he flung the flames at Wertz and he got burned really badly.

Man: YEAH! NICE ONE, LINCOLN AND ALYA! AND FUCK YOU, WERTZ!

Nico: You heard the man! FUCK YOU, YOU DERANGED MONSTER!

Everyone began jeering and cursing Wertz and they called him every single name anyone can list, and Maria made sure to cover the ears of Lincoln's newborn infants and put them in their cribs for a nap.

Maria: Sorry, kids, but I don't think you want to hear any of that coming from your parents' mouths.

Liam: Jeez, I never knew Lincoln could curse like that at Wertz, along with his sisters and parents.

Carmen: We did hear Luna curse at TTG Robin years ago, and man, did she have a mouth on her.

Carol: I didn't forget about that.

The cursing and jeering from everyone including us made Wertz so unstable, he screamed with total and deranged insanity as he tore his hair off: WERTZ HAS NOW GONE ABSOLUTELY BAT-SHIT INSANE, AND HE'S NOW EVEN WORSE THAN DENZEL CROCKER, AND HE'S ABOUT TO HAVE A REAL BAT-SHIT

INSANE VILLAINOUS BREAKDOWN!

Wertz: TEAM LOUD PHOENIX STORM, TEAM LOUD PHOENIX STORM, TEAM LOUD PHOENIX STORM! EVERY SINGLE FUCKING TIME I'VE HEARD OF YOUR ACHIEVEMENTS AND YOUR NAME, IT DRIVES ME ABSOLUTELY FUCKING INSANE TO NO FUCKING END! YOU FOOLS HAVE ALL RUINED ALL OF EVIL'S GLORIOUS PLANS AT EVERY SINGLE FUCKING TURN, IF YOU HADN'T STUCK YOUR STUPID NOSES INTO EVIL'S PLANS, THE WORLD AND EVERY LAST FOOL ON IT WOULD BE BOWING AT EVIL'S FEET, AND I WOULD'VE FINALLY DESTROYED ALL LIFE ON THIS PATHETIC PLANET AND IN THE UNIVERSES BEYOND! FUCK YOU ALL, I HATE YOU ALL, TEAM LOUD PHOENIX STORM, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HATE, HHHHHHHHHAAAAAAAAAAAAAAAAAATTTTTTTTTTTTEEEEEEEEE!

Wertz had a really extreme villainous breakdown, and our energy auras flared up extremely as we all gained a massive power and energy boost from his extremely dangerous and powerful hatred.

Nico: Damn, now that was an even worse villainous breakdown than Evil Sebastian's!

Me: Yeah, along with many of the other villainous breakdowns of several villains we've hated.

Goku: I don't know if any of us had told you this, but, before he was freed, we had seen Sebastian's breakdowns more than once, and during many of those times, he'd cut himself and let his own blood spill out.

Me: Wait, what?!

Nico: (Gasps) So, that explains why I also saw that he had… !

Sebastian Mendez: Bandages around my arms. (Sighs) Yeah, it's true. But, we'll save that for much later, time for the grand finale.

Lincoln changed back as his long wild orange hair, large orange wolf ears, eleven massive and long orange wolf tails, and massive orange angel wings change back to white, along with the large orange pants changing back to royal blue except for the rainbow markings and tips on his tails and large white wolf ears, the aurora and orange tips on the feathers of his angel wings, and rainbow lightning bolts and rainbow flames on the pants, and Universe 666 Trixx went back into Lincoln's Universe 666 Miracle Box.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We've already had our fill of humiliating and degrading you even further, and that extreme breakdown you had was more than enough. Now, it's time to destroy you for good.

Lincoln grabbed Wertz by the neck and threw him into the air, and then, the Seven Dragon Balls on his Dragon Ball Bracelet glowed and seven beams of red negative energy formed into a massive red energy ball, and he condensed it to the size of his body.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Goodbye forever, Wertz. NEGATIVE KARMA BALL!

Lincoln fired the Negative Karma Ball and as it hit Wertz, it exploded with incredible power and Wertz was killed in the resulting explosion. Then, Wertz' spirit appeared, and he was really peeved now!

Wertz: You think you've won?! YOU THINK THIS IS ALL OVER?! I'LL BE BACK, AND I'LL MAKE SURE TO KILL EVERY LAST ONE OF YOU!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done… forever!

Lincoln drew the Judgement Kanji on Wertz' head, and every single spirit he'd wronged in the past had seized him as he was found guilty and he was fading away forever.

Wertz: NO! NO! DAMN YOU, DAMN YOU, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

Wertz was erased by The Black Gates forever. We cheered as we holstered our weapons and powered down. Everyone cheered wildly and loudly for what we did: WERTZ IS FINALLY DEAD AND GONE AND THAT DERANGED MONSTER'S NEVER COMING BACK!

Me: It's been a long time coming, but it was really worth it.

Nico: Plus, everyone got to see the show for themselves, and they even helped us out by cursing and jeering at Wertz like crazy. Man, everyone had just about had it with that deranged monster.

Lincoln: Yep, and now, we're through with Wertz forever, and this time, he ain't never coming back. (To Allison Braxley) And it's so good to see you again, Allison Braxley.

Allison Braxley reverted back to normal, and she's a beautiful girl with long red hair, red eyes, she was tall at 7'0" in height, she has a really strong and powerful muscular physique and ample breasts, tanned skin, she has massive and beautiful red angel wings, she's dressed in a sleeveless white top, red shorts, red knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with earth, plants, leaves, and earth angels on the coattails and on the back is Elemental HERO Rampart Blaster, and holstered on her back is a massive Elemental HERO Rampart Blaster-themed greatsword with embedded red gems and Elemental HERO Rampart Blaster etched on the 7'0" massive, wide, double-edged red blade, large red phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel.

Allison Braxley: You too, Lincoln, it's been a long time.

Lincoln went up to Allison Braxley and he hugged her, and Allison Braxley is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Allison Braxley: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Allison Braxley, Gene-Slammer of Elemental HERO Rampart Blaster, she's my Guardian Angel from Michigan, she's a very powerful and also a very physically strong athlete who was born with superhuman strength, and she's also a skilled wilderness survival expert. Plus, she's also a seductive and one sexy hot mama who's flirted and made out with me more than once, and she loves me with all her heart and she knows to share me among the other members of my harem and fellow Guardian Angels.

Luna: We almost busted out laughing seeing our bro's face being smooshed by her chest as she was hugging him.

Lori: And she was also kissing him all over the place and he had a love struck look on his face.

Earth: Like how we always make out with him.

Monica Anniston: Exactly, Earth. Allison Braxley's also a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages.

Allison Braxley: But, we always saw her coming when we see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet.

Me: Yeah, the smell of her sweaty pits tends to make us sick.

Selena Arcangela: But, Allison and the other Elemental HEROS of Earth along with Lincoln had more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents.

Nico: Dang, and is she really that strong, Lincoln?!

Lincoln summons a 900,000,000,000,000,000-lb barbell, and Allison Braxley lifted it with one hand and we saw just how strong she really is, and my jaw and Nico's hit the floor.

Qin: (Whistles) Damn, and I thought many of our friends were that strong, but whoa!

Allison Braxley: And you're going to hear how Linky and I took that animal, Lynn, down when she was on another rampage again. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Allison?

Allison Braxley: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Allison Braxley: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Allison Braxley, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with

elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Allison Braxley: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Allison Braxley's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Allison Braxley: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Allison Braxley.

Allison Braxley had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw who they were, he immediately recognized them. The eight girls are Hisoka, Izen, Minako Sango, Nei, Souka, and Yuri from Gadget Trial and Glamrock Baby and Glamrock Ballora.

Lincoln: Oh wow, it's Hisoka, Izen, Minako Sango, Nei, Souka, and Yuri from Gadget Trial and Glamrock Baby and Glamrock Ballora.

Nicole Whoa, awesome.

Lincoln: Are you girls okay?

Hisoka: Yes, we're okay, thanks to you.

Hisoka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Hisoka: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hisoka, Izen, Minako Sango, Nei, Souka, Yuri, Glamrock Baby, and Glamrock Ballora with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team greeted us with hugs.

Maria: We caught the whole thing on TV, man you guys really ripped into Wertz big time, and we also caught his villainous breakdown!

May: It was even more extreme and louder than Evil Sebastian's.

Me: We really tore into Wertz big time, and we made him pay for everything he's done.

Lincoln: And we finally killed him and sent him to join Jock in The Black Gates forever. That'll teach that deranged freak never to come after us ever again.

Nico: That's for sure.

* * *

After finally getting rid of Wertz and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Allison Braxley saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Allison Braxley: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Allison, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Allison Braxley: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Allison Braxley: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Allison, what's the story on how you and Lincoln took down Lynn whenever she goes on her massive rage-fueled rampages?

Allison Braxley: That's something I'll never forget, and I got a video to show the story.

Allison Braxley pulled up the video as it played on the big screen. There we see Allison Braxley and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and Allison Braxley was doing the same routine as Lincoln. Suddenly, they heard a loud thunderous belch in the air.

BBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUUUURRRRRRRRRR

Past Selene Emperyous: What the heck was that?!

Then, they caught the stench of sweaty armpits and smelly feet, and there was only one person who could make that loud thunderous belch and have the stench of sweaty armpits and smelly feet.

Past Laney Emperyous: Oh no.

Past Allison Braxley: It's Lynn, she's here, I can smell her sweaty armpits and smelly feet from a mile away. Ugh, she smells like a week old gym bag!

Past Lincoln: Everyone, get ready!

Lincoln and his Guardian Angels stood ready, and then, the doors burst open, and there stood Lynn with red eyes and her mouth was foaming. Then, Lynn roared and she charged at Lincoln and Allison Braxley, but Allison Braxley punched Lynn hard in the face and sent her flying out of the gym, and they all followed. Lynn got up and she roared and beat her chest like a gorilla.

Past Lincoln: Come on, Allison, let's get her!

Lincoln and Allison Braxley went after Lynn, and they proceed to beat her into the ground and they showed her no mercy whatsoever. Then, Lincoln knocked Lynn out with a knockout punch, and then, he tied her up in red energy ropes so she couldn't escape, and Allison Braxley ran up to Lincoln and they kissed, as the video ends and we cheered.

Maria: Damn, Lynn, you always wanted to start trouble with your bro, but you should've known you were in for a brutal beatdown.

Lincoln: Lynn's Dark Side made her completely hard-headed, she may be strong, but Isabella and I were stronger, and we knew how to wrangle her in.

Allison Braxley: And I was shocked to find out it was Principal Huggins' Dark Side that did this and turned Lori, Lynn, Lola, Lisa, and Luan into outright monsters.

Lincoln: He's recovered greatly, but, we also found out the one person that's responsible for turning Principal Huggins into the very jerk who wanted me dead was Chase Young.

Allison Braxley: WHAT?!

Anna Anyanova: It's true, Allison, Chase Young was the one responsible for turning Principal Huggins into the killjoy jerk we hated and who also gave him that Dark Side Creation Serum that turned Lori, Lynn, Lola, Lisa, and Luan into the outright monsters we pulverized, he was the true source of all of Lincoln's pain and suffering, along with what he did to Sebastian. We separated Chase Young from his dark side, and we made him pay for 1,500 years of evil and we sent him to The Black Gates.

Allison Braxley: Good, he was scum!

We got a shower, and then, Lincoln, Sophie, Cosette, Nini, and Gena are heading to Yoshi's Tropical Island.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Sophie, Cosette, Nini, and Gena were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Sophie, Cosette, Nini, and Gena fell in with Lincoln, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Melania Narcissa has sent some thugs to kill them.

Sophie: Whoa, so our first date's here in Yoshi's Tropical Island, nice.

Lincoln: I knew that you, Cosette, Nini, and Genawould love it, Sophie, and it's perfect for our first date. Shall we?

Lincoln, Sophie, Cosette, Nini, and Gena dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Sophie, Cosette, Nini, and Gena got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Melania Narcissa's hired thugs coming after them and Lincoln fired blasts of blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Sophie, Cosette, Nini, and Gena, and they hugged the girls in their abnormally massive and powerful muscular arms, and Sophie, Cosette, Nini, and Gena placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Yoshi's Tropical Island, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sophie, Cosette, Nini, and Gena with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Alisa Barela, Phoebe Powers, and La Tormenta are now in your harem.

Jenna: Flip has got some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Lincoln: And we also had a run-in with Melania Narcissa's hired thugs, but I killed them all, and this is going to piss her off in 3… 2… 1!

Suddenly, we heard Melania Narcissa scream with extreme hatred and rage.

Maria: Yeah, up yours, bitch!

Nico: Serves her right, but she'll get hers later on today.

---

Later it was time for Flurry Heart's final mission,

William: Anyone else want to go with Flurry Heart? Besides the Ex Aid Riders and Andros?

Biscuit Oliva: I think I'll go. I just have a feeling that I should.

Lincoln: Me and my siblings will go.

Ruby Kirlian: And so will I. I think this is gonna be awesome.

Qin: It sure will.

Nico: Okay lets go.

We were off to Phoenix, Arizona.

We arrived.

Michael: Hey guys!

Rui: What's happening?

Me: Not much.

Flurry Heart: Michael, meet the Ex Aid Riders and Andros.

Emu: Awesome to meet you guys. Emu Hojo.

Taiga: Taiga Hanaya.

Lincoln: I'm Lincoln Loud and these are my siblings.

Everyone introduced themselves.

Michael: Wow! That's a lot of kids!

Me: It sure is and yes their mom and dad all thought it would be cute if all their names started with the letter L.

Eli: It's true.

Me: (Whispers to Michael) Their family has been one that never believes in condoms.

Michael snickered at that remark.

Ruby Kirlian: I'm Ruby Kirlian, one of Lincoln's Guardian Angels and gene-slammer for Red-Eyes Darkness Dragon.

Michael: Pleasure to meet you.

Biscuit Oliva: And my name is Biscuit Oliva.

Michael: Pleasure.

Kuruto Dan: There's something else you should know too. I'm not just Kuroto Dan. (to the heavens) I am… GOD Kuroto Dan! (laughs crazily_

Kiriya: (chuckles) Don't mind him. He's always like this.

Me: My daughter Nicole put him on a huge punishment. But he is a great game villain too once you get to know him.

Lincoln: He sure is. Also my guardian angel Noir Wendoma the gene-slammer for Dharc the Dark Charmer is his archenemy.

Michael: Wow! That is amazing. How many Guardian Angels does Lincoln have?

Me: Numerous.

Nico: You wouldn't believe how many of them there are.

Rui: Lincoln has lots of them and they are amazing.

Then a bunch of people came.

Michael: Guys, meet Nett, Bitt, Marcia, and Secc from ONBS. And Perr from Gateon Port.

Nett: Hello there.

Bitt: Awesome to meet you.

Marcia: An honor to meet the famous Team Loud Phoenix Storm.

Twilight Sparkle: Same here to you guys.

Sunset shimmer: It's an honor to meet you too.

Perr: We're honored.

Wes: Perr, Nett, Bitt, Marcia, and Secc used to be part of the Kids Grid from the Under before said Under got shut down.

Michael: And Perr's grandfather helped make the Robo Kyogre, which was the main transportation I used to get to Citadark Isle the first time

Me: Wow! That is amazing.

Nico: It sure is.

Flurry Heart: A Robo Kyogre? That sounds amazing.

Lincoln: It sure is.

Laney: Yeah no kidding there.

Lily: I agree there.

Cadance: That sure is amazing.

Marcia: (to the Mascots) Are you really talking Pokemon?

Poromon: Well, I'm a Digimon. The rest of us are Pokemon.

Nico: The mascots have done a lot of crazy things that most Pokemon don't usually do.

Poromon: Two of those crazy things we're saving for the big day.

Perr: What about one of the others?

Poliwag: Well, recently, we got into watching… educational videos.

Bitt: Can we see one?

Horsea: You sure, even with Jovi there?

Secc: How bad can it be?

Me: Oh boy.

Nico: This will be good.

Manaphy: (plays Grand Theft Mario) Ok. Don't say we didn't warn you.

Bitt: Robot Chicken Sketches? How are those educational?

Me: No flipping idea.

Nico: Yeah.

Mario & Luigi are driving on their Kart when suddenly they notice the bridge is out.]

Luigi: Oh no, Mario! The bridge, she's-a closed.

[Upon taking a detour, they come to a fork in the road.]

Mario: Uh, which way-a should we go?

[They choose the right path, upon which they enter Vice City from the Grand Theft Auto series. Suddenly their Kart's front-right tire blows out.]

Luigi: Oh, look at that! We got a flat tire!

Mario: Look! A repair garage. I'll pull in there.

[The Mario Brothers enter the garage. When they come out, they are in a different car.]

Mario: Ah! Mamma mia! Luigi, we've got a pimped out ride!

[The car lifts on its wheels, and the Mario Brothers drive over to a parking meter and stop.]

Luigi: We need-a some coins, Mario! We have-a no money!

Mario: Leave-a it to me!

[Mario goes under a brick building. He tries to smash it to get coins, but just bangs his head instead. Luigi rushes over.]

Luigi: Mario! Are you okay?! Oh, look. It's a turtle!

[A little girl is walking her pet turtle on a leash. Luigi, thinking it's a Koopa Troopa, jumps on it and kills it.]

Little Girl: What are you doing?! You just killed my turtle!

Luigi: Oh, my god! Uh, I'm-a so sorry!

[Five stars representing the Wanted Level appear in the upper-left corner of the screen. One fills in. A policeman arrives on the scene.]

Cop: Hey, what's going on here?

Mario: Luigi! Let's get out of here!

[Mario and Luigi flee the scene. Another star fills in as the cop shoots at them. The Mario Brothers drive up to a hooker and mistake her for Princess Peach.]

Mario: Look, Luigi! It's the princess! [to hooker] Princess, you must-a come with us!

Hooker: I'll suck your #$% for fifty bucks.

Mario: PRINCESS!

Luigi: Do you accept-a the coins?

Mario: Come on, a-princess! We've got to go!

[They grab the hooker and flee. Another star fills in as a pimp spots them.]

Pimp: Nuh-uh! Uh-uh! No, that's my bitch! [He shoots at them, wounding Mario.]

Mario: Oh no! I'm-a hit! What is this?!

Hooker: That's blood, baby.

Luigi: Oh, Mario! We need to find you some-a mushrooms so you can-a-heal!

Hooker: I know just the guy.

[They drive up to some drug dealers. One of them offers a "Magic Mushroom" to Mario.]

Dealer: [gives Mario a Mushroom] This is some really good shit, man.

[Mario eats the mushroom. When he is finished, his eyes swell up.]

Mario: [laughs] Wow! I feel-a really good! Look at the pretty colors. Ha-hi! Hoo-hoo! Hee-hee!

[The hooker and the drug dealers all flee. Another star fills in as the Mario Brothers are pursued by the police.]

Luigi: Cheese it! It's-a the fuzz!

Mario: Ah-ha-ha! I-a feel so funny! Look, there's-a coins everywhere! [hallucinates coins on the road] Ha-ha! I'm-a rich!

Luigi: Mario, no!

[The coins are revealed to be pedestrians as Mario runs them over. Filling the Wanted Level to the fifth and final star.]

Luigi: No, Mario, no! I think I should-a drive!

[They crash and fly out of the car. Mario snaps out of his drugs.]

Cop Number 1: Freeze! Put your hands in the air! [The Mario Brothers do so. Unfortunately, Luigi has a wrench.]

Cop Number 2: Ah! He's got a wrench! Take him down!

[The cops shoot Luigi.]

Mario: Nooooooooooooooooooo!

Luigi: Aaah! Mamma mia! [chokes and dies]

Mario: He's-a marinating in his own Ragù! You killed-a my brother! YOU SONS OF-A BITCHES!

[Mario draws an M3 submachine gun and fires, killing the cops and blowing up the police cars. He then does the same to the helicopter, causing it to crash into a nearby building. A group of SWAT officers and federal agents show up.]

Mario: YOU'LL NEVER TAKE ME ALIVE! YOU MOTHER-

[The squad opens fire and Mario is struck by a hail of bullets. After multiple shots, he falls to the ground dead and a pool of blood forms around him. The screen fades to black.]

[Yoshi is driving on his Kart and comes to the fork in the road from the beginning. He chooses the left path.]

Yoshi: Hmmm… Raccoon City sounds lovely!

[Yoshi enters Raccoon City from the Resident Evil series when suddenly a horde of zombies appears.]

Yoshi: What?! AAAAH! AAAAAAH!

[The sketch and the episode as a whole ends with Yoshi being devoured by the horde. His head is torn off and thrown to the side.]

When it was done they were shocked.

Me: I saw that one before.

Eli: Yeah.

Poromon: Let us break this down for you. One of the bridges in the Mushroom Kingdom is under construction, so Mario and Luigi end up driving through Vice City from the "Grand Theft Auto" series.

Poliwag: Everything starts escalating once Luigi crushes a girl's turtle, thinking it was a Koopa Troopa.

Manaphy: What sends the brothers off the edge is Mario consuming real-world mushrooms that you don't add to your salad.

Horsea: After rampaging through the streets like most "GTA" players, Mario has a stand-off with the law and gets gunned down along with his brother.

Poromon: Hey, don't look at us like that. We gave you guys fair warning.

Poliwag: The moral is to never go to crime infested places like Vice City.

Me: That is true. I've always hated that game Grand Theft Auto.

Nico: Yeah it's NOT fun.

Eli: It sure isn't.

Me: That is one of the games that I have blacklisted.

Bitt: I see.

Laney: Yeah.

Bitt: Anyway, we analyzed the data you guys got from the Cipher Lab.

Me: What did you find?

Bitt: It's not good. XD002 is a Shadow Mewtwo!

We gasped!

Me: Whoa man!

Eli: That one is going to put up a huge challenge!

Nico: Yeah.

Me: Yep.

Nico: It makes sense when you think about it. Mewtwo IS the ultimate Pokemon next to Arceus.

Me: Well Arceus is infinitely more powerful than Mewtwo. They don't call him the Pokemon God for nothing. But yeah.

Nico: And my friend Missy Rodgers is a Mewtwo Gene-slammer too. She'll be evenly matched with it.

Me: A total stalemate.

Nico: Yep.

Professor Krane: I've saved up a little something just in case something like Shadow Lugia came up again.

Me: What is it Professor?

Eli: I have a feeling I know what it is.

He got out a Master Ball.

Me: Is that what I think it is?

Michael: Another Master Ball?!

Professor Krane: We've been busy making another one in case of another XD001 incident. Michael, you and Wes to to have the previous 2. So I want Flurry Heart to have this one.

Flurry Heart: Wow! Thanks Professor.

Me: I have a feeling we'll be needing it too.

Eli: Same here.

Wes: Guys, I'd like to take you guys to Outskirt Stand, where I first started my journey.

Me: Sure Wes. (WHISTLE)

I called my Rapidash and got on.

We were off to Outskirt Stand.

We arrived and it was a nice place.

Nico: This looks like a gasoline stand mixed with a diner.

Me: Like an auto repair shop and diner.

Laney: Yeah.

Lily: At least it's not one out in the middle of nowhere though.

Sunset Shimmer: That is true there.

We went in.

Willie: Wes! Aren't you and Michael a sight for sore eyes?

Wes: Hey Willie.

Michael: Been a while.

Willie saw us.

Willie: Team Loud Phoenix Storm! What an honor to have you here.

Me: Pleasure to meet you Willie.

Willie: Why don't you guys come inside and and get something to eat. And buy some stuff too. After all, this is your final day here for a while. I reckon nothing eventful's gonna happen.

Me: I could use a little snack.

Nico: Me too.

We got some grub.

Flurry Heart: Can I get some Ultra Balls?

Willie: Sure.

She got some. She was going to need plenty of them just in case there were Ultra Beasts present.

Lola: Good food here.

Willie: Thank you kindly.

We finished eating and then we heard a noise.

We went outside… and saw 6 Cipher Peons. One was Red, one was Blue, one was Brown, one was Yellow, one was Purple, and one was Green. Michael knew who these guys were.

Michael: (groans) And just when I thought I was rid of you guys.

Resix: We are sextuplets! We are! We are! We strike terror throughout the land! For we are the HEXAGON BROTHERS! (to his brothers) Sound off! One!

Blusix: Two!

Browsix: Three!

Yellosix: Four!

Purpsix: Five!

Greesix: Six!

Resix: Ha! We got the sound off right this time!

Nico: You guys remind me of the Ginyu Force.

Ruby Kirlian: They sure do. So you guys are the Hexagon Brothers. My name is Ruby Kirlian and I'm the gene-slammer for Red-Eyes Darkness Dragon. I'm your archenemy.

Resix: Awesome to meet you Ruby.

Me: Your outfits make you look like you're one of each color of the rainbow.

Browsix: Yeah we do look like it don't we. The only color missing is orange. I'm brown actually.

Me: That makes sense.

Blusix: Did you miss us, kid?

Michael: No. What do you guys want?

Yellosix: To refine our skills after being out of action for too long.

Purpsix: And we also get a shipload of Shadow Pokemon too! And we'll show them to you first before our regular Pokemon!

Greesix: Don't purify them just yet though. We want to show you guys our true sixfold power!

Resix sent out Emboar, Simisear, Heatmoar, and Victini. Blusix sent out Samurott, Simipour, and Basculin. Browsix sent out Krookodile, Landorus, Sandslash. Yellosix sent out Eelektross and Magnezone. Purpsix sent out Garbodor and Drapion. And Greesix sent out Carnivine, Simisage, Serperior, Lilligant, and Maractus.

Me: WHOA! That's a lot of Pokemon!

Rui: (gasps) All of those are Shadow Pokemon!

Nico: WHOA!

Flurry Heart: This is gonna be interesting!

Resix: NOW, we'll show you guys our regular Pokemon

Resix sent out Magcargo and Camerupt. Blusix sent out Kingdrag, Seaking, and Metagross. Browsix sent out Noctowl and Slaking. Yellosix sent out Lanturn, Manectric, and Magneton Purpsix sent out Muk, Tentacruel, Weezing, and Crobat. And Greesix sent out Ludicolo, Vileplume, Cacturne, Breloom, and Forretress.

Me: Geez!

Nico: What an army!

Eli: This is gonna be awesome!

Lola: Wow no kidding!

Me: We're going to neet some heavy firepower for this one!

I knelt and prayed to Arceus.

Me: Arceus we are in need of help. We are facing the Hexagon brothers and they have a massive army of Shadow Pokemon and their regular Pokemon.

Then Arceus came out of a portal.

Arceus: I heard your prayer.

Resix: Arceus!?

Wes: Who are you?

Another Captain Frightbeard: (In a girls voice) (Russian Accent) I believe that J.D. knows me.

Me: (GASP) That voice.

She reverted back and it was a girl with ocean blue hair, aqua blue eyes with ocean blue sclera, had a narwhal tattoo on her right arm and had ocean blue clothes and had ocean blue angel wings and she had the symbol for the water skylanders on her skirt and in the middle of her forehead.

Me: (GASP) Anastasia Cabanovich!

Anastasia Cabanovich: Good to see you again comrade J.D.

Me: Same to you.

Nico: You know her?

Me: I sure do. Anastasia is from Russia and she is an amazing swimmer and is also a worker at the Mall of America Aquarium and works with Narwhals.

Anastasia Cabanovich: That's right and I am also the gene-slammer for Chill.

Eli: Whoa!

Lana: Chill is awesome and cool!

Rarity: Oh she sure is darlings. Chill is an amazing master of the Narwhal.

Anastasia Cabanovich: That is right Rarity.

Me: We'll free you from this.

I fired a wave of light and separated her from Another Captain Frightbeard!

Anastasia Cabanovich: Wow! Thanks comrade J.D.

Me: You're welcome.

She came over to us.

Ex Aid Riders: Henshin!

Andros: Let's Rocket!

Michael sent out Moltres, Zapdos, and Articuno. Wes sent out Suicune, Piloswine, and Medicham.

Andros and the Ex-Aid Riders transformed and were ready!

Emu (gets out Moonstone's Gashat): I'm gonna clear this with no continues.

Resix: This is real life, man. There ARE no continues!

Me: That's his battle cry.

Victini and Heatmor charged at Suicune.

Suicune blasted them with Aurora Beam and Arceus blasted them with a water blast and smashed them down.

Emu activated it.

MOONSTONE'S FLIGHT OF THE MOONLIGHT!

He fired waves of energy and blasted them down.

Hiiro: Commencing Shadow Pokemon removal operation.

Blusix: This is one operation you're gonna fail!

Me: We'll see about that!

Basuclin charged at Hiiro.

Ruby Kirlian: Take this! INFERNO DARKFIRE!

She fired powerful fire and blasted the Basculin down.

Lola: Nice one!

Michael's Zapdos landed near Hiiro and they both nodded at each other.

They fired waves of lightning and blasted the regular Pokemon all over.

Arceus fired waves of fireballs and blasted the rest.

Biscuit: Time to punch your lights out!

Biscuit fired a blast of energy and blasted down Another Captain Frightbeard and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Narwhal Warrior of Water and the Hideous Freak Pirates.

Me: Fitting.

Laney used her plant powers and ensnared the Shadow Pokemon and tied them up

Parado: Now my heart's boiling.

Browsix: I'll make sure you have a heart attack!

Landorus charged at Articuno.

Articuno fired an Ice Beam and froze it.

Ruby Kirlian: Here's this. INFERNO DARKFIRE!

She fired a fire blast and blasted Landorus down!

Lola: Oh yeah!

Browsix: Wow! Your fire powers are intensely powerful!

Ruby Kirlian: I get that a lot.

Me: Also Browsix you guys should have watched the Kamen Rider Series.

Kiriya: Now we're revving it up!

Yellosix: And I'll make sure you crash!

Eelektross and Magnezone charged at Piloswine.

Plioswine rammed them down and fired a wave of ice and froze them.

Lola and Sunset Shimmer fired waves of fire and blasted them down.

Eli: Top this!

Eli fired waves of Force Lightning and electrocuted them all over.

Kuroto Dan: I'll clear this even if means using continues.

Purpsix: Oh, you're gonna need them!

Muk swallowed Kuroto, taking out 1 of his lives as he dissolves. As Kuroto came out of a Warp Pipe, his life counter went down to 99.

But just as quickly as he came, Crobat knocked him down, taking out another of his lives as he dissolves again. As Kuroto came out of a Warp Pipe, his life counter went down to 98.

Kuroto Dan: Lost 2 lives already!

Me: Nicole gave you infinite lives remember?

Purpsix: It won't be long before my Pokemon take out the rest of them!

Kuroto: Oh right.

Nico: (gets out Silver Samurai and Deker's Ridewatches) Not gonna happen!

Nico activated them and slashed them all.

Medicham charged at Crobat.

Medicham rammed it down.

Taiga: Mission start.

Greesiz: It won't be one you're completing so easily!

Carnivine bit down on Taiga's head as Maractus charged at him.

Andros: (gets out Overdrive's Gashat) James knows your pain, Taiga.

Moltres got in Maractus' way.

Andros activated it.

OVERDRIVE'S STELLAR VEHICLE ONSLAUGHT.

He fired waves of stars and blasted Carnivine.

Michael: (gets out Regice, Regirock and Registeel's Gashat) Flurry Heart, I hope what you gave me works.

Flurry Heart: Oh it will.

Michael activated it.

The Titans Journey Through the Tree of Beginning!

He fired waves of earth, metal and ice and blasted down the rest of the Regular Pokemon.

Then a Scrafty came.

Me: Hey a Scrafty!

Kingdra tried to charge at the Scrafty but Horsea got in his way.

Kingdra: (You remind me of when I was a young boy.)

Horsea: Glad I could remind you of the past like that.

Horsea fired a Hyper Beam blast and blasted Kingdra down.

Scrafty: (In a girls voice) Thanks for that one.

Nico: (GASP) Jackie?

Me: Uh oh no last name. I have a feeling this one is going to be a dark one.

Emu: Why don't I try snagging one of them?

Me: Go for it.

He fired a snag ball and purified the Victini and we got a power boost!

Andros: Let me try next!

Andros used a Snag ball on Heatmoar and caught it and purified it.

We got a power boost!

Me: COOL!

Flurry Heart: Way to go Andros!

Scrafty: Let me weaken the rest first! (CUPS HANDS) MAELSTROM KAMEHAMEHA!

She fired a water Kamehameha Blast and blasted the rest of them down and Flurry Heart caught the remaining Shadow Pokemon with snag balls and purified them and we got an explosive power increase!

Flurry Heart: OH YEAH!

Lola: That was awesome!

Me: A Water Kamehameha!? Whoa!

Eli: I can tell that she showed us what her favorite memory is.

Resix: At least we still have our regular Pokemon, right?

Ruby Kirlian: You sure do. I had an awesome time fighting you guys.

Resix: You sure did Ruby.

We had the Hexagon brothers sent to the M.O.E.

Me: Nice job guys!

Emu: Jackie, is your backstory dark?

She reverted back and was a girl with brown hair and had tattered clothes. She was wearing a torn up red shirt and blue pants and had no socks and shoes.

Me: Oh man. Those clothes have seen better days.

Jackie: Yeah. It's because of my parents. They were extreme insane.

Me: Insane? Uh oh.

Jackie: They thought I was a terrible burden to them! (CRYING HARD) THEY TOLD ME TO LEAVE THE HOUSE AND NEVER RETURN! THEY FORCED ME OUT ONTO THE STREETS! I WAS LIVING THERE FOR 10 YEARS!

She cried and wailed hard and Nico went and comforted her.

Me: Oh my god.

Eli: Poor girl.

Me: Lets see.

I looked up her parents info.

Me: Nico what are her parents names.

Nico: Ron and Carolyn Evans.

I looked it up and what I found out was shockiing!

Me: Oh man! Those are not their real names! This is going to hurt Jackie more. Their real names are Ken and Mikaela Ronalds. They were committed to a maximum insane asylum after being diagnosed with paranoid schizophrenia and they escaped from it 15 years ago and changed their appearance and identity and lived normal lives. But these guys are extremely dangerous to themselves and to others.

Emu was shocked at this, Poppy was crying, Hiiro, on the inside, was considering on murder, Taiga simply pissed off, Kuroto was letting out some colorful language, and Parado was about to vomit.

Kiriya: (sees where Parado was aiming his vomit) Oh, don't even think about-

Parado vomited all over Kiriya.

Me: OH SICK!

Nico: Parado!

Me: Poor girl went through hell.

Eli: I'll call the police.

Nico gave him the address and Eli did so.

Me: I feel bad for them. Their own minds became their own worst enemies.

Laney: That is awful.

Nico kissed Jackie.

Me: We'll have to find out what her other favorite memories are later.

Lori: When we get home we should literally give her a bath, new clothes and some food.

Flurry Heart: Yeah she is definitely going to need it.

Hiiro: Would you guys mind if I arranged a little… accident?

Me: Hiiro stand down.

Nico: We're not killing her parents. They just need to be treated at a better insane asylum.

Laney: Like the Saturn Insane Asylum.

Hiiro: (Pouts) Fine.

Michael: Flurry Heart, ever since I met you, I've considered you my little sister

Rui: Me too Flurry Heart.

Wes: As well as me.

Flurry Heart: Really? Oh guys!

We saw her hug them.

Cadance: Oh that is so sweet.

Twilight Sparkle: It sure is.

Cadance: Looks like you three are now considered part of my family too.

Me: They sure are.

* * *

We later came back and Jackie was still crying.

May: Hey guys. How did it… (GASP) Oh man what happened to her?

Qin: Oh my god Jackie! I thought we would never see you again. What happened?

Nico: Really dark story.

Me: But the rest of the mission went well.

We told them everything and it was a bittersweet mission.

May: Oh man! Poor Jackie.

Me: Look.

I turned on the TV and a New Jersey news reporter showed her parents being arrested and sent back to a maximum security insane asylum.

May: Oh my god!

Qin: Yeah her parents were really messed up in the head. I knew she was in pain but I didn't know it was that bad.

Me: Yeah.

Laney: But we're glad that Flurry Heart had an awesome time.

May: Julie, for your first mission, Ratchet, Clank, and 1 Rabbid should go with you.

Julie Carolina: Looking forward to this one!

Me: This one is going to have a lot of comedy shenanigans. First you should play this to get the rundown.

I gave her the game Halo.

Julie Carolina: I love the game Halo. Okay.

Maria: Lets get you cleaned up.

Maria took her to the tub and got her cleaned up. She later got new red and orange clothes and Mary made her a huge buffet for her and man was she hungry. She licked all those plates clean.

Jackie: (LOUD BELCH) Oops.

Maria: Goodness you were hungry.

Jackie: Yeah.

---

Later we were watching TV and with us was a girl with pink hair, purple eyes and had a teal green crop top and teal skirt. It was my friend Kelly Long. She was from Texas.

Me: It's awesome having you with us Kelly.

Kelly Long: Same here.

Nico: Your hair is pretty.

Kelly Long: Thanks.

Indigo Zap: Guys, we just picked something up.

Me: What is it?

Indigo Zap: It's coming from the forest in our park.

Me: I hope it's not another Hitotsuki attack.

We went to see what it was.

We went to our park and we arrived and saw then to our shock we saw that it was another KELLY LONG!? WHAT THE FUCK IS GOING ON!?

Nico: What the fuck!

Me: (RUBS EYES) I must be losing my marbles! Either I'm starting to see double or I'm seeing another Kelly Long!

Lemon Zest: You must be an impostor!

Kelly Long: Katy!

Katy Long: Hello my twin.

Nico: SAY WHAT!?

Me: Nico slap me hard!

WHAP!

Nico slapped me hard on the back of the head.

Me: OUCH! Well I'm not seeing double thank goodness. But can someone PLEASE EXPLAIN TO ME WHAT THE FUCK IS GOING ON HERE!?

Nico: Wertz made you as a backup plan, didn't he?!

Katy Long: No he didn't.

Kelly Long: Guys this is my clone. Katy.

She told us that she was a failed experiment that was done ILLEGALLY by her parents. They made a clone of Kelly and she is a failed experiment. They kept her locked up in the basement for 15 years because if she ever got out and the world saw her, Kelly's parents would go to prison for the rest of their lives. Katy went on the run because she wanted to be free.

We were shocked!

Qin: Oh man!

Me: Kelly your parents were really playing with fire!

Xenia: No kidding!

Lily: That is crazy!

Kelly Long: But it's not that bad. I finally have a twin sister.

Xenia: You sure do.

Me: (Groans) Lana can you give me a block of ice? I have a headache.

Lana gave me a block of ice for my head.

Me: Kelly, Katy, I'm sorry to have to tell you this but what your mom and dad was doing is wrong on so many levels. Sure it did good for you Kelly but what they did was really messed up.

Bonecrusher: They're going to jail anyway!

Kelly Long: I know. I don't know if I can ever forgive my parents for this.

Katy Long: Me neither.

Eli called the police and told them everything. Katy and Kelly showed everyone on social media and it was SHOCKING!

News about it spread like wildfire and Katy and Kelly's parents house was searched and sure enough they found the lab and their parents were arrested for unethical human experimentation, kidnapping, child abuse and negligence and sentenced to spend life in a maximum security federal prison without the possibility of parole or release and were ordered to pay $989,000,000,000,000,000 to Kelly and Katy and they were placed into our protection.

Nico: Have fun in jail!

Me: They sure as hell won't.

Katy Long: Good riddance. We should dye my hair and I should wear different clothes to avoid confusion.

Kelly Long: Good idea.

Maria: I'll help with that.

Katy Long: Thanks.

She took Katy and Maria dyed her hair purple and gave her aqua blue clothes.

Katy Long: Wow! This looks awesome!

Maria: Thanks.

Horsea: You look great!

Katy Long: I sure do.

Katy came back.

Me: Wow! You look awesome Katy.

Katy Long: Thanks J.D.

Me: Kelly I'm sorry we had to do that but we have a very very strong zero tolerance policy to illegal experimentation.

Kelly Long: I understand. They did do that without my consent though.

Qin: Well I hope your mom and dad enjoy prison.

Kelly Long: They are still our parents and I love them. But I don't think I will ever forgive them for this.

Nico: Can you imagine if someone made a clone of me?

Me: If it's a Bizarro clone I can tolerate that. But if it was any other clone, NO WAY.

Qin: Yeah me too!

TTG Robin: The Bizarro versions of us would be awesome for you all to meet.

Me: Now they would be perfect for the M.O.E.

Nico: It could be a Bizarro One. Though it might be like how Clark met Bizarro.

Me: Yeah.

Superman: That would be cool though.

Xenia: It sure would.

Camie: Yeah.

May: We're just waiting on the Gene Slammer.

Then there was a knock on the door.

Me: (Imitating Mr. Krabs) (Singsong) Come in.

In came a Sigilyph.

Me: Hey a Sigilyph.

Carly Atlas: That one is amazing.

Misty Tredwell: It sure is.

Sigilyph: (In a girls voice) Looks like I got here just in time too.

Nico: (GASP) Gaia Emmerson!? Cool!

She reverted back and was a girl with black hair and had red eyes and had black and red clothes and red and black angel wings and had the Snake Nasca Line on her right arm.

Gaia Emmerson: Awesome to see you again Nico. And yes before you ask I am a Twilight Signer and I'm the gene-slammer for Earthbound Immortal Cuauhcoatl and the Venom Monsters.

Nico: Whoa!

Qin: That is awesome!

Tailgate: What's your favorite memory of Nico?

Gaia Emmerson: My favorite is when me and Nico went to the Nazca Lines in Peru and it was really awesome to see what they were like.

Me: Those are still a massive mystery to everyone. But now we know how they got there. They are actually the seals of the Crimson Dragon used to imprison the Earthbound Immortals.

Qin: Yeah it's still amazing too.

Carly Atlas: I think it's awesome that you went there to see them.

Gaia Emmerson: It sure is.

Nico and Gaia hugged.

Nico: I've really missed you.

Gaia Emmerson: Me too Nico. Me too.

Hook: What do we do with that lab?

Me: The police and government will take care of that. They will destroy it.

Nico: Good.

Lisa Loud: Like what Lincoln's guardian angels have said, Kelly and Katy's parents are going to be considered as enemies of the state.

Me: Just for Texas. Not the whole country in general.

Qin: Yeah.

Then the previous groups came.

Octagon: Can me, Rhomboid, Cargill, Krusty, Pete, Kalin, Private HIVE, Control Freak, Abis Mal, Wiggum, and Chalmers go with you guys?

Rhomboid: Nice to see a pair of siblings like me and Octagon.

Me: It sure is.

Nico: And yes you all can come with us.

Eli: This will be awesome too.

Nico: Yep.

Divebomb: Boss, which Gene Slammers do you think you'll meet next?

Nico: Cofagrigus and Carracosta next.

Me: Oooh! That will be awesome!

Eli: So we're probably going to Egypt for the Cofagrigus one.

Nicole: I have an awesome treasure hunt planned for that one.

Nico: Neat!

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was someone by the name of Tamara Laurence, and this person is in the Dakota City Sector.

Nico: Lincoln, what's wrong?

Lincoln: Nico, where are Francis, Maria, Adam, Teresa, Virgil, Richie, Carmen, and the rest of our friends from Dakota City?

Just then, Francis, Maria, Adam, Teresa, Virgil, Richie, Carmen, and the rest of our friends from Dakota City came in.

Maria: You called, Lincoln, what's the situation?

Lincoln: Are any of you guys familiar with the name Tamara Laurence?

Suddenly, their eyes went wide and panic arose from their voices!

Francis, Maria, Adam, Teresa, Virgil, Richie, and Carmen: TAMARA LAURENCE?!

Virgil: Oh man, not her!

Me: Uh oh, it sounds like you guys know her?

Francis: I wish we hadn't.

Maria: Tamara Laurence is the meanest, nastiest, and cruelest bully ever to haunt Dakota High, she'd caused a ton of trouble for everyone in the past. She'd terrorized the students by violently assaulting them, torturing them, and even pulling cruel pranks on them, and even vandalizing their lockers and bookbags, and as if that wasn't enough, she also tortured the teachers and staff there with the same thing she'd done to the students, but on a more violent scale.

We gasped.

Me: What a Grade A+++ BITCH!

Francis: She was even worse than Pablo and Anderson combined, along with Hawk and Hank, and she would've kept it up until someone came in and busted her and got her expelled and sent to a reform school in Russia.

Lincoln: Sent to a reform school? (Realizes only one person) Wait a second. Can you describe to us who this person was that got Tamara Laurence expelled and sent to that Russian reform school?

Virgil: Yeah, she had dark purple hair with purple bow on her head, dark purple sleeveless blouse, purple sleeveless crop top, frilly dark purple skirt with jewels around the waist, purple stockings, and purple sneakers.

Richie: And she also had dark powers, and she also called in some black vans that loaded Tamara in and sent her away. (Gasps) Uh oh.

Maria: There's only one person who could fit that description.

Lincoln: Jackie, were you the one who…?

Jackie Wren: Yeah, it was me, Lincoln, but I had to do it, I wasn't going to let that rampaging bitch get away with this.

Nico: Dang, The Center for the Liberation of Government Institutions from Queen Bee Socialite Mean Girls really responds quick to the call.

Me: They sure do, and now, we've found out that Tamara Laurence has broken out and she's now on the rampage in Dakota City.

Lincoln: She'll no doubt be after Virgil and the others, but she'll soon be Jackie Wren for getting her expelled long ago.

Nico: Oh, she's going to pay big time, she's getting a one-way trip to The Charon Reform School once we get through trouncing her.

Me: Wait wasn't she that girl that was rotten to the core and had that scary Hulk Monster form because of the Quantum Vapor?

Virgil: That's right.

Qin: WHOA!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Melania Narcissa of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Melania Narcissa of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena

Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Iris Alizeti: While you and I deal with Melania Narcissa and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Melania Narcissa will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go down to Dakota City, and hunt down Tamara Laurence.

Lincoln: She made the big mistake breaking out of the reform school in Russia, now she's going to get a one-way trip to The Charon Reform School where she'll stay there for a long time, and once we get done trouncing her, you're next, Melania Narcissa.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Iris Alizeti: No way are we forgiving you for any of your actions, Melania Narcissa, you better be ready to pay the price for your foul misdeeds.

Nico: Lets head out.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to the Dakota City Sector to take down Tamara Laurence and kill Melania Narcissa of The Legion of The Lincoln Haters.

---

We were walking to the school.

Cargill: Can you tell us more about Tamara?

Virgil: I sure can.

He told us all he could about her.

---

Tamara Lawrence was a Bang Baby.

After her boyfriend, Marcus Reed, broke up with her, Tamara went to the Docks looking for him, hoping to get him back, but he wasn't there. As it was the night of the Big Bang, she was hit by Quantum Vapor, and gained the ability to change into a powerful monster. Hungry for revenge, she decided to frame Marcus - who already had a bad reputation. She ambushed a policeman who had once arrested him, and tore apart one of his old work places. In the end, however, Static figured out Marcus was innocent, and Tamara was stopped when the hero exploited her sensitive hearing.

Tamara was stuck in Monster form when Dr. Todd's cure was sprayed in the air. She joined Ebon and Hotstreak, but their attempt to regain their powers failed and she was presumably returned to normal.

---

When he was done we were shocked and horrified!

Me: Why that scornful spiteful bitch!

Nico: You said it!

Hornet Man: Marcus is her ex boyfriend, right?

Virgil: That's right.

Me: He's not a Bang Baby, I know that.

Nico: But Tamara is a bitch!

Virgil: Me and Richie thought he was the monster. And I MAY have insulted him.

Krusty: Probably not the smartest move.

Virgil: No it wasn't.

Me: But the true culprit is Tamara.

Nico: I'm going to punch that bitch in her face hard.

Maria: Save seconds for me bro!

Tina Esther: I wish we could just kill that bitch.

Cynder: It's the same reason we didn't kill ANY of the Bang Babies. It's because they're not adults.

Tina Esther: I know.

Me: But she is an absolute menace to society.

Qin: The best thing we can do is get her parents involved.

Jackie Wren: Leave that to me. The final nail in the coffin for her will be to have them disown her.

Qin: I like it.

We arrived at the school.

Tina Esther: Awesome to see the school again.

We then saw Marcus Reed playing basketball.

Pete: Hey. You Marcus Reed?

Marcus Reed: Who wants to know?

Me: Team Loud Phoenix Storm that's who.

Marcus Reed: An honor to meet you guys. Virgil, Richie, how have you all been?

Virgil: Good Marcus.

Marcus Reed: (to Virgil) So, you're Static, huh? All those jokes had to come from somewhere.

Lasher: Yeah, he has a habit of making those.

Virgil: I know. But yes I am static.

Me: Everyone now knows who he is.

Qin: Yep.

Virgil: It's cool though.

Francis: And we're cool with it too.

Teresa: Same here.

Virgil: I hope there's no hard feelings about last time.

Marcus Reed: Nah. It's cool. You and Richie were just trying to clean up the mess I made back then. (to Nico and William) And that inspired you two to make your own investigation.

Kalin: What are you talking about?

Nico: He's talking about how me and William were making our own investigation on how the Hitotsukis were appearing.

William: And in the process, we unwittingly made ourselves pawns in Sonoshi's plan.

Maria: (to Marcus) And yeah, me and William are married.

Marcus: Hey congratulations to you guys!

Maria: Thanks.

Carmen: And so are me and Liam.

Marcus: Way to go to you Little Carmen.

Carmen: Thanks.

Marcus: (sighs) I wasn't lying about my temper being the cause of me and Tamara breaking up. But the other reason was because of Tamara's attitude.

Proto Man: Hey, time out of juvie's changed you for the better. Tamara's only gotten worse.

Me: Yeah she is a total bitch!

Nico: Yeah I'm going to smash her face in and give her a much needed beating.

Marcus: Nice! But will your punches effect her?

Nico: For a Saiyan? No problem.

Francis: Tamara actually was in the Meta Breed for a time.

Private HIVE: I'm guessing she was court martialed and kicked out?

Teresa: Because of her violent temper. Let's just say it was a good thing my sonic abilities as Talon were bad for her sensitive ears.

Me: And like Jackie Wren said, after she was cured they had her expelled and sent to a boarding school in Russia. But that only added more fuel to the fire and got her vengeful.

Qin: Yeah it sure did.

Me: She is an absolute menace to society.

Marcus: Look, it's probably me she wants. Maybe if I turn myself into her, she'll leave everyone else alone.

Nuova Shenron: We admire your willingness to sacrifice yourself. But she won't stop at you. No. She's going to keep on going until everyone she thinks wronged her pays.

Me: And the only way that she knows how is to kill them.

Xenia: She is pure evil.

Me: A total fucking psychopath.

Control Freak: Which video game boss should I summon for this?

Nicole: How about Twin Kracko from Kirby?

Control Freak: Good idea.

He summoned them.

Richie: Good thing I brought earplugs this time.

Itachi: (laughs) Wanting to follow your own joke lesson, eh?

Richie: Nope.

Me: Good thinking.

Laney: Yep.

Wiggum: Me, Eddie, and Lou are gonna evacuate the civilians in the area.

Eddie: Lets crack some civilian skulls.

Wiggum: Lets roll boys.

They went and got the civilians out.

Headstrong: She's gonna be here any minute.

Me: We'll be ready for her.

Nico: Yep.

Eli: I sense her coming. She is 10 klicks away.

Marcus: I'm gonna distract her by talking.

Abis Mal: Be careful.

Marcus went to find her.

Marcus went up to her.

Tamara: You were wrong about me, Marcus. I tried to tell you. But you wouldn't listen.

Marcus: I'm listening right now.

Tamara: Yeah. NOW.

Marcus: C'mon. Let's talk this out.

Tarama: Oh, it's way too late for that.

RD Lincoln: We need to do our entrance before Tamara snaps him like a twig!

Me: Lets go.

We went at her.

Marcus: Now now lets talk.

But then the spirits of the Bang Babies flew in and swirled around them and converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above her and a phoenix cry was heard and we came out.

Nico: Tamara Laurence you're under arrest.

Chalmers: If you thought the carousel was bad, wait until you see what we have in store for you!

Tamara Laurence: Oh yeah? Come and…

POW!

Nico punched her square in the face and sent her crashing into a street light!

Tamara was on the ground holding her face in pain as her nose was bleeding!

Nico: That's for framing Marcus!

Then INSTIGATOR, Radioactive Man, Key, Riddler, Devack, Beautiful Gorgeous, Red X, Brass Knuckles, Mojo Jojo, and Electropede and their groups appeared.

Nico: INSTIGATOR, Radioactive Man, Key, Riddler, Devack, Beautiful Gorgeous, Red X, Brass Knuckles, Mojo Jojo, and Electropede.

Devack: Nice punch to that bitch.

Nico: Thanks.

INSTIGATOR: Is Jackie going to be okay?

Nico: She'll be fine.

Radioactive Man: I hope so.

Key: She hasn't told us what her other favorite memory of you is.

Me: I think she needs a little more time to get herself together.

Key: Fair enough.

Devack: (to Nico) We heard you went to Valmorg.

Nico: We sure did.

Riddler: Riddle me this: Was it that hot?

Nico: Like always.

Me: Yep.

?: That is a hot world.

Then a figure came out and it was REDEYE from episode 11 of Time Force!

Redeye, like all other mutants, was created in the result of a chemical accident. She made a cameo in a flashback at Ransik's speech. Before the events of the season, she was captured by Time Force and frozen in the Cryo-Prison.

In the 21st Century, Ransik released Redeye and sent her to attack the city with an army of Cyclobots. Redeye attacked Silver Hills with the army of Cyclobots and battled the Time Force Rangers, who defeated and froze Redeye with the Vortex Blaster before she could use her Seal Patch to enlarge herself.

---

Wes: Redeye!

Redeye: Been a while rangers.

Me: I remember you! You were sent to attack Silver Hills and battle the Time Force Rangers.

Redeye: Yep that's right.

Me: Wicked.

William: Were you stealing stuff like your Japanese counterpart did?

Redeye: Only several jewels. Nothing special.

Me: I see.

Lola: This will be fun.

We got the battles underway.

Lincoln: Your rampage is over, Tamara Laurence. Oh, and I've also called in a couple of people who have some not-so-kind words to say to you.

Just then, Mr. and Mrs. Laurence came in, and they were so absolutely pissed off at Tamara for what she'd done.

UH OH!

Me: Thank you gor coming Mr. and Mrs. Laurence.

Mr. Laurence: Anytime J.D.

Mrs. Laurence: We're glad you called us.

Mr. Laurence: I am so absolutely disgusted by your behavior, Tamara! So, everything we'd heard from Maria and the others was true! You've tarnished our family's reputation with your despicable actions!

Mrs. Laurence: I can't believe that you're even our daughter! What kind of person could do those evil acts to fellow students and to the teachers and staff?!

Maria: Everything we told you is all true, Mr. and Mrs. Laurence. Your daughter is a monster with a complete disregard for the lives of those around her, she's been a nightmare to everyone for years!

Teresa: Yeah, she's gotten away with everything by using your reputations, and no one's been able to stop her.

Francis: And let's not forget what she'd done in assaulting everyone who's crossed her path, many of them had to spend a month in the hospital 'cause of her!

Jackie Wren: That was until I came in and stopped your daughter years ago, Mr. and Mrs. Laurence.

Mrs. Laurence: And we thank you for what you did, Jackie. Lincoln's lucky to have a Guardian Angel and future wife like you in his harem.

Lincoln had an atomic red blush on his face, and Jackie Wren went up and kissed him on the lips and he returned it.

Mr. Laurence: Aww. Lincoln is a lucky guy.

Me: He sure is.

Then, they turned to Tamara Laurence.

Mr. Laurence: We've done our best to raise you right, but instead, you went downhill and started causing trouble, God knows how many times we'd been called to the school involving yet another of your stunts. You've used our reputations to get away with doing horrible things to innocent people, and if you hadn't been stopped, you would've wound up taking someone's life. Well, that all ends here and now!

Mrs. Laurence: Tamara, you are hereby disinherited from our family fortune and it'll be passed on to your younger sister, Elizabeth, and you are also disowned from our family forever.

Tamara: WHAT THE FUCK?! YOU CAN'T DO THIS TO ME! YOU WEAK, SPINELESS, SENILE OLD FOOLS! WHEN I GET OUT OF THIS, I'LL FUCKING KILL YOU ALL! DO YOU HEAR ME?!

Me: Bite my big fat fucking ass!

Lincoln fired a rainbow energy blast which turned into a muzzle and she was muzzled.

Maria: Thank you for that, Lincoln, I'm getting sick and tired of hearing her big fat mouth running off like that!

Mrs. Laurence: And for that death threat, I'm also pressing charges on you, young lady!

Me: YEAH!

Jackie Wren called in the cops, who proceeded to grab the restrained and muzzled Tamara Laurence, and she was also strapped to a gurney and loaded into a police van, which drove her off to her doom.

Lincoln: That's one less criminal we're going to see running loose in Dakota City.

Francis: Finally, we're rid of that monster bitch, Tamara.

Teresa: Speaking of monster bitches, Mr. and Mrs. Laurence, you two and Elizabeth better head in the bathroom, we got another monster bitch heading our way, and it's someone Lincoln busted five years ago and she's out for revenge.

Mrs. Laurence: On it, Teresa.

Mr. and Mrs. Laurence and Elizabeth ran to the bathroom.

Nico: Nice call, Teresa, we don't want anyone getting hurt by what's coming this way. Awesome job, gang, we're rid of The Terror of

Dakota City, Tamara Laurence.

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Melania Narcissa.

?: LINCOLN LOUD, I WILL FUCKING KILL YOU FOR GETTING US EXPELLED FIVE YEARS AGO, YOU WHITE-HAIRED FREAK!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Melania Narcissa.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Melania Narcissa of The Legion of The Lincoln-Haters, but we also saw Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, that bitch's also got Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte

Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Melania Narcissa: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Iris Alizeti: But, this'll send a clear message that we're not letting them get away with any of their plans for revenge.

Suddenly, Iris Alizeti's eyes turned neon aqua blue and she was surrounded by an aqua blue energy aura with water, ocean waves, sea creatures, and phoenixes, and as she approached Melania Narcissa, she left aqua blue energy, water, ocean waves, sea creatures, and phoenixes with every step.

Iris Alizeti: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Melania Narcissa, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Iris Alizeti was surrounded by a massive vortex of aqua blue energy with water and ocean waves surrounding the vortex, there are sea creatures swimming and phoenixes flying around the vortex and in the vortex is a blue phoenix with red eyes glaring at Melania Narcissa: the red eyes of death. Then, as the vortex faded, Iris Alizeti emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Iris Alizeti grew to 7'5" in height, she has the body of a goddess, she has aqua blue highlights in the bangs of her long burgundy hair, she has neon aqua blue eyes and an aqua blue energy aura with water, ocean waves, sea creatures, stars, and phoenixes surrounding her, she has a phoenix and mermaid emblazoned on her forehead with Third Eye with aqua blue iris, she has on mermaid earrings with aqua blue gems for eyes and holding the Water and Eternity Kanjis in her hands, she also has a phoenix with aqua blue gems for eyes and holding the Water and Eternity Kanjis in the claws on the bottom of her aqua blue mermaid-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold lightning bolts and she also has on her new Elemental

Thunderbird Choker Necklace of Eternal Love. Iris Alizeti has on a short-sleeved light blue shirt with ocean waves on it, dark blue plaid skirt, white sneakers, she has on large gold metal bands with aqua blue gems on her biceps and thighs, and long sleeveless white trenchcoat with water, ocean waves, stars, sea creatures, and phoenixes on the coattails, and on the back is a phoenix and mermaid surrounded by ocean waves, water, sea creatures, and stars. Suddenly, Iris felt a sharp pain on her back, and then, massive burgundy angel wings with aqua blue tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long burgundy wolf tails with aqua blue tips and aqua blue markings, Iris Alizeti has on her Ring of the Phoenix with aqua blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Iris Alizeti's newly forged greatsword and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of aqua blue energy, water, ocean waves, sea creatures, stars, and phoenixes, and when it emerged, it transformed into Iris Alizeti's Aqua Maelstrom Cosmic Greatsword of Maelstrom Sea Creature Phoenix Justice, it's a brand-new massive greatsword with embedded aqua blue gems and blue etchings and a phoenix and mermaid etched on the 7'3" massive, wide, double-edged aqua blue blade, large aqua blue mermaid heads for the crossguard, large white angelic faces built into both sides of the hilt with aqua blue gems embedded in the foreheads, longer midnight black handle, four large aqua blue mermaid heads with blue gems in their mouths and a large aqua blue phoenix head with an aqua blue gem in its mouth below the large aqua blue mermaid heads for the pommel. Iris Alizeti has on her new Bracers of The Champions of The Universe with aqua blue gems on her wrists and Dragon Ball Bracelet on the left bracer, her new Belt of Elemental Bravery with a gold phoenix head with aqua blue gems for eyes and a large blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an aqua blue kanji below the mermaid and phoenix that said, "Iris Alizeti, Best Friend of Girl Jordan and Mollie, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Melania Narcissa of The Legion of The Lincoln-Haters, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Water, Ocean Waves, Sea Creatures, Stars, and Phoenixes"

アイリス・アリゼティ、ガール・ジョーダンとモリーの親友、キルジョイ・ハギンズの軽蔑者、ダーク・チャンドラーと彼の手先、そしてリンカーンの敵の残り、リンカーン・ラウドの愛する未来の妻、メラニアの破壊者 リンカーン・ヘイターの軍団のナルシッサ、破壊者悪のスレイヤー、混乱した、殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、天のゼルナガの怒りのマスター、黒い門のマスター、水、海の波、海の生き物のマスター、星と鳳凰

Iris Alizeti has transformed into SUPER ANGEL-MERMAID-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA WATER COSMIC MAELSTROM MERMAID PHOENIX ANGEL OF DIVINE WATER COSMIC MAELSTROM MERMAID PHOENIX JUSTICE AND DIVINE COSMIC MAELSTROM MERMAID PHOENIX LOVE!

We were amazed by Iris Alizeti's Super Angel-Mermaid-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Melania Narcissa saw it, she went fucking crazy and she got out her machine gun to fire at Iris Alizeti, but Iris Alizeti fired a barrage of aqua blue energy blasts with water, ocean waves, sea creatures, stars, and phoenixes at Michaela Maddison and it sent her flying into a tree back first, she got back up and she ran at Iris again with a knife she got out, but she disarmed Melania Narcissa and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Me: Awesome, Iris Alizeti's transformed into her Super Angel-Mermaid-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Melania and she sent her flying into a tree with a roundhouse kick.

Lincoln: Melania Narcissa has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Iris Alizeti: (Divine Godly Cosmic Voice of The Aqua Blue Cosmic Maelstrom Mermaid Phoenix Angel and Divine Water Cosmic Maelstrom Mermaid Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Iris Alizeti.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Melania Narcissa. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Iris Alizeti and Lincoln went after Melania Narcissa who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy,

aqua blue energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Melania Narcissa and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Iris Alizeti attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Melania Narcissa got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Iris Alizeti, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Melania Narcissa's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Melania Narcissa by the neck and he tossed her into the air.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time for a little underwater mayhem. CHARON, LET'S CHOMP!

Universe 666 Charon came out of The Miracle Box strapped on Lincoln's back, and then, we saw his long wild white hair, large white wolf ears, eleven massive and long white wolf tails, and massive white angel wings, along with the large royal blue pants turn aqua blue except for the rainbow markings and tips on his tails and large white wolf ears, the aurora and orange tips on the feathers of his angel wings, and rainbow lightning bolts and rainbow flames on the pants.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat this. MAELSTROM!

Lincoln fired a massive blast of water which hit Melania Narcissa, and it exploded with incredible power and she was badly drenched. Then, Lincoln changed back as we saw his long wild aqua blue hair, large aqua blue wolf ears, eleven massive and long aqua blue wolf tails, and massive aqua blue angel wings change back to white, along with the large aqua blue pants turn back to royal blue except for the rainbow markings and tips on his tails and large white wolf ears, the aurora and orange tips on the feathers of his angel wings, and rainbow lightning bolts and rainbow flames on the pants.

Then, Lincoln and Iris Alizeti fired a powerful barrage of energy balls with water, ocean waves, stars, quintessence, elemental forces, and mythological animals, and as they hit Melania Narcissa, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Melania Narcissa's spirit appeared, and she was still incensed with anger and fury.

Melania Narcissa: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Melania Narcissa.

Lincoln summoned the spirits of Melania Narcissa's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Melania Narcissa: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Iris Alizeti and Lincoln holstered their massive greatswords on their backs and powered down, and Iris Alizeti's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long burgundy tails, and massive burgundy wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Mylah Palmer. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Iris Alizeti: We've taken one down so far, and now, we got twenty-two more to go. Thanks for helping me destroy Melania Narcissa, Linky.

Lincoln: (Smiles Warmly) You're welcome, Iris.

Suddenly, Iris Alizeti wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Iris Alizeti's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air and sea creatures swimming in the oceans, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and ocean waves crashing behind them and we cheered wildly. Then, Lincoln and Iris Alizeti absorbed the ocean waves and they came back to us as the display vanished.

Nico: Whoa, now that's what I call maelstrom justice. Lincoln, Iris, you two did really awesome in teaching that monster bitch, Melania Narcissa, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it. Plus, this was also the first time that you can also transform into the Universe 666 Miraculous Heroes and used their powers.

Alya: We saw him use the Miraculous Fusion when we went after Adonis Yog-Sothoth when he fused Eini and Universe 666 Tikki, and we saw him transform when he summoned Universe 666 Charon.

Universe 666 Charon: And Lincoln's really proven to be a better wielder of The Miraculous than our universe's former friends.

Universe 666 Charon went back into The Miracle Box.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Harper Reagen, which means you and I are up next, Kat.

Kat: Yes, we'll be ready for her.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Elemental HERO of Earth are you meeting tomorrow, Lincoln?

Lincoln: The next one we're meeting tomorrow is a Gene-Slammer for Elemental HERO Elemental HERO Plasma Vice.

Melanie Aranyani: Perfect, and there's only one person who'd be Gene-Slammed into Elemental HERO Rampart Blaster: Alicia Brantley, Bridget Brantley's little sister, but unlike her sister, she's one of the Elemental HEROS of Earth, and she's also a powerful and physically strong girl and awesome athlete and good sportswoman in the field of sports. Plus, she's also a very seductive and sexy hot mama with the same body as me.

Lincoln: And like you and the other Elemental HEROS of Earth, Melanie, she's also had to deal with Lynn, and she's more than once dealt with her sore loser attitude and always going on her rage-fueled rampages, along with acting like an animal and even letting out those loud belches, and trying to kill me more than once.

Nico: Jeez, how many times has Lynn pissed you girls off with her rampages?

Lincoln: Don't even ask that, Nico, Lynn has done that one too many times in the past, only for her to get beaten down like a ragdoll by their superhuman strength, but she always got back up, but when I join them in the fight, Lynn always gets knocked out.

Me: I've seen how much stronger Lincoln has gotten during those days, and I've seen what he can do especially with those massive muscles that he's been constantly developing, and it always ended with Lynn getting knocked out on her butt, tied up like an animal, and dragged away to face her doom at the hands of her angry siblings and parents.

Nico: Dang, and with how Lincoln kept on getting bigger, stronger, and smarter, Lynn kept on badly underestimating him.

Luna: She had an overinflated ego because of that animal inside her, dude, and she thought she could get away with it, but she was wrong.

Lori: It always came back to bite her on her smelly butt, she was beaten by her own little brother who was constantly getting bigger, stronger, faster, and smarter over the years thanks to help from his Guardian Angels, Luna, Leni, Laney, Lucy, Lana, Lily, Mom, and Dad, while Lynn, Luan, Lola, Lisa, and I were seething with rage and plotted to kill him, no doubt thanks to our Dark Sides.

Luan: We should've been proud of him, but no, those monsters wanted him dead. But, we'd since been freed and we repaired those bonds with Lincoln, and not only did Killjoy Huggins pay the price, but also, Dark Chase Young, who was in fact the true source of his pain and suffering.

Anna Anyanova: You got that right. But, Alicia Brantley has a bit of a nasty revelation to tell you all tomorrow: it's about how she and Lincoln took down a group of thugs that came to our gym to kill us all, and you're also not going to like who it was that hired them to kill

Lincoln and all of his Guardian Angels: Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins.

We gasped in shock and horror.

Nico: Oh man, we're in for one nasty and horrible story tomorrow.

Me: Yep, we better brace ourselves for this one.

Beautiful Gorgeous: I hope she has fun in juvie.

Me: She is going to the Charon Reform School for eternity.

Red X: Good. (to Static and Gear) How are your ears?

Static: Oh, I'm all good.

Gear: We packed earplugs, remember?

Brass Knuckles: That's good.

Mojo Jojo: The next two days will probably have no usual battles.

Me: It's the Anniversary for the April 12th War in Equestria tomorrow.

Qin: Yep.

Electropede: Let's make the most out of them.

Nico: We will.

Marcus: Thank you guys. For helping me out.

Me: Anytime Marcus.

Nico: Great job today everyone. This was fun.

Static Shock: It sure was. (To the viewers) If you ever meet a monster like Tamara stay far away from them because they might be too dangerous for you or everyone you know.

Me: That is true.

We went back home and enjoyed the rest of the day and went to sleep.

Michigan and she's a very powerful and also a very physically strong athlete who was born with superhuman strength, and she's also a skilled wilderness survival expert. Plus, she's also a seductive and one sexy hot mama who's flirted and made out with Lincoln more than once, and she loves him with all her heart which is also shared among the other members of his harem and Guardian Angels. She's also a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages, but they always saw her coming when they see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet. But, she and the other Elemental HEROS of Earth along with Lincoln have more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents. Plus, during the exercise scene, she's going to reveal a very horrible revelation: and it's about how she and Lincoln took down a group of thugs that came to their gym to kill them, and we weren't not going to like who it was that hired them to kill Lincoln and his Guardian Angels: Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins.

We have 2 non-combat chapters in a row next. The 1st one is going to be the anniversary of the April 12th War in Equestria where we battled the Doomsday 23 and saved all of Equestria from doom.

See you next time

Maria: I have a feeling this treasure hunt is going to be really awesome and fun!

Tina Esther: I'm so excited for this one!

Qin: We all are! The treasure hunts we do are so awesome and cool.

Luz: They sure are and I love going to amazing places to find them.

Xenia: Me too! They are so awesome.

Camie: They sure are!

Princess Anita: This is gonna be so awesome and fun.

Lola: Yep.

Blake: I'm really looking forward to this one too.

Varie: All of us are.

Nicole: Same here mom. It's going to be so awesome.

Me: It sure will be!

Nico: Blake, I want to thank you, Nergal, and your teams for coming

Blake: No problem Nico. This is gonna be so much fun.

Strawberry Sunrise: I'm so excited for all this too.

Laney: We all are.

Nico: Strawberry, what do you like to do in your free time?

Strawberry Sunrise: I mostly like to be a strawberry farmer.

Me: I love strawberries. When we first met, Strawberry Sunrise and Applejack wanted to tear each other apart because they were at ends with one another because Strawberry Sunrise thought Strawberries were better than apples and Applejack thought Apples were as good as strawberries.

Strawberry Sunrise: It's true and I didn't like apples.

Me: Yeah. But I actually like them both. Jared convinced Strawberry Sunrise to try one and she liked it.

Strawberry Sunrise: It's true.

Nico: I personally like strawberries myself.

Me: I like them both so it doesn't really matter to me.

Laney: I like them both too.

Lola: Same with me.

Nico: That's good.

Qin: I like all kinds of fruits so it doesn't really matter to me either.

Xenia: Me neither because I love all fruits too.

Camie: I like all fruits myself.

Princess Anita: I like all fruits myself too.

Strawberry Sunrise: All of us love all kinds of fruits don't we.

Me: We sure do.

Maria: Yesterday was back to Dakota.

Tina Esther: It was good to be back home.

Jessica Raijin: It sure was.

Me: And we took down Tamara.

Xenia: We sure did.

Zoe Alister: That bitch had it coming for everything she did.

Xenia: And then some.

Lola: Being disowned and disinherited by her parents was the final nail in her coffin.

Nico: It was good to meet Marcus as well.

Me: It sure was. Marcus is a really nice guy.

Maria: He sure is. Even though he didn't start out that way.

Me: That's true. But man Marcus dodged a huge bullet when the Big Bang happened.

Maria: Boy he sure did. He was in Juvie when it happened. That was crazy.

Nico: And Virgil apologized for making fun of him. That was NOT a smart move.

Me: No it wasn't. But I'm glad it was all water under the bridge.

Nico: Thank goodness.

Venus: Yeah. I hope we meet Nails soon.

Me: Allie Langford A.K.A. Nails. That will be awesome.

Tina Esther: Boy I haven't seen her in a long time. I wonder how she is doing.

Maria: She is really good. I talk to her every now and then and she is doing good.

Camie: Why is she called nails?

Maria: The Quantum Vapor gave her the power to turn her fingernails and toenails and super razor sharp claws that are harder than steel.

Camie: WHOA! That is potent.

Maria: Yeah.

Nico: Sis, you and your friends have earned a reward.

Maria: Really?

Nicole: Yep and that reward is the quarry of this treasure hunt. We're going after the Books of The Elemental Gods. They are the Books of Tefnut, Ra, Geb, Shu, Baal, and Horus.

Nico: WHOA!

Me: The Gods of Water, Fire, Wind, Earth, Thunder and Light in Egyptian Myth.

Xenia: Whoa! This is gonna be interesting.

Eli: Boy it sure is.

Nicole: Yep. Legends say that the books are the tomes carry the powers of the all-powerful deities themselves and they have amazing omnipotent power.

Nico: Wow!

Daring Do: This is gonna be interesting too.

Maria: I can't wait!

Nicole: But finding them is not going to be easy. They are in a magical pyramid called The Pyramid of The Rainbow Sun.

She pulled out a map.

Nicole: According to the hieroglyphics on this map, it says that the pyramid only appears in the middle of the Sahara Desert once every 3 months. From Sunrise till noon it will appear. But when it Noon is passed it will sink back down into the sand.

Nico: Whoa! That is quite a catch.

Me: It's 10:00 AM here so that gives us 2 hours left.

Nicole: That's right dad.

Nico: We better get going then!

We agreed and flew on.

Nicole: There it is!

We saw a huge rainbow crystal pyramid and it was a beautiful and really magical pyramid!

We gasped!

Eli: WHOA!

Nico: INCREDIBLE!

Xenia: WOW!

Nicole: At long last! The Pyramid of The Rainbow Sun!

Camie: It's beautiful!

Sunny Starscout: This is really amazing!

Qin: Wow! It's like a giant prism pyramid.

Nico: Let's go in.

Nicole: This pyramid is not only home to the books but next to the City of the Dead - Hamunaptra housing some of the wealth of Egypt, All the great Pharaohs of Egypt from over the millennia kept all their treasure here and for thousands of years all that treasure remained untouched.

Nico: Wow!

We went in and it was a beautiful clear pyramid and it looked like it was made entirely out of diamond. It was completely translucent and prismatic.

Rarity: This pyramid is absolutely magnificent darlings.

Rainbow Dash: Wow this is so awesome!

Lola: It sure is!

We walked into the pyramid and it was amazing. Then in a huge room was saw the treasure of Egypt!

Me: WHOA!

Nico: Oh wow! Look at all this treasure!

Eli: Wow! Father is going to be amazed to hear about this!

Xenia: He sure is!

Varie: Wow!

Nicole: This is amazing! All this treasure is definitely going to the museums of the world for everyone to see.

Camie: It sure is.

Varie: There's enough gold and treasure here to make anyone rich.

Lola: No kidding.

Daring Do: For Dr. Cabelleron that would be no problem.

Me: Or Amelia Von Butch.

Laney: Yeah no kidding.

Nico: I see them!

On 6 Podiums made of fire, water, crystal, wind, lightning and light were the Books of Tefnut, Ra, Geb, Shu, Baal, and Horus!

Nicole: There they are! At last we found them!

Lola: That is so cool!

Daring Do: Wow!

They were 6 books that looked very much like the Golden Book of Amun Ra except they were Red, Blue, Brown, Green, Purple and Yellow.

Nico: Do the honors, Maria.

Nicole: Wait. According to the map, in order to claim them, all 6 books have to be lifted at the same time and they have to correspond to the one that possesses the power of that element.

Maria: Whoa! Okay.

They went to their corresponding books.

Maria and the girls grabbed them and lifted them up!

Maria: (GASP)

Tina Esther: Whoa!

But then they glowed in a powerful flash of light, they glowed and then a massive vortex of fire, water, earth, wind, lightning and light swirled around them.

(ESCAFLOWNE (FOX KIDS VERSION) INTRO SONG EXTENDED PLAYS)

The girls underwent an intensely powerful and epic transformation and their energy levels were skyrocketing at a phenomenal rate! When the vortexes faded they emerged forever changed!

They each had wings made of their respective elements and had the books on their backs in carriers and their power levels had skyrocketed times 100,000,000,000,000,000!

Me: WHOA!

Nico: Wow!

Me: How do you girls feel?

Maria: Incredible!

Camie: Wow! The wings give you all an amazing touch!

Jessica Raijin: They sure do!

Nico hugged Maria.

Nico: You earned it sis.

Maria: Thanks Nico.

Me: That was awesome.

Eli: Wait look there.

We saw a huge sarcophagus and it was a rainbow color one.

Nicole: Is that a sarcophagus?

Nico: Lets go see.

We went and looked.

Nicole: It sure is.

Nicole looked it over.

Nicole: (GASP) I don't believe it! This is the sarcophagus of Queen Almatarhotep!

Eli: Whoa!

Varie: Who was she?

Nicole: The most benevolent queen in all of Egypt's history. She lived back in 5130 BC.

Nico: WOW! That was over 7,000 years ago.

Qin: Yeah!

Nicole: Wow! There's a story on her sarcophagus.

Me: Lets see what it says.

I looked it over.

Me: Whoa this is an amazing story. It says "Long ago, the Evil Egyptian Lord of Chaos, Set, came and unleashed his evil minions upon the land. None of the first Pharaoh's armies could stop the minions as they brought terror to all. The first queen of the Pharaoh, Almatarhotep realizing that Egypt was on the brink of doom called upon the mighty goddess Hathor for help and she bestowed upon her a magical and powerful sword with her enchanted power with which she used to slay the evil minions and bring down Set once and for all and banish both of them into the darkest pits of the Underworld where they will stay forever. But the Battle came with a heavy price. The battle took a great toll on Almatarhotep and she passed away soon after. She was forever hailed as a true hero and this magical pyramid was built in her honor. Her sword will be given to a brave and pure soul who will use the power of light for good and bring peace and love to all."

Nico: Whoa! What a story.

Camie: Yeah.

Eli: But where's the sword?

Me: It doesn't really say.

Laney: Odd.

Nico: Eli, sense for Swartz's creations.

Eli: On it.

Eli concentrated and found them.

Eli: Found them. 4 of them. Another Turtleini, Another U.A. Carnage, Another Ayatoriko and Another Nergal.

Nico: Whoa! This is gonna be good.

Nico: Let's get Penelope and Missy here.

Nicole: First lets grab all the treasure.

Nico: Right.

We went and did so and put it in a scroll.

The Sarcophagus included.

Nico: That's the last of it.

Nicole: Lets get out of here.

We went out of the pyramid and then we saw the pyramid sink right into the sand!

Me: There it goes!

Nico: Whoa! Just in time.

The pyramid was gone.

Lola: Wow!

Camie: We won't see that pyramid for another 3 months.

Nico: Okay. NOW we get Penelope and Missy here.

I snapped my fingers and brought Penelope and Missy over.

Missy Rodgers: Hey guys.

Penelope Waverly: I have a feeling we're needed because of more Another Villains.

Qin: That's right.

Nico: Who's first?

Missy Rodgers: I'll go first.

Eli: Well Another Turtlelini is the closest. But it's going to be a while before they get here.

Missy Rodgers: I see.

Me: But we're in luck. There's an oasis there.

We saw an Oasis that was 300 meters from us.

Maria: I hope that's not a mirage.

Eli: No it's not.

Me: Good. We can use that to rest while we wait.

Nico: Good idea. It's hot.

We went to it and it was perfect.

Me: Ahh.

Our stomachs growled.

Me: Getting hungry.

Nergal: I'll make us some pizza while we wait.

Me: Awesome.

Maria: Let me cool you guys off.

She sprayed us with mist.

Me: Ahh! That feels good.

Camie: It sure does.

Sunny Starscout: Boy this oasis is amazing.

Lola: Yeah and all the way out here in the Sahara Desert.

Missy Rodgers: It sure is. Also what did you guys find out here?

Me: We have an awesome story to tell you.

We told Missy and Penelope everything.

Penelope Waverly: Whoa! That is amazing!

Tina Esther: It sure is.

Nergal came out with lots of great pizzas.

Nergal: Here you go.

Me: Awesome!

We got to eating.

Me: (Eating Pizza) Mmm! Delicious!

Venus: (Eating pizza) Mmm! So good.

Princess Anita: (Eating pizza) Mmm! Nergal you make a really awesome pizza.

Me: He sure does.

Missy Rodgers: You know my big mission is close, right?

Nico: We sure do. Are you excited for it?

Missy Rodgers: I sure am and it's going to be awesome to see Jason again.

Me: And we're going to kill Stankfoot.

Xenia: Yes we are.

Princess Anita: This sounds like a really amazing adventure you all are going on soon.

Missy Rodgers: Boy it sure is Anita.

Qin: You're going to be amazed when you hear about what happened with Jason and his friends.

Me: Especially with everything that happened with them.

Princess Anita: Who is Stankfoot?

Me: He's a mad scientist. He's called Stankfoot because well his feet smell like shit.

Nico: Hence why he's called that.

Princess Anita: Oh man.

Me: He committed all kinds of crimes against nature and turned the city of New Eden City into a cesspool of mutants. And these are not the kind of mutants that Wolverine and the X-Men fall under. They are more like crimes against nature.

Qin: Yeah.

Me: We're going to kill Stankfoot and we're going to banish him to the Black Gates.

Missy: You'll have to smell him to believe it

Me: Yeah.

Princess Anita: I'll take your word for it.

Me: But that was nothing compared to what Ronson was going to do. He built this massive rocket as big as a huge state and he was going to destroy the entire planet and kill us all.

Qin: Yeah that was horrible.

Princess Anita: What!? Why?

Me: To purge the world of mutants. But I did an incredibly dangerous and reckless deed back then. I hit the rocket head on high above the planet and exploded it harmlessly out in space.

Princess Anita: What!? But that could have killed you!

Me: Normally it would have but my powers are so strong that I can survive even nuclear-antimatter detonation.

Lola: Yeah that was amazing!

Nico: It knocked you out for a whole day.

Me: Yeah it sure did. But because of that stunt Ronson pulled we had him tried and convicted of treason and attempted genocide and got him executed and banished him to the black gates.

Missy: Yeah. We were originally going to send him to prison but that rocket he launched made us change our minds.

Nico: That was still a fun mission though.

Missy: It sure was and it was an epic way to close out my missions with a bang.

Me: Yep. We got a lot of evidence on Ronson and it was enough for Maria's mom to literally throw the book at him.

Maria: (LAUGHS) Yeah it sure was.

Qin: That was fun.

Me: Yep. (Sees something) Hey look!

We saw a figure coming.

Eli: It's one of Swartz's creations!

Me: I hope it's not a mirage.

Eli: Nope it's real.

We saw that it was ANOTHER TURTLEINI!

Me: Another Turtleini!

Missy: This one is going to be a tough one.

Qin: Especially with a powerful shield shell.

Nico: Who are you?

Another Turtleini: (In a girls voice) I believe that J.D. knows me and you guys have been meeting my fellow Skylanders Gene-slammers.

Me: (GASP) That voice.

She reverted back and was a girl with pitch black hair, purple eyes, had black clothes and pitch black angel wings and had the symbol for the Dark Skylanders on her skirt and in the middle of her forehead.

Me: (GASP) Dana Blackfire!

Dana Blackfire: Awesome to see you again J.D.

Me: Same here.

Dana Blackfire: I heard you guys all killed my evil delusional satanic father Deacon Blackfire.

Me: Wait your father was Deacon Blackfire, leader of the Order of St. Dumas?

Dana Blackfire: That's right. My father was a monster and I was completely against his evil satanic sacrifices and the way he did them. What he did was absolutely horrible.

Missy: No kidding!

Me: He was pure evil.

Qin: Yeah.

Dana Blackfire: But I'm glad he is gone.

Xenia: So is Gotham and the world.

Dana Blackfire: Good. Also guys I'm the gene-slammer for Blackout of the Skylanders.

Me: That is awesome!

Brittney: You'll be a perfect member for the Goths of Darkness.

Dana Blackfire: I'm glad you think that.

Me: By the way are the other Another villains friendly or hostile?

Dana Blackfire: They are all friendly. The next one after me is Another U.A. Carnage. Don't worry though. This one is not like Kasady.

Girl Jordan: Thank goodness.

Missy: Let's do it!

Girl Jordan: First lets separate you from Another Turtleini.

Dana Blackfire: Okay.

Girl Jordan: Yep. Lets go Leeli.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Spring abundant holoél

Dana Blackfire glowed and then Another Turtleini separated from her!

Dana Blackfire: Whoa! I loved watching Power Rangers Super Megaforce back when I was a little girl. This is one of my favorite monsters!

Missy: This IS my archenemy after all.

Dana Blackfire: Lets take him on together then.

Missy: Lets.

Another Turtleini: Bring it on!

Dana and Missy fired a massive blast of powerful energy and darkness and it hit his shell and shattered it and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded in a massive fireball!

Me: WHOA!

Nico: OH YEAH! Turtleini you have failed this oasis!

Qin: YEAH!

I caught the Wonder Ride Book and it was called The Midnight Princess of Darkness and The Impenetrable Shield Wall Fortress of the Turtle.

Me: Awesome and fitting title.

Dana Blackfire: That was so fun. (Sees pizza) Ooh pizza. I've worked up quite an appetite.

Me: Help yourself.

She ate a lot of pizza.

Nergal: I hope you like it

Dana Blackfire: (Eating) Mmm! It is delicious.

Me: Nergal makes REALLY delicious pizza.

Qin: He sure does.

Dana Blackfire: I heard about Girl Jordan's hatred and vendetta towards Cletus Kasady and that was horrible. But don't worry this one is not like him. You'll be really amazed to see who it is.

Me: I have a feeling we will.

Nico: Is that her?

Girl Jordan: I hope it's not a mirage.

We saw that it was ANOTHER U.A. CARNAGE! It was a dark version of him!

Me: It's Another U.A. Carnage!

Qin: Wow if this were the real thing Girl Jordan would go absolutely ballistic.

Nico: I know.

Another U.A. Carnage: (In a girls voice) Thank goodness I'm not the real thing.

Me: (GASP) That voice!

She reverted back and was a girl with blond hair, pink eyes and had golden earrings and had yellow clothes and glowing rainbow angel wings and had the symbol of the Light Skylanders on her skirt and in the middle of her forehead.

Me: (GASP) Sarah Hikari!

Sarah Hikari: Awesome to see you again J.D.

Nico: I'm guessing you're the gene-slammer for Spotlight of the Light Skylanders.

Sarah Hikari: That's right. I am also the Avatar of the Light Skylanders. I have intense power over the force of light and it is enough to destroy The Darkness.

Me: Well we already did that. The Darkness put up one helluva fight and we destroyed it.

Nico: Ah, I remember when we did that. Good times.

Me: One of the most explosive battles we ever did.

Varie: Yeah that was epic.

Aylene C.: It sure was.

Nico: Yep.

Sarah Hikari: I'm glad the Darkness is gone. I heard so much about that.

Lola: That was so awesome.

Twilight Sparkle: It sure was. Kaos is now my archenemy so it's all good between us and him.

Sarah Hikari: I'm glad he is in the masters of evil as your archenemy Twilight.

Twilight Sparkle: Same here.

Penelope Waverley: Sorry we have to fight like this though since U.A. Carnage is my archenemy and all that.

Sarah Hikari: No worries.

Lincoln: First lets get you separated from him.

Lincoln fired a blast of light and it separated Another U.A. Carnage from her!

Sarah Hikari: Whoa! So that was who I was turned into!

Me: Yep and he was one fucked up piece of work!

Penelope Waverley: Let's do it!

Sarah Hikari: I'll help out.

Another U.A. Carnage: Don't you get it Knudson? You are a cancer to anyone who ever loved you, J.D.. Deceived your trusting fiancés, and no wonder daddy could never look at you the same way after you killed his wife, your mother, just by being born!

Me: Shut your fucking mouth! Your lies have no power over me.

Penelope Waverley: Yeah!

Penelope and Sarah fired waves of light and lava and blasted him all over and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead and I caught the Wonder Ride Book and it was called The Light Dragon Princess and the Insanity of the Homicidal Bloodthirsty Maniac.

Me: Fitting title.

Sarah Hikari: That was awesome!

Nico: Next is Another Ayatoriko

Me: That one will be interesting. She is definitely going to use Cats Cradle Moves on us.

Princess Anita: Cat's Cradle?

Me: It's Yarn Designs. It's where you take a piece of string like some yarn or sewing machine thread and you use your fingers to make designs with it. It's not easy.

I pulled out a piece of thread and did some designs with it.

Me: See?

Princess Anita: Whoa that is hard.

Sarah Hikari: Boy it sure is.

Nico: You're about to see for yourself.

Me: Yep.

Eli: Here she comes.

We saw a figure and it was a dark version of Ayatoriko! It was ANOTHER AYATORIKO!

Me: Whoa Another Ayatoriko.

Qin: This is gonna be awesome.

Lola: Yep.

Another Ayatoriko: This will be a really artsy one.

Me: (GASP) That voice!

She reverted back and was a girl with neon red pink hair and had purple clothes and had purple angel wings and had the symbol of the Magic Skylanders on her skirt and in the middle of her forehead and she had a giant paintbrush in her hands.

Me: (GASP) Delilah Van Gogh!

Delilah Van Gogh: Awesome to see you again J.D.

Me: Same to you.

Nico: If I had to guess because of the giant paintbrush, you are the gene-slammer for Splat.

Delilah Van Gogh: That's right. I have all her awesome powers and I make a mess of my enemies.

Me: That is a messy defeat.

We laughed!

Nico: That is funny.

Delilah Van Gogh: That is awesome. And I have her awesome Supercharger too.

Me: The Supercharger Skylanders all have amazing vehicles.

Qin: They sure do.

Strawberry Sunrise: I'm facing you.

Delilah Van Gogh: This is gonna be fun.

Me: First lets separate you from Another Ayatoriko.

I fired a beam of light and it separated her from Another Ayatoriko!

Another Ayatoriko: Lets play Cats Cradle!

Me: Bring it on!

I formed towers with the string and smacked her with 2, 3, 4, 5 and 6 diamond towers!

Nico: That had to hurt!

Delilah Van Gogh: Time to bring the Art of War.

Strawberry Sunrise: YEAH!

They fired waves of paint and strawberries and they hit her and made her dizzy! And then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded!

I caught the Wonder Ride Book. It was called The Strawberry Farming Princess and The Cats Cradle Spider Kingdom.

Me: Awesome title.

Nico: Now you guys know about Cat's Cradle.

Princess Anita: Boy that was awesome!

Qin: It sure was.

Delilah Van Gogh: That was still fun though.

Nico: It sure was.

Qin: I agree.

Nico: Now, all that's left is Another Nergal.

Me: Yep.

Qin: This one is gonna be interesting. I can feel it.

Xenia: Me too.

Nergal: I bet she can't make pizza just as good as me!

Nico: Hey, you may never know.

Me: Well we're about to find out. Look.

We saw a figure come and it was a dark version of Nergal. But it was white instead of black! It was ANOTHER NERGAL!

Me: Another Nergal!

Qin: Whoa! This one is going to be crazy.

Me: Yep.

Another Nergal: (In a girls voice) Who wants some pizza?

Me: (GASP) That voice!

She reverted back and was a girl with red hair and had red clothes and wings of fire and she had the Skylanders symbol of Fire on her skirt and in the middle of her forehead and she had a flaming red chili pepper sword!

Me: (GASP) Leona Pepperjack!

Leona Pepperjack: (Cajun Accent) Ooowee! Awesome to see you again J.D.

Me: You too Leona. Leona is known for making some of the most awesome pizzas in the world. But the one she is most noted for is making the spiciest and hottest nuclear hot spicy pizza in the world! It's called THE SUPERNOVA MOONSCAR JOLOKIA DEATH PIZZA!

THUNDER AND LIGHTNING CRASH!

FIRE BURNED FEROCIOUSLY AS THE SCREAMS OF HELL WAS HEARD!

Nico: (GULPS)

Qin: That is one spicy pizza!

Leona Pepperjack: That was good pizza there.

Nico: Whoa! And because you're a chef you have to be a gene-slammer for Chef Pepperjack.

Leona Pepperjack: Ooowee! That's right Nico and I make awesome food too.

Me: Leona makes more than just pizza. She is one of the great Louisiana Cajun Food masters.

Qin: WOW!

Camie: Homer Simpson would love all your food.

Leona Pepperjack: I heard he loves all the food of Louisiana. He has great taste.

Nergal: (pouts) Okay, maybe I was wrong.

Sougo: (chuckles and gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Leona Pepperjack: No he didn't. I put a piece of my nuclear hot pizza into his mouth and he screamed like a little girl and I ran out of there fast.

WE LAUGHED HYSTERICALLY!

Sakura Knudson: (LAUGHS HYSTERICALLY) That explains why Swartz had fire and smoke coming out of his mouth for a few hours!

Qin: (LAUGHS) He can't handle spicy food!

Nico: (LAUGHS) Yeah!

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju armor.

May: Lets separate you from this first. (ACTIVATES UNIVERSE 666 SWARTZ'S RIDEWATCH)

She fired a wave of darkness and separated her from Another Nergal!

Me: Time for a shocking battle of Friendship!

Nergal: There's only room in this world for one Nergal and that is me!

Qin: YEAH!

Leona Pepperdance: OOOWEE! This will be fun!

Nico: (gets out Nergal's Ridewatch) I can make pizza too!

Nico activated it and grew tentacles and grabbed Another Nergal and electrocuted him!

Me: He's not the only one with electrical limbs!

I used my Punk Shock tail and grabbed Another Nergal with it and electrocuted him with intense voltage!

ZZZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

ELECTRIFYING!

Nico: (gets out Ayatoriko's Ridewatch) Time for Cat's Cradle moves!

Nico activated it and did Cat's Cradle String moves and smashed him all over the place.

Me: Nice one!

Leona Pepperjack: Time for some fire.

She fired a blast of fire and blasted Another Nergal all over!

She then slashed him with her chili pepper sword and then his eyes bursted into flames!

Me: OOH! That is gonna hurt!

May: (gets out Zor's Ridewatch and sighs) Another pointless conflict is about to begin.

Zor: Sounds like something I would say.

May activated it and fired waves of energy and blasted him down.

Me: Very gloomy.

Qin: Yep.

May: (Gets out Raphael the Raven's Ridewatch) Now for this!

May activated it and punched the ground and electrocuted him with an electric shockwave!

Leona Pepperjack: Get a load of this! Hey Another Nergal! Your sauce contains Dirty Socks and Used Underwear!

Another Nergal: FRRRRAAAGHLAGLGLNGRLSH! NOKINLIPCOMBUBINNIPSHNEET! NIT NIT NIT!

WE LAUGHED HYSTERICALLY AT THAT ONE!

Qin: (LAUGHS) THAT WAS FUNNY!

Xenia: (LAUGHS) YEAH!

Me: (LAUGHS) YEAH!

Maria: (gets out TTG Mother Mae-Eye's Ridewatch) Pizza is a type of pie. Here's the regular kind!

Maria activated it and fired waves of pies and splattered him all over!

SPLAT SPLAT SPLAT SPLAT SPLAT!

Me: YEAH!

Nico: Take that!

Maria: (gets out Ovulator's Ridewatch) Now to use this!

Maria activated it and fired Eggs out of her butt and they hit him and smashed him all over the place!

Qin: YEAH!

Me: That was Egg-Citing! (RIMSHOT)

We laughed at that one!

Qin: (LAUGHS) That was funny!

Strawberry Sunrise: Now here is my turn!

She activated Ayatoriko's ridewatch and formed towers and bashed him all over.

Mole Man, Peg Leg Pete, Voltar, Bat Imagin, Universe 666 Chernabog and Villain Lava Girl came.

Nico: Nice team, Mole Man!

Mole Man: Thanks Nico.

Qin: Yeah!

Then we saw a Cofagrigus appear!

Me: Hey a Cofagrigus.

Nico: Awesome!

Cofagrigus: (In a girls voice) This is gonna be really good.

Nico: Lilly Rameses XIII! Wow!

Nicole: Wait Rameses, the Pharaoh during the time of Moses!? Whoa!

Xenia: Wow!

She reverted back and was a girl with black hair and blue eyes and had blue angel wings and had green and blue clothes.

Lilly Rameses XIII: That's right. I got this.

She fired a wave of energy and blasted Another Nergal down and he exploded!

KRABBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the ridewatch and purified it.

Nico: OH YEAH!

Me: YEAH!

Lilly Rameses XIII: That was awesome!

Me: Are you related to…

Lilly Rameses XIII: Yes I am. I am the direct descendant of Pharaoh Rameses II.

Nicole: Whoa! That is amazing! He was the Pharaoh that brought about Egypt's downfall with the 10 Plagues in the Bible.

Lilly Rameses XIII: That's right. My ancestor's stubbornness made him pay the ultimate price the hard way.

Xenia: Did it ever.

Me: That was back in 13th Century BC.

Eli: Over 3200 years ago.

Strawberry Sunrise: What's your favorite memory of Nico?

Lilly Rameses XIII: When me and Nico found out more about my ancestor and why he did all that he did back then.

Me: That was a terrible time back then in those days.

Qin: Yeah no kidding.

Nico: Yeah.

Nico and Lilly hugged.

Nico: I've really missed you.

Lilly Rameses XIII: Me too Nico. Me too

Lincoln: Ah, we're here in Paris, France, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're going to face, take down, and recruit Princess Pink, the hypothetical Akumatized form of Lola, into The Masters of Evil.

Me: And from our talk with Gabriel on Easter, she'll have intense fire powers and she's a dangerous one because of her bad temper and she has the power to force people to do as she says, but her power won't have any effect on us.

Lincoln: And due to my experience with dealing with Lola, I'm not going to do as she says, and I'm so going to take her down in the same way I'd taken her down before.

Nico: Nice.

Suddenly, we saw mind-controlled people heading for us and they have knives in their hands.

Lola: Uh oh, looks like Princess Pink's sent mind-controlled people after us to kill us. Linky, you know what that means?

Lincoln: Yep, time to free the people from that pink tyrant. TIKKI, SPOTS ON!

Universe 666 Tikki came out of The Miracle Box strapped on Lincoln's back, and then, we saw his long wild white hair, large white wolf ears, eleven massive and long white wolf tails, large rabbit's tail, and massive white angel wings turn red with black polka-dots, and his large royal blue pants turn black with red polka-dots except for the rainbow markings and tips on his tails, large rabbit's tail, and large red wolf ears, the aurora and orange tips on the feathers of his angel wings, and rainbow lightning bolts and rainbow flames on the pants.

Alya: Whoa! You look awesome, Linky!

Nico: Yeah, you look like a male version of Ladybug, what are you going to call this form?

Eini: Hmm, good question. Ooh, I have an idea: how about Kismet.

Eli: In Arabic, that means 'luck' or 'destiny'.

Lincoln: I like that.

Lincoln fired waves of ladybugs, which freed the mind-controlled citizens of Paris, and they were all escorted home. Suddenly, we heard a loud scream of rage and a pink fireball came flying right at Lincoln, who absorbed it and it made him even more powerful than ever.

Lola: Yep, there's no mistaking that angry scream. (Gasps) And there's her castle!

We then saw Princess Pink's castle: it was a nightmarish pink fortress with torches lit by pink fire.

Nico: There's her fortress.

Ren: Now, we have to get in and stop her.

Lincoln: Right, Ren.

But, before we could head inside the castle, suddenly, we saw Elemental HERO Plasma Vice appear before us, and with it are the seven girls.

Nico: Whoa, that's Elemental HERO Plasma Vice, cool!

Jaden: And another of my Elemental HEROS.

Elemental HERO Plasma Vice: (Girl's voice) Looks like we got here just in time, and I got the girls away from that evil Princess Pink before she could kill them.

Lincoln: (Gasps) That voice, Alicia Brantley, I knew it was you!

?: (ENRAGED SCREAM) YOU WILL PAAAAAAYYYYYYYY!

We saw a pink fireball heading right for us, but it then crashed onto the ground, and we saw who it was in the fireball's place: Princess Pink, the hypothetical Akumatized form of Lola Loud, she looks like Lola, but she has long blonde hair, pink eyes and pink sclera, pink horns on her head, a long pink dress, and pink fire angel wings.

Lincoln changed back as his long wild red hair, large red wolf ears, eleven massive and long red wolf tails, large red rabbit's tail, and massive red angel wings change back to white, along with the large black pants changing back to royal blue except for the rainbow markings and tips on his tails and large white wolf ears, the aurora and orange tips on the feathers of his angel wings, and rainbow lightning bolts and rainbow flames on the pants, and Universe 666 Tikki went back into Lincoln's Universe 666 Miracle Box.

Lola: (Gasps) So, that's Princess Pink?! She's exactly what I could've become during the fight to stop Gabriel.

Gabriel arrived.

Gabriel: Yes, that's right.

Princess Pink: HOW DARE YOU ALL DEFY ME?! I ORDER YOU TO KNEEL BEFORE YOUR PRINCESS!

We didn't do so, and it made Princess Pink madder than ever.

Lincoln: Nice try, princess, but your power won't work on any of us. (Deep Sapphire Eyes turn Deep Blood Red) Now, it's time to dethrone you! (HISSES)

Lola: (Smirks) You did it now, Princess! Now, the vampire's out for blood!

Sylvester: But, we're not supposed to kill her, we need to take her down.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Princess Pink got extremely mad, she continued to throw fireballs at us, but we continued absorbing them and it made us even more stronger than ever. Then, Lincoln fired waves of ladybugs and red fire at Princess Pink which exploded with incredible power as they hit her, and she was knocked out, tied up, and sent to The Masters of Evil. We cheered as we holstered our weapons and powered down.

Lincoln: That's one of the hypothetical Akumatized Loud Sisters recruited into The Masters of Evil and only ten more to go. (To Alicia Brantley) And it's so good to see you again, Alicia Brantley.

Alicia Brantley reverted back to normal, and she's a beautiful girl with long dark blue hair, dark blue eyes, she was tall at 7'0" in height, she has a really strong and powerful muscular physique and ample breasts, tanned skin, she has massive and beautiful dark blue angel wings, she's dressed in a sleeveless light blue crop top, dark blue skirt, necklace, white bridal gloves, dark blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with earth, plants, leaves, and earth angels on the coattails and on the back is Elemental HERO Plasma Vice, and holstered on her back is a massive Elemental HERO Plasma Vice-themed greatsword with embedded red gems and Elemental HERO Plasma Vice etched on the 7'0" massive, wide, double-edged dark blue blade, large dark blue phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large dark blue gem on the bottom of the large white angel heads for the pommel.

Alicia Brantley: You too, Lincoln, it's been a long time.

Lincoln went up to Alicia Brantley and he hugged her, and Alicia Brantley is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Alicia Brantley: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Alicia Brantley, Gene-Slammer of Elemental HERO Plasma Vice and younger sister of Bridget Brantley, Elemental Angel of Fire, she's my Guardian Angel from Michigan, she's a very powerful and also a very physically strong athlete who was born with superhuman strength, and she's also a skilled wilderness survival expert. Plus, she's also a seductive and one sexy hot mama who's flirted and made out with me more than once, and she loves me with all her heart and she knows to share me among the other members of my harem and fellow Guardian Angels.

Luna: We almost busted out laughing seeing our bro's face being smooshed by her chest as she was hugging him.

Lori: And she was also kissing him all over the place and he had a love struck look on his face.

Earth: Like how we always make out with him.

Monica Anniston: Exactly, Earth. But, unlike her older sister, Bridget Brantley, the Elemental Angel of Fire, Alicia Brantley's a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages.

Alicia Brantley: But, we always saw her coming when we see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet.

Me: Yeah, the smell of her sweaty pits tends to make us sick.

Selena Arcangela: But, Alicia and the other Elemental HEROS of Earth along with Lincoln had more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents.

Nico: Dang, and is she really that strong, Lincoln?!

Lincoln summons a 900,000,000,000,000,000-lb barbell, and Alicia Brantley lifted it with one hand and we saw just how strong she really is, and my jaw and Nico's hit the floor.

Qin: (Whistles) Damn, and I thought many of our friends were that strong, but whoa!

Alicia Brantley: And I'm going to reveal a very horrible revelation: and it's about how Linky and I took down a group of thugs that came to their gym to kill us, and you're not going to like who it was that hired them to kill Lincoln and his Guardian Angels. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Alicia?

Alicia Brantley: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that

Lincoln left as he marked them.

Alicia Brantley: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Alicia Brantley, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Alicia Brantley: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Alicia Brantley's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Alicia Brantley: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Alicia Brantley.

Alicia Brantley had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw who they were, he immediately recognized them. The seven girls are Hinata Akatsuki, Berune Orenji, Mei Kurosaki, Mio Aiba, Nanami Ginjo, Juri Minase, and Yurika Murasaki from Omega Labyrinth Life.

Lincoln: Oh wow, it's Hinata Akatsuki, Berune Orenji, Mei Kurosaki, Mio Aiba, Nanami Ginjo, Juri Minase, and Yurika Murasaki from Omega Labyrinth Life.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Hinata Akatsuki: Yes, we're okay, thanks to you.

Then, when Hinata Akatsuki and the other six girls saw who it was that saved them from Princess Pink, the hypothetical Akumatized form of Lola Loud, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit

Hinata Akatsuki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Hinata Akatsuki: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hinata Akatsuki, Berune Orenji, Mei Kurosaki, Mio Aiba, Nanami Ginjo, Juri Minase, and Yurika Murasaki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Princess Pink, the hypothetical Akumatized form of Lola Loud.

But, when Lincoln showed what he did first by freeing the mind-controlled citizens as he transformed into his Ladybug Miraculous hero form called Kismet, a male version of Ladybug, and fired waves of ladybugs that freed the mind-controlled citizens, and then, all of us laid the beatdown on Princess Pink and tied her up and sent her to The Masters of Evil, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Alicia Brantley have a lot of catching up to do, now that she's back in town.

Marinette: Wow, Lincoln, that was so awesome! And Alya's right, when you transformed, you do look like a male version of Ladybug.

Alya: He sure did when we saw the color changes to his appearance, and he freed everyone who fell under Princess Pink's control.

Lincoln: And for tomorrow's rescue for me, we're going to take down and recruit Digital Diva, the hypothetical Akumatized form of Lori.

Gabriel: For her, I planned to give her power over all cell phones and digital devices, but she also has Lori's personality before she was freed from her Dark Side.

Lincoln: Perfect, and I've been wanting to get payback again on Dark Lori for putting my life through Hell. (Cracks Knuckles)

Lori: And there's also a reason why Gabriel wouldn't try to Akumatize you, Lincoln, you're already too good and too pure hearted, even if you had Dark Orb poisoning.

Lincoln: And I also know how to take control of the chaos that is The Loud House.

Me: You said it. Plus, Lincoln's also including the rest of The Miraculous Celestial Union for the next set of rescues.

Marinette: Where we'll take down the hypothetical Akumatized Loud Sisters and recruit them into The Masters of Evil, nice!

Adrien: This is going to be so awesome!

---

After taking down Princess Pink, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Alicia Brantley saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Alicia Brantley: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Alicia, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Alicia Brantley: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Alicia Brantley: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Alicia, what's the story on how you and Lincoln took down a group of thugs that came to your gym to kill you all?

Alicia Brantley: You're not going to like hearing it, Nico, and you're not going to like seeing who the masterminds were in this attempted hit on us.

Alicia Brantley pulled up the video as it played on the big screen. There we see Alicia Brantley and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and Alicia Brantley was doing the same routine as Lincoln. Suddenly, they heard the alarm sound, and they saw a group of thugs heading right for their gym and they have weapons on them.

Past Selene Emperyous: What the heck?!

Past Laney Emperyous: Let's head outside and stop those thugs!

Past Alicia Brantley: Along with finding out who it was that hired them to kill us.

Past Lincoln: Everyone, get ready!

Lincoln and his Guardian Angels head outside the gym, and they were confronted by the thugs that were heading their way. One of the thugs came charging right at Lincoln with a knife in hand, but Lincoln grabbed his arm and twisted it, and then, he sank his fangs into his neck and sucked out every last drop of blood from his body, and dropped his lifeless body onto the ground, and that really pissed off the leader and the other thugs.

Thug Leader: KILL THEM!

The thugs came after Lincoln and his Guardian Angels, but they fought back by breaking their arms and legs, and Lincoln sank his fangs into each of their necks and sucked out every last drop of their blood from their bodies and killed them. Finally, he went up to the thug leader himself.

Past Lincoln: Now, then, it's time to find out who it was that hired you thugs to kill us.

Thug Leader: You're not getting shit out of me!

Past Lincoln: (Smirks) Too bad.

Lincoln sank his fangs into the thug leader's neck and he sucked out every last drop of his blood from his body, and as Lincoln was feeding on his blood, he saw in one of the memories who it was that'd hired those thugs to kill him and his Guardian Angels: it was Lori, Lynn, Lola, Lisa, and Luan, the five mean Loud Sisters, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins, Lincoln's enemies and local jerks of Royal Woods. Lincoln let the leader's lifeless body drop to the floor.

Past Lincoln: I now know who it was that hired those thugs to kill us: it was none other than Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins.

Past Selene Arcangela: Those five bitches, along with Royal Woods' local jerks and that stupid killjoy?! Oh, they're so dead!

The video ends, and we were horrified!

Nico: Oh shit, so the ones who hired those thugs were none other than Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins.

Me: Lincoln told his parents and Leni, Luna, Laney, Lucy, Lana, Lily, Varie, and I about that, and they began a massive manhunt for them. First, Lincoln and his Guardian Angels had rounded up Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins, and sent them to the cops where they got hit with massive penalties resulting in jail time for Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, and Scoots, and Killjoy Huggins getting a two month suspension by Superintendent Chen.

Luna: Then, they hunted down Lori, Lynn, Lola, Lisa, and Luan who were hiding out in the mall. They tied them up and dragged them home, and we were really angry at them. Then, Mom and Pops had them grounded for nineteen weeks, and Selene Emperyous tied them up in straitjackets and tossed them into that metal box prison again.

Alicia Brantley: And I also made sure to punch Lori, Lynn, Lola, Lisa, and Luan in their eyes, not only for what they tried to do to Lincoln, but also for what they did during their last attack that resulted in them brutally injuring Bridget and her friends.

Nico: Yeah, angering the younger siblings is a mistake that'll cost you big time.

We got a shower, and then, Lincoln, Abigail, Emily, Haley, Maru, and Penny are heading to Waikiki Beach, Hawaii.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Abigail, Emily, Haley, Maru, and Penny were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Abigail, Emily, Haley, Maru, and Penny fell in with Lincoln, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Harper Reagen has sent some thugs to kill them.

Sophie: Whoa, so our first date's here in Waikiki Beach, nice.

Lincoln: I knew that you, Emily, Haley, Maru, and Penny would love it, Abigail, and it's perfect for our first date. Shall we?

Lincoln, Abigail, Emily, Haley, Maru, and Penny dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Abigail, Emily, Haley, Maru, and Penny got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Harper Reagen's hired thugs coming after them and Lincoln fired blasts of blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Abigail, Emily, Haley, Maru, and Penny, and they hugged the girls in their abnormally massive and powerful muscular arms, and Abigail, Emily, Haley, Maru, and Penny placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Waikiki Beach, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Abigail, Emily, Haley, Maru, and Penny with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Abigail, Emily, Haley, Maru, and Penny are now in your harem.

Jenna: Flip has got some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Lincoln: And we also had a run-in with Harper Reagen's hired thugs, but I killed them all, and this is going to piss her off in 3… 2… 1!

Suddenly, we heard Harper Reagen scream with extreme hatred and rage.

Maria: Yeah, up yours, bitch!

Nico: Serves her right, but she'll get hers later on today.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Harper Reagen of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Harper Reagen of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Kat: While you and I deal with Harper Reagen and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Harper Reagen will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, even though today's the anniversary of the April 12th War of Equestria, we can't let Harper Reagen run free.

Lincoln: Let's go hunt that monster bitch down and make her cry like a baby!

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Kat: No way are we forgiving you for any of your actions, Harper Reagen, you better be ready to pay the price for your foul misdeeds.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to The Park to kill Harper Reagen of The Legion of The Lincoln Haters.

We arrived at the park to hunt down our next target: Harper Reagen of The Legion of the Lincoln Haters.

Simba: Okay, we've made it to the park. Now, it's not long before Harper Reagen shows up.

Timon: Yeah, the only thing that can alert us is that shrill voice of hers and screaming bloody revenge at Lincoln.

Nico: Along with that big fat mouth of hers.

?: LINCOLN LOUD, I WILL FUCKING KILL YOU FOR GETTING US EXPELLED FIVE YEARS AGO, YOU WHITE-HAIRED FREAK!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Harper Reagen.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Harper Reagen of The Legion of The Lincoln-Haters, but we also saw Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, that bitch's also got Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Harper Reagen: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Kat: But, this'll send a clear message that we're not letting them get away with any of their plans for revenge.

Suddenly, Kat's eyes turned neon aqua blue and she was surrounded by an aqua blue energy aura with water, ocean waves, sea creatures, and phoenixes, and as she approached Harper Reagen, she left aqua blue energy, water, ocean waves, sea creatures, and phoenixes with every step.

Kat: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Harper Reagen, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Kat was surrounded by a massive vortex of aqua blue energy with water and ocean waves surrounding the vortex, there are sea creatures swimming and phoenixes flying around the vortex and in the vortex is a blue phoenix with red eyes glaring at Harper Reagen: the red eyes of death. Then, as the vortex faded, Kat emerged, but she was changed forever.

Kat grew to 7'5" in height, she has the body of a goddess, she has aqua blue highlights in the bangs of her long black hair, she has neon aqua blue eyes and an aqua blue energy aura with water, ocean waves, sea creatures, stars, and phoenixes surrounding her, she has a phoenix and mermaid emblazoned on her forehead with Third Eye with aqua blue iris, she has on mermaid earrings with aqua blue gems for eyes and holding the Water and Eternity Kanjis in her hands, she also has a phoenix with aqua blue gems for eyes and holding the Water and Eternity Kanjis in the claws on the bottom of her aqua blue mermaid-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Kat has on a long-sleeved red coat with ocean waves on it, red sweater, black skirt, red sneakers, she has on large gold metal bands with aqua blue gems on her biceps and thighs, and long sleeveless white trenchcoat with water, ocean waves, stars, sea creatures, and phoenixes on the coattails, and on the back is a phoenix and mermaid surrounded by ocean waves, water, sea creatures, and stars. Suddenly, Kat felt a sharp pain on her back, and then, massive black angel wings with aqua blue tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long black wolf tails with aqua blue tips and aqua blue markings, Kat has on her Ring of the Phoenix with aqua blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Kat's newly forged greatsword and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of aqua blue energy, water, ocean waves, sea creatures, stars, and phoenixes, and when it emerged, it transformed into Kat's Aqua Maelstrom Cosmic Greatsword of Maelstrom Sea Creature Phoenix Justice, it's a brand-new massive greatsword with embedded aqua blue gems and blue etchings and a phoenix and mermaid etched on the 7'3" massive, wide, double-edged aqua blue blade, large aqua blue mermaid heads for the crossguard, large white angelic faces built into both sides of the hilt with aqua blue gems embedded in the foreheads, longer midnight black handle, four large aqua blue mermaid heads with blue gems in their mouths and a large aqua blue phoenix head with an aqua blue gem in its mouth below the large aqua blue mermaid heads for the pommel. Kat has on her new Bracers of The Champions of The Universe with aqua blue gems on her wrists and Dragon Ball Bracelet on the left bracer, her new Belt of Elemental Bravery with a gold phoenix head with aqua blue gems for eyes and a large blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an aqua blue kanji below the mermaid and phoenix that said, "Kat, Best Friend of Girl Jordan and Mollie, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Melania Narcissa of The Legion of The Lincoln-Haters, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Water, Ocean Waves, Sea Creatures, Stars, and Phoenixes"

Kat has transformed into SUPER ANGEL-MERMAID-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA WATER COSMIC MAELSTROM MERMAID PHOENIX ANGEL OF DIVINE WATER COSMIC MAELSTROM MERMAID PHOENIX JUSTICE AND DIVINE COSMIC MAELSTROM MERMAID PHOENIX LOVE!

We were amazed by Kat's Super Angel-Mermaid-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Harper Reagen saw it, she went fucking crazy and she got out her machine gun to fire at Kat, but Kat fired a barrage of aqua blue energy blasts with water, ocean waves, sea creatures, stars, and phoenixes at Harper Reagen and it sent her flying into a tree back first, she got back up and she ran at Kat again with a knife she got out, but she disarmed Harper Reagen and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Me: Awesome, Kat's transformed into her Super Angel-Mermaid-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Melania and she sent her flying into a tree with a roundhouse kick.

Lincoln: Harper Reagen has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Kat: (Divine Godly Cosmic Voice of The Aqua Blue Cosmic Maelstrom Mermaid Phoenix Angel and Divine Water Cosmic Maelstrom Mermaid Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery,

and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Kat.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Harper Reagen. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Kat and Lincoln went after Harper Reagen who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, aqua blue energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Harper Reagen and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Kat attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Harper Reagen got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Kat, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Harper Reagen's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Harper Reagen by the neck and he tossed her into the air, and Lincoln and Kat fired a powerful barrage of energy balls with water, ocean waves, stars, quintessence, elemental forces, and mythological animals, and as they hit Harper Reagen, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Harper Reagen's spirit appeared, and she was still incensed with anger and fury.

Harper Reagen: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Harper Reagen.

Lincoln summoned the spirits of Harper Reagen's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Harper Reagen: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Kat and Lincoln holstered their massive greatswords on their backs and powered down, and Kat's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long black wolf tails, and massive black angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Harper Reagen. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Kat: We've taken one down so far, and now, we got twenty-one more to go. Thanks for helping me destroy Harper Reagen, Linky.

Lincoln: (Smiles Warmly) You're welcome, Kat.

Suddenly, Kat wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Kat's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air and sea creatures swimming in the oceans, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and ocean waves crashing behind them and we cheered wildly. Then, Lincoln and Kat absorbed the ocean waves and they came back to us as the display vanished.

Nico: Whoa, now that's what I call maelstrom justice. Lincoln, Kat, you two did really awesome in teaching that monster bitch, Harper Reagen, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Frejya Jordan, which means you and I are up next, Polly.

Polly Pain: Yes, we'll be ready for her.

Lynn: She's in major trouble now!

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Elemental HERO of Earth are you meeting tomorrow, Lincoln?

Lincoln: The next one we're meeting tomorrow is a Gene-Slammer for Elemental HERO Elemental HERO Mudballman.

Melanie Aranyani: Perfect, and there's only one person who'd be Gene-Slammed into Elemental HERO Mudballman: Helena Demeter, Abeline Demeter's little sister, and she's one of the Elemental HEROS of Earth, and she's also a powerful and physically strong girl and awesome athlete and good sportswoman in the field of sports. Plus, she's also a very seductive and sexy hot mama with the same body as me.

Lincoln: And like you and the other Elemental HEROS of Earth, Melanie, she's also had to deal with Lynn, and she's more than once dealt with her sore loser attitude and always going on her rage-fueled rampages, along with acting like an animal and even letting out those loud belches, and trying to kill me more than once.

Nico: Jeez, how many times has Lynn pissed you girls off with her rampages?

Lincoln: Don't even ask that, Nico, Lynn has done that one too many times in the past, only for her to get beaten down like a ragdoll by their superhuman strength, but she always got back up, but when I join them in the fight, Lynn always gets knocked out.

Me: I've seen how much stronger Lincoln has gotten during those days, and I've seen what he can do especially with those massive muscles that he's been constantly developing, and it always ended with Lynn getting knocked out on her butt, tied up like an animal, and dragged away to face her doom at the hands of her angry siblings and parents.

Nico: Dang, and with how Lincoln kept on getting bigger, stronger, and smarter, Lynn kept on badly underestimating him.

Luna: She had an overinflated ego because of that animal inside her, dude, and she thought she could get away with it, but she was wrong.

Lori: It always came back to bite her on her smelly butt, she was beaten by her own little brother who was constantly getting bigger, stronger, faster, and smarter over the years thanks to help from his Guardian Angels, Luna, Leni, Laney, Lucy, Lana, Lily, Mom, and Dad, while Lynn, Luan, Lola, Lisa, and I were seething with rage and plotted to kill him, no doubt thanks to our Dark Sides.

Luan: We should've been proud of him, but no, those monsters wanted him dead. But, we'd since been freed and we repaired those bonds with Lincoln, and not only did Killjoy Huggins pay the price, but also, Dark Chase Young, who was in fact the true source of his pain and suffering.

Anna Anyanova: You got that right. But, Helena Demeter has a bit of a nasty revelation to tell you all tomorrow: it's about how she and Lincoln took down Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins, who went really insane because of Lincoln always surviving and us stopping them at every turn, and they really snapped and went on a rampage and caused a ton of destruction in Royal Woods.

We gasped in shock and horror.

Nico: Oh man, we're in for one nasty and horrible story tomorrow.

Me: Yep, we better brace ourselves for this one.

---

Walking to the movie theater was us and Nico had Devon blindfolded and Varie had Julie blindfolded.

Ryo: Julie, you'll like where we're taking you on your blind date.

Julie: I have a feeling this will be awesome.

Nico: This is gonna be awesome for you.

Devon: It sure will be.

We arrived and purchased tickets for an awesome movie.

We went in and took off their blindfolds.

Me Tadah!

They saw that we were at the movie theater.

Julie Carolina: The theater! Wow!

They sew each other.

Julie Carolina: Devon?!

Devon: Julie!?

Devon and Julie: YOU'RE MY BLIND DATE!?

Nico: (Nervous chuckle)

Me: We brought you here to see a movie for you. And No Mascots we are NOT GOING to see Blood and Honey.

Poromon: Good!

Poliwag:… we're still showing the Zevo 3 team the trailer though.

Me: I figured. So we got tickets to the new 2023 Super Mario Brothers movie!

Qin: COOL!

Xenia: AWESOME!

We went in and the movie started

***SPOILER ALERT***

Italian-American brothers Mario and Luigi have recently started a plumbing business in Brooklyn. Their father disapproves of Mario's decision to leave his steady job under his antagonistic ex-employer

Spike and believes he's dragging Luigi down with him. After seeing a significant manhole leak on the news, Mario and Luigi go underground to fix it, but are sucked into a Warp Pipe and separated.

Mario lands in the Mushroom Kingdom, ruled by Princess Peach, while Luigi lands in the Dark Lands, ruled by the evil Koopa king Bowser. Bowser seeks to marry Peach, and will destroy the Mushroom Kingdom using a Super Star if she refuses. He imprisons Luigi to blackmail Mario, whom he sees as competition for Peach's love. Mario meets Toad, who takes him to Peach. Peach plans to ally with the primate Kongs to help repel Bowser and agrees to take Mario and Toad along. In the Jungle Kingdom, King Cranky Kong agrees to help on the condition that Mario defeats his son, Donkey Kong, in a fight. Despite Donkey Kong's immense strength, Mario defeats him using a Cat Suit.

Mario, Peach, Toad, and the Kongs use karts to drive back to the Mushroom Kingdom, but Bowser's army ambushes them on Rainbow Road. When a blue-shelled Koopa General destroys part of the road, Mario and Donkey Kong plummet to the ocean and are presumed dead while the other Kongs are captured. Peach and Toad return to the Mushroom Kingdom and urge the citizens to evacuate. Bowser arrives aboard his flying castle and proposes to Peach, who reluctantly accepts after Bowser's advisor Kamek tortures Toad. Mario and Donkey Kong, having been eaten by an eel-like Maw-Ray, bond over how their fathers never take their decisions seriously and escape the Maw-Ray by riding a rocket from Donkey Kong's kart, hurrying to Bowser and Peach's wedding.

At the wedding reception, Bowser intends to execute all of his prisoners in lava in Peach's honor. Toad smuggles an Ice Flower into Peach's bouquet, which Peach uses to freeze Bowser. Mario and Donkey Kong arrive and free the prisoners, with Mario using a Tanooki Suit to save Luigi. An enraged Bowser frees himself and summons a Bomber Bill to destroy the Mushroom Kingdom, but Mario knocks it off course and directs it into the Warp Pipe where it detonates, creating a vacuum that causes Bowser's castle to be transported to Brooklyn. As they fight Bowser, Mario and Luigi grab the Super Star, become invincible, and defeat the Koopas. Bowser is shrunk with a Mini Mushroom and imprisoned. Mario and Luigi are hailed as heroes and celebrated by Brooklyn's populace, including their parents and Spike. Sometime later, Mario and Luigi are seen living together in a house in the Mushroom Kingdom.

---

We were in awe and it was great!

When the movie was done we cheered wildly!

Qin: That was so awesome!

Meridith McHenrickson: (Scottish Accent) Aye that was a great movie laddies!

Lucille Loud: (Scottish Accent) It sure was laddies!

Qin: I thought it was awesome!

Mario: (Italian Accent) It's-a great movie! We are-a truly honored!

Nico: It sure was!

Ravi: I'm really happy for Devon. Now, he knows how me and Roxy are.

Nico: Yep.

Devon: Thanks guys.

Poromon: I'm glad we saw that movie!

Me: Yeah!

Julie Carolina: I'm joining in too!

Julie went after him too.

Nico was hiding in a cave.

Devon and Julie came.

Sergio: (Pointing to the cave) He's in there he's in there he's in there!

Julie Carolina: Gotcha!

Nico: SERGIO, YOU MOTHERFUCKER!

Nico teleported and ran and hid in a basket!

Sergio: (Pointing to the basket) He's in there he's in there he's in there!

Devon: Nice try Nico!

Nico: Why are you even morphed for this?!

Devon: I can only used my super speed while morphed!

Nico: Oh right.

Nico teleported and went into a cardboard box.

Sergio: (Pointing to the box) He's in there he's in there he's in there! (SQUAWKS)

Nico: SERGIO!

Devon and Julie then came and jumped Nico and tickled him.

Nico: (LAUGHS HYSTERICALLY!) HHAHAHAHAHAHAHAHA! OKAY OKAY OKAY OKAY!

Julie Carolina: (LAUGHS) That was funny!

?: Excuse me. Are you Team Loud Phoenix Storm?

We turned and saw Ashida!

Me: (In my head) That's Ashida! I remember him.

Eli: (In his head) I've got a feeling he is a Hitotsuki.

Me: Yeah that's us.

Ashida: I hope I'm not disturbing anything. But I wish to fight the strongest out of all of you.

Nico: Well, I think it's obvious who that is.

Ashida: Yes. (points to Ryo) Him!

Ryo: Me!?

Me: (Offended) HEY! What about me? I'm the strongest there is!

Ryo: J.D., I think it would be wise to just go with it for now.

Me: (Pouts) HMPH!

Qin: Why do you want to fight Ryo?

Ashida: He seems to be the most interesting to fight.

Nico: I see.

We went to the park.

Ryo: Okay ready when you are.

Ashida and Ryo charged at each other.

They fought each other like how Neo and Program Smith started in the Matrix and they were both evenly matched.

Me: Wow he is equally matched with him.

Poromon: Look at them go!

Nico: Wow no kidding.

But then…

POW!

Ashida punched him hard in the stomach and knocked him into the lake!

Qin: WHOA!

Nico: BRUTAL!

Ashida: You're good. But now, time for the main event!

Me: Uh oh.

With that, he was surrounded by an energy circle with the Dairanger Logo and turned into Goseiki from episode 20 of Donbrothers!

---

Wishing to fight and become stronger, Ashida finally turned into Goseiki after swiftly defeating Karaki (the kickboxing champion of Japan) on a fight, continuing his rampage and search for the strongest fighters. He would encounter and fight Taro after defeating the local Judo masters though he retreat when Zenkaiser Black join them.

He would later make another appearance where he, now equipped with his iron knuckles, and Don Momotaro fight once again when the other members of the Donbrothers arrive to help him only to struggle as he is able to put InuBrother out of commision. Despite of his power, he is brutally destroyed by Don Torabolt and grow into Goseiking. Unfortunately, he is swiftly defeated by the Don Onitaijin.

The now purified Ashida throws a childish fit that he cannot fight well no matter what he tries as the purified Dairanger Avataro Gear lands in Don Torabolt's hand, becoming the KibaRanger Avataro Gear.

---

We gasped!

Me: Goseiki! I knew it!

Qin: UH OH! The Dairanger Hitotsuki!

Me: I remember this guy too! He went on a terrible rampage to search for the strongest to pummel into oblivion!

Nico: Yep.

Me: Well he now gets to face the strongest!

I teleported and kicked him in the stomach and punched him in the face and kicked him in the face with devastating force and smashed him into a tree and it crashed onto him.

Ryo: Qi-Power Transformation - Aura Changer!

He turned into DaiRanger Red!

Goseiki got up!

Me: Come on tough guy! (ACTIVATES BOBO THE VULTURES RIDEWATCH)

I fired waves of boxing glove missiles and blasted him all over in fiery explosions!

KRABBBBBBBBBOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMM!

He was bashed down in powerful fiery explosions!

Camie: Take that!

Goseiki: Okay. I think I underestimated you. But that won't happen again!

Nico emitted energy orbs at Ryo but he dodged them. Unfortunately, they ended up hitting nearby civilians, trapping them inside of his bead necklace.

Me: Nice try!

I snapped my fingers and teleported them out.

Me: Goseiki you are nothing to me but another dead Hitotsuki

Goseiki went at Ryo fighting him with enhanced fighting skills.

I teleported and kicked him in the face and used super Firebending and the blasts of intense fire hit him and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA!

Xenia: Nice one!

I fired waves of lightning and electrocuted him.

Ryo fired waves of energy and blasted him all over.

Lyra kicked and punched at him and kicked him in the face.

Lyra: Take that you buttkissing freak!

Goseiki attacked Ryo with rapid punches and kicks just like a meteor.

Ryo: I can do that too! Heavenly Fire Secret Technique Star Meteor Flash!

Ryo channeled his Kiryoku to unleash an overwhelming barrage of punches.

He punched Goseiki all over the place with savage brutality!

Lyra: Try this too! (Echoing) PARADISE LOST PUNCH!

She went and pulverized the living shit out of him with a massive flurry of brutal punches.

Goseiki: (chuckles) I have to admit. This is just as much as that fight with those other guys!

Me: That's because we kick butt all the time and train our butts off in fiends more advanced than anything.

Xenia: Take this!

She fired arrows and blasted him all over.

Me: Take this one! (ECHOING) GRAND CROSS!

I fired energy balls in the formation of a Rare planetary alignment and they hit Goseiki and exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down with a massive fiery explosion!

Then we saw a Carracosta appear!

Me: Hey a Carracosta!

Lola: Cool!

Carracosta: (In a girls voice) (Australian Accent) I got this mates.

Nico: Audrey Riley!? Whoa!

She fired waves of water and smashed him all over.

Audrey reverted back and she was a girl with blue hair and blue clothes and she had a mermaid tattoo on her arm.

Audrey Riley: YEAH!

Goseiki: (to Ryo) J.D. is good. And so are you, honestly?

Ryo: Did you expect otherwise? Also you underestimated J.D. he is infinitely much better than me.

Nico: (to Ryo) Though, considering that Goseiki is your Hitotsuki counterpart, I can see why he would challenge you.

Ryo: That is for sure.

Nico: But lets finish this guy off.

Xenia: I agree!

Ryo: Same with me!

We fired a powerful energy blast and it hit Goseiki and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was back to normal and I caught the gear and it was for DaiRangers Red!

Me: Nice! Goseiki you have failed this city!

Lyra: Demon Elimination Complete. All's well that end's well!

Me: Yep.

Ashida then vanished.

Me: Back to Japan for him.

Devon: What's your favorite memory of Nico?

Audrey Riley: My favorite is when me and Nico went down to the Great Barrier Reef and I showed that I'm a mermaid and we went and got awesome treasures.

Me: That is amazing!

Qin: I remember that!

Nico and Audrey hugged.

Nico: I really missed you.

Audrey Riley: Me too mate. Me too.

Maria: Nico, which Gene Slammers do you think you'll meet next?

Nico: Archaeops, Garbodor, and Zoroark next.

Me: Whoa we'll have to plug our noses for the Garbodor.

Qin: And be ready for any mischief from the Zoroark.

Lola: Yep.

Nico: Well, it's that time of the year again.

Me: Yep. Today is the 2nd anniversary of the April 12th Great War of Friendship.

Eli: That was an epic one.

Me: Yep.

We went to Canterlot and everyone and everypony was there for the event.

We had a great barbecue and party there.

Laney: It all started when I had a dream during the 20 Days of Darkness.

Me: It was a dream that was really a warning of the upcoming war. We were warned that the greatest enemies of Equestria would return.

Laney: Yeah that was crazy.

Nico: It sure was.

Xenia: Yeah.

Me: I told Princess Celestia and everyone about it and everyone was put on full alert.

Nico: We also helped Cozy Glow.

Me: We sure did.

Cozy Glow: That's right. You guys helped me redeem myself.

Qin: That was epic and awesome.

Adagio Dazzle: By resurrecting her mother and that was so awesome.

Lola: It sure was.

Varie: And we battled her dark side and destroyed Kronos yet again.

Nico: Preparations for the war didn't start until after the 20 Days of Darkness.

Me: Nope. But we were ready.

Camie: Wow.

Me: Then came the war on April 12th, 2021.

Nico: This is gonna be an epic story.

FLASHBACK - CHAPTER 1375

April 12th, 2021

---

Today was the dawn of war. It was time for the most deadliest battle probably ever in our history since the Battle with Thanos. Doomsday is upon us.

Me: This is it guys. Doomsday is coming.

Princess Celestia: The darkest day of Equestria is almost upon us. We have to be ready for anything.

Princess Luna: But I am always ready for anything.

Me: We have to be ready for anything that the Doomsday 23 throws at us.

Nico: Those monsters will never rule Equestria as long as we have anything to say about it.

Vince: They want a fight, we'll give them a war like no other.

Vypra: Those monsters are gonna pay for their crimes against all of Equestria and to us.

Cozy Glow: Especially that evil version of me for making my life a living nightmare.

Me: Doomsday is almost upon us.

Twilight Sparkle: Those monsters are all gonna pay for trying to take over.

Laney: That's right!

Eddy: Don't tell me the war's about to happen!

Glumshanks: Actually, we still have about 4 hours.

Me: It's 5:00 AM Guys.

We were getting our weapons and gear ready.

Me: This is gonna be the biggest battle probably in the history of the universe.

Nico: I know. And we have to be ready for anything.

Varie: This is gonna be big.

Lola: And epic.

Lana: Yeah!

We were gonna go up against the most dangerous enemies in all of Equestria.

Tirek

**Tirek**, also known as **Lord Tirek**, is one of the main antagonists of *My Little Pony: Friendship is Magic* . He appears as the main antagonist in Season 4's finale "Twilight's Kingdom", a minor villain in "Cutie Re-Mark", the secondary antagonist in Season 8's finale "School Raze", and one of the three main antagonists of Season 9 (alongside Queen Chrysalis and Cozy Glow). He is G4's incarnation of Tirac; the first villain of the original series. He is also one of Twilight Sparkle's archenemies.

He is a power-hungry centaur with the power to drain the magic and abilities out of other creatures, particularly ponies. In Season 4, he escaped from his imprisonment at Tartarus to steal magic and gain power to take over Equestria, before he was defeated and banished back to Tartarus by the Mane Six. In Season 8, he conspires with his new protégé, Cozy Glow for the sake of revenge, but his plan backfired, thus forcing him to help them escape. In Season 9, he and Cozy Glow were released from Tartarus and becomes a member of the Legion of Doom, a team of villains bend on conquering Equestria, but was defeated once more by the Mane Six and their allies.

He was voiced by Mark Acheson, who also played Unicron in *Transformers: Armada* and *Transformers: Energon*, Moses Tripoli in *Fargo*, and Sabretooth in *Hulk Vs* .

## Childhood

Along with his brother Scorpan, Tirek used to be one of the princes of their old kingdom. Their land was ruled by their parents, the Centaur King Vorak, and the gargoyle Queen Haydon. Despite their fearsome appearances, Vorak and Haydon were benevolent rulers who wanted peace with Equestria. They did their best to guide their children and keep them on the right path, but while Scorpan took after their examples, Tirek was shown to already be a delinquent who constantly got into trouble at a young age. Because of this, his father King Vorak disapproved of his behavior and actions, which caused Tirek to develop an intense hatred for his father. Tirek seemed indifferent to his mother, though it's mentioned in "Frenemies" that he did genuinely love his grandmother. Tirek was a prodigy among his land, born with more magic than any other being in their kingdom, though his father was fearful of this due to the fact that he could sense a thirst for power in Tirek, believing that Tirek would one day try to overthrow him. At some point in time, Tirek started meeting with an old evil centaur wizard called Sendak the Elder, and became his protegee.

One day, Tirek and Scorpan went to visit Sendak. Though at first Scorpan said they had to return to the castle because their parents could be worried for them, Tirek ignored Scorpan and entered Sendak's home. Sendak told Tirek everything about pony magic and how he captured a unicorn when he traveled to Equestria. Sendak further revealed that there was a spell that would allow him to drain magic from other beings and use it to increase his own power, and that he was planning to do this with the unicorn he captured, though not at the exact moment. Supposedly, Equestria had more magic than any other land, and draining all of the magic from the land would make someone an "indominable force". Sendak realized that Tirek wanted to drain the unicorn's magic for himself, but he informed Tirek that he was too young to properly perform the spell at the time, telling him to wait until he was older.

Tirek and Scorpan returned to the castle where their parents, King Vorak and Queen Haydon were arguing until they enter on. That night, Tirek and Scorpan talked about their parents relations with them and when everyone went to sleep, Tirek went out the castle to find out more about pony magic. Once in Sendak (who was taking a nap)'s home, Tirek tries to make the same ability that Sendak used to steal the pony's magic until Sendak woke up just to see how Tirek's spell of absorbing magic just causes a great explosion that traps Sendak under a pile of rubble. Sendak asks Tirek for help, but he abandons him and sneaks back to the castle.

The next day, it is revealed that Sendak was rescued by Vorak's guards, but was sentenced to work in the mines for the rest of his life as punishment for kidnapping the unicorn. Vorak asks Tirek where he was the night when the explosion happened and Tirek explains that he never left the castle. However, his father doesn't believe him and confines Tirek along with Scorpan to their chamber. Tirek is last seen on the balcony where he swears that one day he will overthrow his father and finish what Sendak couldn't: Rule over Equestria.

Since then, Tirek has used magic to compensate for the fact that deep down, he will never be enough to please King Vorak, as explained in *The Ending of the End Part 2.* It is unclear if Tirek has indeed overthrown his parents or if he just simply left them alongside his brother to conquer Equestria. The fact that Scorpan, who clearly loved them, was still on good terms with Tirek by the time they left their land to travel to Equestria, suggests the latter.

## Invasion and Imprisonment

A thousand years prior to the series, a full-grown Tirek and his brother Scorpan traveled to Equestria so that Tirek could finally fulfill his dream of taking all the magic from the land and becoming all-powerful. But when Scorpan came to appreciate Equestria and became friends with Star Swirl the Bearded, he tried to turn Tirek away from his quest. Tirek refused, and Scorpan warned Celestia and Luna of his brother's ambitions, and, because of this, they were able to capture and imprison Tirek in Tartarus for his crimes while Scorpan returned to his homeland. Before leaving, Scorpan gave Tirek his amulet as a memento of their former bond.

## Twilight's Kingdom

In " *Twilight's Kingdom* ", it is revealed that when Cerberus left his post at the gates of Tartarus (in " *It's About Time* "), Tirek was able to escape. After spending his time free recovering his strength, he had eventually regained enough power to absorb a unicorn's magic. Celestia received a vision of this event and, after meeting with Luna, Cadence, and Twilight to assess the threat of his return, sent Discord after Tirek, as he could sense magical imbalances and therefore make it easy for him to find Tirek. Discord, using the guise of a unicorn, discovered Tirek in an alleyway and confronts him. Tirek initially commends Discord for his "escape" from his imprisonment, only for Discord to bind him with shackles, revealing that he had switched alignments and is reimprisoning Tirek for his friends. Taking advantage of this new revelation, Tirek convinced Discord that his friendship was a new form of prison and that, if they worked together, he could get the one this friendship could never give him; freedom. Discord, despite his friendship with Fluttershy, agrees. With Discord now at his side, Tirek began devouring the energy and magic from unicorns, pegasi and earth ponies alike from all across Equestria, regaining almost all of his strength.

Knowing that he would seek alicorn magic next, Princesses Celestia, Luna, and Cadence, with no options left, called upon Twilight and entrusted all of their magic to her, as Tirek was not aware of the existence of a fourth Princess. As expected, Tirek and Discord assaulted Canterlot in search of the Princesses' magic, only to find the three Princesses without it. Still assured of his victory, Tirek ironically banished the three Princesses to Tartarus and approached Discord, who was comically altering Celestia's stained glass windows. As a sign of gratitude for his efforts, Tirek gave Discord a medallion that he received from "somebody close to him", before seeing the window depicting Twilight and demanding to know why Discord didn't tell him about the fourth Princess. Discord stated that he wasn't sure if Tirek could be fully trusted, but now knowing that he is, tells him about Twilight and her friends. Tirek, though upset over his friend lying to him, does appear to forgive him. Tirek and Discord then headed to Ponyville and captured Twilight's best friends, Tirek draining their power before doing the same to Discord, telling him that he has outlived his usefulness, revealing that his medallion actually came from Scorpan, and that Discord is as worthless to him as his brother was.

Growing to tremendous size from the magic he absorbed with his power even surpassing that of Discord, Tirek sought out Twilight, obliterating her home of the Golden Oak Library in his search, enraging her and driving them to fight in an epic battle. The two were evenly matched, though Twilight seemed to have a slight advantage, and so Tirek revealed the other Mane 5, Spike, and Discord, imprisoned inside orbs. Tirek told Twilight to give him all the alicorn magic in Equestria in exchange for her friend's release, and she agreed, and Tirek released all except Discord, who Twilight then wanted to be released as well. Although not understanding why Twilight would want Discord after he betrayed her, Tirek complies and drained her of all the alicorn magic, increasing his size and strength to titanic proportions. To thank her for her kindness, Discord gave Twilight Scorpan's medallion, this time out of legitimate gratitude, making it the final key to the Tree of Harmony box.

Unlocking the box, the Mane 6 receive Rainbow Power, and confront Tirek with their new abilities. Tirek fires at them with a massive magical blast, only to be confused when his attack has no effect on them. A distressed Tirek asks how it is possible for the Ponies to be undamaged without magic, and Twilight responds by telling him that she possesses the most powerful magic of all; friendship. The Mane 6 then attacks Tirek, draining him of his stolen magic and reimprisoning him in Tartarus, undoing all of his actions.

The Cutie Map

In " *The Cutie Map* ", Tirek is mentioned by Rainbow Dash when she reminds Twilight that they along with the rest of the Mane Six, have opened all six keys of friendship, defeated Tirek and received a castle of their own.

### Crusaders of the Lost Mark

In " *Crusaders of the Lost Mark* ", Tirek was mentioned again by Pipsqueak, who stated that his battle with Twilight was the cause of the poor conditioning of the schoolyard.

### The Cutie Re-Mark

In " *The Cutie Re-Mark* ", in the fourth alternate timeline created by Starlight Glimmer, without the Mane 6 to stop him, Tirek succeeds in draining all the magic in Equestria and is briefly seen causing destruction.

### Shadow Play

In " *Shadow Play* ", Pinkie Pie mentions Tirek while recounting the threats Equestria has faced over the last thousand years to Starswirl the Bearded.

### The Mean 6

In " *The Mean 6* ", while not mentioned by name, Pinkie Pie briefly recounts the battle between the Mane 6 and Tirek while talking to Twilight (who, in reality, was a clone created by Queen Chrysalis).

### School Raze

Tirek reappears in Season 8's two-part finale, " *School Raze* ", in which it's revealed that he is pen pals with Cozy Glow. He also conspired with Cozy for the sake of getting revenge. Cozy Glow was successful in trapping the Mane 6 in Tartarus, during which Tirek told them that Cozy Glow was behind it and his involvement in her plan. However, Twilight reminded him that if they were trapped in Tartarus, he'd be trapped with them for eternity. Pinkie Pie annoyed Tirek to the point of giving Twilight what remained of his magic so the Mane 6 could escape just to get rid of them.

After the Young Six broke Cozy Glow's spell, Tirek got his magic back, which hit him in the head and knocked him down. Later, a bored Cerberus lay next to Tirek with him remarking that it may be boring in Tartarus but at least Cerberus isn't in a cage. When Luna and two Royal Guards imprisoned Cozy Glow in Tartarus, in a cage next to Tirek, Cozy Glow asked Tirek if he wanted to be her friend, much to Tirek's dismay.

Season 9 The Beginnning of the End

In " *The Beginning of the End* ", while still imprisoned with him, Cozy Glow annoys Tirek by continuing to try and befriend him, before the both of them are suddenly transported out of Tartarus. Emerging within a mysterious cavern, Tirek and Cozy Glow are met by Queen Chrysalis, who immediately accuses them of summoning her, though Cozy Glow assures her that they thought she freed them. As this happens, King Sombra suddenly appears, causing the three to accuse him of summoning them, only for Discord (disguised as the ancient tyrant Grogar) to reveal himself to be the one who was responsible for summoning them. Tirek, Chrysalis and Sombra are shocked to see him, as they believed he was only a legend, though "Grogar" assures them that he is real and states that he summoned them as part of his plan to rid Equestria of Twilight Sparkle and her friends.

Seeing that Cozy Glow doesn't know who he is, "Grogar" decides to demonstrate his power by giving Tirek a sample of magic that revives much of his strength. Tirek then tells Cozy Glow that "Grogar" is ancient and extremely powerful, as well as the former ruler of what would become Equestria, claiming that he had heard stories of his tyranny when he was younger. "Grogar" then tells the villains of how he created monsters that roamed the land and took whatever they wanted under his rule, before Chrysalis remarks how he was banished by Gusty the Great, although "Grogar" claims that he was only temporarily weakened when she took his bell; however, Cozy Glow points out that, since he has been weakened before even Tirek was born, he has a very different idea of what "temporarily" means, much to his annoyance. In reality, Gusty the Great really did banish the real Grogar into limbo, from where there is no return.

"Grogar" proceeds to tell the group that he has watched them and their failures to take over Equestria, and asks them why they have always been defeated by the same six ponies each time, Tirek claiming that it is because they are "annoyingly lucky". "Grogar" rebuffs their answers and claims it is because their enemies work together as a team, demanding that the villains join forces with him to take over Equestria. Sombra, however, refuses to serve "Grogar" and arrogantly proclaims that he will take over the Crystal Empire by himself, causing "Grogar" to send him off to the Empire on the conditions that, if he fails, he will serve him or be destroyed again. After this, "Grogar" tells the others to prepare to work together and leaves. Cozy Glow immediately compares working together to making friends, telling Tirek and Chrysalis that they are in luck since she knows "all about that", though the former only flicks her away in annoyance.

Cozy Glow tries to get Tirek and Chrysalis to work together by having them each say nice things to each other, though this falls apart when Chrysalis refuses to say anything nice about ponies. "Grogar" then approaches them and states that he hopes the three of them will be enough to help his plans along, causing Tirek and Chrysalis to ask about Sombra. "Grogar" shows them that Sombra had failed in his plans to conquer Equestria and had again been defeated by the Mane Six, remarking that he will at least serve as an example to them as what will happen if they don't submit to his plans. Having seen this, Tirek, Chrysalis and Cozy Glow unanimously agree to serve "Grogar", though are seemingly left nervous by the thought.

## Frenemies

In " *Frenemies* ", as "Grogar" is working, Cozy Glow approaches him and tattles on Tirek for leaving food out, Tirek quickly approaching "Grogar" and telling him not to trust anything she says afterwards; though "Grogar" is quick to point out that he already doesn't trust anything that they say. After being annoyed by Chrysalis, "Grogar" informs the villains that he is leaving and demands that they all stop fighting and find a way to work together so that they can accomplish their goals. Once "Grogar" leaves, Tirek, not listening to his orders, begins to work out by himself (seemingly in an effort to re-obtain his physique from when he had absorbed Equestria's magic). While doing so, he is approached by Cozy Glow, who states that she is organizing a team meeting, which he agrees to go to so long as she leaves him be. At the meeting, Cozy Glow encourages the fact that they all need to trust one another to work together, which Chrysalis finds hard to do as Tirek is trying to steal her magic. Tirek firmly denies doing such a thing (returning the magic he actually had stole to a cupcake that Chrysalis devours), and calls her out for constantly ranting to her log, before joining Chrysalis in telling Cozy Glow that she wasn't left in charge. Cozy Glow then tries to get them all to agree with one another over their common goals, leading them all into singing "Better Way to be Bad" with one another, only for them all to devolve into bickering.

"Grogar" returns at the same time, and, upset to see they have not yet resolved their differences, decides to send them off on a mission to retrieve his Bewitching Bell from Mt. Everhoof so that they can learn to work together. Tirek and the others fight over who should lead the mission based on their previous feats, only for "Grogar" to angrily overpower and remind them that they all failed before and cannot work alone. Upon arriving at the foot of the mountain, all of the villains immediately split off and begin to find their own ways of getting up; Tirek staying behind and making a camp for himself. He proceeds to laugh at Cozy Glow upon seeing her return, and explains to her that he had already deduced that getting up the mountain by himself would be impossible, and so had planned to wait for her and Chrysalis to fail so that he could take what they learned and use it to his advantage. Cozy Glow and Tirek proceed to bicker - Tirek calling her out for her fake cutesy persona and constant manipulations having found out that she was only pretending to befriend him long before they teamed up, and Cozy Glow criticizing his arrogance, while also mocking him for talking to his "Gram Gram" in his sleep - until they are approached by an Ophiotaurus, which they both blame each other for attracting. Suddenly, a female Ophiotaurus arrives and seduces the other one, Tirek quickly realizing that the former is actually Chrysalis in disguise, who admits that she needs their help, causing Tirek to gloat about his own strategy.

That night, Tirek and the others begin to bond with each other over their previous endeavors and hatred towards The Mane Six; him remarking on how he turned Discord against his friends and used their emotions against them, and that Cozy Glow's plan to destroy all magic would have been worthwhile if it meant seeing Twilight and her friends defeated, also admitting that working with Chrysalis and her may not be such a bad thing. The next day, the three villains proceed to combine their abilities in order to scale the mountain, only to find that the cave at the top is protected by a magical barrier, which Tirek cannot absorb since he can only take magic from living beings. With some convincing, Chrysalis allows Tirek to take her magic to become powerful enough to create an opening in the barrier, allowing Cozy Glow to enter the cave and retrieve the bell. Tirek then returns Chrysalis' magic, stating that he wasn't sure he would do so and that it seemed smarter to work with her than fight. The villains begin to reflect with one another over how it felt to rely on others for a change, before Chrysalis snaps them out of it, not wanting the friendship to infect her like it did her hive. Realizing that they almost reformed, the three vow to remain focused.

The three then concur that "Grogar" has grown too powerful and decides to betray him together, and Tirek agrees that they can all go back to trying to destroy one another afterward. He and the others later return to "Grogar's" lair and fool him into thinking that they failed while yet still becoming allies to his delight, though in reality have kept the bell for themselves.

## A Trivial Pursuit

In " *A Trivial Pursuit* ", Tirek is mentioned by Twilight and Mudbriar with him and Scorpan being the answer of who came to steal magic from Equestria.

## The Summer Sun Setback

In *The Summer Sun Setback*, Cozy Glow sees "Grogar" leaving and asks where he is going. He reveals that since his minions "failed" to recover the Bewitching Bell for him, they will need another source of power to defeat Twilight and her friends. After "Grogar" leaves, Cozy Glow informs Chrysalis and Tirek that he is gone. The villains voice that they don't trust "Grogar" and try to figure out how to use his bell like ringing it but nothing happens. Cozy Glow then points out that

Twilight mentioned that the Archives in Canterlot has a restricted area and the villains set off on their "road trip".

The three villains hide in Canterlot and only Chrysalis and Tirek notice so many ponies out in the night. Cozy Glow reveals that it's the Summer Sun Celebration with Chrysalis asking how many holidays these ponies have. She believes that it will be easy to get in until Tirek points out that Canterlot has increased security. After Chrysalis fails to enter through the main doors, she returns to her allies and informs that it will be more challenging. The villains then overhear Twilight's friends and Discord talking about their responsibilities for the holiday. Tirek believes it to be impossible since the security is increased with Twilight's friends "bumbling about". However, Chrysalis sees it as an advantage to use as a distraction since they heard everything and gives instructions to Tirek and Cozy Glow.

While Chrysalis and Cozy Glow secretly sabotage the unicorns and Pegasi, Tirek secretly sabotages the Earth ponies of Appleloosa who are prepare the catering by hiding in the bushes and discreetly absorbing the Earth ponies magic which turns him back into his third form. This causes Braeburn to assume that the food is contaminated, causing the rest of the Earth ponies to panic. Tirek laughs at this while stealing some food on the way.

The villains watch all the panic and chaos unfold before deciding to incapacitate the security. Cozy Glow distracts a guard while Tirek steals his magic and Chrysalis uses his star badge to the main doors for them to enter.

They search for the archives which also wakes up a security goose which follows them. However, Chrysalis disguises herself as another security goose to get it to leave and the villains finally find and break into the Archives. They search through the Archives until Cozy Glow finds a book about how to use the Bewitching Bell and uses another book to break it out of it's chains.

This gives the villains time to leave Canterlot back to "Grogar's" lair while Twilight and her friends are able to fix the holiday. "Grogar" also returns tells his cohorts that he has found success where they all find "failure". He reveals that he located what he wanted and will retrieve it the next day before they begin his plan to take over Equestria. Tirek is still sulking that he had to give the magic of the Earth ponies back to them, in which Chrysalis and Cozy Glow tell him to stop doing and remind him that "Grogar" would become suspicious if he found out about their "road trip" in which Tirek claims that he doesn't have to like it. Cozy Glow reveals that she didn't like it when the Mane Six managed to fix the holiday, until Chrysalis reveals that the goal was not to destroy but to distract in order to get the book. Tirek reminds them that they can't waste any more time because they must master the bell before "Grogar" returns. Chrysalis reveals that they managed to stay ahead of everyone so far until Cozy Glow remarks how easy it was to turn the Earth ponies, unicorns and Pegasi against each other, in which Chrysalis decides would be something to think about.

## The Ending of the End

Tirek, Chrysalis, and Cozy Glow absorb "Grogar's" magic from his bell, turning Tirek back into his third form but much stronger. They then drain "Grogar's" current magic, revealing him to be Discord. When Chrysalis intends to take Discord's magic, Tirek says only Discord can control it. They agree to let Cozy Glow test this knowing that she can't go through with betraying them and take the magic back at her request when she can't control it, before setting out to conquer Equestria. Tirek drains the Pillars of Equestria and imprisons them in the caves beneath Canterlot with Starlight Glimmer, who was captured by Chrysalis, before both go to Canterlot to fight alongside Cozy Glow, during which they destroy half of Canterlot and almost kill Twilight twice, with Rarity stopping them the first time, and the other Mane 5, Spike, Celestia, Luna, and Discord holding their magic beam back the second time so Twilight can escape, and are eventually overpowered and imprisoned by the villains.

In Part 2, where Cozy Glow wants to kill the prisoners and Chrysalis wants to torture them, Tirek instead wants to hunt down Twilight as he knows that she is the biggest threat. They argue over Cozy Glow trying to take Celestia and Luna's magic from the bell, Tirek saying they must figure out Discord's magic first. Discord pretends to offer to tell them in exchange for the safety of the others, and insults Tirek into trying to blast him, which Discord reflects to release Starlight from her imprisonment, allowing her to release the others, and while the other Mane 5 and Spike run off to get Twilight, Starlight, Celestia, Luna, and Discord fight Tirek, Chrysalis, and Cozy Glow, who reimprison them.

When the Windigos return from the villains turning ponies against each other, Tirek says they are ancient magic and should be destroyed. Afterwards, the Mane 6 and Spike arrive. During an attempt to get the bell, Tirek chases after Twilight, who is trying to distract him, after which Tirek foils Applejack's attempt to get the bell. When Chrysalis threatens Spike, the villains nearly destroy the Mane 6, but many unicorns protect them and most of the ponies' allies enter the battle.

In the end, the Mane 6, Spike, the Young Six, and the Pillars unleash a rainbow which destroys the Windigos and takes away Grogar's power from Tirek, Chrysalis, and Cozy Glow, turning Tirek skinny and frail again. After Pinkie drops a giant cupcake on them with Discord's magic, which, along with Celestia and Luna's magic, is returned, Celestia, Luna, and Discord turn Tirek, Chrysalis, and Cozy Glow to stone as punishment for their crimes after Celestia and Luna ponder over what they should do given the scope of their crimes. Thus, Tirek was finally defeated for good.

### The Last Problem

The statue of Tirek, Chrysalis and Cozy Glow, makes a cameo in the newspaper in this episode, but they do not appear beyond that. It is stated by Jim Miller that they were later moved into the Canterlot gardens much like Discord's statue. It is unknown if the effects of their stoning are permanent, or whether they would eventually be smashed to pieces, but it is stated by Jim Miller that they are in suspended animation, indicating they are asleep or unconscious for it. The use of present tense could imply that they are still trapped in stone as of the epilogue, though this has yet to be confirmed. Either way, they likely will never be able to hurt any creature again.

## Queen Chrysalis

**Queen Chrysalis** (or also simply known as **Chrysalis** ) is one of the main antagonists of *My Little Pony: Friendship is Magic* . She appears as the main antagonist in the Season 2 finale "A Canterlot Wedding", the Season 6 finale "To Where and Back Again", the Season 8 episode "The Mean 6", and one of the three main antagonists of Season 9 (alongside Tirek and Cozy Glow). She is also the supporting antagonist in the Season 5 finale "The Cutie Re-Mark" and the overarching antagonist in the Season 6 episode "The Times They Are A Changeling". She is one of Twilight Sparkle's archenemies and also the archenemy of Starlight Glimmer.

She was also featured as the main antagonist in IDW's first comic arc, *The Return of Queen Chrysalis*, as an supporting antagonist in the ninth comic arc, *Siege of the Crystal Empire*, the main antagonist of *The Guardians of Harmony* in the IDW specials and one of the two main antagonists (alongside Megatron) of *My Little Pony/Transformers* .

She was the Queen of the Changelings who seeks to feed her subjects' hunger for love and later expand her rule across Equestria in the process. She then lost this title after the Changelings realized that they didn't need to feed on love to survive, have been replaced by Thorax. She later becomes a member of the Legion of Doom, consisting of Lord Tirek and Cozy Glow, and was formally led by "Grogar", who was actually Discord in disguise. After they dispose of Discord and learn of his secret, Queen Chrysalis becomes the de-facto leader of the team until she and her teammates were defeated by the Mane Six and their allies. She started out as the archenemy of both Princess Cadence and Twilight Sparkle, and then later became Starlight Glimmer's nemesis when she helped convince her hive to turn on her. But in the end after being defeated by Twilight and her friends for the last time and remained as both Twilight and Starlight's arch-nemesis.

She was voiced by Kathleen Barr, who also voiced Trixie Lulamoon in the same series, Kevin and Marie Kanker in *Ed, Edd n' Eddy*, and Gelorum in *Hot Wheels: AcceleRacers* . In her other forms, she was voiced by Britt McKillip in her Princess Cadance disguise, and Ashleigh Ball in her Applejack disguise.

In the Japanese dub from the series, she was voiced by Kaori Nazuka, who also voiced Zonda in *Azure Striker Gunvolt* and

Margaret Mitchell in *Bungou Stray Dogs* .

Chrysalis first makes an appearance in the penultimate episode of the second season entitled *"A Canterlot Wedding* ", disguised as Princess Cadance. Some time before the events of the episode, Queen Chrysalis somehow got through Shining Armor's shield spell and attacked Princess Cadance, then hid her in the caves below Canterlot and took her form.

When the Main 6 arrive from Ponyville to help with the wedding plans, Twilight encounters "Cadance" after reminiscing about what a great foal-sitter she was. However, to her surprise, Twilight finds that Cadance has no idea who she is and that she is now cold, uninviting, selfish, and cares little for the wedding plans. That night, Twilight expresses her frustrations with Cadance to her friends, who instead chalk up Cadance's bad behavior to stress of the wedding and Twilight's dislike of her as being possessive of her brother. Twilight visits Shining Armor in an attempt to talk to him about Cadance, only for her to show up and take him out of the room for a conversation. Whilst spying on the two, Twilight witnesses Cadance performing a spell on Shining Armor, and deems her as being evil on top of unpleasant, running back to the castle to warn her friends about her, only to realize that she had gotten her friends to replace her missing bridesmaids. The next day, Twilight confronts Cadance in front of her friends, Shining Armor and Princess Celestia, only to be humiliated and disgraced when she runs off crying and Shining Armor justifies all her seemingly mean spirited actions while not inviting her to the wedding. On top of this, her friends are shun her for her misguided actions. As Twilight, now alone, regrets her actions, Cadance returns and comforts her, only to then imprison her below the castle.

Chrysalis, still in Cadance's form, taunts Twilight and tells her that she's only using Shining Armor for her own ends. Chrysalis then attempts to manipulate Twilight into attacking the real Cadance, also trapped under the castle, although this fails when Cadance proves she remembers who Twilight is. As Twilight and the real Cadance attempt to escape, Chrysalis proceeds with her plans of marrying Shining Armor, whilst singing "This Day Aria". However, just as Chrysalis is about to be married, Twilight and Cadance arrive and reveal that she is a fake, causing Chrysalis to reveal her true form.

Chrysalis boasts and explains that, as Queen of the Changelings, she is tasked with finding food for her subjects, and that Equestria has more love to feed off of than anywhere they had encountered before. When Cadance argues that Shining Armor's protection spell will keep the Changelings out, Chrysalis reveals that she has been feeding off of Shining Armor's love, making him and the protection spell gradually weaker. Celestia begins dueling with Chrysalis, although the latter manages to overpower her, having grown stronger due to feeding off of Shining Armor. As the Mane 6 run off to get the Elements of Harmony, Chrysalis laughs and tells them they can run, but they can't hide.

Chrysalis continues to oversee Celestia (now trapped in a cocoon), the detained Cadance, Spike and the brainwashed Shining Armor, as the Mane 6 are brought back in by her minions. She then politely scolds them for not believing Twilight in the first place causing them to feel awful. After telling her remaining subjects to go and feed, Chrysalis reprises "This Day Aria" whilst looking over the destruction of Canterlot, not realizing that Twilight had freed Cadance, who subsequently helps Shining Armor break free of Chrysalis' brainwashing. He glares at her after he's freed, heavily implying he found out Twilight was right about her sometime between when he stormed out and when he was freed. Although both Shining Armor and Cadance are free, Chrysalis over confidently shrugs this off, believing that Shining Armor is too weak to repel them using his protection spell. However, Cadance and Shining Armor use their love to empower the protection spell, sending a shocked Chrysalis and her Changelings flying off to parts unknown. During the aftermath, everyone apologizes to Twilight for not believing her and getting mad at her.

Season 5 The Cutie Re-Mark

In " *The Cutie Re-Mark* ", in the second altered timeline created by Starlight Glimmer, Chrysalis and her Changelings have taken over most of Equestria without the Mane 6 to stop them, and Zecora is leading jungle ponies (Fluttershy and Pinkie Pie among them) in a war against her. Chrysalis, disguised as Applejack, arrives at the jungle ponies' hideout while Zecora is explaining things to Twilight.

Zecora is not fooled by Chrysalis' disguise, and Chrysalis unleashes the Changeling army on her resistance while she and Zecora duel. Although Chrysalis presumably wins the battle, the timeline is eventually restored, and she therefore never comes into power.

## Season 6 The Times They Are A Changeling

In " *The Times They Are A Changeling* ", Chrysalis briefly appears in Thorax's flashback to the Changeling kingdom. It was later implied that Chrysalis and the changelings all survived their fall from both Thorax having taken part in the invasion and his plans to reform the Changelings in their kingdom.

## To Where and Back Again

Chrysalis returns in the Season 6 finale " *To Where and Back Again* ". She with her Changelings capture the Mane 6, Spike, Celestia, Luna, Cadance, Shining Armor, and Flurry Heart and take over Equestria. She is seen communicating with the Changelings impersonating the Mane 6 and Spike, and Starlight Glimmer, Trixie, Thorax, and Discord travel to the Changeling kingdom to stop her.

Starlight and her team go through the Changeling hive to destroy Chrysalis's throne, which blocks all magic but Changeling magic. Discord and Trixie are captured and imprisoned in a chrysalis in Chrysalis's throne room, along with every other pony that was captured. Chrysalis arrogantly boasts about her assured victory to Starlight, only to realize that "Starlight" is actually Thorax, while the real Starlight is attempting to destroy the throne with a rock. Starlight attempts to convince Chrysalis that giving love to others is better for her subjects, however, Chrysalis denies this, stating that she knows what is best for her people. Chrysalis starts to drain Thorax of his love as punishment for betraying her, however, on Starlight's suggestion, Thorax willingly gives all his love to her, blasting her into the throne and obtaining a new transformation. All the other Changelings, realizing that there is a better option to stealing love, do the same, destroying Chrysalis' throne and releasing those imprisoned, also transforming. Chrysalis survives, and, outnumbered by the Mane 6, Spike, Starlight, the princesses, Discord, and those with them, including the entire changeling army, she is unable to do anything. Starlight offers her the chance of redemption, but Chrysalis rejects her offer, swears revenge on Starlight, and flies away.

Season 7 Celestial Advice

In " *Celestial Advice* ", Chrysalis is mentioned a few times.

To Change a Changeling

Chrysalis is mentioned again in the episode " *To Change a Changeling* ".

Shadow Play

In " *Shadow Play* ", Pinkie Pie mentions Chrysalis while recounting the threats Equestria has faced over the last thousand years to Starswirl the Bearded.

Season 8 The Mean 6

In " *The Mean 6* ", Chrysalis, disguised as a photographer for the Canterlot Historical Society, arrives at Twilight's castle to take the photos of the Mane 6, plucking a single hair out of each of them in order to supposedly make them look good for the photos. She then lazily takes pictures of each of them, and, as she prepares to leave, Pinkie Pie reminds her to take a photo of Starlight, which she reluctantly does. Upon leaving the castle, Chrysalis remarks that she now has everything she needs before transforming back to her original form.

Soon afterwards, in the Everfree Forest, Chrysalis pins the hairs and photos to six different trees (while talking to them as if they were people) and reveals her intentions to use the photos, the strands of hair and carvings of the Mane 6's Cutie Mark symbols in a spell that will create evil counterparts to the Mane 6, plotting to use the clones to take control of the Elements of Harmony, eliminate Twilight and her friends and destroy Starlight's relationships as revenge for turning the Changelings against her. Chrysalis then revels in the idea of recreating her hive with unicorns, pegasi and earth ponies and then taking over Equestria, before using her spell to create the Mean Six.

Chrysalis and her new minions begin prowling the forest in search of the Tree of Harmony, which contains the Elements, however, Chrysalis begins to realize that the Mane 6's evil forms are completely unfocused on their goals and do not listen to her orders. The group is accidentally separated during the search, and Chrysalis orders her remaining minions to find the ones that have been lost, resulting in them encountering the Mane 6 (who, coincidentally, had been separated as well). Chrysalis approaches the Twilight clone as she is searching for the others, and, frustrated with her, asks why she shouldn't destroy and replace her, causing the clone to reveal that she knows the location of the Tree of Harmony.

Once Chrysalis and the others are reassembled, they head to the Tree, spitefully destroying the Mane 6's campground as well. Upon approaching the Tree, Chrysalis overhears the Twilight clone goading the others to take the Elements for themselves and betray Chrysalis, leading to her and Twilight fighting each other in a magical duel. As Chrysalis begins to lose, the Tree senses the evil magic inside the clones, and captures all of them, withering away their bodies and reducing them to nothing but wood. Chrysalis admits defeat over her clones' betrayal, but is now aware about the additional power of the tree and still swears to get revenge on Starlight and the Mane 6 before she departing. Chrysalis is last seen escaping into the distance while Twilight tells her friends that they can overcome any obstacle together.

## What Lies Beneath

In " *What Lies Beneath* ", Ocellus takes on the form of Chrysalis out of fear that she will become just like her.

## Season 9 The Beginning of the End

Queen Chrysalis appears in the Season 9 premiere " *The Beginning of the End* ". She is still craving revenge on Twilight Sparkle and her friends for stealing her kingdom from her to carvings of changelings until she is mysteriously transported to a strange cavern in an unknown part of Equestria. After Lord Tirek and Cozy Glow mysteriously appear, she immediately accuses them of summoning her, though Cozy Glow assures her that they thought she freed them. As this happens, King Sombra also suddenly appears, causing the three to accuse him of summoning them, only for Discord (disguised as the ancient tyrant Grogar) to reveal himself to be the one who was responsible for summoning them. Tirek, Chrysalis and Sombra are shocked to see him, as they believed he was only a legend, though "Grogar" assures them that he is real and states that he summoned them as part of his plan to rid Equestria of Twilight Sparkle and her friends.

Seeing that Cozy Glow doesn't recognize him, "Grogar" decides to demonstrate his power by giving Tirek a sample of magic that revives much of his strength. Tirek then tells Cozy Glow that "Grogar" is ancient and extremely powerful, as well as the ruler of what would become Equestria, claiming that he had heard stories of his tyranny when he was younger. "Grogar" then tells the villains of how he created monsters that roamed the land and took whatever they wanted under his rule, before Chrysalis remarks how he was banished by Gusty the Great, although "Grogar" claims that he was only temporarily weakened when she took his bell; however, Cozy Glow points out that, since he has been weakened before even Tirek was born, he has a different idea of what "temporarily" means, much to his annoyance. In reality, Gusty the Great really did banish the real Grogar into limbo, from where there is no return.

"Grogar" proceeds to tell the group that he has watched them and their failures to take over Equestria, and asks them why they have always been defeated by the same six ponies each time, Chrysalis claiming that it is because they "cheat". "Grogar" rebuffs their answers and claims it is because they work together as a team, demanding that the villains join forces with him to take over Equestria. Sombra, however, refuses to serve "Grogar" and arrogantly proclaims that he will take over the Crystal Empire by himself, causing "Grogar" to send him off to the Empire on the conditions that, if he fails, he will serve him or be destroyed again. After this, "Grogar" tells the others to prepare to work together and leaves. Cozy Glow immediately compares working together to making friends, telling Tirek and Chrysalis that they are in luck since she knows "all about that", though the former only flicks her away in annoyance.

Cozy Glow tries to get Tirek and Chrysalis to work together by having them each say nice things to each other, though this falls apart when Chrysalis refuses to say anything nice about ponies. "Grogar" then approaches them and states that he hopes the three of them will be enough to help his plans along, causing Tirek and Chrysalis to ask about Sombra. "Grogar" shows them that Sombra had failed in his plans to conquer Equestria and had again been defeated by the Mane Six, remarking that he will at least serve as an example to them as what will happen if they don't submit to his plans. Having seen this, Tirek, Chrysalis and Cozy Glow unanimously agree to serve "Grogar", though are seemingly left nervous by the thought.

### Sparkle's Seven

Chrysalis is mentioned in the episode " *Sparkle's Seven* ", when Shining Armor and Starswirl the Bearded use leftover debris from Chrysalis' old throne to increase security in Canterlot.

### Frenemies

In " *Frenemies* ", as "Grogar" (Discord) is working, Cozy Glow and Tirek annoy him before Chrysalis approaches "Grogar" and impatiently asks when they are going to attack. "Grogar" informs the villains that he is leaving and demands that they all stop fighting and find a way to work together so that they can accomplish their goals. Once "Grogar" leaves, Chrysalis, not listening to his orders, continues to planning revenge (against Starlight Glimmer for turning her kingdom against her). While she was talking to the purple log that used to be Mean Twilight, she is approached by Cozy Glow, who states that she is organizing a team meeting, which she agrees to go so long as she has cupcakes. At the meeting, Cozy Glow encourages the fact that they all need to trust one another, which Chrysalis finds hard to do as Tirek is trying to steal her magic. Tirek firmly denies doing such a thing (returning the magic he actually had stole to a cupcake that Chrysalis devours), and calls her out for constantly ranting to her log, before joining Chrysalis in telling Cozy Glow that she wasn't left in charge. Cozy Glow then tries to get them all to agree with one another over their common goals, leading them all into singing "Better Way to be Bad" with one another, only for them all to return to bickering. Chrysalis like Tirek, also verbally abuses Cozy because of her inexperience and bratty nature.

"Grogar" returns to see this, and, upset to see they have not yet resolved their differences, decides to send them off on a mission to retrieve his Bewitching Bell from Mt. Everhoof so that they can learn to work together. Chrysalis and the others fight over who should lead the mission based on their previous feats, only for "Grogar" to angrily overpower and remind them that they all failed before and cannot work alone. Upon arriving at the foot of the mountain, all of the villains immediately split off and begin to find their own ways of getting up; Chrysalis heads through the forest, scaring creatures off and using her powers to turn into creatures to get to the mountain but the winds prevent her from reaching it's top. Later, after Tirek stays behind and makes camp, he explains to Cozy Glow that he had already deduced that getting up the mountain by himself would be impossible, and so had planned to wait for her and Chrysalis to fail so that he could take what they learned and use it to his advantage. Tirek and Cozy Glow bicker until they are attacked by an Ophiotaurus. Suddenly, a female Ophiotaurus arrives and seduces the other one, Tirek quickly realizes that the former is actually Chrysalis in disguise, who admits that she needs their help, causing Tirek to gloat about his own strategy. She then proceeds to cocoon the Ophiotaurus to save some of its love for the next day.

That night, Chrysalis and the others proceed to bond with each other over their previous endeavors; her remarking about how she cocooned Twilight and the others until Starlight Glimmer freed them and turned her kingdom against her. She even remarks that Discord was something until friendship redeemed him hinting that she respected him at one point. She also remarks about disguising herself as Princess Cadance and it would have been worthwhile if it meant seeing Twilight and her friends defeated, also admitting that working with Tirek and Cozy Glow may not be such a bad thing. The next day, the three villains proceed to combine their abilities in order to scale the mountain, only to find that the cave at the top is protected by a powerful magical barrier, which Tirek cannot absorb since he can only absorb magic from living beings. With some convincing, Chrysalis allows Tirek to take her magic to become powerful enough to create an opening in the barrier, allowing Cozy Glow to enter the cave and retrieve the bell. Tirek then returns

Chrysalis' magic to her as promised, stating that he wasn't sure he would do so and that it seemed smarter to work with her than fight. The villains begin to reflect with one another over how it felt to rely on others for a change, before Chrysalis snaps them out of it, not wanting friendship to infect her like it did her hive like a "disease". Realizing that they almost reformed, the three vow to remain focused.

The three then concur that "Grogar" has grown too powerful and decide to betray him together, and Chrysalis tells that they can continue acting like his loyal servants and hatch their own plan before trying to destroy one another afterwards. She and the others later return to "Grogar's" lair and fool him into thinking that they failed while yet still becoming allies, though in reality have kept the bell for themselves and Chrysalis remarking that "Grogar" was right as they were more powerful when they work together.

## The Summer Sun Setback

In *The Summer Sun Setback*, Cozy Glow sees "Grogar" leaving and asks where he is going. He reveals that since his minions "failed" to recover the Bewitching Bell for him, they will need another source of power to defeat Twilight and her friends. After "Grogar" leaves, Cozy Glow informs Chrysalis and Tirek that he is gone. The villains voice that they don't trust "Grogar" and try to figure out how to use his bell like ringing it but nothing happens. Cozy Glow then points out that Twilight mentioned that the Archives in Canterlot has a restricted area and the villains set off on their "road trip".

The three villains hide in Canterlot and only Chrysalis and Tirek notice so many ponies out in the night. Cozy Glow reveals that it's the Summer Sun Celebration with Chrysalis asking how many holidays these ponies have. She believes that it will be easy to get in until Tirek points out that Canterlot has increased security. After Chrysalis fails to enter through the main doors, she returns to her allies and informs that it will be more challenging. The villains then overhear Twilight's friends and Discord talking about their responsibilities for the holiday. Tirek believes it to be impossible since the security is increased with Twilight's friends "bumbling about". However, Chrysalis sees it as an advantage to use as a distraction since they heard everything and gives instructions to

Tirek and Cozy Glow.

While Tirek and Cozy Glow secretly sabotage the Earth Ponies and Pegasi, Chrysalis takes on her photographer form named "Crackle Cosette" and sabotages the unicorns by convincing them not to waste their talents on something inconsequential and that they are destined for more than just performances. This causes all the unicorns, including Fire Flare, to cancel the fireworks performance, as it is "beneath" them.

The villains watch all the panic and chaos unfold before deciding to incapacitate the security. Cozy Glow distracts a guard while Tirek steals his magic and Chrysalis uses his star badge to the main doors for them to enter. They search for the archives which also wakes up a security goose which follows them. However, Chrysalis disguises herself as another security goose to get it to leave and the villains finally find and break into the Archives. They search through the Archives until Cozy Glow finds a book about how to use the Bewitching Bell and uses a another book to break it out of it's chains.

This gives the villains time to leave Canterlot back to "Grogar's" lair while Twilight and her friends are able to fix the holiday. "Grogar" also returns tells his cohorts that he has found success where they all find "failure". He reveals that he located what he wanted and will retrieve it the next day before they begin his plan to take over Equestria. Tirek is still sulking that he had to give the magic of the Earth ponies back to them, in which Chrysalis and Cozy Glow tell him to stop doing and remind him that "Grogar" would become suspicious if he found out about their "road trip" in which Tirek claims that he doesn't have to like it. Cozy Glow reveals that she didn't like it when the Mane Six managed to fix the holiday, until Chrysalis reveals that the goal was not to destroy but to distract in order to get the book. Tirek reminds them that they can't waste any more time because they must master the bell before "Grogar" returns. Chrysalis reveals that they managed to stay ahead of everyone so far until Cozy Glow remarks how easy it was to turn the Earth ponies, unicorns and Pegasi against each other, in which Chrysalis decides would be something to think about.

## The Ending of the End

In the first part of "Ending of the End," the villains successfully betray "Grogar", using the bell to gain new forms and drain "Grogar" of his power. In doing so, they discover that "Grogar" was actually Discord in disguise. After being left exposed and powerless, Discord was forced to flee from the lair.

Chrysalis went after Starlight first, and after a fight, she defeated and captured her at the cost of not taking over her school. She and Tirek then came to Cozy Glow's rescue when the Mane 6 were about to defeat her. The three, after taunting her over her failure, shoot a combined magic blast at Twilight, which the other Mane 5, Celestia, Luna, Spike, and Discord held back so she could escape. Once the others were imprisoned in the caves beneath Canterlot, Chrysalis objected to Cozy Glow's plan to kill them despite her concerns, wanting instead to torture them. Discord, vowing to atone for his role, freed Starlight by mocking Tirek to the point where he almost attacked him, who released the other Mane 5, Celestia, and Luna, and while Chrysalis, Tirek, and Cozy Glow fought the princesses, Starlight, and Discord, the other Mane 5 ran to find Twilight. The villains, with some trouble defeated and reimprisoned most of their opponents.

When the disharmony they caused between ponies caused the Windigos to return, Chrysalis intended to let them stay as it would give her an advantage over the ponies, though Cozy Glow couldn't stand the cold and Tirek insisted they destroy the Windigos as even he thought they were too out of control. Then the Mane 6 arrived, and when they tried to take Grogar's bell, Chrysalis went after Rarity and Spike, before capturing Spike and threatening to tear his wings off. The trio were about to finish off the Mane 6 with a magic beam when many unicorns blocked with a magic barrier.

After a fight, the Mane 6, Spike, Young Six, and Pillars of Equestria unleashed a rainbow which destroyed the Windigos and removed the power Chrysalis, Tirek, and Cozy Glow had obtained from the bell. Pinkie Pie dropped a giant cupcake on them using Discord's magic before he took it back from the bell, and then Celestia, Luna, and Discord turned Chrysalis, Tirek, and Cozy Glow to stone forever, set on a pedestal together. Thus, Chrysalis was finally defeated for good.

## The Last Problem

It is uncomfirmed of what happen to Chrysalis in the future, as she (along with Tirek & Cozy Glow) are only briefly mentioned in the final episode along with a cameo in a newspaper. It's unclear if the stoning is permanent. It has been stated by Jim Miller that sometime after being turned to stone, their statues were likely moved into the Canterlot gardens like Discord's statue. He also confirmed that being turned to stone left them in suspended animation instead of letting them see\hear everything going on around them like Discord, and as he said it in present tense it is possible they are still trapped in stone by the epilogue, though that has not actually been confirmed yet. Either way, they likely will never be able to hurt any creature again.

## *Return of Queen Chrysalis Arc*

In the first arc of the comics, Chrysalis and the Changelings are shown to have survived their fall, landing in an area called Wuvey-Dover Smoochy Land. Deciding to take advantage of this, Chrysalis and the other Changelings drained the town's open-hearted citizens of their love transformed the land into a Changeling Kingdom. As one of her lieutenants states that it could be a while before they can attack Celestia again, Chrysalis reveals that she no longer cares about Celestia and instead wants revenge on Twilight Sparkle for ruining her plan, explaining that she will bring Twilight and her friends to their kingdom at the time of the Secretariat Comet, and, when their emotions are peaked, she will drain Twilight of her magic.

In Issue #1, the Changelings imprisoned the ponies of Ponyville in cocoons and replaced them with changelings, but the Mane 6 defeated the changelings and rescued all the ponies except the Cutie Mark Crusaders. Chrysalis, giving the Mane 6 an communication orb through Spike, reveals that she has the Crusaders trapped in her lair and that they will have three days to rescue them. Chrysalis then ends the transmission upon being interrupted by Scootaloo.

In Issue #2, Chrysalis, watching over the Mane 6, is disappointed by a troll they encounter, remarking that they are "the most idiotic creatures", only for the Crusaders to start annoying her again, afterwards stating that trolls are the "second most idiotic creatures". Chrysalis then sends six Changelings to cause a cave-in when the ponies were traveling under the Appleloosan Mountains, separating them into pairs, then the changelings impersonated the other ponies and each insulted one of the other pairs within earshot, turning them against each other. Chrysalis found this amusing, but the Cutie Mark Crusaders continued to annoy her.

In Issue #3, Chrysalis recounts what happened to her after her defeat in Canterlot, to the Crusaders. Scootaloo questions what happened to the citizens of Wuvey-Dovey Smoochy Land, and Chrysalis tells her, that if they don't shut up, she'll show them. Chrysalis uses the orb to watch over Twilight, and orders several other Changelings to report on the actions of the other ponies. Chrysalis' guards inform her of the status of the others, and the Crusaders begin laughing at how the Mane 6 will eventually reunite and Chrysalis' plan will be foiled. Now enraged, Chrysalis reveals that it wasn't part of her plan to turn the Mane 6 against one another, but an added bonus, explaining that her true intentions are to destroy Twilight after draining her magic, causing her friends' emotions to spike and making them a big meal for the Changelings, and, afterwards, they will go back to Canterlot and take over. Taunting the Crusaders for their innocence, Chrysalis takes one of the citizens of Wuvey-Dovey Smoochy Land and (off screen) violently murders it in front of them. After the Mane 6 get back together, Chrysalis, still bothered by the Crusaders, moans that it will soon be over.

In Issue #4, Chrysalis decided she was done with the Cutie Mark Crusaders and wanted to be rid of them; it is unknown whether it was to banish them, kill them, or use them as food. After the Mane 6 enter the Changeling's castle, Chrysalis tells them to find her behind one of many doors, from which Mola Ram, Pennywise, the twins from The Shining, and the Phantom of the Opera appeared in pony form. Twilight discovers the correct door and Chrysalis asks her and the others the riddle "How is a Pegasus like a writing desk?" While the others are confused, Pinkie Pie answers the riddle by literally not answering it, and Chrysalis opens the door. In her throne room, the Mane 6 confront Chrysalis as she is arguing with the Crusaders, and a battle ensues, with Chrysalis attacking Twilight.

As they battle, Chrysalis tries to monologue about how love is worthless, and, being interrupted constantly, traps the rest of the Mane 6 inside cocoons. Angry and empowered by the Secretariat Comet, Twilight unleashes a powerful magic beam on Chrysalis, destroying everything around her. Deciding to alter her plans, Chrysalis offers to make Twilight her apprentice instead of draining her magic, threatening to harm her friends if she doesn't comply. Twilight reluctantly agrees to Chrysalis' terms and she releases Twilight's friends, only to reimprison them immediately afterwards, revealing that she will still drain Twilight of her love to make her more subservient, and then she will drain her own friends. Twilight and Chrysalis battle again, and, with the encouragement of her friends and the magic of the Secretariat Comet, Twilight singlehandedly overpowers Chrysalis and the Changelings. Chrysalis and her Changelings are then imprisoned in the castle, with Pinkie Pie's costume standing in the doorway, endlessly annoying them with riddles and songs that never end.

*FIENDship is Magic Mini-Series*

In Issue 5 of *Fiendship is Magic*, which is in continuity with *The Return of Queen Chrysalis*, the Mane 6 visit the imprisoned Chrysalis in her castle, which is under guard by royal guards, to make sure that her imprisonment is going according to plan, as she is to receive a thousand-year punishment for her crimes (which includes being banned from cake). By now she is in an extremely weakened state, as she and her minions barely eat any of their food. It is mentioned that a thousand years ago she destroyed the city of Timbucktu. As more of her exploits are told and shown, she offers her origin in exchange for the newest Daring Do novel, which Rainbow Dash possesses. When Twilight is about to exchange it, she becomes trapped in the prison by the Changelings as it is revealed that the weakened Chrysalis was a Changeling and the true Chrysalis was hiding and she ambushes Twilight and she explains her origin. She came from a swamp where a rotten acorn was dropped into an eerie lake which grew into a tree that fed on insects and Starswirl the Bearded appeared and upon seeing the lake, he put a sign on the tree to keep ponies from entering the lake, but the nail releases the bugs, which have evolved into equine beings along with Chrysalis. She and her subjects then proceed to attack Twilight and before the ponies can stop them, the Changeling overpower them and escape the jail, leaving the defeated ponies and Spike wounded.

*Siege of the Crystal Empire Arc*

In *Siege of the Crystal Empire*, Issue 34 of the comics, Chrysalis is recruited by Radiant Hope along with the Flim Flam Brothers, Lightning Dust, and Iron Will to attack the Crystal Empire as a diversion to keep every pony out of the castle so Radiant Hope could revive King Sombra. Chrysalis duels Twilight, but is defeated when Rarity blasts Iron Will and his goat into her with a cannon, and is captured with her fellow conspirators.

In Issue 35, once Sombra is revived, he releases Chrysalis and helps her defeat Twilight. Celestia and Luna arrive and fight Sombra and Chrysalis, respectively; when Luna gains the upper hand on Chrysalis, Sombra turns both princesses to stone.

In Issue 36, when Chrysalis finds out Sombra plans to release the Umbrum, she is against it, having witnessed the Umbrum attacking the Crystal Empire and causing despair, which changelings cannot feed off of, but when Sombra threatens to turn her to stone, she says she'll help him. This was merely to buy her enough time to escape, knowing she and her changelings could be killed by the Umbrum. She taunts the powerless Twilight and throws her out of her cage so she can be attacked by the Umbrum, and then flies with her changelings across the sea to parts unknown, leaving Lightning Dust, Iron Will, and the Flim Flam Brothers behind.

*My Little Pony: Guardians of Harmony Annual 2017*

In *The Shadow Bolts*, Chrysalis is mentioned to be attacking the Crystal Empire, she sent two of her changelings to distract Rainbow Dash from reaching the Canterlot.

In *Big Spike*, Chrysalis and her changelings are said to be seen heading for the Mane Six and Spike. After Shining Armor arrives with a potion he'd found in castle of the Crystal Empire. Spike is the only one who knows that the potion is for him but Twilight uses a bit of the potion and armors herself, her friends and Shining Armor and still doesn't listen to Spike. When Chrysalis and her changelings arrive, The Mane Six and Shining Armor battle them but are outnumbered and overpowered by the changelings quickly. When Twilight finally grants Spike's wish to have the potion used on him, he grows into a giant armored dragon and he drives Chrysalis and her changelings away with his dragon breath.

## The Dazzlings

The **Dazzlings** are the main antagonists of *My Little Pony Equestria Girls: Rainbow Rocks* and minor antagonists in the special *Equestria Girls: Sunset's Backstage Pass* . They are a musical group of magical Sirens, consisting of Adagio Dazzle, Aria Blaze, and Sonata Dusk. Adagio is the leader and Aria and Sonata are her followers.

The three Sirens were once powerful threats to Equestria itself, sowing chaos with their enchanted voices and growing ever more powerful from feasting on negative emotions. Unable to defeat them, the great mage Starswirl the Bearded resorted to banishing them to another dimension, where magic was nonexistent and their power was nullified, or at least reduced to nothing but a pale shadow of what it once had been.

The three sirens are first seen in a city cafe, where they are observed absorbing negative energy from the customers there, complaining about the miserly amounts of power they gain from this. Then they witness the Harmony blast that defeated Sunset Shimmer in the previous movie. They realize that magic has been brought into the Human World (due to Sunset Shimmer's theft of the Element of Magic), and that their own power has returned as a result. Now once again in possession of their magical abilities, they decide to take over the Human World, starting with Canterlot High, the source of the magic.

The arrive in Canterlot High and Sunset Shimmer gives them a tour around the school, but she feels a bad vibe from them and notices that Adagio stops her from touching her crystal necklace. In the cafeteria, they sing a song that ignites the students' competitive spirits, turning a planned friendly singing festival into a **Battle of the Bands** . They also manipulate Principals Celestia and Luna into bending to their will.

Twilight discovers the true nature of the Dazzlings, but when she and the rest of the human Six attempt to defeat them, they realize that they are not able to unleash the Elements of Harmony at will. Instead, their failed attempt plays right into the Dazzlings' hands. The sirens realize that this group of students were not under their control and deduce that they must have great magic in them - and thus, great power to absorb, though they would have to turn them against each other without the use of their own magic first. This turns the Rainbooms into priority targets for the Dazzlings. In the meantime, they continue gathering energy from the other students.

When they see Sunset Shimmer again, they threateningly play with her emotions and intimidate her, claiming that "no one is going to remember her when they win". Feeling that simply getting the Rainbooms eliminated might not do the trick, the Sirens arrange that they pass to the finals instead despite a lackluster performance. This causes resentment in their opponent Trixie, who refuses to accept this. The Dazzlings then trick Trixie into removing the Rainbooms from the competition altogether by trapping them in a locked basement. However, thanks to Spike, the Rainbooms managed to escape.

Just as they are about to devour the combined energy of the students, the Rainbooms appear to stop them. In turn, the Sirens summon astral projections of their true forms for the battle. The Six overwhelm Aria and Sonata at first, but Adagio's desperate powerful sonic waves throw the girls off-balance, allowing the Dazzlings to gain the upper hand. With the Rainbooms down for the count, Sunset Shimmer steps in to help them out and the students begin to sing along with them. The Dazzlings appear shocked and outsmarted as Sunset's magic, combined with that of the Six, unleashes a giant rainbow alicorn, gaining much upper hand again and much more powerful magic song with everyone singing the Rainboom's song thats it more stronger than the Dazzlings song as they get enraged but then scared as they see a giant magic unicorn from the rainbow magic of harmony as a result that destroys their crystal necklaces, resulting in them losing their magical voices forever.

The Dazzlings are finally defeated and completely humiliated as they attempt to sing to fight back but it goes horribly off-key final, and the audience boo at the Dazzlings as they're all out of their spell and they all know the Dazzlings made them into complete jerks towards their good opponents and friends on different teams and they throw vegetables at them, forcing them to flee the stage.

Years later, the Dazzlings reappear at the Starswirl Music Festival, having being turned permanently human, something they resent deeply. Sunset Shimmer accuses them of being behind the time loop, but they are not the ones responsible, something Sunset confirms with her telepathy.

## Powers and Abilities

The Sirens' magic lies in their enchanted, red-jeweled pendants that they wear, which contain the power of their true forms from Equestria. Their main power comes from their enchanted singing voices, which allows them to manipulate or control others' actions with its compelling tones. They usually use this ability to sow fighting and chaos among their victims, as the three also have the ability to feed on negative emotions to increase their power. The more negative energy they absorb, the more powerful their voice grows. At their apex, they could potentially subjugate an entire world to their will. The Elements of Harmony is the only magic that they cannot absorb directly, or control those who wield them.

When forced into battle, the Sirens can use their necklaces to summon ethereal projections of their true forms. Those apparitions are able to fly and use their voice offensively, unleashing beam projections or powerful shockwaves with their siren wails.

Despite their magical powers to force others to do their bidding, they are (especially Adagio Dazzle) also skilled manipulators of their own right, who can turn those they cannot control against each other with trickery, deceit, and by using the actions of those that they can control.

Their main weakness was the pendants themselves. Once destroyed, the Dazzlings have lost their singing magic forever.

## Cozy Glow

**Cozy Glow** is one of the main antagonists in *My Little Pony: Friendship is Magic* . She appears as the main antagonist of Season 8, first appearing as the supporting character in the episode "Marks for Effort", then later "Friendship University" and "What Lies Beneath", and then finally reveals her true nature as the main antagonist in the finale, "School Raze". She's also one of the three main antagonists of Season 9 (alongside Queen Chrysalis and Tirek). She is also the former friend and now one of Twilight Sparkle's archenemies.

Cozy Glow was once a friend of the Cutie Mark Crusaders and the Young Six, and the former top student of Twilight Sparkle's School of Friendship as well as her Friendship Assistant. But then she revealed to also be Lord Tirek's protégé, who plotted to get rid of Twilight and her friends so that she can take her school and use it to rule Equestria. After she was stopped and exposed, she was then expelled from the school and imprisoned in Tartarus alongside her mentor, that becoming Twilight's new archenemy. Then they were released by "Grogar", (who was actually Discord in disguise) to join the Legion of Doom, but were ultimately defeated and petrified by the end of the series.

She was voiced by Sunni Westbrook.

## Past

Not much of Cozy Glow's past is known. What is known is that she was a young, but evil pegasus orphan who uses her wits and charm to get whatever she wanted. At some point, she enrolled at Princess Twilight's School of Friendship with sinister motives.

## Marks for Effort

Cozy Glow first appeared in " *Marks for Effort* " where she was crying outside the Cutie Mark Crusaders' clubhouse. The Crusaders approached her and asked what's wrong. Cozy answers that she is having difficulty with her lessons at the School of Friendship and fears flunking out. The Crusaders, wanting to attend the School of Friendship too, decide to help Cozy with doing her homework and assignments.

The Crusaders teach Cozy how to be friendly while doing nice deeds for Sweetie Drops, Mrs. Cake, and Big Macintosh. After Cozy gets an "A" on her assignment, the Crusaders assist her further by helping her study for an upcoming friendship exam, during which she learns about the values of friendship represented by the Elements of Harmony. However, Cozy fails the test and runs away, which causes Twilight to accuse them of intentionally tutoring badly out of spite for not being allowed into the School of Friendship themselves.

After Cozy saw what she did to the Crusaders, she decides to go to the school's guidance counselor and confesses that she failed the exam on purpose so that the Crusaders would be allowed to enroll at the School of Friendship. When the truth was revealed, Cozy finally apologized to the Crusaders for what she did to them. Finally, the Crusaders were accepted at the School of Friendship; not as students, but as tutors. Cozy is last seen leaving with her new friends as they set out to tutor more students.

## A Rockhoof and a Hard Place

She makes a background appearance in " *A Rockhoof and a Hard Place* ".

## What Lies Beneath

In " *What Lies Beneath* ", Cozy stays behind to help Twilight organize the library when she notices the Young Six having a difficult time studying for a friendship test. She manipulates them into doubting their confidence in their friendship by saying terrible things about each of their races and claiming that friendship "isn't in their nature." She then leaves to fetch her study notes to help them. At the end of the episode, the Young Six meet Cozy upon completing their journey underneath the school, where she learns about the Tree of Harmony's test on their friendship skills, which worries her. When they consider telling Twilight, she begs them not to out of fear of getting in trouble for making them doubt themselves, which they agree to. As the Young Six drift off to sleep in exhaustion, Cozy ominously looks at the vent where the Tree of Harmony is hidden.

## School Raze

By the season finale episode " *School Raze* ", Cozy Glow had become Twilight's top student and official "friendship assistant", helping her out with several tasks such as reorganizing the school's artifacts. But then all the magic in Equestria begins to disappear, and within 3 days, all of it will be gone forever. By Cozy's theory, Twilight assumes that the magic-stealing centaur, Lord Tirek is responsible, and decides to go with her friends to Tartarus to investigate. Cozy Glow believed that Twilight will leave her in charge in her own absence, but instead gives control to Starlight Glimmer, to which she agrees to.

However, the next day, Cozy informs the rest of the school that Starlight had left to join Twilight in her quest and has left her in control. When the Young Six question this, Cozy punishes them with extra homework. That night, they witness Cozy exiting the vent that leads to the Tree of Harmony's roots and they decide to follow her. When they reach the main office, they discover Chancellor Neighsay sitting in Twilight's chair as he assumes control over the school. He imprisons the Young Six save for Sandbar, who goes to the Cutie Mark Crusaders to help stop Neighsay. He suggests that they convince Cozy Glow to also help, but when they follow her down the same vent as before, they discover the horrible truth: She was the one responsible for Equestria's disappearing magic by stealing the school's artifacts and using them as a magnet to gather it all and send it away into another realm, thanks to advice from letters she's received from her pen pal, who was none other than Tirek, and even trapped Starlight in the vortex. She then explains that it was all part of her insane plan to get rid of Twilight and her friends so that she can take control of the School of Friendship and establish herself as the "Empress of Friendship".

Cozy attempts to convince Chancellor Neighsay to leave the school, but he refuses, so she orchestrates a student uprising to take back her position as a school headmare. Locking him in chains in the office, she then brags to the disgraced Chancellor how becoming head of the Twilight's school will allow her to become the most powerful pony in all of Equestria. As she leaves the office, the Cutie Mark Crusaders try to distract Cozy while the Young Six free Neighsay and Equestria's magic, but then locks them in a hall closet, as she was already aware of their deception. She then leads her student army to the room with the magic vortex, where they find the Young Six, and lies to the students that they are attempting to destroy the school. In the scuffle that followed, Gallus gets trapped in the vortex and the others try to save him, only to be trapped as well. Then the portal opens and Starlight and the Young Six are dragged in with Equestria's magic. Seeing their willingness to save one-another, the students question if they should save them, but Cozy insists that they be left to their fates. But as they leave, the Tree of Harmony, which had been empowered by the Young Six's friendship, saves them all and frees the Young Six so that they can stop Cozy's vortex, much to her shock. Sandbar instructs the others to get clear of the resulting blast and they listen, despite Cozy's demands for them to stop.

When all the magic has been returned to Equestria, Cozy Glow, having been slightly singed by the blast, curses the Young Six for foiling her plans. At that moment, Twilight and the others appear and show their anger at the student who betrayed them all. Cozy tries to save face, but the Mane Six and Spike reveal that Tirek had told them everything and Twilight admonishes her for believing that power was all that friendship was about. Cozy shows no remorse for her actions and tries to escape, but she is caught between the other students, the princesses, and Chancellor Neighsay, and the royal guards, forcing her to surrender. For her crimes and is figured to be too dangerous to wander around other places, not only was she expelled from Twilight's school, but she was also sentenced to imprisonment within Tartarus. There, she tries to make friends with Tirek as she smiled evilly.

## The Beginning of the End

In " *The Beginning of the End* ", while still imprisoned with him, Cozy Glow annoys Tirek by continuing to try and befriend him, before the both of them are suddenly transported out of Tartarus. Emerging within a mysterious cavern, Tirek and Cozy Glow are met by Queen Chrysalis, who immediately accuses them of summoning her, though Cozy Glow assures her that they thought she freed them. As this happens, King Sombra suddenly appears, causing the three to accuse him of summoning them, only for Discord (disguised as the ancient tyrant Grogar) to reveal himself to be the one who was responsible for summoning them. Tirek, Chrysalis, and Sombra are shocked to see him, as they believed he was only a legend, though "Grogar" assures them that he is real and states that he summoned them as part of his plan to rid Equestria of Twilight Sparkle and her friends.

Seeing that Cozy Glow does not know who he is, "Grogar" decides to demonstrate his power by giving Tirek a sample of magic that revives much of his strength. Tirek then tells Cozy Glow that "Grogar" is ancient and extremely powerful, as well as the former ruler of what would become Equestria, claiming that he had heard stories of his tyranny when he was younger. "Grogar" then tells the villains of how he created monsters that roamed the land and took whatever they wanted under his rule, before Chrysalis remarks how he was banished by Gusty the Great, although "Grogar" claims that he was only temporarily weakened when she took his bell; however, Cozy Glow points out that, since he has been weakened before even Tirek was born, he has a very different idea of what "temporarily" means, much to his annoyance. In reality, Gusty the Great really did banish the real Grogar into limbo, from where there is no return.

"Grogar" proceeds to tell the group that he has watched them and their failures to take over Equestria, and asks them why they have always been defeated by the same six ponies each time, with Cozy Glow stating that she's just a kid. "Grogar" rebuffs their answers and claims it is because their enemies work together as a team, demanding that the villains join forces with him to take over Equestria. Sombra, however, refuses to serve "Grogar" and arrogantly proclaims that he will take over the Crystal Empire by himself, causing "Grogar" to send him off to the Empire on the conditions that, if he fails, he will serve him or be destroyed again. After this, "Grogar" tells the others to prepare to work together and leaves. Cozy Glow immediately compares working together to making friends, telling Tirek and Chrysalis that they are in luck since she knows "all about that", though the former only flicks her away in annoyance.

Cozy Glow tries to get Tirek and Chrysalis to work together by having them each says nice things to each other, though this falls apart when Chrysalis refuses to say anything nice about ponies. "Grogar" then approaches them and states that he hopes the three of them will be enough to help his plans along, causing Tirek and Chrysalis to ask about Sombra. "Grogar" shows them that Sombra had failed in his plans to conquer Equestria and had again been defeated by the Mane Six, remarking that he will at least serve as an example to them as what will happen if they don't submit to his plans. Having seen this, Tirek, Chrysalis, and Cozy Glow unanimously agree to serve "Grogar", though they are seemingly left nervous by the thought.

Uprooted

Cozy Glow does not appear in " *Uprooted* ", but she is indirectly mentioned by Yona when she recalls how she and her friends defeated Cozy Glow.

She's All Yak

Cozy Glow also does not appear in " *She's All Yak* ", but she is directly mentioned by Sandbar when he lists her and Sombra as two ponies worse than Yona.

## Frenemies

In " *Frenemies* ", as "Grogar" is working, Cozy Glow approaches him and tattles on Tirek for leaving food out, Tirek quickly approaching "Grogar" and telling him not to trust anything she says afterwards; though "Grogar" is quick to point out that he already doesn't trust anything that they say. After being annoyed by Chrysalis, "Grogar" informs the villains that he is leaving and demands that they all stop fighting and find a way to work together so that they can accomplish their goals. Cozy Glow assumes herself in charge and plans a team meeting. She approaches Tirek about it, which he agrees to go so long as she leaves him be. Cozy then approaches Chrysalis, who also agrees to go as long as there are cupcakes. At the meeting, Cozy Glow encourages the fact that they all need to trust one another, which Chrysalis finds hard to do as Tirek is trying to steal her magic. Tirek firmly denies doing such a thing (returning the magic he actually had stole to a cupcake that Chrysalis devours) and calls her out for constantly ranting to her log, before joining Chrysalis in telling Cozy Glow that she wasn't left in charge. Cozy Glow then tries to get them all to agree with one another over their common goals, leading them all into singing "Better Way to be Bad" with one another, only for them all to devolve into bickering.

"Grogar" returns to see this, and, upset to see they have not yet resolved their differences, decides to send them off on a mission to retrieve his Bewitching Bell from Mt. Everhoof so that they can learn to work together. Cozy Glow and the others fight over who should lead the mission based on their previous feats, only for "Grogar" to angrily overpower and remind them that they all failed before and cannot work alone. Upon arriving at the foot of the mountain, all of the villains immediately split off and begin to find their own ways of getting up; Cozy Glow trekking up the mountain path until she comes across the residence of Rusty Bucket. She tries to pretend that she's a lost little filly in order to get Rusty to take her to the peak of the mountain but he refuses. This causes her to lose her temper but Rusty tells her to stay quiet or she will cause an avalanche. She tries different ways of getting past but keeps failing. This causes her to become angry which causes a giant snowball to fall on her and take her back to the bottom. Cozy Glow returns and finds that Tirek made a camp for himself. He proceeds to laugh at Cozy Glow upon seeing her return and explains to her that he had already deduced that getting up the mountain by himself would be impossible, and so had planned to wait for her and Chrysalis to fail so that he could take what they learned and use it to his advantage. Cozy Glow and Tirek proceed to bicker - Tirek calling her out for her fake cutesy persona and constant manipulations, and Cozy Glow criticizing his arrogance, while also mocking him for talking to his "Gram Gram" in his sleep - until they are approached by an Ophiotaurus, which they both blame each other for attracting. Suddenly, a female Ophiotaurus arrives and seduces the other one, Tirek quickly realizing that the former is actually Chrysalis in disguise, who admits that she needs their help, causing Tirek to gloat about his own strategy.

That night, Cozy Glow and the others proceed to bond with each other over their previous endeavors; her remarking about how she almost caused all of Equestria's magic to disappear and it would have been worthwhile if it meant seeing Twilight and her friends defeated, also admitting that working with Chrysalis and Tirek may not be such a bad thing. The next day, the three villains proceed to combine their abilities in order to scale the mountain, only to find that the cave at the top is protected by a magical barrier, which Tirek cannot absorb since he can only take magic from living beings. With some convincing, Chrysalis allows Tirek to take her magic to become powerful enough to create an opening in the barrier, allowing Cozy Glow to enter the cave and retrieve the bell. Tirek then returns Chrysalis' magic, stating that he wasn't sure he would do so and that it seemed smarter to work with her than fight. The villains begin to reflect with one another over how it felt to rely on others for a change, before Chrysalis snaps them out of it, not wanting the friendship to infect her like it did her hive. Realizing that they almost reformed, the three vow to remain focused.

The three then concur that "Grogar" has grown too powerful and decides to betray him together, and Cozy Glow agreeing due to her love of backstabbing before wondering what they can do with the bell. She and the others later return to "Grogar's" lair and fool him into thinking that they failed while yet still becoming allies, though in reality have kept the bell for themselves.

## The Summer Sun Setback

In *The Summer Sun Setback*, Cozy Glow sees "Grogar" leaving and asks where he is going. He reveals that since his minions "failed" to recover the Bewitching Bell for him, they will need another source of power to defeat Twilight and her friends. After "Grogar" leaves, Cozy Glow informs Chrysalis and Tirek that he is gone. The villain's voice that they don't trust "Grogar" and try to figure out how to use his bell-like ringing it but nothing happens. Cozy Glow then points out that Twilight mentioned that the Archives in Canterlot has a restricted area and the villains set off on their "road trip".

The three villains hide in Canterlot and only Chrysalis and Tirek notice so many ponies out in the night. Cozy Glow reveals that it's the Summer Sun Celebration with Chrysalis asking how many holidays these ponies have. She believes that it will be easy to get in until Tirek points out that Canterlot has increased security. After Chrysalis fails to enter through the main doors, she returns to her allies and informs that it will be more challenging. The villains then overhear Twilight's friends and Discord talking about their responsibilities for the holiday. Tirek believes it to be impossible since the security is increased with Twilight's friends "bumbling about". However, Chrysalis sees it as an advantage to using as a distraction since they heard everything and gives instructions to Tirek and Cozy Glow.

While Chrysalis and Tirek secretly sabotage the unicorns and Earth ponies, Cozy Glow sabotages the Pegasi by tricking Feather Flatterfly into letting her handle the "small stuff" while he focuses on the "big picture" and he allows her to handle the weather changes delicately. But instead, she makes several intentional mistakes that cause the weather to spiral completely out of control and the pegasi to become overwhelmed trying to contain it.

The villains watch all the panic and chaos unfold before deciding to incapacitate the security. Cozy Glow distracts a guard while Tirek steals his magic and Chrysalis uses his star badge to the main doors for them to enter. They search for the archives which also wakes up a security goose that follows them. However, Chrysalis disguises herself as another security goose to get it to leave and the villains finally find and break into the Archives. They search through the Archives until Cozy Glow finds a book about how to use the Bewitching Bell and uses another book to break it out of its chains.

This gives the villains time to leave Canterlot back to "Grogar's" lair while Twilight and her friends are able to fix the holiday. "Grogar" also returns tells his cohorts that he has found success where they all find "failure". He reveals that he located what he wanted and will retrieve it the next day before they begin his plan to take over Equestria. Tirek is still sulking that he had to give the magic of the Earth ponies back to them, in which Chrysalis and Cozy Glow tell him to stop doing and remind him that "Grogar" would become suspicious if he found out about their "road trip" in which Tirek claims that he doesn't have to like it. Cozy Glow reveals that she didn't like it when the Mane Six managed to fix the holiday until Chrysalis reveals that the goal was not to destroy but to distract in order to get the book. Tirek reminds them that they can't waste any more time because they must master the bell before "Grogar" returns. Chrysalis reveals that they managed to stay ahead of everyone so far until Cozy Glow remarks how easy it was to turn the Earth ponies, unicorns and Pegasi against each other, in which Chrysalis decides would be something to think about.

## The Ending of the End

Cozy Glow turns pegasi against earth ponies and unicorns before she, Chrysalis, and Tirek use Grogar's bell to absorb his old magic, turning Cozy Glow into an alicorn. When "Grogar" returns, they drain his magic into the bell, discovering him to be Discord. When Chrysalis and Tirek debate whether to absorb Discord's magic, Cozy Glow volunteers to test this, to which Chrysalis and Tirek immediately agree. Cozy Glow is transformed into a giant demonic alicorn, but as she is unable to control Discord's magic she has Chrysalis and Tirek take it back into the bell, before they set out to conquer Equestria.

Cozy Glow goes after Celestia and Luna at Canterlot, and when they try to banish her in a similar style to King Sombra, she drains their magic into Grogar's bell. The Mane 6 gain the upper hand on Cozy Glow before Chrysalis and Tirek come to her rescue. They destroy half of Canterlot and try to kill Twilight together, but Rarity throws a chunk of rubble at them. They quickly recover and shoot a combined magic blast at Twilight, but the other Mane 5, Spike, Celestia, Luna, and Discord hold it back so Twilight can escape and think of a plan.

In Part 2, The other Mane 5, Spike, Celestia, Luna, and Discord are imprisoned in the caves beneath Canterlot along with Starlight Glimmer and the Pillars of Equestria. Cozy Glow sadistically plans to kill them but Chrysalis argues they should torture them and show Equestria that they've broken its heroes, while Tirek insists they should hunt down Twilight. Cozy Glow tries to take Celestia and Luna's magic with the bell, leading to an argument with Chrysalis and Tirek. Discord tricks Tirek and releases the others, and the other Mane 5 and Spike run off to get Twilight while the others fight Cozy Glow, Chrysalis, and Tirek as a distraction.

After their opponents are reimprisoned, the Windigos appear, to which Cozy Glow doesn't feel like doing much in the cold they cause. The Mane 6 and Spike return, and during a fight to try to get the bell back, Cozy Glow chases after Rainbow Dash, who was part of the distraction, and to protect the bell, she taunts Fluttershy and blasts her. When Chrysalis threatens Spike, the villains nearly destroy the Mane 6, but the unicorns protect them with a barrier, and most of their allies enter the battle.

In the end, the Mane 6, Spike, the Young Six, and the Pillars unleash a rainbow which destroys the Windigos and drains Grogar's magic from Cozy Glow, Chrysalis, and Tirek. After Pinkie Pie drops a giant cupcake on them with Discord's magic, which, along with the alicorns' magic, is returned to their owners, Celestia, Luna, and Discord turn Cozy Glow, along with Chrysalis and Tirek, to stone forever as punishment for their crimes, ending their threats for good. Thus, Cozy Glow was finally defeated for good.

The Last Problem

The statues of Cozy Glow, Tirek, and Queen Chrysalis, briefly appear in a newspaper Twilight Sparkle shows to Spike. It is unknown if she is still a stone statue after the timeskip, as their stone forms are only seen in the flashback portions. In response to a question as to whether she would be all right, Jim Miller said "Cozy's fine. Just in suspended animation." Indicating she, as well as Chrysalis and Tirek, are asleep for their stoning, unlike Discord. The use of present tense could imply they are still trapped in stone as of the epilogue, though this has yet to be confirmed. Either way, they likely will never be able to hurt any creature again.

## King Sombra

**King Sombra** is one of the major antagonists of *My Little Pony: Friendship is Magic* . He appears as the main antagonist of the season 3 premiere "The Crystal Empire" and the season 9 premiere "The Beginning of the End". He is also the supporting antagonist in the season five finale "The Cutie Re-Mark", and a posthumous antagonist in the season six premiere "The Crystalling" and the rest of season 9. He is also one of Twilight Sparkle's archenemies.

He is a dark and tyrannical unicorn and the former ruler of the Crystal Empire who is bent on reconquering the empire and later taking over all of Equestria. In Season 3, he returned alongside the Empire and plans to retake it so he can regain his physical form and conquer Equestria with his army of mind-controlled slaves. However, his plans were thwarted by Cadance, Spike, The Mane Six, and the Crystal Ponies, and he was defeated and destroyed. In Season 9, Sombra was restored by Grogar (who is Discord in disguise) to join his team of villains so they can conquer Equestria together. However, Sombra refused to join the team and he goes out to conquer Equestria on his own. He managed to destroy the Tree and Elements of Harmony and succeeded in conquering both Ponyville and Canterlot. However, he was defeated once again by the Mane Six.

In the IDW MLP comics, he appears as the secondary antagonist in the 13th story arc *Siege Of The Crystal Empire* ; the real main antagonist being his "mother" Rabia. In the IDW comics, it is stated that Sombra is actually an Umbrum created to destroy the Crystal Heart and release the Umbrum army trapped underneath the Crystal Empire; although this is considered to be non-canonical to the series.

He was voiced by Jim Miller in Season 3, and was voiced by Alvin Sanders in Season 9.

## Past

King Sombra's early life is left completely unknown in the TV series (unlike the comics). It can be speculated that Sombra was once a normal unicorn, possibly a resident of the Crystal Empire, until he began studying dark magic, and had delved so deep in it that it mutated him into the tyrannical abomination he is today. It is also implied that Sombra murdered the previous Queen of the Crystal Empire so he can take over the Empire.

What is known is that King Sombra was a powerful unicorn whose heart is said to be as black as night. He took control of the Crystal Empire and enslaved the crystal ponies, and most likely planned to do the same with the rest of Equestria. Fortunately, Celestia and Luna arrived and used their combined magic to depose him, turning him to shadow and banishing him to the Arctic North, ultimately sealing him into a crevice of ice which closed up. However, he foresaw this and placed a curse upon the Crystal Empire that caused it to disappear for a thousand years out of spite.

## Season 3 The Crystal Empire

The Crystal Empire reappears, but the crystal ponies have no memory of their kingdom before Sombra took over, and the mere memory of him causes them pain. Sombra returns along with the Crystal Empire and tries to conquer it again, but Princess Cadance was able to cast a protection spell around it which kept him out. When Twilight Sparkle and her friends came to the Crystal Empire to protect it, Sombra chased after them in shadow form, but they got through the barrier, although he attacked Shining Armor he survived, his horn was cursed so that he could not use his magic.

When Cadance began to run out of power to perform the spell, the barrier briefly deactivated, allowing Sombra to invade. Sombra's horn was broken off as the barrier reactivated, and he transformed it into a dark crystal that began to create more dark crystals in the Crystal Empire.

Twilight and Spike searched for the Crystal Heart, the key to protecting the empire, inside the castle, where nobody would dare to look. They ran into a door enchanted by Sombra to hypnotize them into confronting their worst fears. In Twilight's case, she thought Celestia told her that she failed her test and wouldn't continue her studies, only for Spike to snap her out of the trance. Spike gets brainwashed too and thought Twilight was banishing him, but Twilight saw through the enchanted door's purpose and shuts it, releasing Spike from the spell and comforting him about his fear.

Eventually, they reached the Crystal Heart, but Sombra, was finally able to enter once Cadance was no longer able to perform her spell, trapping Twilight in a wall of dark crystals, keeping her from the Crystal Heart once she triggers a trap.

With no way out, Twilight entrusts Spike to take the Crystal Heart to Cadance. Returning to his physical form, Sombra tried to spear Spike with a dark crystal, but Cadance saved him from the attack. She then returned the Crystal Heart, and together with the crystal ponies used its power to unleash a wave of magic that restored the Crystal Empire and destroyed Sombra, shattering him to pieces.

King Sombra was briefly referenced in the episode, " *Games Ponies Play* ". Twilight also briefly uses his magic in " *Princess Twilight Sparkle* ".

Season 5 The Cutie Re-Mark

The first of many alternate timelines temporarily created by Starlight Glimmer, King Sombra is in power and ruling over the Crystal Empire with the iron hoof, having never been killed by Princess Cadance due to the change in the timeline, he made the crystal ponies fight for him against the rest of Equestria, fighting a war with Celestia. He was winning the war as he managed to take half of Equestria.

Season 6 The Crystalling

King Sombra was mentioned again a couple of times in the Season 6 premiere " *The Crystallising* ". Spike mentions King Sombra while telling the Crystal Ponies about how he was defeated. Twilight later reveals the reason that King Sombra merely hid the Crystal Heart in his castle is to prevent the Frozen North's weather from breaching the Empire. This explains why Sombra never destroyed the Crystal Heart in the first place.

Season 7 Shadow Play

Pinkie Pie mentions Sombra while recounting the threats Equestria has faced over the last thousand years to Star Swirl the Bearded.

Season 9 The Beginning of the End

King Sombra is revived by Discord (who was in the form of the ancient tyrant Grogar) and is summoned to his lair, where Queen Chrysalis, Lord Tirek, and Cozy Glow accuse him of being the one who summoned them there. However, "Grogar" reveals himself as being the one to summon them, much to the villains' astonishment, as they had all thought he was a legend (except for Cozy Glow, who had never heard of him before). "Grogar" proceeds to tell the group of his plans to eliminate Twilight Sparkle and her friends and demonstrates his power by giving Tirek enough magic to partially revive his strength, also causing him to tell Cozy Glow of the stories that he had heard of "Grogar" when he was younger and for Sombra to do the same afterwards. "Grogar" goes on to state that he's been watching over all of them and asks them why they think that they've always been beaten by the same six ponies, Chrysalis interrupting Sombra before he can respond. "Grogar" rebuffs all of their answers and points out that the Mane 6 have always won because they work as a team, and demands that they all do the same in order to take over Equestria.

However, Sombra refuses to join "Grogar", claiming that he will take the Crystal Empire back for himself and destroy anyone who gets in his way. Unphased by this, "Grogar" tells Sombra to go and try to take over the Empire again, even offering to transport him there on the conditions that he can keep it if he succeeds, but will serve him once he fails, claiming he will destroy him again if he refuses to abide by his terms. Sombra agrees and proceeds to arrogantly proclaim how he will overtake the Empire, before an annoyed "Grogar" whisks him away. Sombra proceeds to lay siege to the Crystal Empire with ease, brainwashing the crystal ponies and royal guards into serving him as he approaches the castle. Inside, Princess Cadence sends out a message to Twilight before she and Shining Armor notice that Flurry Heart is missing and find her in Sombra's clutches. Sombra then forces Shining Armor and Cadence to surrender, capturing the Crystal Heart and fully taking over the Crystal Empire afterwards.

Upon receiving Cadence's message and summoning her friends, Twilight decides to retrieve the Elements of Harmony from the Tree of Harmony to defeat Sombra. Back at the Empire, Sombra is seen relaxing on his throne, amused by Flurry Heart's attempts at attacking him, only for the Mane 6 to arrive to challenge him. Unconcerned, Sombra forces his opponents to endure their own worst fears (making Twilight see a vision of all of her friends being controlled by Sombra while Princess Celestia and Luna show disappointment in her, turning them into Nightmare Moon and Daybreaker as a result), and suggests that they should surrender, as nothing can beat their own fears. However, Twilight and the others overpower Sombra's visions with the Elements, revealing that they were only facing their fears long enough for Spike to free his captives.

Cadence then reclaims the Crystal Heart and uses it to dispel Sombra's influence from the Empire, freeing everyone from his control. In spite of this, Sombra proclaims that he will win in the end, before being seemingly destroyed by the Elements. Having saved the Empire again, Twilight and the Mane 6 return the Elements to the tree, only for Sombra to appear and destroy both.

Sombra reveals that his supposed demise back at the Crystal Empire was merely a ruse to fool the Mane 6 in so that he could trace them back to their source of power and destroy it; and now that he has done so, they will be unable to stop him. Despite this, the Mane 6, minus a disheartened Twilight, try to fight back against him, only for Sombra to imprison them all, realizing that, with them out of the way, he can conquer all of Equestria for himself, planning to overtake Ponyville first. Sombra then considers using his magic to brainwash the Mane 6 as well, but decides against it, as he is already forcing them to endure their worst fear by taking control of Equestria anyway before leaving. Sombra goes on to brainwash all of Ponyville - including Spike, Starlight Glimmer, the Cutie Mark Crusaders and the Mane 6's other friends-into becoming his slaves and takes them to conquer Canterlot, while the Mane 6 are forced to deal with the Everfree Forest's overgrowth thanks to the Tree's destruction.

Sombra storms Canterlot with ease thanks to his brainwashed army, and barges into the Princess' throne room, only to find that it is empty, making him believe that Celestia and Luna had run away from him in fear. Soon, the Mane 6 arrive in the Princess' throne room with Discord (back in his true form) and engages Sombra, who attempts to blast them with magic. However, Discord dispels all of Sombra's attacks with ease while commenting that, even though he expected Twilight and the others to handle things by themselves, they still win because he is their friend, though in doing so he accidentally prompts Sombra to target Fluttershy instead, making Discord take the blast for her. Sombra gloats at his victory and begins to decide how he will eliminate the rest of his enemies, while, at the same time, Discord gives his friends a heartfelt speech about how they don't need him or the Elements to beat Sombra since all they have ever needed to win is each other.

Disregarding Discord's claims, Sombra attacks the Mane 6, who, now inspired, begin to fight back, generating more magic than ever. Baffled, Sombra demands to know how the Mane 6 have the ability to stand up to him even when he destroyed the source of their power, although Twilight claims that he never did, with her and the others reminding him that friendship is magic, before using their power to destroy him once again and remove his influence from Equestria. Due to how powerful the Mane 6's magic was, Sombra's skin was tearing itself apart while he quickly turns to dust as well and disappears into the light, destroying him once and for all.

Later, Celestia and Luna return from fending off the Everfree Forest and state that they will hold off on making Twilight and her friends the new rulers of Equestria until Twilight feels she is ready, causing Discord to reveal that he faked his injuries in an effort to push Twilight to become the great leader he knows she is, additionally revealing that he could have defeated Sombra any time he wanted. Back at "Grogar's" lair, Tirek and Chrysalis ask him about how

Sombra's plan went, and "Grogar" shows them that he had been defeated yet again. Choosing not to revive him a second time, Discord (back in his Grogar disguise) uses Sombra's destruction as an example to the others of what happens when they try to abandon his plans, making them nervously agree to serve him.

## Legacy

King Sombra is mentioned a few times in the episode, " *Uprooted* ".

He is also mentioned in " *Sparkle's Seven* ", where it is shown that Princesses Celestia and Luna decided to have Shining Armor increase security in Canterlot following Sombra's previous attack on it.

In " *She's All Yak* ", Sandbar lists King Sombra and Cozy Glow as two ponies worse than Yona.

He is briefly mentioned in " *The Last Crusade* " by Mane Allgood, who lists him as one of the main reasons why she and her husband Snap Shutter decided to come to Ponyville and spend time with their daughter, Scootaloo.

In " *The Ending of the End - Part 1* ", Sombra is mentioned a number of times when it is revealed that Discord had been posing as Grogar and was using him and the other villains to create a threat that would push Twilight and her friends into becoming confident rulers of Equestria. In " *Part 2* ", Twilight has a picture of Sombra included in a thought chart when trying to come up with a way to defeat Tirek, Queen Chrysalis and Cozy Glow.

## Reflections

King Sombra of a parallel world appears in the seventh arc (Issues 17-20) of the comics. He is the polar opposite of the Sombra from the show, as he is a good ruler of the parallel world where Celestia and Luna are evil. He is in love with Celestia of Prime Equestria.

However, this version of Sombra would suffer a terrible fate in allowing himself to be taken by evil to protect his beloved Celestia and both their worlds from destruction, becoming just like the King

Sombra from Celestia's world. But even after being taken by evil, this Sombra mourns his beloved Celestia, now lost to him, possibly forever.

In *Friends Forever #4*, it is shown how King Sombra captured a Crystal Bard and enslaved him, making him read books for him after the Crystal Bard escaped King Sombra with his royal guards trying to recapture him but the Crystal Bard became smarter than him.

*Fiendship is Magic*

In Issue 1, Sombra's backstory (at least in comic canon, in which Amore has a different cutie mark than described in the Journal of the Two Sisters) is revealed; he was an Umbrum disguised as a pony to enter Equestria and release the other Umbrum, who were imprisoned in another dimension. Sombra initially didn't want to turn evil, and was friends with Radiant Hope, and was affected by the power of the Crystal Heart, but after a talk with the Umbrum, he embraced his dark side. He turned Princess Amore to crystal and shattered her to pieces, before being banished by Celestia and Luna, but he threw Radiant Hope outside of the Crystal Empire. In the present, it is shown that Sombra is now a ghost tied to his horn.

Siege of the Crystal Empire

In Issue #34, Radiant Hope recruits Queen Chrysalis, Lightning Dust, Iron Will, and the Flim Flam Brothers to attack the Crystal Empire as a distraction while she finds Sombra's spirit and horn, and uses her healing magic to bring him back to life.

In Issue #35, Sombra releases the imprisoned villains, and he encrusts Twilight's horn with dark crystals, allowing Chrysalis to defeat her. Celestia and Luna arrive to fight Sombra and Chrysalis, but due to Hope's intervention, Sombra turns Celestia and Luna to stone.

In Issue #36, Sombra and Chrysalis get into an argument when Chrysalis is against Sombra's plan to release the Umbrum, knowing they will cause despair, thus preventing her from feeding off love. Threatened with being turned to stone, Chrysalis retreats with her Changelings. After Princess Cadance and Hope discover what the

Umbrum are really like, Hope tries to convince Sombra not to release them. Twilight arrives, having been restored by the other Mane 5 with the power of friendship, and shoots a magic beam at Sombra, but Hope jumps in front of him and takes the hit. Sombra then releases the Umbrum.

In Issue #37, Sombra, now emperor, turns Shining Armor to stone at the command of Lady Rabia in a reference to Governor Tarkin destroying Alderaan. He is about to do the same to Twilight and Cadance when Twilight tells them to do this at the dais where the Crystal Heart is so everypony can see it happen. Sombra goes to take Hope with him, to which she reveals that her supposed destiny of becoming a princess did not come true because she left her training to look for him. Sombra was affected by the realization that not only was the Crystal Heart's prediction not true, but she chose him over becoming a princess. When the "rebels" attack the Umbrum, Rabia tells Sombra to eliminate Twilight and Cadance and Hope takes out the Crystal Heart. Rabia tells Sombra to smash it, but instead, he unleashes its power, re-imprisoning the Umbrum and saving the Crystal Empire. Sombra is disintegrated by the Crystal Heart's power, but before he can be completely destroyed, Hope saves him with her magic, and together she and all four princesses restore him to physical form, turning him into an actual pony similar in appearance to his mirror-world counterpart. Together, Sombra and Hope decide to restore Princess Amore.

## Nightmare Moon

**Nightmare Moon** is a major antagonist of *My Little Pony: Friendship is Magic* . She appears as the main antagonist of the Season 1 premiere, "Friendship is Magic", and as the secondary antagonist in the Season 5 finale, "The Cutie Re-Mark" and the Season 7 episode, "A Royal Problem". She also appeared as a flashback antagonist in the Season 4 premiere, "Princess Twilight Sparkle" and a minor antagonist in the Season 9 premiere, "The Beginning of the End".

She is the corrupted form of Princess Luna, the younger sister of Princess Celestia who was consumed by her own jealousy toward her older sister. As Nightmare Moon, she acted as Celestia's archenemy until she was restored to her normal form by the Mane

Six.

It is unclear if "Nightmare Moon" is an entity that possessed Luna or not; the show seems to lean that Nightmare Moon is Luna's alternate personality but the comics state that Luna was corrupted during her time on the moon.

## Past

Long ago, Luna and Celestia were both the rulers of Equestria, a land inhabited by ponies. Every morning, Celestia would raise the sun, and every evening, Luna would raise the moon. Together, they kept the balance perfectly. However, as time went on, Luna grew jealous: the ponies would be awake to enjoy the day and love, admire, and appreciate Celestia's work, but would always "shun" Luna's night by sleeping through it.

One day, Luna finally became fed up with Celestia's success. Not only did she refuse to lower the moon, but also challenged Celestia for the sole rulership of Equestria. At that moment, the bitterness in Luna's heart manifested and consumed her, transforming her into Nightmare Moon, a black mare of pure darkness. Celestia did not want to fight Nightmare Moon and begged her to lower the moon, but Nightmare Moon said her only royal duty was to destroy Celestia, and shot at her elder sister with magic beams, eventually knocking her down. Seeing no other way, Celestia reluctantly used the Elements of Harmony to overpower Nightmare Moon and banish her into the moon, creating the phenomenon known as "the Mare in the Moon" (a unicorn's face imprinted upon the surface of the moon).

Since then, Celestia took full responsibility of raising the sun and the moon, and a holiday was created to celebrate Celestia's victory over Nightmare Moon called the Summer Sun Celebration. However, Celestia only felt loneliness and regret for having to send her own sister away. In addition, it was prophesied that in a thousand years, on the longest day of that year, Nightmare Moon would be free of her imprisonment to seek her revenge.

## Season 1

Upon reading an ancient legend, Twilight Sparkle realized Nightmare Moon is about to return, however her mentor, Princess Celestia, encouraged her to make friends instead of worrying about the supposed "old pony's tale". Unfortunately, Twilight turned out to be right and Nightmare Moon was released during the Summer Sun Celebration, replacing Celestia who was supposed to attend it. Twilight and her soon-to-be friends chased Nightmare Moon into the forbidden Everfree Forest.

After conquering many obstacles left by Nightmare Moon in their path, they finally found the twisted mare herself along with the ancient Elements of Harmony, now reduced to inert stones. As Nightmare Moon whisked the Elements away, Twilight followed her into the portal and confronted her alone. She tried to use the Elements of Harmony as Celestia did, but for that, she had to find the "spark" that would make a sixth Element appear. However, no matter how hard she tried, she couldn't make the spark, and Nightmare Moon destroyed the Elements.

Fortunately, when Twilight heard her new pony friends calling for her, she felt a different spark in her heart; making her realize that the real Elements are not just some stones: they exist in the hearts of her friends. That spark triggered the final element: Magic (also known, of course, as Friendship), and reanimated the shattered Elements, converting them into jewels for the six friends to bear. Using the Elements of Harmony, Twilight activated a spell that struck Nightmare Moon, exorcising the darkness from her and transforming her back into Princess Luna.

Celestia arrived in the ruins where the battle took place, admitting that she knew of Nightmare Moon's return, but knew the only way to defeat her was for Twilight to understand the importance of friendship. Celestia walked over to a cowering Luna, who apologized in tears for her actions, and was granted forgiveness. Later at the celebration (held by Pinkie Pie), even the other ponies forgave Luna, gifting her with a flower necklace.

Season 2

In the season 2 episode "Luna Eclipsed", Princess Luna, now uncorrupted (And with a new look. Lauren Faust, the show's creator, stated that this was because when Nightmare Moon was defeated, Luna was reborn with very low magic levels, and she transformed after getting her good powers back), returns to Ponyville during the holiday Nightmare Night, a holiday dedicated to Nightmare Moon depicting her as a scary bogeyman. Luna, with Twilight's help, tries to change her image from that of the terrifying Nightmare Moon, to a favorable one as Princess. Unfortunately, the nature of the holiday, combined with Luna's outdated mannerisms and flair for the dramatic, make her subjects more scared of her than ever. Her first attempts end disastrously, prompting her to decree Nightmare Night canceled, but Twilight persuades her to give Ponyville another chance. When Luna discovers that the residents actually enjoy being scared as part of the night's festivities, she uses the Nightmare Moon persona to help them have fun and thus gains their trust and friendship, particular that of a colt named Pipsqueak.

## Season 4

During the Season 4 premiere two-parter, "Princess Twilight Sparkle", Twilight attempts to figure out the source of the chaos seizing Equestria by drinking a potion which gives her flashbacks of the past. One of the flashbacks she experiences is of Luna becoming Nightmare Moon and assaulting Princess Celestia. At first, Celestia is reluctant to fight her sister, but Nightmare Moon assaults her with dark beams and eventually wounds her, sending her plummeting to the ground. However, Celestia promptly recovers and arms herself with the Elements of Harmony, the power of which she channels into a powerful beam that overwhelms Nightmare Moon's defenses and seals her inside the moon.

## Season 5

In the episode "Do Princesses Dream of Magic Sheep?", it is revealed that Luna never truly forgave herself for her transformation into Nightmare Moon and created a creature known as the Tantabus to punish her by turning her dreams into nightmares about Nightmare Moon. However, when the Mane 6 mysteriously show up and try to defeat the Tantabus, it becomes aware of their existence and leaves Luna to infiltrate their dreams. Luna and the Mane 6 try to fight off the monster, but the problem becomes worse when Pinkie Pie dreams of sharing a giant ice cream sundae with all the ponies in the entire town, giving the monster knowledge of all the residents of Ponyville. Luna uses her power to bring all of the citizens of Ponyville into the same dream and they try to use their dream abilities to bring down the Tantabus and prevent it from reaching the real world. Despite their best efforts, the monster becomes too powerful for them to fight off and it heads for the real world. Twilight realizes that Luna's guilt is what's fueling the monster and causing it to grow bigger. Twilight and her friends make her see that she and Nightmare Moon are not the same, that Luna is doing everything she can to save Equestria from the Tantabus at her own risk and that she is not alone, that everyone from the Mane 6 to all of Ponyville and beyond trust her completely and implore her to trust them on this. A tearful Luna finally lets go of the past and is now able to finally forgive herself, destroying the Tantabus, and sleeping happily and peacefully for the first time in a millennium.

In the third of many alternate timelines created by Starlight Glimmer in the season finale "The Cutie Re-Mark", Nightmare Moon is in power, having imprisoned Celestia in the moon for years and with Rarity and Rainbow Dash working for her. When Twilight mentions time travel, Nightmare Moon tries to force her to lead her back in time to stop the Elements of Harmony from being found, threatening Spike. She shatters the Timberwolves that attacked Twilight and Spike, but with teleportation, Twilight gets Spike away from Nightmare Moon and travels back in time again in another attempt to fix the timeline.

Season 7

In "A Royal Problem", Starlight Glimmer has a nightmare in which her fears of accidentally driving Celestia and Luna farther apart by switching their cutie-marks result in Luna transforming back into Nightmare Moon. As Celestia (having taken over Luna's duties) prepares to fight Nightmare Moon, Daybreaker, an evil version of Celestia, emerges, stating that, if Luna can turn into Nightmare Moon, Celestia can turn into Daybreaker. Daybreaker then states that Celestia doesn't need Luna and then engages Nightmare soon in battle, stating that she shouldn't have banished her, but destroyed her instead. Celestia tries to stop the fight, however, Daybreaker refuses and continues trying to destroy Nightmare Moon, forcing

Celestia to visit Luna's dream and get her help. As Celestia and Luna return to Starlight's dream and reconcile, Daybreaker manages to overpower Nightmare Moon and begins blasting at her again, however, Celestia teleports between their beams, and erases both of them from Starlight's dream.

Season 9

In "The Beginning of the End - Part 1", Nightmare Moon appears briefly alongside Daybreaker in Twilight's vision caused by King Sombra's fear spell. This brief scene is also Nightmare Moon's final appearance in the series.

Other appearances

Luna becomes a recurring heroic character in the series. At the beginning of Seasons 2 and 3, it's revealed that Luna, alongside Celestia, turned Discord to stone with the Elements of Harmony and imprisoned King Sombra in ice while turning him to shadow, about a thousand years ago sometime before her transformation into Nightmare Moon.

Nightmare Moon in comics

In Issue 6 (Part 2 of the second arc), Nightmare Moon is depicted as a separate entity from Luna, originating from the moon (as evidenced by her speaking to Rarity while possessing her, and speaking as if she were the original Nightmare Moon). It is said she convinced Luna to let her possess her (Luna also says "the Nightmare Forces" told her what to do to make ponies fear her), and that she promised the Nightmare Forces a kingdom of their own. When the Mane 6 restored Luna, Nightmare died, but was revived through the cycle of the new moon, and corrupted the inhabitants of the moon into new Nightmare Forces.

Nightmare herself convinced Rarity to let her possess her, becoming Nightmare Rarity.

In Issue 7, Nightmare Rarity imprisons the ponies in her dungeon once the Nightmare Forces defeat them, and resists Spike's attempts to get through to her. She tries to trick him with an illusion, but he realizes her deception. She has Shadowfright and his sidekick capture him and says the nightmare has only begun.

In Issue 8, the ponies escape the dungeon and de-corrupt Shadowfright's sidekick, Jerome, with the power of friendship. Luna does the same to Shadowfright and his army, turning them back into the denizens of the moon. The ponies then use this power of friendship on Nightmare Rarity to weaken her, and with this, them thinking of memories of Rarity, and Spike's love for her along with his restored Fire Ruby, the Nightmare Energy and spirit of Nightmare Moon are destroyed, releasing Rarity from their control.

Luna appears in the comics as well, though not as Nightmare Moon, and with her mane and tail the way they were after she was restored.

In issue 32, moon rocks from the battle between Celestia and Nightmare fall down to the planet and cause some apples to come to life.

FIENDship is magic issue 4 explains what Nightmare Moon did on the moon. She came across some creatures who make ponies' dreams. She tried to invade Celestia's dream to haunt her, but it was too strong. So she invades other ponies' dreams to spread rumors about Celestia. Celestia quickly put a stop to this. When Nightmare finally reaches her dream, Celestia banishes her permanently. Nightmare then turns the creatures into the nightmare forces.

## Theories

There are several theories about Nightmare Moon and Luna which say they're not the same entity. This was confirmed by Lauren Faust herself (though she also gave a speech in an interview about Nightmare Moon's "reformation"). Nightmare Moon could be in fact an embodiment of dark magic possessing Luna and keeping her prisoner under her evil influence till she was finally released by the Elements of Harmony. However, this theory has been debunked by the episode "Do Princesses Dream of Magic Sheep?".

As King Sombra made the Crystal Empire disappear for a thousand years, it was speculated that he had something to do with Luna's transformation into Nightmare Moon. He could have magnified her existing jealousy and bitterness into a dark transformation, or, in accordance with the above theory, a manifestation that possessed her. This theory may have been proven wrong as it was revealed that Celestia and Luna defeated Sombra in the past and imprisoned him, though that does leave the possibility that Sombra only started a more gradual transformation from Luna into Nightmare Moon. This theory was expressed in the youtube video, *Fall of the Crystal Empire.*

It has also been speculated by G1 fans that Tirac exists in *Friendship is Magic* and was the one behind Nightmare Moon's transformation, since Nightmare Moon shared Tirac's motivation of bringing the night that never ends. However, when Lord Tirek finally appeared he displayed no such power or interesting in a neverending night.

It has been said that there was an outside force behind Luna's transformation into Nightmare Moon, who also might have had a hand in Discord's escape. In the comics it is implied that this force was the Nightmare Forces, directly possessing her while exploiting the bitterness in her heart to get her to accept them (although it also could be that the Nightmare Forces in the comics are the spirit of Nightmare Moon since she still seems to be Luna, or at least a part of her).

Some believe Nightmare Moon to be an apocalyptic villain since eternal night would cause the world to freeze. Lauren Faust has said that eternal night was Nightmare Moon's first step to a plan to "usher in an era of evil".

It has also been speculated that she is now a ghost and that she is the mysterious Shadow Pony haunting Celestia and Luna's old castle in the Season 4 episode "Castle Mane-ia", although recent comments have made this figure more likely to be Tirek.

Due to Stygian having a similar backstory and transformation into the Pony of Shadows, which occurred through him merging with a sort of "Shadow" strongly resembling a symbiote, it is possible (and, aside from the Nightmare Rarity comics, it is implied by the *Legends of Magic* comics) that Luna similarly merged with a "Nightmare" symbiote (though one weaker than the Shadow, as the Pony of Shadows was not purified by the Elements of Harmony while Nightmare Moon easily was), which she would have let in out of jealousy, to become Nightmare Moon.

## Reception

Nightmare Moon received a mostly positive reception from critics and fans of the series. As the first antagonist of the series, she is praised for her actions, personality, backstory, and her motives. Her alter-ego, Princess Luna, became one of the show's most beloved and popular characters of the series and the Brony Fandom. Her voice actress, Tabitha St. Germain, received praise for her performance as Nightmare Moon.

## Diamond Dogs

The **Diamond Dogs** (named **Rover**, **Fido**, and **Spot** ) are minor antagonists in *My Little Pony: Friendship is Magic* . They are trio of greedy jewel finding dogs.

Rover was voiced by Scott McNeil, Fido was voiced by Garry Chalk, and Spot was voiced by Lee Tockar.

They appear only in the season 1 episode "A Dog, and Pony Show". They are the main antagonists of the episode. They kidnapped Rarity to find gems for them after seeing her using her gem-finding spell, though the first attempt to kidnap Spike, thinking that he was the gem finder. In the end, Rarity makes them regret kidnapping her until her friends arrived to rescue her with spoils.

Rover is a medium-sized dog and the leader of the trio. His two followers are Fido, a large-sized dog, and Spot, who is a bulldog-like a small dog. Their name is taken from David Bowie's album *Diamond Dogs.".*

## Mane-Iac

The **Mane-iac** is a fictional character that appears in the fourth season of the show *My Little Pony: Friendship is Magic* and is the main antagonist of the episode entitled "Power Ponies". The Mane-iac appears to be an earth pony with a violet coat, a mane consisting of large green hair tendrils, and green eyes with red pupils.

At the beginning of the episode, Spike shows Twilight Sparkle a couple of pages of a *Power Ponies* comic book on which the Mane-iac is depicted.

She is stated to be the Power Ponies' "most evil nemesis". Originally, she was the power-mad owner of a hair-care product company, she was the victim in an accident at her shampoo factory and fell into a vat of green liquid and was electrocuted by a downed power line. The accident had given her strange new powers and caused her to go insane. Another page shows the Mane-iac breaking into the Maretropolis Museum and stealing something called the Electro-Orb.

When Spike and his friends are sucked into the comic book and become the Power Ponies, they're brought to the point in the story at which the Mane-iac has just stolen the Electro-Orb. She watches in amusement as they grow accustomed to their newfound superpowers before leaving the scene. When the Power Ponies track the Mane-iac down to her headquarters-her abandoned shampoo factory-she dispatches the ponies with her "Hairspray Ray of Doom", freezing the ponies in place and rendering their powers useless. She then takes the Power Ponies prisoner, but leaves Spike/Humdrum alone, considering him pointless. The Mane-iac uses the Electro-Orb to power her doomsday device, with which she plans to cause the manes of every pony in Maretropolis to grow wild. As she gloats to the Power Ponies over her apparent victory, Spike traps some of her henchponies and helps in freeing his friends. Just before the Mane-iac can use her weapon on Fluttershy/Saddle Ranger, a firefly enters her line of fire, and she swats it away. This action incurs Saddle Ranger's wrath, and she single-handedly does away with both the Mane-iac and her weapon.

As the result of being struck by her own weapon, the Mane-iac's mane grows out of control, ensnaring her in it like a straitjacket, while seemingly tickling her as she was laughing.

IDW Comics

In issue #54 of the IDW comics, Shadow Lock brings the Mane-iac out of Twist's comic book to distract Applejack and Pinkie Pie while he erases the information from all of the books in the school. The Mane-iac is presumably sent back into the comic book off-screen.

## Starlight Glimmer

**Starlight Glimmer** is a former major antagonist in *My Little Pony: Friendship is Magic* . She acted as the main antagonist of Season 5, first appearing in the premiere "Cutie Map", then made some cameos in the episodes "Amending Fences" and "What About Discord", and then made her next full appearance in "Cutie Re-Mark". She then redeemed herself and became on of the supporting protagonists for the remainder of the series. Her counterpart, Snowfall Frost, appeared as the main antagonist of "A Hearth's Warming Tail".

Starlight Glimmer started out as the leader of an unnamed village near the edge of Equestria, where she convinced everypony to give up their cutie-marks, which was a result of her childhood friend, Sunburst, abandoning her when he gained his own mark. When the Mane Six arrived and exposed her the tyrant she was, she escaped and sought her revenge later on by traveling back in time and interfering with their past, until Twilight Sparkle inspired her to seek friendship again. She then became Twilight's student, Trixie Lulamoon's assistant, then the guidance councilor of Twilight's School of Friendship, and then finally Headmare of the school.

She is voiced by Kelly Sheridan, who also voiced Svetlana Petranova in *Barbie in Rock 'N Royals* .

### The Cutie Map Part 1

In her episode debut, she is the head of a village where all the ponies have equal signs for Cutie Marks. She greets the Mane 6 when they enter the village. She and the townsfolk explain their philosophy - that being equal is what brings true happiness. The Mane 6 (except Fluttershy, who is warmed by the townsfolk's benevolence, and especially Pinkie Pie, who is adamantly suspicious of the location), find this odd. They promptly meet a trio of ponies who miss their Cutie Marks, showing that Starlight's village is not as happy as it seems. The trio informs the group of a vault inside a mountain which contains the taken marks. Starlight leads the ponies to the vault and shows them a wooden staff, which she dubs the Staff of Sameness. She claims that it's a magical item she uses to take away ponies' Cutie Marks. When Pinkie Pie prematurely discloses that a group of ponies told them about the vault, Starlight immediately sees the Mane 6 as threat to the town's lifestyle and steals their Cutie Marks with the staff, placing them in the vault.

Part 2

She imprisons the ponies in a house, wherein she condemns them to remain until they resign themselves to their fate of living in her town, markless and talentless forever. Unable to break out, the ponies persuade Fluttershy to feign having converted. Starlight is initially not convinced and commands Fluttershy to denounce the ponies who told her about the Vault. Fluttershy hesitates, but one of the free-thinking ponies - named Party Favor - voluntarily confesses that he was responsible for this, subsequently causing him to be imprisoned with the rest of the Mane 6. That night, Fluttershy intends to break into the Vault, but before she can get going there, she finds out that Starlight has ordered Double Diamond to deliver their Cutie Marks to her house so she can guard them personally. She also discovers that in reality, Starlight still has her cutie mark and her equal mark is fabricated.

The following morning, Fluttershy convinces Twilight to claim that she'll join Starlight and the rest of the village to distract Starlight's attention. While this is going on, Fluttershy tries to splash water on Starlight to reveal her cutie mark, but she dodges this as she had known Fluttershy was just acting her conversion. However, a drop of water wipes a smudge off the mark. Party Favor notices this and further wipes off the Equal mark, revealing Starlight's cutie mark and shocking the town. Starlight admits that the Staff of Sameness is just a regular staff she discovered in a desert, and that the Equalizing is the product of her own magic, which she hid from the town. Despite Starlight finally losing her temper and telling she created harmony, the townsfolk were really furious on how she lied to all of them, Starlight tries to save face by claiming she did it all for the sake of establishing harmony, but the townsfolk turn on her for her deception, forcing her to retreat back into her house.

A group of ponies breaks into the Mark Vault and throws the Staff of Sameness at the glass, breaking it and releasing the population's Cutie Marks. Meanwhile, Starlight hides in her house and takes a secret passage, trying to make off with the Mane 6's cutie marks as revenge for exposing her. While the Mane 6 is failing to catch up with her since their forced equality causes them to move slowly, Party Favor and other ponies set out to apprehend Starlight and retrieve the marks (and in the process, use their individual talents to counter Starlight's obstacles). Just before reaching the caves, wherein she could have lost her pursuers, the villain winds up being covered in snow, forcing her to release the marks. Starlight emerges and tries to blast her former followers, but Twilight defends them and says to Starlight that her groups' individuality was what led her to become a princess. Starlight rebukes this and insists that her actions presented the townsfolk with a kind of friendship they couldn't have obtained otherwise, but is shot down by Double Diamond, who claims that she never gave them a chance to be friends before converting them to her beliefs. Enraged and defeated, and having lost all her followers, she uses her magic to escape. Twilight hopes that Starlight will consider what the townsfolk have taught her.

## Cameos

Starlight makes a cameo appearances in " *Amending Fences* ", when she was hiding behind a menu she was holding in the cafe. She has a second cameo in " *What About Discord?* ", hiding behind a bush and spying on the Mane Six and Discord with a pair of binoculars. Pracitcally spent through out season 5 trying to find a way to get revenge on the Mane 6 by finding the source of their friendship.

## The Cutie Remark

Starlight returns as the main antagonist of the season finale *The Cutie Remark* . After listening to Twilight's speech of how she and her friends obtained their cutie marks through Rainbow Dash's Sonic Rainboom, Starlight appeared in Twilight's castle and used an altered version of Star Swirl the Bearded's time travel spell with the Cutie Map to travel back in time. She blasted Rainbow Dash away before she could do the Sonic Rainboom, altering time so that King Sombra ruled Equestria and was at war with Princess Celestia. Twilight's attempts to stop Starlight only led to Starlight crystallizing her and then convincing the jock bullies not to pick on Fluttershy, creating a timeline in which Queen Chrysalis is in power and at war with Zecora. Twilight tried to fight Starlight, but it distracted Rainbow Dash, creating a timeline in which Nightmare Moon was in power, with Rainbow Dash and Rarity working for her and Celestia imprisoned.

Twilight's attempts continued to be in vain; Starlight tripped Rainbow Dash, putting Tirek in power; Starlight got Twilight to crystallize Rainbow Dash, putting Discord in power; she made Fluttershy fly with her magic, putting the Flim Flam Brothers in power, making everything look a game to Starlight as she kep taunting Twilight.

When Starlight blasted Rainbow Dash away again, after an argument, Twilight decided to force Starlight to come with her by taking her to the new apocalyptic future of Equestria when Twilight wondered what made Starlight think cutie marks were evil.

When they were in the altered future Starlight finally gets serious, frowns and demands to know where she is, as Twilight tells her they're in the present, that the cause of her actions of preventing Twilight and her friends from getting their cutie marks also prevents them from saving Equestria from thier villains.

Starlight was in denial even though Twilight was right, Starlight was devastated that she was practically defeating herself and she never intended to destroy millions of lives, but she still denies and finally loses her temper and takes Twilight and Spike to when she was a filly and her friend Sunburst got his cutie mark and left for Celestia's magic school, which began her vendetta against cutie marks. Returning to the Rainboom, Starlight attempted to foolishly destroy the spell so Twilight could never travel through time again as she finally no longer playing around and just about had enough of Twilight getting in her way, but Twilight convinced her that she can't and why her friends are so special, and told Starlight to make new friends and give friendship a chance. So, Starlight finally saw the error of her foolish actions and allowed the Sonic Rainboom to take place, and she, Twilight, and Spike returned to the present, where everything is back to normal, as the Mane 5 popped in, Applejack angerily asked what is Starlight doing here, Twilight explained to her friends to what happened and Starlight came in accepting a punishment she deserves but Twilight offered her to become her first new student instead and became friends with the Mane 6 and Spike now and Twilight's student, and reconciled with her village.

Season 6

Though reformed and trying to learn Friendship as Twilight Sparkle's apprentice, Starlight has a few struggles against her former inclinations.

A Hearth's Warming Tail

Starlight is unenthusiastic about celebrating Hearth's Warming Eve and considers it no different from any other day. However, Twilight reads her the story "A Hearth's Warming Tale", an allusion to "A Christmas Carol" with Starlight depicted in the Ebenezer Scrooge-like role who has to gain a proper appreciation for the holiday.

Spice Up Your Life

Starlight Glimmer briefly appears in *Spice Up Your Life*, helping Twilight to reactivate the Cutie Map which she had disabled in the events of *The Cutie Re-Mark* . This is a milepost in her redemption.

Every Little Thing She Does

Starlight has a major slip in her new life. In an effort to correct her tendency of avoiding friendship lessons, she takes on several friendship problems at once with Twilight's friends in order to impress her. In an effort to make things easier, she backslides into her old ways by using a newly made *Fiducia Compelus* spell to mind-control the ponies into following her orders. Unfortunately, the ponies follow her orders so exactly and literally that things quickly spiral out of Starlight's control.

After Twilight helps fix her mess, Starlight confesses that she avoids her friendship problems out of fear of failing and being a disappointment to Twilight. With Twilight and Spike's guidance, Starlight apologizes to her friends for using magic on them, and she learns to address her friendship lessons more naturally.

### Season 7 Rock Solid Friendship

While trying to befriend Maud Pie, it is also revealed that she and Maud had met before the initial founding of Starlight's village. Maud had inadvertently helped Starlight by pointing her to a particular rock with the magical properties needed to remove cutie marks.

## Rabia

**Rabia** is the leader of the Umbrum in the *My Little Pony: Friendship is Magic* comics, and the main antagonist of the comic *Siege of the Crystal Empire* .

### Background

Hundreds of years prior to the series, Rabia and the Umbrum army attacked the Crystal Empire, terrorizing Crystal Ponies and burning their homes for fun. Unknowingly, Rabia and the Umbrum's actions were witnessed by Queen Chrysalis, who initially wanted to rule the Empire but decided against it upon seeing the Umbrum. Eventually, Rabia and the Umbrum were imprisoned in another realm.

### Fiendship is Magic Issue 1

In Sombra's comic backstory, it is shown that Rabia disguised the Umbrum King Sombra as a pony so he could go through the prison door and release them. When Sombra did not want to turn evil and ran, Rabia communicated with him through the Crystal Heart and he embraced his dark side, although he instead decided to rule the Crystal Empire instead.

### Siege of the Crystal Empire

It is shown that after Sombra was banished, Radiant Hope found Rabia and the Umbrum, and when she entered their prison, they made her think they were good, and were simply misunderstood by ponies. This led her to form a team of past villains (the Flim Flam

Brothers, Iron Will, Lightning Dust and Chrysalis and her Changelings) to distract the Empire's defenders while she resurrected Sombra so he could release the Umbrum. However, when Hope brought Cadence to the Umbrum prison to show her that they weren't evil, Cadance's light revealed their true selves. The Umbrum attacked Hope and Cadence, but they escaped.

Eventually, Sombra released the Umbrum, and Rabia put Twilight and Cadance on trial, and demanded to know where the rebel ponies were, threatening Shining Armor to be turned into a statue if not told. When Cadance told her they were on Canterine, Rabia had Sombra turn Shining Armor to stone anyway. Twilight convinced them to take them to the dais where the Crystal Heart was before turning them to stone so the Crystal Ponies could witness their defeat. Then the rebels attacked, the other Mane 5 among them, but Rabia defeated Rainbow Dash and other pegasi with a flyswatter and told Sombra to destroy the Crystal Heart. However, after hearing of how Hope chose a different destiny than the one the Crystal Heart showed her, and chose him over becoming a princess, Sombra switched sides and used the Crystal Heart to banish the Umbrum, including Rabia, back to their prison.

Demon Shimmer

**Sunset Shimmer** is the main antagonist of *My Little Pony: Equestria Girls* and a major protagonist in the sequels, some of the short films, and a main protagonist of the entire web series. She is Twilight Sparkle's former arch-nemesis and Snips and Snails' former leader and boss.

She is voiced by Rebecca Shoichet, who also provided Twilight's singing voice.

Sunset's backstory is explored deeper in the comics. Here, it is shown she had a very troubled and apprehensive relationship with her mentor Princess Celestia, which explains her descent into evil (though she was already extremely cynical, arrogant, traitorous, self-centered, tricky, and antisocial, thus her mentor's short patience with her). Sunset had previously appeared in the form of a toy and as an NPC in the MLP Gameloft game. In both versions, she was merely a neutral character and not a truly evil one. Sunset's desire was to gain princess hood and have everyone in Equestria recognize her. However, she felt Celestia's tutelage was not getting her anywhere fast enough. During the night, she took it upon herself to do research on the crystal mirror Celestia had shown her some time ago. Just as she found information about the mirror, Celestia and two royal guards arrived on the scene. At first, Celestia tried to console Sunset, but Sunset retaliated by demanding to be crowned a princess. It was then Celestia saw that Sunset lacked all the qualities needed to be a true princess, and deemed the young unicorn unworthy of such a status. Celestia then expelled Sunset from the school, banished her from the castle, and had the guards escort Sunset out. Sunset told her former mentor that this would be the greatest mistake ever made, but of course, it was only one of many. When the chance came, Sunset took the guards by surprise and jumped through the mirror, emerging as a teenage girl on the other side.

*My Little Pony: Equestria Girls*

Sunset Shimmer first appears as the main antagonist in the first film.

Sunset Shimmer steals Twilight Sparkle's element of harmony: her magic crown, and in a tussle with Twilight Sparkle, the crown is thrown into a mirror that acts as a portal to another world, which Sunset goes through to retrieve the crown.

In this other world, she is depicted as a human who mocks Twilight Sparkle when they first encounter each other. They meet again in a dark hallway where Sunset bullies Twilight into being discouraged from retrieving her crown. Several years have passed since Sunset ran away from home. In the past, she drove the human counterparts of Rainbow Dash, Fluttershy, Applejack, Pinkie Pie, and Rarity apart, but Twilight reunites them.

She tries to keep Twilight from becoming Princess of the Fall Formal, like humiliating her through an Internet video and implicating but Twilight Sparkle still easily beats her in the competition. When this attempt backfires, she makes her henchmen Snips and Snails vandalize the gymnasium and implicates Twilight for it through photoshopped photos. Vice-Principal Luna falls victim to this deception, but Sunset's former beau Flash Sentry exonerates

Twilight at the last second and Twilight is dubbed Fall Formal Princess after she and the student body clean and redecorate the gym.

However, Sunset steals the crown from Twilight, puts it on, and transforms into a demonic-looking winged humanoid due to her wickedness in her heart. In this form, Sunset becomes purely evil. With her new powers, she plans to use them and her army of mind-controlled teenagers to conquer Equestria. Sunset attempts to kill Twilight, but Twilight and her friends use the power of the Elements of Harmony to return her to human form. She is reduced to tears and apologizes for everything that she has done and Twilight believes her friends can help teach her the magic of friendship. Afterward, the human counterpart of Princess Luna, Vice Principal Luna, hands her a masonry trowel to repair all the damage that she caused.

## Midnight Sparkle

Midnight Sparkle is a character from the series of movies, Equestria Girls.

She is a corrupted version of the series's main protagonist, Twilight Sparkle.

### Backstory

She debuted in the movie "Friendship Games" and haunts the human Twilight in "The Legend of Everfree".

Midnight is the AU version of what would have happened if Sunset Shimmer didn't intervene. Twilight would have stayed Midnight and destroyed the human realm to get to Equestria's magic. She is almost Equivalent to Demon Sunset.

### Appearance

Midnight looks somewhat similar to the human Twilight Sparkle, she has an aqua blue fire around her eyes, in place of her counterpart's glasses. She wears a dress, showing off the colors and cutie mark associated with Twilight Sparkle.

Her hair color is the same as Twilight's purple with a pinkish streak and it floats upwards. She has a long, purple tail, and her skin is Purple, just like her eyes. She has a glowing turquoise horn with a black magical aura. She has black, feathery wings that slightly glow.

## Personality

Midnight can be described as hungry for knowledge. She would destroy anything that gets in the way of her understanding magic, as shown by the Friendship games, where she starts to tear apart Canterlot High to get to Equestria. She is cocky. She believes that she can have anything that she wants, which is true. She seems to be an alternate personality altogether to Twilight, who has a hard time overcoming Midnight.

## Abacus Cinch

**Principal Abacus Cinch**, simply known as **Principal Cinch**, is the main antagonist of the third film in the "Equestria Girls" full-length film franchise *My Little Pony Equestria Girls: Friendship Games* . She was the headmistress of Crystal Prep Academy.

She was voiced by Iris Quinn.

Principal Cinch first appears, calling Twilight to her office through Dean Cadence. She talks with Twilight about her application for the Everton Independent Study Program, admiring her as the best student the academy ever had. However, she then points that Twilight has to compete in Friendship Games, which will strengthen the academy's influence, as it always was. When Twilight tries to say that she's just a researcher and doesn't want to compete, wasting her time, Cinch tells her that she has influence due to the academy's high social status. The principal points that she can use that influence to get Twilight's application approved faster or even denied at once if she won't take part in Friendship Games, forcing Twilight to do so.

In Canterlot High School, Principal Cinch first spends some time talking with Principal Celestia, as the latter shows her the school upgrades. They end up seeing Human Five and Sunset Shimmer chatting with confused Twilight, only for Cinch to reveal that the one is her best student, apologizing for her curiosity. After that incident, Cinch forbids Twilight to make friends with the Canterlot High students. Principal Cinch also ruins Pinkie Pie's welcoming party, forbidding her students to have fun, and Pinkie actually couldn't do anything at the moment, as Twilight accidentally drained her Laughter Magic which makes Pinkie to tired to oppose the principal (though she actually the one who could do that with her personality).

During the main action of the games (in song "Acadeca"), Cinch observes her students' work and gets angry or disgusted anytime they fail to win, like in bakery competition, which was won by Pinkie Pie and her tremendous "Mona Lisa" cake. While Principal Celestia, Vice-Principal Luna and Dean Cadence judge the most of the competitions, Principal Cinch judges the last one, math competition between Sunset Shimmer and Twilight Sparkle, pointing out that Sunset's answer is incorrect.

Then, Principal Cinch instructs the remained Shadowbolts before Tri-Cross Relay, inspiring them to victory and hoping that Twilight could deal with the first part of the relay, which is actually the P.E. standard for Crystal Prep Academy. However, Twilight fails miserably, not being able to high the bulls-eye with and arrow, which enrages her classmates, but she is helped by Applejack, who then gets pony-up for her honesty, which was accidentally drained by Twilight. The latter drops her pendant which opens several random portals to Equestria, releasing the Everfree Forest into this dimension. It crushes the track, nearly killing Sunset Shimmer and Sugarcoat in process, as Rainbow Dash and Indigo Zap prove themselves to be more competent racers. However, Rainbow saves Sunset, getting pony-up, and then Sunset wins the race. Principal Cinch blames the Wondercolts for magic cheating, however, Celestia tries to convince Cinch that no one had advantage due to that. A bit later, Principal Cinch witnesses Twilight draining Rainbow Dash's magic and Sunset yelling at Twilight about all the magic, learning that she drained much magic yet and decides to use it to her advantage.

Before the final competition, Principal Cinch and the Shadowbolts trying to convince Twilight in releasing the magic to the point of enforcing her to do it in their villain song "Unleash the Magic".

However, the magic goes unstable and corrupts Twilight, as everyone, including Cinch, look at that in horror. Twilight transforms into horrifying Midnight Sparkle, and Cinch, understanding what monster has been created, retreats in save position, advising the Shadowbolts to do the same when Sunny Flare actually catches her, but her students see the error of their ways for what they've done to Twilight, and decided to help everyone.

After Midnight Sparkle is defeated, Cinch accuses the Canterlot High School for magic cheating once more and demands that Celestia and Luna forfeit the Friendship Games, threatening to report the incident to the school board. However, she is mocked by the others, as even the Shadowbolts turn on Cinch, implying that she was the real monster responsible for Midnight Sparkle's creation, and point out that there is no way the board would believe her claims about "flying girls, magic or talking dog (referring to Twilight's Spike)". Though Cinch is enraged, she than saves her face and leaves in defeat, most probably leaving to Crystal Prep the next day with the other students and Dean Cadence.

## Equestria Girls Specials

In the special "Dance Magic," Sour Sweet mentions that Cadance has taken over as the Principal of Crystal Prep, meaning that Principal Cinch either quit, retired, or was fired by her superiors for her actions. It's also quite plausible that she was arrested on numerous charges.

# Daybreaker

**Daybreaker** is a supporting antagonist in the *My Little Pony: Friendship is Magic* series, appearing as the main antagonist of the Season 7 television episode *A Royal Problem*, and again in the comic series as the secondary antagonist of the *Nightmare Knights* saga. She is depicted as the evil alter-ego of Princess Celestia, the same as Nightmare Moon being the alter-ego of Princess Luna.

She is voiced by Nicole Oliver, who also voices her good counterpart and Cheerilee.

## *Royal Problem*

In the episode, Starlight Glimmer is sent by Twilight's map to the royal palace in Canterlot to solve a friendship problem between Princesses Celestia and Luna, who each believe that their own responsibilities are harder than the other's, and are unintentionally hurting each-other's feelings because of it. To resolve this problem, Starlight uses her magic to switch their cutie-marks, so that they can experience what it's like in each-other's horseshoes. After Luna exhausts herself with Celestia's duties during the day, she retires to her chamber for the evening, and Celestia takes charge of Luna's duties of managing everypony's dreams. Celestia initially believes Luna's job to be easy, but then stumbles upon Starlight's nightmare of being unable to solve the Royal Sisters' friendship problem; upon which, Nightmare Moon appears. Celestia prepares herself to battle Nightmare Moon, but is then stunned to see another evil alicorn similar to herself.

The alicorn reveals herself to be Daybreaker, the dark form of Celestia. Both Daybreaker and Nightmare Moon represent Starlight's fear of her attempt to solve Royal Sister's crisis making it even worse. After goading Celestia into giving into her darker temptations, she then begins her fight with Nightmare Moon. Starlight tries to talk them out of it and Celestia attempts to intervene, but both fail to stop their quarrel. Celestia then brings Luna from her own nightmare of failing her older sister's duties so that they can stop Daybreaker and Nightmare Moon before Starlight's mind is damaged forever, but Luna is unable to help since she has Celestia's magic. After Celestia tearfully admits that Luna's duties are so difficult, Luna admits the same about Celestia's duties. Just then, Daybreaker subdues Nightmare Moon and sets the throne room ablaze. Before she can finish her off, however, Celestia, after being encouraged by Luna, stands in the way of both of their attacks. Daybreaker taunts that Celestia can't bring herself to destroy her since she is everything Celestia wants to be, but Celestia denies this and dispels both her and Nightmare Moon for good.

Luna congratulates Celestia for defeating both of their dark selves, and they reconcile. Starlight's cutie-mark glows, indicating that her mission was complete.

## Cameo

Daybreaker made a brief cameo in the Season 9 premiere, *The Beginning of the End - Part 1,* when King Sombra shows Twilight and her friends their worst nightmares while confronting him at the Crystal Empire.

## Comics

In Legends of Magic Annual 2018, Celestia and Luna are abducted by Pony of Shadows from an alternate dimension, who seeks to corrupt them into becoming Daybreaker and Nightmare Moon.

In *My Little Pony: Nightmare Knights*, a Celestia from an alternate universe, corrupted into Daybreaker, is enslaved by Princess Eris and used to lure Princess Luna into a casino. Daybreaker also serves as Eris' head of the security, but breaks free and takes over her position of power and helping Luna and her team defeat her.

## Mean 6

The **Mean Six** are the titular secondary antagonists of the *MLP: FiM* episode of the same name. They are clones of the Mane Six created by Queen Chrysalis and lead by Mean Twilight before they end up turning against her. They are voiced by the same people that voice the original Mane Six.

## Season 8

In " *Mean Six* " Queen Chrysalis created the Mean Six from trees using pictures she took of the Mane 6, hairs from their manes (in Rainbow Dash's case, her tail), and magically carving their cutie marks into the trees. Their purpose was to take the Elements of Harmony and destroy the Mane 6 in front of Starlight Glimmer as revenge for taking away her army and kingdom and then destroy Starlight as well.

However, because of Chrysalis' evil magic, the clones ended up flawed, acting opposite to the original counterparts. Evil Twilight could tell that Chrysalis couldn't do much without them. Chrysalis sent the Mean Six to search for the Elements of Harmony in the

Everfree Forest.

During the search, Evil Fluttershy got distracted picking on a bird, while Evil Rainbow Dash got bored and flew off. Evil Applejack lied to Chrysalis as to where they were, and Chrysalis gave her and the other three permission to split up and search for them.

Evil Twilight took note of the fact that Chrysalis needed them more than they needed her and planned to lead the other Mean 5 so they could take the Elements for themselves instead of Chrysalis. She ran into the real Pinkie Pie, who inadvertently revealed to her that the Elements were inside the Tree of Harmony, and told her the location of the Tree.

Evil Rainbow Dash ran into Fluttershy, snubbed her, and flew off.

Chrysalis found Evil Pinkie Pie, laying bored on the ground, while Evil Rarity hoarded random objects, and Evil Applejack continued lying. Chrysalis got angry at them and commanded them to find the other three and bring them back.

Evil Fluttershy treated the animals badly, causing them to get angry at the real Fluttershy (during which a bird curses at her).

Evil Rarity mistook the real Rainbow Dash for her clone and started stealing the items that Applejack packed for Starlight.

When Evil Twilight and Pinkie ran into Fluttershy, Evil Twilight was mean to her and left to get the others, causing the real Twilight to think Pinkie upset Fluttershy, and Pinkie accused Twilight of doing so. Twilight was offended that Pinkie seemingly found the trip boring (when it was Evil Pinkie that made the remarks earlier).

Chrysalis overheard Evil Twilight's plan to betray her and confronted her, saying she should kill them and start over, but Evil Twilight told her she knew where the Elements were.

Evil Rarity tried to run with Starlight's items but became tangled in vines. Rainbow Dash tried to help her out with a shovel, but Evil Rarity accused her of trying to take it from her. After she got free, she pulled Rainbow Dash to the ground by her tail and ran off.

Evil Applejack ran into Starlight and Rarity, telling more lies and insulting Starlight, hurting her feelings. After Starlight ran off and Rarity ran after her, Chrysalis and the other Mean 5 reunited with Evil Rarity, telling Evil Twilight to lead her to the Tree of Harmony.

As the Mane 6 and Starlight met up, argued, and reconciled, Chrysalis and the Mean 6 reached the campsite where the Mane 6 and Starlight were headed for, and the Mean 6 trashed the tents for fun, with Evil Rarity stealing everything. Evil Twilight told the other five about her plan, and they got to the Tree of Harmony. The other Mean 5 fought amongst themselves, and Evil Twilight said they needed the Elements to take out Chrysalis. Chrysalis heard this and engaged Evil Twilight in a beam struggle while the other five attempted to take the Elements. As Evil Twilight was about to overpower Chrysalis, the Tree sensed the Mean 6's evil and captured them, melting their bodies before destroying them in a flash of light, leaving only fragments of the trees used to create them.

After the Mean Six's destruction, Chrysalis remarks how servants can't be depended on, but ensures that she will have her revenge on Starlight one day.

Season 9

In " *Frenemies* ", it is shown that Chrysalis kept Evil Twilight's log as something to "talk to" when she needs it.

Storm King

The **Storm King** is the main antagonist of the 2017 animated film *My Little Pony: The Movie*, based on the *My Little Pony: Friendship is Magic* series, the posthumous overarching antagonist of *My Little Pony: Equestria Girls - Spring Breakdown* and a posthumous antagonist in the rest of the series. He is the former master of both Tempest Shadow and Grubber and one of Twilight Sparkle's archenemies.

He was a tyrannical satyr-like creature who commanded a formidable army in his quest for power. He and his army invaded Canterlot so he can steal the magic of the Alicorn Princesses with the Staff of Sacanas in order to make himself all-powerful without anyone-else to help serve him. However, he met his end at the hooves of his former commander, Tempest Shadow, who he had betrayed earlier when he attempted one last attack on the Mane Six.

He was voiced by Liev Schreiber, who also played Sabretooth/Victor Creed in *X-Men Origins: Wolverine*, Stu Wargle in *Phantoms*, Ray Donovan in the series of the same name, Ted Winter in *Salt*, Colonel Alexander Vosch in *The 5th Wave*, and Kingpin/Wilson Fisk in *Spider-Man: Into the Spider-Verse* .

## Backstory

While the exact origins of the Storm King are completely unknown, it can be presumed that he took over many lands beyond Equestria, before learning of Equestria's princesses and their alicorn magic. At some point, he met up with Grubber from an unknown destination, making him his smallest servant. He destroyed many other kingdoms as well, including Capper's home and the kingdom of the hippogriffs, and enslaved many others, including Captain Celaeno and her crew. He also met up with Tempest Shadow and told her that if she helped him steal the alicorn magic, he would use it to restore her horn.

## The Invasion

The Storm King's invasion of Equestria begins during Canterlot's Friendship Festival, where Twilight Sparkle and her friends are preparing for a concert. The Storm King's henchmen, Tempest Shadow and Grubber, arrive ahead of him intending to capture` the four princesses for his upcoming arrival. During the ensuing chaos, Tempest manages to use obsidian orbs to petrify Princesses Celestia, Luna, and Cadance, while Twilight and her friends manage to escape. The Storm King calls Tempest to learn of her progress, during which he assures her that if Twilight is not captured and brought to him within three days, she will be severely punished.

Even though not a physical appearance, a bobblehead of the King is held by Murdock when Tempest interrogates the pirates on the Mane Six's whereabouts.

## Stealing the Magic

The Storm King later arrives in Canterlot, with Tempest having fulfilled her promise of successfully delivering the Princess Twiligh after she screwed up their chances of getting help from the Hippogriffs, getting into a fight with Pinkie, hurting her feelings and her friends abandoning her, as the result of their fight gave Tempest the opportunity to finally capture her with no friends to save her this time. The Storm King uses the Staff of Sacanas to absorb the magic of all four princesses, much to his glee. As he begins experimenting with his new abilities by taking a shot at a de-powered Twlight, then rapidly accelerating the day and night cycle of the world, Tempest attempts to ask when he will restore her broken horn, only to be set aside. Then Twilight's friends all came back to save her, accompanied by the con-cat Capper, the Parrot Pirates, and Princess Skystar, infiltrate Canterlot and fend off the Storm King's soldiers, after he sees Twilight's friends coming, he uses his staff to create a massive hurricane, blowing away the rest of his army and shielding the castle to keep the Mane 6, Spike and Capper from getting closer. When Tempest tries to persuade him to fulfill their bargain, the Storm King scoffs and betrays her, revealing that he had only been using her and that she has outlived her usefulness. He attempts to kill Tempest but is blown back when she blasts him back with her magic. Twilight sees an opportunity to get the staff away from the Storm King but chooses to save Tempest instead. The Storm King laughs at this gesture and then prepares to murder them both as Twilight and Tempest are both no longer of use to him anymore.

## Final Battle

Just as he is about to kill Tempest and Twilight, Twilight's friends launch themselves out of a massive cannon, ramming the Storm King out of the way and lodging the Staff of Sacanas into the mosaic above the throne room. Twilight and her friends make up as they apologise for what they never should've done to each other at a terrible time. As Twilight and her friends work together again, they fight against the raging winds of the hurricane and the falling debris of the collapsing throne room in an attempt to retrieve the staff. Right behind them, The Storm King emerges from underneath some of the fallen rubble and desperately climbs in pursuit of the staff. Fighting against the Mane 6 in the race for the staff, he hurls himself at the staff in a fit of desprate rage, just as Twilight grabs it first just in time, but the strong winds pull Twilight, the staff, and himself through the window and out into the hurricane. As Twilight and the Storm King are presumed dead, as the Mane 5 and Spike are sad that Twilight is gone.

## Death

Just when the ponies think Twilight is dead, and mourn for her, she emerges from the eye of the storm with the staff, still alive, and uses it to end the chaos the Storm King began. As she and her friends embrace each other, the Storm King survived the storm too and sneakingly climbs back up over the balcony and hurls an obsidian orb at them in a last attempt to retrieve the staff and defeat Twilight and her friends once and for all. Tempest, however, spotted him and saw what he was about to do. Having had a change of heart after being saved by Twilight and realizing the king is too dangerous to be kept alive, she leaps in front of the princess and her friends and onto the Storm King, taking the hit and transforming them both into obsidian statues. While Twilight uses the staff to save Tempest, The Storm King's petrified body plummets down to the courtyard below and shatters into pieces upon impact, killing him and ending his oppressive tyranny over Equestria, all the lands he took over the years and his plan to rule the world before it could truly begin.

In the credits, while still in pieces in stone form, his eyes were seen moving while trying to dance before his body was reduced to rubble again.

## Role in the Series Season 8

In the premiere episode " *School Daze Part 1* ", he is mentioned when Twilight says that Tempest left Ponyville to spread the word of the Storm King's defeat. He was also mentioned by Sandbar when reminds the creature students that the Mane Six saved Equestria.

In Issue #1, he and Strife invaded Panthera, plundering all the palace treasure and setting fire to the rest of the city. However, Strife later betrays the Storm King and allies with Captain Celaeno and her crew of parrot pirates. The Storm King, enraged by this betrayal, appoints Grubber as his new second-in-command.

## Pony of Shadows

**Stygian**, better known as the **Pony of Shadows**, is a major antagonist in *My Little Pony: Friendship is Magic*, appearing as the main antagonist in the Season 7 finale, " *Shadow Play* ".

He is a unicorn scholar and the founder of the Pillars of Equestria, who was also their friend as he brought them together to save his home and Equestria. After a terrible misunderstanding led him to be outcasted by the pillars, he was then transformed into a monstrous pony made entirely of shadows who desired to cover the entirety of Equestria in darkness before he was reverted back to his original form by the pillars as well as the Mane Six.

He was voiced by Bill Newton, who also played Bright Macintosh and Pharynx in the series.

### Background

The Pony of Shadows was originally a male unicorn named Stygian, who lived in Equestria more than 1,000 years prior to the events of the series. One day, Stygian's village was attacked by the Sirens, who used their magic to turn everypony against each other in order to feed off their negativity to become even more powerful. In order to save his home, Stygian traveled across old Equestria in search of the country's greatest heroes, which included Rockhoof, Flash Magnus, Mistmane, Somnambula, Mage Meadowbrook and Star Swirl the Bearded. Together, they formed the Pillars of Equestria and fought the Sirens, banishing them into a different dimension and saving Stygian's home.

After vanquishing the Sirens, the Pillars stuck together and continued to defend Equestria from future threats. During this time, Stygian provided assistance by studying their foes and planning strategies for them. However, while the others were hailed and respected by all, Stygian wasn't recognized in the slightest for his own contributions because he always watched from sidelines while his friends did all the work. Desperate to be noticed and wanting to prove himself a hero as well, Stygian secretly borrowed a treasured belonging from each of the other Pillars and brought them all to Ponehenge in order to perform a spell that will create copies of the artifacts so that he can fight alongside them. However, the others discovered this and believed he was trying to take their power for himself. After taking back their artifacts and stopping Stygian's spell, they then banished him from the team without even giving him the chance to explain the reasons for his actions. At the time, Stygian believed that the Pillars were just being selfish and didn't want to share their power with him, causing him to despise his former friends.

Shortly afterwards, a heartbroken and embittered Stygian discovered the Well of Shade in the Hollow Shades. There, he encountered a mysterious and shadowy entity known as "The Darkness", which promised Stygian the power to take his revenge on those who supposedly betrayed him in return for helping the entity plunge the world into eternal darkness. Enticed by this promise, Stygian agreed to this deal, and the two merged into a single shadowy being; the Pony of Shadows.

The Pony of Shadows then attacked the Pillars of Equestria and began spreading darkness and chaos across the land, desiring every pony to feel the pain he had. Realizing that they couldn't defeat him conventionally, the Pillars then decided to perform a ritual to banish him to the space between dimensions known as Limbo. However, the ritual would require them to banish themselves along with their former friend to accomplish this. Willing to sacrifice themselves to save Equestria, all the Pillars agreed to this plan. But before they did, they each poured their essence into a seed and planted them in a cave underneath the Castle of the Two Sisters, which would eventually grow into the Tree of Harmony that would help future heroes in defending Equestria.

The Pillars gathered around Ponehenge, where they first banished Stygian. There, Starswirl casted a spell to bring the Pony of Shadows to them. Immediately, the Pony of Shadows attacked them and prepared to plunge the world into complete darkness, but the Pillars then performed the ritual and willingly banished themselves and the Pony of Shadows to Limbo, where they all remained for the next millennium.

*Shadow Play* Pt. 1 and 2

Over a thousand years later, the Pony of Shadows was inadvertently released from Limbo by Twilight Sparkle, who with the help of her friends freed the Pillars from the dimensional gap as well. The Pony of Shadows then destroys Stonehenge and Starswirl's spell book so he can't be sent back and attempts to attack Starswirl. However, Twilight and Starlight Glimmer counter his attack, forcing him to retreat to shadowy areas of Equestria to regain his power.

Due to the industrialization of Equestria over the past millennium, many of the areas that were once known to be dark are now populated and bright, thus buying Twilight and her friends time to come up with a plan on how to locate and re-contain him. The initial plan was to sacrifice the Elements of Harmony in place of the Pillars, but Starlight suggested that they should try to make peace with Stygian to regain his friendship, only to be rebuffed by Starswirl who firmly believed that Stygian was beyond redemption.

Eventually, the ponies are led by the castle's map to the Hollow Shades, which is now an abandoned ghost town on the edge of Equestria. After traveling there, the entire town collapses into the ground to reveal the Well of Shade, where Stygian first became the Pony of Shadows. The Pony of Shadows explained how Stygian and the Darkness met and fused into one before attacking Starswirl again. At that moment, the Mane Six and the Pillars open a portal to banish the Pony of Shadows and the Elements of Harmony into Limbo. However, as the Pony of Shadows begins to slip into the portal, Twilight sees Stygian himself struggling from within the black mass that is his body and dives in.

She then finds Stygian, sitting alone in the darkness. There, he revealed his true intentions for stealing the Pillars' artifacts. The Pillars and the rest of the Mane Six overheard their conversation, and the Pillars were shocked and horrified to learn that Stygian truly was their friend and that banishing him led him down the darker path. As the darkness begins to overtake Stygian again, Twilight urges him to forgive his friends and abandon the darkness. When Stygian questions why Twilight would believe he can be saved, Starlight joins Twilight and explains that she was like Stygian until Twilight managed to convince her of the power of friendship. Stygian then states that while he wants to believe what they say, he then becomes possessed by the Darkness again and boasts that it can never be defeated.

Twilight then takes a more forceful approach by lassoing Stygian's foreleg with her magic to pull him out of the Darkness while urging him to fight it. It was then that Starlight, the Mane Six and the Pillars combine all of their magic to pull Stygian out of the Darkness, which they succeed in doing. As a result, the Darkness was left without a host and could not prevent itself from being sucked into the portal on his own, causing it to be banished back into Limbo for good.

With the Darkness gone and the Elements of Harmony and Pillars of Old Equestria both intact, the land was at peace once again, and Starswirl apologizes to Stygian and rekindles their friendship.

Alternate

The Pillars and Stygian encountered an alternate version of the Pony of Shadows after he abducted a young Celestia and Luna, intending to turn them into Daybreaker and Nightmare Moon. Despite his power, the alternate Pony of Shadows was thwarted due to Stygian's inexplicable ability to command his creatures. When he attempted to blast Stygian, their magics reacted and caused an explosion, and Stygian announced himself before departing for home with the Pillars. The alternate Pony of Shadows, who had recognized all of the heroes except Stygian, was then revealed to be the Stygian of that universe.

Me: All of our training has prepared us for this. We have been preparing for this ever since Laney had her dream about it.

Laney: And justice will be brought to those monsters.

Me: We are ready for them.

Nico: Yes we are.

Me: But our forces are still not enough. We need more of them and we need to be at our ultimate max when we take them down.

Eddy: I'm going to where Chrysalis and the other villains are to buy you guys some time.

Winona: Don't be crazy, Eddy. We're in this together!

Nico: Remember what I always say. Never fight alone!

Dark Spicer: He won't be alone. I'm going to help him.

Me: Okay. That will give us plenty of time to gather our forces.

Nico: And from the looks of things we're going to need all the help we can get.

Starfire: And lots of it.

Eli: Definitely.

Me: Be careful you two. We'll be there shortly.

Eddy and Dark teleported.

Me: Okay you guys are gonna think I'm crazy but we need Mac's brother Terrance and Eddy's brother Tyrone to help us.

Mac: Are you crazy!? Terrance hates me!

Me: I'm well aware of that Mac. And I'm sorry he does but he deserves a chance at redemption. It's better than Brad.

Kick Buttowski: I agree J.D. But if you think Terrence and Tyron can be redeemed then we are not one to judge you.

Me: Good.

Apeface went to the Jupiter prison to get Terrence and Freeway went to Atlanta to get Tyrone. They came back with them.

Terrence: So, can you explain to me why you're giving me a chance to help out in this war and redeem myself instead of Brad Buttowski?

Apeface: Because Brad's too far gone. But you, on the other hand, still have your humanity.

Me: That's right Terrance. Brad is a monster. You on the other hand still have your humanity.

Mac: But don't think that this will be the easiest way for me to forgive you after everything you did to me.

Terrence: I know Mac and I didn't expect it to be that easy. I'm sorry I did all those things to me. I was a terrible big brother to you.

Me: Yes you were but you still have honor and that's good.

Nico: Yes he does.

Tyrone: Are you saying Eddy's going with his archenemy to fight off Chrysalis and her forces by themselves?!

Freeway: At least until we can gather all our forces.

Lisa: Fortunately, I've been working on rebuilding an armor from a past enemy for you to use here.

Tyrone: Really?

Lisa pulled out a remote and pressed a button and a wall opened up and in it was THE IRONMONGER SUIT!

Me: WHOA! The Ironmonger Suit!

Tyrone: AWESOME!

Me: You are going to love it Tyrone.

?: He sure is.

10 figures came out and they were THE RONIN WARRIORS: Ryo of

Wildfire, Kento of Hardrock, Cye of Torrent, Sage of Halo, Rowen of Strata, Anubis of Cruelty, Cale of Corruption, Sekhmet of Venom, Dais of Illusion and Lady Kayura of the Stars!

Ryo Sanada

Voiced by Takeshi Kusao (Japanese), Matt Hill (English)

**Ryo Sanada** (真田 遼, *Sanada Ryō* ) is the unofficial leader of the Ronin Warriors who is often accompanied by the large white tiger, White Blaze (白炎, *Byakuen* ). Known to be brash and impulsive at times, he is nonetheless goodhearted and fiercely loyal. A tenacious warrior, Ryo was the first of the five rōnin to arrive in Shinjuku confront the forces of the Evil Dynasty during their first invasion. He was also the first to be rescued by companions Mia and Ully after their initial siege on Talpa's castle. Though they manage to regroup and defeat Talpa, the Evil Dynasty resurfaced and captured Ryo's fellow rōnin Sage, Kento and Sai. With his only remaining comrade, Rowen, Ryo ventures into the Nether Realm with Mia and Ully to rescue their fellow warriors, ultimately vanquishing Talpa in one final battle. Ryo would then confront other villains with the other Ronin including the warrior of the Black Inferno Armor and the revenant Suzunagi. He was last seen in new armor, choosing to continue his role as a Ronin Warrior.

Guided by the virtue of "Jin" (仁, *benevolence, righteousness* ), Ryo commands the red *Armor of Wildfire* (烈火の鎧, *Rekka no Yoroi* ), which draws power from heat and flame. As owner of this armor, Ryo inherits the epithet and title *Ryo of Wildfire* (烈火のリョウ, *Rekka no Ryō* ), the *Warrior of Flames* (炎の戦士, *Honō no Senshi* ). When equipped, Ryo becomes immune to the effects of extreme heat and flames. This armor is equipped with a pair of katana called the Swords of Wildfire (烈火剣, *Rekkaken*, lit. Wildfire Swords) which can connect at the kashira to form a double-bladed sword style weapon. From this weapon formation, Ryo unleashes his finishing move, the "Flare Up Now" (双炎斬, *Sōenzan*, lit. Twin Fire Cut) ("Fury of Wildfire" in the OVA), a giant column of white-hot energy. Ryo later acquires the white Armor of Inferno (白い輝煌帝, *Shiroi Kikotei*, lit. White Sun Emperor), which requires the additional energies of four other armors to summon. Wielding this armor proved a great challenge for Ryo until he acquired the twin Swords of Fervor (剛烈剣, *Gōretsuken*, lit. Unyielding Swords) from the Nether Realm warlord, Lord Sabrestryke. Together with the Inferno Armor, Ryo uses these swords to unleash the "Rage of Inferno" (超弾動閃煌斬, *Chō-dandō Senkōzan*, lit. *Ultra-Ballistic Flash Cut* ), which releases the armor's power as rays of light and flame. Following the battle with Mukala and the Black Inferno Armor, the White Inferno and Wildfire armors were destroyed, though Ryo would later acquire new armor from the spirit Suzunagi; though the nature and abilities of this new armor were never explored.

Ryo comes from the ninja school of the Sanada Ten Braves, a legendary band of ninja who were believed to have assisted Sanada Yukimura, a real samurai who died in 1615. He is frequently depicted as wearing red armor, and is widely considered a hero. The crest on Ryo's armor is actually a slightly stylized version the family symbol of the Takeda clan. In a *Newtype* poll, Ryo ranked #17 for the top 30 most popular male anime character from the 1980s.

Kento Rei Fang

Voiced by: Tomohiro Nishimura (Japanese), Jason Gray-Stanford (English, TV), Andrew Francis (English, OVA)

**Kento Rei Fang**, known in Japan as **Xiu Lihuang** (秀 麗黄, *Shū Reifuan* ), wears the orange and brown Armor of Hardrock (金剛, *Kongō*, lit. *Stone* ), which represents the element of Earth and the guiding virtue Gi (義, *Gi*, lit. *Justice* ). It is said to be the most violent of the armors. His rival is Dais, the Dark Warlord of Illusion. Kento is the warrior of Earth (Chi no Senshi - 地の戦士).

When the Ancient One sent Kento to Mt. Aso to unlock his Armor's true power, Dais followed him with the Sand Strikers. Kento defeated them by learning to focus his power.

His weapon is a combination of a three-section staff and a naginata which he sometimes wields like a pair of nunchakus in close combat. The armor's surekill is Iron Rock Crusher (岩鉄砕, *Gantetsusai*, lit. Rock-Iron Smash) which causes a massive earthquake-like disruption around him. Kento gains a new suit of

Armor in the 3rd OVA, *Message*, but its powers and abilities are unknown.

Sage Date

Voiced by: Daiki Nakamura (Japanese), Michael Donovan (English, TV), Matt Smith (English, OVA)

**Sage Date**, known in Japan as **Seiji Date** (伊達征士, *Date Seiji* ), wears the green Armor of Halo (光輪, *Kōrin*, lit. *Nimbus* ), which represents the element of Light and the guiding virtue of Rei (礼, *Rei*, lit. *Courtesy*, translated as *Grace* in the OVA). In the English dub of the series, his guiding virtue is Chi (Wisdom). His rival is Cale, the Dark Warlord of Corruption. He is considered the most mature and aloof member of the team. When the Ancient One sends him to the Catasota Gulch Pinnacles to unlock his armor's true power, Sage realized the armors can be used for good or evil. He speaks formally in the original "Samurai Troopers" series. Sage as warrior of Light (Hikari no Senshi - 光の戦士).

Sage fights with a nodachi, a Japanese broadsword. His surekill is the Thunderbolt Cut (Lightning Strike in the OVA) (雷光斬, *Raikōzan*, lit. Thunder Lightning Thrust), an energized thrust thunder power attack; it also appears as a burst of energy beams.

Sage is captured by Shikaiden and the Mad Scientist in the OVA *Gaiden* . His Armor of Halo is used to kill people in New York, including Runa's brother. Sage gains a new armor in the last OVA, *Message*, but its abilities are unknown.

Sage's family name, Date, comes from a real-life samurai called Date Masamune. Date Masamune is famous for being blind in one eye, and has the nickname " *The One-Eyed Dragon.* " As an intentional nod to this, Sage's hair is styled so that his bangs always cover one eye.

Cye Mori

Voiced by: Nozomu Sasaki (Japanese), Michael Donovan (English)

**Cye Mouri**, known in Japan as **Shin Mouri** (毛利 伸, *Mōri Shin* ), wears the light blue Armor of Torrent (水滸, *Suiko* ), which represents the element of Water and the guiding virtue Shin (信, *Trust* ). In OVA, Shin as Trust, or a Faith. His rival is Sekhmet, the Dark Warlord of Venom. He is the oldest member of the Warriors and one of the calmest, this is like Kento of big best friends. But in OVA, *Kikotei*, Cye deslike of fight, a Kento and Rowen hungry for Cye now power uses. When the Ancient One sent him to the Sea of Toyama to unlock his armor's true power, he encountered a clone of himself called Red Torrent. He defeated the clone by purifying the water around himself, which strengthened him. He speaks with an English accent in the English dub. Cye as warrior of Water (Sui no Senshi - 水の戦士).

His weapon is a Jūmonji yari, whose prongs can close, allowing him to grab opponents from afar or cut through obstacles. The armor is also equipped with a tantō dagger and a claw-like weapon on the gauntlet, but he has, apparently, never used either of those. His surekill is Super Wave Smasher (超流破, *Chōryūha*, lit. *Super Wave Crush* ), a powerful burst of water. In the 3rd OVA, *Message*, Cye receives a new suit of Armor, but its abilities are unknown.

Cye's family name, Mouri, possibly came from the real-life Japanese daimyo Mouri Motonari.

Rowen Hashiba

Voiced by: Hiroshi Takemura (Japanese), Ward Perry (English)

**Rowen Hashiba**, known in Japan as **Touma Hashiba** (羽柴 当麻, *Hashiba Tōma* ), is the rational and level-headed member of the Ronin Warriors. He often acts as a voice of reason to Ryo and Kento's hotter tempers. Rowen is close friends with Sage, as they share similar interests. He and Kento are childhood friends, having met through Kento's paternal grandfather. He is said to have an IQ of 250, making him the most intelligent of the Ronin Warriors.

Guided by the virtue of Chi (智, *Wisdom* ) (originally Inochi (命, *Life* ) in the original dub), Rowen commands the indigo Armor of Strata (天空の鎧, *Tenkū no Yoroi*, Armor of the Heavens/Sky), which draws its power from the air and wind. As owner of the armor, Rowen inherits the epithet and title "Rowen of Strata" (天空の当麻, *Tenkū no Tōma*,

Tōma of the Heavens), "Warrior of Sky" (空の戦士, *Sōra no Senshi* ). This armor comes equipped with a collapsible, golden bow and a small, back-mounted quiver which supplies an virtually endless amount of arrows. Rowen has demonstrated great expertise using this weapon and displayed exceptional marksmanship. His finishing move is the "Arrow Shockwave" (真空波, *Shinkūha*, Vacuum Breaker) (Heaven's Shockwave in the OVA), an extremely powerful light arrow. (The first use of which demolished a large section of a mountain). Other abilities include Rowen can erect protective barriers of around himself to slow his descent. Rowen gains a new suit of Armor in the third OVA, *Message*, but its powers are unknown.

His enemy is Anubis, the Darklord of Cruelty. The English dub of the series gives him a thick Brooklyn accent, but that went missing in the OVAs.

Rowen's name Hashiba is most likely from Toyotomi Hideyoshi's original surname, Hashiba. Toyotomi was Oda Nobunaga's successor, and unified Japan under his rule for a short while.

Anubis

Voiced by: Kiyoyuki Yanada (Japanese), Paul Dobson (English)

**Anubis, the Dark Warlord of Cruelty**, known in Japan as **Shutendouji, the Ogre Demon General** (鬼魔将・朱天童子, *Oni Mashō Shutendōji* ), was the leader of the Four Dark Warlords at the beginning of the series. Four hundred years ago, he was a warrior named Toshitada Koma (狛 俊忠, *Koma Toshitada* ), whose ambition and blood-lust made him susceptible to Talpa's influence.

He was the first of the Warlords to fight the Warriors in modern times. He nearly defeated them until the Ancient One intervened. He later appeared to stop Mia and Ully from saving Ryo, and then to stop Ryo from saving Rowen. When he challenged Ryo and Rowen to a battle, he defeated them but could not bring himself to destroy them. Rowen shattered his mask with an Arrow Shockwave, exposing his human face to them. Talpa sensed that Anubis was showing weakness and used Nether Spirits to turn his mind back to the Dynasty. Anubis was saved when Kento defeated the Nether

Spirits. The Ancient One then showed Anubis how Talpa regarded him as a tool. Anubis then renounced the Dynasty.

Anubis disappeared after Talpa's first defeat, but he later returned to take on the Ancient One's role as protector. While the Warriors initially distrusted him, Anubis proved himself by aiding them in battle, usually by helping Ryo summon the Inferno Armor. He also met Lady Kayura, whom he recognized as the last living member of the Ancient One's clan and sought to redeem her. He sacrifices himself to free her from the control of Lord Badamon; before his death, he passed on his armor and the Ancient One's staff to her.

Anubis wears the Armor of Cruelty, also known as the Armor of the Ogre - Bear (貴力, *Riki*, lit. *Noble Power* ), which represents Spring. Its guiding virtue is Chū (忠, Loyalty). His weapon is a *kusari-gama* and his surekill is Quake With Fear (紅雷閃, *Kōraisen*, lit. "Red Lightning Flash"), in which he sends his chain into the ground, which then bursts out into the form of several chains.

Anubis' Japanese name, *Shutendōji*, is a reference to a demon from Japanese folklore, notable for hating beans (as did the YST version of the character).

Cale

Voiced by: Yasunori Matsumoto (Japanese), Richard Newman, Peter Wilds (Episode 2 Only), Scott McNeil (Episodes 31, 32 and 35; uncredited) (English)

**Cale, the Dark Warlord of Corruption**, known in Japan as **Anubis, the Darkness Demon General** (闇魔将・悪奴弥守, *Yami Mashō Anubis* ), formerly Kujūro Sasaki (佐々木九十郎, *Sasaki Kujūro* ), is the third Warlord to fight the Warriors. He has powers over darkness. He primarily fights Sage of the Halo, who controls light. His armor of Darkness-Corruption/the Jackal (漆黒, *Shikoku*, lit. "Jet-Black") represents Winter and the guiding virtue Kou (考, filial piety), which is changed to Tei (Obedience) in the English dub. His weapons are a *Nodachi* and claw-like armor spikes. His surekill is Black Lightning Slash (暗黒跳飛斬り, *Ankoku Chohigiri*, lit. "Darkness Leaping Slash"), where he fires a number of black lasers.

According to *The Encyclopedia of YST*, if Cale was to use his powers for good, he would be the Eyes for people lost in the darkness. No matter how powerful his enemies may be, he will be persistent and continue to fight.

Dais

Voiced by: Jūrōta Kosugi (Japanese), Matt Smith and Peter Wilds (Episode 2 Only) (English)

**Dais, the Dark Warlord of Illusion**, known in Japan as **Rajra, the Phantom Demon General** (幻魔将・螺呪羅, *Gen Mashō Rajura* ), formerly Gorō Kurodajirō (黒田次郎五郎, *Kurodajirō Gorō* ), is the oldest of the Four Dark Warlords and the fourth Warlord to confront the Warriors. His main opponent is Kento Rei Faun. Dais was the first of the Warlords to confront Anubis when he re-emerged. Anubis tried to sway Dais from evil, but Dais stayed with the Dynasty until Talpa was destroyed for good. His Armor of Illusion/the Spider (夢幻, *Mugen*, lit. *Infinity* ) represents Summer and the guiding virtue Nin (忍, lit. "to endure"), which is rendered as "Serenity" in the English dub. It has six Kamas on its back resembling spider legs, which he can extend to any length he sees fit. The Kamas are connected to a single handle attached to his back, which he can remove at any time. He also has a flail on his right gauntlet and a nunchaku on his left. His armor allows him to spin webs and create illusions. His surekill is Web of Deception (投蜘網, *Tōchimō*, lit. "Spider's Webcast"), in which he throws his Kamas.

According to *The Encyclopedia of YST* if Dais were to use his powers for good, he would be able to create peaceful illusions.

Sekhmet

Voiced by: Issei Futamata (Japanese), Ward Perry (English)

**Sekhmet, the Dark Warlord of Venom**, known in Japan as **Nahza, the Poison Demon General** (毒魔将・那唖挫, *Doku Mashō Naaza* ), formerly Naotoki Yamanouchi (山之内直時, *Yamanouchi Naotoki* ), is the second Warlord to fight the Warriors. He has pale skin, purple eyelids, and beady black eyes. He is Cye Mouri's main opponent. His armor is the Armor of the Venom/the Snake (薬師, *Yakushi*, lit.

*Doctor* in archaic Japanese), which represents Autumn and the guiding virtue Tei (梯, Obedience), which is changed to Kou (Piety) in the English dub.

Sekhmet fights with six katanas, which exude a deadly poison that can also cause blindness. He can also move his arms at speeds that allow him to seemingly grow four extra arms. His surekill is Snake Fang Strike (蛇牙剣・六節大蛇, *Jagaken Rokusetsu Orochi*, lit. Snake Fang Sword Six-Segmented Serpent/Serpent's Fang), where he connects his swords together into a whip-like weapon and swings it around before attacking.

According to *The Encyclopedia of YST*, if Sekhmet were to use his powers for good, he would be able to heal injuries and illnesses. He would also be able to turn venom into medicine.

Lady Kayura

Voiced by: Masako Katsuki (Japanese), Jane Perry (English)

**Lady Kayura** (迦遊羅, *Kayura* ) is the last known member of the Ancient One's clan. For this reason, she was abducted from her home by the Dynasty at a young age. Talpa kept Kayura under his control with a magical amulet worn around her neck and raised her to be his ultimate weapon against the Ronin Warriors. In her first appearance, she battled Ryo and Rowen while the others were captured by the Dynasty. The Warriors were no match for her until Anubis appeared and summoned the Inferno Armor. Ryo and Rowen faced her several times during their quest through the Nether Realm, and were always at a disadvantage unless they could use the other Warlords' armors to summon the Inferno.

When Ryo inadvertently destroyed Kayura's amulet, she remembered her past and ultimately rejected Talpa's control. At Talpa's behest, Badamon, the leader of the Nether Spirits, possessed Kayura's body to keep her evil. This time, Badamon-Kayura conquered the White Armor's near infinite power. She nearly gained control of the Jewel of Life before White Blaze made a last second swipe at her to force her to drop it to dodge his attack. Kayura was ultimately released from Badamon's control by Anubis's sacrifice, turning the energy from her own surekill attack back on her which, combined with Anubis' armor, shattered Badamon's possession of Kayura, expelling him from her permanently, and putting her back on the side of good. Kayura took up the Ancient One's staff and Anubis's armor to help fight Talpa in the final battle. After Talpa's ultimate destruction, Kayura and the Warlords returned to the Nether Realm to help rebuild the Dynasty into a benevolent empire.

Kayura is several centuries old, though her physical age is 12 according to official publications. She possesses near-infinite supernatural powers, due to her ancestry as a member of the Clan of the Ancients. She wields the twin sai she called Starlight Swords. Her surekill is called Star Sword Scream (嵐星斬, *Ranseizan*, lit. *Storm Star Cut* ), which summons a massive barrage of stellar energy from the sky. Apparently, the attack had some dependency on water, as she never seemed to use it unless a considerable amount was present. Kayura was also given Anubis' Cruelty armor, and gained the Ancient One's staff, but whether she used them afterwards or not is in question. Because of her new role, Kayura should be referred to as the Ancient One.

In the YST manga, Kayura's Virtue is "ai" (愛, love). In the *Shin Yoroiden Samurai Troopers* manga, Kayura serves as the mentor to the new wearer of the Armor of Wildfire. She also appears in the YST novel, *Shinkon-Hen*, which is about the history of the Ancient One's clan.

In the hideout of the Doomsday 23, Eddy and Dark Spicer were facing Chrysalis and her massive horde of Changelings!

Chrysalis: (to Eddy and Dark Spicer) There you two are.

Dark Spicer: Alright. Let's settle this right here. Right now!

Dark then turned into Prionrock.

Prionrock: Here's your warning: Your insect asses are about to be kicked!

Chrysalis: Bring it on! CHARGE!

Eddy and Prionrock went at Chrysalis and the Changeling horde and blasted them all over and quickly gained a strong foothold over them as they were blasting them into nothing. They were doing really well against them!

Dark Spicer then turned into ALIEN Ξ and blasted them all over with a massive energy wave and blew them apart. They blew them apart all over the place with indiscriminate fury and then they were exhausted.

Dark and Eddy looked at Chrysalis and her army as they panted in exhaustion. Alongside Chrysalis were the rest of the Doomsday 23.

Chrysalis: (grins evilly) In all my years of conquest… violence… slaughter… It was never personal. But I'll tell you both now- what I'm about to do to your stubborn, annoying little planet- I'm gonna enjoy it. Very, very much.

Dark and Eddy looked at one another.

Eddy: Well, at least we'll go down fighting.

Dark Spicer: We sure will. So, let's make this a final battle to remember!

But just as they both take one step…

?: (from Eddy's communicator) Hey, bro. Can you hear me?

Dark and Eddy stopped in place, confused and shocked as crackling came into Eddy's communicator.

?: Eddy, it's Tyrone. Can you hear me?

Eddy: Bro? Where are you?

Tyrone: On your left.

Dark and Eddy looked to their left and were shocked at what they saw.

They saw Eddy's Brother Tyrone in the Ironmonger's suit.

Tyrone: Hey Pipsqueak.

Eddy: Bro wow! You look awesome!

Dark Spicer: Wow!

Tyrone: And it's not just me.

Me: (On Eddy's Communicator) Sorry we're late guys.

(Imperatrix Mundi by Jo Blankenburg plays at 1:35)

Many portals suddenly appeared all over and out of them came all of us. We were a massive army in the tens of thousands. We had all of the Avengers, Justice League, Digimon, Pokemon, the worlds of Monster Rancher, Mon World, The Ghosts of the Ghost Zone, The Kaiju, The Jedi, Aliens from all over the Universe, The Plumbers, The Lantern Corps, The Fairies of Fairy World, Hunter's friends, The World Gundam Federation, The Voltron Force, The Z-Fighters, Sailor Soldiers, Creatures from All over Equestria, the Gene-Slammers, Many Shinobi, friends from all over the universe! And we had all of the Saiyans, Nameks, Nintendo Stars, Skylanders, and many more friends.

It wasn't just them either. Wolf's old teammates Panther and Leon were there too. And King Stefan and his army.

May: (to Maria) Is that all of them?

Maria: (smirks at May) What, you wanted more?

?: Don't forget us.

We saw that the ships of Star Trek, Star Wars, The Storm Hawks and many more were there too!

Aerrow: Looks like all the Sky Knights are here too.

Captain Kirk: And us too.

Han Solo: Thought you all would like some help.

Zhuqiaomon: This is gonna be epic!

Sora: This is gonna be awesome!

Laney: Yeah it is!

Lord Tirek: Uh oh.

Evil Cozy Glow: This is gonna be brutal.

Me: It's more than just gonna be brutal. It's the final hour of your lives! You're all going to pay for your crimes! ∞-Fold!

The Psycho Rangers just arrived as well.

Psycho Red: (smirks at Andros) You and your friends can't seem to stay out of trouble, can you, Red Ranger?

Andros: No we can't.

The Masters of Evil arrived too.

Vypra: Looks like we're here too.

Rabia: That's not fair!

Lord Tirek: We handled worse than this.

King Sombra: I'm not scared of a bunch of pompus peons.

Me: You guys will pay for everything you did to Equestria!

Queen Chrysalis: If we can't have Equestria then NO ONE WILL!

We all stood ready to fight Chrysalis and her forces.

Twilight: Knights of the Friendship Table! (smirks) Friendship is Magic.

Edzilla: ED SMASH! (Roars)

Me: CHARGE!

With that, we all yelled and charged at Chrysalis and her forces.

We went at them roaring at the very top of our lungs and I snapped my fingers and we were on the planet DATHOMIR, Darth Maul's Home Planet and we collided with them and a massive fiery explosion went off!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

THE BATTLE THAT WILL DECIDE THE FATE OF EARTH AND THE ENTIRE UNIVERSE HAS BEGUN!

Abacus Cinch was first and

Abacus Cinch: You all would dare to attack your own headmistress!?

Indigo Zap: YOU WERE NEVER OUR HEADMISTRESS!

Lemon Zest: You abused and tortured us with incredible malice!

Sugarcoat: We were only weapons and pawns to you and you never cared one bit about us!

Sunny Flare: We are now with Team Loud Phoenix Storm and you can kiss your life goodbye!

Sour Sweet: That's right! Goodbye Cinch!

Frosty Orange: And good riddance!

They went at her and pulverized and brutally smashed her all over.

Sunny Flare kicked her in the face and Frosty Orange smashed her fist into her face and Lemon Zest and Sour Sweet blasted her all over with energy arrows and smashed her down.

Dark Spicer and Eddy blasted her all over with their blasters and more and then they hid.

Cinch was looking for Eddy and Dark as they hid behind rocks.

Cinch: Come on out, you two! We all have to die eventually!

Dark Spicer: Well, we're dying of old age. You're dying right now!

Cinch turned to the sound of the voice but it was too late. Dark and Eddy came out and fired their blasters at her head, klling her.

Eddy: (high fives Dark Spicer) Nice one, dude!

Dark Spicer: Thanks.

Indigo Zap: You plagued our lives for far too long you bitch!

Lemon Zest: Yeah! No one uses us as weapons and gets away with it!

Mane-Iac was facing Fluttershy.

Mane-Iac: (MANIACAL LAUGHTER!) YOU WILL NOT STOP ME THIS TIME NATURE LOVER!

Fluttershy: YOU ARE STILL JUST A BIG FAT MEANIE!

Fluttershy punched and brutally smashed Mane-iac all over the place and ripped some of her hair off.

Mane-Iac was about to charge at Eddy and Mac when Tyrone and Terrence stopped her.

Tyrone: Stay away from my little brother!

Terrence: Same goes for mine as well!

Terrence punched Mane-Iac a few times before Tyrone formed a minigun from his armor and fired a quick barrage of shots that killed her instantly.

Mac: Take that you Joker Wannabee!

Eddy: Yeah! Anyone that impersonates the Joker dies!

Tyrone: Well said bro!

SMASH!

Tyrone smashed a Changeling as it was about to hit him from behind.

Lord Tirek was kicked in the face by me.

Lord Tirek: YOU DO NOT DESERVE TO EXIST!

Me: You have no right to decide that!

Star Swirl: I will never allow you to take all the magic in Equestria all for yourself!

Tirek: There is nothing you will do about it!

Star Swirl punched him and blasted his horns off!

Tirek: YOU MONSTER! Any last words, fools?

Dark Leo: We've got 5!

Hulk and Dark Turtles: HULK AND DARK TURTLES SMASH!

Hulk and the Dark Turtles jumped on Tirek and beat him to a pulp.

They smashed him and killed him.

Me: Take that Tirek!

Nico: Yeah!

Luan blasted King Sombra with light blasts.

Sage: (Echoing) THUNDERBOLT CUT! 雷光斬

He fired a blast of lightning and it hit King Sombra and electrocuted him all over.

King Sombra: Is that all you got!?

Princess Cadance: You killed my mother and I will never forgive you for everything you did!

King Sombra: That monster deserved it for ruining my life!

Flurry Heart: SHUT UP!

POW!

Flurry Heart smashed his face in and punched his horn off and Shining Armor blasted him with magic!

Me: Take this you monster of hatred! LIGHT STYLE VENGEANCE ART: FURY OF THE FORCE OF LIGHT!

I fired a massive blast of rainbow light and it hit King Sombra and burned him all over with incredible force and fury.

Mittens and CatDog approached the Diamond Dogs.

Rover: We're not scared you two.

Dog: Three if you count me!

(Goku's Spirit Bomb Theme Plays)

Doomsday 23: WE WILL DESTROY YOU ALL AS ONE!

Me: **NOT IF I HAVE ANYTHING TO SAY ABOUT IT!**

We formed a massive Spirit Bomb.

Me and my kids formed a massive rainbow Spirit Bomb and it had many more Spirit Bombs of different colors orbiting around it in an atomic formation.

Nico: WHOA!

Goku: Wow! That Spirit Bomb is incredible!

Vegeta: What power!

Lincoln: Lets take this monster down for good!

Lincoln and his Harem: ULTIMATE FINAL SMASH! MEGA ELEMENTAL KAMEHAMEHA!

They fired Kamehameha blasts which then merged into one gigantic kamehameha blast and the Doomsday 23 fired a massive blast of energy. The blasts collided and Lincoln's blast was pushing it back.

Me: **Take this you monster! FRIENDSHIP SPIRIT BOMB STRIKE!**

We fired the massive Spirit Bomb!

Me: **YOU ARE NOT WELCOME HERE! DIE!**

Just as Lincoln's blast hit the dragon the Spirit Bomb hit the dragon too and the blasts all exploded with incredible power!

***KRABOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO***

The explosion was so powerful, so massive, so devastating and destructive that it blew half of the entire planet to smithereens and it then blew the entire planet of Dathomir to space dust. It was totally gone. We were back on Earth safe and we powered down.

We saw the explosion from far away.

Twilight: It's over. We won!

WE CHEERED WILDLY!

Me: YEAH!

The Doomsday 23's spirits then came.

Me: Girls, Lincoln, lets give them their final goodbye.

Twilight Sparkle: With pleasure.

Lincoln: Count me in!

We went up to them!

Princess Celestia: All the punishments are not worthy of all that you have done!

Me: But this one is!

Discord: May I help?

Me: Sure Discord.

Me, Lincoln, Mane 9, Discord, Princess Celestia, Princess Luna, Princess Cadance, Princess Amore, Apple Bloom and Nico: HAKAI!

The Doomsday 23 glowed purple and screamed as they were obliterated and erased from existence forever!

Me: Now it's over!

We all cheered wildly and erupted in a massive roar of applause.

Later at Canterlot we were kneeling before the Princesses and we were given Equestria's highest honor: the Medal of Harmonious Valor and Friendship and it was a great honor. We were made the greatest heroes in the world and all of Equestria.

Me: We are honored Princess. We are honored.

Princess Celestia: We are all forever in your debt J.D. You and all your friends have saved us all.

Me: It wasn't just Team Loud Phoenix Storm, Princess. It was everyone from all over the universe. We all banded together and helped save the universe from Total Destruction.

Nico: We sure did.

Rainbow Dash: You deserve a reward, Lincoln.

Twilight Sparkle, Sunset Shimmer, Pinkie Pie, Fluttershy, Rarity, Rainbow Dash, Applejack and Starlight Glimmer kissed him and left lipstick marks on his face and steam shot out of his eyes as his face was glowing atomic red.

Lincoln: (Laughs goofily)

Me: This calls for a celebration everyone!

Pinkie Pie: LETS PARTY!

We all cheered!

We had an awesome party!

King Stefan made it clear that after everything that happened, he will never go after Maleficent 2014 again.

Guard 1: (to King Stefan) Well, sire. The only thing to do now is to go back to your castle and prepare for our own upcoming battle.

Stefan: No. There will be no more fighting from me here. There will be no more fighting from me ever again.

Maria: Say what?

Stefan: We've all experienced the horror of oppression and war. And I specifically have lost my taste for inflicting it.

Guard 2: Sire, you've clearly been traumatized. I'm sure a long nap and a nice training run against dummies of Maleficent will help you get back on track.

Stefan: ENOUGH! (to his guards) My war against Maleficent is over. And that is final!

All of us were shocked to hear this. But then, we looked at Stefan's guards.

Guard 3: (nervously) Well, we all have a lot to think about, don't we?

With that, the guards run back to Stefan's castle.

Me: Wow. King Stefan we really owe you one for helping us out. Thank you your majesty.

King Stefan: Anytime J.D. Anytime.

We shook hands.

Nico: It was really awesome though.

King Vegeta: Indeed it was Bokrua. You have made your people very proud.

Vegeta: He sure has father. He is a great Saiyan.

Fasha: Just like so many of us.

Me: I'm so sorry about what Frieza did to you all. I think I can fix that for you all.

I snapped my fingers and King Vegeta and all the Saiyans were brought back to life!

Nico: Awesome!

Vegeta: Father you're home now!

Psycho Blue: (to Vypra) Look, Vypra. We're not going to join you right away. Right now, the 5 of us need go on a journey of self reflection.

Vypra: I understand.

Psycho Black: (chuckles) But you don't mind if we… tie up loose ends for you guys, do you?

Me: Not at all.

Nico: But we greatly appreciate your help. All of you.

Psycho Yellow: No problem. It was so fun.

Me: It sure was.

Back in Stefan's kingdom the Guards were contemplating.

Guard 4: What shall we do now?

Guard 5: We pick up where King Stefan left off and find a way to end Maleficent once and for all. Without provoking Team Loud Phoenix Storm, of course.

Suddenly, they saw the Psycho Rangers teleport into the castle.

Guard 6: (nervously) Of course, our throne where King Stefan sat on would be suitable for much more powerful people like you 5.

Psycho Yellow: Oh, we're not here to seize thrones.

Psycho Pink: We're here to help Team Loud Phoenix Storm settle old scores!

The guards had horrified looks on their faces as the Psycho Rangers approached them while laughing maniacally.

They were in hot water.

And then their screams were heard as the Psycho Rangers killed them!

Back at the World Tree Estate, we were having an awesome party.

Nico: J.D. I don't understand. How come you brought back my people?

Me: Because after everything that Frieza put them through when he made them his pawns in his quest for Universal Domination, I figured they deserve a second chance and a shot at redemption. They didn't deserve to be wiped out like that. If Frieza does come back he will regret it.

Nico: Thank you J.D. Thank you.

Me: Anytime Nico.

Laney: Great Party.

Me: It's for all of us. We ALL earned it.

Ryo: We sure did.

Me: And we owe you big time for helping us Ryo. We can't thank you enough.

Ryo: Anytime J.D.

Me: If Emperor Talpa comes back we will gladly help you destroy him forever.

Ryo: Thanks man.

We shook hands.

Sean: (to Razorfist) Are you alright, babe?

Rice reverted back.

Rice: Yeah I'm fine. It'll take more than Midnight Sparkle to kill me.

Sean: Good. Thank goodness.

Me: You all did a great job today. I'm so proud of all of you.

Nico: Thanks man.

Vegeta: It was great.

Goku: And it was awesome taking down the Doomsday 23.

Gine: It sure was. But I don't see Bardock anyway.

Me: If he is not here then that must mean that he's not dead and he is still out there in the universe somewhere. We will find him when the time comes.

Nico: Wow.

Laney: Don't worry Master Goku, we will find Bardock.

Me: Yep.

Maria: (to King Stefan) So, what will you do now?

King Stefan: We'll still fight later this month. But I will not go after Maleficent anymore as I said. I'm a man of my word.

Me: Thank goodness. But you did great today your majesty.

King Stefan: Thank you lad. And I'm so sorry for everything I did to Maleficent. It was a terrible darkness and hatred in me.

Me: I understand your majesty.

Twilight Sparkle: (To the viewers) All of our major enemies have been destroyed forever. Now we still have the minor enemies to take down.

Me: And we will Twilight. This was an epic battle.

Lola: Yeah it was!

We partied hard into the night.

We then saw Lincoln in his room sleeping and he had Twilight Sparkle, Sunset Shimmer, Applejack, Rainbow Dask, Rarity, Fluttershy, Pinkie Pie, Starlight Glimmer and Trixie with him sleeping in his bed.

Mane 9 were asleep with Lincoln while snuggling up to them.

Kairi: Let's not disturb them.

Me: (Whispers) They are so cute like this.

Lori: (Whispers) They sure are.

Me: Shh.

We closed the door and left.

It was a big victory for all of us and for everyone on the team. Equestria and the universe were saved and the Doomsday 23 had been silenced forever. April 12th was a big day for us all. We destroyed the Doomsday 23, resurrected the Saiyans, Terrence and Tyrone redeemed themselves and got their sentences cut down to community service, Pikkon was resurrected, had new villains join the Masters of Evil and more.

FLASHBACK ENDS

Camie: WHOA!

Qin: That was an epic battle.

Starlight Glimmer: It sure was and we each took on awesome foes.

Eddy: Me and Dark shot down Cinch.

Dark Spicer: That was so awesome kicking her ass.

Qin: It sure was!

Sarah Hikari: That is amazing.

Dana Blackfire: Boy no kidding!

Camie: Wow!

Eli: Yeah.

Indigo Zap: For all the pain and abuse we went through because of Cinch, she had it coming.

Lemon Zest: Yeah she totally deserved it.

Terrence: Me and Tyrone killed Mane Iac

Tyrone: That was awesome!

Eddy: That was cool!

Lola: It's amazing that there was a Pony version of the Joker.

Batman: A pony like her would not come close to the real thing.

Me: No Bruce the Joker was one seriously screwed up piece of work. Even though the Mane-Iac and the Joker became insane exactly the same way they had one powerful difference.

Camie: What's that?

Me: The Joker killed over 2,000 people whereas the Mane-iac killed no one that I know of.

Nico: That's true.

Eli: Yeah but they were still both dangerous.

Hulk: Hulk and Dark Turtles smashed Horned Man

Nico: You mean Tirek and yeah that was so awesome.

Dark Raph: Yeah we thrashed him

Nico: Yeah that was awesome. It's funny how he sounded like Unicron.

Me: That still gets to me too.

Bridget Branley: Yeah that is crazy though.

Cloud Lincoln: It's amazing that he sounds like Unicron.

Optimus Prime: I agree there. That is very coincidental that they both sounded so much alike.

Zephyr Wingfeather: It sure is amazing though.

Cat: Me, Dog, and Mr. Mittens fought the Diamond Dogs.

Rarity: Indeed and that was a really amazing time darlings.

Me: Those diamond-gluttonous mutts got what they deserved.

Eli: Especially for kidnapping Rarity and using her as a slave.

Nico: They sure did.

Spike: I'm glad they did.

Qin: I agree there.

Kairi: Me and Dr. Light fought the Pony of Shadows.

Me: That was so awesome.

Dr. Light: It sure was.

Nico: Banishing the Pony of Shadows to the Dark Dimension was a good call back then.

Me: And in doing so we brought back the Pillars of Equestria.

Nico: That was epic.

Lola: It sure was. Twilight got to meet her hero and we saved Stygian from himself.

Stygian: (British Medieval Accent) And I will always be grateful to thee for saving me.

Nico: It was our pleasure.

Duncan: Me and Scorpion beat up Evil Cozy Glow

Me: That was so awesome.

Scorpion: It sure was.

Cozy Glow: That evil version of me had it coming.

Nico: Yeah she sure did.

Lola: Yeah.

Electro: Me and Lincoln zapped the Mean 6

Lincoln: That was crazy! Those were clones of Twilight and friends.

Me: They were a total insult.

Nico: Yeah no kidding!

Fluttershy: I can't believe I would become that cruel.

Rarity: And I would be so greedy.

Pinkie Pie: And I would be that insane!

Twilight Sparkle: And I would be that evil!

Nico: Yeah no kidding! But the Universe 666 Versions are a whole different story. But we'll worry about that later.

Vert: Me and LaGrange ran over Evil Starlight.

Me: That was awesome!

Starlight Glimmer: I can't believe I was like that! Also what really shocked me was that I would form a cult like that. Also a year and a half later the Church of Necrom would bring that evil me back for another war!

Qin: That was horrible!

Eli: Yeah it sure was!

Camie: I know! That was awful!

Ben: I used Echo Echo to help Billy form our own army against the Evil Dazzlings

Me: That was awesome.

Billy Numerous: Boy it sure was.

Me: And thanks to our Negative Energy absorbing power we defeated them.

Lola: Yeah that was awesome.

Luan: Boy it sure was.

Camie: Yeah.

Adagio Dazzle: That was still so awesome.

Cyborg: Me and Technus fused for the first time against Rabia.

Me: That was still so awesome.

Nico: It sure was.

Lola: Yeah!

Technus: It sure was amazing!

Cyborg: Booyah!

Po Kong: I flattened Daybreaker

Nora: You squished her flatter than a pancake.

We laughed.

Me: That was funny but true.

Lola: Yeah that was cool!

Camie: That is awesome.

Lola: It sure was.

Hydro Man: Me and Luna extinguished Demon Shimmer.

Nico: That was awesome.

Luna: Boy it sure was dudes!

Sam S.L.: That was so cool!

Xenia: It sure was!

Hydro Man: Me and Luna extinguished Demon Shimmer.

Nico: That was awesome.

Luna: Boy it sure was dudes!

Sam S.L.: That was so cool!

Xenia: It sure was!

Weather Wizard: Me and Shane showed Storm King the REAL power of a storm.

Me: That was so awesome!

Shane: It sure was!

Nico: No one does a much better storm than the power of the weather force of the team.

Me: Shane, Weather Wizard, Weather Vane, Stormy Weather, all those that can control the weather.

Lola: Yeah that is for sure.

Fu: That is so awesome.

Camie: Yep.

Rice: I was almost strangled by Midnight Sparkle

Twilight Sparkle: But at least we tore her apart.

Xenia: Yeah no kidding.

Varie: Yeah!

Camie: That was crazy!

Poromon: Me, my fellow mascots, and Cheese took down Sombra

Cheese: I like chocolate milk!

Me: You guys sure did! And all of you snuffed out that blackhearted tyrant!

Lola: You sure did!

Poliwag: Aw it was nothing.

Nico: That was fun though.

Carmen: And me and Maria did Get Help on Chrysalis.

Maria: (GROANS) I hate that!

Me: That lovesucking parasitic monster had it coming!

Qin: Yeah her cruelty and hate turned out to be her own undoing.

Lola: What a monster!

Coop: Megas ended the whole thing!

Me: He sure did with the combined power of an awesome Spirit Bomb.

Qin: That was so awesome!

Nico: It sure was!

Laney: Yeah that was awesome!

Nico: We'll never forget that whole war.

Me: No we won't. 2021 will forever be part of Team Loud Phoenix Storm history as one of the most eventful bittersweet years ever.

Nico: Yes it will.

Lola: Yeah.

Camie: But it was still an awesome year for you guys.

Right: That's true.

Nico: 2021 wasn't all bad though.

Me: No it wasn't.

Nico: But lets just enjoy the rest of this day.

Pinkie Pie: I brought cupcakes!

Me: Awesome!

Nergal: I brought pizza!

Rainbow Dash: Cool!

We had an awesome barbecue and more and it was fun. We later returned home and enjoyed the rest of the day and went to sleep.

The next match-up in The War Against The Legion of The Lincoln-Haters is Polly Pain and Lincoln VS. Frejya Jordan

For Lincoln's rescue tomorrow, we're heading to Tokyo, Japan, and we're going to face, take down, and recruit the next hypothetical Akumatized Loud Sister into The Masters of Evil, Digital Diva, the Akumatized form of Lori Loud, she has powers over cell phones and she's a total diva and drama queen with a temper to match, but her power over cellphones are no match for our technological know-how, and we're going to see for ourselves his experience when it came to dealing with and taking down Lori: and he's so going to take her down in the same way he'd taken her down before in the past. And we're going to meet the next Elemental HERO of Earth, this time, it's Helena Demeter, Gene-Slammer of Elemental HERO Mudballman and younger sister of Abeline Demeter, the Elemental Angel of Earth, she's Lincoln's Guardian Angel from Michigan and she's a very powerful and also a very physically strong athlete who was born with superhuman strength, and she's also a skilled wilderness survival expert. Plus, she's also a seductive and one sexy hot mama who's flirted and made out with Lincoln more than once, and she loves him with all her heart which is also shared among the other members of his harem and Guardian Angels. She's also a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages, but they always saw her coming when they see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet. But, she and the other Elemental HEROS of Earth along with Lincoln have more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents. Plus, during the exercise scene, she's going to reveal a very horrible revelation: and it's about how she and Lincoln took down Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins, who went really insane because of Lincoln always surviving and the Guardian Angels stopping them at every turn, and they really snapped and went on a rampage and caused a ton of destruction in Royal Woods.

Nico: Except for the Universe 666 versions.

Lola: Yeah.

Girl Jordan: Out of all the destruction that took place, justice completely prevailed in that time.

Leeli: It sure did and that was so awesome.

Camie: You got that right Leeli.

Nico: Twilight, I'll never regret meeting you and your friends.

Me: Boy me neither Twilight.

Twilight Sparkle: That means so much to us Nico.

Me: And it all happened right after the Great War with The Royal Defenders.

Carly Atlas: That is an absolute true fact.

Misty Tredwell: It sure is.

Me: Yep.

We then heard screaming and then we saw the river of the Nile blood red color.

Me: What the!?

Qin: Look at that!

We went and checked it out and I dipped my hand into the river and saw that the water was turned into blood!

Me: The water turned into blood!

Nico: I don't believe it!

Me: "And the Rivers and Waters of Egypt Ran Red and Were as Blood." The first plague - The Plague Of Blood.

Mole Man: If Rameses wants a fight, then I brought my own army.

Nico: I can't believe that Rameses is that stubborn.

Me: Me neither.

Nico: Hold off on that army but keep it open just in case.

Me: Good idea.

Nico: (to Mole Man) That's right. I forgot about those Moloids of yours.

Mole Man: No worries.

We saw Moses, Miriam, Aaron and Zipporah.

Me: There they are.

We flew over.

Moses: I'm glad you all made it.

Me: Sorry to drop in like this Moses.

Moses: But it's good you all came.

Me: Rameses being a stubborn guy?

Moses: Yes.

Nico: Moses, it's an honor to meet you!

Moses: It's an honor to meet you too Nico. I heard so many big things about you. Miriam told me all about what you all have been doing.

Me: Word sure gets around. Miriam it's good to see you again.

Miriam: You too J.D.

Me: You have you have our deepest condolences for what happened to you all.

Qin: Yeah what happened to you will not go unpunished.

Nico: I'm sorry it took us this long for us to meet you.

Me: Yeah you know how busy we are saving the world.

Miriam: I know. It's really amazing you all go on so many amazing adventures.

Moses: It's true. I'm glad Miriam has amazing friends with all of you.

Eli: I'm glad that she does with us.

Xenia: We all are.

Mole Man: Oh, and don't worry about Rameses. The army I have is greater then his.

Miriam: I remember that.

Me: That's good. Also we won't let Rameses oppress you anymore. If he wants a fight we'll give him one but only after we make sure he learns the hard way through the plagues.

Xenia: That's for sure.

Nico: We better keep a safe distance.

Me: Right.

We watched.

[Chorus]

Thus saith the Lord:

Since you refuse to free my people

(The 2nd Plague was frogs and countless numbers of them came and made their way up the stairs)

All through the land of Egypt…

I send a pestilence and plague

Into your house, into your bed

Into your streams, into your streets

Into your drink, into your bread

(Lice creeped in the food and on people all over)

Upon your cattle, on your sheep

Upon your oxen in your field

(Livestock and oxen were dying all over at a rapid pace.)

Into your dreams, into your sleep

Until you break, until you yield

(Massive swarms of flies came flying in all over the place)

I send the swarm, I send the horde

Thus saith the Lord

[Moses]

Once I called you brother

Once I thought the chance

to make you laugh

Was all I ever wanted…

[Chorus]

I send the thunder from the sky

I send the fire raining down

(Storm clouds rolled in and lightning struck ferociously as fireballs rained down from the heavens)

[Moses]

And even now I wish that God

had chose another

Serving as your foe on his behalf

Is the last thing that I wanted…

[Chorus]

I send a hail of burning ice

On ev'ry field, on ev'ry town

[Moses]

This was my home

All this pain and devastation

How it tortures me inside

All the innocent who suffer

From your stubbornness and pride…

[Chorus]

I send the locusts on a wind

Such as the world has never seen

On ev'ry leaf, on ev'ry stalk

Until there's nothing left of green

(MASSIVE SWARMS of locusts flew in and ate all the vegetation all over)

I send my scourge, I send my sword

Thus saith the Lord!

[Moses]

You who I called brother

Why must you call down another blow?

(The people of Egypt became infected with incurable boils and sores!)

[Chorus]

I send my scourge, I send my sword

[Moses]

Let my people go

[Moses and Chorus]

Thus saith the Lord

[Rameses]

You who I called brother

How could you have come to hate me so?

Is this what you wanted?

[Chorus]

I send the swarm, I send the horde…

(The devastation throughout all of Egypt was intense as God's Wrath through the 10 plagues was taking its toll)

[Rameses]

Then let my heart be hardened

And never mind how high the cost may grow

This will still be so:

I will never let your people go…

[Chorus]

Thus saith the Lord:

[Moses]

Thus saith the Lord:

[Rameses]

I will not…

[Moses and Rameses]

Let my/your people go!

Then a massive shadow of darkness covered all of Egypt.

Me: "And he stretched forth his hand towards the heavens and there was darkness throughout the land of Egypt."

Nico: Wow.

Me: Now we go confront Rameses.

Nico: Eli, sense for Swartz's creations.

Eli: Already found them. We have 5 of them. Another King of Flan, Another Skillit, Another Kaosandra, Another Peg Leg Pete and Another Mole Man.

We gasped!

Me: Whoa! That's a lot.

Nico: Yep. But we'll worry about them later. We have to help Moses.

We went into the temple.

Moses: Rameses? Rameses?

We saw Rameses on a statue.

Rameses: Oh. Let me guess. You want me to let your people go.

Me: Uh yeah that is why we are here.

Moses: I hoped I would find you here.

Rameses: [throws a cup on the ground] Get out!

Me: Sorry but we're not going anywhere until you talk to us.

Moses: Rameses, we must bring this to an end. Rameses, please, talk to me. We could always talk here. [he sighs] This place. So many memories. I remember the time you switched the heads of the gods of the Temple of Ra. [he sighs]

Rameses: If I recall correctly, you were there switching heads right along with me.

Moses: No, it was you. I didn't do that.

Rameses: Oh, yes, you did. You put the hippo on the crocodile, and the crocodile…

Moses: On the falcon.

Rameses: Yes! The priest thought it was a horrible omen and fasted for two months. Father was furious. You were getting me into trouble. [walks away, then Moses walks up to Rameses] But then… [chuckling] You were always there to get me out of trouble again. Hmmph. Why can't things be the way they were before?

Me: Sometimes the past can never be relived. But remembered.

Rameses' Son: Father. It's so dark. I'm frightened. Why is he here? Isn't that the man who did all this?

Rameses: Yes. But one must wonder why.

Moses: Because no kingdom should be made on the backs of slaves. Rameses, your stubbornness is bringing this misery upon

Egypt. It would cease if only you would let the Hebrews go.

Me: That's right!

Rameses: I will not be dictated to. I will not be threatened. I am The Morning and The Evening star. I am Pharaoh.

Me: Rameses this is not acts of Divine Retribution, this is get you to listen to reason that God is more powerful than you know.

Moses: Something else is coming. Something much worse than anything before. Please, let go of your contempt for life before it destroys everything you hold dear.

Me: Yeah! Are you willing to let your stubbornness and pride tear you and your entire family apart all because you won't listen to reason!?

Mose: He's right! Think of your son!

Rameses: I do. You Hebrews have been nothing but trouble. My Father had the right idea about how to deal with your people.

Moses: Rameses…

Rameses: And I think it's time I finished the job at the petting zoo

Moses: Rameses!

Rameses: And there shall be a great cry in all of Egypt, such as never has been or ever will be again!

[camera zooms to Pharaoh pointing at a baby, babies in the water, and Rameses' Son, then looking around]

WE GASPED!

Me: Rameses you have no idea what the hell you have just done!

Moses: Rameses, you bring this upon yourself.

Moses: God has come to me again, saying, "Take a lamb, and with its blood, mark the lintel and posts of every door, for tonight, I shall pass through the land of Egypt, and smite all the firstborn. But when I see the blood upon your door, I will pass over you, and the plague shall not enter." [closing the window]

Then the wind appears, flowing down at the buildings, then rattling, then hugging the people, then flowing at the door, sleeping, escaping the breath, then flowing inside, escaping the breath, then blowing the fire out, then opening a window, looking at a wind, then closing the window, then walking upstairs, with the wind flowing, then the pottery breaks, then the wind continues flowing at the men, running away, with the shadow flowing on the head, then the breaths escape, then the wind disappears.

We then heard crying all over the place. We went and confronted him yet again.

Then Rameses walks up, holding Rameses' Son, then Moses walks up, then putting a blanket around him]

Rameses: You and your people, have my permission to go.

[he touches Rameses]

Rameses: Leave me!

He looks at Rameses' Son, covered in blanket, then walking away, then hugging Rameses' Son.

Me: We warned you Rameses. We warned you.

Nico: You know what? You brought this on yourself. Enjoy the consequences!

Me: That's right. Because of your stubbornness and pride, you paid the ultimate price. Deal with it!

We left.

[Then putting a stick down, then laying on a wall, sobbing, then sitting down, then walking away, then Tzipporah appears by Moses, then hugging him, then Miriam walks up to Tzipporah and Moses]

Miriam: [singing] Many nights we've prayed with no proof anyone could hear. In our hearts a hopeful song, we barely understood. Now we are not afraid. Although we know there's much to fear. We were moving mountains long before we knew we could. There can be miracles when you believe. Though hope is frail. It's hard to kill. Who knows what miracles you can achieve. When you believe somehow you will. You will when you believe.

Tzipporah: [singing] In this time of fear, when prayers so often proved in vain. Hope seemed like the summer birds too swiftly flown away. Yet now I'm standing here.

Miriam: [singing] Now I'm standing here.

Tzipporah: [singing] With so heart so full I can't explain.

Both: [singing] Seeking faith and speaking words I never thought I'd say. There can be miracles when you believe.

Miriam: [singing] Though hope is frail. It's hard to kill.

Tzipporah: [singing] It's hard to kill.

Both: [singing] Who knows what miracles you can achieve. When you believe somehow you will. You will when you believe.

(We gathered everyone and got ready to leave and everyone was leaving.

Child: [singing] A-shi-ra l'a-don-ai. Ki ga-oh ga-ah. A-shi-ra l'a-don-ai. Ki ga-oh ga-ah. Mi-cha-mo-cha ba-elim adonai. Mi-ka-mo-cha. Ne-dar ba-ko-desh.

Children: [singing] Na-chi-tah v'-chas-d'-cha. Am zu ga-al-ta. Na-chi-tah v'-chas-d'-cha. Am zu ga-al-ta. A-shi-ra, a-shi-ra a-shi-ra. A-shi-ra l'a-don-ai ki ga-oh ga-ah. A-shi-ra l'a-don-ai ki ga-oh ga-ah. Mi-cha-mo-cha ba-elim adonai. Mi-ka-mo-cha ne-dar ba-ko-desh. Na-chi-tah v'-chas-d'-cha am zu ga-al-ta. Na-chi-tah v'-chas-d'-cha am zu ga-al-ta! A-shi-ra, a-shi-ra! A-shi-ra!

Chorus: [singing] There can be miracles when you believe! Though hope is frail, it's hard to kill!

Miriam: [singing] It's hard to kill.

Chorus: [singing] Who knows what miracles you can achieve.

Miriam: [singing] You can achieve.

Chorus: [singing] When you believe, somehow you will. Now you will. You will when you believe.

Chorus: [singing] When you believe.

Miriam: [singing] You will when you.

Tzipporah: [singing] You will.

Both: [singing] Believe.

We arrived at the Red Sea.

Me: The Red Sea.

Nico: It's beautiful.

Lola: Yep.

[They all walk to a water, putting the jugs down, putting the baby down, taking the shoes off, drinking water, then pouring water in the bowl, then drinking, then blowing a horn, then Rameses appears, then the guards appear.]

Me: We've got company!

Qin: He changed his mind at the last second!

Eli: That dirty double-crosser!

Rameses: Are you ready, Team Loud Phoenix Storn? To fight my army?!

Nico: (smirks) Yeah. We are.

Me: Three words: BRING! IT! ON!

An army of Moloids appeared.

Maria: And that's not all we have!

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) SAMURAI KNIGHT 6!

She summoned Deker, Black Knight of Merlin, Razoul, Airazor & Divebomb, Batarax and Wolfblade Conglomerate along with Silver Samurai, Mad Jack and the Elementals!

Nico: YEAH!

Then they all look at a clouds forming the night sky, hearing thunder, then the sea goes up in the sky, then the fire shoots the ground, then they all run away, by tracing the fire, then looking around, then looking at a stick, then walking away, in a water, then raising the stick]

God: With this staff, you shall do my wonders!

[he drops the stick, the the water flows up, by rocks, causing the wind, then Aaron walks by Moses.

Me: Moses we'll hold them off. You guys get everyone to safety!

Moses: But what about?

Me: Don't argue with us just go! We'll catch up to you later.

[Moses nodded and then walking away, then they all walk in, by the wind and thunder, then putting the sheep down, then breaking a wheel]

Moses: Leave it!

[they continue walking, then lighting the torches, by a whale, then gasping, then they continue walking, then the camel lays on Aaron]

Aaron: Yeah, me too.

[he puts down the woman, then the tornado hits the ground, then the tornado disappears]

Me: Now it's just you and us Rameses!

Deker: I hope you're ready to taste my blade.

Rameses pulled out his sword and yelled and they went at us and we went at them and then a bloodbath ensued!

We slashed and mutilated all the soldiers and chopped them up good! It was like a scene out of Braveheart!

Deker used his sword to cleave Rameses' sword in two.

Deker: Nice try.

I kicked a soldier into Rameses and knocked him down.

Nico: Take that!

Qin fired a blast of fire and incinerated many soldiers!

But then Rameses went and did a fast one and went into the Red Sea gap by himself!

Me: He went after Moses and everyone by himself!

Nico: He's crazy! Moses, we got trouble!

Me: No wait! Rameses made a huge mistake.

Nico: What do you mean?

Me: Watch.

Moses: Rameses! He's coming!

[the people run away]

Aaron: Moses! Moses! Hurry! Hurry! I got you.

Man: Look! The shore!

[the sea opens, then the men continue running away, then hearing a thunderclap, then the water falls down, then the water flows in]

Rameses: No! [the water puts Rameses on a rock]

[He runs away by a wave by wind, then the water transforms back into the sea!]

KRASPLASH!

[Long pause, then hugging Aaron, then they all murmur and chatter, then hugging the child, then touching the sand, then hugging the woman, and Tzipporah, then Aaron hugs Moses, then Miriam hugs Tzipporah, then walking to Miriam and Tzipporah, then Miriam hugs Moses]

Moses: Thank you.

[she walks away, then Moses walks away, by looking at clouds and sea, then cut to Rameses]

Rameses: Moses! Moses!

Nico: He gave us no choice.

Me: Nope. Now he learns the hard way.

Eli: Yep.

We flew up and caught up to Moses.

I looked at Moses.

Moses: Good-bye, brother.

Me: I'm sorry Moses.

We caught up to everyone.

Chorus: [singing] A-shi-ra l'a-don-ai. Ki ga-oh ga-ah! A-shi-ra l'a-don-ai. Ki ga-oh ga-ah.

Tzipporah: Look. Look at your people, Moses.

[they both look at the people]

Tzipporah: They are free.

Me: They sure are.

Moses: Thanks to all of you.

Me: It was our pleasure.

Nico: Enjoy your freedom. You earned it.

Me: Absolutely.

Miriam: Thank you all so much.

Me: Anytime.

We smiled.

Nico: We're not done yet.

Me: Nope.

Eli: I sense the first member of the Another Villains coming.

Me: But lets take the fight somewhere else.

Nico: Any reason?

Me: Just a place we should have gone to on Flurry Heart's last mission.

Nico: Oh I get it. Freezeflame Galaxy.

Me: Yep.

I snapped my fingers and we were teleported to the floating lava planet of the Freezeflame Galaxy.

Nicole: Whew! Toasty.

Nico: And now, let's get the necessary archenemies here.

Me: Okay.

I called in Princess Celestia, Cynder and Dana Blackfire.

Princess Celestia: What seems to be the trouble?

Me: Well the Another Villain that we're going to face is Another King of Flan and he is your archenemy.

Cynder: And I'm here because Another Skillit?

Me: Bingo.

Dana Blackfire: But I don't have an archenemy yet.

Me: Actually you do now. You have Kaos' mom Kaossandra as your archenemy.

Dana Blackfire: Wow! This is gonna be awesome!

Nico: Who's first?

Princess Celestia: I'll be first.

Me: Another King of Flan is first.

Qin: Yep.

Nico: There she is!

We saw a figure rolling towards us and it was a dark version of King of Flan! It was ANOTHER KING OF FLAN!

Me: Whoa! Another King of Flan!

Xenia: Wow!

Another King of Flan: (In a girls voice) Spanish Accent) Even though I love flan this is not buena.

Me: (GASP) That voice.

She reverted back and was a girl with green hair, Green eyes with red sclera, Green clothes and had green leaf angel wings and had the symbols of the Life Skylanders on her skirt and in the middle of her forehead.

Me: (GASP) Mariposa Santiago!

Mariposa Santiago: Si good to see you again J.D.

Me: You too.

Nico: You two know each other?

Me: I sure do. She is an awesome gardener that I met down in Mexico and surprisingly she is Ronnie Anne and Bobby's big sister.

We gasped!

Lincoln: Whoa! Ronnie Anne never told me about you.

Mariposa Santiago: I have my reasons but it's an honor to meet you Lincoln. I've heard so much about you.

Lincoln: It's mutual.

Mariposa Santiago: Si and I'm also the gene-slammer for Camo.

Me: Wow! The exploding fruit plant dragon of the Skylanders.

Mariposa Santiago: Si. It's buena for me.

Me: It sure is.

Qin: Your sister is now in Lincoln's harem and your brother is now married to Lori.

Mariposa Santiago: Ay Caramba! I missed out on a lot.

Me: You sure have. Lori and Bobby have come a long way.

Mariposa: Boy I have a lot of catching up to do.

Celestia: I'm afraid I have to fight you.

Mariposa Santiago: It's truly an honor to meet you Princess Celestia.

Princess Celestia: Same to you.

Girl Jordan: First lets separate you from Another Turtleini.

Mariposa Santiago: Okay.

Girl Jordan: Yep. Lets go Leeli.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had fireballs and lava flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

Mariposa glowed and Another King of Flan separated from her and she was cured!

Nico: YEAH!

Mariposa Santiago: Wow! That was great!

Me: Yeah!

Princess Celestia: This is gonna be fun!

Mariposa Celestia: Si! Lets bring the fruit punch!

She fired a vine and grew exploding fruits and they wrapped around him and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Another King of Flan was blasted down and Princess Celestia fired a wave of sun energy and blasted him and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

I caught the Wonder Ride Book and it was called The Princess of The Sun and The Tower of Flan.

Me: Nice title and it fits.

Nico: Who's next?

Me: Another Skillit.

Nico: Cynder is up.

Cynder: Volts and Lightning.

Qin: Yep

Cynder: Here goes nothing.

Then we saw a figure come and it was ANOTHER SKILLIT!

Me: Another Skillit!

Qin: Whoa this one is gonna be awesome and cool.

Nico: Yeah it is!

Another Skillit: (In a girls voice) I'm really looking forward to this one.

Me: (GASP) That voice.

She reverted back and was a girl with purple hair, blue eyes with purple sclera, purple clothes and purple angel wings and she had the skull symbol of the undead skylanders on her skirt and in the middle of her forehead.

Me: (GASP) Annabelle Melchior!

Annabelle: Good to see you again J.D.

Me: Same here.

Nico: You know her?

Me: I sure do. Annabelle is from Romania and she is also a conjuror of the undead and has the ability to see spirits. And she is also a powerful lightning master too.

Annabelle: That's right and I'm also the gene-slammer of Cynder's kind.

We gasped!

Cynder: Wow! It's like I'm fighting a humanized version of myself.

Annabelle: It sure feels that way.

Cynder: Sorry we have to do this.

Annabelle: I know.

Lincoln: Let me help with that.

He fired a blast of light and it hit her and separated Another Skillit from her!

Annabelle: Wow!

Cynder: That was awesome! Lets get him!

Annabelle: Lets!

Cynder and Annabelle: Volts and Lightning!

They fired a massive blast of lightning and blasted him and he exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

He was dead!

I caught the Wonder Ride Book and it was called The Undead Dragon Princess and the Ugly Mischief Elf.

Me: Cool title.

Nico: Two down!

Me: Three to go.

Qin: Yep.

Dana Blackfire: My turn next for Another Kaossandra.

Twilight Sparkle: I have a feeling this one will be a strange one.

Lola: Same here.

Nico: Yeah.

May: There she is!

Out of a swirl of darkness came ANOTHER KAOSSANDRA!

Me: Whoa this one is powerful and cool.

Lola: Yeah!

Another Kaossandra: And it's good that I get to see you again J.D.

Me: (Gasp) That voice!

She reverted back and was a girl that had black hair and red eyes and had black clothes and had the symbol of Kaos on her dress skirt and in the middle of her forehead and had a black wing and a white wing and she had a sword that was imbued with the 10 Skylanders elements on the blade.

Me: (GASP) Cassandra Kaos!

Cassandra Kaos: Awesome to see you again J.D.

Me: Same here.

Dana Blackfire: Let me guess. You're the gene-slammer for Kaos right?

Cassandra Kaos: That's right and I have all his powers as well as mastery over all the 10 elements.

Twilight Sparkle: Wow! That is really amazing! Kaos is my archenemy and he is awesome and funny.

Cassandra Kaos: I can tell that he does awesome for you Twilight.

Dana Blackfire: This one is new for us.

Cassandra Kaos: I know. But it's awesome.

Varie: It sure is.

Dana Blackfire: Sorry we have to fight like this.

Cassandra Kaos: I know.

Lincoln: I got this.

Lincoln fired waves of light and they hit her and separated Another Kaossandra from her!

Cassandra Kaos: Whoa! Now this will be fun!

Dana Blackfire: Here goes!

Dana fired waves of darkness and Cassandra fired energy lasers and blasted Another Kaossandra down and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was dead!

I caught the Wonder Ride Book and it was called The Dark Skylander Elemental Princess and the Empress of Chaotic Evil.

Me: Fitting Title.

Qin: That is awesome.

Cassandra Kaos: That was so awesome though!

Nico: Now, it'll be like fighting Another Pete all over again.

Me: Yep. Except this one is for Pete from the 1930s and 40s.

Nico: That is awesome.

Peg Leg Pete: That is very coincidental.

Lola: It sure is.

Nico: There she is!

Out of a swarm of Golden Scarabs came ANOTHER PEG LEG PETE!

Me: Another Peg Leg Pete!

Nico: Whoa!

Another Peg Leg Pete: (In a girls voice) This form is not a golden one.

Me: (GASP) That voice.

She reverted back and it was a girl with golden hair, red eyes, and yellow clothes and had golden yellow angel wings and had the symbols of the Earth Skylanders on her skirt and in the middle of her forehead and she had the staff of the Golden Queen in her hands.

Me: (GASP) Janelle Goldie Kirby!

Janelle Goldie: Awesome to see you again J.D. You are as golden as ever.

Me: Same to you.

Nico: It's obvious that you are the gene-slammer for Golden Queen because of the staff in your hands.

Janelle Goldie: That's right. Also I turned these guys into gold statues for you all for your garden.

She showed us gold statues of Alternate versions of Heather and the Sore Losers.

Me: Cool!

Nico: Awesome!

Lincoln: Better to be made of gold than alive.

Felix: I hope the real ones are still alive for us to humiliate.

Me: Felix most of them are all dead. Amy is alive but not the others.

Felix: Oh right.

Janelle Goldie: Don't worry these ones are all evil. I banished their spirits to the black gates after turning them to gold.

Qin: That's a relief.

Nico: Yeah.

Felix: But this will be fun.

Janelle Goldie: It sure will. And I loved watching all your cartoons back when I was a little girl. Good times.

Felix: Yeah. Is the Another Mole Man friendly or hostile?

Janelle Goldie: Friendly. This one however is not a gene-slammer though. But you'll be amazed who it is.

Me: I have a feeling it will be good.

Felix: Let's get it on like Donkey Kong!

Lincoln: After this.

He fired a blast of energy and separated Janelle Goldie from Another Peg Leg Pete and she was free.

Me: Here's one I learned from Itchy and Scratchy!

I pulled out a Tommy Gun and blasted his legs and then charred him in an incinerator!

Felix and Janelle blasted him and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead and I caught the Wonder Ride Book and it was called the 24K Golden Queen and The Steamboat Willie Sailor Ogre!

Nico: (LAUGHS) THAT WAS GREAT!

Eli: Just like in an Itchy and Scratchy Cartoon.

Lola: Yeah!

Me: I used what I saw in Steamboat Itchy. (Season 4 Episode 6)

Nico: Another Mole Man is last.

Me: Yep.

But then there was a rumble and then hands reached up from out of the ground and pulled Nico's pants down when he wasn't looking and then it dug out and out came ANOTHER MOLE MAN!

Me: Whoa! Uhh Nico don't look now but your pants are down.

Nico: Huh? HEY!

Another Mole Man: (In a girls voice) (LAUGHING) GOTCHA!

Me: (LAUGHS) Gopher Joan Brick. Awesome!

She reverted back and was a girl with brown hair and brown clothes.

Joan Brick: That was funny though!

Me: Yep. Joan has the digging capabilities of a gopher and can dig tunnels like no big deal. She is a great miner too.

Qin: Wow!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Joan Brick: Actually no he didn't. I tunneled out of his base with incredible speed before he could say anything.

Me: He should know better than to mess with a gopher.

Eli: You know what's funny is that they are the mascots of a golf course.

Qin: They sure are.

Joan Brick: They sure are and that is a fact.

Me: Yep. Sorry we have to fight like this.

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju armor!

Nico: Pull my pants down will you! WHY YOU LITTLE RODENT!

She turned into Another Mole Man!

Xenia: Lets do it!

Nico: (gets out Mole Man's Ridewatch) I'll show you!

Nico activated it and dug underground and then popped out behind her and then grabbed her in a headlock and gave her a noogie!

Nico: Say it!

Another Mole Man: NO! OW OW!

Nico: SAY IT!

Me: For heaven's sake say it!

Another Mole Man: UNCLE! UNCLE!

Nico teleported back.

Nico: Good. (ACTIVATES PEG LEG PETE'S RIDEWATCH)

He fired waves of energy and blasted her down.

Nico: (gets out Mole Man's Ridewatch) I'll show you!

Nico activated it and dug underground and then popped out behind her and then grabbed her in a headlock and gave her a noogie!

Nico: Say it!

Another Mole Man: NO! OW OW!

Nico: SAY IT!

Me: For heaven's sake say it!

Another Mole Man: UNCLE! UNCLE!

Nico teleported back.

Nico: Good. (ACTIVATES PEG LEG PETE'S RIDEWATCH)

He fired waves of energy and blasted her down.

May: (gets out Voltar's Ridewatch) Feel the wrath of the Great Voltar!

May activated it and fired energy waves and blasted her all over!

Lola: YEAH! That was cool!

May: (gets out Bat Imagin's Ridewatch) Let's get batty!

She activated it and fired waves of sonic energy and blasted her down!

Maria: Oh yeah!

Laney: Take that!

Nico: Yeah!

Maria: (gets out Universe 666 Chernabog's Ridewatch) My turn!

Maria activated it and fired waves of fire and they formed into ferocious demons and they danced and fired waves of fire and blasted her all over.

Qin: Awesome!

Lola: Amazing!

Maria: (gets out Villain Lava Girl's Ridewatch) Feel the heat!

She activated it and fired waves of fire and blasted her all over.

Felix: My turn!

He activated Peg Leg Pete's Ridewatch and blasted her with energy waves.

Lola: Oh yeah!

Then Katnappe and her team came!

She had LeQuack, Universe 666 Sentinel Prime, Argit, Frankie The Squealer and Ghost Monster!

Nico: Nice team, Katnappe!

Katnappe: Thanks Nico.

Me: I hope that isn't a certain big chinned motherfucking asshole turncoat that is locked up in Nico's bedroom!

Universe 666 Animated Sentinel Prime: HEY! Watch the chin!

Katnappe: This is the 666 version.

Me: Oh. That's a relief.

Qin: Good.

Maria: Where's the next Gene Slammer?

Me: Hmm.

But then we smelled a really horrible odor!

SEAL BARK!

Me: Oh good god! WHAT THE FUCK IS THAT PUTRID ODOR!?

Nico: P.U.!

Eli: YUCK!

?: It's me.

We saw a Garbodor!

Me: A Garbodor! WHEW! This one smells like shit!

Garbodor: (In a girls voice) And I love it!

Nico: Vicky Trashit! Whoa!

Qin: Our old resident trash hermit!? Cool!

Garbodor: I got this.

She fired a massive stream of vomit and smashed down Another Mole Man and she reverted back and I caught the ridewatch and purified it and brought her over.

Me: OH SICK!

Maria cleaned her up.

Vicky reverted back and she was a girl with black hair and blue eyes and she had black clothes and smelled REALLY HORRIBLE!

Vicky Trashit: That was awesome!

Felix: What's your favorite memory of Nico?

Vicky Trashit: When we shoved a bunch of bullies into a pool of diarrhea made by yours truly and it was totally funny.

Me: Okay that part I did NOT NEED to know!

Qin: But that was funny!

Nico: I really missed you.

Vicky Trashit: Me too Nico. Me too.

Nico: I'd hug you but you know.

Vicky Trashit: I know.

We later went back home.

Lincoln: Ah, we're here in Tokyo, Japan, and I know what we're going to do here, not only am I going to rescue the fifty-three girls, but we're also going to face, take down, and recruit the next hypothetical Akumatized Loud Sister into The Masters of Evil, Digital Diva, the Akumatized form of Lori.

Me: And from our talk with Gabriel on Easter, she has powers over cell phones and she's a total diva and drama queen with a temper to match, but her power over cellphones are no match for our technological know-how.

Lincoln: And you're going to see for yourselves my experience when it came to dealing with and also taking down Lori: and I'm so going to take her down in the same way I'd taken her down before in the past.

Suddenly, we saw peoples' phones blowing up with massive amounts of text messages with threats.

Luna: Whoa! And I thought Lori was a text-a-holic with her phone! (GASPS) Dudes, I think I know what she's doing!

Lincoln used his computer eyes, and saw that Luna was right: Digital Diva's the culprit behind this!

Lincoln: She's sending tons of text messages to peoples' phones, and many of them are threats. Our phones, wrist computers, and other technological devices have state-of-the-art anti-spam software and firewalls to keep out virus and hackers.

Alya: Like when I was Lady Wi-Fi.

Marinette: Okay, I think it's time to kick that text-a-holic diva out of this digital chat room!

Lincoln sent a wave of computer energy which spread to the cellphones of everyone, and it kicked that diva out.

Danny Phantom: Nice, now this'll get her really really mad now!

Suddenly, we heard a loud scream of rage.

Lola: Yep, there's no mistaking that angry scream. (Gasps) And there's her castle!

We then saw Digital Diva's castle: it was a high-tech fortress of nightmares.

Lincoln: I'm starting to sense a pattern: we saw that Princess Pink had set up a pink medieval castle of nightmares when she came to Paris yesterday, and now, Digital Diva's set up a high-tech castle of nightmares when she came to Tokyo, they're like the monarchs of a kingdom. Let's head inside and dethrone that bad-tempered diva.

But, before we could head inside the castle, suddenly, we saw Elemental HERO Mudballman appear before us, and with it are the fifty-three girls.

Nico: Whoa, that's Elemental HERO Mudballman, cool!

Jaden: And another of my Elemental HEROS.

Elemental HERO Mudballman: (Girl's voice) Looks like we got here just in time, and I got the girls away from that diva before she could kill them.

Lincoln: (Gasps) That voice, Helena Demeter, I knew it was you!

?: (ENRAGED SCREAM) I WILL LITERALLY TURN YOU ALL INTO HUMAN PRETZELS FOR RUINING MY PLANS TO TAKE OVER THE WORLD!

We saw a ball of digital data heading right for us, but it then crashed onto the ground, and we saw who it was in the ball of digital data: Digital Diva, the hypothetical Akumatized form of Lori Loud, her hair was tied in a bun, she has blue eyes and dark blue sclera, and she was dressed in a blue ninja uniform.

Lori: (Gasps) So, that's Digital Diva?! She's exactly what I could've become during the fight to stop Gabriel years ago.

Digital Diva: HOW DARE YOU ALL RUIN MY PLANS! I WILL LITERALLY TURN ALL OF YOU INTO HUMAN PRETZELS!

Digital Diva went at Lincoln and she reeled back and was about to punch him, but he grabbed her fist and stopped it, and he reeled his left fist back and he landed a punch of his own punching Digital Diva in the face and sent her crashing into her own fortress and wrecking all of her equipment.

Nico: Ooh, now that was one brutal punch!

Suddenly, Digital Diva came out, and her face literally turned red with fury and she screamed like a banshee.

Lori: (Smirks) You really did it now, you diva! Time to teach you a lesson.

Sylvester: But, don't kill her, we need to take her down.

Cowart, Ets, Ken, Nico, Nicole, Gage the Hedgehog, and Eli unholstered our massive greatswords and we transformed, and we went after Digital Diva and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit her.

Digital Diva got extremely mad, she continued to throw kunai daggers at us, but we dodged them all. Then, Lincoln fired waves of ladybugs and red fire at Digital Diva which exploded with incredible power as they hit her, and she was knocked out, tied up, and sent to The Masters of Evil. We cheered as we holstered our weapons and powered down.

Lincoln: That's another hypothetical Akumatized Loud Sister recruited into The Masters of Evil and only nine more to go. (To Helena Demeter) And it's so good to see you again, Helena Demeter.

Helena Demeter reverted back to normal, and she's a beautiful girl with long brown hair with blue-streaked bangs, light blue eyes, she was tall at 7'0" in height, she has a really strong and powerful muscular physique and ample breasts, tanned skin, she has massive and beautiful white angel wings, she's dressed in a sleeveless light blue top, dark blue skirt, dark blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with earth, plants, leaves, and earth angels on the coattails and on the back is Elemental HERO Mudballman, and holstered on her back is a massive Elemental HERO Mudballman-themed greatsword with embedded blue gems and Elemental HERO Mudballman etched on the 7'0" massive, wide, double-edged dark blue blade, large dark blue phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large dark blue gem on the bottom of the large white angel heads for the pommel.

Helena Demeter: You too, Lincoln, it's been a long time.

Lincoln went up to Helena Demeter and he hugged her, and Helena Demeter is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Helena Demeter: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Helena Demeter, Gene-Slammer of Elemental HERO Mudballman and younger sister of Abeline Demeter, the Elemental Angel of Earth, she's my Guardian Angel from Michigan, she's a very powerful and also a very physically strong athlete who was born with superhuman strength, and she's also a skilled wilderness survival expert. Plus, she's also a seductive and one sexy hot mama who's flirted and made out with me more than once, and she loves me with all her heart and she knows to share me among the other members of my harem and fellow Guardian Angels.

Luna: We almost busted out laughing seeing our bro's face being smooshed by her chest as she was hugging him.

Lori: And she was also kissing him all over the place and he had a love struck look on his face.

Earth: Like how we always make out with him.

Monica Anniston: Exactly, Earth. Helena Demeter's a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages.

Helena Demeter: But, we always saw her coming when we see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet.

Me: Yeah, the smell of her sweaty pits tends to make us sick.

Selena Arcangela: But, Helena and the other Elemental HEROS of Earth along with Lincoln had more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents.

Nico: Dang, and is she really that strong, Lincoln?!

Lincoln summons a 900,000,000,000,000,000-lb barbell, and Helena Demeter lifted it with one hand and we saw just how strong she really is, and my jaw and Nico's hit the floor.

Qin: (Whistles) Damn, and I thought many of our friends were that strong, but whoa!

Helena Demeter: And I'm going to reveal a very horrible revelation: and it's about how Linky and I took down Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins, who went really insane because of Lincoln always surviving and the Guardian Angels stopping them at every turn, and they really snapped and went on a rampage and caused a ton of destruction in Royal Woods. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Helena?

Helena Demeter: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Helena Demeter: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Helena Demeter, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Helena Demeter: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Helena Demeter's neck with light blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Helena Demeter: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Helena Demeter.

Helena Demeter had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the fifty-three girls, and when Lincoln saw who they were, he immediately recognized them. The fifty-three girls are Akiko Saitō, Aya Enomoto, Azumi Nakamori, Beauty Ichigaya, Blade Uehara, Bomber Kishima, Chiaki Murakami, Chigusa Yūki, Chiharu Murakami, Chizuru Nagahara, Cuty Kanai, Dolphin Hayase, Foxy Maho, Freia Kagami, Haruka Date, Hikaru Ogawa, Hitomi Fujishima, Kanna Kamui, Kasumi Tsuji, Kazuki Aiba, Kazumi Fujiwara, Makoto Kondō, Megumi Mutō, Michelle Taki, Mifuyu Yagyū, Mighty Yukiko, Mikoto Kusanagi, Mimi Yoshihara, Mitsuki Sugiura, Miyuki Sanada, Noel Shiraishi, Ogre Asahina, Panther Risako, Raira Kamui, Rei Tomizawa, Reiko Kanamori, RIKKA, Riyu Kikuchi, Royal Hōjō, Sachiko Kanda, Satomi Kojima, Shiho Kobayakawa, Shinobu Echigo, Shizuka Yajima, Succubus Manabe, Suzumi Ishikawa, Teddy Cat Hori, Thunder Ryūko, Tomomi Watanabe, Toshimi Minami, Tsubasa Nomura, Yui Naruse, and Yūki Hoshina from Wrestle Angels Survivor.

My jaw and Nico's jaw dropped to the pavement!

CLANG! CLANG!

Eli put our jaws back!

Nico: What the heck?! Fifty-three girls located in one rescue?!

Me: This tops the previous amounts of girls we'd seen on his many other rescues!

Nicole: You said it, Dad.

Lincoln: Are you girls okay?

Akiko Saitō: Yes, we're okay, thanks to you.

Then, when Akiko Saitō and the other fifty-two girls saw who it was that saved them from Digital Diva, the hypothetical Akumatized form of Lori Loud, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable

Akiko Saitō: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made fifty-two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Akiko Saitō: Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, fifty-three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akiko Saitō, Aya Enomoto, Azumi Nakamori, Beauty Ichigaya, Blade Uehara, Bomber Kishima, Chiaki Murakami, Chigusa Yūki, Chiharu Murakami, Chizuru Nagahara, Cuty Kanai, Dolphin Hayase, Foxy Maho, Freia Kagami, Haruka Date, Hikaru Ogawa, Hitomi Fujishima, Kanna Kamui, Kasumi Tsuji, Kazuki Aiba, Kazumi Fujiwara, Makoto Kondō, Megumi Mutō, Michelle Taki, Mifuyu Yagyū, Mighty Yukiko, Mikoto Kusanagi, Mimi Yoshihara, Mitsuki Sugiura, Miyuki Sanada, Noel Shiraishi, Ogre

We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Digital Diva, the hypothetical Akumatized form of Lori Loud.

But, when Lincoln showed what he did first by putting an end to her spamming text messages to the cellphones of the population, and then, all of us laid the beatdown on Digital Diva and tied her up and sent her to The Masters of Evil, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Helena Demeter have a lot of catching up to do, now that she's back in town.

Maria: Dang, you guys really laid quite the beatdown on Digital Diva, and you definitely got a lot of payback on her for all the things Lori did to him when she fell under Dark Lori's control, Lincoln.

Lincoln: And everyone saw how I took her down in the past.

Marinette: It was so awesome, he stopped her attack, and then, he reeled his fist back and punched her hard in the face and wrecked her equipment and castle all at once!

Alya: That was really brutal.

Lincoln: And for tomorrow's rescue for me, we're going to take down and recruit Mimica, the hypothetical Akumatized form of Leni.

Gabriel: For her, I planned to give her the power to mimic anyone, and for her, she'll be a slime Akuma.

Nico: Ooh, now that's a good one.

Lincoln: But, I know my sisters well and I know what some of their habits are.

Laney: For these rescues, this is where Lincoln's experience when dealing with the chaos of The Loud House will really show itself.

Me: That's for sure.

---

After taking down Digital Diva, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Helena Demeter saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Helena Demeter: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in

public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Helena, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Helena Demeter: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Helena Demeter: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Helena, what's the story on how you and Lincoln took down Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins, who went really insane because of Lincoln always surviving and the Guardian Angels stopping them at every turn, and they really snapped and went on a rampage and caused a ton of destruction in Royal Woods?

Helena Demeter: You're not going to like hearing it, Nico.

Helena Demeter pulled up the video as it played on the big screen. There we see Helena Demeter and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags and doing

900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and Alicia Brantley was doing the same routine as Lincoln. Suddenly, they heard the alarm sound, and they saw on the television: Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins, and they've gone really insane because of Lincoln always surviving and the Guardian Angels stopping them at every turn, and they really snapped and went on a rampage and caused a ton of destruction in Royal Woods.

Past Selene Emperyous: What the heck?!

Past Laney Emperyous: Oh shit, Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins have gone absolutely insane because of seeing Lincoln always surviving and all of us stopping them at every turn!

Past Helena Demeter: Looks like they've really snapped, we need to get out there and stop them, they've gone on a violent rampage and they're causing destruction in Royal Woods.

Past Lincoln: Let's go!

Lincoln and his Guardian Angels head outside the gym, and they saw Royal Woods was literally a big mess. Then, as they continued on through the town, they soon see Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins, and their eyes are literally red with rage and insanity. They ran at Lincoln and his Guardian Angels and they were out for blood, but Lincoln and Helena Demeter went after Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins, and they brutally pulverized those jerks into the dirt, and then, they went after Lori, Lynn, Lola, Lisa, and Luan, and they also brutally mongrelized those five.

Past Lincoln: You guys are seriously in big trouble!

Lincoln fired red energy blasts from his massive white angel wings and he tied Lori, Lynn, Lola, Lisa, Luan, Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins up in red energy ropes, as Helena and Lincoln shared a kiss. The video ends, and we were horrified!

Nico: Oh shit, so Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins were the ones who caused all that destruction in Royal Woods.

Me: Yep, and we were also there for their punishments. First, Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins were hit with massive penalties resulting in jail time for Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, and Scoots, and Killjoy Huggins got a three month suspension by Superintendent Chen.

Luna: Then, Lori, Lynn, Lola, Lisa, and Luan got grounded for nineteen weeks by Mom and Pops, and Selene Emperyous tied them up in straitjackets and tossed them into that metal box prison again.

Helena Demeter: And we also made them clean up the town for all the damages they caused during their violent rampage, plus, if they didn't clean up the town, then, we'd have to get the cops involved and we'd get them sent to jail.

We got a shower, and then, Lincoln, Mary, May, Yuriko Hibiki, and Blana are heading to Dolphin Shoals.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Mary, May, Yuriko Hibiki, and Blana were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Mary, May, Yuriko Hibiki, and Blana fell in with Lincoln, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Frejya Jordan has sent some thugs to kill them.

Mary: Whoa, so our first date's here in Dolphin Shoals, nice.

Lincoln: I knew that you, May, Yuriko Hibiki, and Blana would love it, Mary, and it's perfect for our first date before the triple wedding. Shall we?

Lincoln, Mary, May, Yuriko Hibiki, and Blana dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Mary, May, Yuriko Hibiki, and Blana got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Frejya Jordan's hired thugs coming after them and Lincoln fired blasts of blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Mary, May, Yuriko Hibiki, and Blana, and they hugged the girls in their abnormally massive and powerful muscular arms, and Mary, May, Yuriko Hibiki, and Blana placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Dolphin Shoals, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mary, May, Yuriko Hibiki, and Blana with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Mary, May, Yuriko Hibiki, and Blana are now in your harem.

Jenna: Flip has got some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Lincoln: And we also had a run-in with Frejya Jordan's hired thugs, but I killed them all, and this is going to piss her off in 3… 2… 1!

Suddenly, we heard Frejya Jordan scream with extreme hatred and rage.

Maria: Yeah, up yours, bitch!

Nico: Serves her right, but she'll get hers later on today.

---

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Frejya Jordan of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Frejya Jordan of The Legion of

The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Polly Pain: While you and I deal with Frejya Jordan and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Frejya Jordan will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, even though today's the triple wedding of Star & Marco, Steven & Connie, and Takato & Jeri, we can't let that monster bitch nor the rest of those monster bitches ruin the wedding.

Lincoln: Let's head out and kill Frejya Jordan and send the rest of those monster bitches running for their lives.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Polly Pain: No way are we forgiving you for any of your actions, Frejya Jordan, you better be ready to pay the price for your foul misdeeds.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to The Park to kill Frejya Jordan of The Legion of The Lincoln Haters.

---

We arrived at the park to hunt down our next target: Frejya Jordan of The Legion of the Lincoln Haters.

Simba: Okay, we've made it to the park. Now, it's not long before Frejya Jordan shows up.

Timon: Yeah, the only thing that can alert us is that shrill voice of hers and screaming bloody revenge at Lincoln.

Me and Nico: Along with that big fat mouth of hers.

?: LINCOLN LOUD, I WILL FUCKING KILL YOU FOR GETTING US EXPELLED FIVE YEARS AGO, YOU WHITE-HAIRED FREAK!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Frejya Jordan.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Frejya Jordan of The Legion of The Lincoln-Haters, but we also saw Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Frejya Jordan: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE

THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Polly Pain: But, this'll send a clear message that we're not letting them get away with any of their plans for revenge.

Suddenly, Polly Pain's eyes turned neon purple and she was surrounded by a sunlight yellow energy aura with rainbow lights, stars, flames, sports equipment, and phoenixes, and as she approached Frejya Jordan, she left sunlight yellow energy, rainbow lights, stars, flames, sports equipment, and phoenixes with every step.

Polly Pain: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Frejya Jordan, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Polly Pain was surrounded by a massive vortex of sunlight yellow energy with flames, stars, sports equipment, and rainbow lights surrounding the vortex, there are phoenixes flying around the vortex and in the vortex is a purple phoenix with red eyes glaring at Frejya Jordan: the red eyes of death. Then, as the vortex faded, Polly Pain emerged, but she was changed forever.

Polly Pain grew to 7'5" in height, she has the body of a goddess, she has purple highlights in the bangs of her long dark brown hair, she has neon purple eyes and a sunlight yellow energy aura with rainbow lights, flames, stars, and phoenixes surrounding her, she has a phoenix and the Torch of Athena emblazoned on her forehead with Third Eye with purple iris, she has on phoenix earrings with purple gems for eyes and holding the Fire and Eternity Kanjis in its claws, she also has a phoenix with purple gems for eyes and holding the Fire and Eternity Kanjis in the claws on the bottom of her purple phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Polly Pain has on a sleeveless yellow tank top, purple short, pink sneakers, she has on large gold metal bands with purple gems on her biceps and thighs, and long sleeveless white trenchcoat with rainbow lights, flames, stars, and phoenixes on the coattails, and on the back is a phoenix surrounded by flames, rainbow lights, and stars. Suddenly, Polly Pain felt a sharp pain on her back, and then, massive dark brown angel wings with purple tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long dark brown wolf tails with purple tips and purple markings, Polly Pain has on her Ring of the Phoenix with purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Polly Pain's newly forged greatsword and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of sunlight yellow energy, flames, rainbow lights, sports equipment, stars, and phoenixes, and when it emerged, it transformed into Polly Pain's Athletic Solar Flame Cosmic Greatsword of Athletic Solar Flame Phoenix Athena's Justice, it's a brand-new massive greatsword with embedded rainbow gems and purple etchings and a phoenix and the Greek Goddess, Athena, etched on the 7'3" massive, wide, double-edged purple blade, large yellow phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt with rainbow gems embedded in the foreheads, longer midnight black handle, four large purple phoenix heads with rainbow gems in their mouths and a large purple phoenix head with a yellow gem in its mouth below the large phoenix heads for the pommel. Polly Pain has on her new Bracers of The Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on the left bracer, her new Belt of Elemental Bravery with a gold phoenix head with purple gems for eyes and a large rainbow gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below the phoenix that said, "Polly Pain, Best Friend of Lynn Loud, Margo Roberts, and Paula Price, Member of The Gotham Royal York Roller Derby, Good Sportswoman and Talented Athlete, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Frejya Jordan of The Legion of The Lincoln-Haters, Emissary and Champion of Athena, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Fire, Light, Stars, and Phoenixes"

Polly Pain has transformed into SUPER ANGEL-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA SOLAR COSMIC ATHLETIC ATHENA SOLAR FIRESTORM PHOENIX ANGEL OF DIVINE SOLAR COSMIC ATHLETIC ATHENA SOLAR FIRESTORM PHOENIX JUSTICE AND DIVINE SOLAR COSMIC ATHLETIC ATHENA SOLAR FIRESTORM PHOENIX LOVE!

We were amazed by Polly Pain's Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Frejya Jordan saw it, she went fucking crazy and she got out her machine gun to fire at Polly Pain, but Polly Pain fired a barrage of sunlight yellow energy blasts with light, rainbow lights, sports equipment, fire, stars, and phoenixes at Frejya Jordan and it sent her flying into a tree back first, she got back up and she ran at Polly Pain again with a knife she got out, but she disarmed Frejya Jordan and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Margo: No way, that's so awesome!

Lynn: You got that right!

Me: Awesome, Polly Pain's transformed into her Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Frejya Jordan and she sent her flying into a tree with a roundhouse kick.

Lincoln: Frejya Jordan has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Polly Pain: (Divine Godly Cosmic Voice of The Athletic Cosmic Athena Solar Firestorm Phoenix Angel and Divine Solar Cosmic Athletic Solar Athena Solar Firestorm Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal

Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Polly Pain.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Frejya Jordan. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Polly Pain and Lincoln went after Harper Reagen who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, sunlight yellow energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Frejya Jordan and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Polly Pain attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Frejya Jordan got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Polly Pain, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Frejya Jordan's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Frejya Jordan by the neck and he tossed her into the air, and Lincoln and Polly Pain fired a powerful barrage of energy balls with light, rainbow lights, flames, stars, quintessence, elemental forces, and mythological animals, and as they hit Frejya Jordan, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Frejya Jordan's spirit appeared, and she was still incensed with anger and fury.

Frejya Jordan: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Frejya Jordan.

Lincoln summoned the spirits of Frejya Jordan's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Harper Reagen: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Polly Pain and Lincoln holstered their massive greatswords on their backs and powered down, and Polly Pain's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long dark brown wolf tails, and massive dark brown angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Harper Reagen. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Polly Pain: We've taken one down so far, and now, we got twenty more to go. Thanks for helping me destroy Frejya Jordan, Linky.

Lincoln: (Smiles Warmly) You're welcome, Polly.

Suddenly, Polly Pain wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Polly Pain's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and lights and flames behind them and we cheered wildly. Then, Lincoln and Polly Pain absorbed the lights and flames and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of athletic justice. Lincoln, Polly Pain, you two did really awesome in teaching that monster bitch, Frejya Jordan, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Flora Marley, which means you and I, along with Missy Rogers, are up next, Giggles.

Giggles: Yes, we'll be ready for her.

Luan: Oh, she's in major trouble now, not only is she facing Giggles and Lincoln, but also, Missy as well!

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Elemental HERO of Earth are you meeting tomorrow, Lincoln?

Lincoln: The next one we're meeting tomorrow is a Gene-Slammer for Elemental HERO Elemental HERO Wild Wingman.

Melanie Aranyani: Perfect, and there's only one person who'd be Gene-Slammed into Elemental HERO Wild Wingman: Monica Garcia, Maria Garcia's little sister, and she's one of the Elemental HEROS of Earth, and she's also a powerful and physically strong girl and awesome athlete and good sportswoman in the field of sports. Plus, she's also a very seductive and sexy hot mama with the same body as me.

Lincoln: And like you and the other Elemental HEROS of Earth, Melanie, she's also had to deal with Lynn, and she's more than once dealt with her sore loser attitude and always going on her rage-fueled rampages, along with acting like an animal and even letting out those loud belches, and trying to kill me more than once.

Nico: Jeez, how many times has Lynn pissed you girls off with her rampages?

Lincoln: Don't even ask that, Nico, Lynn has done that one too many times in the past, only for her to get beaten down like a ragdoll by their superhuman strength, but she always got back up, but when I join them in the fight, Lynn always gets knocked out.

Me: I've seen how much stronger Lincoln has gotten during those days, and I've seen what he can do especially with those massive muscles that he's been constantly developing, and it always ended with Lynn getting knocked out on her butt, tied up like an animal, and dragged away to face her doom at the hands of her angry siblings and parents.

Nico: Dang, and with how Lincoln kept on getting bigger, stronger, and smarter, Lynn kept on badly underestimating him.

Luna: She had an overinflated ego because of that animal inside her, dude, and she thought she could get away with it, but she was wrong.

Lori: It always came back to bite her on her smelly butt, she was beaten by her own little brother who was constantly getting bigger, stronger, faster, and smarter over the years thanks to help from his Guardian Angels, Luna, Leni, Laney, Lucy, Lana, Lily, Mom, and Dad, while Lynn, Luan, Lola, Lisa, and I were seething with rage and plotted to kill him, no doubt thanks to our Dark Sides.

Luan: We should've been proud of him, but no, those monsters wanted him dead. But, we'd since been freed and we repaired those bonds with Lincoln, and not only did Killjoy Huggins pay the price, but also, Dark Chase Young, who was in fact the true source of his pain and suffering.

Anna Anyanova: You got that right. But, Monica Garcia has a bit of a nasty revelation to tell you all tomorrow: but it's one that involves Lori breaking down and crying realizing that what she was about to do to Lincoln could really cost her everything, but Lincoln hugged Lori, and they both shed tears of sadness and pain. Of course, when Lynn finds out about it, she goes outright ballistic and tries to kill them both, only to get punched hard in the face by Lincoln and Lori.

We gasped in shock and horror.

Nico: Oh man.

Me: I still remember that day all too well, but we'll wait until tomorrow to hear it.

Later it was time for Julie Carolina's first ambassador mission and we were heading to the world of Red VS Blue which was in the world of Halo. The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7892.4: The U.S.S. Valorous Phoenix is en route to the Ringworld which is the home base of the soldiers from Halo and for Julie's 1st Ambassador Mission we're going to help the soldiers take down one of their enemies.

Me: This is gonna be interesting guys. The world of Red VS Blue is actually in the world of Halo.

William: Anyone else want to go with Julie? Besides Ratchet, Clank, and 1 Rabbid?

Maria: I'll go.

Sunset Shimmer: Me and my friends will go too.

Lola: Cool!

Nico: This is gonna be really cool.

Lisa Loud: We have arrived at our destination.

Nico: On Screen.

We saw that we were in front of a blue gas giant planet and in orbit around it was a ginormous ring colony about 11/12 the size of the Earth and it was incredible!

Me: WHOA! So that's the Ringworld!

Nico: It's huge!

Xenia: Wow! That ring almost encompasses a whole planet!

Lola: Yeah!

We thread the needle and the Ringworld was now encircled around the ship.

Nico: Perfect fit.

We beamed down and we were on the Ringworld!

Me: Wow! So this is the Ringworld.

Nico: Incredible.

Sunset Shimmer: Wow!

?: Hey!

We saw Sarge, Donut, Carolina and Church.

Carolina: Team Loud Phoenix Storm! Awesome to meet you all.

Donut: Oh shit on me and fuck me sideways.

Me: Colorful language. Awesome to meet you guys.

Church: I've heard of you guys. Ratchet and Clank, right?

Ratchet: That's right.

Clank: Pleasure.

Me: Awesome to meet you guys.

Eli: Same here.

We introduced ourselves.

Church: Pleasure to meet you all.

Sarge: Same here soldiers.

Church: As you can tell by my armor, I'm the leader of the Blues.

Me: I can tell. One side is red and the other is blue.

Nico: Yep.

Church: It's awesome how you guys have fucked around with bad guys.

Me: We get that a lot. We fuck them up all the time.

Eli: Yeah we do!

Sarge: I'm the leader of the Reds. And proud of it!

Me: Fuckin A!

Nico: Yeah!

Me: Boy this Ringworld is incredible! It's a huge colony that almost fits around Earth.

Carolina: It sure is

Church: This isn't all of us. The rest of our team is inside.

We went to meet them. We saw Caboose, Sheila, Grif, Tucker and many more.

Me: Whoa!

Caboose: Team Loud Phoenix Storm! Awesome to meet you.

Grif: Same here.

Sheila: We heard so much about you all.

Sunset Shimmer: We get that everywhere we go.

Fluttershy: But this is amazing that you all live here.

Tucker: It sure is.

Julie Carolina: Awesome to meet you guys. My name is Julie Carolina and I'm your ambassador.

Me: It's part of a special diplomatic mission program we we made.

Sarge: Now, let me introduce my team in full. This is Simmons, Grif, Donut, and Lopez.

Church: And this is Tucker, Caboose, Texas, and Sheila. They may drive me crazy, But that's why I love them.

Me: Awesome to meet all of you.

Texas: And don't fuck around with any of us.

Me: We only fuck around with the bad guys and we're proud of it!

Nico: YEAH!

Eli: That is for sure!

Sarge: Grif, where's the pizza that came a while ago?

Grif: I don't know what you're talking about. (burps)

Sarge: Don't tell me you ate all of it!

Grif: You have no proof it was me. (burps)

Me: The way he is burping that is clearly proof he ate it all.

Nico: Yep.

Simmons: (to us) Sorry, guys. Grif just loves pizza.

Me: We can tell.

Nico: Yeah he can't eat enough of it.

Carolina: Yeah. (Realizes something) Hey I remember hearing you guys destroyed the Necromorphs 17 years prior to us.

Me: That's right. Wait I remember that your world is set in the year 2525. That's 502 years from our time.

Nico: WOW! News traveled fast didn't it.

Carolina: It sure did and you guys blew up Aegis VII.

Me: Yeah and for good reasons.

Julie Carolina: That was for sure.

Carolina: (to Julie) It's strange that I have the same first name as your last name.

Julie Carolina: I know. Coincidental.

Twilight Sparkle: It sure is cool.

Me: Yep.

Caboose: I may be wrong but Julie reminds me of Carnage a little.

Texas: Are you talking about the same dirtbag who ruined Girl Jordan's life and is overall a psychopath?

Caboose: Yes.

Texas: Caboose, don't be ridiculous.

Me: Cletus Kasady Was a fucked up piece of motherfucking shit! But Julie is not like Carnage.

Julie Carolina: Believe it or not I'm actually a Symbiote relative called a Nombyiote from the planet Elintiar. They are in every way like Symbiotes except they are much more benevolent.

Caboose: Wow! That is amazing.

Nico: Yep.

Sarge: Now, let's get you guys caught up about Chrovos, who's probably the main target you guys are after here.

Me: We were just about to ask about him.

Caboose: Well he is not a nice guy and he is a god of time.

He went over his history.

---

Genkins, later Chrovos, is the primary antagonist of The Shisno Trilogy (Seasons 15-17) in the Red vs Blue series, serving as the unseen overarching antagonist of Season 15, the main antagonist of Red vs Blue: The Shisno Paradox and the secondary antagonist of Red vs Blue: Singularity. It is the "God of Time" who manipulates weak-minded individuals into trying to free it.

Chrovos is voiced by Ray Schilens as a male and by Lee Eddy as a female.

A long time ago, Chrovos existed alongside several other gods who created AI fragments known as the Cosmic Powers to enforce their will. The Cosmic Powers, however, rebelled against their makers, and while several Titans were killed, Chrovos was imprisoned. Many years later, however, Chrovos had somehow manipulated Loco of the Blues and Reds into building a time machine which set in motion the events of the Shisno Paradox.

After Donut was transported away by Loco's time machine, Chrovos pulled him out of the space-time continuum. He manipulates Donut into believing that he is God and that he must fix the past to save the future. Chrovos gives him time travel guns for Donut to give the other Reds and Blues to travel through time, setting them against the Cosmic Powers.

The effects of the time travel eventually revert Doc into his O'Malley persona, betraying Grif and stealing his time gun. Doc/O'Malley strands Grif in the past and, due to Doc's weak mind, becomes an Agent of Chrovos.

After Donut later fails to convince his friends to further continue their time travel escapades, he is summoned by Chrovos, who is further manipulated into thinking his friends are on the wrong side. Chrovos offers to spare them if Donut does 'one thing' for him.

After Donut later retrieves the Hammer used to reseal Chrovos' prison, Chrovos commends Donut and pressures him to surrending the Hammer to him. However, Donut slowly comes to the realization that not only does he still care about his friends, but that it was Chrovos who killed him to begin with, planning from the beginning to use Donut and his friends to free him from his imprisonment. Donut goes to reseal him away until O'Malley engages him in combat. After their fight, Donut returns to use the Hammer. Although he succeeded in resealing the barrier keeping Chrovos at bay, the Reds and Blues' actions cause a paradox that resets the timeline.

However, Chrovos is still able to resume his true form before Genkins asks him to take on a more 'human' form, transforming himself into a female form referred to as 'Vengeance'. Chrovos orders Genkins to continue his work while taunting Donut from behind the barrier, revealing that every change Genkins makes to their past adventures creates more alternate timelines, weakening the barrier. Eventually, enough timelines will break the barrier and truly free Chrovos for good. Chrovos taunts Donut as he runs off to stop Genkins.

Chrovos would continue playing mind games with Donut until he and Washington eventually broke their friends free of the Everwhen. After enough of Genkins' failures, Chrovos is persuaded by him to lend him some of her power. Chrovos refuses at first, until Genkins points out that with her shared power, he would be able to kill the Reds and Blues and their power would be transfered to her, thus making her the more powerful of the two once again. Chrovos agrees and gives him most of her power. However, Genkins reveals he merely wanted the power for himself, and that the power from the Reds and Blues would simply be taken for himself. Chrovos curses Genkins as she watches him leave with her power.

In an attempt to stop Genkins and reclaim her power, Chrovos aids the Reds and Blues with breaking free of the Labyrinth that Genkins has trapped them in. Presumably, Chrovos would have reclaimed the power Genkins stole from her once he was defeated. But once Genkins deliberately fell into the black hole to the beginning of the universe, Donut returned to her with a startling revelation; Chrovos is actually Genkins' future self. Genkins went completely mad inside the black hole, proclaiming himself as Chrovos in front of the other Cosmic Powers, where they proceeded to seal him/them inside their prison. Startled by the revelation that she and Genkins were the same being, the Reds and Blues leave to fix the original paradox that started the whole mess, thus presumably keeping Chrovos/Genkins imprisoned for all eternity.

---

When he was done we were shocked and horrified!

Me: WHOA MAN!

Eli: That is one nasty guy!

Me: He is a Grade A++++ Motherfucking piece of fucking shit asshole!

Sarge: That's for sure!

Me: And he tricked you all into building a time machine to tear the entire universe apart and restart it in his image!? That is crazy!

The Rabbid gibbered.

Ratchet: (sighs) And this is a Rabbid.

Caboose: Look at the cute bunny! Can you say "What's up, Doc?"

Me: (LAUGHS) He is not Bugs Bunny.

The Rabbid bit him on his leg!

Caboose: OUCH!

Me: Rabbids may be cute but they are not the brightest lightbulbs in the closet. They are idiots.

Nico: Yeah but they are funny.

The Rabbid reached over for the backup slices of pizza.

Grif: Hey, that's my pizza!

Simmons: Oh no, Grif! You've lost the right to be selfish when you tried eating all the pizza!

Grif: You back off Simmons! That's my pizza!

The Rabbid ate it as they were fighting.

Eli: Pardon me guys but I must discipline the nannygoats!

Eli grabbed Grif and Simmons and bashed their heads together!

BLANG!

Grif and Simmons: OUCH!

Sarge laughed at this.

Me: That is funny. Also it's like what happened when Lincoln and his sisters were fighting over the last slice of pizza too.

Nico: Yeah you guys should see how Lincoln and his sisters fight over pizza.

Eli: It's crazy.

Sarge: I can tell.

Church: Anyway, we're planning to go after Sharkface, who could be a good recruit for you guys.

Me: He would be perfect for our Frenemies in the Masters of Evil.

Nico: I agree there.

Julie Carolina: I do too. This will be awesome for them.

Clank: What can you tell us about him?

Lopez: It's an honor to talk with a fellow robot like you.

Lopez told us about him.

---

Sharkface is a former Insurrection soldier allied with Charon Industries. He was first seen in Planning the Heist, along with his five other comrades, and then reappeared in Son of a Bitch. He later made a return in Season 13 as a major antagonist, aiding the Space Pirates.

He was voiced by David Jennison.

Sharkface first appeared in a glimpse of a squad of Insurrectionists walking down a highway in Planning the Heist. In Son of a Bitch, the Demo Man tells Sharkface to head to the vault and attack the Freelancers.

In The Sarcophagus, he does so. He makes a bold entrance, prompting Wash to ask "What the fuck is with this guy?". He then fires his flamethrower, causing Wash and Carolina to take cover. They begin to open fire, however Sharkface has bullet proof armor and he continues to fire at them. Wash throws a grenade at him, but it goes off in the flames. Carolina begins to fire at him again and he unleashes a flame blast at her.

The weapons on the table covering Carolina begin to overheat and explode, throwing her back. Wash grabs a fuel rod cannon and fires at Sharkface. However the round bounces instead of exploding at Sharkface's feet, causing Wash to question who would make such a gun and saying: "This is the worst gun ever. Of all-", cut off when Carolina pushes him out of the oncoming fire and tells him to stay low. She runs along, dodging Sharkface's flame, eventually jumping on to a Banshee hanging from the ceiling. She fires at Sharkface in order to get his attention. He fires at her again, causing the ropes holding the Banshee up to burn and snap. She sticks a grenade in the Banshee, causing it to explode and hit Sharkface, knocking him over. A Gravity Hammer lands near Carolina and she throws it at Sharkface as he was beginning to get up, defeating him.

Several years later, Sharkface became imprisoned on the UNSC Tartarus. He still bore a deep-seated hatred for the Freelancers, as they had wiped out the other Insurrectionists while he was in physical therapy. When Felix and Locus raid the ship to recruit the prisoners, Aiden Price mentions him in passing and leads Felix and Locus to his cell, where his face is seen for the first time. Sometime later, both Aiden and Sharkface were sent to Chorus at Crash Site Alpha, where the former Counselor states that he is currently conducting psychological sessions with the former Insurrectionist to prove his worth to Locus and Felix.

During one of their sessions, Sharkface prepares for his mission to kill Washington and Carolina and expresses his anger towards them for killing his comrades to the Counselor. He then asks Price how he ended up on the Tartarus, to which Price replies that he believed in the wrong people and, when asked by Sharkface, admits that he would kill those who wronged him if he had the chance. Telling Price that he belongs with the pirates, Sharkface dons on his newly painted armor.

Later on, Sharkface leads a band of space pirates to ambush

Carolina, Dr. Grey, and the Blues at the Jungle Temple; having eavesdropped on the intel Santa gave them regarding a Purge and the location of a key to activate it. As he makes his way to the key, he contacts Felix and Locus about this newly discovered information; in which Felix decides to join him. Upon arriving at the Temple of the Key, Sharkface and Felix discover that Doyle has already obtained it and begin looking for him. Just then, Sharkface encounters Carolina and her squad and flees to find Doyle, with Carolina giving chase. The two then engage in battle, with Sharkface quickly overpowering Carolina and overcoming all of her attacks. Eventually, Carolina overexerts herself and Epsilon; and Sharkface knocks her over the edge of a cliff.

After Felix gets the key from Doyle, Sharkface and the rest of the pirates return to base. However, they quickly learn that the key will remain inoperable until Doyle is killed, prompting Felix to blame Sharkface for not informing them of this earlier. Just before a fight breaks out between the two, Locus intervenes and orders them to return to their objectives, which they do.

When the Space Pirates take the Tartarus to Armonia, Sharkface proceeds to lead a squad in the attack on the city. While the other mercenaries attack the Feds and Rebels, Sharkface goes directly to where Carolina is meeting with Kimball and Washington. Carolina convinces Sharkface to spare the other two since he was there for her, but he warns her that after he kills her, he'll simply come after Washington next.

Their battle quickly escalates to an isolated street in Armonia, where Sharkface taunts Carolina. To his surprise, Carolina apologizes for what Project Freelancer did to him and his friends in the past, alluding to how they were just two armies with different goals, and how the Freelancers thought they were the good guys. Sharkface refutes her apology, saying it won't change what's happened. Carolina makes one last offer to Sharkface for him to turn around and walk away if he wants to leave alive. Again, Sharkface refuses and attacks her.

During their fight, Carolina leads Sharkface onto a fast-moving monorail, where his flames are now useless due to the rushing wind. Unlike last time, Carolina is more focused, dodging several of

Sharkface's attacks and, after a lengthy battle, defeats him and throws him out of the monorail into the streets of Armonia below. As Washington and Kimball arrive to aid Carolina, the latter tells Sharkface that he has lost. Sharkface, however, continues to foolishly refuse to accept defeat and declares that as long as he is still breathing he will hunt them down until they're all dead. As a result, Wash and Kimball gun him down after his foolishness when he was surrounded, finally killing Sharkface. As Church mocks how he won't get up from that.

---

When he was done we were shocked!

Nico: Whoa! So he's a robot terrorist.

Me: Not good.

Sarge: We can show you where he was last spotted.

He showed us that he was last spotted in the ocean area 25 klicks to the west.

Nico: Then that's where we're going.

Eli: Yep.

Me: Oh guys there's an evil dark side of Eddy that is going to come and kill you guys. He is called Dark Eddy.

Eddy: Yeah he is evil.

Sarge: Let that fucker come. No offense to Eddy and Dark Spicer but we got superior weapons!

Me: You got that right.

Nico: Yeah!

Me: And Nico put a curse on him that will banish him to the Black Gates after 24 first ambassador missions. This is number 21 after today.

Eli: Only 3 more after that.

Carolina: Let's get moving

We were off.

We arrived and saw him.

Me: Target sighted.

I fired a wave of energy and it hit him and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM

He was blasted down and he got up and saw us.

He ran off and we followed him.

Sarge: (looks around) He's around here somewhere.

Church: We still have the element of surprise. So let's-

We then heard a crunchy noise and saw Caboose eating skyflakes.

Caboose: What? I'm hungry.

He heard a cocking of a gun and saw Sharkface there.

Sharkface: Bar's closed!

Sharkface took out his rifle and fires a rapid barrage of shots from it at us.

Sarge: DUCK AND COVER!

I fired waves of energy and blasted him everywhere and blasted him into a bunch of rocks in fiery explosions!

Me: Take that fish face!

Sharkface: Team Loud Phoenix Storm!?

Me: That's right!

Sharkface fired at Caboose.

Caboose: Look, a penny!

Caboose leaned down to get it, avoiding the shots in the process.

Nico fired laser blasts and blasted Sharkface all over.

Sunset Shimmer and Rarity fired waves of fire and jewels and blasted him all over.

Sharkface: YOU ASSHOLES!

Sharkface: (to Julie) All symbiotes don't like fire. Which is why I'm using this!

Sharkface shoots a powerful stream of flames from his flamethrower at Julie

But the fire didn't affect her in the slightest.

Julie Carolina: Nice try! But I'm actually a Symbiote relative called a Nombyiote from the planet Elintiar. We're immune to fire and sound and much nicer!

She formed a scythe arm sword and slashed him.

Nico: (gets out Nergal and Mole Man's Ridewatches) Watch this, guys!

Nico activated them and fired waves of crystal pizzas and blasted him all over!

Caboose: Crystal Pizzas!? Whoa!

Nico: Yep.

Julie: (gets out Superfriends Lex Luthor's Zecter) We're using Zecters for my mission!

Nico: Cool!

Julie activated it.

SUPERFRIENDS LEX LUTHOR!

She fired laser blasts and blasted him all over.

Me: YEAH!

Then I saw a laser target pointed at Sarge.

Me: Oh no you don't!

I pulled out my blaster and fired and it hit a rock and exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Out of the explosion came Dark Eddy!

Sarge: Nice shot! Thanks J.D.

Me: Anytime.

Dark Eddy: Dammit, you messed up my shot!

Sarge: I'll mess up your face, dirtbag!

Sarge and Dark Eddy fired shots at each other.

Numerous fiery explosions blasted off all over the place from their firepower.

MASSIVE FIERY EXPLOSIONS!

Ratchet: (gets out Reverser's Zecter) Time for reverse power!

REVERSER!

He fired laser blasts and blasted Sharkface all over.

I fired blasts of energy and blasted Sharkface all over. Top this! (Gets out Lord Drakkon's Zecter)

LORD DRAKKON!

I fired laser blasts and blasted Sharkface and Dark Eddy in fiery

explosions!

Dark Eddy tried firing at Church but he fired back.

The laser blasts bounced off his armor and Church blasted Dark Eddy all over the place!

Church: You like that!? How about this for wearing cheap shampoo!

He fired energy blast lasers and blasted him all over!

Tex grabbed Dark Eddy and slammed him to the ground.

SMASH!

Dark Eddy: OUCH!

Tex: Oh come on you can handle better!

Church: No wonder you hate jawbreakers!

Caboose: YOU HATE JAWKBREAKERS?! WHY YOU LITTLE?!

Kevin: YOU ROTTEN DORK! PICK A BODY PART ROLF!

Caboose, Kevin and Rolf pulverized and bashed and smashed Dark Eddy all over in a brutal fight cloud and beat the living shit out of him.

I fired waves of energy and blasted Sharkface all over!

Eddy fired his blaster at Sharkface.

Eddy: Take that!

Then an Archeops came and blasted Sharkface with a powerful energy blast!

Maria: Cool an Archeops!

Nico: Neat!

Sarge: Anyone you know?

It landed in front of us.

Archeops: (In a girls voice) Take that you fishfaced freak!

Nico: Varya Valencia!? Whoa!

Archeops: Awesome to see you again Nico.

Church: Guys, how about we finish this?

Me: Agreed.

We blasted Sharkface and tied him up and then Nico grabbed Dark Eddy and threw him back into the Book of Vile Darkness dimension.

Nico: YEAH!

Varya reverted back and was a girl with blue hair and red angel wings and had yellow clothes.

Varya Valencia: That was so awesome!

Sarge: What's your favorite memory of Nico?

Varya Valencia: My favorite is when me and Nico pranked the entire cheerleading squad of queen bee girls by grabbing their clothes and putting them in the landfill and then they wandered around the school naked. Total humiliation.

We laughed!

Nico: Yeah it was funny.

Nico and Varya hugged.

Nico: I really missed you.

Varya Valencia: Me too Nico. Me too.

We later came back to the ship.

May and everyone saw what happened.

Qin: You guys really kicked butt!

May: Next time, Superfriends Lex Luthor and Cheese should go with you guys.

Me: Good idea guys!

Nico: I agree there.

* * *

We were in a place called Dillydale.

Nico: Here we are at Dillydale.

Me: From the Mr. Men Show. Awesome! I haven't watched that show in like forever.

Lola: Yeah that was a great show!

Nico: Yep good times.

Mr. Happy: You guys must be Team Loud Phoenix Storm!

Me: That's us and it's awesome to meet you Mr. Happy.

Mr. Happy: It sure is a good honor!

Mr. Rude: (French Accent) I'll give you honor.

LOUD FART HONK!

All: MR. RUDE!

Squidward: (to Mr. Grumpy) As grumpy as always, Mr. Grumpy?

Mr. Grumpy: Admittingly, I'm a little happy to meet someone I can relate to.

Squidward: Glad you think so.

But then Rainbow Dash was laughing as Mr. Tickle was tickling her!

Nico: Also, we're hoping you guys could join us on the team. We're not forcing you to do so. But if you could, we'd really appreciate it.

Mr. Stubborn: We're in!

Nico: Really?

Mr. Stubborn: Do not try to talk us out of it. After everything you guys have done for the world, we'd be ungrateful not to return the favor! Besides, the scumbags you all face are cheap!

Me: Now you're speaking our language. But also we loved watching you guys back when we were younger and that was so awesome.

Lola: It sure was.

Lana: I'll say!

LOUD FART TOOT!

All: MR. RUDE!

Me: Actually that was me. Sorry.

Mr. Rude: I'm actually not going to get into a fart competition with you. I know I'd lose.

Me: I know you would.

Nico: Yeah.

Luan: That one was one that Toots you up! (LAUGHS) Get it?

We laughed at that one.

Eddy: (LAUGHS) That was a good one!

Mr. Miserable: (Gloomy) We all live in a meaningless life.

Lucy Loud: Welcome to my world Mr. Miserable.

Poromon took a nap near where Mr. Lazy was sleeping

Me: Aw.

Nico: Cute.

Me: I wonder if there's a Mr. Angry.

Mr. Rude: Mr. Miserable is the only recent addition here. I can assure you there's no Mr. Angry

Me: Mr. Miserable gets along great with Lucy. But that's good there is no Mr. Angry.

Lola: Yeah no kidding.

Xenia: Thank goodness.

Mr. Sneeze: (SNEEZES)

Me: Bless you.

Mr. Sneeze: Thank you. (SNEEZES)

Me: Bless you.

Mr. Rude: And Mr. Sneeze is the other new addition as well

Me: I see. He sure sneezes a lot. Does he have a nasty cold?

Mr. Sneeze: No. Hay Fever. (SNEEZES)

Sam S.L.: I feel your pain. I hate allergies.

Me: Yikes.

Nico: Yeah.

Me: It's awesome that you guys are gonna be with us. We all have so much in common just like the Smurfs have so much in common with us too.

Lola: Yep.

Nico: Now, has anyone seen a Pokémon here?

Mr. Bump: Besides yours?

Nico: Yeah.

But then a girl snuck up behind Nico and pulled his shirt over his head and gave him an atomic wedgie!

Nico: HEY!

But the girl laughed and glowed and it was a Zoroark!

Me: Hey a Zoroark!

Qin: Whoa! This one is a mischief maker!

Lola: (LAUGHS) She got you good Nico!

Mr. Nervous screamed in fright.

Me: Easy Mr. Nervous.

Zoroark: (LAUGHS) (In a girls voice) Got ya!

Qin: (LAUGHS) Zorah Lincoln! Awesome!

She reverted back and was a girl with dark red hair and black clothes and had red eyes.

Zorah Lincoln: I still got it.

Eli: Good riddance.

Qin: Yeah I hated that girl!

Camie: No kidding! She must've been bad news.

Zorah Lincoln: She was.

May pulled Nico's underwear off his head and his shirt too.

Nico: (GASP) Thanks May.

May: Anytime.

Mr. Rude: Good riddance!

Me: No kidding.

Nico: I remember that. Totally had it coming.

Nico and Zorah hugged.

Nico: I've really missed you.

Zorah Lincoln: Me too Nico.

KROW!

Nico: OUCH!

I kicked Nico in his butt!

I laughed!

Nico: WHY I OUGHTA!

Me: Sorry Nico you had this on you.

I pulled a kick me sign off him.

Nico: (Reading) "Kick me, I'm an assbiting buttface!?" Oh really funny Zorah.

Maria: Nico, which Gene Slammers do you think you'll meet next?

Nico: Cinccino and Gothitelle next.

Brittney: The Gothitelle I'm interested in. I have a feeling she'll be part of the Goths of Darkness.

Qin: Yeah.

Nico: Yep. Lets head over to Canterlot guys. It's a REALLY BIG day for 3 members.

We went there.

In the Canterlot palace it was time to get ready for the weddings of Takato & Jeri, Marco & Star and Steven & Connie. It was the first ever triple Wedding we had ever done.

Me, Nico, Eli and some of the boys were getting Steven, Takato and Marco ready. We were dressed in our special clothes for this.

Me: Boy can you believe this guys? This is gonna be one amazing wedding.

Nico: It sure will be.

Lincoln: You guys are so lucky.

Steven Universe: I know. Ever since I became a Crystal Gem, I learned so much.

Takato: And I learned so much as a tamer and as a friend.

Marco: And me and Star have done it all over the years on so many adventures.

Me: You sure have and you all brought so many amazing worlds together.

Eli: You sure did.

Nico: After everything you did and have accomplished you more than earned this wedding for you guys.

In the girls side, Rarity, Carol, Rika and the girls were getting Jeri, Star and Connie dressed in amazingly gorgeous dresses adorned with beautiful jewels and more.

Rarity: Oh your dresses are absolutely beautiful darlings.

Jeri Katou: It's so beautiful and amazing.

Connie: It sure is.

Star Butterfly: They sure look awesome.

Carol: We're so excited for you girls.

Rika Nonaka: I agree there mysellf.

Jeri Katou: Thanks guys.

We were all set.

Then we were waiting at the alter.

Nico: This is gonna be so awesome.

Me: Boy it sure is.

We saw all the families there and all of us including their archenemies too. Even some of the Digimon too.

Nico: Boy everyone turned out for this.

Then the Wedding March was playing and we saw the doors open and in came Apple Bloom, Sweetie Belle, Scootaloo, Diamond Tiara, Silver Spoon and Suzi Wong as flower girls and then the brides came with Star's mom, Jeri's dad and Connie's mom bringing them down the isle and they were in absolutely beautiful wedding dresses.

Me: Wow those dresses look absolutely beautiful on them.

Nico: They sure do.

Eli: Yeah.

They went up to the alter and they held hands Takato, Marco and Steven.

Princess Celestia: Ladies and Gentlemen and Mares, Gentlecolts, Digimon and boys and girls, we are gathered here today to celebrate in holy matrimony the unions of Steven Universe and Connie Maheswaran, Marco Diaz and Star Butterfly, and Takato Matsuki and Jeri Katou.

They said their vows and love for each other and they were presented the rings and they put them on.

Princess Celestia: It is with great pride and love that I am proud of their love and it is with great joy under the light and grace of the divine light of god that I now pronounce these 3 couples husbands and wives. You may kiss the brides.

They did so and we cheered wildly for them!

Mr. Stubborn was crying tears of joy.

Ms. Calamity: Are you crying, Mr. Stubborn?

Mr. Stubborn: (in denial) I'm not crying! I'm sweating through my eyes!

He was in total denial.

Mr. Nosy: He always gets choked up at weddings.

Later at Lynn's Table we were having the Reception.

Maria: Congrats, guys!

Jeri Katou: Thank you Maria.

Me: So how do you all feel to be married?

Steven: It feels so awesome guys.

Connie: I think it's awesome too.

May: This is our first triple wedding!

Nico: It sure is!

Me: And we pulled it off perfectly.

Takato: Thank you so much guys.

Me: It was our pleasure.

Nico: Yeah after everything you accomplished you all earned this.

Duskmon: I couldn't agree more to that.

Me: Now comes the fun part. The humiliations of the party.

Jeri: I'm so excited for this!

Nico: Hey, Flip! Yo Mama so ugly that she made Duchess look pretty!

We laughed!

Me: You tell him! Watch this one.

I pulled out an arrow and pointed it at Amy.

Me: Love Abba!

Boa Hancock: HUMILIATION PAIN STYLE: NUT SMASHERS!

She punched the nuts of the male jerks super hard!

WE WINCED HARD AT THAT!

Uta: HUMILIATION HAIR STYLE: FLOWER BEE PAIN!

She replaced the shaved heads of the jerks with hair made of flowers which attracted bees.

Jerks: AAAAAAAHHH! BEES!

The bees stung all over the jerks.

Steven, Connie, Marco, Star, Takato, Jeri, Lincoln and his harem: WEDDING HUMILIATION FINAL SMASH: MEGA WEDDING LAUGH!

They threw the jerks in hot nacho cheese then they covered the jerks with honey then bird seed then they summoned birds to peck all over the jerks. Then they covered the jerks first with chocolate, then caramel, then nougat and lastly other candies. They put the heads of the jerks inside boxes which they put chickens in the boxes the the chickens scratched all over them and finally they finish by taking turns head bonking slapping and poking eyes.

When it was done we were laughing hysterically!

Me: YEAH!

Then a massive cloud of gold bars and jewels exploded out and it was a LOT OF THEM!

Me: That was so funny! How did you guys like your wedding?

Jer: We had THE BEST FUN EVER!

Takato: You all made this so much fun!

Xenia: We're glad you all had fun!

Me: Yep.

Nico: Not bad for our first Triple Wedding. Now we must get ready. Tomorrow is the big mission for Missy.

Me: Yep. We head out to face Stankfoot and end his reign of evil.

Laney: Yep.

We went back to the estate and went to sleep.

Meanwhile in New Eden City, the Zevo-3 was getting ready for our arrival and they were excited too.

Jason James: This will be fun and awesome too.

Ellie Martin: I'm so excited for this and it will be so cool to take down Stankfoot and be rid of him forever.

Kewl Breeze: It sure will.

Jason James: Ready guys?

They transformed and went at the screen and it froze.

And we're going to meet the next Elemental HERO of Earth, this time, it's Monica Garcia, Gene-Slammer of Elemental HERO Wild Wingman and younger sister of Maria Garcia, she's Lincoln's Guardian Angel from Michigan and she's a very powerful and also a very physically strong athlete who was born with superhuman strength, and like her older sister, she's a goth girl with the powers of darkness and the ability to summon imps, and she knows a lot of many spooky Spanish legends and legendary monsters of Spanish legend, plus, she also joined with Maria and she also helped to teach Lincoln how to summon the creatures of the night and she also knows how to cook some of her favorite dishes from Mexico, and she's knowledgeable about everything from Mexico. She's also good friends with Lucy and The Young Morticians' Club. She's also a skilled wilderness survival expert, and she's also a seductive and one sexy hot mama who's flirted and made out with Lincoln more than once, and she loves him with all her heart which is also shared among the other members of his harem and Guardian Angels. She's also a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages, but they always saw her coming when they see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet. But, she and the other Elemental HEROS of Earth along with Lincoln have more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents. Plus, during the exercise scene, she's going to reveal a very horrible revelation: but for this one, it'll show Lori breaking down and crying as she finally realizes that what she's been doing to Lincoln has been wrong and awful, and when Lincoln hears it all for himself, he knew Lori was telling the truth and he hugged Lori, along with crying his heart out. But, this of course disgusted Lynn, and she was about to kill them both, but Monica used her skills in dark magic and summoned imps to attack Lynn, and then, Lori and Lincoln punched Lynn hard in the face giving her two black eyes, and she got in massive trouble with her parents who saw the whole event along with Lori breaking down and crying and Lincoln hugging Lori as he also let his tears flow.

Get ready for an awesome battle that will show us how much we hate people that tamper with the laws of Mother Nature and we're going to help the Zevo 3 Team destroy Stankfoot and make hum pay for his crimes against nature and humanity.

See you next time.

Nico: Boy it sure feels like forever.

Starfire: It has been a while since we were here.

Me: I loved coming to Piñata Island. That was so much fun.

Lola: It sure was. And it was 2 days before we met Twilight and Friends.

Twilight Sparkle: That's right. We weren't with you guys when you went here. That must've been really fun and amazing.

Me: It was.

Nico: Starfire, I want to thank you, Katnappe, and your teams for coming.

Starfire: Oh it's no problem Nico and it will be most Glorious to help you all out.

Xenia: It sure will.

Camie: I think this will be so cool.

Larry Loud: I agree too.

Twilight Sparkle: Same here. What was it like for you guys to be here the first time?

Me: It was really fun Twilight.

I went over what happened in chapter 1175.

FLASHBACK - Chapter 1175

In the middle of the Atlantic Ocean, we were on an awesome island that was home to awesome piñatas and every creature was a living piñata and it was so awesome!

Piñata Island is the place the crepe paper creatures call home. Here you'll find lush emerald jungles, white sandy beaches, and inviting garden habitats. There are even new environments that haven't been discovered yet! You won't find it on a map, but its ideal location insures that a Piñata can reach any party on any continent.

Why is it that Piñata Island is the only place in the world Piñatas can be found? Even the Piñatas don't really know - but with so much happening in the garden, what with weird new Piñatas arriving all the time, crazed black-market Piñata poachers trying to muscle in on the factory's action, mysteries to solve, violent garden pests (referred to as "Sours") to contend with, and constant opportunities to dance - who has time to worry about it?

The only thing upon which these Piñatas can agree is that on Piñata Island, anything can happen…

Me: Wow! Look at this island.

Nico: Wow.

Agony: I can't believe we're on an island full of living pinatas.

Laney: This is amazing!

Lola: It sure is!

Naruto: Yeah!

Lily: It's so awesome being here.

Me: I think we're also the first humans ever to set foot here on this island.

Vince: I think so too.

With us was Hunter's friend from Brazil, Eloá Canto Gimenes. She is a 18 year old girl from Brazil, she has brunette ponytail, she has lime green eyes, square ears, roman nose, curved eyebrows, and tan skin as well. And has two emerald earrings on each ear. Wears a green and yellow Brazilian sports soccer shirt which has the coat of arms of Brazil, wears a black, green, and yellow yoga shorts. Wears white shoes with the color green and the coat of arms of Brazil, black sport gloves, and has powers of Wind, Earth, Amazon, and Horizon Release.

Me: It's awesome having with us Eloá.

Eloá: (Brazilian Accent) It's an honor J.D. Hunter told me so much about you and everything you've done for the world.

Hunter: (German Accent) Ja und we are not finished yet.

?: Hey wow!

A fox Piñata came to us. It was Paulie Pretztail, a fox Piñata.

Paulie: Team Loud Phoenix Storm. It's such an honor to meet you guys. My name is Paulie Pretztail.

Me: It's a pleasure to meet you.

Paulie: It's really nice to meet you guys!

Me: Same here. Are we the first ever humans to visit Piñata Island?

Paulie: You sure are. Let me show you all around.

We followed Paulie and we walked around Piñata Island and it was a really awesome and really amazing place. We saw a lot of amazing Piñata's and really cool creatures. We also met all of Paulie's friends: Fergy Fudgehog, Franklin Fizzlybear, Hudson Horstachio, Ella Elephanilla, Les Galagoogoo, Tina and Teddington Twiggersnap, Fergy's boss and big time jerk Langston Lickatoad and many more.

Ash: There are lots of Pinata species like Pokemon.

May: And the names are a combination of animals and candy.

Nico: My kind of people.

Mary K.: I was just gonna say the same thing.

Maria: (to Ella) Ella, you and Leni are very similar.

Ella: I know. I'm similar to who now?

We laughed.

Fergy: You guys aren't here to get me launched are you?

Me: I don't think so. Why?

Fergy: Well you see, I hate being beaten by sticks and I am afraid that if I get launched, I'll die when I get beaten by sticks.

Pain-Yatta: I know how you feel Fergy. I may be a Piñata myself, but I don't like being beaten by sticks too.

Nico: Fergy, you're not gonna like this but I think you need to get over this fear of parties.

Fergy: What?! But I don't want to get busted open by a baseball bat!

Maria: But if you keep running from Langston, you're just making his job harder.

May: Why don't we have a shot at busting you open so you'll see it's not all bad?

Fergy: Are you trying to kill me?!

Reflector: No. Believe me, getting Hakaiied is much more worse then being busted open by a baseball bat.

Me: He's right. Also you piñata's live for being busted open at parties and all that. It's fun. Besides it won't hurt at all.

Hudson: J.D. is right Fergy. Being hit is not that bad. It's all for fun and for the candy we have.

Me: Yeah.

We got Fergy tied to a rope as he is hung from a tree.

Me: This won't hurt at all Fergy. Trust me.

I went over to Lola.

Me: Here Lola.

I handed her a red, orange and yellow Piñata stick.

Me: This is my lucky piñata smashing stick. I used this on my first Piñata I had at my birthday party when I was in Colorado. You are more than welcome to use it.

Lola: (Takes the stick) Thanks J.D.

Me: Smash him Lola.

Lola: With pleasure.

Lola put on a blindfold and she went up to Fergy.

Fergy: Oh fudge.

Lola then swung and smashed Fergy into a pile of paper!

SMASH!

We cheered for her! And to Fergy it didn't hurt at all.

Laney: Nice shot Lola!

Lola took off the blindfold and saw what she did to Fergy and it was awesome! He was loaded with all kinds of candy!

Lola: WHOA! THAT WAS AWESOME!

Me: Not bad Lola!

Langston: See, Fergy? That wasn't so scary, now, was it?

Fergy: No it wasn't. AWESOME! Thank you guys for helping me get over my fear.

Me: No problem Fergy.

Luna: This place is amazing.

Hudson: I'm glad you all came. We need your help to take down our number 1 enemy.

Me: Who is that?

Hudson: His name is Professor Pester.

Hudson went over his history.

---

Professor Lester Pester, or better known as Professor Pester or also simply known by his surname Pester, is the main antagonist of the Viva Piñata video games and the TV series. He is the diabolical leader of the Ruffians. In the TV series, he is also revealed to be the creator of the Sour Piñatas.

He was voiced by David Brimmer, who also played Zanramon in the 2003 Teenage Mutant Ninja Turtles cartoon series.

Professor Pester's name used to be Lester, but because of his evil planning Jardinero calls him Pester, a name Lester would take as his permanent first name.

He used to help Jardinero with his garden. He was originally named Lester before he ruined Jardinero's hard work, after he sent him after a legendary Dragonache tale. From then on, he was now known as Professor Pester, he even lured Jardinero's son by the name of Stardos into his lair to try a piece of sour candy which changed him into Dastardos.

Space Race

Pester kidnaps Hudson and takes him for 10,000 pieces of candy ransom.

She Stomps At Night

Pester tricks a Taffly to kidnap Ella, so that he can beat the candy out of her. However, she starts to stomp around, sleep walking, and Fergy and Paulie try to defeat the Taffly while making her avoid Pester's traps.

The Old Piñata's Home

Pester and his brutish goons try to kidnap the old Piñatas so he can beat the candy out of them. When the old piñatas are asleep, he and his goons try to sneak into the rooms, only for the piñatas to come out and beat him with their canes. He tries to run, and accidentally into a TV, which accidentally makes him fall through the home and into the river.

Slay 'em at the Sands

His funniest episode, Pester kidnaps a group of laughing Pieneas in his Pester Car. He tries to do comedic acts to make them laugh and "Split their sides". However, Paulie and Fergy come to the rescue, and Pester accidentally defeats himself in an attempt to make all the Pinatas "Split their sides".

Mission Impiñatable

A parody of Mission Impossible, Pester kidnaps Hudson and Fergy and his friends have to save him.

Pester's Party

Pester and his goons disguise as a "Normal Family". Pester uses his laptop to hack into the Cannonata to launch Paulie and Fergy into his "home", so he can bash the candy out of them. However, things go wrong as more Piñatas come. Soon discovering Pester, the villain flees.

Pester the Piñata

Pester accidentally loses his memory and thinks that he is a Piñata. He soon loses his memory again and thinks that he is actually a Ruffian.

The Great Gob Rush

Pester sets up some Golden Gobs filled with caramel so he can trap dumb Piñatas and bash the candy out of them. Fergy and company fall for his trap, but they soon escape after Pester's idiotic and nonsensical henchmen accidentally trap him and release the Piñatas.

Recipe for Disaster

Pester disguises as a cook again, and competes against Paulie and Fergy and Shirley to get an unlimited supply of candy. He fails, and Shirley manages to win.

---

We gasped in shock!

Me: He's nothing but trouble! Looks like we got here just in time to help bring him down.

Lincoln: And after that, me and Luna are gonna stay here forever.

First Aid: Lincoln, what do you mean that you and Luna are staying here after we take Pester down?!

Lincoln: We're sorry, guys. We had fun fighting alongside you all. But you have to admit. Aside from Pester, this island is very peaceful.

Luna: Plus, if we stay here, then we don't risk becoming like our Royal Defenders counterparts.

Hudson: Okay, I'm glad you think that about Pinata Island. But what about the good things you two have done for so many people over the years?

Lincoln: (bitterly) Oh, please. Everything good me and Luna have done is all because we acted recklessly without thinking. And in Gotham Royal York, it's one stressful thing after another.

Luna: Besides, name one heroic deed that we've done without being reckless.

Me: You guys have done so many heroic deeds. You took Lincoln to his first concert and you and Sam became girlfriends and you also helped Sam kill her evil uncle and stood up for all LGBT rights. That's a big achievement.

Fergy: That is big.

Hudson: But who are the Royal Defenders?

Me: They were a parallel universe version of us that essentially went bad. We found out about them a few weeks ago and went into war against them a few days ago and won against them. Saving their universe from their tyrannical oppression.

I went over everything about them and more and the piñatas were horrified!

Langston: That's awful that they are that dangerous!

Nico: No kidding. But we defeated them and put them in prison where they belong.

Me: Yep. But they are just like the Justice Lords. They were an alternate universe version of the Justice League.

Paulie: Man.

Naruto: Yeah.

Me: Also Luna not only that but you saved your brother from danger more times than anyone else in your family even before you got your powers. You saved him from bullies and even jerks that hurt him.

Lori: That's right and you being a guardian to Lincoln literally makes you more than a hero.

Luna: What does that make me?

Lori: A saint. You literally are the best sister for Lincoln.

Me: Well said Lori.

Eloá: Si.

Hunter: Ja.

Luna then broke down crying in happiness and she hugged Lincoln and Lincoln then cried hard in happiness too.

Me: Aww. Now we have to get ready. We're going to bring Pester down for good.

Teddington: You think Pester's bad? Wait until you see the Sour Piñatas!

Me: Oh boy. We better be ready for him. But if his Sour Piñatas are that dangerous then we're gonna need a plan.

Paulie: I like it.

Me: First we have to see what his Sours look like and then we'll have to see how dangerous they are. Lets head for his lair.

We were off to the lair of Professor Pester.

In the arid wastes of Piñata Island, we were at the evil lair of Professor Pester.

Nico: Okay I'll go in first and confront him.

Me: Okay. Be careful.

Nico then beamed into the lair.

Pester: Soon my plan will be complete.

Nico: I'm sure it will.

Pester saw him.

Pester: NICO CHAN!? What are you doing here?

Nico: What else? To stop you from hurting the Piñatas.

Pester: (smirks) I guess this is the part where you kill me, right?

Nico: And banish you to the Warp! (holds out hand) HAK-

Nico got cut off as I heard a growl. He turned around to see all 12 Sour Pinatas glaring at him ferociously.

Nico: (gulps) Um… nice Sours?

The Sour Mallowolf bites him on the butt.

CHOMP!

Nico screamed in pain as it took a chunk out of his butt and he teleported back.

Pester: Now uh… Where was I? Ah yes.

We were hiding behind the rocks near Pester's lair and Nico appeared.

Wood Man: You ok, Nico?

Nico: He has 12 Sour's in there and one of them bit me on my butt.

We saw a chunk of his butt ripped out.

Laney: YIKES!

Lana: Ouch. That's gonna hurt.

Lucy Loud: Yeah.

Dark Spicer and the Masters of Evil then appeared. We saw Dark Spicer, Vypra, King Hiss, Webstor, Leonard, Hydro Man, Shiv, Electro, Bane, Vexen, Firefly, Professor Calamitous and Ebon.

Vypra: It's not our turn so we're going to help you guys out.

Nico: Cool.

Dark Spicer: (to Nico) What happened to you?

Nico: One of Pester's pets bit me on the butt.

Blackfire: We'd rather not get into that.

Me: Yeah.

Lola: Let me and Protoman try.

Lola and Protoman dressed up as Girl Scouts and they went to the door and rang the bell and went in. Then they came running out screaming with the Sours following them and roaring ferociously. We saw them and they were ferocious creatures.

Me: Whoa! Those are ferocious creatures.

Nico: Yeah.

Lola and Protoman came back.

Lola: (angrily) I can't believe we just ran out of there!

Protoman: We didn't have a choice. If we want to take Pester down, we have to deal with the Sours first.

Me: Good idea. Lets do our entrance with confetti and wind.

Nico: Nice.

We got ready.

Inside his lair, Pester was almost ready.

But then a bunch of party blowers and a bunch of fountains of soda and confetti shot out of the ground and blasted soda and confetti all over the place and the cheering of a lot of people was heard. On a stage came us and we were ready for action!

Pester: Team Loud Phoenix Storm!? What are you all doing here!?

Me: What else Pester? To stop you. Your reign of terror will end now.

But then Beautiful Gorgeous, Jimbo, Dolph & Kearney and Comic Book Guy appeared.

Me: Comic Book Guy, Jimbo, Dolph & Kearney and Beautiful Gorgeous.

Jimbo: Yep.

Comic Book Guy: I see you are all here for taking Pester down as well.

Me: Indeed.

Beautiful Gorgeous: (to Lincoln) Don't tell me you and Luna are seriously ditching Gotham Royal York!

Lincoln: Nope. J.D. and the others convinced us that Gotham Royal York is our home.

Luna: But you have to admit. This island is lovely.

Jimbo: I don't blame you. This does look like a nice place to have a vacation.

Kearney: (smiles) I remember when I had my first birthday party with a piñata. Good times.

Laney: Really good times.

?: Those were good times huh?

A figure came out and it was THUNDERON from episodes 13 thru 17 of Lightspeed Rescue!

---

In response to Queen Bansheera's intolerance to his numerous failures to destroy the Lightspeed Rangers, Diabolico summons the aid of his three last and most powerful monsters: Demonite, Falkar, and Thunderon. Thunderon and his comrades took great pleasure in their given order to destroy the Power Rangers and took off to Mariner Bay to carry out their mission. Upon reaching on the hills, the three monster created unique feathers from their wings and unleashed them all over the city.

Eventually, their presence became known and they were greeted with the arrival of the Lightspeed Rangers. For Thunderon's first encounter with the Rangers, he battled both Kelsey and Dana, and was able to effortlessly overpower them with his immense strength. With the Rangers overwhelmed by the monsters, they revealed that the feathers they released into Mariner Bay were explosive feathers that would detonate in dark areas and that every feather would destroy the city at sunset. Undeterred, the rangers continued to fight, but were still not match for the might of Diabolico's strongest minions.

As sunset neared, the rangers attempted to fall back and Thunderon and the others demons perused. The Rangers managed to group them together use the Rescue Bird: Unilaser to defeat them, but they redirected the blasts back at the Rangers, greatly injuring them. Soon the Rangers were surrounded by the explosive feathers and were too damaged to escape, leaving Thunderon and his allies to enjoy their fate. At sunset, the feathers exploded one by one with the Rangers helpless to escape their blast until the entire array of feathers exploded and sent the Rangers crashing through the wall of a warehouse. Unable to fight anymore, the Rangers powered down and were left at the mercy of the demon, until Ryan arrived to aid the Rangers. Although Thunderon and his allies fought Ryan, he and his comrades were defeated and forced to retreat, assuring that they would return.

Thuderon, Demonite, and Falkar eventually returned and attacked the city once again and he fought the Rangers. The monsters revealed their trump card to the Rangers, a powerful Demonite clone provided by Diabolico and continued to pressure them, even redirecting the shots from their V-Lancers. The Rangers then retreated to aid Ryan who was fighting the clone but were soon caught. Carter Grayson threatened to destroy both Demonite and himself with his V-Lancer and Rescue Bird: Unilaser if he didn't call off his clone. However as Demonite attacked, Carter pulled the triggered and destroyed Demonite and nearly himself. Thunderon and Falkar were then present at the Lightspeed Megazord's fight with the revived and gigantic Demonite. When Demonite was defeated by the combined efforts of the Lightspeed Megazord and Supertrain Megazord, Thunderon and Falkar retreated.

The Rangers were again called to action to fight against Diabolico's monsters. Despite the loss of Demonite, Thunderon and Falkar were still able to overpower the Rangers, Thunderon even being able to briefly incapacitate them. However, they used the moment of ceasefire to their advantage and destroyed Thunderon with the Spectra Blast. Thunderon was then revived by Diabolico into a gigantic form and he battled alongside Falkar against the Supertrain Megazord. The two demons were about to finally defeated Rangers, but were attack and destroyed by the efforts of the Supertrain Megazord and Ryan's Max Solarzord. Thunderon and his fellow warriors were thought to be destroyed, but Diabolico carried the crystallized forms of his monsters, swearing to make them more powerful and destroy the Rangers once and for all.

In Mariner Bay, Diabolico encountered the Rangers in a brief fight. He then activated the three gems from earlier and combined the essence of Thunderon, Demonite, and Falkar into the super demon known as Troika. With all three of the monsters' power at his disposal, Troika effortlessly beat the Rangers, even able to avoid the Spectra Blast, and forced them to retreat. At the heart of Mariner Bay, Troika savagely attacked the city in order to draw out the Rangers. The Rangers arrived and fought Troika, but were still unable to defeat him.

With no other options, the Rangers activated their latest weapons, the Battle Booster. With the aid of the Battle Booster, the Rangers' new found increase in strength allowed them to damage and force Troika back, and they were able to finally defeat him with a final Booster Beam attack, putting an end to Diabolico's monster.

---

Carter Grayson: Thunderon!

Kelsey Winslow: Oh no!

Thunderon: Its been a long time rangers.

Me: I remember you! You were one of Diabolico's most powerful minions and you packed quite a wallop when you, Falkar and Demonite faced the Rangers. Not only that but all three of you came back as the fusion monster Troika and you three combined together really gave the rangers a run for their money.

Thunderon: That's right.

Vypra: Didn't I tell you he had a really good memory?

Thunderon: And you weren't kidding Mistress Vypra. Very impressive on him.

Me: Not to brag, but it's awesome. But before we take you down we're gonna have the Loud Kids face the Sour Piñatas.

Thunderon: Understood.

Nico: Good.

Thunderon: Is it true that Diabolico's going to be brought back?

Lucy: He is. I was the one who suggested him.

Thunderon: (smiles) Good to know. Shame I'm not gonna live long enough to see him again.

Me: Paulie, you guys are in for an awesome show.

Paulie: Awesome.

But then we heard purring and out came a bunch of little creatures. They were really the most common enemies of the Skylanders: CHOMPIES!

Chompies are one of the most common monsters in Skylanders series that are not very bright. They are green creatures that bark and yelp like dogs. They sometimes spawn from Chompy Pods or

Root Runners, and by destroying them, the Chompies will stop appearing.

The rarest Chompy is the Purple Chompy that is only found one of the Heroic Challenges. Suprisingly, it is noted by Cali that they are not as bad as their green cousins, but despite that, Purple Chompies still attack the Skylanders.

In Skylanders: Trap Team, a Chompy and a Bone Chompy villain can be trapped.

Spyro: Uh oh! Chompies.

Linka: Oh they are so cute.

Linka went up to them.

Stealth Elf: Linka they are cute but really dangerous.

Linka: Oh I think they are adorable.

But then a chompy bit Linka in her leg and ripped out a chunk of her skin and she screamed in excruciating pain!

Me: Linka!

We went over and saw that the chompy really hurt her.

Me: OH SHIT! Look at the bite that chompy took out of her.

Nico: YIKES! That must've hurt!

Lori: Look at the teeth on those creatures.

We saw that they had razor sharp teeth.

Me: Whoa! They are like piranhas.

Spyro: Worse.

I fired lightning blasts at all the chompies and killed them.

Varie was healing Linka. She had a good chunk of her leg bitten off.

Orion: Victory will never be yours, Pester!

Megaforce Rangers: Legendary Ranger Mode: S.P.D.!

The Megaforce Rangers turned into the S.P.D. Rangers.

We powered up and went at them.

Battle 1: Lori and Leonard VS Sour Bonboon

Lori and Leonard the King Pig were facing the Sour Bonboon.

Adding one more face-puckering Pinata to the sour group, this visitor called the Sour Bonboon will pick fights as it visits your garden. You'll catch it whispering to piñata, who then attacks an innocent neighbor. This makes the Sour Bonboon quite the rabble-rouser. Once it has received an attitude adjustment from a member of the Syrupent family(a Syrupent, Twingersnap, or even better, a Fourheads), it will become a Bonboon and you'll get access to new visitors.

As a sour, it starts fights in your garden! If you tame it, it will put a stop to fights in your Garden by dancing.

In Viva Pinata Pocket Paradise, the Sour Bonboon will make pinatas unhappy!

Lori: This is literally one ugly freak.

Leonard: No kidding. Lets destroy it with our techniques and combo.

Lori: Right.

Lori: Try this one on. CELTIC WIND STYLE NINJA ART: SKYE BOAT SONG!

Lori floated into the air and green wind swirled around her as she sang the beautiful song Skye Boat Song by Rowena Taheny. It was a 19th Century song about the story of the famous journey of Prince Charles Edward Stuart who went from Benbecula to the Isle of Skye to evade capture from government troops after his defeat in the Battle of Culloden in 1746. The wind fired at the Sour Bondoon and it formed into the ship of Prince Charles Edward Stuart and it slammed into the Sour and smashed it all over.

Leonard: Awesome job Lori! Lets see how they like this one. HILLBILLY STYLE NINJA ART: SQUARE DANCE HILLBILLY BASH!

Leonard fired a wave of energy and it hit the Sour and made him dance crazily to that square dance song that Bugs Bunny did in Hillbilly Hare. It did all kinds of crazy this to him and pulverized him into pulp and more.

Lori: Now for the combo.

Lori and Leonard: MEAT STYLE NINJA ART: CARNIVOROUS STEAK TYRANNO STRIKE!

Lori and Leonard fired a massive wave of meat and it formed into a huge tyrannosaurus made of pure meat and it ate and killed the Sour like it was no big deal.

Leni: That was a totes awesome victory.

King Hiss: Yeah.

Luna floated into the air as waves of water formed and swirled behind her and she was singing Only the Young by Journey.

Another night in any town

You can hear the thunder of their cry

Ahead of their time

They wonder why

In the shadows of a golden age

A generation waits for dawn

Brave carry on

Bold and the strong
Only the young can say
They're free to fly away
Sharing the same desires
Burning like wildfire
They are seeing through the promises
And all the lies they dare to tell
Is it heaven or hell?
They know very well
Only the young can say
They're free to fly away
Sharing the same desires
Burning like wildfire
Only the young can say
They're free to fly away
Sharing the same desires
Burning like wildfire
Only the young can say
Only the young can say (young can say)
Only the young can say
Only the young can say (young can say)
Only the young can say

A city made of pure water formed around her and she blasted the Sour all over the place with incredible power and drenched it.

Hydro Man: I love that song! Nice one Luna! Watch this one. Here's another one of my favorites. WATER STYLE NINJA ART: HIGHER LOVE!

Hydro Man floated into the air as water formed around him and swirled powerfully and he was singing Higher Love by Steve Winwood.

Think about it, there must be higher love

Down in the heart or hidden in the stars above

Without it, life is wasted time

Look inside your heart, I'll look inside mine

Things look so bad everywhere

In this whole world, what is fair?

We walk blind and we try to see

Falling behind in what could be

Bring me a higher love

Bring me a higher love (oh oh)

Bring me a higher love

Where's that higher love I keep thinking of?

Worlds are turning and we're just hanging on

Facing our fear and standing out there alone

A yearning, and it's real to me

There must be someone who's feeling for me

Things look so bad everywhere

In this whole world, what is fair?

We walk blind and we try to see

Falling behind in what could be

Bring me a higher love

Bring me a higher love (oh oh)

Bring me a higher love

Where's that higher love I keep thinking of?

Bring me a higher love

Bring me a higher love (oh oh)

Bring be a higher love

I could rise above on a higher love

I will wait for it

I'm not too late for it

Until then, I'll sing my song

To cheer the night along (bring it)

I could light the night up with my soul on fire

I could make the sun shine from pure desire

Let me feel that love come over me

Let me feel how strong it could be

---

Bring me a higher love

Bring me a higher love (oh oh)

Bring me a higher love

Where's that higher love I keep thinking of?

Bring me a higher love

Bring me a higher love, oh oh (bring me)

Bring me a higher love (oh oh)

Bring me a higher love (oh oh)

Bring me a higher love

Bring me a higher love

Bring me a higher love (oh oh)

I said, bring me

Bring me a higher love

Bring me a higher love (oh oh oh)

Bring me a higher love (whoa whoa whoa)

(Bring me higher love) bring me a higher love, oh oh

(Bring me higher love) bring me a higher love (bring it on)

There's that love, bring me higher love

Bring me a higher love

Bring me a higher love (I said bring)

Bring me a higher love (oh yeah)

Bring me higher love

Bring me a higher love (higher, high, higher)

Bring me a higher love

Bring me a higher love

He fired blasts of water in the shapes of hearts and they slammed into the Sour and smashed him all over.

Vypra: (Laughs) Good one. Lets use our techniques and a combo.

Luan: You got it. LIGHT STYLE NINJA ART: AIN'T GOIN' DOWN 'TILL THE SUN COMES UP!

Luan floated into the air as beams of light in the 7 colors of the rainbow swirled and formed around her as she sang Ain't Goin' Down 'Till the Sun Comes Up by Garth Brooks.

Six o'clock on Friday evening

Momma doesn' t know she's leaving

'Til she hears the screen door slamming

Rubber squealin' gears a jamming

Local country station just a blaring on the radio

Pick him up at seven and they're headin' to the rodeo

Momma's on the front porch screamin' out her warning

Girl you better get your red head

Back in bed before the morning

Nine o'clock the show is ending

But the fun is just beginning

She knows he's anticipating

But she's gonna keep him waiting

Grab a bite to eat

And then they're heading to the honkey tonk

But loud crowds and line dancing

Just ain't what they really want

Drive out to the boondocks and park down by the creek

And where it's George Strait 'til real late

And dancing cheek to cheek

Ain't going down 'til the sun comes up

Ain't givin' in 'til they get enough

Going 'round the world in a pickup truck

Ain't goin' down 'til the sun comes up

Ten 'til twelve is wine and dancing

Midnight starts the hard romancing

One o'clock that truck is rocking

Two is coming, still no stopping

Break to check the clock at three

They're right on where they want to be

Four o'clock get up and going

Five o'clock that rooster's crowing

Ain't going down 'til the sun comes up

Ain't givin' in 'til they get enough

Going 'round the world in a pickup truck

Ain't goin' down 'til the sun comes up

Six o'clock on Saturday

Her folks don't know he's on his way

The stalls are clean, the horses fed

They say she's grounded 'til she's dead

Well here he comes around the bend

Slowing down, she's jumping in

Hey mom, you're daughter's gone

And there they go again

Ain't going down 'til the sun comes up

Ain't givin' in 'til they get enough

Going 'round the world in a pickup truck

Ain't goin' down 'til the sun comes up

Vypra floated into the air as waves of light and darkness swirled around her and formed into a rose as she sang Kiss From a Rose by Seal.

There used to be a greying tower alone on the sea

You became the light on the dark side of me

Love remained a drug that's the high and not the pill

But did you know that when it snows

My eyes become large and the light that you shine can be seen?

Baby, I compare you to a kiss from a rose on the grey

Ooh, the more I get of you, the stranger it feels, yeah

Now that your rose is in bloom

A light hits the gloom on the grey

There is so much a man can tell you, so much he can say

You remain my power, my pleasure, my pain

Baby, to me, you're like a growing addiction that I can't deny

Won't you tell me, is that healthy, baby?

But did you know that when it snows

My eyes become large and the light that you shine can be seen?

Baby, I compare you to a kiss from a rose on the grey

Ooh, the more I get of you, the stranger it feels, yeah

Now that your rose is in bloom

A light hits the gloom on the grey

I've been kissed by a rose on the grey

I've been kissed by a rose on the grey

And if I should fall, will it all go away?

I've been kissed by a rose on the grey

There is so much a man can tell you, so much he can say

You remain my power, my pleasure, my pain

To me, you're like a growing, addiction that I can't deny (yeah)

Won't you tell me, is that healthy, baby?

But did you know that when it snows

My eyes become large, and the light that you shine can be seen?

Baby, I compare you to a kiss from a rose on the grey

Ooh, the more I get of you, the stranger it feels, yeah

Now that your rose is in bloom

A light hits the gloom on the grey

Yes I compare you to a kiss from a rose on the grey

Ooh, the more I get of you stranger it feels, yeah

And now that your rose is in bloom

A light hits the gloom on the grey

Now that your rose is in bloom

Well, in the North of Carolina, way back in the hills

And then you'd fill him a jug and he'd pass it around

Mighty, mighty pleasin', pappy's corn squeezin'

Ssh, white lightning

Well, the "G" men, "T" men, revenuers, too

Searchin' for the place where he made his brew

They were looking, tryin to book him, but my pappy kept on cookin'

Phoo, white lightning

Well, I asked my old pappy why he called his brew

White lightning 'stead of mountain dew

I took a little sip and right away I knew

As my eyes bugged out and my face turned blue

Lightning started flashin', thunder started clashin'

Fshhh, white lightnin'

Well, the "G" men, "T" men, revenuers, too

Searchin' for the place where he made his brew

They were looking, tryin to book him but my pappy kept on cookin'

Whshh, white lightning

Well, a city slicker came and he said "I'm tough"

I think I want to taste that powerful stuff

He took one s-slug and drank it right down

And I heard him a-moaning as he hit the ground

Mighty, mighty pleasin', your pappy's corn squeezin'

Sshoo, white lightning

The "G" men, "T" men, revenuers, too

Searchin' for the place where he made his brew

They were looking, tryin' to book him but my pappy kept on cookin'

Sshoo, white lightning

From the deep I cry

I am needing change in my life

I have let the cold creep in and lock my ability to feel (deeply)

Just now a shaft of light shot through my soul

Opening up the windows and the doors

Reaching to the corners and my flaws

Showing my need

I'm running out of time to live

Running out of love to give

Running out of life within

God help me

I don't care who stares

Never want to be what I have been again

Grace has taken over and drawn me in and I am embracing it

Cause now I see Your light drawing me close

Overwhelming love I don't deserve

But I'll take the hope You bring, You hold it out to me

Without You

---

Somewhere over the rainbow, way up high

There's a land that I heard of once in a lullaby, I

Oh, somewhere over the rainbow skies are blue

Clouds high over the rainbow, makes all your dreams come true, ooh

Someday I'll wish upon a star

Wake up where the clouds are far behind me

Where trouble melts like lemon drops

High above the chimney top

That's where you'll find me, oh

Somewhere over the rainbow, blue birds fly

Birds fly over the rainbow

Oh why, oh why can't I? I

I see trees of green and red roses too

I'll watch then bloom just for me and you

And I think to myself

Oh, what a wonderful world

I see skies of blue, clouds of white

The brightness of day, the dark, say goodnight

And I think to myself

Oh, what a wonderful world

The colors of the rainbow so pretty in the sky

Are also on the faces of people passing by

I see friends shakin' hands saying, "How's it? How you?"

They're really saying, "I love you"

I hear babies cry and I'd watch them grow

They'll learn much more than we'll know

And I think to myself

Oh, what a wonderful world

I think to myself, yes

What a wonderful world

I think to myself, yeah

What a wonderful world

Ah-ooh

Oh, what a wonderful world it is

Yeah, yeah, yeah

Oh, na, na, mama

To the Island of Capri

All the way to Guadeloupe

I will follow you wherever you may be

From the moment I first saw you

Knew my heart could not be free

Have to hold you in my arms now

There can never be another for me

All I need is the rhythm divine

Lost in the music, your heart will be mine

All I need is to look in your eyes

Viva la musica, say you'll be mine

Can you feel the heat of passion?

Can you taste our love's sweet wine

Join the dance and let it happen
Put tomorrow's cares right out of your mind
As the music drives you closer
And you fall under my spell
I will catch you in my arms now
Where the night will take us no one can tell
All I need is the rhythm divine
Lost in the music, your heart will be mine
All I need is to look in your eyes
Viva la musica, say you'll be mine
Gotta have this feeling forever
Gotta live this moment together
Nothing else matters just you and the night
Follow on the wings of desire
Now the rhythm's taking you higher
No one can stop us from having it all
You are my heart you are my soul
All I need it the rhythm divine
Lost in the music, your hear will be mine
All I need is to look in your eyes
Viva la musica, say you'll be mine
All I need it the rhythm divine

Lost in the music, your heart will be mine

All I need is to look in your eyes

Viva la musica, say you'll be mine

Can you feel the rhythm

Can you feel the rhythm

Can you feel the rhythm, burning, burning

Can you feel the rhythm

Can you feel the rhythm

Can you feel the rhythm, burning, burning

Can you feel the rhythm

Heute Nacht die Zauberweisen

Wildes Volk und Liliths Art
Lauernd Winde heimlich fahrt
Lasst uns zu den Feuern streifen
Raunend nach den Sternen greifen
Gutes und auch böses Wort
Tragen wir heut' fort und fort
In den Weiden werden unsere Träume klingen
Und die Winde werden unsre Lieder singen
Lasst uns mit den Funken übers Feuer springen
In der Walpurgisnacht!
Hört die Geigen, hört die Geigen
(Hey yo)
Die Feuer sind entfacht!
(Hey yo)
Folgt dem Reigen, folgt dem Reigen
In der Walpurgisnacht
Ungestüm im Spiel der Geigen
Dreht sich unser nächtlich' Reigen
Und wir treten wild und frei
Diesem alten Zauber bei
Einmal nur im großen Kreise
Tanzen wir auf jene Weise

Bis das erste Morgenlicht

Unser Traumgewebe bricht

In den Weiden werden unsere Träume klingen

Und die Winde werden unsre Lieder singen

Lasst uns mit den Funken übers Feuer springen

In der Walpurgisnacht!

Hört die Geigen, hört die Geigen

(Hey yo)

Die Feuer sind entfacht!

(Hey yo)

Folgt dem Reigen, folgt dem Reigen

In der Walpurgisnacht

Hört die Geigen, hört die Geigen

(Hey yo)

And I here you call out my name

"Listen my child, " you say to me

"I am the voice of your history

Be not afraid, come follow me

Answer my call and I'll set you free"

I am the voice in the wind and the pouring rain

I am the voice of your hunger and pain

I am the voice that always is calling you

I am the voice, I will remain

I am the voice in the fields when the summer's gone

The dance of the leaves when the autumn winds blow

Ne'er do I sleep throughout all the cold winter long

I am the force that in springtime will grow

I am the voice of the past that will always be

Filled with my sorrow and blood in my fields

I am the voice of the future

Bring me your peace

Bring me your peace and my wounds, they will heal

I am the voice in the wind and the pouring rain

I am the voice of your hunger and pain

I am the voice that always is calling you

I am the voice

I am the voice in the past that will always be

I am the voice of your hunger and pain

I am the voice of the future

I am the voice

I am the voice

I am the voice

I am the voice

Lola fired waves of fire and they formed into wolves, bears, lions and Gorillas and they smashed into the Sour and burned it all over the place.

Firefly: Nice one Lola! Great song.

Lola: Thanks Garfield.

Firefly: Watch this one. FIRESTORM STYLE NINJA ART: ANVIL CHORUS!

Firefly floated into the air and the famous song by Giuseppe Verdi, The Anvil Chorus played and he rained down super heavy anvils made of pure fire onto the Sour and they crushed it and burned it all over the place with incredible fury.

Lola: Nice one!

Firefly: Thanks.

Lola and Firefly: INFERNO STYLE NINJA ART: INCINERATION OF THE MAD SAUROPOD!

Lola and Firefly punched the ground and then the Mad Sauropod exploded out of the ground as it was roaring in pain as it was burning in a vortex of fire as it was roaring insanely with its mind destroyed. The Sour burned with it as they both were incinerated into dust.

Firefly: That scene from Primal will forever haunt me. I can't believe that a gentle giant like a sauropod would turn into such a terrible monster because of a super disease.

Lola: No kidding. I watched that show with Aylene a couple of days ago and she hadn't stop crying for days. She was so terrified of how that Sauropod became that.

Firefly: I don't blame her.

Lola: She hasn't come out of her room for three days now.

Firefly: Poor thing. I hope she gets better.

Lola: Be too.

Battle 11: Lisa and Calamitous VS Sour Sherbat

Lisa and Calamitous were facing the Sour Sherbat.

Lisa Loud: This is gonna be a most rather enjoyable and amazing fight.

Calamitous: Indeed. Lets use our techniques and combo on this foul beast.

Lisa Loud: With pleasure. TECHNO STYLE NINJA ART: I LOVE THE WAY YOU LIE!

Lisa floated into the air and gears swirled and spun around her as she was singing I Love The Way You Lie by Eminem.

Just gonna stand there and watch me burn

Well that's alright, because I like the way it hurts

Just gonna stand there and hear me cry

Well that's alright, because I love the way you lie

I love the way you lie

I can't tell you what it really is

I can only tell you what it feels like

And right now there's a steel knife, in my windpipe

I can't breathe, but I still fight, while I can fight

As long as the wrong feels right, it's like I'm in flight

High off of love drunk from my hate

It's like I'm huffing paint and I love her the more I suffer

I suffocate and right before I'm about to drown

She resuscitates me, she fucking hates me

And I love it, wait

Where you going? I'm leaving you

No you ain't, come back

We're running right back, here we go again

It's so insane 'cause when it's going good, it's going great

I'm Superman, with the wind at his back, she's Lois Lane

But when it's bad, it's awful

I feel so ashamed, I snapped, who's that dude?

I don't even know his name, I laid hands on her

I'll never stoop so low again, I guess I don't know my own strength

Just gonna stand there and watch me burn

Well that's alright, because I like the way it hurts

Just gonna stand there and hear me cry

Well that's alright, because I love the way you lie

I love the way you lie

I love the way you lie

You ever love somebody so much

You can barely breathe, when you're with them, you meet

And neither one of you, even know what hit 'em

Got that warm fuzzy feeling, yeah them chills, used to get 'em

Now you're getting fucking sick, of looking at 'em

You swore you've never hit 'em, never do nothing to hurt 'em

Now you're in each other's face,

Spewing venom in your words, when you spit 'em

You push, pull each other's hair, scratch, claw, bit 'em

Throw 'em down, pin 'em, so lost in the moments, when you're in 'em

It's the rage that took over it controls you both

So they say it's best, to go your separate ways

Guess that they don't know ya 'cause today, that was yesterday

Yesterday is over, it's a different day

Sound like broken records, playin' over, but you promised her

Next time you'll show restraint

You don't get another chance

Life is no Nintendo game, but you lied again

Now you get to watch her leave

Out the window, guess that's why they call it window pane

Just gonna stand there and watch me burn

But that's alright, because I like the way it hurts

Just gonna stand there and hear me cry

But that's alright, because I love the way you lie

I love the way you lie

I love the way you lie

Now I know we said things, did things

That we didn't mean and we fall back into the same patterns

Same routine, but your temper's just as bad, as mine is

You're the same as me, when it comes to love, you're just as blinded

Baby please come back, it wasn't you

Baby it was me, maybe our relationship isn't as crazy as it seems

Maybe that's what happens When a tornado meets a volcano

All I know is I love you too much, to walk away now

Come inside, pick up your bags off the sidewalk

Don't you hear sincerity, in my voice when I talk?

Told you this is my fault, look me in the eyeball

Next time I'm pissed, I'll aim my fist at the dry wall

Next time, there will be no next time

I apologize even though I know it's lies

I'm tired of the games, I just want her back, I know I'm a liar

If she ever tries to fucking leave again

I'm a tie her to the bed and set this house on fire

Just gonna stand there and watch me burn

But that's alright, because I like the way it hurts

Just gonna stand there and hear me cry

But that's alright, because I love the way you lie

I love the way you lie

I love the way you lie

Lisa fired gears and energy and the blasts hit the sour and burned it all over the place.

Calamitous: Nice job Lisa!

Lisa Loud: Thank you. Eminem is one of my favorite Rap singers.

Calamitous: I can see that. How about this one? TECHNO STYLE NINJA ART: GEARFIRE BARRAGE STORM!

Calamitous fired waves of gears and they slammed into the Sour all over and exploded.

KRABBBBBOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOMMMMM!

Lisa Loud: Most impressive.

Calamitous: Thank you.

Lisa and Calamitous: TECHNO STYLE NINJA ART: DEAD MAN'S CURVE!

Lisa and Calamitous floated into the air and gears swirled and spun around as they sang Dead Man's Curve by Jan & Dean.

I was cruisin' in my Stingray late one night

When an XKE pulled up on the right

He rolled down the window of his shiny new Jag

And challenged me then and there to a drag

I said "You're on buddy - my mill's running fine

Let's come off the line now at Sunset and Vine

But I'll go you one better, if you've got the nerve

Let's race all the way - to Dead Man's Curve"

is no place to play

(Dead Man's Curve) you'd best keep away

(Dead Man's Curve) I can hear 'em say

"Won't come back from Dead Man's Curve"

The street was deserted late Friday night

We were buggin' each other while we sat out the light

We both popped the clutch when the light turned green

You shoulda heard the whine from my screamin' machine!

I flew past La Brea, Schwab's and Crescent Heights

And all the Jag could see were my six taillights

He passed me at Doheny then I started to swerve

But I pulled her out and there we were - at Dead Man's Curve

is no place to play

(Dead Man's Curve… )

"Well, the last thing I remember, Doc

I started to swerve

And then I saw the Jag slide into the curve

I know I'll never forget that horrible sight

I guess I found out for myself that everyone was right"

Won't come back from Dead Man's Curve

is no place to play

(Dead Man's Curve) you'd best keep away

(Dead Man's Curve) I can hear 'em say

"Won't come back from Dead Man's Curve"

is no place to play

(Dead Man's Curve) you'd best keep away

(Dead Man's Curve) I can hear 'em say

"Won't come back from Dead Man's Curve"

They fired a wave of gears and it formed into a Jaguar XKE and it swerved and smashed into the Sour and exploded into flames and killed it.

Lisa Loud: A smashing victory.

Ebon floated into the air and water swirled around him as he was singing the sea shanty Sailing Over the Dogger Bank.

Sailin' over the Dogger Bank:

Oh, wasn't it a treat?

Wind a-blowing east-nor'-east,

We had to give a sheet!

You ought to see us runnin'

The wind a-blowin' free,

On a passage from the Dogger Bank

To gray Grimsby.

Watch out, twigger,

She's a proper ju-be-ju.

Give 'er a sheet and let her rip

We're the boys to pull her through!

You ought to see us runnin',

The wind a-blowin' free,

On a passage from the Dogger Bank

To gray Grimsby!

Our captain he's a Shanghai roush,

He loves a pint of good ale.

Our mate he is a road stone-inspector

Been seen in many's a jail.

Our third mate he's a bush ranger,

He comes from the African Isle.

And take a look at our old cook

It gets the bugger wild!

Watch out, twigger,

She's a proper ju-be-ju.

Give 'er a sheet and let her rip

We're the boys to pull her through!

You ought to see us runnin',

The wind a-blowin' free,

On a passage from the Dogger Bank

To gray Grimsby!

Watch out, twigger,

As down the street she came.

High heels and painted toes,

Jenny is on the game.

Jenny is one of your flash girls,

Can't she cut a shine?

She can do the double shuffle

On the Knickerbocker line!

Watch out, twigger,

She's a proper ju-be-ju.

Give 'er a sheet and let her rip

We're the boys to pull her through!

You ought to see us runnin',

The wind a-blowin' free,

On a passage from the Dogger Bank

To gray Grimsby!

We are the boys to make a noise

When we come home from sea.

We get right drunk,

We roll on the floor,

We have a jubilee- Eee!

We get right drunk and full of beer,

We roll all over the floor,

And when our rent it is all spent

We go to sea for more.

Watch out, twigger,

She's a proper ju-be-ju.

Give 'er a sheet and let her rip

We're the boys to pull her through!

You ought to see us runnin',

The wind a-blowin' free,

On a passage from the Dogger Bank

To gray Grimsby!

FLASHBACK ENDS

When I was finished, Twilight and everyone that hadn't heard about it were shocked!

Twilight Sparkle: Wow! That is crazy! Lincoln and a few of the Loud's wanted to stay here?

Lincoln: Yeah and looking back we realized we were stupid.

Lola: Yeah no kidding.

Sunset Shimmer: But it was still an awesome adventure that you guys had too.

Lana: That sure was fun.

Laney: I loved it.

Nico: Larry, do you have the same interests as Laney?

Larry: As a matter of fact yes I do. I like painting and the theater arts and all that and I love dancing.

Rarity: Oh you have so much in common with both me and Sunset darling.

Laney: He sure does.

Nico: And I have a feeling you have a scar on your neck like Laney right?

Larry: Yep.

Larry revealed that he too had a scar like Laney's on his neck in the exact same spot.

Nico: Ooh! Ouch!

Me: Laney got her scar by doing a plate juggling act and she tripped and broke the plates and a shard slashed her neck and cut it. She wore a red scarf to hide it.

Larry: Just like me!

Nico: Ooh! Ouch! That must've really hurt! You're lucky that didn't sever an artery.

Me: That was my first reaction too.

Maria: Do you have a scar too?

Laney: I sure do.

She took off her scarf and revealed the scar on her neck as well.

Maria: OOH! Ouch!

Lana: Yeah that must've hurt.

Me: I found out about it when we were in Lori's room telling secrets to each other.

Varie: I remember that. Good times back then.

Me: I had nothing to hide back then just so you know.

Nico: Good. But that is very coincidental.

Larry Loud: It sure is. Even though Laney is my female counterpart we both share the same traits, qualities and talents.

Laney: We sure do.

Nico: Yesterday was heartwarming.

Me: Boy it sure was. First ever triple wedding we ever did and also we met the citizens of the Mr. Men Show. That was so awesome.

Laney: It sure was.

Me: After everything that Steven, Takato and Marco went through and accomplished with Jeri, Connie and Star they earned this.

Nico: Absolutely!

Laney: I agree. That was so awesome!

Twilight Sparkle: It sure was!

Pinkie Pie: You bet! That was an awesome party!

Camie: And after Jeri finally conquered her dark past she more than earned this.

Me: Absolutely.

Maria: Having more then one wedding is allowed. Like me and Carmen

Me: Absolutely and that is a definite fact.

Lola: Yep.

Me: It happened before and it can happen again.

Starfire: I thought it was a most glorious event for all of us.

Lola: It sure was.

Me: Hey Nico can you imagine what would happen if we had 2 baby showers and two of us went into labor?

Nico: (SHUDDERS) That would be crazy. But it's possible.

Qin: Yeah. But it's still an awesome wedding though.

Nico: I'm really happy for Jeri though.

Me: Me too. Along with Steven and Star. All of them earned it.

Xenia: They sure did.

Lola: Yep.

Leeli: I am happy for them too.

Qin: All of us are.

Nico: That was a wedding all of us will remember.

Sakura Knudson: Yeah that was so awesome and fun.

Laney: It sure was.

Varie: And I knew that Steven and Connie had a very awesome love budding in them ever since they became part of the Crystal Gems. That was so awesome.

Laney: It sure was.

Hudson Horstachio saw us.

Hudson Horstachio: Hey, guys!

Me: Long time no see Hudson!

Hudson Horstachio: Boy its been a while! You guys haven't been to Piñata Island in a long time.

Me: I know. But we haven't forgotten about you guys.

Xenia: Thank goodness.

Me: How have things been?

Hudson Horstachio: Really busy and we're really getting lots of candy for great parties.

Me: You guys sure are doing great since we defeated Pester and his Sours.

Pinkie Pie: Can I help with the parties you guys go to?!

Hudson Horstachio: You sure can Pinkie and we have been watching all your adventures on the tube ever since you guys helped us out in 2020.

Paulie Pretztail: Yeah we saw lots of your greatest adventures including the battles with Twilight and friends many enemies.

Fergy Fudgehog: And we saw the 20 Days of Darkness. That was terrible!

Ella Elephanilla: Yeah and we even saw the great battle with Team Dark Phoenix Storm and all the major battles you did. That was epic and amazing.

Nico: You guys sure have been keeping tabs on us.

Langston Lickatoad: Boy those were really awesome adventures! And Nico congratulations on getting promoted to full time leader. You earned it.

Nico: Thanks Langston.

Me: Awesome you guys were keeping up to date.

Ella Elephanilla: Who was the mastermind though and how was he able to get members?

Langston Lickatoad: (sighs) Ella, that was Mr. Mind. And he got members after Nico and the others defeated each of them.

Nico: Yeah he sure did. And the funny part was Poromon destroyed Mr. Mind by eating him for dinner.

We laughed at that!

Me: Poromon said he tasted like chicken.

Fergy Fudgehog: (LAUGHS) That was so awesome!

Hudson Horstachio: That was awesome and Lincoln we heard what happened with that rebellion chip and the Team Buktu fiasco. Are you alright?

Lincoln: Better than ever. I found out that a Rebellion Chip is what was making me rebel against Nico and the stress I had in me was in the form of Scott.

Nico: Yeah. We got rid of that.

Anna Anyanova: Thanks to the help of me and all of Lincoln's awesome guardian angels. Including me.

Paulie Pretztail: Wow! Yeah I heard about Lincoln having an awesome number of amazing Guardian Angels that were sent from the heavens to be his protectors. That is amazing that they are all now and going to be his future wives.

Laney: Yeah we're proud of Lincoln.

Fergy Fudgehog: If it makes you feel better, we never believed that Albedo's teammates were real heroes at all.

Me: That's good you didn't.

Lincoln: That does make me better. Thank you.

Fergy Fudgehog: You're welcome.

Paulie Pretztail: We heard about all those ambassador missions you guys were doing. Those are so awesome.

Starlight Glimmer: They sure are and they are some of the most fun ever.

Qin: We love doing them.

Nico: Yep. It's really awesome.

Langston Lickatoad: Boy it sure was.

Nico: You don't mind if we hang here, do you?

Hudson Horstachio: Not at all guys. You are all great friends.

Me: Thanks.

Hudson Horstachio: Also J.D. that was very brave of you to save the world from that huge rocket that was going to destroy everything.

Me: (LAUGHS) That was a very risky yet suicidal move. But it saved us all.

Nico: Yeah.

Me: But I'm not doing that again. I was out cold for the whole day because of it.

Leeli: He sure was. But I'm glad he saved everyone.

Nico: That is for sure.

Xenia: Yeah no kidding.

Nico: And today, we'll be helping the Zevo 3 team again.

Me: Nico's friend Missy is for that mission. We're going to destroy Stankfoot.

Hudson Horstachio: I know you guys can win against him.

Me: We always will win.

Nico: Eli, can you sense for Swartz's creations?

Hudson Horstachio: I did see six of them here.

Me: Whoa! That's a lot of them.

Eli: (Concentrates) He's right! We have Another Beppi the Clown, Another Itchy and Scratchy, Another Evil Whirlpool Man, Another Billy the Bin, Another LeQuack and Another Katnappe.

Me: Whoa!

Qin: That's a lot of them!

Xenia: Yeah!

Nico: Let's get Pain Yatta, Erica Loganheart, Tina Huntington, and whoever will be Evil Whirlpool Man's archenemy here.

Me: That's Kelly Orimoto. She is the Gene-slammer for Punk Shock on your side.

Nico: Oh right!

Qin: This will be awesome.

I snapped my fingers and Pain Yatta, Erica Loganheart, Tina Huntington and Kelly Orimoto came.

Pain Yatta: Hey! Good old Piñata Island. Been a while since this living Piñata has been here.

Nico: It has been a while.

Eli: Yes it has.

Nico: Who's first?

Pain-Yatta: I will go first.

Nico: Okay then.

Qin: This is gonna be interesting.

Camie: I can't wait to see who they are.

Nico: There she is!

Me: Number 1 incoming!

We saw a dark version of Beppi the Clown! It was ANOTHER BEPPI THE CLOWN!

Nico: Whoa! Another Beppi the Clown!

Lola: This one is gonna be good.

Pain-Yatta: I have a feeling it sure will be.

Another Beppi the Clown: (In a girls voice) And it's going to be an awesome party!

Me: (GASP) That voice!

She reverted back and was a girl with purple hair and had purple eyes and blue sclera and had purple angel wings and had purple clothes and she had the symbol of the Magic Skylanders on her skirt and in the middle of her forehead and she had a huge lollipop warclub in her hands.

Me: (GASP) Josee Juarez!

Josee Juarez: Good to see you again J.D. Been a long time.

Me: It sure has been a while.

Pain-Yatta: You know her J.D.

Me: I sure do. She is an awesome piñata crafter I know and she makes awesome parties and candy for all of us.

Josee Juarez: That's right and also I am now the gene-slammer of Pain-Yatta.

We gasped!

Qin: Wow! That is completely coincidental! The gene-slammer of Pain-Yatta VS Pain-Yatta himself.

Xenia: Very strange but cool.

Pain Yatta: And on Pinata Island!

Josee Juarez: I know! I already feel right at home here!

Nico: That is for sure.

Hudson Horstachio: That is so amazing that you are a gene-slammer for Pain-Yatta's kind.

Josee Juarez: It sure is and I have all sorts of candy powers too. It's awesome.

Me: In that case I have the perfect archenemy for you Josee. How would you like to have Professor Pester and his Sours as your archenemy?

Josee Juarez: I would like that! Pain-Yatta VS Sour Crusade.

Me: Ooh not bad.

Nico: Very fitting.

Eli: It sure is.

Nico: We'll have to find individual archenemies for them in the future.

Josee Juarez: I'm sure you'll think of something for that.

Fergy Fudgehog: We got plenty of time for that.

Qin: Yeah we sure do.

Me: By the way Josee are all of the other Another Villains friendly or hostile?

Josee Juarez: Friendly and you're going to like who the Another Itchy and Scratchy are.

Me: I have a feeling this will be awesome.

Josee Juarez: Yes they are all gene-slammers like me.

Me: Whoa!

Nico: Too bad Bart and Lisa aren't here. They love Itchy and Scratchy.

Josee Juarez: Boy I can tell that they get a good laugh out of them.

Qin: They sure do.

Pain Yatta: Sorry we have to fight like this.

Girl Jordan: First lets separate you from Another Beppi the Clown.

Josee Juarez: Okay.

Girl Jordan: Yep. Lets go Leeli.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and then Another Beppi the Clown separated from her!

Josee Juarez: Whoa! That was amazing!

Lola: It sure was!

Pain Yatta: Awesome!

Camie: Yeah it was!

Pain Yatta: Let's start this Pinata battle!

Josee Juarez: It's Party Time!

They fired a massive Licorice energy blast and it hit Another Beppi and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead! I caught the Wonder Ride Book and it was called The Piñata Princess and The Clowns of The Slaughter.

Nico: Cool!

Me: Awesome title.

Eli: One down.

Pain Yatta: Who wants some of my candy?

Nico: Ooh!

He vomited some out of his mouth with party confetti popping out and we got some good candy

Qin: Yummy!

We had bubblegum, jellybeans and more. Even Tootsee Rolls of different flavors.

Nico: Who's next?

Erica Loganheart: I'll go next.

Me: I think I'll call Bart and Lisa for this too.

I snapped my fingers and then Bart and Lisa came.

Lisa Simpson: Wow! We're back on Piñata Island.

Bart: Wow!

Hudson Horstachio: Awesome to see you two again.

Bart: Same to you Hudson.

Lisa Simpson: I have a feeling this is gonna be good.

Nico: You're about to see why we called you two here.

Lisa Simpson: I have a feeling this is gonna be a good one.

Me: And here they come.

We saw 2 figures and they were dark versions of Itchy & Scratchy! It was ANOTHER ITCHY & SCRATCHY!

Lisa Simpson: Oh my god! Another Itchy & Scratchy!?

Bart: Wow! This is gonna be interesting!

Erica Loganheart: It sure will be. But who is our Itchy and Scratchy doppelgängers?

Another Itchy: (In a girls voice) We are well familiar with J.D.

Another Scratchy: (In a girls voice) That's right sister.

They reverted back and they were twin girls! They had aqua blue hair and aqua blue angel wings and aqua blue clothes and one had a longer ponytail and they had the symbols of the Air Skylanders on their skirts and the middle of the foreheads.

Me: (GASP) Sina and Sonnya Earhart!

Sina Earhart: That's right. Awesome to see you again J.D.

Sonnya Earhart: Same here. And yes we are Air Skylander Gene-slammers. I'm the gene-slammer for Warnado.

Sina Earhart: And I'm the gene-slammer for Scratch.

Nico: Wow!

Lisa Simpson: That is amazing that you two are our favorite cartoon characters.

Bart: Yeah we have watched Itchy and Scratchy for as long as we can remember.

Sina Earhart: Same with me and Sonnya. We love Itchy and Scratchy too.

Sonnya Earhart: We have lots of favorite Episodes.

Nico: The joys of cartoon violence

Me: We can't get enough good laughs out of it.

Lisa Simpson: That is a definite no.

Bart: Too bad mom tried to get rid of it. (Season 2 Episode 9)

Nico: I know.

Erica Loganheart: That is for sure.

Sina Earhart: We even formed our very own Itchy and Scratchy Fanclub to go over our favorite episodes.

Sonnya Earhart: It is an awesome success.

Lisa Simpson: That is very awesome.

Bart: Boy it sure is.

Nico: That's awesome that you girls formed your own fanclub for it. Bart and Lisa love all the great cartoons of Itchy and Scratchy. They even made their own cartoon too. (Season 4 Episode 19)

Sonnya Earhart: Wait Little Barbershop of Horrors was made by you guys!? That is awesome!

Sina Earhart: We're really impressed you came up with your own cartoon idea. Well done.

Lisa Simpson: Thanks. It was a good one.

Erica Loganheart: We'll try to keep the cartoon violence to a minimum

Sina Earhart: Thanks.

Lincoln: After this.

He fired a beam of light and it separated Another Itchy and Scratchy from them!

Sina Earhart: Whoa!

Sonnya Earhart: That was rough! But this will be good!

Erica Loganheart: Yeah!

Nico: Without the Earhart sisters in them holding them back, they're free to cause chaos without restraint!

Another Itchy: And now lets get them!

They pulled out axes and chainsaws!

Sina Earhart: Bring it on!

Erica and her group fired waves of energy and blasted holes through their chests and they fell down and they exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Bart, Lisa, Sina and Sonnya laughed hysterically!

I caught the Wonder Ride Book. It was called The Twin Sky Princesses and The Cartoon Comedy Psychotic Cat and Mouse.

Me: Good title.

Nico: Thank God they didn't cause any chaos!

Me: No kidding there. But that was still fun.

Qin: Yeah.

Nico: Now for Another Evil Whirlpool Man.

Kelly Orimoto: I will face that one. I have a good feeling this will be a water Skylander Gene-slammer next too.

Nico: There she is!

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Me: WHOA! That is intense lightning coming off her!

Nico: But Whirlpool Man doesn't have lightning powers. He uses water.

Me: Maybe it's for another reason.

We saw her and it was a dark version of Evil Whirlpool Man: It was ANOTHER EVIL WHIRLPOOL MAN!

---

Me: Wow! The lightning coming off her is incredible!

Kelly Orimoto: That is an awesome lightshow.

Another Evil Whirlpool Man: (In a girls voice) Thanks. It comes with my power.

She reverted back and it was a girl with ocean blue hair and had blue eyes with aqua blue sclera, blue angel wings, blue clothes and had the symbol for the water skylanders on her skirt and in the middle of her forehead and she had a tail that was surging with incredibly intense lightning.

Me: (GASP) Penelope Aquarius!

Penelope Aquarius: Been a long time J.D.

Kelly Orimoto: And the way your tail is surging with intense lightning means that you're a gene-slammer for Punk Shock. Just like me.

Penelope Aquarius: That's right.

Kelly Orimoto: (laughs) It's fitting that I'm facing you!

Penelope Aquarius: (LAUGHS) It sure is.

Me: Boy that is a dead even and coincidentally interesting matchup. They are both gene-slammers for Punk Shock.

Rarity: It sure is an interesting matchup darlings.

Camie: Boy it sure is.

Qin: This is gonna be really electrifying.

Kelly Orimoto: Let's do this!

Lincoln: After this first.

He fired a blast of light and separated Another Evil Whirlpool Man from her!

Penelope Aquarius: Whoa! Now we don't have to hold back on this.

Kelly Orimoto: No we sure don't.

They fired powerful blasts of intense lightning and it hit Another Evil Whirlpool Man and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Seastorm Princess and the Whirlpool Wizard.

Me: Cool Title.

Qin: Awesome!

Me: Three more. Next is Another Billy the Bin.

Nico: Remind me who that one is.

Me: A villain that Earthworm Jim faced.

Nicole: He's a robot that looks like he's made out of garbage bins.

Nico: Oh right him.

Tina Huntington: I'm up next!

Me: That's right.

Nico: This is gonna be a good one.

Tina Huntington: It sure will.

Me: I have a feeling this one will be a Fire Skylander.

Lola: Yeah.

Nico: There she is!

She rolled at us in tank form and we saw that she was ANOTHER BILLY THE BIN!

Me: Whoa! Another Billy the Bin!

We then felt a huge extreme level of heat!

Me: WHEW! Is it hot out here?

Nico: Yeah it's hot!

Another Billy the Bin: (In a girls voice) Sorry about that guys.

She reverted back and was a girl with Red, Orange and Yellow hair and had red, orange and yellow clothes and she had fire angel wings and had the symbol of the fire skylanders on her skirt and in the middle of her forehead and on her shirt and on her right arm was a Total Solar Eclipse and she had a fire whip in her hand.

Me: (GASP) Phoenix Smolderdash!

Phoenix Smolderdash: Awesome to see you again J.D.

Me: Same here.

Nico: If I had to guess you're the gene-slammer for Smolderdash.

Phoenix Smolderdash: That's right.

Me: And you guys are going to think this is amazing. She got her powers over fire and the sun on the day of the 2017 Total Solar Eclipse.

We gasped!

Qin: WHOA! That is amazing!

Phoenix Smolderdash: That's right. I got these wings, these fire powers, this cutie mark for the Solar Eclipse and the powers of the sun as a result.

Sunset Shimmer: That is very coincidental. Smolderdash was born on the day of a Total Solar Eclipse. And her village thought it was an omen. But she proved them wrong.

Phoenix Smolderdash: That is amazing!

Qin: It sure is.

Me: Also that day was the day I sang The Night Begins To Shine.

Phoenix Smolderdash: That was you!? Wow! I love that song!

Me: We all do.

Nico: Yep.

Tina Huntington: I'm facing you.

Phoenix Smolderdash: I had a feeling. This will be as golden as the sun.

Tina Huntington: It sure will be!

Lincoln: First this.

He fired a wave of energy and it hit her and separated Another Billy the Bin from her!

Phoenix Smolderdash: Whoa!

Tina Huntington: Wow! Lets take him down!

Phoenix Smolderdash: Lets make this a blaze of glory!

They fired waves of fire and blasted down Billy the Bin and then…

KRAFFFFFFAAAAAAAAARRRRRTTTTT!

He exploded in a massive burst of flaming flatulence!

I caught the Wonder Ride Book and it was called The Solar Eclipse Sage Princess and the Kingdom of Garbage Robots.

Me: Cool title.

Nico: Who's next?

Me: Well next is Another LeQuack and this one I have a feeling is going to be a Gentleman Thief.

Qin: That would be awesome to see.

Lola: Yep.

Nico: Then this one must be a gene-slammer for Nightshade.

Lola: Wow!

Nico: There she is!

We then saw a dark version of LeQuack come and it was ANOTHER LEQUACK!

Me: Another LeQuack.

Another LeQuack: (In a girls voice) (Czech Accent) Indeed J.D. my good man and it's good to see you.

Me: (GASP) Verunka Navrátilová!

She reverted back and was a girl with black hair, purple eyes with dark purple sclera and had a purple and black sweater and purple and black shorts, purple legwarmers and sneakers and had pitch black angel wings and had the Dark Skylanders Symbol on her shorts and in the middle of her forehead.

Verunka: That's right. How have you been these days J.D.?

Me: Busy as ever.

Nico: Wait a second. I've heard about you. You're the Midnight Owl Phantom, the most notorious cat burglar gentleman thief in the world!

Verunka: That's correct Nico. I'm impressed my reputation is well known to you.

Nico: Your thieving skills are absolutely impressive and you would give Sly Cooper and Lupin III and Daniella Grey a run for their money too.

Verunka: Indeed.

Maria: What about Kairi Yano?

Nico: Same with him.

Verunka: But my primary enemy is not Ganglers unfortunately. I go after villains like those that Sly Cooper, Lupin III and Daniella Grey go after.

Qin: That does make sense.

Camie: It sure does.

Larry Loud: But this will be a most awesome battle.

Verunka: It surely will Larry my good young friend.

Larry: I'll show that I'm just as good as Laney is!

Me: Also are you the gene-slammer for Skylands notorious thief Nightshade?

Verunka: I most certainly am.

Nico: I knew it! I just knew it! Awesome!

Larry: This will be awesome.

Larry touched the ground and vines grew and Verunka used amazingly superb acrobatic skills and dodged all of them with amazing grace.

Lola: Wow! She is amazingly swift and agile!

Brittney: Boy no kidding there!

Xenia: Yeah!

Larry: Kairi Yano would be still be honored to meet you though.

Verunka: I would be most delighted to meet him too.

Lincoln: Lets get you away from Another LeQuack first.

Lincoln fired an energy blast and separated her from Another LeQuack and Verunka and Larry jumped and blasted him with darkness and leaves and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book. It was called The Midnight Owl Phantom and The Duck Thief From France.

Me: Cool title.

Lola: One more to go.

Me: Another Katnappe.

Maria: Time for backup!

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) NERGAL PIZZA BRIGADE!

She summoned Nergal and his team along with the pizza themed members of the M.O.E.

Qin: Nice!

Nergal: Piñata Island! Been a long time since we were here.

Nico: I know. It has been a while.

Nergal: Who wants pizza alongside the candy here?

Me: I am a little hungry.

We raised our hands and we all got awesome pizzas and they were tasty.

Lola: (Eating) Delicious!

Nico: I think I see her!

We saw a figure and it was Another Katnappe!

Me: Whoa Another Katnappe!

Nico: This one is going to be awesome.

Another Katnappe: It sure will be Dino Might!

She reverted back and was a girl with orange hair, orange clothes and had orange angel wings and an awesome multi-tool omnitrix, an orange version of the sword Ascalon and she had the symbols of the Tech Skylanders on her skirt and in the middle of her forehead.

Me: (GASP) Renee Azmuth!

Renee Azmuth: Awesome to see you again J.D.

Me: Same here. Renee is a very smart and awesome genius and she is also a cat burglar and a great inventor. She made her own version of the sword Ascalon as well as her own Omnitrix.

Nico: Whoa! That is cool!

Kaito: (gets out Dynaman Gear) Did Swartz promise you anything?

Zocks: (gets out Bioman gear) Because we can grant it instead.

Kaito got a Dyna Sword and Zocks got a Bio Sword.

Renee: No I used my power of XLR8 to get out before he could say anything. I have the powers of Ultimate Ben.

Me: Whoa! How many aliens do you have?

Renee: Over 100 million aliens.

Jen Tennyson: Wow that is awesome and impressive.

Laney: It sure is!

Me: Sorry we have to fight like this.

Renee: No worries.

Sougo: (gets out Dynaman Ridewatch) Swartz actually made Another Omnitrix Aliens before.

Geiz: (gets out Bioman Ridewatch) But we fought every. Last. One!

Sougo got DynaRedArmor while Geiz get Red1Armor.

Me: It's true. And it was awesome.

Albedo: It sure was.

Renee: That's what I heard. Also I'm the gene-slammer for Chopper of the Tech Skylanders.

Me: Cool! Dino Might!

Lola: Very awesome!

Nico: Yeah!

Renee: Yep. Lets do it!

She turned into Another Katnappe!

Nico: (gets out Katnappe's Ridewatch) Too bad I don't have any Shen Gong Wu right now!

Nico activated it and fired waves of energy and blasted her down.

Nico: And this too! (ACTIVATES LeQuack's Ridewatch)

He ran fast and swiped a jewel from her.

Another Katnappe: HEY!

Me: What is that?

Nico: (GASP) It's the Emerald of The Jade Parrot.

Me: (Whistles) That is beautiful. The shape is very similar to Jewel and Blu from Rio.

Another Katnappe: Oh I found that. I swiped it from a crazy White Cockatiel bird.

Me: That's Nigel! That's the mad greedy bad bird from the Rio Movies.

Another Katnappe: I hate that bird.

Me: We'll defeat him but we won't give him the Black Gates. He'll be put into the M.O.E.

May: (gets out Universe 666 Animated Sentinel Prime) I hope I get Sentinel's shield and lance and not his chin.

May activated it and got his spear and shield but definitely not his big chin and she smashed and pulverized her.

Me: YEAH!

May: (gets out Argit's Ridewatch) Tell me if you have this species in your Omnitrix?

May activated it and fired waves of cheese and smashed her down.

Me: Cheese powers? Argit doesn't have cheese powers.

Another Katnappe: Actually yes I do have Argit's kind in my Omnitrix.

Me: Awesome!

Maria: (gets out Ghost Monster's Ridewatch) Time for ghosts!

Maria activated it and fired waves of energy and smashed her down.

Qin: YEAH!

Larry: My turn!

He activated LeQuack's Ridewatch and ran fast and swiped something else from Another Katnappe!

Larry: Whoa look at this.

It was a wanted poster for Nigel.

Me: "Wanted: Nigel the Greedy. $800,000,000,000,000,000.00 Bounty!?" Hefty price on him.

Mr. Mittens and his team then came. He had Superfriends Cheetah, Muscles Mouse, Ephemeral, Maria Witchblade and Reptilicus!

Nico: Nice team, Mr. Mittens!

Mr. Mittens: Thanks Nico! This is gonna be fun.

Lola: It sure will!

Nico: This will be awesome!

Maria: Where's the next Gene Slammer?

?: Thou shalt abandon everything beloved, Most tenderly, and this the arrow is which first the bow of banishment shoots forth.

Brittney: Canto XVII Verse 55 of Paradiso.

Then we saw a Gothitelle.

Me: Hey a Gothitelle!

Qin: Cool! Wait I know that poetic voice anywhere. Erebus Raven!

Gothitelle: (In a girls voice) That's right Qin. Good to see you and Nico again.

Me: You are a fan of the Divine Comedy?

Gothitelle: I sure am and it's my ultimate inspiration of darkness.

Brittney: You are definitely worthy of being placed into the Goths of Darkness.

She reverted back and was a girl with black hair, black angel wings, purple eyes and had pitch black clothes.

Erebus Raven: I got this.

Me: First this.

I fired a blast of energy and it hit Another Katnappe and separated Renee from her and Erebus Raven fired a blast of energy and darkness and it hit Another Katnappe and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Ridewatch and purified it and Renee came over.

Renee: Boy that was awesome!

Me: It sure was!

Erebus Raven: It was.

Larry: What's your favorite memory of Nico?

Erebus Raven: When me and Nico had a project to do for our books and I chose Inferno of the Divine Comedy. We built this 3D model of The Inferno and showed what goes on there.

Nico: It took 14 days but we did it right.

Qin: I remember seeing that. That was really awesome.

Erebus showed us a picture of it on her phone.

Me: Wow! That is completely accurately construction and we know what it's like to go to Hell ourselves.

Laney: He's right on that.

Xenia: Yeah.

Erebus Raven: I heard about that. Our project got an A+.

Me: Good job guys.

Nico: Thanks.

Nico and Erebus hugged.

Nico: I've really missed you.

Erebus Raven: Me too Nico. Me too.

Lincoln: Ah, we're here in New York City, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're also going to face, take down, and recruit the next hypothetical Akumatized Loud Sister into The Masters of Evil, Mimica, the Akumatized form of Leni.

Me: And from our talk with Gabriel on Easter, she has the power to mimic anyone, but her mimicry can be broken by someone who can see through it, and since she's like Leni, we know many things that'll get her attention quick.

Nico: Yeah.

Lincoln: But, unlike with Princess Pink and Digital Diva, we won't be getting violent with her. Instead, we are going to use some tricks to lure her out, and then, trap her.

Alya: Good idea, and we'll do the same with Book Butterfly. Besides, we got to save that violence for the other hypothetical Akumatized Loud Sisters, specifically Bonkers, Power Chord, Fowl Sport, Queen of Darkness, Mud Slinger, Math Magician, and Fear Fox.

Lily: The hypothetical Akumatized forms of Luan, Luna, Lynn, Lucy, Lana, Lisa, and I.

Lincoln: That's right. But, I got a feeling that there's a hypothetical Akumatized form of me that we'll be facing in the future, and it's going to be a bloody and chaotic one.

Me: Whoever that is, we'll be sure to face him and take him down.

Suddenly, we saw what looks like Jock Jockerson walking in the city. WHAT THE?!

Nico: Jockerson?! WHAT THE FUCK?!

Suddenly, we saw Jock Jockerson turn to sea foam green slime and flee.

Me: WHOA! So, Mimica is a shape-shifting slime Akuma?! Really awesome!

Nico: That's so awesome. Oh man, and I think I scared her off.

Lincoln: No, she may have fled, Nico, but take a look, she's left a trail.

We saw she left a trail of sea foam green slime when she fled.

Eli: Not very smart leaving a trail like that.

Nico: Let's hunt her down.

We followed her trail, and then, we arrived at Mimica's castle: it was a green slime-themed castle of nightmares.

Ilana: Mimica's castle, we're here.

Lola: Ick, there's no way I'm going in there!

Lana: Cool.

Lincoln: We won't be going in there, Lola, we just need to lure her

out.

Before we could make our move, suddenly, we saw Elemental HERO Wild Wingman, along with Anglow, PingHound, and Blabbit appear before us, and with them are the six girls.

Nico: Whoa, Elemental HERO Wild Wingman, along with Anglow, PingHound, and Blabbit, awesome.

Elemental HERO Wild Wingman: (Girl's voice)(Spanish Accent) Ay, sorry for the scare, amigos.

Anglow: (Girl's voice) But, we managed to get the six girls out before Mimica came back to her lair.

PingHound: (Girl's voice) They got caught by Mimica, and were put into slime cocoons.

Blabbit: (Girl's voice) That was mainly out of fear.

Lincoln: (Gasps) Those voices, Monica Garcia, Lara Hikari, Maria Sakurai, and Natalie Wily, I knew it was you. But, we'll talk later, it's time to lure out Mimica.

Leni: I know what'll lure her out, Lincoln. HEY, THERE'S A HALF-PRICE SALE ON DESIGNER DRESSES AT REINENGERS'! ONLY FOR TODAY, GET 'EM WHILE THEY'RE STILL ON SALE!

?: (SQUEALS) DRESSES AT REINENGERS' AT HALF-OFF PRICE! I'M TOTES THERE!

We hid in the alleys, and then, Mimica appeared way too excited. But, unknown to Mimica, there's not a Reinengers' store here in New York City, the only one is at Gotham Royal York, and it was going to be quite a long long while before she had noticed it was a trick.

Lincoln: Now! Before she catches on that she was tricked!

Suddenly, Mimica was put in a closed box prison that appeared out of nowhere. Then, we all came out of our hiding spots.

Mimica: Hey, there's no sale at all.

Leni: Sorry, but we had to lure you out.

Lincoln: But, if it's any consolation, I got something for you.

Lincoln took out some dresses he made and gave them to Mimica, who cheered, and then, Lincoln sent her to The Masters of Evil's HQ.

Nico: Even though Leni did use a dirty trick to lure out her Akumatized self, it worked in the end: we took down Mimica.

Lincoln: But, we couldn't just let her go to their HQ that upset, luckily I had those dresses made for her.

Leni: It was totes sweet of you to do so, Lincoln, and it made her forget of what I did to lure her out.

Then, Mimica's slime castle came crashing down and disappeared into nothing.

Lincoln: That's another hypothetical Akumatized Loud Sister recruited into The Masters of Evil and only eight more to go. (To Monica Garcia, Lara Hikari, Maria Sakurai, and Natalie Wily) And it's so good to see you again, Monica Garcia, Lara Hikari, Maria Sakurai, and Natalie Wily.

Monica Garcia: (Spanish Accent) You too, Lincoln, it's been a long time, and it's so good to see you again, Maria, mi hermanita.

Maria Garcia: (Spanish Accent) You too, Monica.

Lincoln went up to Monica Garcia, Lara Hikari, Maria Sakurai, and Natalie Wily and he hugged them, and Monica Garcia, Lara Hikari, Maria Sakurai, and Natalie Wily are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you four since you were seventeen, and as you four can see, I really grew a lot since then.

Monica Garcia: (Spanish Accent) Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Lara Hikari: You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Maria Sakurai: Plus, we've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know these four girls?

Lincoln: Indeed I do, J.D.

Maria Garcia: (Spanish Accent) Along with the first girl dressed in black, this is Monica Garcia, Gene-Slammer of Elemental HERO Wild Wingman, she's Lincoln's Guardian Angel from Michigan and my little sister. She's a very powerful and very physically strong athlete who was born with superhuman strength, and like me, she's a goth girl with the powers of darkness and the ability to summon imps, and she also knows a lot of many spooky Spanish legends and legendary monsters of Spanish legend, plus, she also joined with me and she also helped to teach Lincoln how to summon the creatures of the night and she also knows how to cook some of her many favorite dishes from Mexico, and she's knowledgeable about everything from Mexico. She's also very good friends with Lucy and The Young Morticians' Club. She's also a skilled wilderness survival expert, and she's also a seductive and one sexy hot mama who's flirted and made out with Lincoln more than once, and she loves him with all her heart which is also shared among the other members of his harem and Guardian Angels. She's also a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages, but they always saw her coming when they see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet. But, she and the other Elemental HEROS of Earth along with Lincoln have more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents.

Nico: Just like Melanie told us, and you're really glad to be back with your sister again.

Maria Garcia: (Spanish Accent) Indeed I am.

Lincoln: And now for these three girls who accompanied Monica Garcia. The first one is Lara Hikari, Gene-Slammer of Anglow, she's my Guardian Angel from Japan and classmate in Science and she has a NetNavi named . Surprisingly, I also a NetNavi named . She, Lisa, and I managed to build a tower that can build a dimensional area that allows NetNavis and their operators to cross fuse as well. I made Lara a beautiful necklace, and to show thanks, she kissed me on the lips. She's also the sister of Lan Hikari, and she hates The Wet Bandits with a blazing passion.

Nico: Whoa, now that's awesome, and I didn't know you have a NetNavi.

Me: We didn't even ask.

Lincoln: That's right. The next girl is Maria Sakurai, Gene-Slammer of Pinghound, she's my Guardian Angel from Japan and classmate in Science. She also has a NetNavi named PlanetMan. EXE. She and I helped Lori in arranging dates with Bobby prior to Lori and Bobby's marriage. To show thanks, Lori took Maria and I to an Italian restaurant where Maria kissed me on the lips. She's also the twin sister of Maylu Sakurai, but Maria has pink hair, and she hates Icky Vicky with a blazing passion.

Lori: Maria and Lincoln literally helped out in arranging those dates with Bobby, and it was prior to my marriage with him.

Lincoln: And the last girl is Natalie Wily, Natalie Wily, Gene-Slammer of Blabbit, she's my Guardian Angel from England and classmate in Science, and shockingly, she's the granddaughter of Dr. Wily, but unlike her powerhungry world-domination crazed grandfather, she follows Dr. Light's beliefs that humans and robots can coexist and she hated her grandfather for everything he's done. She's also Emily Giabagu's classmate, and she, Emily, Lisa, and I built a Robot Master named Element Man which can adapt to any and all elements and he even has his own Buster. I made Natalie a beautiful Easter-themed necklace, and to show thanks, she kissed me on the lips, and even though she hates her grandfather for everything, she hates that fat, hairy, mutant, smelly cheapskate, Flip, with a blazing passion.

Nico: Whoa.

Me: Yeah, and you'll be happy to know we threw your grandfather in prison for good, and he'll be staying there until the day he dies.

Natalie Wily: Good, he's nothing but a monster obsessed with world domination.

Nico: And we already know Monica's really strong, thanks to the rest of The Elemental HEROS of Earth demonstrating their strength.

Qin: Yeah, so there's no need.

Monica Garcia: Yeah, that's true, and later on, I'm going to reveal a very horrible revelation: but for this one, it'll show Lori breaking down and crying as she finally realizes that what she's been doing to Lincoln has been wrong and awful, and when Lincoln hears it all for himself, he knew Lori was telling the truth and he hugged Lori, along with crying his heart out. But, this of course disgusted Lynn, and she was about to kill them both, but I used my skills in dark magic and summoned imps to attack Lynn, and then, Lori and Lincoln punched Lynn hard in the face giving her two black eyes, and she got in massive trouble with her parents who saw the whole event along with Lori breaking down and crying and Lincoln hugging Lori as he also let his tears flow.

Lara Hikari: That's right, and we remember that day all too well. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you, Monica, Maria, and Natalie want to give me your blood, right, Lara?

Lara Hikari: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Monica Garcia: (Spanish Accent) I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln first went up to Monica Garcia, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with

elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to Lara Hikari, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to Maria Sakurai, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And finally, Lincoln went up to Natalie Wily, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with

Monica Garcia: (Spanish Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Monica Garcia, Lara Hikari, Maria Sakurai, and Natalie Wily with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with four Elemental Thunderbird Chokers of Eternal Love on their necks.

Monica Garcia, Lara Hikari, Maria Sakurai, and Natalie Wily: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Monica Garcia, Lara Hikari, Maria Sakurai, and Natalie Wily.

Monica Garcia, Lara Hikari, Maria Sakurai, and Natalie Wily had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their faces and he kissed each of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Harpy, Levia, Seulbi Lee, Tina, Violet, and Yuri Seo from Closers.

Lincoln: Oh wow, it's Harpy, Levia, Seulbi Lee, Tina, Violet, and Yuri Seo from Closers.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Harpy: Yes, we're okay, thanks to you.

Then, when Harpy and the other five girls saw who it was that saved them from Mimica, the hypothetical Akumatized form of Leni Loud, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Harpy: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Harpy, Levia, Seulbi Lee, Tina, Violet, and Yuri Seo with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Mimica, the hypothetical Akumatized form of Leni Loud.

But, when Lincoln showed what happened such as Leni using a phony sale at Reinengers' to lure her out, and then, we put her in a closed glass box, and Lincoln giving her clothes that he made and he sent her to The Masters of Evil's HQ, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln, Monica Garcia, Lara Hikari, Maria Sakurai, and Natalie Wily have a lot of catching up to do, now that they're back in town.

Maria: Wow, you used a fake sale at Reinengers' to lure Mimica out and then trap her in a glass box, that was really awesome.

Lincoln: It sure was, since this is a hypothetical Akumatized form of Leni we were dealing with, Leni knew just what to do to lure her out.

Leni: But, you gave her the clothes you hand-made for her, and that was really nice of you, Lincoln. I feel like I did myself dirty using that lie.

Lori: It's okay, Leni, but you had to do it, otherwise, Mimica was going to continue running loose like that.

Nico: Yeah.

Lincoln: And for tomorrow's rescue for me, we're going to take down and recruit Power Chord, the hypothetical Akumatized form of Luna.

Nico: Which means we better get our earplugs ready for her, she's going to try and blow the house down on us!

Lincoln: But, we'll be pulling the plug on her concert of mayhem, Nico.

Luna: You got that right, we'll show her what happens when she uses rock and roll for mayhem and chaos.

---

After taking down Mimica, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Monica Garcia, Lara Hikari, Maria Sakurai, and Natalie Wily saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Monica Garcia: (Spanish Accent) My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Lara Hikari: He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Maria Sakurai: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln

about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Natalie Wily: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Monica, what's the story on Lori breaking down and crying as she finally realizes that what she's been doing to Lincoln has been wrong and awful, and when Lincoln hears it all for himself, he knew Lori was telling the truth and he hugged Lori, along with crying his heart out, and how they and you took down Lynn who was disgusted by this act of reconciliation between them?

Monica Garcia: (Spanish Accent) You're not going to like hearing it, Nico.

Monica Garcia pulled up the video as it played on the big screen. There we see Lori about to attack and kill Lincoln along with his Guardian Angels and Lynn was watching like the madwoman that she is and smirking with sadistic glee. Suddenly, Lori was hit with a sudden pang of conscience, and she was realizing what she'd been doing was wrong.

Past Lori: (Drops knife and drops to the floor on her knees) No… , I… I won't do it.

Past Lynn: What the?! Lori, you get up right now and kill Stinkoln and his Guardian Losers right now!

Past Lori: SHUT UP, LYNN! OR YOU WILL REGRET EVER ANGERING ME!

Suddenly, we saw tears coming from Lori's eyes.

Past Lori: Lincoln… ! I… , you… , you were right. I was acting like nothing more than a greedy self-obsessed control freak, and in the process I was making you miserable, and I enjoyed seeing that, along with teaming up with Lynn, Lola, Lisa, and Luan and trying to kill you and get rid of you, but looking back at what you said, about what happened to the sister you knew since the day you were born… , (Voice Breaking) Now, I finally understand, what I've been doing was both wrong and so awful. I really am nothing more than an awful older sister.

Past Lincoln: Lori?

Past Lori: I don't want to do that to you anymore, my baby brother. I… , I want to make amends and repair the bonds we had, but… , I fear it may be too late. I don't deserve to even be considered an older sister. (Takes the knife) I… , I don't even deserve to live at all!

Lincoln saw what she was about to do: she was going to kill herself. He rushed at Lori and he grabbed her wrist that had the knife. When Lori looked up, she saw Lincoln holding her wrist with the knife in hand and she also saw Lincoln's eyes watering, and she saw he was about to cry too.

Past Lincoln: Lori Loud, how… , how can you even say that?!

Past Lori: But, everything that I heard, it's true.

Past Lincoln: (Raises Voice) So, you really think killing yourself is going to fix that?!

Lori got stunned when she heard it. Suddenly, Lincoln's voice was already breaking, and he was now on the verge of breaking down, and so was Lori.

Past Lincoln: (Voice Breaking) I know that you've done nothing but hurt me at every opportunity and you teamed up with Lynn, Lola, Lisa, and Luan to ruin my life and kill me, but you have to think, will killing yourself really bring me peace?! No, it won't, if you kill yourself, it'll hurt me even more, the physical wounds I can heal from, but the mental and emotional wounds, those sorts of things can't be healed easily, and I… , I… !

Past Lori: (Voice Breaking) I… , I don't… , I don't want to die anymore! Please, please forgive me.

Lori hugged her brother as she finally broke down and cried, and those words rang true in Lincoln's ears, as he also broke down and hugged Lori and he also cried his heart out. Suddenly, Leni, Luna, Luan, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Varie, and I heard it, and they also joined in the group hug. But, Lynn was absolutely disgusted and absolutely enraged.

Past Lynn: WHAT THE ACTUAL HELL?! I GAVE YOU A FUCKING ORDER, LORI, AND YOU BROKE DOWN AND CRIED LIKE A FUCKING BABY! IF YOU CAN'T DO THE JOB RIGHT, I'LL DO IT MYSELF! TIME TO DIE ONCE AND FOR ALL, STINKOLN, AND YOU TOO LORI! (LAUGHING MANIACALLY)

Lynn grabbed the knife and ran at Lincoln and Lori to kill them, but Monica Garcia used her dark magic and summoned imps to attack Lynn.

Past Lincoln: Lori, let's give Lynn her just desserts.

Past Lori: Let's give her two black eyes for what she tried to do.

The imps dispersed, and then, Lincoln and Lori reeled their fists back, and they punched Lynn hard in the face giving her two black eyes, and she crashed into the wall and she was now knocked out.

Past Monica Garcia: (Spanish Accent) Someone, tie this animal up and throw her in a cage!

Past Lynn Sr.: Oh, and consider yourself grounded for nineteen weeks, Lynn Jr.!

Luna grabbed the knocked out Lynn and tossed her in a cage. Then, Lori hugged Lincoln, and then, he kissed Monica Garcia as the video ended, and we literally had tears in our eyes.

Nico: (Voice Breaking) That was the sweetest act of reconciliation I've ever seen.

Me: (Voice Breaking) That still got me in the heart to this day.

Luna: Lori almost tried to take her own life, now that was just dark. But, Lincoln stopped her from the deliberate act, and he talked her out of it, but not before they broke down and cried their hearts out.

Maria Sakurai: It was really dark, but Lincoln stopped her from doing so, and as for Lynn, she got her just desserts for that act. And as a result, that made our anger and hatred for Lynn rise even more, if she didn't stop, she was going to wind up inside a coffin being lowered into a volcano!

Nico: Lynn really went way too far, and look at what happened. If she at least realized that what she had been doing to Lincoln was wrong, she'd at least reconcile with him, but no, her hardheadedness and heartless behavior because of Dark Lynn made it impossible for her to reconcile with him.

Me: That dark side was a bitch and an animal who doesn't know when to give up, now I'm so glad that Lincoln gave her The Black Gates for good along with the other Dark Sides of The Louds.

We got a shower, and then, Lincoln, Ultear Milkovich, Chico C Hammitt, Miki Chickentiger, Risley Law, Flare Corona, and Kagura Mikazuchi are heading to Bubblaine.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Ultear Milkovich, Chico C Hammitt, Miki Chickentiger, Risley Law, Flare Corona, and Kagura Mikazuchi were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Ultear Milkovich, Chico C Hammitt, Miki Chickentiger, Risley Law, Flare Corona, and Kagura Mikazuchi fell in with Lincoln, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Flora Marley has sent some thugs to kill them.

Ultear Milkovich: Whoa, so our first date's here in Bubblaine, nice.

Lincoln: I knew that you, Chico C Hammitt, Miki Chickentiger, Risley Law, Flare Corona, and Kagura Mikazuchi would love it, Ultear, and it's perfect for our first date before Missy's big mission. Shall we?

Lincoln, Ultear Milkovich, Chico C Hammitt, Miki Chickentiger, Risley Law, Flare Corona, and Kagura Mikazuchi dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Ultear Milkovich, Chico C Hammitt, Miki Chickentiger, Risley Law, Flare Corona, and Kagura Mikazuchi got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Flora Marley's hired thugs coming after them and Lincoln fired blasts of blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Ultear Milkovich, Chico C Hammitt, Miki Chickentiger, Risley Law, Flare Corona, and Kagura Mikazuchi, and they hugged the girls in their abnormally massive and powerful muscular arms, and Ultear Milkovich, Chico C Hammitt, Miki Chickentiger, Risley Law, Flare Corona, and Kagura Mikazuchi placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Bubblaine, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ultear Milkovich, Chico C Hammitt, Miki

Chickentiger, Risley Law, Flare Corona, and Kagura Mikazuchi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Ultear Milkovich, Chico C Hammitt, Miki Chickentiger, Risley Law, Flare Corona, and Kagura Mikazuchi are now in your harem.

Jenna: Flip has got some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Lincoln: And we also had a run-in with Flora Marley's hired thugs, but I killed them all, and this is going to piss her off in 3… 2… 1!

Suddenly, we heard Flora Marley scream with extreme hatred and rage.

Maria: Yeah, up yours, bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Luna: We've been busy building some rocket launchers in case those monster bitches come right at us again!

Luna got out some rocket launchers we'd been building in case those monster bitches come after us again.

Lincoln: Nice one.

---

We were watching TV.

Shane: Hey, guys. I'm heading out.

Moonlight Raven: What for?

Shane: Some director of a movie wants me to star in it.

Me: Ooh we got to check this out. Mind if we come with?

Shane: Sure.

We went with him

Eric Meyers: Wes, remember when you and the others starred in that movie that ended up directed by Cinecon?

Wes: I do. Why?

Me: I remember seeing that. That was amazing.

Eric Meyers: I'm getting a major case of deja vu from that.

Wes: I am too.

Shane: I wonder what the movie is I'm gonna be in.

Me: We'll find out shortly.

We arrived and we were greeted by Kuroiwa!

Kuroiwa: Mr. Clarke. Thanks for coming.

Shane: Glad I could come.

Me: (In my head) Wait a second. I remember him. That's Kuroiwa. He was a movie director that I remember seeing.

Nico: (In his head) I've got a really bad feeling about this.

Me: What's the movie called?

Kuroiwa: The movie is called "Return of the Slashers."

Me: OOH! That sounds like something that would be perfect for Halloween.

Xenia: I agree there.

Princess Anita: It would be perfect for it.

Kuroiwa: It sure would be a good one for Halloween.

Laney: The Harvester isn't in that one is it? That one scared my brother really badly.

Kuroiwa: Don't worry he is not in it.

Me: Good.

Gusty the Great: Actors portraying Jason Voorhees and Freddy Krueger?!

Kuroiwa: At least they're not the real thing.

Me: That's true. I've had enough of those motherfucking psychotic fuckups to last a goddamn eternity! (To the actors) No offense!

Actor 1: None taken.

Me: Good.

Kuroiwa: And… action!

We saw Shane facing the actors of Freddy and Jason.

Me: (Whispering to Nico) This is gonna be really interesting.

Nico: (Whispering to me) It sure is.

We saw a machete shine in the sun and that showed it was real!

Maria: Something's wrong. Those are real weapons!

Me: I can see it. Usually they use plastic props but this is not right.

But then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM
KRABBBBBBBOOOOOOOOOOOMMMMMM!

Fiery real explosions went off!

Me: They're using real explosives too!? Oh no!

Nico: We better stop this movie before someone gets killed!

We jumped in.

Shane: Hey! Those were real weapons and explosions. What's this movie really about?!

Kuroiwa: (laughs) I told you. This is the movie of a lifetime. Real characters. Weapons, and plot twists. Like the last one I directed!

Me: A movie like this is a death sentence! This is a murder movie! Literally!

Kuroiwa: It's a MASTERPIECE!

With that, he was surrounded by an energy circle with the Hurricanger symbol and turned into NINPUKI from the Donbrothers Movie New First Love Hero!

We gasped!

Me: Ninpuki the Hurricanger Hitotsuki!

Nico: I knew it!

Me: And I remember seeing this one! He wanted to look for a big boss battle in his movie!

Eli: This is gonna get ugly!

Ninpuki: First, it's time for the Donbrothers to appear!

The Donbrothers appeared.

They were teleported here!

Me: Guys!

Taro: What the!? How did we… NINPUKI!

Haruka: Not this guy again!

Me: I'm afraid so.

Taro: Born from a Peach! DON MOMOTARO! ドンモモタロウ

(FIREWORKS GO OFF)

Taro: HAHAHAHAHA! Avataro Sentai!

All: Donbrothers!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off and we were ready!

Nico: OH YEAH!

Ninpuki: WHAT THE!? There's More of you all!?

Me: We've been busy curing your fellow Hitotsuki and adding members to the Donbrothers.

Ninpuki: I see.

Ninpuki: And… action!

He used his megaphone like a bazooka but Shane glided into the air

I fired a massive blast of fire and blasted Ninpuki all over in fiery explosions!

Qin: Take this!

She fired waves of fire and blasted him all over!

Eli fired waves of Force Lightning and electrocuted him!

Ninpuki used a Shadow Dance to possess the actors and take control of them. They lunged at us

We dodged them and then tied them up and took their weapons and then I fired an energy blast and blasted Ninpuki all over.

Me: You know Lothar was just like you Ninpuki. He died a horrible death.

Camie: Yeah!

Sononi fired arrows at Ninpuki but he blocked them with his armor.

Nico: Top this! (Echoing) CRIMSON LIGHTNING!

Nico fired a stream of blood red lightning and it hit Ninpuki and smashed his armor into pieces!

Qin: Nice one!

Lola: YEAH! (Echoing) PHOENIX FIRE!

She fired a fireball blast and smashed Ninpuki all over.

Ninpuki emitted a lightning-based ray at us.

Lincoln fired a powerful lightning ray and the blasts collided and exploded with incredible power!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Lincoln popped out of the explosion and kicked him in the face and blasted him all over!

Lyra, me and Nico slashed Ninpuki all over!

Apeface lunged at him.

And smashed him into the ground.

Then a Cinccino appeared.

Me: Hey a Cinccino.

Lola: Aw that one is cute

Tsubasa: (to Cinccino) You know, while I'm morphed, I'm pretty much the same size as you.

Cinccino: (In a girls voice) That is coincidental.

Nico: Cindy Yamaguchi! Wow!

Cinccino: Awesome to see you again Nico.

She fired an energy blast and blasted Ninpuki all over.

Ninpuki: That's not in the script!

Taro: No, it's not. Because we're writing our own script!

Touma: And we'll decide how it ends!

Me: And it ends with us freeing you!

Nico: That's right!

Laney: Yeah!

Shane: Should we end this now?

Me: We should!

Donbrothers: FESTIVAL SLASH!

We fired waves of energy and blades of elements.

The blasts all hit Ninpuki and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

Me: OH YEAH! Ninpuki you have failed this city!

I caught the Hurricanger Gear.

Me: Nice!

Donbrothers: DEMON ELIMINATION COMPLETE! ALL'S WELL THAT ENDS WELL!

Kuroiwa then vanished.

Me: Back to Japan for that Director.

Sonoi: That was so awesome!

Me: It sure was! Thanks for helping us guys.

Taro: Anytime.

Haruka: Hopefully, this movie won't be a flop like the last one he directed.

Me: One can hope. With a few tweaks and computer ingenuity here and there.

Nico: Yeah.

Taro: See you guys soon.

Me: In three weeks.

They teleported back.

Cinccino reverted back and she was a girl with with brown hair, blue eyes and had pink clothes and a blue scarf around her neck.

Cindy Yamaguchi: But that was still fun!

Broadside: What's your favorite memory of Nico?

Cindy Yamaguchi: That's easy. When Nico made me this awesome scarf.

Nico: I remember that. I handmade that for you.

Qin: Aww I remember that scarf. That was so cute.

Lola: It sure is.

Nico: Yeah.

Me: It's really pretty.

Leni: O.M. Gosh! That is so totes cute.

Cindy Yamaguchi: Thanks.

Nico and Cindy hugged.

Nico: I've really missed you.

Cindy Yamaguchi: Me too Nico.

Nico: Now we have to get ready.

Me: Right.

We went back to the estate.

We were getting ready.

The previous group came.

Riddler: Riddle me this: Can me, INSTIGATOR, Radioactive Man, Key, Devack, Beautiful Gorgeous, Red X, Brass Knuckles, Mojo Jojo, and Electropede go with you all?

Nico: Yes you all can come with us.

Qin: Yep. We're going to need all the help we can get for this one.

Laney: Yeah.

Me: Yep.

Tarantulas: Nico, which Gene Slammers do you think you'll meet next?

Nico: Ozzy and the Three Stooges will like this one. Reuniclus, Ducklett, Swanna and Vanilluxe.

Osmosis Jones: Cool! Reuniclus is awesome!

Moe Howard: Oh boy! We're going to meet Ducklett!

Curly: You said it Moe! I can't wait to see what they can do when we pound a bad guy. I hope he's like you! Nyuk nyuk nyuk nyuk nyuk.

POINK!

Moe poked him in the eyes!

Curly: OW!

Moe: Be quiet grapehead!

Radioactive Man: Moe, any reason why you and your boys are interested in Ducklett all of a sudden

Moe: After Ash told us about his encounter with Three Ducklett, they reminded us of well us.

Me: That's a very good reason. They were mischievous and similar to you guys back then.

Larry Fine: That is true.

Lola: Yeah that is funny.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone

else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Flora Marley of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Flora Marley of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Giggles: While you, Missy, and I deal with Flora Marley and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Flora Marley will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, it's time to help the Zevo-3 gang destroy Stankfoot once and for all!

Lincoln: We've already gotten rid of Ronson, so now, we won't have any problems taking down that stink-foot mad scientist down and giving him The Black Gates, and once we get through with Stankfoot once and for all, you're next, Flora Marley.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Giggles: No way are we forgiving you for any of your actions, Flora Marley, you better be ready to pay the price for your foul misdeeds.

Missy: Hang in there, guys, we're coming.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to meet with the Zevo 3 kids and finally kill Stankfoot, and kill Flora Marley of The Legion of The Lincoln Haters.

We were off to New Eden City.

---

We arrived in New Eden City.

Lola: Boy it's great to be back in New Eden City.

Me: It sure is.

Laney: Yep.

Me: Wow look there!

We saw Ronson's entire building completely destroyed and demolished!

Nico: Ronson's building was torn down!? Good riddance.

Lola: Yeah no kidding.

Me: Yeah.

We arrived at Jason's home.

Skull Man: Is this the right address?

Nico: Yep.

Missy Rodgers: Yep this is it.

We went in and saw Jason, Ellie and Matt.

Jason James: Hey guys!

Nico: Are we on time to join the party?

Ellie Martin: You sure are.

Beautiful Gorgeous: How have you kids been?

Jason James: Getting ready for your arrival.

Qin: Cool cool.

Matt: How have you been J.D.? That rocket explosion really took it out of you.

Me: No fucking shit there. I was knocked out the whole day because of that.

Nico: Yeah no kidding.

Camie: That was a huge rocket there!

Laney: And the explosion was massive!

Phoenix Smolderdash: Boy it sure was! I heard about that. That was intense!

Fangry: We want to thank you guys for helping out against Drax

Me: Yeah we owe you big time for that.

Xenia: That was so awesome.

Jason James: It was no problem.

Lola: Yeah.

Brass Knuckles: We also had a triple wedding.

Ellie Martin: I heard about that! Congratulations to the newlyweds.

Steven Universe: Thanks guys.

Takato: We are really happy to be together.

Marco: Yeah it was a day we'll never forget.

Me: All of us won't. It was awesome.

Xenia: Yeah it sure was.

Qin: It was so awesome and Jeri conquered her dark past and is now married to Takato.

Xenia: We're all really happy for all 3 couples.

Nico: And we had an awesome humiliation session on the Jerks at Lynn's Table.

Camie: We sure did.

Varie: It was really funny and awesome.
